# Chapter 20 The True Form Revealed_1

In just a few short sentences, each word was pronounced deliberately.

Immediately afterward, an invisible but incomparably formidable aura burst forth from Ye Fei!

Boom!

The smiles on everyone’s faces in the room involuntarily froze.

Even nobody bothered to wonder why Ye Fei dared to challenge Su Qingyu, whose influence was at its peak.

Because the feeling was just too terrifying!

It chilled everyone to the bone and made their skin crawl!

One couldn’t help but ask: Can such a pressuring aura really emanate from a young junior?!

The same sensation also began to spread over Su Qingyu.

"No, how is this possible!"

"How can I feel this way about such a loser!"

She suppressed the inexplicable fear in her heart.

Firstly, it was as if she had completed her plans ahead of schedule, and secondly, with Su Yueru free of hindrance, she would surely comply!

Having thought this through, Su Qingyu then gritted her teeth and said, "Ye Fei!"

"How dare you slander me with your groundless accusations? I’ll make you pay the price!"

After she spoke, she forcefully clapped her hands.

Her true colors revealed!

Swish, swish, swish!

From the dark spaces around the hall, over a dozen black-clad figures swiftly emerged.

In a matter of seconds, the area around Ye Fei and his company was surrounded tightly!

"Drag this slanderous wretch out and beat him to death, break his legs!"

"Once the birthday banquet is over, we'll deal with him then!"

No sooner had her words fallen than these black-clad bodyguards began rubbing their hands and slowly closed in, exuding a murderous aura.

Seeing she was in control of the situation, Su Qingyu couldn't help but puff out her chest in pride, waiting to see Ye Fei's wretched state.

That stance was far from what one might call a "lesson."

And those who had been silenced by Ye Fei's overwhelming presence just moments ago, straightened their backs once again.

"Hah, that kid! He was just bluffing just now!"

"Look at him now; he has angered Miss Su, how long can he jump around?"

At this scene, Su Yueru was immediately terrified.

Why hadn't the captain of the battle unit arrived yet?

If this continued, Ye Fei would be in danger!

But Ye Fei, facing the group of tough guys, displayed no fear; in fact, he wore a look of nonchalant ease.

"Is this group of trash supposed to be impressive?"

With that, there was only the sound of Ye Fei's footsteps.

One, two, three.

In just three seconds, the group of black-clad bodyguards was sprawled on the ground, howling in agony.

"Ah, my leg, my leg!"

"What kind of monstrous strength is this! Both my arms have been dislocated!"

These were top bodyguards heavily hired by Su Qingyu!

In Tianhe City, they had always been undefeated!

But now, they were getting beaten up by a young man, knocked around like they were searching for their teeth!

How could such a thing happen!

The onlookers were again shaken to the point of trembling.

Su Qingyu looked as if she had seen a ghost, staring bewilderingly at the man before her, both familiar and alien.

Although Su Wanli and Liang Xin were also deeply shocked.

They were even more afraid of offending Su Qingyu to death.

"Miss Su, please calm down, calm down!"

"This worthless son-in-law has acted inappropriately; I'll make him apologize to you right away!"

"Ye Fei, aren't you going to come over and apologize to Miss Su? Do it now!"

Su Wanli quickly spoke to reprimand him.

Ye Fei scoffed, "You want me to apologize to her? Does she, this piece of trash, even deserve it?"

Su Qingyu, her eyes slit with rage, pointed at Ye Fei through gritted teeth, "Ye Fei! Don't think that just because you have some skills, you can act recklessly!"

"What do you think this society is? Does your petty courage serve any purpose? You alone might fight off ten or eight people, but can you stand against the entire Su Family or the power that's far beyond your reach?"

"You might have gained some advantage today, but don't forget, if my Su Family wishes, we can use our power at any time to crush you!"

"You might not be afraid, but don't forget, you have a wife and children! Hmph, who guarantees that when they cross the street, a truck won't suddenly rush out and run them over? Hahaha!"

This was an outright threat!

Upon hearing this, a fierce cold light flashed in Ye Fei’s eyes.

He had now harbored the intention to kill.

But Su Qingyu, completely oblivious, thought he was scared stiff by her words.

So she lifted her chin once more, "It’s good to know fear. Come on, if you’re willing to kneel and admit your mistakes today, and let me cripple your tendons, we’ll call it even!"

"Su Qingyu! Don’t push people too far!"

Su Yueru couldn’t contain her fury and roared, wanting to confront her.

But she was held back by the combined efforts of Su Wanli and Liang Xin.

They did not want their daughter to clash directly with Su Qingyu over that loser.

In other words, as long as they could protect their daughter and themselves, sacrificing a loser wasn’t a big deal.

"Ye Fei! Are you deaf? Didn’t you hear what Miss Su said? Kneel down and apologize now!"

"What’s the big deal about breaking tendons in your hands and feet? You’re already a loser; you might as well be a little more disabled. It’s important to save your wife and children! Hurry up!"

The heartless couple urged him on.

Yet Ye Fei just coldly glanced at them.

And growled, "Shut up!"

Then he looked coldly at Su Qingyu, "You’re asking for death."

Su Qingyu was startled by his words, her mouth twitching a few times, "Ye Fei, ah Ye Fei, since you won’t listen to reason, then don’t blame me for being ruthless."

"If you don’t witness what true power is, you really won’t know how to write the word ’death’!"

Just at that moment, a middle-aged man dressed in a suit and leather shoes appeared at the entrance of the hotel hall.

He didn’t bring any entourage, only his butler.

Yet, standing there, he was like a mountain, one that demanded respect and immovable!

"Who is... this person?"

"Xiao... Xiao Mingyuan! Mr. Xiao!"

"It’s the Chairman of Tianhe Group, paying us a visit in person!"
