Chapter 52: I Will Make You Apologize_1

The magnificent marriage procession stopped at the entrance of the Yu Family's main gate, but no one could have expected that the more grandiose the ceremony, the more profound the pain that brewed within.

As the two parties were in deadlock, Yang Wu was in the middle of the Yang Family's procession, but at this moment, he was wounded all over and wrapped in bandages among the crowd. Clearly, he had just gone through a battle, and judging from his injuries, the opponent hadn't shown any mercy.

"You not only go back on your word about an arranged marriage, but you even attacked and injured Yang Wu. Yu Family Clan Leader, do you really think our Yang Family is easy to provoke?" The leader of the Yang Family's marriage procession scolded.

This man was named Yang Qinzheng, one of the many masters of the Yang Family. He was usually responsible for marriage matters to deter those with ill intentions.

However, today's situation made him extremely troubled. If it had been in the past when the Yang Family encountered trouble in marriages, he would have taken action without hesitation. But today, he didn't know how to act.

The Yu Family Clan Leader scoffed with full confidence, "Yang Qinzheng, don't try to threaten me. Xiao Hui is a famous beauty in the Great Wilderness, and naturally, only those with matching strength can have her. Yes, our Yu Family arranged a marriage with your Yang Family, but Yang Wu is now a cripple. To think he still wants to marry Xiao Hui, isn't that a toad trying to eat swan meat?"

Xiao Hui refers to Yu Xiaohui, the Yu Family's young lady.

Yu Xiaohui sneered, "Yang Wu, if I were you, I would just get lost now. You've already lost your arm and will just be a cripple for the rest of your life. Why humiliate yourself here?"

Yang Wu's eyes were bloodshot at this moment, and he could never have imagined that the usually gentle and obedient Yu Xiaohui would betray him today.

The saying goes that true feelings are revealed in times of adversity, and he once thought that Yu Xiaohui would be his everything.

But he was too naïve.

“Yu Xiaohui, you’ll regret this,” Yang Wu gritted his teeth and said.

“Regret?” At this moment, a mocking voice sounded, “Yang Wu, you think too highly of yourself.”

The one speaking was the man Yu Xiaohui had recently attached herself to, Wang Yunkai.

Wang Yunkai stood among the members of the Yu Family, disdainfully saying, “When Xiao Hui follows me, she’ll only enjoy happiness. If she marries a cripple like you, who knows what hardships she’ll endure? Why would she regret it?”

Yu Xiaohui sweetly nestled against Wang Yunkai’s shoulder and spoke softly,

“Brother Wang, there’s no need for you to argue with this cripple.”

Wang Yunkai had been thoroughly enchanted by Yu Xiaohui’s gentle and intimate appearance, and, amused by her teasing, he laughed and said, “Yang Wu, just get lost now. And as for your Yang Family’s marriage procession, I,

Wang Yunkai, am putting my foot down today. Yu Xiaohui is my woman. You Yang Family should just give up. Because, none of you are worthy of Xiao Hui!” Although Yang Qinzheng’s anger burned fiercely, he had no way to retaliate.

Wang Yunkai was from the Wang Family, which belonged to the Great Tribes.

Now that Wang Yunkai was standing up for the Yu Family, what could their Yang Family do?

Yang Wu's eyes were filled with frustration. His gaze towards Wang Yunkai resembled that of a hunting leopard, crowded with bloodshot veins. It was a pair of eyes that contained both anger and hatred.

Under his intense stare, Wang Yunkai felt extremely uncomfortable and said angrily, "What, you still want to bring shame upon yourself, Yang Wu? It seems that our little exchange earlier wasn't painful enough for you. Yang Wu, it's not that I'm bullying you, but not to mention you, even those so-called geniuses of your Yang Family are useless in my eyes. You're just one of those useless ones."

Yang Wu was mocked by these words and wanted to fight back, but he felt powerless all over his body.

He had already fought with Wang Yunkai just now and lost miserably.

Even if his arm hadn't been broken, how could he possibly be a match for Wang Yunkai, who was at the Fifth Level of the Body Refining Realm?

Who could refute the opponent's words?

At least, he couldn't.

Just as he felt hopeless and powerless, a untimely voice suddenly interjected, "Is that so? Wang Yunkai, you keep saying that our Yang Family is useless. I'm quite curious to see what kind of a person you are."

As soon as these words fell, the figure of Yang Chen, who had accompanied Yang Yuan, gradually appeared.

The young man, standing under the dazzling sunlight, was particularly eye-catching.

Yang Chen held a silver spear in his hand, sat on a fine horse with fiery red skin, and slowly approached.

"It's Yang Chen!"

“The most exceptional genius of the Yang Family, Yang Chen!”

Upon seeing Yang Chen’s appearance, the members of the Yu Family had some minor changes in their expressions, and so did Yu Xiaohui. Yang Chen’s reputation wasn’t a mere rumor to her, as she had witnessed his prowess with her own eyes.

However, Wang Yunkai was a different story.

As a genius from a Great Tribe, he didn’t pay attention to middle-ranking tribes’ Coming of Age Ceremonies.

As for Yang Chen’s performance during the Coming of Age Ceremony, he just treated it as a rumor.

“Haha, I wonder who this is. I had just silenced one useless person, and now another one has come up. I didn’t expect your Yang Family to have so many useless people,” Wang Yunkai sneered.

“Oh, really, useless? Wang Yunkai, if I remember correctly, you still owe me an apology. I’m just curious, since you keep calling me useless, what does that make you, who owes me?” Yang Chen asked harshly.

Hearing Yang Chen mention the matter of the “apology,” Wang Yunkai’s expression changed slightly.

Indeed, in theory, he owed Yang Chen an apology.

No one had thought that Yang Chen could cure Feng Xuewu’s mother, but he did. If he didn’t apologize to Yang Chen, wouldn’t that mean he didn’t respect Feng Xuewu at all? However, to get him to apologize to Yang Chen was merely wishful thinking.

For a genius like him from a Great Tribe, saving face is everything.

Wang Yunkai’s face turned ugly as he said, “Yang Chen, your Yang Family really knows how to produce useless people. So you’re saying, after failing to arrange the marriage, you also fail at using force, so now

you want to reason with me? Hahaha, Yang Chen, if you kneel down and beg me, I might even apologize to you.”

“How outrageous!”

“Absolutely shameless!”

Many in the Yang Family couldn't hold back anymore.

Wang Yunkai was too arrogant, his taunts filled with disdain, showing complete disregard for their Yang Family.

With such mockery, where would the face of their Yang Family be?

Yang Chen had to admit that Wang Yunkai was somewhat more troublesome to deal with than Yang Wu.

He smiled and shook his head, then jumped off his horse and slowly walked into the crowd, “You're mistaken, Wang Yunkai. I asked for an apology from you based on what had transpired. But to see someone like you lacks the responsibility of a man, and, well, all you had to say were that we are useless.

So I'm curious, if you lose to one of us from the Yang Family, what does that make you?”

Today, I ran a high fever of 39 degrees... The update was a bit late, sorry..
