### Chapter 53: Practicing on a Genius 1

Upon hearing Yang Chen's words, Wang Yun Kai laughed.

He seemed to have heard the funniest joke in the world, sneering disdainfully and said, "Yang Chen, what? You, the trash who lost your family's Purple Elegance Dan Furnace to our Wang family, want to try my skills?"

"If you dare, I wouldn't mind," Yang Chen said slowly. "I'm afraid that you, who don't even have the courage to apologize, would not dare to accept this challenge."

"Hahaha, what a joke!" Wang Yun Kai sneered, "Yang Chen, since you want to court death, I wouldn't mind obliging you. I hope you won't end up like Yang Wu, having to be saved by the Elders in the end. As for how to compete, whether it's a Pill Battle or a Martial Battle, I'll accept them all."

As far as he was concerned, neither Yang Chen's Martial Arts Cultivation nor his Way of Alchemy were worth his attention.

Yang Chen calmly said, "Pill Battle is not suitable for the current atmosphere, so let's go with the Martial Battle. However, a mere competition of martial skills is too boring. Since we're already adults, why not let our weapons do the talking?"

When his words fell, Wang Yun Kai was taken aback, somewhat surprised by Yang Chen's proposal.

Upon hearing Yang Chen's words, Yang Yuan anxiously said, "Yang Chen, absolutely not! You are cutting off your own retreat!"

If it was just a simple hand-to-hand combat competition, they could easily come to Yang Chen's rescue if he loses.

But in a competition of swords, life and death are decided in an instant. Who could tell the difference?

Deep down, Wang Yun Kai was somewhat wary of Yang Chen's proposal. After all, he had never experienced such an 'adult' battle before.

But after careful consideration, what was there to fear about Yang Chen, a piece of trash?

With that in mind, Wang Yun Kai sneered, "Alright, Yang Chen, you've got guts. Since you want to use an adult's mode of competition, I don't mind going along with you. But don't blame me, Wang Yun Kai, later when you're injured or killed."

Killing a genius from a Middle-ranking Tribe during the competition wouldn't be a big problem for him as a genius from a Great Tribe.

"Yun Kai, be careful. This Yang Chen is not like the useless Yang Wu." For some reason, Yu Xiaohui had a bad feeling, she had clearly seen Yang Chen defeat Xu Hu and knew that Yang Chen was a ruthless character.

She always felt that Wang Yun Kai and Yang Chen were not in the same league. Not only in terms of strength but also in terms of character, they differed by far.

However, Yu Xiaohui's words did not make Wang Yun Kai any more cautious. On the contrary, Wang Yun Kai felt that Yu Xiaohui didn't trust him enough and snorted, "Rest assured, it will only take three moves to take down this trash."

As his words fell, Wang Yun Kai took out his golden sword from his storage. Under the sunlight, the golden sword gleamed, revealing its sharpness.

Yet, Yang Chen showed no fear and held his silver spear, step by step, walking towards Wang Yun Kai.

"Shall we start?" Wang Yun Kai licked his lips.

"Of course," Yang Chen replied calmly.

“Take my move, Yang Chen.” Wang Yun Kai sneered, the very next moment, he held his golden sword and slashed at Yang Chen.

Anyone with discerning eyes could see that Wang Yun Kai had no intention of holding back. Instead of a competition, he seemed to want Yang Chen’s life. Seeing this scene, Yang Wu experienced a mix of emotions in his heart.

He once thought he had it all.

But when the real challenge came, how many of those who once admired and praised him actually came forward to help?

The ones who helped him were the Yang family members and this Yang Chen, whom he used to be hostile to.

“Yang Wu,” Yang Yuan approached at this moment.

Yang Wu lowered his head, feeling shameful, “Father.”

“Father knows that you are unwilling, so I asked Yang Chen to help. Now, this is all I can do for you. Yang Chen is different from you. He has a broad mind and doesn’t hold grudges against the past. What about you? Will you still hold on to the past’s resentments?” Yang Yuan asked seriously.

“Father, with Yang Chen treating me this way, how could I still hold a grudge?” Yang Wu sighed.

“It’s best for you to think so,” Yang Yuan breathed deeply and watched the battle from afar.

With slight concern, Yang Wu asked, “Father, can Yang Chen win?”

“I don’t know, his choice of competition is too risky. I didn’t expect Yang Chen to be so reckless. You must know that in this kind of competition, a single mistake could be fatal,” Yang Yuan looked worried,

“If Yang Chen wins, that would be the best outcome. But if he cannot defeat Yu Xiaohui, then it only means that your blessings are not enough. However, no matter what, as your father, I will protect Yang Chen at the cost of my life. After all, he came forward for your sake.”

“Yes, Father,” Yang Wu watched Yang Chen fighting Wang Yun Kai with deep unease and trepidation.

Same as Yang Wu, Yu Xiaohui also felt uneasy.

But soon, she gritted her teeth and whispered, “No matter how powerful this

Yang Chen is, he is just a genius cultivated by Middle-ranking Tribes. Wang

Yun Kai is personally cultivated by one of the Great Tribes. How could Yang Chen possibly win?

Thinking of this, she regained her confidence.

Did the one-armed Yang Wu really deserve her?

Ultimately, they were nothing more than clowns.

As a genius cultivated by a Great Tribe, Wang Yun Kai’s strength was much higher than Yang Wu’s. At least, his sword skills far exceeded Yang Wu’s. Even when compared with Xu Hu, the two were evenly matched. But overall, Wang Yun Kai still lagged far behind Xu Hu.

Even Yang Chen, who had just fought Xu Hu, could easily defeat Wang Yun Kai.

As for now, he had already reached the Body Refining Realm Sixth Stage. Fighting Wang Yun Kai was as easy as ever.

However, Yang Chen was not in a hurry to defeat Wang Yun Kai. The reason he proposed an ‘adult’ battle with Wang Yun Kai was to hone his spear techniques.

“The Mixed Yuan Spear Technique in itself is a very lethal technique. To make progress, you must have a high demand for combat experience. Since I can’t learn anything from the practice field, why not use Wang Yun Kai to practice?” Yang Chen thought..
