Chapter 54: Just Because of This!

No one could have imagined that Yang Chen would treat a genius from a large tribe as a practice opponent.

At least, Wang Yun Kai had not realized this yet.

“Yang Chen, is this all you’ve got? Haha.” Wang Yun Kai swung his golden sword around, showing off his impressive might. “It’s the Tiger Spirit Blade Technique!” “Indeed, it’s the Tiger Spirit Blade Technique!”

“This Yang Family genius is in trouble.”

Yang Yuan also recognized Wang Yun Kai’s blade technique. As he saw it unfold, his expression grew uglier.

Yang Wu didn’t understand: “Father, what’s going on with this Tiger Spirit

Blade Technique?”

“I never expected that the Wang family would place such importance on Wang Yun Kai, even passing on the Tiger Spirit Blade Technique to him. This renowned secret technique of the Wang family, you should know, belongs to the very few clans in the Great Wild Hundred Clans that possess cultivation methods. The Tiger Spirit Blade Technique is a damaged method.” Yang Yuan frowned deeply.

There was an essential difference between cultivation methods and martial skills, and this was common knowledge.

Yang Yuan clenched his teeth and said, “According to the rumors, if one cultivates the Tiger Spirit Blade Technique to great success and reaches the Spirit Martial Realm, each strike of the blade can summon a fierce tiger to attack the enemy. It can’t be compared to ordinary martial skills. Although Wang Yun Kai is only skilled in a few of them, for Yang Chen, it’s still a very unfavorable situation.”

No one was optimistic about Yang Chen.

But no one noticed that the more Wang Yun Kai fought, the worse his expression became.

Yang Chen felt his understanding of the Mixed Yuan Spear Technique became deeper, and he had to admit that Wang Yun Kai was extremely unlucky to have met him.

Although it was a damaged cultivation method, the Tiger Spirit Blade Technique was still far more profound than martial skills. However, compared to Yang Chen's 'Mixed Yuan Spear Technique,' it was like the difference between a beggar and an emperor, incomparable.

You should know that Yang Chen's previous life had considered the 'Mixed Yuan Spear Technique' a treasure from the Ancient Era, with its origins hard to trace, and it certainly wasn't something that 'Tiger Spirit Blade Technique' could compare to.

This profound difference was a matter of essence.

Moreover, the gap in martial arts cultivation made Yang Chen able to control the match as he pleased.

"It seems that fighting and struggling indeed help me comprehend the Mixed Yuan Spear Technique better." Yang Chen's mind became clearer, "Although I haven't grasped the 'Enemy Breaking' secret, I can understand the essence of the first move. My understanding of the Mixed Yuan Spear Technique has clearly progressed a lot. Since that's the case, it's time to end this battle." With this thought in mind, Yang Chen gradually became serious.

At this time, Wang Yun Kai's expression became more solemn, as the battle with Yang Chen made him feel overwhelmed.

Yes, toying with him.

How could Wang Yun Kai admit this?

“Clang!”

As the weapons collided and produced a dazzling spark, Wang Yun Kai suddenly felt a huge force coming from Yang Chen’s body. This force caused his hands to go numb, and he was shocked, “How can this kid be so strong?”

How could this be possible?

Why was Yang Chen so strong?

He was already surprised to see that his opponent could hold his ground against him.

But now this guy was actually forcing him to retreat?

Wasn’t the opponent the same waste that was humiliated by his Wang family a while ago?

Wang Yun Kai suddenly felt it was difficult to accept the fact that he was forced to retreat by Yang Chen, and he roared, “Yang Chen, prepare to die!”

“Full of flaws.” Yang Chen watched the displeased Wang Yun Kai, shaking his silver spear suddenly.

Although he hadn’t fully grasped the essence of the Mixed Yuan Spear Technique, the technique itself was already profound, and more than enough to deal with Wang Yun Kai. At this moment, Yang Chen merely used his force and thrust the silver spear towards Wang Yun Kai’s golden sword.

“Clang!”

Sparks flew, and Wang Yun Kai felt a force so strong that he simply couldn’t bear it.

“Sixth Level of Body Refining Realm, it’s the Sixth Level!” Wang Yun Kai realized that it wasn’t the Fifth Layer of the Body Refining Realm, but the suppression from the Sixth Level!

It was too powerful!

The power was so great that it left him unable to defend himself for a moment, forcing him to retreat several steps in an instant.

How could Yang Chen miss this opportunity? He swung his long spear and took a sudden step forward. The next moment, he feigned a thrust which was actually aimed straight for the heart, executing his fierce spear technique, which left Wang Yun Kai dazzled, his scalp tingling, unable to discern the essence of Yang Chen’s spear technique.

It was precisely because of this confusion that Yang Chen took another step and raised his left fist, “Cloud-Pulling Fist. “As the Cloud-Pulling Fist was unleashed, Yang Chen’s fist suddenly struck Wang Yun Kai’s body.

“Puchi! ”

Wang Yun Kai spat out a mouthful of blood, his entire body sent flying, heavily falling to the ground.

“Not good.” Wang Yun Kai sensed something was wrong, and just as he wanted to get up, suddenly felt a cold sensation on his neck. He discovered that Yang Chen’s silver spear had somehow been placed against his neck. With just a slight twist, this silver spear would be enough to take his life.

Seeing this, the Yang family members cheered.

“Haha, we won!”

“Young Master Yang Chen is indeed impressive!”

“Thrilling! ”

“So thrilling, making Wang Yun Kai arrogant, daring to call all the good men of our Yang Family trash?”

“I didn’t expect Yang Chen to defeat even Wang Yun Kai. The Wang Family is one of the great tribes.”

Some were happy, some were worried. While the Yang family was happy, the Yu family could not share their joy.

Wang Yun Kai shuddered violently, staring up at Yang Chen, with humiliation and anger in his heart, he roared: “Yang Chen, you dare to kill me? If you kill me, the Wang family won’t spare you!”

He thought this would intimidate Yang Chen.

However, he didn’t know that Yang Chen had never been afraid of threats from others.

He coldly gripped the silver spear, not showing the slightest fear, and lightly prodding Wang Yun Kai’s neck.

With this poke, Wang Yun Kai felt blood seeping out and was immediately scared, his legs feeling weak: “Yang Chen, no, don’t kill me, please don’t kill me. I beg you, I was wrong just now, I shouldn’t have called you trash, Yang Chen, please don’t kill me.”

“Coward!” Yang Chen had originally intended just to scare Wang Yun Kai but didn’t expect him to be so spineless.

Immediately, holding the silver spear in one hand, he spoke coldly: “Wang Yun

Kai, remember, the reason I am not killing you is only to let this so-called Yu Family’s young lady know what kind of coward she is going to marry in the future.”

Hearing this, Yu Xiaohui shivered all over.

She now even had thoughts of finding a crack in the ground to hide in.

One must know, once word got out that Wang Yun Kai had begged for mercy from Yang Chen today, his reputation would be ruined for the rest of his life. And she, Yu Xiaohui, was actually going to marry someone like Wang Yun Kai and share in such disgrace? No, she didn't want to!

Yu Xiaohui was suddenly regretful, but before her thoughts could linger, she suddenly felt a pair of icy eyes on her.

The owner of those eyes was none other than Yang Chen.

Seeing Yang Chen staring at her, Yu Xiaohui felt a bit scared.

Yang Chen said calmly, "Yu Xiaohui, remember, it's not that no one in our Yang Family is worthy of you, it's just that no one in our Yang Family wants you. Don't take yourself too seriously. Our Yang Family's men aren't lacking for women. Yang Wu, isn't that right?"

If Yang Wu didn't understand what Yang Chen meant, that would be the real surprise. Seeing Yang Chen defeated Wang Yun Kai, the heavy shackles that had been binding his heart were suddenly released.

He was instantly uplifted: "Yu Xiaohui, I indeed made a superfluous choice coming here today to propose marriage to you. No, it's not even superfluous. Today, in front of so many people, I, Yang Wu, decided to divorce you!"

"Yang Wu, you said- you said you'd divorce me. No, it's me not wanting you. What right do you have to divorce me?" Yu Xiaohui screamed as if she had been provoked.

No matter whether it was Yang Wu divorcing her or her not wanting Yang Wu today, as long as the news went out, her reputation would be completely ruined.

Everything was Yang Wu's fault.

However, she forgot that the root of all this was her.

Yang Wu's arm was broken, and it wasn't wrong for her to regret the marriage, but her mistake was relying on Wang Yun Kai as her backer and humiliating Yang Wu.

"Because your so-called backer, Wang Yun Kai, has already fallen here!" Yang Chen said expressionlessly.

It must be said, Yu Xiaohui indeed had the charm to attract men with her enchanting body, even though she was only fourteen or fifteen years old. Her bright red lips, delicate features, combined with her sweet and charming expressions were indeed full of endless temptation for men.

Unfortunately for her, Yang Chen had never been softhearted towards fickle women like Yu Xiaohui, who even betrayed their own men.

Yu Xiaohui's body trembled.

She suddenly realized that the silver spear in Yang Chen's hand pointing at

Wang Yun Kai was more persuasive than any words.

"Alright, let's go." Yang Chen withdrew his silver spear and turned to leave.

His main task in coming here was to uphold the dignity of the Yang family. Now that their dignity had been upheld, it was naturally time to go..
