### Chapter 55: Three Days Later, Seeking Instruction at Their Doorstep

Yang Chen's strong presence in Wang Yun Kai's eyes was like salt on a wound. When he saw his opponent turn and leave without even bothering to look into his eyes, Wang Yun Kai's eyes filled with unwillingness.

No, this can't be possible.

He still couldn't believe that everything was true.

Wasn't Yang Chen a piece of trash?

Not long ago, he clearly saw that Yang Chen had lost miserably to the Wang family in a bet, even losing their ancestral Purple Elegance Dan Furnace. Everyone knew about this, and it was then that Yang Chen was labeled as a loser.

Yang Chen lost to the Wang family!

Yang Chen lost to the Wang family.

Wang Yun Kai muttered these words to himself, as if only in this way could he find some comfort.

For this reason, Wang Yun Kai suddenly stood up from the ground and roared hoarsely: "Yang Chen, what are you so arrogant about? Weren't you just a loser to our Wang family not long ago?"

Yang Chen had originally spared Wang Yun Kai's life, just to avoid any trouble. Hearing Wang Yun Kai's words, he couldn't help but laugh.

It seemed that only in this way could Wang Yun Kai find a little bit of existence among the humiliation.

He calmly turned around, his cold eyes staring straight at Wang Yun Kai.

The look in his eyes truly startled Wang Yun Kai.

“Wang Yun Kai, I didn’t kill you just now, but that doesn’t mean I won’t dare to kill you,” Yang Chen said slowly.

Looking into those eyes, Wang Yun Kai felt as if he was in an ice cave, even the surrounding temperature seemed to drop rapidly.

“If you want to influence me with my previous failures, I can only say that you are too naive. In three days, I will personally visit the Wang family to learn about alchemy from Wang Ren and Wang De. I hope that you will appear in front of me at that time. Of course, if you have the courage,” Yang Chen calmly said and then left with the rest of the joining party without saying anything more.

Wang Yun Kai did not see the anger and humiliation in Yang Chen’s eyes. What he saw was the confidence in Yang Chen’s eyes, which filled him with a strong sense of defeat.

No one stepped forward to help him, including Yu Xiaohui.

On the way back with the wedding party, Yang Chen and Yang Yuan walked side by side. Yang Wu, who had been bandaged in the carriage, hesitated for a moment and then caught up with them. He looked at Yang Chen, trying to say something but not knowing how to say it.

Yang Chen couldn’t help but smile: “Brother Yang Wu, if you have something to say, feel free to speak.”

Yang Wu sighed and said: “Yang Chen, I was wrong in the past. After experiencing today’s wedding journey, I am much more clear-headed. I was too naive before. Although I lost an arm, I became a grown-up. Perhaps this is the blessing in disguise. If I hadn’t lost my arm, even after the Coming of Age Ceremony, I would still be a child forever.”

After saying this, Yang Wu bowed respectfully: “Yang Chen, please accept my apology for the past.”

He was truly expressing remorse.

Today, Yang Chen's actions undoubtedly resolved one of his heart demons and dissolved the unwillingness deep in his heart. If it weren't for this, he might never be able to let go of the humiliation from Wang Yun Kai and Yu Xiaohui, which would make him a useless person for the rest of his life.

It was Yang Chen who defeated the seemingly towering Wang Yun Kai and Yu Xiaohui, saving his already precarious heart.

Looking at Yang Wu's apologetic expression, Yang Chen's expression gradually became serious.

It was obvious that Yang Wu's apology was genuine.

It seemed that Yang Wu was not a bad person by nature, at least he knew how to be grateful to others.

"Who hasn't been a bit frivolous in their youth? Brother Yang Wu, don't feel guilty. Although you lost an arm, the path of martial arts is not cut off. As long as you work hard, anything is possible," Yang Chen said with a smile.

"Haha, that's right. In the Yang family, apart from you, no one can take away my title as number one genius, even if my arm is already useless," Yang Wu's eyes were full of determination, and unlike before, this time his determination was filled with confidence rather than arrogance.

Seeing all this, Yang Wu's father, Yang Yuan, felt relieved and his eyes became moist. He then said with a laugh: "A true man doesn't need to worry about having a wife. My son has realized his mistakes today, and his future achievements will be even greater."

"Thank you, father, for your unwavering support all this time," Yang Wu said, choking up as he recalled everything Yang Yuan had done for him.

After a while, he finally recovered and said: "Yang Chen, there is something I want to talk to you about. Can we talk further?"

Yang Chen, full of doubts, slightly moved away with Yang Wu.

When Yang Wu saw that others couldn't hear their conversation, he sighed: "Yang Chen, I don't know how to tell you this. Actually, my father has already told Yang Heng not to bother you anymore. However, as his brother, I can clearly see that he still refuses to let you go so easily."

Yang Chen was a little surprised.

Yang Heng still refuses to let him off easily?

This was interesting. It seemed that he had underestimated Yang Heng's magnanimity.

"I'm telling you this because I have my own reasons. After all, I am his real brother. However, this kid is really blind to trouble you. Yang Chen, you don't have to be polite with him. Teach him a harsh lesson and leave him with a sigh of relief. I believe, he will understand once he suffers," Yang Wu shook his head.

It didn't take long for the wedding party to return to the Yang family. Yang Chen declined Yang Yuan's further request for repayment and chose to return home as a reason for having a fight with the Wang family in three days.

Meanwhile, Yang Yuan quickly went to Yang Jin He and reported the specifics of Yang Chen's trip.

Yang Jin He did not accompany Yang Chen to Yu's house. Hearing the ins and outs of what Yang Yuan said, his eyebrows raised, and his eyes showed a hint of surprise: "Although I think Wang Yun Kai is not as powerful as that Xu Hu, the spears and swords have no eyes. It's still surprising that Yang Chen defeated Wang Yun Kai in actual combat. This tells those great tribes that our Yang family is not a tribe that can be easily bullied."

If a fight with fists and feet was not a real victory, then a battle would be a real victory.

This victory was not only due to strength but also extraordinary courage and plenty of combat experience.

“Yes, and I feel that Yang Chen’s martial arts cultivation seems to have improved again,” Yang Yuan reported truthfully.

“Improved again? It’s only been a short time,” Yang Jin He was truly amazed:

“It seems that the resources I provided have worked. The Great Elder was right, different resources can have different effects on different geniuses. Yang Chen is indeed a genius among geniuses..”
