Chapter 631: Without the Spirit Talisman, You're Nothing_1

Li Ruoxiang's words were filled with strong confidence in herself: "Although our Green Lotus Sect cannot fight against the Black Dragon Sect, the Black Dragon Sect still dare not mess around with our Green Lotus Sect. Under my command, they won't dare to do anything to you. In fact, you should thank me."

"Sect Leader Li, thank you." Yang Chen expressed his heartfelt gratitude.

At first, he didn't know whether the Black Dragon Sect would take action against him or not, so he had no concrete concept of these matters. But now that the Black Dragon Sect had indeed made a move, it was no surprise that their target was him. After all, he didn't think that the Black Dragon Sect had any motive to attack the Green Lotus Sect.

This meant that he was fortunate to be under the protection of the Green Lotus Sect, but if he had left with the group from Beishan Main City, he might have already lost his life.

Yang Chen couldn't help but sigh at this.

"I'll accept your thanks, and one day I'll let you repay me properly." Li Ruoxiang said very seriously.

Upon hearing this, Yang Chen had a bad feeling, but he didn't say much and planned to get out of the carriage and take a look outside.

"What are you going to do?" Li Ruoxiang asked.

"The people of the Black Dragon Sect are nearby. Although I'm under the protection of the Green Lotus Sect, I'm still involved in all of this; I can't just sit around doing nothing." Yang Chen said, and then left the carriage.

Subsequently, he arrived at the large traveling convoy of the Green Lotus Sect, and within the convoy, he had Yun Lu use her soul to observe the surroundings!

Although Yun Lu's martial arts cultivation was high, the masters of the Black Dragon Sect that appeared were mostly Earth Martial Realm experts, which Yun Lu could not handle completely.

After scanning for a long time, Yun Lu finally said: "Young Master, I indeed sensed a few Earth Martial Realm powerhouses hiding in the dark. It seems that Li Ruoxiang was not lying to you, and the Black Dragon Sect is actually so shameless as to target you just because you overshadowed them."

"Yeah, I really have to thank Li Ruoxiang." Yang Chen couldn't help but laugh.

Li Ruoxiang was a very strange woman.

He had interacted with both Qingyin and Li Ruoxiang, and it seemed like he had met two Li Ruoxiangs from different eras.

Qingyin and Li Ruoxiang's personalities were not much different, both being meticulous, serious, and seemingly not good at joking. However, Qingyin was Li Ruoxiang after thirty years of cultivation, while the current Green Lotus Sect Leader had cultivated for a hundred years. The former was more naive, while the latter...

How to describe it? It seemed that her aggressiveness was stronger.

Yang Chen felt bitter, not knowing how to face her when two fair-skinned and handsome male disciples of the Green Lotus Sect stepped forward.

These two middle-aged male disciples should be around fifty years old and their martial arts cultivation had reached the Elementary Martial Realm Peak, displaying the standard befitting talented disciples of Green Lotus Sect.

"Junior Brother Yang Chen!"

"Junior Brother Yang Chen!"

Both of them appeared amiable and sincere upon greeting Yang Chen.

Yang Chen, puzzled by their approach, began to speculate.

There were many female disciples in the Green Lotus Sect, but there were also male disciples. However, their number was relatively small.

As such, male disciples in the Green Lotus Sect were always in high demand.

But this had nothing to do with him as Yang Chen asked, "What brings you two senior brothers here?"

"As senior brothers, we naturally have to greet Junior Brother Yang Chen who is an honored guest of our Green Lotus Sect. We are senior brothers of a higher rank than Saintess Qingyin, responsible for leading the group this time to prevent our junior sisters and brothers from being disobedient." The two disciples said.

Yang Chen suddenly understood, but he still didn't know the purpose of their visit. On the contrary, seeing their false smiles, he grew more guarded, feeling that they did not harbor any good intentions towards him.

"Oh, I forgot to introduce myself. My name is Hu Yiming!"

"And I'm Wei Gang!"

"So you two are Brother Hu and Brother Wei!" Yang Chen quickly bowed his hands as a gesture of courtesy.

After introducing himself, Hu Yiming coughed twice and then asked seriously, "Junior Brother Yang Chen, what do you think of the atmosphere in our Green Lotus Sect? Are you getting used to it here?"

Upon hearing these words, Yang Chen squinted, “Elder brothers, you must be joking. I’ve only been with the Green Lotus Sect’s convoy for less than a day and you’re asking me how the atmosphere is and whether I’m getting used to it or not. Isn’t that making things difficult for me?”

He finally confirmed that these two were up to no good.

Are they joking? Asking him if he’s getting used to it here when he’s only been here for such a short time?

Wei Gang, seeing Yang Chen’s reaction, said, “To be honest, Junior Brother Yang Chen, our Green Lotus Sect has never been very welcoming to outsiders. Although we don’t know why you came to our Green Lotus Sect as a guest, I think it would be better for you to leave as soon as possible.”

Obviously, they didn’t know that Li Ruoxiang had invited Yang Chen herself and only thought that Yang Chen took advantage of his first place in the Black Dragon Sect’s martial battle to visit the Green Lotus Sect.

They believed that their Sect Leader, out of temptation for Yang Chen’s talent, tried to win him over and let him be a guest.

As soon as he arrived, Yang Chen immediately attracted the screams and worship of many female disciples, which instantly made them feel a sense of crisis.

As rare male disciples of the Green Lotus Sect, they felt that all the female disciples would eventually be theirs and that they could eat them slowly, one by one.

But now, an unknown person suddenly appeared, trying to snatch their food?

How could that be possible!

They had to let Yang Chen know right away that he had no right to do so in their territory, and that the Green Lotus Sect belonged to them, not to him.

At this moment, Yang Chen didn't expect Hu Yiming and Wei Gang to be so straightforward, but soon he laughed and said loudly, "With those words, can the two of you represent the entire Green Lotus Sect?"

"Of course, we are the elder brothers of the older generation and naturally can represent the Green Lotus Sect. So, Junior Brother Yang Chen, please heed our advice and return to where you came from as soon as possible. We understand your intentions, but it won't work in the Green Lotus Sect!" Wei Gang shouted.

In response, Yang Chen couldn't help but smile: "What if I insist on staying?"

"Yang Chen, getting first place at the Black Dragon Sect's banquet seems to have made you arrogant and full of yourself. It seems that you don't take us older disciples seriously at all." Hu Yiming scoffed.

Wei Gang also disdainfully said, "Yang Chen, the only reason you could beat Luo Yunhu in the end was relying on Spirit Talismans. You bought so many talismans, thinking they would save you once. Do you really think they will save you again? To be honest, we don't really care about you. Once your talismans are gone, you're just nothing!"

Chapter 632: Yang Chen, You're Not Welcome in the Green Lotus Sect!_1

At this moment, Hu Yiming had his arms crossed over his chest. "Yang Chen, a wise man submits to circumstances. I hope you can understand the situation. I'll give you one more chance, and another opportunity to leave. Cherish this opportunity, because we, will only give you one chance, there will be no third chance."

Yang Chen seemed to have no anger; he was amused by their words.

Without his spirit talisman, was he really useless?

It was Yang Chen's first time hearing such a statement.

First of all, even without his spirit talisman, he was sure he could deal with Wei Gang and Hu Yiming. Besides, he was a spirit talisman maker. No spirit talisman? Nonsense. If there was one thing he had in abundance, it was spirit talismans.

Yang Chen said indifferently: "I appreciate the opportunity you gave me, but since I'm here, I'm not planning on leaving so soon."

He came to the Green Lotus Sect because Li Ruoxiang invited him. He was too lazy to explain anything to these two.

Now that he had just arrived at the Green Lotus Sect, it was not suitable for him to get into conflicts with others, lest he ruin Li Ruoxiang's reputation. Ignoring the two men, he turned and left.

Seeing Yang Chen leave, Hu Yiming and Wei Gang's faces darkened, and their expressions were filled with anger.

"Hmph, ungrateful!" Wei Gang gritted his teeth.

"No matter, there are many ways to make him realize how foolish it is to defy us." Hu Yiming said coldly.

Wei Gang couldn't help but ask, "Brother Hu, this kid may be a guest, but he was personally invited by the Sect Leader, so his status is still very important. If we really fight him, even if we can make him realize there are always people beyond him, we will definitely be punished by the Sect Leader."

"Haha, Brother Wei, who told you that we must personally deal with him to make him eat dirt? There are many ways to make him regret and despair." Hu Yiming sneered.

"Oh? Brother Hu, tell us your plans!" Wei Gang said.

Hu Yiming grinned and snapped his fingers: "Call over Junior Sister Huang Yun and Junior Sister Cai Tong."

Wei Gang didn't know what Hu Yiming was planning, but he quickly called over Huang Yun and Cai Tong, the two female disciples.

Huang Yun and Cai Tong were both pretty women. However, due to their lack of talent, they were not well-regarded within the sect and belonged to the third-rate disciples. Seeing Hu Yiming and Wei Gang calling them, they quickly ran over, staring straight at the two, wondering what they were up to.

Wei Gang said, "Brother Hu, you don't need to be mysterious anymore."

Hu Yiming grinned, "Of course. Cai Tong, Huang Yun, I called you two over to ask for your help in some matters. If you do well, there will be benefits for you."

"Brother Hu, just tell us what you need help with. As your junior sisters, we will surely help you." Huang Yun and Cai Tong smiled charmingly.

These two were well-regarded within the sect, and they were hoping the two would help them rise in status. Where else would they provoke them? They would naturally serve them well.

Hu Yiming quickly arranged the tasks for the two women, explaining everything clearly. Huang Yun and Cai Tong were wide-eyed at his instructions.

"So, it turns out that Yang Chen has offended both Brother Hu Yiming and Brother Wei Gang. Hmmph, I have disliked Yang Chen for a long time; he dares to offend you two." The woman called Huang Yun spoke viciously.

Saying that she disliked Yang Chen was more like admitting that she knew she couldn't aspire to be with Yang Chen.

Now that Yang Chen had defeated Luo Yunhu, he had become the Eastern Number One Genius. How could he be interested in them?

Since they knew they couldn't get close to Yang Chen, they might as well try to ruin him!

Although Cai Tong's thoughts were somewhat different from those of Huang Yun's, they were quite similar. In Cai Tong's heart, Yang Chen was not a disciple of the Green Lotus Sect, and he would leave

sooner or later. As for who would be more helpful to her, it must be Wei Gang and Hu Yiming, so she naturally chose to help the latter two.

Seeing the two women agreeing readily, Hu Yiming clapped his hands: "You two junior sisters have made a very wise choice. Yang Chen is arrogant, ignoring everyone around him. Hmmph, he must be utterly ruined!"

"Indeed, utterly ruined. Brother Hu, your plan is amazing. If this is done, heh heh, who will be able to protect Yang Chen? Even if he was personally invited by the Sect Leader, he will not side with Yang Chen by then." Wei Gang laughed loudly.

"My plan is flawless." Hu Yiming said smugly.

"Brother Hu, Brother Wei Gang, don't just enjoy yourselves. What about our rewards?" Huang Yun asked with a cough.

They would not do any losing deals.

Hu Yiming saw the two women talking and frowned: "One million spirit stones per person, how about that?"

"No! Three million!"

"Two million!"

"Brother Hu, don't think you can fool us by treating us like little girls. It's not a pleasing matter to offend Yang Chen. Three million spirit stones, no negotiation. If you don't give it to us, let's forget about the whole thing." Huang Yun rolled her eyes.

Hu Yiming was cursing inside, but he still said nothing and smiled kindly: "Both of you, let's be reasonable. Three million spirit stones it is. Here's one million spirit stones as a deposit for each of you. Once the task is completed, the remaining three million spirit stones will be paid in full!"

“Brother Hu is truly generous.” Both female disciples had their eyes light up when they saw the money, grabbing the spirit stones with a wide grin.

“Make sure to handle this matter properly.” Hu Yiming feared that they might not be serious, so he gave them a chilling reminder.

“Don’t worry, Brother Hu. When the two of us take action, we guarantee that Yang Chen won’t even know how to cry.” Huang Yun and Cai Tong expressed their confidence.

...

Yang Chen was unaware of what Hu Yiming and Wei Gang had planned. When he returned to his carriage, he had Yun Lu activate her Divine Soul Detection again and found that the Black Dragon Sect’s experts, sensing they had no opportunity, had already left. He relaxed, realizing that the Black Dragon Sect indeed did not dare to make a move in front of the Green Lotus Sect.

Just like that, the Green Lotus Sect’s team set off for Huangsha County in a grand manner, while the group from the Black Dragon Sect, who had returned empty-handed, went back to their sect and reported what had happened to Fu Longyue.

This made Fu Longyue furious.

“What?!” Fu Longyue paced back and forth with his hands behind his back, worrying about who would take Luo Yunhu’s place as the Black Dragon Sect’s Number One Genius. And now, news came that Yang Chen had joined forces with the Green Lotus Sect.

“Sect Leader, that’s how it is. At first, when we saw Yang Chen walking with the Green Lotus Sect, we thought that the Green Lotus Sect might just invite Yang Chen for a small tea, but now it seems... the Green Lotus Sect clearly intends to protect Yang Chen.” A group of high-level members sighed.

Chapter 633: Either Deceit or Theft_1

Fu Longyue was completely dumbfounded.

He thought it would be as easy as turning his hand over to kill Yang Chen, and even made preparations to pay the price for killing Yang Chen. However, who could have imagined that when he, Fu Longyue, decided to wage a full-scale war and sent a total of five Earth Martial Realm masters to assassinate Yang Chen, Yang Chen would join forces with Blue Lotus Sect!

With such a lineup, it was supposed to be a sure kill on Yang Chen. However, now, they didn't even dare to make a move and returned.

"Good, a good Blue Lotus Sect!"

Fu Longyue growled fiercely: "This Blue Lotus Sect dares to oppose my Black Dragon Sect!"

"Sect Leader, the Blue Lotus Sect has been against us Black Dragon Sect for more than a day or two... Please think thrice. Going to war with the Blue Lotus Sect is not beneficial for our Black Dragon Sect. The key is that the Blue Lotus Sect is located in the border area of the Thirty-six Eastern Counties, and their religion is not far from the Western Forty-two Counties. If we push them too hard, they can go to the Western Region at any time, and once they do, our Black Dragon Sect will..." A high-level official beside him hurriedly advised.

Hearing this, Fu Longyue's heart shuddered.

He almost forgot about this matter.

The Western Forty-two Counties were completely different from the Eastern Thirty-six Counties. There, two Super Powers were in control. If the Black Dragon Sect went there, they would be nothing.

Thinking of this, Fu Longyue gradually calmed down: "This Blue Lotus Sect has joined forces with Yang Chen! Hehehe, my Black Dragon Sect may not be able to deal with the Blue Lotus Sect, but I really don't believe that my huge Black Dragon Sect can't kill a mere Origin Martial Realm little guy. Continue to find ways! We don't need to provoke the Blue Lotus Sect. We can bypass them to kill Yang Chen. I don't believe this Blue Lotus Sect dares to say anything!"

"Yes, Sect Leader!"

Hearing these words, the crowd also got an idea. Seeing Fu Longyue's anger and determination regarding Yang Chen, they all dared not take it lightly and left one after another.

Fu Longyue clenched his fists with anger in his heart, hating not being able to crush Yang Chen's bones and scatter his ashes.

It was all because of Yang Chen.

It was because of Yang Chen that the genius he had worked so hard to cultivate in the Black Dragon Sect would fall.

How easy was it to cultivate another Luo Yunhu?

...

Time passed, and three days later,

The team of the Blue Lotus Sect finally arrived in Huangsha County.

Yang Chen and the team from the Blue Lotus Sect traveled together, and upon arriving in Huangsha County, they finally witnessed the prosperous trade fair in Huangsha County as others had described.

Huangsha County was indeed a county where the main force was the Chamber of Commerce. The place they were in now was none other than Huangsha City.

Looking around, the whole city was filled with Chambers of Commerce, and there were not only people from Huangsha County everywhere, but also Sect disciples and other main city forces in different costumes and Taoist robes. It could be seen that many people, like the Blue Lotus Sect, had come to Huangsha County after leaving the Black Dragon Sect banquet, planning to join the bustling trade fair.

Booths were everywhere, and the sounds of bargaining and shouting could be heard everywhere. Many disciples of the Blue Lotus Sect wanted to join in the fun.

However, this was nothing to Yang Chen. His vision had long been sharpened. How could just anything enter his Dharma eye?

However, it was different for the disciples of the Blue Lotus Sect. One by one, they looked forward, chattering and curious.

How could Li Ruoxiang not see what these disciples were thinking? At this moment, with her hands behind her back, she stepped out of the sedan and slowly said, "Since we have come to Huangsha County, let's go around separately. However, remember not to leave Huangsha City. In this city, no one dares to openly hurt people. Even so, gather in front of the Yellow Sand Auction in three days. Remember, okay?"

"Sect Leader, we remember."

Li Ruoxiang's words still carried weight. As soon as she finished speaking, the disciples did not dare to go against her and agreed one after another. Seeing this, Li Ruoxiang didn't say anything more and just waved her hand.

The disciples, seeing that Li Ruoxiang was no longer restricting them, scattered in all directions.

Yang Chen, seeing this, also had the idea of strolling around, after all, Huangsha County was a thriving place for the Chamber of Commerce, and Huangsha City was even the core of the entire Huangsha County. The items on sale must be incredibly diverse, and wouldn't it be a pity not to wander around here?

Just as he had this thought, suddenly, two female disciples approached and eagerly said, "Junior Brother Yang Chen, would you be interested in joining us for a tour around Huangsha City?"

Yang Chen heard this, glanced at the two female disciples, and found their big eyes charming and enchanting, which made him ask puzzledly, "Senior sisters are...?"

"My name is Huang Yun!"

“My name is Cai Tong!”

Both female disciples reported their names.

Yang Chen nodded, and though he did not know the two, he still spoke with sincere respect, “So it’s Senior Sisters Huang Yun and Cai Tong. Thank you for your kindness in accompanying me. However, I’m used to being alone, and I hope you two won’t mind!”

“Junior Brother Yang Chen, we have been to Huangsha County and know a bit about it. If you are curious, we can guide you.”

“Yes, Junior Brother Yang Chen, you can ask us anything if you don’t understand.”

Huang Yun and Cai Tong giggled and took the initiative to say.

Yang Chen heard this, narrowed his eyes slightly, and without thinking too long, he said, “Oh? In that case, I shall follow your lead, thank you, Senior Sisters.”

This suddenly delighted Huang Yun and Cai Tong.

As the saying goes, chasing a man for a woman is like a piece of paper in between; as women, inviting Yang Chen naturally has its advantages. They didn’t think Yang Chen could remain composed under their harassment. Obviously, Yang Chen is not that kind of person, and he agreed just after a short while.

What they didn’t know was that the reason Yang Chen agreed was not what they thought.

Yang Chen looked at the two cheerful female disciples, with thousands of thoughts in his mind. The reason he agreed to the two was not that he was bewitched by these two female disciples, nor because they knew the way, but because their zeal was a bit too strong.

He had also encountered female disciples of the Green Lotus Sect and knew what was going on.

Most women, when pursuing their beloved man, are usually very tactful. They are afraid that the other party will think they are frivolous, and who dares to be too proactive? Even the more passionate ones wouldn't be like Huang Yun and Cai Tong. Only women who have given up on themselves would act like this, but the longing in Huang Yun's and Cai Tong's eyes clearly indicated that they were not such types.

How does the saying go?

Unwarranted zeal, either treacherous or thieving!

...

The tenth update is here, tomorrow there will be ten more, and the day after tomorrow, ten more. I just want to say, with all my efforts, are you still holding onto your recommendation votes? What are you saving your rewards for? And the monthly tickets, just vote for this book already.

Currently, the ranking of this book on the website is soaring, all thanks to your support. It's because of this that Tongtian Wuzun has secured a place on various leaderboards, but it's still not enough, just thirty-something on the sales leaderboard and only twenty-something on the recommendation leaderboard!

Is this the limit?

No, I think it's far from the limit. We can push it even higher, higher!

Chapter 634: Seeking the Sect Leader to File a Complaint!_1

This made Yang Chen curious about what these two women's intentions were, so he could only slowly say, "Senior Sisters, I would like to know which Chamber of Commerce in Huangsha County has the most complete materials, and if the two of you could perhaps take me there."

"For materials? Junior Brother Yang Chen, you're asking the right question. Follow us."

Yang Chen didn't say anything more and followed closely behind them.

He had known from the beginning that these women had ill intentions, and the facts were indeed so.

They didn't take him to the Chamber of Commerce he wanted at all, but led him through twists and turns to a remote alley.

The alley was extremely secluded, with very few people around. Yang Chen's eyes swept around, and then he looked at Huang Yun and Cai Tong, becoming more curious about what their intentions were: "Senior Sister Huang Yun, Senior Sister Cai Tong, what do you guys want to do? This doesn't seem to be a Chamber of Commerce."

He found it increasingly strange that the two of them had no murderous intent towards him, but by bringing him here, their intentions were obviously bad.

Just as he was thinking, Huang Yun immediately sprang towards him, clinging to him tightly, and then softly said, "Junior Brother Yang Chen, why do you want to go to the Chamber of Commerce? Isn't it more tempting for both of us to look at each other?"

Seeing that Huang Yun had taken the initiative, Cai Tong immediately hugged Yang Chen from behind, her breath like orchids and her fragrance intoxicating, offering an irresistible lure to the man.

Feeling the temptation all around him, Yang Chen rubbed his eyebrows and said, "Senior Sisters, please respect yourselves!"

"Junior Brother Yang Chen, don't you think we're beautiful? Take us!"

"Yes, Junior Brother Yang Chen..."

Yang Chen snorted coldly, releasing his True Qi, and instantly repelling Huang Yun and Cai Tong.

It wasn't that he didn't appreciate feminine beauty, but he knew that a man's greatest weakness was under a woman's skirt. More importantly, not every woman could win Yang Chen's approval.

In trying to seduce him, Huang Yun and Cai Tong seemed to be taking him too lightly.

"Junior Brother Yang Chen, you!" Huang Yun and Cai Tong stared straight at Yang Chen, their faces full of disbelief.

They couldn't believe that Yang Chen had actually pushed them away.

"Senior Sisters, just tell me what you want to do," Yang Chen said slowly.

Without a moment's hesitation, Huang Yun tore off more than half of her sleeve and pointed at Yang Chen, shouting, "Junior Brother Yang Chen, what do you mean by asking me what to do? You just tried to humiliate me, your Senior Sister, and even told me not to resist. Now you ask me what's going on? You're worse than a beast!"

"Yang Chen, I never thought you could be so scheming! You've just been a guest at the Green Lotus Sect for a few days, and you've already started to behave like this. If others find out, what will you let us do?!" Cai Tong echoed.

Now understanding the situation, Yang Chen laughed bitterly.

So that's what it was all about.

"I understand..." Yang Chen laughed angrily.

They had set up a trap specifically to ensnare him.

What was the purpose of these two women? They deliberately led him here, then used their feminine charms to lure him. If he took the bait, they would all have a good time, and these two women could gather evidence and find an opportunity to report it to Li Ruoxiang.

By that time, Yang Chen would be discredited and have no face left.

Even if he didn't fall for their trap, as long as he followed them here and the two women claimed he had assaulted them, he would be unable to defend himself.

No matter what, this was an unavoidable trap.

Realizing this, Yang Chen glanced around and knew that the people who were supposed to come out would emerge now.

As expected, just as Cai Tong and Huang Yun revealed their intentions, two more people suddenly popped up out of nowhere. These two were none other than Hu Yiming and Wei Gang!

"Junior Sisters, what happened? We just happened to be passing by. What's going on that made both of you cry like this?" Hu Yiming pretended to be sincere and approached with righteous words.

Yang Chen sneered at this, Hu Yiming's acting was quite fine, pretending to pass by by accident.

Wei Gang was also in a fluster, acting as if something serious had happened to his junior sisters, and said, "Yes, what happened? Just tell us, and we guarantee we will help you get justice and never let the bad guys take advantage of you!"

Huang Yun and Cai Tong were also good at faking, and at this moment they were crying like rain-soaked pear blossoms. They delicately said, "It's great that you two Senior Brothers happened to be here. Just now, Yang Chen tried to assault us, and our cultivation levels were insufficient, so we couldn't resist him. Fortunately, you two arrived just in time, or else, what would we two do!"

Hearing this, Hu Yiming and Wei Gang were furious, glaring fiercely and menacingly, "Yang Chen, I never thought you could be such a lecherous person. Sect Leader has truly misjudged you."

"Enough, Hu Yiming, Wei Gang, is there any need to pretend at this stage?" Yang Chen sneered coldly.

It was obvious that this was a farce orchestrated by Hu Yiming and Wei Gang working together.

By bribing Huang Yun and Cai Tong, they wanted to set a trap for him.

Yang Chen had to congratulate them because they had succeeded. Unfortunately, even though they were indeed successful, they had misunderstood something, because from the beginning, Yang Chen had never been afraid of such things. Moreover, dealing with him required paying a price, and this price was not small!

“Yang Chen, I don’t understand what you’re talking about, but with your actions today and everything you’ve done, I will report truthfully to the Sect’s high-level and personally report to the Sect Leader. By then, I want to see how you defend yourself!” Hu Yiming shouted angrily.

Wei Gang licked his lips, “Yang Chen, this is what they call evil’s retribution. We warned you not to have any ill intentions within the Green Lotus Sect, but you insisted on not listening. Now, it’s too late to regret!”

His words couldn’t have been clearer...

We warned you and wanted you to leave the Green Lotus Sect.

You wouldn’t listen?

Now, this is the result.

This is what happens when you anger us.

On the faces of Hu Yiming and Wei Gang was the triumphant expression of a successful plot and the thrill of defeating Yang Chen.

At that moment, they stepped forward to help Huang Yun and Cai Tong up, kindly saying, "Junior Sisters, let's go back and report this to the Sect Leader. He will decide what to do. We believe the Sect Leader is just and unselfish, and such evil people will surely suffer the consequences. Let's go!"

Chapter 635: Exchanging Supreme Grade Spirit Stones_1

Huang Yun and Cai Tong both agreed, their eyes filled with the joy of cooperation and the success of their conspiracy. In an instant, the four of them left, leaving only Yang Chen behind.

Yang Chen watched the four of them leaving happily, with his hands behind his back and not doing anything. In fact, with his strength, it was easy to keep these four people here, or even kill them on the spot to silence them, but that was not impossible.

However, he had no need to do these things.

Since these four people were so eager to tell Li Ruoxiang about the slanderous accusations and let her make the decision, he simply let them do it.

He was really curious about how Li Ruoxiang would decide.

Because he believed that Li Ruoxiang would give a very wise judgment on whether he was a sexual predator or not.

He didn't take these matters seriously at all. With three days left, he still had plenty of time to wander around Huangsha City.

So, Yang Chen walked through Huangsha City, and along the way, he visited several Chambers of Commerce. It had to be said that the Chambers of Commerce in Huangsha City were indeed abundant, and the goods they sold were even more complete than what he had seen near Black Dragon Sect. Unfortunately, he didn't need any of them since his body cultivation had increased for the time being.

As for the materials needed for the Spirit Talismans, he could buy them anytime, so he was in no hurry.

What Yang Chen was more curious about now was the Yellow Sand Auction.

This Yellow Sand Auction was held in Huangsha City every several years, specifically after the Black Dragon Sect banquet. Its scale and atmosphere were both intriguing and curious. Yang Chen couldn't deny that he was interested.

Ironically, as Yang Chen thought about it, someone suddenly shouted at a nearby booth, "Exchange for Supreme Grade Spirit Stones, one Supreme Grade Spirit Stone, 15 million! One Supreme Grade Spirit Stone, 15 million!"

Yang Chen was taken aback when he heard the stall owner's cry.

Exchange for Supreme Grade Spirit Stones?

The normal exchange price for a Supreme Grade Spirit Stone was one for 10 million Spirit Stones.

However, because Supreme Grade Spirit Stones were so rare, no one would openly sell them for 10 million. A price of 15 million was not expensive, but it was not cheap either.

But Yang Chen did need Supreme Grade Spirit Stones, so he approached the stall owner and asked, "Senior, one Supreme Grade Spirit Stone for 15 million?"

The stall owner, a powerful True Martial Realm cultivator, had formidable strength. It wasn't surprising for him to call out for the sale of Supreme Grade Spirit Stones like this.

At this moment, hearing Yang Chen's question, the stall owner smiled and said, "Yes, 15 million!"

"Senior, 15 million is a bit expensive. Can you make it cheaper?" Yang Chen tried to ask.

The stall owner touched his beard, and without any intention to compromise, he chuckled, "My young friend, I can tell you're from another county. Why would I lower the price for you? In five days, the Yellow Sand Auction will begin. The finale treasures are only sold in exchange for Supreme Grade Spirit Stones, not ordinary Spirit Stones. Who doesn't know about this? And you think my Spirit Stone is expensive?"

“The finale treasures are traded with Supreme Grade Spirit Stones?” Yang Chen blinked.

This wasn't strange as transactions in those large areas were mainly based on Supreme Grade Spirit Stones. Large sects and forces had an abundance of ordinary Spirit Stones, which they couldn't even spend.

“Young friend, do you want to trade a few?” the stall owner looked at Yang Chen.

Yang Chen was somewhat embarrassed.

He did have quite a few Spirit Stones on him, but with the exchange rate of 15 million, his wealth suddenly became insignificant.

It couldn't be helped that his personal wealth, no matter how strong, still couldn't be compared to that of sects. For example, the Green Lotus Sect and Huangsha City's powerful forces had an immeasurable amount of Spirit Stones in storage. As for him, a solo cultivator, it was obvious that he was much weaker.

“It's a pity that if my cultivation level was higher, I could have taken out a lot of Supreme Grade Spirit Stones from the Tiandu Divine Country. Then, I wouldn't have to worry about Spirit Stones.” Yang Chen looked helpless.

This was also the most troubling thing for him.

Of course, the Tiandu Emperor was also doing this for his good.

Having insufficient cultivation and harboring too many things would indeed not be beneficial for oneself.

“Kid, are you going to trade or not?” The stall owner's expression became increasingly unhappy.

Yang Chen asked bluntly, "Senior, I don't want to use Spirit Stones to trade for your Supreme Grade Spirit Stones, but I do have other things to trade. What do you think?"

"I'm telling you, if you don't have any Spirit Stones, just say so, and don't play tricks on me. I don't buy your tricks!" The stall owner immediately became displeased. He had seen a lot of onlookers who didn't buy anything, but he didn't expect that another ignorant person would appear.

However, just as his words fell, Yang Chen suddenly made a move, and a sparkling, translucent Elixir was instantly taken out by him.

This Elixir gave off a faint light, which was none other than the Yuanhe Liuyun Pill!

Yang Chen had refined a lot of Yuanhe Liuyun Pills earlier. He only showed one of these pills and gave out another. He had already used one himself, but he still had a few left. And now, it seemed that this was the perfect opportunity to use them. Supreme Grade Spirit Stones were precious, but not more so than the Yuanhe Liuyun Pills.

It's just a pity that the Yuanhe Liuyun Pill, like the Qingming Zhenyuan Pill, was only effective to take one. Taking a second one would have little effect.

"This... this is the Yuanhe Liuyun Pill!" The stall owner was shocked, his mouth watering as if ready to drool.

Yang Chen slowly said, "Senior, you don't seem very pleased. If you think this Yuanhe Liuyun Pill is not worth your Supreme Grade Spirit Stone or don't want to trade it, then never mind."

"For crying out loud, my friend, we can totally discuss this deal. What do you want to trade for? Just say it." The stall owner immediately changed his expression, from his previous reluctance to serve as a giving impression.

This was the Yuanhe Liuyun Pill!

Supreme Grade Spirit Stones were scarce, but they were still available in many Chambers of Commerce. This was Huangsha County, a place with an abundance of business, where Supreme Grade Spirit Stones were not very significant. However, the Yuanhe Liuyun Pill was different.

He was a businessman, so he immediately apologized.

Seeing the stall owner agree, Yang Chen cut to the chase, "One Yuanhe Liuyun Pill for three Supreme Grade Spirit Stones!"

"This... this won't do! The market price for one Yuanhe Liuyun Pill is only 30 million, so trading for two is good enough, but trading for three? My young friend, you are exaggerating." The stall owner's heart jumped as he immediately gritted his teeth and said.

"Exaggerating? Hehe, you, the senior, should know how rare the Yuanhe Liuyun Pill is. The key point is that 30 million is just the starting bid for the Yuanhe Liuyun Pill. Senior, you don't think I don't know what I'm doing, right? Who would sell the Yuanhe Liuyun Pill directly at the starting price?" Yang Chen said. "If Senior thinks the price is inappropriate, this junior will just go and trade with someone else!"

Chapter 636: Yang Chen, This Evil Beast!_1

At this moment, Yang Chen had the upper hand, but he didn't care to argue with the stall owner, knowing that there were other places to purchase top-grade spirit stones. If there's a demand, there's a market. Since, in Huangsha City, the base requirement for auctioning treasures were top-grade spirit stones, then without doubt, there ought to be numerous places selling them in the city.

Is it too much to exchange three top-grade spirit stones for one Yuanhe Liuyun Pill?

Humph, Yang Chen didn't think so.

As he had expected, when he turned to leave, the stall owner finally panicked and hurriedly tried to stop him, "Hey, young friend! Don't be in such a hurry. We can slowly discuss this, okay?"

When Yang Chen saw the stall owner speaking like this, he didn't want to be too rude, even in Huangsha City where one doesn't have to worry about the value and cultivation level of merchandise. He turned back and said, "Senior, what do you think about three top-grade spirit stones?"

“Sure, no problem. Yuanhe Liuyun Pills are so precious, trading three top-grade spirit stones is naturally not an issue. I’ll make the exchange!” The stall owner said with a flattering smile.

Although he was a bit reluctant, he also knew that exchanging three of his top-grade spirit stones for a Yuanhe Liuyun Pill wasn’t a losing deal.

In comparison, Yuanhe Liuyun Pills were more valuable, and during the time when many forces were gathered in Huangsha City, as long as he auctioned it off with a bit of hype, one pill would definitely be worth the price of three top-grade spirit stones, if not more.

As for the top-grade spirit stones...

They might appear valuable, but in reality, there were many people selling them in Huangsha City. Who would care about just his stall?

So, the stall owner didn’t dare to hesitate. Seeing the opportunity, he promptly asked, “Young friend, I wonder how many of these Yuanhe Liuyun Pills you have?”

“Five,” Yang Chen replied.

The stall owner gasped in surprise, never expecting Yang Chen to have so many Yuanhe Liuyun Pills.

However, since he was in Huangsha City, the owner understood the basic rules; though his heart was racing, he didn’t dare to harbor any ill intentions. He said, “Then I’ll exchange them for fifteen top-grade spirit stones. Make sure to take them, young friend.”

“No problem.” Yang Chen took out the five Yuanhe Liuyun Pills and received the top-grade spirit stones in return.

In the end, the transaction was completed, and Yang Chen obtained fifteen top-grade spirit stones.

It wasn't much, but with these fifteen top-grade spirit stones, Yang Chen would have some foundation for the upcoming Yellow Sand Auction. After all, if you couldn't even afford a top-grade spirit stone at the auction, that wouldn't be good.

After exchanging some top-grade spirit stones, Yang Chen didn't encounter anything else that caught his interest. Three days later, he arrived at the Yellow Sand Auction.

Upon arriving at the Yellow Sand Auction, Yang Chen witnessed its grandeur, with martial artists gathering all around, dressed in various attire, obviously representing different forces.

This demonstrated the influence of the Yellow Sand Auction.

"I wonder where the Green Lotus Sect is," thought Yang Chen, scanning the crowd.

Since Li Ruoxiang had said they would meet up at the Yellow Sand Auction in three days, there was no doubt about it. Yang Chen didn't take long to find the gathering point of the Green Lotus Sect amidst the crowd.

"Junior Brother Yang Chen has returned."

"This beast!"

"It's this animal of a man who took advantage of our Green Lotus Sect's female disciples, and yet he still has the nerve to come back!" A group of Green Lotus Sect's female disciples shouted indignantly, their faces full of anger.

Although not all of the Green Lotus Sect's female disciples were nuns, the majority of them took their chastity very seriously. They naturally had no goodwill towards lecherous people, even more so when Yang Chen had taken advantage of Huang Yun and Cai Tong, and still dared to swagger back now.

This made many disciples of the Green Lotus Sect glare angrily, "We really did not expect you would be like this, Yang Chen. We were so wrong about you."

“Such a despicable creature, and we were treating you as a guest!”

Seeing the hostility-filled eyes of the disciples, Yang Chen looked at Huang Yun and Cai Tong, who were tearfully distressed, making people feel sorry for them.

Hu Yiming and Wei Gang were standing beside the two women, occasionally making snide remarks, making it clear that these two were the ones stirring up trouble.

Yang Chen faced this without any surprise.

It was normal. If he returned to the Green Lotus Sect and the disciples didn't show this kind of attitude toward him, that would be strange!

“Yang Chen, I didn't expect you'd actually have the nerve to come back!” Hu Yiming shouted angrily, his voice full of authority.

As his words fell, many echoed his sentiments.

Yang Chen slowly crossed his arms behind his back, “You're right, why shouldn't I come back?”

“Humph, you took advantage of Huang Yun and Cai Tong, causing them shame. If it weren't for us coming just in time, they wouldn't have been saved. Yang Chen, do you really think you're above the law and no one can control you?” Hu Yiming said coldly.

Yang Chen remained calm, “Hu Yiming, there's no need to be so eager to pin the blame on me. I've never thought of myself as above the law. On the contrary, you two, why were you so conveniently there to save them just in time? Doesn't the word 'timely' seem rather ironic regarding your actions?”

The guilty are always afraid. If Hu Yiming and Wei Gang hadn't done anything wrong, they wouldn't have to be afraid.

If Hu Yiming and Wei Gang hadn't done anything, they wouldn't have to worry. But since they were the ones behind everything, as soon as they heard Yang Chen emphasising the word 'deliberate', they felt a bump in their hearts.

But very soon, they remembered that they hadn't left any traces when they framed Yang Chen, so they acted as if they didn't know, "What do you mean?"

"You still don't understand?" Yang Chen shrugged, "You both keep claiming that I took advantage of Huang Yun and Cai Tong, but where is the evidence?"

Wei Gang sneered, "Yang Chen, you really won't shed a tear until you see your coffin. Huang Yun and Cai Tong are crying like this, and they told us everything when they came back. Yet you still argue your case? Till when will you try to justify yourself? Don't you think your arguments are weak and pathetic?"

Huang Yun and Cai Tong were now sobbing, rubbing their tears, acting as if it were real, making people feel sorry for them, "Senior Brother Wei Gang, don't say any more, can't... we still face... people after this."

"Don't worry, Junior Sister Cai Tong and Junior Sister Huang Yun, we as your senior siblings will definitely stand up for you! Yang Chen has bullied you, and as your senior siblings, we will make him pay the price." Hu Yiming said.

Chapter 637: I Like to Make My Own Judgments_1

Many times, the masses don't know the truth. The most feared thing is when someone fans the flames behind the scenes, then at that time, even the people who don't know what happened would hastily follow suit.

"Yang Chen, is the evidence not clear enough? Why didn't Huang Yun and Cai Tong say that others molested them, but they insisted it was you?"

"Exactly, Yang Chen, don't you admit it? "

"You still want to argue! Yang Chen, the evidence is conclusive, and you still want to argue till when?"

Just as the crowd was discussing and accusing Yang Chen, suddenly, a voice rang out.

“Everyone, be quiet.”

This voice was full of authority, and when it landed, the owner of the voice also appeared. The crowd looked around and found that the woman was none other than Li Ruoxiang.

Li Ruoxiang appeared with her external incarnation, who was now the saintess Qingyin of the Green Lotus Sect, in everyone’s sight.

Under Li Ruoxiang’s control, the two were dressed differently, one wearing a veil and the other without. Qingyin was as quiet as a virgin, while Li Ruoxiang had a serious expression, giving people a sense of the authoritative air and aura of a sect leader even without being angry.

Li Ruoxiang’s appearance immediately brought the situation to a climax, and it seemed as if Hu Yiming and Wei Gang had been waiting for her to return. They hurriedly shouted, “Sect Leader!”

“Greetings, Sect Leader!”

“What’s going on?” Li Ruoxiang frowned.

Hu Yiming had already thought about what to say: “Sect Leader, I’ve told you about this incident the day before. Yang Chen molested Junior Sister Huang Yun and Junior Sister Cai Tong, and now he shamelessly comes back. He’s arrogant, as if he had done something honorable. Sect Leader, I can’t bear this.”

“Sect Leader, please give justice to Junior Sister Huang Yun and Junior Sister Cai Tong!”

“Sect Leader, Yang Chen is simply too arrogant; he doesn’t take our Green Lotus Sect seriously at all. Although he has talent and deserves to be the Eastern Region’s number one genius, his character is extremely poor. Our Green Lotus Sect will never tolerate such people!”

Listening to this, Li Ruoxiang squinted her eyes.

Where wouldn't she know what's going on?

Even with her eyes closed and asleep, she would be smarter than these disciples. She would never judge the situation based on one side of a story like those ordinary disciples. After briefly glancing at Cai Tong and Huang Yun, she turned her eyes back to Yang Chen.

At this time, Li Ruoxiang asked indifferently, "Yang Chen, did you do this?"

Yang Chen showed no fear, as the saying goes, the innocent can stand tall, and the righteous have nothing to fear. He shrugged, "Sect Leader Li, you should know what kind of person I am, Yang Chen."

Others may not know, but he was confident that Li Ruoxiang knew what kind of person he was.

Li Ruoxiang fell into contemplation upon hearing Yang Chen's words.

She had learned about this news the day before, but didn't think much of it. She didn't think Yang Chen was the kind of person who would do this. Today, she still felt the same way.

That's because Yang Chen had no motive and no need to do that.

If Yang Chen were really a lecher, he would have done whatever he wanted to Qingyin right after they entered into a master-servant relationship. She didn't think that her external incarnation was any less attractive than the two ordinary female disciples. Yang Chen's indifferent attitude toward Qingyin proved that he was a man with excellent disposition.

Even if Yang Chen was really pretending and his calmness towards Qingyin was fake, with his innate talent, he was certainly not someone who lacked women. As long as Yang Chen was willing, with his excellence, he would never lack women throwing themselves at him. Would he really need these two girls? Thinking of this, Li Ruoxiang's mouth raised a smile, truly curious about what had happened. She recalled that at the time, it was Cai Tong and Huang Yun who had actively sought out Yang Chen.

At this moment, Hu Yiming saw that Li Ruoxiang had fallen into deep thought and felt an ominous premonition in his heart.

He thought he must take the initiative and immediately coldly shouted in a chill tone, "Yang Chen, you can see that the people's eyes are sharp. Now that Cai Tong and Huang Yun junior sisters have spoken clearly, everyone knows what you have done, how much longer are you going to argue? Everyone is right, why did Huang Yun and Cai Tong name you as the one threatening them instead of others?"

"Oh? Your logic is quite interesting. Fine, today I declare to everyone that you two are slandering me. Can this be considered true?" Yang Chen's tone was as usual.

"Who slandered you?" Wei Gang and Hu Yiming's expressions changed a bit.

Yang Chen grinned, "Why didn't I accuse others of slandering me? Just accused you? Isn't it because you are the ones slandering me?"

What reason could there be? Just because Cai Tong and Huang Yun said he did it, he did it?

That's a joke!

This caused Wei Gang and Hu Yiming to turn red in the face and ear for a moment, shouting harshly, "Yang Chen, you still won't admit it?"

"Alright, Hu Yiming, Wei Gang. Are you sure you saw Yang Chen sexually harassing Cai Tong and Huang Yun?" Li Ruoxiang asked.

"Sect Leader, it is absolutely true. We happened to be passing by at that time, who would have thought we would witness Yang Chen touching Cai Tong and Huang Yun junior sisters. You know that Cai Tong and Huang Yun are just women without high cultivation and hardly any resistance. How could they be a match for someone surnamed Yang?"

Hu Yiming and Wei Gang spoke righteously, furious as if they had really witnessed Yang Chen's atrocities.

It would be fine if Yang Chen had really done it, but Yang Chen hadn't known about this matter at all.

This caused Yang Chen to sneer on the side, watching the two put on their own performance.

Hu Yiming pointed at Yang Chen's nose, "And now look, this kid seems fearless. Even when caught red-handed, he still acts as if his talent is untouchable within the Green Lotus Sect. Look at him now – this is clearly lawlessness! Sect Leader, you must uphold justice for us!"

Many people were influenced by Hu Yiming and Wei Gang's words.

They looked at Yang Chen with anger in their hearts, shouting one after another, "Sect Leader, please uphold justice for the two junior sisters!"

"Yes, Sect Leader!"

Li Ruoxiang remained calm as usual, looked at Cai Tong and Huang Yun, the two female disciples, with her hands behind her back and asked calmly, "Huang Yun, Cai Tong, are you two sure that what Hu Yiming and Wei Gang said is correct?"

"The two senior brothers... are right!" Huang Yun and Cai Tong wiped their tears.

Li Ruoxiang nodded her head but did not take her eyes off these two women.

At first, Huang Yun and Cai Tong were able to remain calm under Li Ruoxiang's gaze.

But as time went on, they immediately became nervous.

Nervousness would reveal itself in the eyes.

Seeing the two female disciples' eyes flickering, Li Ruoxiang snorted and suddenly, without any warning, waved her hand, directly grabbing Huang Yun and Cai Tong's heads. A powerful burst of True Qi oppressed the two female disciples, and in an instant, Huang Yun and Cai Tong became stupefied, as if they were being controlled by someone.

"I like to judge right and wrong for myself!" Li Ruoxiang said in a cold voice.

Chapter 638: The Truth is Revealed_1

After all, she was the esteemed Sect Leader of the Green Lotus Sect. If she were to make judgments as hastily as the other disciples, she wouldn't be in this position. Since she was able to sit in this position, she had extraordinary abilities and temperament.

As she said, she prefers to make her own judgments.

And the way she judged was by using secret techniques to make Huang Yun and Cai Tong tell the truth.

Looking at Cai Tong and Huang Yun now, their faces were dull and their souls seemed no longer belonging to them. Their expressions were devoid of any fluctuations.

Yang Chen was well aware of this secret technique, which was one of the most common techniques to make people tell the truth. It relied purely on the powerful Martial Arts Cultivation and Divine Soul Power to suppress the two female disciples. Under the pressure, the mouths of Cai Tong and Huang Yun would be devoid of lies.

Everything would be spoken according to memory!

Similarly, Hu Yiming and Wei Gang also understood what kind of secret technique it was, and their faces changed abruptly.

No, how is that possible!

They knew that this kind of technique to make people tell the truth was not rare, but they didn't expect their Sect Leader would use it on Cai Tong and Huang Yun. That's because this technique had a certain probability of hurting people. Would a Sect Leader normally hurt their own disciples like this?

But what they didn't know was that, in a sense, Li Ruoxiang had great trust in Yang Chen.

Because no one knew that there was a secret unknown to others between Li Ruoxiang and Yang Chen.

Of course, even now, the secret was still kept.

At this moment, Li Ruoxiang glanced at Hu Yiming and Wei Gang lightly: "You two seem to be very nervous.

"No...Not at all!" Wei Gang and Hu Yiming couldn't help but gulp.

Li Ruoxiang ignored the two of them, looking at the two female disciples in front of her, she slowly said, "Both of you, are you sure Yang Chen treated you improperly? Did he do anything out of line to you?"

"No," Cai Tong and Huang Yun replied with a blank expression and dull demeanor.

Upon hearing their words, everyone was dumbfounded.

All the disciples who had been swayed by Hu Yiming and Wei Gang's words, their expressions shifted subtly. They knew very well what Li Ruoxiang was doing. They also knew that only now, Huang Yun and Cai Tong were telling the truth. It turned out that Yang Chen hadn't done anything inappropriate at all.

All of them had misunderstood Yang Chen.

So, what was the story behind Wei Gang and Hu Yiming's words?

They couldn't help but shift their gazes to the two of them, watching as Wei Gang and Hu Yiming broke into a cold sweat, their expressions filled with nervousness.

Li Ruoxiang remained calm and composed, asking further, "In that case, the two of you should honestly tell the whole story."

"That's how it went. Senior Brother Hu Yiming and Senior Brother Wei Gang promised to reward us with Spirit Stones in exchange for framing Yang Chen. After receiving the reward, we planned to lead Yang Chen to a remote place together, deliberately seducing Yang Chen. We wanted Yang Chen to do something inappropriate to us!"

Huang Yun confessed without any omissions, her expression dull: "But who would have thought, this Yang Chen was so calm. Despite our alluring tactics, he remained unmoved, like a mountain. He wasn't fooled by our seduction at all!"

Upon hearing this, the female disciples of the Green Lotus Sect couldn't help but take a deep breath, a sudden realization struck them.

Not only had they wronged Yang Chen, but now they also understood Yang Chen better.

This Yang Chen remained unmoved even under the seduction of Cai Tong and Huang Yun. Li Ruoxiang raised her eyebrows, amazed that someone as young as Yang Chen could possess such a mindset, a rare feat. She became increasingly curious about what other extraordinary qualities this "little guy" might possess that she wasn't aware of.

As she thought about this, Li Ruoxiang urged, "Keep talking!"

"In the end, we had no other choice but to pretend that Yang Chen had assaulted us, even though we couldn't successfully lure him in. Later, our accomplices, Senior Brother Hu Yiming and Senior Brother Wei Gang, came to 'rescue' us, and we all returned to spread the news. Although Yang Chen didn't fall for our trap and our senior brothers failed to catch him in the act, we thought that it would still be enough to bring him down!" Huang Yun said.

Upon hearing this, Hu Yiming and Wei Gang turned pale with fear.

Li Ruoxiang asked, "Why did you two go to such lengths to frame Yang Chen?"

"It was Senior Brothers Hu Yiming and Wei Gang who asked us to do this. We don't know their intentions!" the two told the truth.

Once these words were spoken, everything became clear.

It was Hu Yiming and Wei Gang who had schemed, deliberately framing Yang Chen.

The disciples who had initially blamed Yang Chen now felt guilty and denounced Hu Yiming and Wei Gang, "We trusted you so much, but it turns out that you are the despicable and shameless ones! You not only framed Junior Brother Yang Chen but also repeatedly slandered him as worse than a beast. It's you who are worse than beasts!"

"You two are completely heartless!"

"Junior Brother Yang Chen, we misunderstood you."

"Junior Brother Yang, it's our fault. We were deceived by these traitors!"

The Green Lotus Sect disciples all looked remorseful and regretful. They had nearly pushed an innocent person into the abyss. Yang Chen had never done anything to Cai Tong and Huang Yun.

At this moment, Li Ruoxiang also released her bindings on Huang Yun and Cai Tong.

The moment the bindings were released, Huang Yun and Cai Tong trembled in fear and quickly surveyed their surroundings.

Their eyes were clear, and they knew that they had just confessed the truth.

The two of them hurriedly knelt down and begged for mercy, "Sect Leader, please spare our lives! It's all our fault for being bewitched by Wei Gang and Hu Yiming. We had nothing to do with it. Sect Leader, please spare our lives!"

Right now, they were filled with regret. If they had known that Li Ruoxiang would use a secret art on them, they wouldn't have dared to do such things.

Just for a few Spirit Stones, they had ruined their own futures. Not only had they lost face, but their fate was now uncertain.

Seeing Cai Tong and Huang Yun begging for mercy, where would Hu Yiming and Wei Gang still hesitate? They immediately knelt down and wailed, "Sect Leader, please spare our lives! We were at fault. We didn't know what we were thinking!"

As the two begged for mercy, the Green Lotus Sect disciples couldn't help but spit in disdain.

Li Ruoxiang didn't rush to make any conclusions or punish the two. Instead, she turned her gaze to Yang Chen and said, "Yang Chen, these two have framed you, and our Green Lotus Sect has treated you inappropriately. How would you like to deal with them?"

Upon hearing her words, Hu Yiming and Wei Gang, not being fools themselves, immediately switched from kowtowing to Li Ruoxiang to kowtowing to Yang Chen.

"Junior Brother Yang, please spare us. We promise not to do it again!"

"Yang Chen, please be magnanimous! Please don't hold it against us!"

"Do you think there is a next time?" Yang Chen said coldly, "As for sparing you two... my senior brothers weren't so lenient with me at first, were they?"

Chapter 639: I Can Lend It to You_1

Hearing Yang Chen's words, the expressions of Hu Yiming and Wei Gang changed drastically.

Huang Yun and Cai Tong, fearing it was too late, knelt down on the ground after Hu Yiming and Wei Gang begged for mercy, shouting with all their might, "Junior Brother Yang Chen, please spare us. As long as you spare us, we'll do anything you want. We really can do anything, and we promise to serve you well. You must believe us."

Hearing this, Yang Chen couldn't help but laugh.

He had no interest in these two women at all.

In fact, according to his thoughts, since these people had teamed up to treat him this way, he naturally didn't need to be polite to them. It would be better to kill them quickly, but he knew very well that if he really did that, it would be too disrespectful to Li Ruoxiang.

He is a guest of Green Lotus Sect now, not the owner.

As such, it was only natural for him to give some face to his host.

With that in mind, Yang Chen slowly said, "Sect Leader Li, as for how to deal with these people, you are the Sect Leader of Green Lotus Sect, so naturally, you should arrange it. I'm just an outsider, and I'll follow your orders."

Li Ruoxiang had a slight smile on her face as she listened to Yang Chen's words, understanding his intentions.

This Yang Chen really is an interesting man, knowing clearly what to do in every situation, unlike others.

She truly became more and more interested in this man.

With this thought, Li Ruoxiang stood with her hands behind her back, her expression serious, staring at the four people, and said coldly, "Hu Yiming, Wei Gang, Huang Yun, and Cai Tong. You four have violated the teachings of the Green Lotus Sect and committed acts that contradict morality. You should be severely punished for this. Furthermore, the person you framed is an honored guest of our sect, so the

punishment will be even heavier. Come, follow my orders, arrest these four people, seal their True Qi, and deal with them according to the sect's rules once we return to the Green Lotus Sect!"

Upon hearing the words "sect rules," Hu Yiming and Wei Gang couldn't help but shudder.

Huang Yun and Cai Tong were even more frightened, their tears falling, their mouths shouting for mercy, but no one listened to them. In no time, two elders from the Green Lotus Sect arrived and took the four of them away.

"Junior Brother Yang Chen, we're truly sorry."

"Yeah, Junior Brother Yang Chen, we're really sorry."

Many disciples stepped forward to apologize to him.

Yang Chen didn't hold any grudges and didn't take the matter seriously since the disciples apologized.

Li Ruoxiang then stepped forward, "Now, there are only two days left until the auction begins. Speaking of which, Yang Chen, do you have any plans to auction anything at this auction?"

"I intend to take a look and get anything suitable." Yang Chen answered with a faint smile.

"In that case, we of the Green Lotus Sect won't be able to take you with us. I believe Young Master Yang Chen can understand." Li Ruoxiang said.

Yang Chen was not surprised.

For a sect like the Green Lotus Sect, they usually have VIP seats at the Yellow Sand Auction, and when they start bidding, they shout with the sect's slogan.

If he doesn't auction anything, it's not a problem to follow the Green Lotus Sect, but if he wants to auction something, it would be inappropriate to follow the Green Lotus Sect, because he is not part of the sect, and having the Green Lotus Sect bid for him under their sect's name would easily lead to gossip from other disciples.

At the beginning, Yang Chen didn't want to embarrass Li Ruoxiang. He cupped his hands and said, "Sect Leader Li is joking. We can regroup after the auction is over!"

"Well, I have the same intention. In that case, we of the Green Lotus Sect will enter the auction venue first." Li Ruoxiang said.

Yang Chen nodded, exchanged a few pleasantries, and soon after, the Green Lotus Sect disciples left and entered the auction venue.

"If you need Spirit Stones for the auction, you can borrow them from me. We of the Green Lotus Sect will be in the No.4 VIP Building for the auction."

A voice surfaced in Yang Chen's mind.

That voice belonged to none other than Li Ruoxiang.

Obviously, this was a sound transmission from Li Ruoxiang when she entered the auction venue.

It made Yang Chen chuckle, it seemed that Li Ruoxiang wasn't heartless. In the end, she didn't forget him and promised to lend him some spirit stones if he encountered difficulties in the auction.

Yang Chen kept this favor in mind, and at the same time, recalled the situation when Li Ruoxiang took action against Huang Yun and Cai Tong just now. Although it was only a faint fluctuation of True Qi, he still asked Yun Lu to capture it.

In front of Li Ruoxiang, Yang Chen didn't dare to communicate with Yun Lu, because he knew very well how strong Li Ruoxiang's martial arts cultivation was. With a slight exchange with Yun Lu, he might

expose Yun Lu. His tactics might work in front of others, but in front of a truly powerful person, he had to be more cautious.

This was also the reason why he had to leave the carriage last time and communicate with Yun Lu outside.

At this moment, Yang Chen asked, "Senior Yun Lu, what do you think Li Ruoxiang's martial arts cultivation is?"

"It's at least the Earth Martial Realm." Yun Lu answered truthfully, "I didn't dare to use my soul to probe, I just felt it a little bit. That vast True Qi is much stronger than ordinary Earth Martial Realm, absolutely an elite-level powerhouse in the Earth Martial Realm. I'm afraid it's not as simple as just one or two levels within the Earth Martial Realm."

"It turns out that Li Ruoxiang is a real heroine, breaking through to the Earth Martial Realm within a century of cultivation, it's really incredible!" Yang Chen exclaimed in amazement.

This talent made Luo Yunhu's talent pale in comparison.

Moreover, it seemed that this was not Li Ruoxiang's limit. It was said that she was cultivating something called External Incarnation, which would eventually merge with her to help her improve her cultivation. It was unknown what the situation would be when Li Ruoxiang really accomplished all this. Perhaps her cultivation would still improve a lot.

With these thoughts in mind, Yang Chen glanced around and saw that there were still two days left until the auction. He was not in a hurry to enter the venue. Because he could tell that most of those entering the venue now were people from various sects, and there were very few loose cultivators entering the auction venue today.

This, in the end, was actually a matter of social class. People like them, the loose cultivators, were a step behind those forces in terms of social status. Entering the auction first naturally had its advantages.

However, Yang Chen was not in a hurry. Now that he had left Green Lotus Sect, he was considered a loose cultivator. He would wait until two days later when the Yellow Sand Auction was about to begin to pay the one million spirit stones as the entrance fee.

An entry fee of 1,000,000 spirit stones was set to raise the entry threshold, as the Yellow Sand Auction had to host this auction and didn't want any random people entering the auction. Naturally, the threshold had to be set high.

The one million spirit stones were not a problem for Yang Chen, and after paying them, he entered the auction venue.

Chapter 640: Big Sucker_1

Upon entering the auction, Yang Chen first looked around. It was not difficult to see that the size of this auction venue was even comparable to a Sect's Mountain Gate!

On the left and right sides were rows of tall buildings, obviously reserved as VIP buildings for the major sects and clans, as well as the main city forces. The high-level members of those sects would lead their disciples into these VIP buildings.

In the middle were rows of seats, which were positions for loose cultivators.

There were many people from Sects and loose cultivators alike. Yang Chen found a seat and looked around, discovering that at least thousands of people had entered the venue before him. This did not include the continuous stream of martial artists entering with different cultivation levels.

It was not difficult to observe the scale of the Yellow Sand Auction, and Yang Chen couldn't help but look forward to it. He wondered what treasures the Yellow Sand Auction had to offer.

And so, Yang Chen sat in his seat, waiting.

After about three hours, the time for the Yellow Sand Auction to begin arrived, and everyone had assembled.

Following a soft cough, the whole room became quiet.

Immediately after, an astonishing aura suddenly spread out, shocking many martial artists.

This powerful martial arts cultivation was enough to make people feel suffocated. Not only was it Yang Chen, but everyone present felt the same, even powerful ones in the Earth Martial Realm.

Yang Chen braved this oppression and looked up to see an elder with white hair and beard on the high platform of the auction. The elder leaned on his crutches, looking old and weak—yet no one dared to show any disrespect or disdain toward him.

That was because the overwhelming pressure came from this old man!

“Sky Martial Realm!”

“This is a Sky Martial Realm expert!”

Many people whispered to themselves.

Yang Chen also took a deep breath, looking at the old man. It was not surprising that he was shocked as this old man had actually reached the Sky Martial Realm.

The Sky Martial Realm was a realm that was highly regarded, as it was the true definition of a powerful expert. Even in his previous life, Yang Chen held those in the Sky Martial Realm in high esteem. In the Thirty-Six Eastern Counties, Sky Martial Realm Experts were extremely rare.

Every Sky Martial Realm expert represented a limit of existence.

Fu Longyue hadn't even reached the Sky Martial Realm!

It's not that the Black Dragon Sect didn't have Sky Martial Realm experts; they simply didn't show up. Of course, this also indirectly demonstrated the elusive nature of Sky Martial Realm experts.

"This is Elder Huayun!"

"Indeed, it's Elder Huayun."

"I heard that every time the Huangsha County Auction begins, they pay a high price to invite this elder to host it, and this year is no exception. With Elder Huayun hosting, none of the various sects dare cause trouble."

"Who is Elder Huayun?"

"You don't know? He's the number one loose cultivator in the Thirty-Six Eastern Counties, a role model for all loose cultivators!"

"I don't know what deal Huangsha County has made with Elder Huayun, but he was invited to host every auction. It was precisely because of Elder Huayun's supervision that no one dared to make trouble or cause disputes during the Huangsha County Auction. Elder Huayun is too strong."

"With his Sky Martial Realm cultivation suppressing this place, it is said that a few years ago a sect tried to make trouble with two Earth Martial Realm experts. Guess what? Elder Huayun took action, and with his own strength, he suppressed that sect and settled the situation. Since then, no one has dared to cause trouble at this auction or stir up any trouble."

Many people looked at Elder Huayun with admiration and envy in their eyes.

The very presence of Elder Huayun was like a calming pill that put people at ease.

The expressions of the crowd below made Elder Huayun very satisfied.

At this moment, he tapped his crutches lightly on the ground and, seeing that everyone was quiet, spoke in a calm tone: "Everyone, it's been a long time since we last met, and I didn't expect to see you all again at the beginning of a new auction. The Huangsha Main City has prepared generous auction items for all of you. Hehe, many of them have even piqued my interest, and I believe everyone will not regret attending today's auction!"

All the people were filled with curiosity.

Not wanting to keep them in suspense any longer, Elder Huayun went through some necessary pleasantries and then said, "As you all know, our auction uses top-grade spirit stones as the main currency for bidding. So we hope that everyone is prepared. Now, let's start the auction with the first item, the Burying Heart Goat Horn!"

"Burying Heart Goat Horn?"

"What is that?"

As Elder Huayun spoke, he waved his hand, and a blood-red horn appeared before everyone's eyes.

The horn floated in the air, emitting an astonishing and malicious aura.

Seeing the deterrent effect of this aura working, Elder Huayun amiably said: "Perhaps many of you are unaware of this Burying Heart Goat Horn. It is the horn of a Demonic beast in Earth Martial Realm called Burying Heart Demon Goat. I personally killed this Burying Heart Demon Goat and obtained its material, which was traded to the Yellow Sand Auction."

"An Earth Martial Realm Demonic beast?"

"A Burying Heart Goat Horn, nice!"

Everyone's eyes widened, and many showed greedy expressions. As soon as the words "Earth Martial Realm" were involved in materials from Demonic beasts, the meaning became utterly different.

Elder Huayun stroked his chin, holding the Burying Heart Goat Horn, and said: “The Burying Heart Demon Goat was extremely fierce in its lifetime, and this horn was its essence. Once used, it can be a weapon, exerting a power entirely different from ordinary spirit weapons!”

“Everyone, seize this opportunity! The starting price for this Burying Heart Goat Horn is one top-grade spirit stone!”

As soon as Elder Huayun’s voice fell, someone immediately shouted.

“Two top-grade spirit stones.”

“We, Luo Yun Main City, offer three top-grade spirit stones!”

“Four!”

Seeing the many people starting to argue, Yang Chen couldn’t help but feel amused.

He had no interest in the Burying Heart Goat Horn. He had even seen the Iron Eagle Feathers from the Sky Martial Realm Iron Eagle Lord, so how could he care about a mere Burying Heart Goat Horn? Most importantly, this Burying Heart Goat Horn was completely hyped up by Elder Huayun.

In reality, the effect was far from that astonishing, and using top-grade spirit stones to measure it was excessive.

As for using it as a weapon, it was even more of a joke.

Using horns or teeth of Demonic beasts as weapons was not the first time this has happened, but the effects were generally mediocre. If their effects were truly extraordinary, there would be no need for Spirit Weapons and Mysterious Heavenly Spirit Treasures. Ultimately...

It was because using materials from Demonic beasts as weapons was simply not the same thing.
