That's right, she was feeling him all over!

Ye Qianming watched coldly as she smiled while reaching her soft little hands directly into the Silver-clothed Man's chest!

This woman, does she not know what it means to keep a respectful distance between men and women?

To avoid unnecessary closeness?

Or does she not even spare the dead, wanting to take advantage as long as the figure is decent?

Ye Qianming couldn't help but recall the scene in the Healing Holy Spring where he was threatened and coerced by Luo Qingtong, and his expression turned grim in an instant.

This woman!

She said before that it was an accident with her hands!

God knows, Luo Qingtong is truly wronged!

What kind of advantage is she taking here!

She is searching the body!

The identities of these Silver-clothed Men are not simple, now that they are dead, she naturally has to search them to see if she can find any clues and, incidentally, loot some good items!

However, due to her previous series of bad impressions, coupled with Ye Qianming's noble status which made it unlikely for him to do such body searches, he immediately interpreted her actions as having improper intentions.

For some reason, seeing Luo Qingtong's crafty and contented look made him feel irritated.

"Swoosh," Ye Qianming's figure suddenly appeared right next to Luo Qingtong.

"Hmm, what is this?"

Luo Qingtong was just about to closely examine something she found when she suddenly sensed someone near.

She was startled and instinctively tucked the item into her arms, ready to leap away.

However, just as she moved, a powerful aura instantly created a barrier that locked the surrounding space securely around her.

"Bang!"

Luo Qingtong's back heavily collided with a Qi Wall.

"Trying to run?"

The cold voice held evident anger.

Luo Qingtong's heart skipped a beat, forcing a dry smile, she looked up to greet the man in front of her.

"Hi, handsome!"

What a coincidence, haha...

We meet again."

Ye Qianming looked at her coldly, suddenly raising his hand to grab at her, aiming for the Little Fragrant Pig in her sleeve pocket.

Luo Qingtong thought he was there for revenge.

"Hey hey!"

Handsome, let's talk this over, no need to resort to violence!

I said it was an accident before!

Can't you let it go?!"

Seeing the man's hand reaching out, Luo Qingtong's heart suddenly tightened.

Almost instinctively, the Pupil Skill in her eyes operated to the fullest.

In a flash, the myriad sensations of energy flows in the surrounding space presented themselves in her vision.

The next second, Luo Qingtong's figure darted and she narrowly avoided Ye Qianming's grasp, escaping toward the rear.

The Qi Wall that had blocked her path earlier had somehow been circumnavigated by her!

Ye Qianming's gaze suddenly flickered sharply upon seeing Luo Qingtong's action!

This woman carries way too many secrets!

She can even break through his aura blockade directly!

Ye Qianming finally became serious.

Swish!

Just as Luo Qingtong thought she had escaped from a predicament, Ye Qianming stepped forward.

The distance of several feet shrank in an instant as if the vast distance became just a step away.

Ye Qianming's figure appeared directly beside the rapidly fleeing Luo Qingtong, as if he had never been far from the start.

His hand stretched directly towards Luo Qingtong.

The force it carried was accompanied by an invincible breath.

This imposing aura, compared to those Silver-clothed Men, was like the Five Mountains compared to a hillock, a towering torrent compared to a mountain stream, a giant creature compared to an ant!

Majestic and unmatched, vast and unstoppable!

Editor: Henyee Translations Strong!

So strong!

Luo Qingtong, who roamed the 24th century Superpower World, had never encountered someone like Ye Qianming, who made her feel absolutely hopeless about winning!

What kind of crazy place is this world anyway!

Blood light constantly flickered in Qingtong's eyes.

But no matter what methods she used, she couldn't see through the flaws in Ye Qianming's move!

Damn it!

Is she really going to be caught by this man?

Luo Qingtong bit her lip hard.

Suddenly, her eyes flickered, and her lips curved into a smile.

As Ye Qianming's hand reached out, her body, instead of moving forward, retreated backwards into Ye Qianming.

At the same time, all her aura was suddenly restrained.

Luo Qingtong, who was initially running ahead, found Ye Qianming's body appearing beside her.

But with this sudden stop and retreat, the girl's soft body crashed into Ye Qianming's broad chest.

In an instant, the two were locked in a tight embrace.

Ye Qianming was caught completely off guard, and his body froze.

Before he could react, Luo Qingtong quickly raised her head, hooked her arms around his neck, and with a dazzling and charming face, moved towards him.

"Handsome guy, being so persistent with me, could it be you've fallen for me?"

Alright!

Although I'm not that easy, since you're so outstanding, I'll reluctantly accept!"

With that, Luo Qingtong moved as if to kiss Ye Qianming.

The man didn't expect her to be so bold.

Before Luo Qingtong, he had never been this close to a woman, let alone one who dared to ignore his aura and actually move in for a kiss.

Feeling the sweet scent exhaling from Luo Qingtong's lips and seeing those rapidly approaching tender red lips, Ye Qianming's body swiftly retreated almost in an instant.

Meanwhile, his robe sleeves swung heavily.

"Bold!"

He looked angry.

However, just as his robe's sleeve swung out, a silvery laugh from the girl rose with the wind, swiftly leaping backward with the force of his swing.

"Haha!"

I didn't expect you to be so innocent, handsome!"

Luo Qingtong turned back, winked at him, and placed her index finger on her lips, sending him a flying kiss with laughing eyes.

"Thanks for the send-off, bye-bye!"

With that, she laughed and waved her sleeve, her body suddenly transforming into a ghostly trace, quickly drawing away with the force of Ye Qianming's robe sleeve swing!

Damn it!

This woman!

At the moment Luo Qingtong's voice rang out, Ye Qianming immediately reacted, his face darkening instantly.

He had been fooled by this cunning and unpredictable woman once again!

Luo Qingtong's kiss was entirely to make him push her away!

With Ye Qianming's strength, unless he willingly let go, Luo Qingtong had no chance of escaping!

This woman kissed him on purpose!

To make him release her!

Thinking about it, a mix of embarrassment and anger surged in Ye Qianming's heart.

But along with that surge of annoyance, he also felt a strange emotion arise.

It seemed that the faint scent of the girl lingered around his lips.

The suddenness of the moment had their lips brush slightly.

Simultaneously, his hands still seemed to carry the warm, soft sensation of her body!

She was indeed the most cunning and bold woman he had ever met!

But did she think she could escape this way?

Ye Qianming's face darkened, and with a flick of his body, he vanished from where he stood.

"Oh my!

That scared me to death!" Luo Qingtong patted her chest while sprinting.

The aura of that man was terrifyingly strong!

She thought she wouldn't escape this time!

Thinking about all the things she had done to him, Luo Qingtong couldn't help but pat her chest fervently, feeling incredibly lucky.

The Little Fragrant Pig hiding in her sleeve, too scared to even make a sound, was stunned!

Damn!

This woman was way too daring!

"You were afraid and still dared to provoke him?!" What kind of magical thinking is this?!

It said incredulously.

"If I don't provoke him, should I just wait to die?" Luo Qingtong retorted in annoyance.

With such a strong man, of course, she had to use extraordinary means!

However...

"It felt pretty good?" She smiled mischievously.

Such a powerful and handsome man, he really was her type!

It's just a pity he's too strong to handle!

Getting involved with such a man is big trouble!

Luo Qingtong thought, quietly coming to terms with it.

"..."

Before the Little Fragrant Pig could say anything, Luo Qingtong had already grabbed it and leapt swiftly, landing on top of a thousand-year-old tree's crown.

She was now far enough away from there, there shouldn't be any problems.

"Alright, now you can tell me, what kind of weird thing are you exactly?"

Hm?"

Luo Qingtong grabbed the Little Fragrant Pig by the neck and brought it close to her.

"A talking Pig Demon?" She flicked the Little Fragrant Pig's ear with her hand.

"Ah!" The Little Fragrant Pig covered its ears with its two hind hooves, staring at her with its small, round green bean eyes.

"You're the Pig Demon!

I am the Ancient Divine Pig!

You know what an Ancient Divine Pig is?!" It puffed up in anger.

Luo Qingtong narrowed her eyes at it.

"Ancient Divine Pig?

You?"

She looked up and down at the pink little pig, truly puzzled about where its confidence came from.

If the Ancient Divine Beasts were like this, they might as well commit collective suicide!

"Don't look down on me!

I'm just sealed, that's all!

Hmph!" The Little Fragrant Pig proudly puffed up its round belly.

"You don't know how formidable I used to be!

Known as the number one pig in the Four Seas and Eight Desolates!

Even the Phoenix Divine Dragon would call me Grandpa Pig..."

"Pfft!" Luo Qingtong couldn't help but laugh when she heard this.

The number one pig in the Four Seas and Eight Desolates?

That's enough to make her die of laughter!

The Little Fragrant Pig got anxious when it saw her like this.

"I really am the Ancient Divine Pig!

Only Ancient Divine Beasts can directly reverse-sign a Heaven and Earth Contract with humans!

Ignoring levels!

You must know this common knowledge, right?"

Luo Qingtong really didn't know any of this.

She had been inexplicably brought here and hadn't even figured out what this world was all about!

And this body of hers, it was clearly not her own.

Wait!

Thinking of this, Luo Qingtong suddenly leapt down from the treetop, finding a pond, and quickly washed the blood and dirt off her face.

"Phew!

Thankfully, it's still my original face."

Luo Qingtong's biggest fear was that her body had changed, and her face too – then would she still be herself?

But now she was relieved, this face looked exactly like her original one.

After seeing it for so many years, her own face was still the most familiar!

Besides, Luo Qingtong herself had been a stunning beauty, with no need to change her face.

As things stood, she was very satisfied.

But she still didn't know what identity this body had?

Luo Qingtong thought of this and suddenly remembered what she had taken from that leading Silver-clothed Man.

Perhaps this could give her some clues?

Thinking of this, she took out something from her arms.
