37: Chapter 37 Handsome Guy Saves the Day!

Editor: Henyee Translations Ahead, Ye Qianming, clad in silver clothes and black hair, appeared like a divine presence descending amidst the scene of heaven crumbling and earth shattering.

The face hidden amidst layers of mist, though faint, could not conceal the stunning beauty that shone through!

The man was shrouded in a powerful aura, standing alone, unperturbed amidst the chaos caused by the Jie Tian Divine Beast!

However strong he was, Luo Qingtong still had a grudge against him!

Running over there, let alone saving their life, it would be fortunate not to be slapped to death!

This stupid pig, what did it summon, a rescuer or a killer star!

Luo Qingtong gritted her teeth, glaring at the Little Fragrant Pig in her hands.

Feeling her wrath, the Little Fragrant Pig tried hard to shrink its neck, almost unseen, and said with a guilty face, "He's the only one who can save us now.

Trust me, besides him, no one here can withstand a single move from the Jie Tian Divine Beast!"

Not to mention saving them!

Therefore, even if it's dangerous, you have to go, girl!

Actually, the Little Fragrant Pig was also helpless!

If not forced by circumstances, it wouldn't want to approach this man!

Heaven knows it formed a contract with Luo Qingtong just to avoid him!

In the end, it didn't expect to come back of its own accord!

It sacrificed so much, yet this woman wasn't grateful!

"Is he really that strong?" Luo Qingtong was surprised, then quickly thought of another matter.

"You know him so well!

Was it also because of you that he relentlessly pursued me before?!"

She thought that man didn't seem so persistent, even coming for a thousand miles chase!

Dare it was this pig's doing again!

The Little Fragrant Pig didn't dare admit it, fearing that Luo Qingtong in anger might just choke it to death!

To whom would it cry then!

"No!

Absolutely not!

I say, can you now think about escaping!

He's looking over here!

Hurry, think of a way to deal with him!"

"Deal with him, my foot!"

Luo Qingtong wished she could slap it to death.

"This man is so strong, why don't you try dealing with him!"

Sounds so simple!

"Didn't you succeed last time?"

Just use that trick!"

Luo Qingtong was exasperated.

"So you led me here?"

Do you think he's as stupid as you?"

Who would fall for the same trick twice!"

This stupid pig!

"Ah?"

Then what do we do?" The Little Fragrant Pig was dumbfounded.

If that man wouldn't help, they were doomed!

"How about you try seducing him instead?"

"Seduce your big fat head!"

Luo Qingtong couldn't even bother with it.

Behind her, the Jie Tian Divine Beast was getting closer.

The massive shadow completely covered her hundred-mile radius area.

Opposite, Ye Qianming also looked over here.

Damn it!

Between a rock and a hard place!

Heaven, what grudge do I have with you, that you have to torment me like this!

Luo Qingtong almost cursed.

Just then, a flash of red in her eyes, she suddenly had an idea.

"Sorry, handsome, anyway, I've already tricked you twice before, so I don't mind tricking you again, right?"

"Saving a life is more meritorious than building a seven-tiered pagoda!

"I'm helping you gain merits!"

Luo Qingtong muttered to herself, then steeled her heart, bit her teeth, and lunged towards where Ye Qianming stood.

"Handsome, help!"

The shout was full of vitality and primordial energy, instantly resonating through the eight directions!
