38: Chapter 38: Cheat Once More!

Editor: Henyee Translations Ye Qianming watched the girl swiftly approaching him.

She looked quite disheveled, though the bloodstains on her face had been cleaned off.

However, because of the period of escape, she was covered in dust, mixed with sweat, looking no better than before!

Her clothes were even more torn in many places, and as she moved, one could vaguely see the gleaming luster flashing by.

Even though she seemed so miserable, raising her hand to call for help, he inexplicably didn't feel any hint of weakness from her.

Even that cry for help was full of energy and confidence.

As Ye Qianming squinted his eyes at Luo Qingtong, Luo Qingtong was also sizing up the man in front of her.

She had to admit, even with his face partly hidden, the man's presence and charisma were undeniable.

Looking at her with his head slightly lowered, he resembled a Divine King on high, casting his gaze upon his people.

Aloof, majestic, proud, and sharp!

Unassailable!

But soon, Luo Qingtong brushed that feeling out of her mind!

Joking aside!

For survival, even if he really was a peerless Divine King from the heights, she'd drag him down from his lofty throne!

"Handsome, help me!"

Luo Qingtong took a deep breath and shouted, "If you don't save me, I'll tell everyone in the Nine Witch Mountain Range...

that there is a...

birthmark near your little brother on the inside of your thigh!"

"Boom!"

Ye Qianming moved instantly.

His figure appeared beside Luo Qingtong, and sensing his menacing aura, the Jie Tian Divine Beast let out a furious roar.

Instantly, a tidal wave of attacks surged towards him!

"Bang!" Ye Qianming's aura clashed violently with its aura!

The collision of two powerful forces resulted in continuous explosive sounds in the air, one after another!

"Boom!"

With a painful wail from the Jie Tian Divine Beast, Ye Qianming severed one of its long tails, his sharp gaze fixed on Luo Qingtong who had already fled the battlefield and was rushing away!

This woman tricked him again!

Ye Qianming's face was dark.

His actions just now were completely unconscious.

Luo Qingtong's voice was extremely loud, and she was speaking about his very private matters.

Before he could react, his body had already instinctively charged out!

In reality, that woman didn't know who he was at all, nor did she recognize him!

What could she declare?

Moreover, there was absolutely no birthmark on the inside of his thigh!

This woman really dared to say anything!

As Ye Qianming gritted his teeth, Luo Qingtong had already run far away!

Oh my!

That man's look was terrifying!

Luo Qingtong thought that if she had been tricked by the same person three times in a row, her gaze might be even more frightening than his!

With this thought, her movements quickened!

That man's strength was simply inhuman!

Such a powerful Jie Tian Divine Beast, he severed one of its long tails with a mere gesture!

My goodness!

Luo Qingtong wasn't sure if repeatedly provoking such a man was right or wrong!

"Roar!"

Behind her, the fury-filled roars and painful howls of the Jie Tian Divine Beast continued, who knew how the man was tormenting it!

Having inexplicably caused trouble for it again, its anger would likely be vented on that Jie Tian Divine Beast!

Luo Qingtong murmured a few insincere prayers of Amitabha for the Jie Tian Divine Beast and then prepared to sneak down the mountain in a roundabout way.

Just then, a crack suddenly appeared beneath her feet.

Before she could react, with a sudden swish, a massive suction force erupted from it and instantly pulled her in!
