Surprised Wife With Twins (Ivan and Jennifer) Chapter 325

She gaped at Jennifer in anger. "Get out of here! I don't want to see you again. You are so rude."

Jennifer believed Aubree had some mental problem as she tried hard to cure Aubree's scars, but the mad woman was always hostile to her.

Without the mood to talk to Aubree any longer, Jennifer turned away. However, she didn't promise that she would leave Ivan.

Aubree felt uneasy, wondering if she would leave or not.

When Jennifer arrived at the door of the emergency room, the bribed doctor looked at her weirdly.

She stopped in front of him and said in an even tone, "A doctor is supposed to be kind-hearted. You don't deserve to be a doctor. If you have the time to cooperate with her to make trouble, why can't you use this time to rescue more patients?"

She opened the door and saw Ivan sitting on a bench.

His palms were clasped together against his forehead, and he looked anxious.

Hearing the sound, he turned around and saw Jennifer.

Their gazes met. Jennifer could tell how worried and panicked he was.

"Why are you out, Ms. Brooks?" Pippa asked in confusion and anxiety. "How's Madam Aubree doing? Is it severe? Can't you save her?"

Jennifer looked at her and wished to tell her that Aubree was an excellent actress, but she kept silent.

She strode to Ivan, squatted down, and gripped his hand. Looking into his eyes, she felt sorry for him.

"How's my mom doing?" Ivan gripped her hands back, holding them like holding treasures.

She answered gently with a sincere look, "I'm a pharmacist, not a doctor."

Pippa wondered if it meant she couldn't do anything to rescue Aubree.

Jennifer added, "I gotta go home." She pulled her hands from Ivan's and stood up.

"Let me give you a ride." He stood up.

Pippa gaped again. Aubree was still in the emergency room, but Ivan seemed to leave now.

She wondered what to do if the patient family needed to sign some documents later.

"No, thanks," Jennifer stopped him, "Please stay here with your mother. She'll look for you."

Right then, they heard footsteps in the corridor. Spencer and Catherine arrived in a hurry.

Instead of worrying about Aubree, Spencer cared only about Jennifer.

Seeing Ivan and Jennifer standing face-to-face intimately outside the emergency room, Spencer seethed with rage.

He strode up to prop his arm on Jennifer's shoulder, dragged her into his arms, and declared that he was Jennifer's boyfriend to Ivan aggressively.

Ivan raised his fist and threw a punch at him immediately.

He acted so fast that Spencer failed to dodge. Jennifer was almost knocked over.

Ivan grabbed Jennifer's arm, pulled her into his arms, and wrapped his hand around her waist.

Suddenly, Jennifer noticed that Spencer's nose was bleeding.

"Spencer!" Catherine rushed to hand him a tissue.

Spencer pushed her hand away, gazing at Ivan wildly in hatred. He fought back.

Ivan also boiled with rage. After gently pushing Jennifer away, he started fighting with Spencer.

Therefore, the two men were in a fight outside the emergency room.

Neither wanted to admit being defeated.

They both were trained and angry, so they fought each other in hatred. The atmosphere was filled with pressure and tension.

Jennifer only watched them calmly and coldly.

With a playful look, Spencer gazed at Ivan arrogantly in a provocation.

Ivan stared at him harshly. He had longed to teach Spencer a lesson for a while.

"Stop fighting!" Catherine tried to convince them anxiously and part them. "Spencer, Ivan, stop fighting! We're in a hospital now!"
