

ALMIGHTY SWEET QUEEN IS REALLY RICH!

Chapter 1: The Son from the Future

The girl at the door tightly covered her mouth, staring in shock through the half-open door at the nauseating scene inside.

Tomorrow is the college entrance exam, and Su Li originally planned to rest at home, but her fiancé called her out for dinner, saying it was to cheer her and her half-sister on together.

So, they "cheered" until they ended up together?

Su Li felt like she had been struck by lightning, her face instantly turning pale as paper. She stared blankly at the scene; how could this happen?

Her hand trembling, she took out her vibrating phone from her bag and saw a WeChat message.

[Tuanzi Loves Mama Most: Mama, didn't Tuanzi tell you? Bad Uncle and Bad Auntie betrayed you, didn't they?]

[Tuanzi Loves Mama Most: Don't be sad, Mama, Tuanzi loves you the most! (づ 3 づ)]

Su Li drew a sharp breath.

Five minutes ago, when she went to the restroom, an ID named "Tuanzi Loves Mama Most" added her on WeChat, claiming to be her biological son named Tuanzi!

Su Li found it amusing. She was only eighteen this year. Did she have a child at twelve? She only got her period at twelve!

But the other party had sworn that on the night before the exam, her fiancé would betray her with her half-sister!

This was simply nonsense, yet the scene she saw after returning from the restroom left Su Li stunned.

It's true!

"Sister, aren't you coming in?" a coquettish voice suddenly called out.

She was discovered? Su Li clutched her phone tightly and pushed the door open.

Her fiancé, Chen Xiang, saw her enter and appeared slightly flustered, calling out, "Xiao Li, I... um..."

Chu Lianxin calmly stood up, patted her skirt, and returned to normal.

Chu Lianxin's venomous gaze lingered on Su Li's enchanting, fairy-like face, her eyes somewhat sinister.

Chu Lianxin wiped her sweat, her tone filled with boastfulness: "Sister, I and my fiancé, haven't we been a bother to you?"

Su Li's bright complexion slightly lost control, "Your fiancé? Chen Xiang is clearly..."

Chu Lianxin sharply interrupted, "Chen Xiang is clearly my fiancé! Su Li, you stole my identity, my parents, everything of mine! Brother Xiang was originally my fiancé; what are you?"

The color drained from Su Li's face, and her hand clutched her skirt tightly.

Three months ago, Su Li was found not to be the biological child of the Chu Family during a pre-exam physical, which led to finding the real princess of the Chu family, Chu Lianxin!

Since then, everything changed.

The eighteen years of everything she had belonged to someone else.

Chu Lianxin looked fiercely at Su Li's alluring face that could captivate all men, saying word by word, "Su Li, everything you have, I will take back one by one. Your fiancé was mine, to begin with."

The parents who once doted on her kicked her out because of Chu Lianxin's words.

But didn't Chen Xiang say he liked her for herself, not her identity, much less the Chu family's fortune?

Chen Xiang adjusted his suit, ignoring Su Li's sorrowful gaze, and said with a hint of helplessness and persuasion, "Xiao Li, my betrothed is the eldest lady of the Chu Family; you are no longer the eldest lady. And... do you think your current family can help me with anything? The Chen Family desperately needs investment from the Chu Family!"

Su Li gripped her phone tightly and mocked, "So you sold yourself to Chu Lianxin. Chen Xiang, are you a gigolo? That's truly disgusting!"

Chen Xiang's handsome face instantly darkened, filled with heartache as he said, "Gigolo? Su Li, look at yourself now; where is the image of a lady? How could you say such filthy words!"

Chu Lianxin got up from the chair, gently buttoned her clothes, looked provocatively at her, and smiled, "Su Li, I hope you can still come to the exam site tomorrow. Brother Xiang, I'm going back to rest."

Will she be able to perform normally in tomorrow's exam, having suffered such a huge blow?

Even if Su Li could, she absolutely wouldn't give her the chance to take the exam.

A glint of cunning flashed in Chu Lianxin's eyes as she hooked Chen Xiang's arm, strutted away with pride.

Su Li looked at the table of delicious food that couldn't mask the nauseating smell, she extended her delicate hand to lightly cover her nose and was about to walk out.

The manager suddenly appeared at the entrance of the private room, his face oily and slick:

"Miss Su Li, the bill for this meal is 7,300 yuan."

Su Li's eyes widened in astonishment, "This was booked by Chu Lianxin and Chen Xiang..." Moreover, she hadn't eaten anything; why should she pay?

That middle-aged manager seemed aware she couldn't produce that much money. His gaze locked on her, as he closed the door casually, rubbed his hands, and smirked, "It's okay, Miss Su, if you don't have the money, spend a night with me, and this meal is on the house."

Su Li's face turned ghastly white with fright, gripping her phone as she backed away.

She quickly opened her phone to see another message from [Tuanzi Loves Mama Most].

[Tuanzi Loves Mama Most: Mama, Bad Auntie and Bad Uncle will let the manager molest you. You'll be arrested and investigated for allegedly causing the manager's heart attack during the struggle.]

When Su Li saw this message, her face turned deathly pale! It was true yet again! He really was her future son.

"Little beauty, I've liked you ever since I saw you and your brother coming here for meals," the restaurant manager laughed, stepping closer.

Su Li kept retreating, her creamy back hitting the window rail. She glanced down at her phone's WeChat. Her future son was her lifeline now!

[Tuanzi Loves Mama Most: Mama, just promise to save Dada for Tuanzi later, and Tuanzi can help you deal with the restaurant manager.]

Seeing this, Su Li immediately replied: [Okay!]

A bank notification popped up on her phone, and Su Li nearly fainted from shock at the message!

She received a transfer of 100 billion US Dollars!

She... she had become the richest person in the world?

[Tuanzi Loves Mama Most: Mama, spend freely without worry; this is all money dada gave us.]

Su Li raised her hand and fiercely struck away the greasy hand the restaurant manager had extended, shouting, "Who says I can't afford the seven thousand yuan?!"

The restaurant manager looked incredulously at her... she could afford it?

Su Li lifted her chin, her bright, apricot eyes carrying a touch of confidence,
"Card payment, ten thousand. Keep the change."

Future child's dad, I'm coming to rescue you!
