Chapter 2331: In Ten Days

Jian Wushuang looked at the crowd strangely as they whispered amongst themselves.

"Lin Tiefeng gave them a pep talk." Jian Wushuang smiled. Lin Yan beside him, on the other hand, was visibly moved by what Lin Tiefeng said. He felt that the Lin Family could face the Zhuge Family without fear.

But in reality, Jian Wushuang knew that the Zhuge Family had researched the Lin Family's actual strength.

And they probably knew that the Thunder Sound Sect would help as well.

Even then, if the Zhuge Family dared to make a move, it meant that things were not as simple as they seemed.

But he did not know who was backing the Zhuge Family.

"Everyone, please do not leave the premises for now. If I am not wrong, they will attack in ten days," Lin Tiefeng said.

"Ten days?"

"So fast?"

Immediately, there was a commotion in the hall.

"Brother Lin, how could you be so sure?" Zhuo Yunfeng frowned.

"Truth be told, the Zhuge Family finished their preparations three months ago. They delayed their plans till now as a bigshot arrived at Anjiu Commandery three months ago," Lin Tiefeng replied. "The bigshot had the Commandery Governor come down to welcome the person himself, and I assume all of you know the Commandery Governor's style."

"The Commandery Governor has his own job to do. Normally he would turn a blind eye to feuds within the Anjiu Commandery, but if the Commandery Governor himself had to greet this bigshot, and the Zhuge Family attacked at that time, it would bring great shame to the Commandery Governor."

Everyone finally understood.

Although the Commandery Governor was only a Chaotic Divine Demon, his title was indeed worthy of some respect.

After all, the Commandery Governor not only settled administrative affairs within the commandery, if there were experts in the commandery, he would recommend them to the sects himself.

Normally, the Commandery Governor would provide the genius with options. But if one sect were to offend him, they would likely never receive any genius from that region.

The Commandery Governor would not bother.

So, unless necessary, the sects within the Wusha Barren Region dared not offend the Commandery Governor.

If even the sects did as such, the Zhuge Family would not dare to offend the Commandery Governor.

“The Zhuge Family dare not make their move while the Commandery Governor entertains his guest, but according to our information, that person will leave the Anjiu Commandery in days. With the Commandery Governor’s character, he will likely continue to retreat back to his own abode, disregarding the feuds within the Anjiu Commandery. The Zhuge Family will make their move then,” Lin Tiefeng said.

“I see.” The people in the hall nodded.

“So, please make your preparations. The enemy will be here in days,” Lin Tiefeng said solemnly.

“Rest assured, Head, we will do our best,” the experts in the hall all replied.

...

At that same moment, the Zhuge Family was making their preparations as well.

In an exquisite attic, many experts from the Zhuge Family gathered, along with some people from the Dongzuo Sect.

However, as Lin Tiefeng had said, the Dongzuo Sect did not dare send too many experts to join the battle. Only one Chaotic Divine Demon and four Half Step Divine Demons were present.

The Chaotic Divine Demon, was the grey-robed elder beside Zhuge Hong, Elder Chen.

“According to news from the Lin Mansion, the experts from the Thunder Sound Sect have arrived. The Lin Mansion has paid a hefty sum to invite lots of experts as well,” a Zhuge Family elder said.

“Haha, we predicted this a long time ago,” a tall and sturdy middle-aged man with some stubble replied.

He was the Zhuge Family Head, Zhuge Yuanchong.

He had a white-haired elder beside him. He was the previous Zhuge Family Head, Zhuge Yun. He was the Chaotic Divine Demon that had reached Initial Success at Sword Principle, recognised as the top Sword Cultivator in the Anjiu Commandery. Of course, he had not yet encountered Jian Wushuang at that time.

“Who is the Chaotic Divine Demon the Thunder Sound Sect sent?” Elder Chen asked.

“Fire Fairy,” Zhuge Yuanchong replied.

“Her?” Elder Chen’s brows lifted and he showed a playful smile. “That Fire Fairy was only a Thunder Sound Sect disciple twenty years ago, she made it to Chaotic Divine Demon levels through sheer luck.”

“She’s a normal Third Grade Divine Demon, small fry. According to what I heard, the Divine Demon that had been training outside has returned to the Lin Mansion. The Lin Mansion Head Lin Tiefeng is pretty strong as well, a peak Third Grade Divine Demon. He could go against you, Elder Chen,” Zhuge Yuanchong said.

"The last time I followed Young Lord Hong to the Lin Mansion, although Lin Tiefeng did not show himself, I could feel him. He was injured then. I wanted to lure him out, but that plan was messed up by a nobody junior," Elder Chen said.

"That Jian Wushuang... Once we wipe out the Lin Family, he will have nowhere to escape," Zhuge Hong said coldly as he sat on one of the chairs.

"That Jian Wushuang is gifted, so he must be killed. That has me thinking. Did the Lin Mansion not kill a Half Step Divine Demon from the Water Fairy Island? Why has the Water Fairy Island not acted upon it yet?" Zhuge Yuanchong frowned.

Chapter 2332: I Won't Allow It

Water Fairy Island was one of the clans that was ranked in the top ten in the Wusha Barren Region.

Both the Dongzuo Sect and the Thunder Sound Sect were less powerful than the Water Fairy Island.

If the Water Fairy Island wanted to destroy the Lin Family, it would be as easy as killing an ant.

"Zhuge Family Head, you might not know this, but there are more than two hundred Chaotic Divine Demons in the Water Fairy Island and countless extraordinary disciples. Even though Yan Que is a disciple of the Water Fairy Island, she is an ordinary disciple and is not an influential person. She is not close to any of the other disciples or elders within the Water Fairy Island. Hence, the Water Fairy Island might not even care at all," Elder Chen said.

"Even so, she is still a disciple from the Water Fairy Island. If she is killed just like this and the Water Fairy Island does not take revenge for her, won't it be bad for their reputation?" Zhuge Yuanchong said.

"No. The Water Fairy Island will definitely do something for her. After all, she is a disciple from the Water Fairy Island and people cannot just kill her and not pay a price. However, there is no telling when they will take revenge for her. If I am not wrong, there are no disciples or experts from the Water Fairy Island around this area. If one passed by, he would definitely come by."

"However, knowing the Water Fairy Island, they would just teach the Lin Mansion a lesson. They would not annihilate them to serve as a warning for others as the Water Fairy Island is already well known by people as a prestigious and powerful clan," Elder Chen said.

"That is all? Forget it then, we never expected the Water Fairy Island to help us achieve our plan," Zhuge Yuanchong said.

"Alright everyone. Go and prepare. Once that lord leaves the Anjiu Prefecture and the Commandery Governor announces that he is going to shut himself off from the world to cultivate, we will execute our plan."

"Roger."

The experts from the Zhuge Family nodded their heads respectfully and left.

However, a few Chaotic Divine Demons from the Zhuge Family and some of the people from Tian Zuo Sect stayed behind. Zhuge Hong was one of those who stayed.

Soon, the door to the pavilion opened again as a figure fully covered in a black cloak walked in.

"Greetings, Zhuge Family head and the lords from Tian Zuo Sect. I am Xiang Tuo." The figure bowed slightly as he removed his black cloak, revealing his youthful face.

"I never expected the Xiang Family to send you over." Zhuge Hong looked at Xiang Tuo with great interest.

Xiang Tuo was the most talented young man from the Xiang family. He was as talented as Zhuge Hong and a part of a clan.

"What we are planning to do is too important. My family head is paying much attention to it." Xiang Tuo smiled.

"Do you ask the Golden Cauldron Sect for help?" Zhuge Hong asked.

"I did not ask the experts from my clan for help. We should not need their help, right?" Xiang Tuo asked.

"Yes. With the help of the Tian Zuo Sect, the overall power level of the Zhuge family is far above that of the Lin Family. As long as the Xiang Family is willing to help, we can capture the Lin Mansion easily without asking the Golden Cauldron Sect for help," Zhuge Yuanchong nodded his head slightly and said.

If the experts from the Lin Mansion heard this conversation, they would be shocked.

The Xiang family was also one of the six top-tier families within the Anjiu Prefecture. It was extremely powerful. They had a total of four Chaotic Divine Demons and ten Half-Step Chaotic Divine Demons. This lineup made the Xiang family the most powerful family in the Anjiu Prefecture.

And the Zhuge family had allied with the Xiang Family?

"This time, the Xiang family will send three Chaotic Divine Demon, ten Half-Step Chaotic Divine Demons. Are you satisfied with this lineup?" Xiang Tuo asked.

"Yes, absolutely satisfied." Zhuge Yuanchong's eyes lit up and the remaining people in the room started smiling.

The Zhuge Family was already more powerful than the Lin Family. Now that the Xiang Family had provided so many experts, the Lin Family would have no way to defeat them if nothing went wrong.

"Then let us discuss how to split the territory and resources that the Lin Family is controlling after we have defeated them."

The representatives from both families started discussing. Very quickly, they came to an agreement.

...

Lin Mansion.

"Brother Wushuang. My father has ordered me to bring you to the Purple Virtue Hall when the experts from Zhuge Family attacks," Lin Yan said.

"Purple Virtue Hall?" Jian Wushuang was stunned.

He had been living in the Lin Mansion for around three years. He was very familiar with this place. The Purple Virtue Hall was located at the outermost area of the Lin Mansion. It was located near the backdoor of the mansion.

“Not just the two of us. He has asked me to bring along your mother, Qingqing, the talented young disciples and the important family members along. We will gather at the Purple Virtue Hall and one of the senior brothers will protect us. If the Lin Mansion manages to stop the Zhuge Family, everything will be alright. If we cannot, then...”

Lin Yan fell silent.

“If they fail, your father will ask Brother Tao and one of the senior brothers to escort us to escape this place, right?” Jian Wushuang looked at Lin Yan and finished his sentence.

“Yes.” Lin Yan nodded his head heavily.

Jian Wushuang could understand why Lin Tiefeng had made this call.

Lin Tiefeng was the family head. Even though he felt that the Lin Family could stop the Zhuge Family, he was planning for the worst.

If the experts from the Lin Family could not stop them, the entire Lin mansion could be massacred. The important people from this family had to escape this massacre immediately.

“If that were the case, he would order all the experts and disciples from the Lin Family to escape. These experts and disciples will cover us and leave the Lin Mansion after we left. The reason why we are still here is because the situation is still under control. Furthermore, the Lin Mansion will be in a mess if we leave now,” Lin Yan said.

“Your father is doing the right thing.” Jian Wushuang nodded his head.

If these talented disciples and family members left now, it would show the experts that the Lin Mansion had sought help from that the Lin Family was not confident in defeating their enemies. Furthermore, if the Zhuge Family found out, they would target these disciples and family members. This would result in greater losses.

“We will follow your father’s orders and stay within the Purple Virtue Hall,” Jian Wushuang said.

“Yes.” Lin Yan nodded his head in agreement. He then asked, “Brother Wushuang, do you think that we will have to evacuate?”

“Nope.” Jian Wushuang nodded his head straight away.

“Why? How are you so confident?” Lin Yan looked at Jian Wushuang and asked.

“Because I will not allow it.” Jian Wushuang looked Lin Yan in the eye. He did not elaborate further.

In the blink of an eye, eight days passed.

On this day, that Lord left, and the Commandery Governor continued to shut himself away from the rest of the world and cultivate. The Lin Family and the Zhuge Family received the news at the same time.

Chapter 2333: Attack!

In front of Zhuge family's gigantic mansion, many figures were floating. Every one of them had an extremely powerful aura.

At the front of the crowd, Zhuge Yuanchong was boiling with killing intent.

"Everyone. The Lin Family and the Zhuge Family have fought for many years. Countless cultivators from the Zhuge Family have died at the hands of the Lin Family. Today, we will bring justice to our fallen brothers!" Zhuge Yuanchong said coldly. His voice reverberated in the entire space.

"Onwards, attack the Lin Mansion!"

The experts from the Zhuge Family and Tian Zuo Sect followed his orders and moved.

Whoosh! Whoosh! Whoosh! Whoosh!

Hundreds of figures were headed for the Lin Mansion and they looked like a nest of bees in the sky. The weakest expert among them was in the Chaotic Realm.

Lin Mansion, within the meeting hall.

"Family head, we have received intel from the scouts that the people from the Zhuge Family have entered our territory. They will reach the Lin Mansion within half a day." one of the elders from the Lin Family said in a serious tone.

"They are fast," Lin Tiefeng muttered to himself. He then commanded, "Tell the experts from the Lin Mansion to prepare for battle. Also, open the Purple Virtue Hall and tell Lin Tao to protect that place well."

"Roger." The elder left to execute the orders.

Hundreds of people gathered within the spacious Purple Virtue Hall.

Many of the young disciples and the important family members were here. Jian Wushuang and his mother, Luo Xinqin, were part of the crowd.

The door of the hall was closed. Lin Tao and a senior brother who had a sword on his back stood near the door. During the time the Lin Family and the Zhuge Family were battling it out, they would not allow anyone to enter the Purple Virtue Hall. Of course, this meant that the people within the Purple Virtue Hall could not leave either.

The people inside the Purple Virtue Hall could only leave after the battle was over and the Zhuge Family had retreated.

The other case would be if the Lin Family lost this battle, then Lin Shou would open the door and lead everyone to escape the Lin Mansion.

"Senior Brother, thank you for protecting the Purple Virtue Hall with me," Lin Tao said to the senior brother standing beside him.

"This is an easy job. I feel uncomfortable that I cannot fight in at the front line with Senior Sister Huo and the other experts from the Lin Family."

Lin Tao laughed awkwardly.

"Don't worry, junior brother. The Lin Mansion is not weak. With the help of Senior Sister Huo, there shouldn't be any problem fending off the Zhuge Family," the man in black clothes said.

"I hope that is the case." Lin Tao nodded his head.

Within the crowd, Jian Wushuang sat on the floor with his mother, Luo Xinqin. Jian Wushuang was calm, while his mother knitted her eyebrows anxiously.

She was worried for Zhuo Yunfeng, who would be fighting at the front line.

"Don't worry mother. Father will come back safely." Jian Wushuang comforted her.

"Wushuang, you know your father's temper. It will be best if the Lin Family can emerge victorious in this battle. However, he will definitely fight with Lin Tiefeng to the end. If that is the case..." Luo Xinqin clenched her teeth tightly.

"Do not worry mother, that will not happen," Jian Wushuang said to her with confidence.

Luo Xinqin was still extremely anxious even after Jian Wushuang comforted her.

Seeing this, Jian Wushuang sighed lightly. However, his gaze was extremely sharp.

Even though he was within the Purple Virtue Hall and not on the front line, he released his soul power. Once the Lin Mansion could not handle the enemies, he would step in immediately.

"They are here."

Jian Wushuang irises constricted. His soul power covered the entire Lin Mansion. He could sense that a large numbers of figures had descended at the front door of the Lin Mansion.

The experts from the Zhuge Family had arrived!!

...

At the door of the Lin Mansion.

A large number of experts from the Lin Mansion stood there. They waited quietly until they saw the figures that resembled a nest of bees appear in the sky.

Hundreds of figures appeared in front of them.

"Zhuge Yuanchong!!"

Lin Tiefeng raised his head. Killing intent was burning within his eyes as he glared at Zhuge Yuanchong. "Has the day finally come?"

"Haha. Lin Tiefeng. I have waited for this day for a very long time. It is finally time." Zhuge Yuanchong bellowed with laughter.

"Humph. I am not here to speak nonsense with you. You are here today to capture the Lin Family. It is a pity that you do not have the ability to do so," Lin Tiefeng said coldly.

"What a joke! We have the ability to do so. How could the Lin Family stand in my way?" Zhuge Yuanchong sneered. He then waved his hands and shouted, "Experts from the Zhuge Family, attack! Kill everyone within this place!"

Boom!

Immediately, the hundreds of figures from the Zhuge Family attacked.

"Stop them!" Lin Tiefeng waved his hands and shouted.

The well-prepared experts from the Lin Family and those the Lin Family had sought help from charged forward.

A full scale battle started.

"Zhuge Yuanchong!!!"

Lin Tiefeng shouted with a gloomy look. He radiated a strong devilish aura and a monstrous killing intent which swept over everyone on the battlefield.

He glared at Zhuge Yuanchong, wanting to battle it out with him.

"Humph. Seems like you have completely recovered from your injuries. It is fine though, as we were prepared for this." Zhuge Yuanchong smiled coldly. He then called out, "Elder Chen."

Whoosh!

A figure in grey clothes appeared in front of Lin Tiefeng. It was Elder Chen from the Zuo Tian Sect.

The power of the aura that Elder Chen had was on par with that of Lin Tiefeng.

"I have heard that the head of the Lin Family has reached the peak of tier three of the Divine Demon Realm. Even though you were severely injured, you fought a tier-two Chaotic Divine Demon and survived. Today, I will have a taste of your power," Elder Chen said indifferently.

Lin Tiefeng's face turned dark. He felt pressured when he stood before Elder Chen.

He knew that Elder Chen's fighting power was on par with his.

"If you want to die, don't blame me for killing you." Lin Tiefeng roared and attacked.

"Don't boast about your abilities." Elder Chen smiled in disdain.

Two peak tier-three Chaotic Divine Demons started their battles, and so did the experts from the Lin Family and the Zhuge Family.

The Lin Family was powerful. If not, they would not have been able to compete with the Zhuge Family for so many years.

The Zhuge Family sent every expert they had: three Chaotic Divine Demons. They would have four Chaotic Divine Demons including Elder Chen. They also had ten Half-Step Chaotic Divine Demons and numerous experts in the Chaotic Realm. This was an extremely powerful lineup.

On the other side, the Lin Family was not weak. They had three Chaotic Divine Demons including Lin Tiefeng. They also had more than ten Half-Step Chaotic Divine Demons. Their experts in the Chaotic Realm were more powerful than their enemies'. Both sides were equally matched.

Except in terms of Chaotic Divine Demons, as the Lin Family had one less.

Just then, an extremely violent aura swept out from within the Lin Mansion and a figure appeared on the battlefield.

...

Chapter 2334: Injured

The newly arrived person—a messy blonde short-haired muscular man—showed a beast-like grin and a beaming barbaric craze expression.

“That’s...Kuang Shi!”

“It’s him!”

The experts from both sides immediately recognized him.

Kuang Shi—an unaffiliated lone Divine Demon expert in the Anjiu Commandery.

However, he was there under the Lin Clan’s request as he dashed out of Lin Mansion.

“Hehe~”

Kuang Shi giggled with an opened mouth and dashed into the battle the next moment. He began to fight a Divine Demon expert from the Zhuge Clan.

Lin Clan’s Divine Demons received substantial help from him as the fights between both sides immediately turned more balanced with equal battle prowess and matching abilities.

“Lin Tiefeng, looks like your clan prepared very well this time, huh? You even invited Kuang Shi to be here. I wonder how much you paid him?” Zhuge Yuanchong smiled disdainfully.

“Hmph! How can I not have some preparations when you made such huge waves coming over?” Lin Tiefeng humphed coldly.

“That’s also true. However, do you think the Lin Clan won’t be slaughtered just because you hired Kuang Shi? Perhaps you’re underestimating us too much. We are at least ninety percent confident to win for our clan to dare touch yours.” Zhuge Yuanchong grinned mysteriously. “It’s about time. It’s coming.”

Just as the Lin Clan members were wondering what he meant dozens of figures dashing over from the distant void.

In the blink of an eye, they appeared in the void surrounding the battlefield.

Among them were three leaders with all of them being Chaotic Divine Demon.

Other than that, there were around a dozen pseudo-Divine Demon Realm experts with the rest being Peak Chaotic Realm!

It was a terrifying lineup!

Their appearance caused everyone on the battlefield to momentarily stop fighting.

“Xiang Zong?” Lin Tiefeng gave a deadly stare at one of their leaders who was a purple-haired middle-aged man.

“Xiang Clan?” The Lin Clan members were shocked.

Xiang Clan was one of the top six big clans of the Anjiu Commandery.

The Lin Clan was normally respectful toward the Xiang Clan and seldom crossed them.

However, why had experts from the Xiang Clan shown up?

Furthermore, it was obvious they were here to join forces with the Zhuge Clan!

“Clan Leader Xiang, the Xiang Clan, and Lin Clan never had any resentment toward each other. I had never offended you in any way for certain, but why are you here today?” Lin Tiefeng was trying hard to repress his anger.

“Haha, Lin Tiefeng, you had indeed never crossed the Xiang Clan. However, that doesn’t mean they won’t come looking for you!” Zhuge Yuanchong scoffed and laughed.

“Clan Leader Lin, the Xiang Clan has earlier come to an agreement with the Zhuge Clan. In addition, we have an inter-clan marriage and also share the same goals with the Zhuge clan, hence we’ll have to sacrifice the Lin Clan for Xiang Clan’s benefit,” said Xiang Zong.

“Sacrifice?” Lin Tiefeng burst into great anger, “Xiang Clan, you’re shameless!!!”

“Clan Leader Xiang, don’t waste time talking to him. Let’s work together and immediately destroy the Lin Clan,” said Zhuge Yuanchong.

“Those are exactly my plans.” Xiang Zong nodded before waving his large hand. “Move!”

Many experts from the Xiang Clan instantly began rushing into the battlefield like starving beasts.

“No!”

“This is bad!”

The experts from Lin Clan were horrified.

The Lin Clan would not be afraid at all were they to fight the Zhuge Clan alone.

However, when the Zhuge Clan collaborated with the Xiang Clan?

A great number of Xiang Clan experts had immediately rushed over and joined the battle which caused a huge gap between both sides’ battle power.

The Lin Clan experts were immediately suppressed.

Inside the Zide Palace.

A large number of Lin Clan's disciples and family members were gathered together. Some who were at the Chaotic Realm unleashed their soul powers to check on the battlefield at the Lin Mansion's gates.

Despair took over the Zide Palace when they saw the number of Xiang Clan members arriving.

"Xiang Clan... Xiang Clan has attacked us?"

"Dammit, is the Xiang Clan working with the Zhuge Clan?"

"Doomed! The Lin Clan is doomed!!"

Lin Tao who was guarding the entrance of the Palace and his Senior Brother were both equally shocked.

"The Xiang Clan?" Jian Wushuang frowned.

He knew earlier that the Zhuge Clan had made extraordinary preparations which proved to be true.

The only matter Jian Wushuang did not expect was that the Zhuge Clan had secretly established an alliance with one of the six top clans of Anjiu Commandery, the Xiang Clan.

The Lin Clan was in deep trouble when a large number of the Xiang Clan experts arrived.

"Hm?"

Jian Wushuang's expression shifted as he immediately stood up.

"Shuang'er, what is it?" Luo Xinqin immediately looked over.

"It's Father. He's injured," said Jian Wushuang.

In the battle outside of the Lin Mansion, Jian Wushuang's soul power could see Zhuo Yunfeng crossing hands with a Zhuge Clan Divine Demon expert and had suffered some injuries under the Divine Demon's attacks.

"What?" Luo Xinqin was shocked. "Is he alright?"

"He'll be alright for now," said Jian Wushuang.

However, he knew very well that given the situation the Lin Clan had been completely overpowered and their defeat was only a matter of time.

As soon as they were defeated, perhaps all the experts in the Lin Mansion were going to be killed including his father.

"Perhaps it's time for me to take action?" Jian Wushuang mumbled to himself. Upon looking at Luo Xinqin before him who was extremely worried and anxious, he took a deep breath and said, "Please don't worry, Mother. I'll safely bring Father back."

"You?" Luo Xinqin was stunned and immediately said, "Shuang'er, don't be impulsive."

She did not want anything to happen to Zhuo Yunfeng and neither did she want to see Jian Wushuang injured.

“Brother Wushuang.” Lin Yan and Lin Qingqing beside him both looked over at Jian Wushuang.

Jian Wushuang waved his hand and did not say a word as he directly walked toward Zide Palace’s gates.

At the gates, Lin Tao and his senior brother—the black-robed man with the longsword on his back—were both quietly guarding. Even though the battle outside was fierce, they had no intentions of joining the fight.

They had their mission.

Jian Wushuang came up at that moment.

“Open the gates, I need to go out,” said Jian Wushuang directly.

“Go out? Jian Wushuang, you’d better stay here. What’s happening outside isn’t something you can interfere with,” answered Lin Tao.

The black-robed man shot a gaze at Jian Wushuang as well.

Both of them were responsible to keep Zide Palace safe and would not let anyone out until the battle was over and the Lin Clan was safe.

The gates of the Zide Palace would only be opened when the Lin Clan was defeated and needed to immediately escape.

Jian Wushuang did not say more and only pointed a finger outward.

“Jian Wushuang, what do you think you’re doing?” Lin Tao stared at Jian Wushuang.

However, Jian Wushuang suddenly moved.

A ghastly shadow abruptly flashed by which caused Lin Tao’s eye to widen from his incapability to react.

Jian Wushuang’s figure had once again reappeared on the same spot.

“I’ll kill you if you dare stop me!”

Chapter 2335: Jian Wushuang Attacked

“If you continue to stop me, I will kill you!”

Jian Wushuang said coldly and his voice reverberated in the Purple Virtue Hall.

The talented disciples and family members of the experts from the Lin Mansion looked over at Jian Wushuang, confused.

Lin Tao was breaking out in a cold sweat. From his forehead, a few strands of hair fell towards the ground.

These few strands of hair would not drop to the ground for no reason at all. Jian Wushuang had cut them off in that instant.

If Jian Wushuang had wanted to, he could have chopped off Lin Tao's head.

"Did I almost die? How can this be? This kid?" Lin Tao was trembling as he stared dead at Jian Wushuang. He was in disbelief.

"Junior Brother!" The man in black clothes looked at Lin Tao and turned pale. He instinctively reached out towards the sword that was behind his back.

Suddenly, a cold pair of eyes looked at him. Rays of killing intent were seen in the pair of eyes.

The man in black clothes was frozen in fear. His hand stopped in mid-air.

He looked at Jian Wushuang in fear.

Even though Jian Wushuang simply looked at him, he felt that he was lost within endless sword essence. The sword essence was extremely terrifying. If he continued to reach for his sword hilt, he would have died before he had even drawn his sword.

"This, how is this possible?"

The man in black clothes was shocked beyond words.

Both of them had met Jian Wushuang before. Jian Wushuang had been a very modest and mild child.

Even when Lin Yan had said that Jian Wushuang could be the most talented person in the Sword Doctrine throughout the Wusha Barren Region, they had never taken his words seriously and had underestimated Jian Wushuang.

The door of the hall opened.

After the door opened, the aura that Jian Wushuang had completely changed.

Based on divine power alone, Jian Wushuang had the aura of an Early Stage Chaotic Realm.

This level of cultivation base was nothing. However, a person in this realm changed the perspective of everyone within the Purple Virtue Hall.

Everyone looked at Jian Wushuang in fear. It was as though they were looking at an unmatched killing machine, an overpowering emperor!

Jian Wushuang did not say anything else. He looked into the air as he dashed forward towards the battlefield.

The experts in the Purple Virtue Hall went into an uproar after Jian Wushuang disappeared from everyone's sight.

These people were amazed, in disbelief and even in fear.

"Senior Brother, did you feel that?" Lin Tao trembled lightly as he looked at the man in black clothes beside him.

"I felt it. At that instant, I felt I would die from his gaze. You?" The man in black clothes nodded his head solemnly.

Both of them were raging with emotion and could not calm themselves down at all.

In the crowd, Luo Xinqin looked at Jian Wushuang's back view. She seemed to have thought of something.

"Wushuang..."

...

Lin Mansion. The battlefield was shifted from the front door of the Lin Mansion to the sky above the mansion.

It was a one sided battle.

After the Xiang Family joined, the Lin Family could put up no resistance.

"Is it fate that the Lin Family will go down today in history?" Lin Tiefeng was desperate.

"Brother Lin, do not give up. There is still a chance." Zhuo Yunfeng, who was not too far away, shouted at Lin Tiefeng.

"Chance?" Lin Tiefeng laughed bitterly. He looked over at Zhuo Yunfeng gratefully and said, "Brother Zhuo, the Lin Family has requested the help of many experts. You are the only one amongst them who is helping me wholeheartedly. The rest of them are here for their own vested interests. I am afraid I can only repay you in the next lifetime."

"Do not say something so stupid," Lin Tiefeng roared in a low voice.

Suddenly... Hum~

A white sword light appeared beside Zhuo Yunfeng and it swept towards his waist.

Zhuo Yunfeng was shocked. He tried to back off, but the sword light chased him down.

The person who had created that sword light was a white-haired elder in white clothes.

"Zhuge Yun!" Zhuo Yunfeng turned pale.

He was a Chaotic Divine Demon from the Zhuge Family. He was also known as the most powerful expert in the sword doctrine within the Anjiu Prefecture.

There was no way Zhuo Yunfeng could stop such a powerful expert.

"Watch out, Brother Zhuo," Lin Tiefeng roared in a deep voice. He was preoccupied with Elder Chen and could not help Zhuo Yunfeng at all.

Zhuo Yunfeng had a gloomy look. He gave it his all in an attempt to block the sword light. Just then...

"This sword skill is so fast and unique."

Zhuo Yunfeng widened his eyes. He could only block three sword lights out of the many even though he already tried his best. When the fourth sword light was descending upon him, he felt his life was in danger.

The sword light targeted his head. It would have penetrated his head in the next moment.

Just then...

Hum!

A formless energy swept forth. The sword light halted in mid air.

This halt gave Zhuo Yunfeng a chance to back off. The sword light missed his head.

“Soul Attack?”

This soul attack was extremely powerful. It was at the level of a Half-Step Chaotic Divine Demon.

“Within the Lin Mansion, there wasn’t anyone who could cast a soul attack at the power level of a Half-Step Chaotic Divine Demon. Who cast it?” Zhuge Yun stood there and surveyed the surroundings.

What attracted his attention the most was a figure that had appeared out of nowhere.

The figure was Jian Wushuang.

He appeared beside Zhuo Yunfeng.

“Father,” Jian Wushuang greeted him.

“Wushuang?” When Zhuo Yunfeng saw Jian Wushuang, he was enraged. “What are you doing here? Shouldn’t you be with your mother within the Purple Virtue Hall? Go back immediately.”

“If I leave now, I will never see you again,” Jian Wushuang said indifferently.

Zhuo Yunfeng was stunned. He knitted his eyebrows.

“No matter what, you do not have the ability to interfere with this battle. Take your mother and leave the Lin Mansion. Leave Anjiu Prefecture!” Zhuo Yunfeng said authoritatively.

“I know my own abilities best. There is no need for me and mother to leave the Lin Mansion and Anjiu Prefecture.” Jian Wushuang smiled lightly as he looked at Zhuge Yun.

Chapter 2336: The Most Powerful Sword Cultivator In Anjiu Prefecture

“Chaotic Divine Demon, sword cultivator. You have reached initial success in the Sword Doctrine Realm. If I am not wrong, you are known as the most powerful sword cultivator in the Anjiu Prefecture, right? Zhuge Yun?” Jian Wushuang looked at Zhuge Yun calmly.

“Looks like I am quite famous within the Anjiu Prefecture. Any random youngster can recognize me. However, you cannot just call me so casually,” Zhuge Yun said coldly.

“Youngster?”

“I’m sorry. From today, the title of the most powerful sword cultivator in the Anjiu Prefecture will belong to the youngster standing before you right now,” Jian Wushuang said.

“Huh?” Zhuge Yun was stunned before he mocked, “Stop boasting. You are only in the Chaotic Realm. Even your father is no match for me. What makes you think that you can beat me?”

He was surprised by the fact that Jian Wushuang was in the Chaotic Realm.

Even though Jian Wushuang had just broken through into the Chaotic Realm, there was no way he, as a Chaotic Divine Demon, could deal with a mere Chaotic Realm expert.

That would be a joke.

“Father, watch me,” Jian Wushuang said. As soon as he finished his sentence, he attacked.

Zhuo Yunfeng wanted to say something. However, he realised Jian Wushuang had disappeared. By the time Jian Wushuang reappeared, he was already right in front of Zhuge Yun.

“This speed...” Zhuo Yunfeng widened his eyes in surprise.

Even he was surprised at the speed Jian Wushuang travelled.

“Huh?” Zhuge Yun was also surprised.

The speed Jian Wushuang had was on par with, if not faster, than his.

When Jian Wushuang reappeared, a sword light formed.

This swing seemed ordinary, as though Jian Wushuang did not put in effort to the swing at all.

As a sword cultivator, Zhuge Yun saw that Jian Wushuang’s attack was extraordinary.

“This sword, is it...” Zhuge Yun seemed to notice something different. He counterattacked immediately. A white, unique sword light was seen as it shot out like a venomous cobra.

Clang!

The two swords collided. Sword essences were gushing around wildly.

Jian Wushuang tilted his sword and flicked up lightly. The sword in his hands was headed for Zhuge Yun’s throat at a speed so fast that he barely had time to react.

“Shhh~~”

Zhuce Yun sucked in a cold breath. He had to react. He too flicked his sword up to block Jian Wushuang’s sword skills.

“Get lost!” Zhuge Yun roared as he slashed at Jian Wushuang with a slash so powerful that it could even split Heaven and Earth apart.

Jian Wushuang simply backed off to the side to evade this attack.

“You are incredibly fast with the martial art motion you have mastered. You have grasped the Spacetime Rules of Order and your understanding of the Sword Doctrine is at the level of Profound Realm?” Zhuge Yun looked at Jian Wushuang in disbelief.

It was rare to see experts in the Early Stage Chaotic Realm being enlightened to the Spacetime Rules of Order. Even though it was rare, there was more than one expert who had managed to do that in the Wusha Barren Region.

However, an expert in the Early Stage Chaotic Realm was in the Profound Realm of the Sword Doctrine Realm?

That was absurd.

Furthermore, Jian Wushuang was not even twenty years old yet.

An expert in his teens was enlightened to Rules of Order and had reached the Profound Realm in his understanding of the Sword Doctrine?

“Is he a monster? An anomaly?” Zhuge Yun exclaimed softly.

There were many geniuses in this world, and there were many of them within the Anjiu Prefecture as well.

For example, Zhuge Hong, Xiang Tuo from the Xiang Family and Lin Tao from the Lin Family were all geniuses.

These geniuses would attract the attention of the clans within the Wusha Barren Region, but they would not go crazy over them.

Under normal circumstances, these clans would only go after those unbelievably and incredibly talented geniuses.

Zhuce Yun felt that Jian Wushuang was one of the people classified as an unbelievably and incredibly talented genius.

He was out of this world.

There might not be another man as talented as Jian Wushuang from the Wusha Barren Region.

Once the clans from the Wusha Barren Region found out about the existence of such an insanely talented person, they would fight to recruit him at all cost.

An intense flame of killing intent lit up in Zhuge Yun’s eyes as he thought of this.

As the enemy of such a person, it would spell disaster for the Zhuge Family in the future.

If Jian Wushuang wanted to, he could easily join clans such as the Water Fairy Island or other much more powerful clans. He could give certain conditions to these clans, such as annihilating the Zhuge Family, before he would join them. Zhuge Yun believed that these top-tier clans would agree without hesitation and would even break certain agreements with other clans to fulfill Jian Wushuang’s conditions.

“This person must die!” Zhuge Yun was boiling with killing intent. A ray of white sword light appeared again, This time, it was brighter and even more shiny.

“You want to kill me?” Jian Wushuang pursed his lips. He looked to the sword in his hand and said, “Blood Mountain Sword. Today, we will fight till our heart’s content.”

Hum~ Hum~

The Blood Mountain Sword trembled vigorously, as though it was replying to Jian Wushuang.

“Die!” Jian Wushuang roared with a low voice as he attacked.

The two most powerful sword cultivators from the Anjiu Prefecture started their battle on the battlefield outside the Lin Mansion.

It was a fierce battle.

Jian Wushuang’s understanding of the Rules of Order and the Sword Doctrine was much deeper than Zhuge Yun’s. His Blood Mountain Sword was also at a higher tier than sword that Zhuge Yun used. Jian Wushuang was only lacking in the aspect of power.

The divine power that Jian Wushuang had was at the level of a Half-Step Chaotic Divine Demon. Furthermore, he had cultivated the Immemorial Celestial Body, which had boosted his divine power to even greater heights. Even so, he was still not at the level of a real Chaotic Divine Demon.

However, there was more to divine power in a battle.

Jian Wushuang went even against Zhuge Yun by using his superior understanding of the Sword Doctrine and Rules of Order.

Both of them fought fiercely. It seemed as though both of them were evenly matched.

Zhuo Yunfeng, who was at one side, was stunned.

“Wushuang, is that really my son?”

Zhuo Yunfeng could not believe his own eyes.

“Wushuang, he... He is only in the Early Stage Chaotic Realm, yet he is going even in a battle against the most powerful sword cultivator from the Anjiu Prefecture?” Zhuo Yunfeng muttered to himself.

“No, the fight is not even. Wushuang has a small advantage?”

Chapter 2337: Shocked

Shocked!

Zhuo Yunfeng was completely stumped.

Moments ago, he had declared that Jian Wushuang had no rights to be there with just his Chaotic Realm cultivation base. He should remain in the Purple Virtue Hall with Luo Xinqin while looking for an opportunity to flee.

Immediately after, Jian Wushuang had engaged Zhuge Yun in an intense battle and held his own well. In fact, he had the edge.

If Jian Wushuang had no right to participate in this battle, wouldn’t he be doing worse?

Dang!

The sound of metal clashing heavily rang.

Jian Wushuang was knocked back several steps but he regained his footing swiftly.

"In terms of the intensity of strength, I'm still a notch weaker," Jian Wushuang mumbled to himself.

"Junior!"

Zhuge Yun's haggard face had become extremely hideous. Flames of anger were raging in his eyes.

Jian Wushuang's talent had made him feel fear.

He was just an Early Stage Chaotic Realm and yet his grasp of the Sword Principle was so profound. He was even able to match evenly against a Chaotic Divine Demon with his Early Stage Chaotic Realm cultivation base.

This made Zhuge Yun want to kill him even more.

"Die now!"

After a deafening roar, Zhuge Yun seemed to morph into a white glowing sword.

Dazzling white light illuminated heaven and earth. It was as though there was a white sun that had come out of nowhere.

Shocking sword essence swept towards Jian Wushuang with overwhelming momentum.

"He's using his ultimate move now?" Jian Wushuang squinted his eyes but let out a chuckle soon after.

"Lin Family is in a hugely disadvantageous state. I can't play around with them further. It's time to finish him off."

Hu!

That glowing white sword flushed towards Jian Wushuang relentlessly.

Endless sword essence sliced through the air and shot expeditiously towards Jian Wushuang.

It was so fast that even a real Chaotic Divine Demon could not react to it, let alone a Chaotic Realm or Half Step Divine Demon.

"Junior, you should be proud to die from my strongest sword technique." Zhuge Yun's face was twitching and a chilling voice came from him.

"Shuang!!!"

Zhuo Yunfeng's complexion was deathly pale.

He saw that Jian Wushuang's body was being pierced by that glowing white light of Zhuge Yun. Subconsciously, he assumed Jian Wushuang had been killed by Zhuge Yun.

However, his penetrated figure split into two and dissipated into thin air.

"What?" Zhuge Yun was astounded. "He dodged it? How could it be? Even a real Chaotic Divine Demon couldn't avoid my strongest strike."

"You don't understand? It's really simple. It's because my understanding of the Spacetime Rules of Order is way deeper than you imagined." A mocking voice rang in Zhuge Yun's ears suddenly. Zhuge Yun turned around immediately and only saw a brilliant light flashing across.

That brilliant sword light was mesmerizing and intoxicating.

When he swung that strike, even the void space was affected as ripples reverberated through.

The surrounding spacetime seemed come to a halt at that moment.

That was the Spacetime Sword Principle that Jian Wushuang had created, Snow Cleave!

Zhuge Yun stood there blankly, only seeing the strike before his eyes. This was the last time he would see anything at all.

Pfft!

The sword light sliced through mercilessly as Zhuge Yun's head was tossed into the sky.

The publicly-recognized number one sword cultivator and a Chaotic Divine Demon had been killed on the spot!

"Dead? He's dead?"

"Shuang killed Zhuge Yun?"

When Zhuo Yunfeng saw Zhuge Yun's head before him, he couldn't believe what he was seeing.

Several people in the vicinity witnessed this scene as well.

"How could this be possible?"

"Ancient Elder is dead?"

"It's Jian Wushuang! He killed a Chaotic Divine Demon?"

Regardless of if it was the Zhuge Family, Lin Family, Xiang Family, or the numerous experts that had been hired by both parties, they were all dumbfounded at this juncture.

A Chaotic Divine Demon could definitely be overbearing in Anjiu Prefecture. In fact, he would be a first-rate expert in the entire Wusha Barren Region.

In the battle today, Chaotic Divine Demon was undoubtedly the strongest battle force. The intense battle till now had resulted in lots of Chaotic Realm experts losing their lives. Even several Half Step Divine Demons had been killed. However, all Chaotic Divine Demons were intact and both parties had not seen the death of a Chaotic Divine Demon yet.

Even when Lin Family was in an absolute disadvantageous state, the four Chaotic Divine Demon still didn't pose a life-threatening threat to him.

And now, the first Chaotic Divine Demon had fallen and the one who had killed him was only a Chaotic Realm.

"How is this possible?"

"It cannot be!"

“No matter how amazing a Chaotic Realm talent is, there’s no way he could kill a Chaotic Divine Demon in a direct battle!”

Everyone was in disbelief.

However, Jian Wushuang was still composed after killing Zhuge Yun. It was as though killing a Chaotic Divine Demon was an insignificant thing for him.

Moreover, he didn’t slow down. He moved and charged into the battle beside him.

Weng!!

A figure had moved to the side of a blue-haired lady silently.

The blue-haired lady was one of the three Chaotic Divine Demons from the Xiang Family.

She was going all out and was about to kill a Half Step Divine Demon from Lin Mansion when the figure appeared...

“What?”

The blue-haired lady got a big scare and didn’t care about killing the Half Step Divine Demon anymore. She dodged to one side and thrust her black spear in the direction Jian Wushuang had charged to.

“Your reaction is pretty impressive.”

Jian Wushuang smiled faintly. Moving his wrist slightly, the sword essence in his hand changed instantly.

The silent strike that aimed to slice the lady through her waist changed abruptly into a strike with the overwhelming momentum of a thunderstorm.

Peng!

The Blood Mountain Sword happened to clash with the tip of the long spear and deflect it slightly. Immediately after, Jian Wushuang took a huge stride forward before thrusting his Blood Mountain Sword forward. He circled the black long spear and went for the head of the blue-haired lady directly.

The blue-haired lady was astonished. However, she was quick to retract her long spear. Before Jian Wushuang could reach her head, she had pulled back the long spear to defend herself against the sword.

Dang!

A crisp collision sounded and the blue-haired lady was knocked back several steps.

Killing intent gleamed in Jian Wushuang’s eyes.

RUMBLE~~~

Terrifying swords explode like collapsing mountains and endless sword figures emerged and had the blue-haired lady completely surrounded.

“Shit!” The blue-haired lady was flabbergasted.

It was then a huge purple staff came from the side.

That purple staff crashed in dominantly and smashed Jian Wushuang's countless sword shadows to the brink of collapse.

Huh?

Jian Wushuang squinted his eyes, moved and dodged to the side.

The blue-haired lady recovered her composure and two figures appeared beside her at the same time.

Those two figures were none other than the other 2 Chaotic Divine Demons, one of which was the family head of Xiang Family, Xiang Zong.

Chapter 2338: 1 vs 3

"Are you alright?" Xiang Zong asked the blue-haired lady.

"Not a big issue. Fortunately, you guys are around. Otherwise, even if hadn't died from that strike, I'd be severely injured." Now, fear was in her eyes as she looked at Jian Wushuang. The earlier strike had indeed been dangerous.

"You killed Zhuge Yun first and almost killed a Divine Demon Realm expert from our Xiang Family. Brat, although I know nothing about your background, you will definitely still die today." Xiang Zong was solemn and intense killing intent gleamed in his eyes.

"Definitely die? By your hand?" Jian Wushuang said with contempt.

"I alone would naturally not be enough. However, what if three Divine Demon Realm experts were to team up?" Xiang Zong shouted.

"Team up? Three against one." Jian Wushuang furrowed his brows.

Xiang Zong took a glance at the two people next to him and said, "This brat is the greatest uncertainty on the battlefield. Only by finishing him off can we achieve the outcome we desire. Let's team up against him!"

"Alright!"

The two Divine Demon Realm experts from Xiang Family nodded.

The next instant, the trio struck at the same time.

The three Divine Demon Realm experts turned into three bolts of lightning as they charged towards Jian Wushuang.

"Scumbags!!"

A short distance away, Zhuo Yunfeng was infuriated when he witnessed what was happening. "Three Divine Demon Realm experts teaming up against a junior that isn't even twenty years old? The Xiang Family is truly embarrassing!!"

"Shameless! Shameless!!"

Some experts in the Lin Mansion berated.

However, the three Divine Demon Realm experts from the Xiang Family were unmoved.

What a joke! Jian Wushuang had killed Zhuge Yun in a direct clash.

Zhuge Yun was widely regarded as the number one sword cultivator in Anjiu Prefecture previously. Although he had not reached the peak of Third Grade Divine Demon, he wasn't weak at all. Lin Tiefeng and Elder Chen, who were both elite Third Grade Divine Demons, wouldn't be confident about killing him even if they were confident of suppressing or defeating him.

Yet, he had still been killed by Jian Wushuang.

This was a testament that Jian Wushuang wasn't any weaker than Lin Tiefeng or Elder Chen.

If they were to deal with an expert of this level, they would likely not end up any better than Zhuge Yun. Teaming up was the wisest decision.

However, even though the three Divine Demon Realm experts from Xiang Family had teamed up, Jian Wushuang didn't feel any fear.

When the three Divine Demon Realm experts from Xiang Family struck, Jian Wushuang made his move as well.

He was like a spectre and he utilized his understanding of Spacetime Rules of Order to the limits. In the blink of an eye, he clashed with the three Divine Demon Realm experts.

The family head of Xiang Family used a long purple staff. It was filled with overwhelming strength and smashed towards Jian Wushuang.

The blue-haired lady was using a long black spear. She was just like a silent venomous snake, constantly going for Jian Wushuang's openings.

The last expert was a burly old man with long hair. He was using a pair of red gloves. When clashing with Jian Wushuang directly, he was like two volcanoes that were constantly erupting against Jian Wushuang.

Even when facing the powerful and daunting attacks of these experts, Jian Wushuang still appeared exceptionally composed.

He put on a perfect display of swordsmanship.

Each move looked casual and simple but was fluid and consistent.

It was especially so for the unique essence of his sword techniques. Sometimes, he was fast and violent, while at other times he appeared soft and flimsy. This often threw his opponents off their tempo.

His movements were even more creepy. With his Spacetime Rules of Order, the three Divine Demon Realm experts from the Xiang Family couldn't keep up with him at all.

When Jian Wushuang had fought Zhuge Yun moments ago, he had not shown his Sword Principle at all. He had been just casually swinging his sword and yet was evenly matched against Zhuge Yun. In fact,

some considered him to have an edge against Zhuge Yun. Now that he was using his full strength, he wasn't in a disadvantageous stage despite facing three opponents at the same time.

The fighting raged on the battlefield.

Jian Wushuang's battle with the three Divine Demon Realm experts from the Xiang Family was equally intense. The three Divine Demon Realm experts used all their strength but still couldn't gain an upper hand against Jian Wushuang.

"One against three and they are evenly matched?"

"This...This... Is this a joke?"

"Those are three Divine Demon Realm experts?"

When the surrounding people witnessed the battle, they were completely stupefied.

The three Divine Demon Realm experts from the Xiang Family weren't elites among Third Grade Divine Demons. The family head of Xiang Family, Xiang Zong, was only nearing the top-tier Divine Demons and was still a little inferior to Lin Tiefeng and Elder Chen.

However, this was three Divine Demon Realm experts teaming up!

Even Lin Tiefeng and Elder Chen would have been suppressed against their coalition. Perhaps only a Second Grade Divine Demon could deal with three of them with ease.

And now, the strength displayed by Jian Wushuang...

"Could he possess the battle strength of a Second Grade Divine Demon?"

"But he's only at the Chaotic Realm!"

No one could believe what they were seeing.

Indeed, if they had not seen with their own eyes, they wouldn't have believed an Early Stage Chaotic Realm could go against three Chaotic Divine Demons at the same time. This wasn't possible.

However, reality had proven otherwise.

"There's hope. My Lin Family has hope!!!"

While Jian Wushuang was clashing with the three Divine Demon Realm experts, those from the Lin Mansion were feeling overjoyed. Lin Tiefeng was especially so.

Previously, he had been in despair. He had thought that the annihilation of Lin Mansion was inevitable. But now, although Lin Mansion was still in grave danger, the appearance of Jian Wushuang had given him a glimmer of hope.

Disregarding all others, Jian Wushuang had killed a Divine Demon Realm expert from the Zhuge Family. Now, he was able to hold back three Divine Demon Realm experts from the Xiang Family. This was the same as the other party losing the battle strength of four Divine Demons.

Only three Divine Demon Realm experts from the Zhuge Family and Xiang Family were free. This was one fewer than in the Lin Mansion.

The pressure that the Lin Mansion had to face had decreased substantially.

“Quick! Stop them! Stop the attacks of the Zhuge Family and Xiang Family!”

“Stop them and our Lin Mansion will have hope!”

Lin Tiefeng growled like a lunatic.

Some experts from the Lin Mansion had become extremely excited as well.

Initially, the majority of them had seen this as a hopeless situation. Some even thought of fleeing. However, strong battle desires had risen within them once again.

They could see hope now!

With the Divine Demon Realm experts holding back, they just had to stop experts below the Divine Demon Realm from Zhuge Family and Xiang Family. This made it a lot more possible for Lin Mansion to survive.

“Kill!”

“Kill!”

An earth-shattering roar reverberated through the air as the men from Lin Mansion started their frantic counterattacks.

Seeing this, Zhuge Yuanchong found it hilarious. “A last-ditch struggle?”

How foolish!”

“Kill everyone in the Lin Family. Exterminate them!”

Chapter 2339: False Reincarnation Cleave!

“Die!”

The experts from Zhuge Family and Xiang Family were on a killing spree and clearly in higher spirits than those from the Lin Family.

Even though the Lin Family had reversed her predicament in terms of Divine Demon Realm battle strength, there were still huge differences between both parties’ Half Step Divine Demons and Chaotic Realms.

It was especially so since Lin Mansion had lost several experts at the beginning of the intense battle. Furthermore, some experts hired by Lin Mansion had escaped when they started noticing things weren’t going their way. Therefore, the Lin Mansion was at a greater disadvantage in terms of Half Step Divine Demons and Chaotic Realms than expected.

In battle, it was common to see two to three similar cultivation base cultivators attacking one Lin Mansion expert.

The only advantage Lin Mansion had was the additional Chaotic Divine Demon. The Zhuge Family had arranged for four Half Step Divine Demon to team up against him. This made it impossible for the additional Chaotic Divine Demon to break away.

Even though those from the Lin Mansion had seen hope and had reignited their fighting spirits, the situation on the ground wasn't changing.

Weng!!

Jian Wushuang was like a bow and the Blood Mountain Sword in his hand was like the arrow as he thrust it out.

The razor-sharp sword light clashed against the volcano-like fists of that burly old man. The overbearing force from the collision forced Jian Wushuang and that burly old man a step back.

The next instant, Jian Wushuang moved and vanished creepily from sight. When he showed himself again, he was right next to the blue-haired lady and swinging his sword silently towards her.

He had shown his mastery in Sword Principle. Even though he was facing three Chaotic Divine Demons, he wasn't losing in any aspect.

While fighting, he had seen the situations in other areas.

He could tell the huge differences between both parties on the battlefield that couldn't be made up for.

"In terms of overall strength, the differences are too huge. Even if I kill Zhuge Yun and hold back three Chaotic Divine Demons, it will probably not reverse the eventual defeat that awaits the Lin Family."

"There's no other way. I have to take a further step!"

A cold, ruthless light gleamed in his eyes as he glanced at that blue-haired lady.

Whoosh!

Jian Wushuang's figure appeared before their eyes once again.

The three Divine Demon Realm experts from the Xiang Family started out with the intention to kill Jian Wushuang. However, as the battle progressed, they were getting more and more fearful.

And now, they weren't even confident of defeating Jian Wushuang in battle, let alone killing him.

"Is this brat really just an Early Stage Chaotic Realm?" the burly old man growled. He had never seen an Early Stage Chaotic Realm that could knock him back with a single sword strike.

"Regardless, this brat has chosen to stand against our Xiang Family. If our Xiang Family can't erase him this time and he takes note of it, no one will be able to save our Xiang Family, not even the Golden Cauldron Sect!" Xiang Zong roared.

"Kill him! We need a plan to kill him!" the blue-haired lady remarked.

"How do we do it?" the burly old man glanced at the blue-haired lady.

The blue-haired lady and Xiang Zong quieted down.

Yeah, how could they kill him?

They weren't even confident about defeating him currently. How were they going to kill him?

Moreover, they could tell Jian Wushuang had an extremely profound understanding of the Spacetime Rules of Order that even an ordinary Third Grade Divine Demon wouldn't possess. In fact, even Second Grade Divine Demon might not be at this level of attainment. With his grasp of Spacetime Rules of Order, no one probably could stop him if he intended to escape, not even with all the Divine Demon Realm experts teaming up.

At this juncture, shocking killing intent raged out from the eyes of Jian Wushuang.

Immediately after, Jian Wushuang disappeared creepily before their eyes.

Yes, he vanished!

At the very least, they couldn't see him with their naked eyes. Even if they used their soul powers, they would barely catch a glimpse of an eerie figure.

When Jian Wushuang showed himself again, he was next to the burly old man. Moreover, he slashed at the head of the burly old man at a speed that was incredibly fast.

"Be careful!" Xiang Zong shouted as a warning.

"Brat! Don't be too full of yourself!" The burly old man erupted and his scorching-red right hand smashed towards Jian Wushuang like an active giant volcano.

The direct clash of the volcano and the sword shadow didn't cause any collision of strength.

That sword shadow disappeared together with Jian Wushuang before the watchful eyes of the trio.

"That's... an illusion?" the burly old man was stumped.

"An illusion left behind with Spacetime Rules of Order?" Xiang Zong was equally astonished. However, his expression darkened instantly. "Shit!"

When Xiang Zong reacted, he looked at where the blue-haired lady was. Indeed, Jian Wushuang was right in front of the blue-haired lady.

At the same time, Jian Wushuang swung out his sword.

"Reincarnation Sword Principle – False... Reincarnation Cleave!"

Weng!

A blurry sword light lit up and sliced towards the blue-haired lady.

The sword light was unusually fast, to the point that almost no one could react to it on time.

However, the blue-haired lady was a Chaotic Divine Demon after all. Although the sudden appearance of Jian Wushuang gave her a huge shock, she reacted immediately. She thrust the long spear forward and wanted to block the blurry sword light that had been launched by Jian Wushuang.

Her eyes were fixed on that sword light.

"I can make it. I can stop it!" the blue-haired lady thought to herself.

She could see her spear was in time to block that sword light.

Just as expected, the black long spear went before that blurry sword light. Instantly, the blue-haired lady was at ease.

Peng!

The sword light had sliced her. As a Chaotic Divine Demon, her holy body was extremely tough. However, it wasn't sufficient to stop this attack.

In a single strike, her holy body collapsed and her consciousness was fading.

Before it had even vanished completely, she was completely lost.

"Impossible!"

"I did stop it! I stopped that sword strike!!!"

The blue-haired lady wanted to scream but couldn't enunciate her words. Soon, all signs of life deserted her.

Even in death, the blue-haired lady couldn't understand how she had been killed by that strike. She had stopped that sword strike!

At the very least, that's what she believed.

In reality, she hadn't!

"False Reincarnation Cleave... Illusory and unfathomable." Jian Wushuang remained scarily cold while staring at the despairing blue-haired lady.

It had been 19 years since he had been reincarnated. In those 19 years, he hadn't just been thinking of ways to recover to his cultivation base. In addition, his understanding of Rules of Order and advancements in Sword Principle had not lagged behind. On the contrary, they had improved by leaps and bounds.

For example, in the aspect of Spacetime Rules of Order, he had made significant breakthroughs compared to in his previous life. He was just about able to create illusions using Spacetime Rules of Order.

Even though they were illusions and some experts could see through them with a single glance, it was more than sufficient to fool an ordinary Chaotic Divine Demon.

Moreover, in the aspect of the Spacetime Sword Principle, he had created his first move, Snow Cleave!

Chapter 2340: Defeat!

Jian Wushuang's improvement in the aspect of Spacetime had been rapid. However, his understanding of Reincarnation Rules of Order in his previous life was even greater.

Moreover, he had been through the reincarnation passage and been reincarnated. This had let him experience the mystery of Reincarnation and was of unbelievable great help in his understanding of the Reincarnation Rules of Order. As a result, his grasp of the Reincarnation Rules of Order was the greatest it had ever been!!!

His application of Reincarnation Power was several times stronger than in his previous life.

In the aspect of Sword Principle, he had created the first move of Reincarnation Sword Principle, the Samsara.

At nineteen years old, he had created the second move.

The second move was none other than the False Reincarnation Cleave!

This was a Sword Principle that infused the Reincarnation Power.

This move wasn't just strong. The more important thing was the illusion within the Sword Principle. The Sword Principle was the sword shadow that the blue-haired lady had seen previously. She had thought she could block that sword shadow with her long spear and she could have succeeded. However, unbeknownst to her, it was just an illusory shadow.

The real strike was hidden before the illusion. A completely invisible strike!

It was that strike that had killed the blue-haired lady.

This blue-haired lady was the second Chaotic Divine Demon that Jian Wushuang had killed in this battle.

This time, he had done so when he was going up against three Chaotic Divine Demons at the same time!

"How can this be possible?"

"This... This..."

Xiang Zong and the burly old man were shocked.

They had seen with their own eyes how Jian Wushuang had killed the blue-haired lady and yet there was nothing they could do.

Now, after killing the blue-haired lady, Jian Wushuang's cold gaze locked down on them.

Whoosh!

Jian Wushuang struck once again. This time, his target was the burly old man.

Weng!

A brilliant sword light illuminated the area.

That brilliant sword light was mesmerizing and intoxicating.

When he swung out that strike, even the void space was affected as ripples reverberated through.

The surrounding space-time seemed to have come to a halt at that moment.

Spacetime Sword Principle, Snow Cleave!

Arghhhh!!!

The burly old man exploded with rage and punched relentlessly.

However, the sword light that Jian Wushuang had released was exceptionally strange. It flashed past his fist and landed on his holy body directly.

The burly old man was strong in offense and incredible with his holy body. However, after taking this strike, he spewed a large mouthful of blood and his complexion paled instantly. Fortunately, he wasn't killed directly by Jian Wushuang.

"Retreat! Retreat now!!"

Xiang Zong shouted in a hurry.

The burly old man wasn't silly. In the first instant, he retreated frantically and opened up a distance from Jian Wushuang.

Moreover, he quickly met up with Xiang Zong. Both of them had fixed their eyes on Jian Wushuang from a long distance away.

"He... He..." the burly old man was at a loss for words.

Moments ago, he had killed that blue-haired lady with a single swing. Now, he was injured in a single strike?

How strong was he?

"He's too strong? Perhaps his battle prowess has not reached the level of a Second Grade Divine Demon. His Sword Principle is even more frightening than any Second Grade Divine Demon I've seen," Xiang Zong commented.

Both of them were shocked and wouldn't dare to make a move on Jian Wushuang again.

As for Jian Wushuang, he stared daggers at them. The next moment, he charged into the battle beside him.

The battle between the Half Step Divine Demons and Chaotic Realm experts was reaching a critical stage.

Lin Mansion was clearly at an absolute disadvantage. One could even say they were doomed for destruction.

Each Lin Mansion's expert had to face two or three experts of similar level at the same time. For example, Jian Wushuang's father had to face two Half Step Divine Demons.

Looking at the situation, defeat seemed to be set in stone.

However, Jian Wushuang had appeared now.

First, he appeared above Zhuo Yunfeng and a blinding sword light illuminated the area. The Half Step Divine Demons that were engaged in an intense battle with Zhuo Yunfeng couldn't escape in time before the blinding light penetrated their bodies and killed them.

Immediately after, Jian Wushuang vanished.

Xiu! Xiu! Xiu! Xiu! Xiu!

Sword lights were appearing across several battles in the Lin Mansion.

Jian Wushuang's movement was extremely unique. Each time he vanished and reappeared, a sword light shot out.

No one could stop the sword light.

Regardless if it was Chaotic Realm experts or Half Step Divine Demons, no one could take a strike from Jian Wushuang.

Jian Wushuang was killing an expert with each swing.

After several dozen cycles of vanishing and reappearing, he swung out several dozen strikes and killed several dozen experts from Zhuge Family and Xiang Family.

All of this happened in several instances and took no longer than a single breath of time.

Within a single breath of time, he killed several dozen experts. If this carried on....

"Retreat!

"Everyone from the Xiang Family, retreat immediately!!!"

Xiang Zong gave his orders instantly. His face was flushed as he shouted to rush the experts from Xiang Family.

At the same time, he was filled with fear.

"Monster! This brat is definitely a monster!!!"

"He isn't a simple monster and not just a God of Death. The speed he is killing at is too fast. In several moments, several dozens of experts have fallen. My Xiang Zong accounted for one-third of the casualties. If we allow him to carry on slaughtering, our Xiang Family will definitely be annihilated by them. Even we might not survive." The burly old man was shocked.

If this was the case for the mighty Chaotic Divine Demon, the Half Step Divine Demons and Chaotic Realm experts were probably scared out of wits.

When they heard the orders from Xiang Zong, those in the Xiang Family chose to escape without hesitation.

All of them were retreating rapidly, fearing they would be targeted by the God of Death.

The Xiang Family retreated from the battle under the leadership of Xiang Zong and the burly old man. This left the remaining Zhuge Family completely flustered.

"Damn it! Damn it!!!"

Zhugue Yuanchong roared furiously and couldn't vent the endless anger that was within him.

However, as the leader of a family and a Divine Demon Realm expert, he knew what the most important thing was at that time.

With Xiang Family evacuating, Zhuge Family could still have an advantage in the number of Half Step Divine Demons and Chaotic Realm experts. However, as Jian Wushuang continued his indiscriminate slaughtering, this advantage was being chipped away. If they continued like this, Zhuge Yuanchong was certain that the doomsday of the Zhuge Family would arrive soon.

“Evacuate! Evacuate now!!”

Zhuge Yuanchong swung his hand and retreated through the air outside of Lin Mansion.

The remaining experts from the Zhuge Family and those few from Dongzuo Sect didn't hesitate.

In just moments, numerous experts that had fought their way into Lin Mansion had been erased cleanly, leaving just their corpses behind.
