

## Swordsman 2851

### Chapter 2851: Troublesome

— —

Because he knew this, he had only used 1% of his blood essence after diluting it in order to meet Mo Tao.

And he had only taken out one drop.

Until he had no way to take out his perfect blood essence in order to fuse it into the Blood Mountain Sword, and only in front of Mo Tao.

As for selling his blood essence in exchange for a large number of holy elixirs or other treasures... if it was the decomposed blood essence, he could try one or two drops, but there were too many of them, and he would never sell them.

As for his own blood essence, he would never give it to anyone!

Blood essence was a symbol of life. Therefore, selling blood essence was a violation of one's dignity.

No one, no expert of any bloodline, would sell their essence blood or give it to others unless they were really at the end of their rope.

Mo Tao wanted to say something, but suddenly his expression changed, and he frowned slightly.

"Sword One, we are in trouble," Mo Tao said.

"What's wrong?" Jian Wushuang looked over.

"You know how loud the noise was when we were refining the weapon, especially the supreme sword essence. It was so loud that some old men in the Dragon-phoenix Pavilion and a few top experts of sword principle sensed it. As for the surroundings of my Fire Cloud Castle, they are all guessing that I should have refined a great sword principle weapon or treasure. Even the Bone Emperor sent a message to me personally," Mo Tao said with a bitter smile.

"Bone Emperor sent a message personally?" Jian Wushuang was stunned.

He knew that the disturbance caused by the artifact refinement would definitely attract the attention of some experts.

However, he did not expect that Bone Emperor would be alerted and ask about it personally?

"It's normal for Bone Emperor to ask about it personally. After all, he was the only one who asked me to refine a treasure using the Holy Heavenly Furnace for so many years. So this time, of course, he wants to know who asked me to refine a treasure using the Holy Heavenly Furnace and what level of magic weapon it is." Mo Tao smiled.

"It's just a casual question from bone emperor. I just need to find a reason to tell him about it. The trouble is that the experts who have arrived in my Fire Cloud Castle will definitely find out about it. They might even find a way to find out about it. By then, they might be able to trace it back to you."

Jian Wushuang's face darkened.

He had come to look for Mo Tao to refine a treasure. If it was just an ordinary treasure, it would be fine. However, the commotion this time was so big. Once people found out that he had asked Mo Tao to refine a treasure, all the experts would definitely target him. By then, there would be a lot of trouble.

Mo Tao naturally knew of this. So he immediately sent a message to his personal disciple Bi Yan.

Not long after, Bi Yan arrived at this empty space.

"Master."

Bi Yan was incomparably respectful in front of Mo Tao.

"Disciple, how is the situation in the Fire Cloud Castle right now?" Mo Tao directly asked.

"Replying master, ever since you activated the sacred heavenly furnace and started to refine a weapon, the entire fire cloud castle has been shaken. The various powers also quickly received the news. The world overlords of the four pavilions, the various realm lords of the various realm verses, as well as the rulers of some of the major powers in the Golden Crow Nine Realms, all sent messages to ask me about the cause of this matter. However, I only gave them a few words of prevarication and didn't explain it to them."

"These people are just here to ask questions, but some experts from the Dragon-phoenix Sacred City have come to visit, especially a supreme elder from the Dragon-phoenix Pavilion," Bi Yan said.

"A supreme elder from the Dragon-phoenix Pavilion?" Jian Wushuang's expression changed.

The Dragon-phoenix Pavilion was one of the four pavilions, and its geniuses were as numerous as clouds.

To be able to become a supreme elder, he must be a genuine Immortal Saint.

"How many people in the Fire Cloud Castle know that Sword One came to see me?" Mo Tao asked.

"There should only be four people who know about it," Bi Yan said solemnly. "The first one is a guard at the level of a novice Great Divine Master. He brought Mr. Sword One into the Fire Cloud Castle."

"Kill him," Mo Tao said directly.

Bi Yan and Jian Wushuang were both stunned. The former nodded slightly, then he said, "The second one is junior brother Fan Xin. I thought that Sword One was just an ordinary Advanced Great Divine Master, so I let junior brother Fan Xin pick him up. It was not until Mr. Sword One took out the 12,000 pounds of Blood Wilderness Emperor Crystal that I personally went to receive him."

"Fan Xin?" Mo Tao narrowed his eyes. "Tell him that from today on, he will go into closed-door cultivation and can not come out for 10,000 years."

"Yes." Bi Yan accepted the order and continued, "The third one is me."

Bi Yan was a little shocked, but he still had some confidence.

He was different from the guard and Fan Xin. He was Mo Tao's personal disciple and could be said to be Mo Tao's successor.

Mo Tao would not go so far as to deal with Jian Wushuang in order to cover up his existence or ask him to enter closed-door cultivation for 10,000 years.

As expected, Mo Tao only exhorted him, "You should know the severity of the matter. You must not reveal the existence of little friend Sword One, and you must not let anyone know that it was little friend Sword One who asked me to refine that magic weapon. Otherwise, even if you are my personal disciple, I will not show mercy."

"I understand." Bi Yan heaved a sigh of relief.

"You just said that there should be four people who know of little friend Sword One's existence, but you only said three. Who else is there?" Mo Tao looked over.

"There's still one more..." Bi Yan frowned. "Master, the last person who knows of little friend Sword One's existence is Young Master Qu."

"Young Master Qu? Which Young Master Qu?" Mo Tao asked.

"He's the young master of the Heavenly Qu Realm lord." Bi Yan replied softly.

"It's him?" Mo Tao's expression changed. "Why would he come to my Fire Cloud Castle, and how would he know about this matter?"

"Replying master, sixteen years later, the Dragon-phoenix Pavilion will open the Dragon-phoenix rankings for the 'Young Phoenix'. At that time, countless experts would dare to go. And this Young Master Qu has a special liking for the young phoenix of the Dragon-phoenix Pavilion. He wanted to take the opportunity to send a huge gift to that Young Phoenix in order to gain the favor of that Young Phoenix. Hence, he specially rushed here. His motive is the same as Mr. Sword One. He also wanted master to personally refine a special treasure for him." Bi Yan spoke.

"When Mr. Sword One came to my fire cloud castle, I happened to be in the middle of a conversation with Young Master Qu. When the guard came to report, he did not lower his voice, so Young Master Qu heard that Mr. Sword One had come to visit. However, when the guard reported, it also showed that Mr. Sword One was only an Advanced Great Divine Master. I also instructed Fan Xin to receive him in front of that Young Master Qu."

...

## **Chapter 2852: Little Phoenix**

— —

"Bastard! In order to gain a good impression of the current Little Phoenix, he actually wants me to personally refine a treasure for him. The young master of the Tian Qu realm lord, what great ability!" Mo Tao's voice was obviously filled with anger, at the same time, he also blamed Bi Yan, "You too, you actually let that Young Master Qu hear about the matter of Sword One paying a visit."

Bi Yan immediately lowered his head, not daring to look into Mo Tao's eyes.

“Brother Mo, Young Master Qu only heard about my visit, but in a place like fire cloud castle, people come to visit every day. I’m only an advanced divine master, so he wouldn’t think about it. Even if he did, he wouldn’t be sure and wouldn’t bring me too much trouble,” Jian Wushuang said with a smile.

He spoke casually, but Bi Yan was shocked when she heard what he said.

“Brother Mo?”

“He, he actually called Master brother Mo? And master clearly doesn’t have any dissatisfaction?”

Bi Yan’s face was filled with disbelief.

He knew his master’s identity. Even if the other party was an Immortal Saint, he would not be able to address his master so intimately.

However, Sword One had only asked his master to refine a divine weapon, yet his master’s attitude had changed so drastically.

Furthermore, in order not to let others know of Sword One’s existence, he had directly executed a guard and had Fan Xin enter seclusion for ten thousand years... it was very obvious that Sword One’s status was in his master’s heart had reached an extremely high level.

“I hope that Master Qu doesn’t think too much about it, or else...” Mo Tao’s face darkened slightly, and then he glanced at Bi Yan, “Take Sword One and leave the underground palace immediately. Don’t let anyone know. As for the other matters, leave them to me.”

“Yes.” Bi Yan nodded respectfully.

“Sword One, leave with him first. When the time is right, I will personally send a message to you,” Mo Tao said.

“Okay.” Jian Wushuang smiled and then followed Bi Yan.

Fire Cloud Castle was located in a huge group of volcanoes, and many places led to the underground of the volcanoes.

Deep underground, there was an extremely hidden underground palace, which could directly lead to the outside world. Mo Tao and Bi Yan were the only two people in Fire Cloud Castle who knew about the existence of this underground palace.

Now Bi Yan was leading Jian Wushuang in this underground palace.

“Mr. Sword One, it’s thanks to you to excuse me in front of master just now. Otherwise, if my master was angry, he would have punished me,” Bi Yan said humbly.

Before, although Bi Yan did not dare to underestimate Jian Wushuang, he was not so humble.

But now, when he heard Jian Wushuang call his master brother Mo, his attitude toward Jian Wushuang had completely changed.

He became very warm and even respectful.

"It's just a small matter. Mr. Bi Yan, don't take it to heart." Jian Wushuang smiled and said, "By the way, I just heard from you that in 16 years, the Dragon-phoenix Pavilion will open the Dragon-phoenix list for the young Phoenix? What's going on?"

"This matter has been widely spread in the Dragon-phoenix Sacred City. How could you not know about it, Mr. Sword One?" Bi Yan looked at Jian Wushuang in surprise.

"To tell you the truth, I just came to the Dragon-phoenix Sacred City, so I don't know much about it," Jian Wushuang said.

"No wonder." Bi Yan understood and then explained, "This matter has to start with the Dragon-phoenix Pavilion. The Dragon-phoenix Pavilion is one of the four pavilions in the Nine Realms of the Golden Crow. It has a deep foundation and is recognized as the cradle of geniuses in the Nine Realms of the Golden Crow. Those who can enter the Dragon-phoenix Pavilion and become its disciples are all dragons and phoenixes among men. It's true."

"Among the genius disciples of the Dragon-phoenix Pavilion, the male disciple with the highest talent is called the hidden dragon, and the female disciple with the highest talent is called the Young Phoenix. There are many geniuses in this generation of the Dragon-phoenix Pavilion. Hidden dragon Chen Hao has reached the limit of the supreme divinity with outstanding talent. He is an Invincible Divine Master who is extremely powerful. He is widely recognized as the number one supreme Divine Master of the Nine Realms of the Golden Crow. His strength is almost as powerful as the Immortal Saint.

"Chen Hao is strong, but in terms of talent, the number one genius in the Dragon-phoenix Pavilion and the Golden Crow Nine Realms is the Young Phoenix. She is known as the number one genius in the history of the Golden Crow Nine Realms!"

"The number one genius in the history of the Golden Crow Nine Realms? This Young Phoenix is so powerful?" Jian Wushuang was secretly surprised.

Back in the Sacred Sun World, he had heard that there was a super genius in the Dragon-phoenix Pavilion. Even when he rose to prominence, there were people in the sacred sun world who compared him to that super genius. In the end, many people thought that the super genius was still better than him, this super-genius must be very amazing.

And this super-genius was, as expected, this Young Phoenix.

"This Young Phoenix is indeed very talented. I heard that she has been cultivating for less than 200 years, but her cultivation has already stabilized to the peak of Divine Master. She is even on the verge of breaking through to Great Divine Master. The most important thing is her comprehension of the rules. Her comprehension of the rules is too fast. She is only a divine master, but it is said that her comprehension of the rules has already surpassed that of an ordinary Immortal Saint," Bi Yan said.

"What?"

Even Jian Wushuang was shocked to hear this.

"A Divine Master's comprehension of the rules has surpassed that of the Immortal Saint? How is this possible?" Jian Wushuang muttered.

His current realm was that of a Divine Master, and his talent was impeccable. He also had a treasure like a seal of Heaven Scroll, but his comprehension of the rules was only at the limit of a Divine Master, he was still one step away from the Immortal Saint.

The Young Phoenix from the Dragon-phoenix Pavilion had a higher comprehension of the rules than him.

The Young Phoenix had also cultivated for a very short time, less than 200 years, which was not much longer than him.

“How can her comprehension of the rules be so high?” Jian Wushuang frowned and asked.

“I don’t know, but there is a rumor that the Young Phoenix has an extremely special physique, which is unique and far beyond the ordinary people.”

“For an ordinary cultivator, it is extremely difficult to comprehend the rules, but for her, it is as easy as eating and drinking. She doesn’t need to cultivate carefully. She just stands there, and her comprehension of the rules is constantly improving. That’s why her comprehension of the rules is so strong,” Bi Yan said.

“Is that so?” Jian Wushuang nodded secretly.

He would never believe that an ordinary cultivator could reach such a level in less than 200 years unless he was also reincarnated.

But if he had a unique physique, it would be another story.

### **Chapter 2853: Dragon-Phoenix List**

— —

“No wonder he is known as the number one genius of the Nine Realms of the Golden Crow. His comprehension of the rules is so high that no one can compare to him,” Jian Wushuang thought.

Although he was a perfect chaotic creature with infinite possibilities and great potential, no one could compare to him.

However, his comprehension of the rules was obviously slower than the Young Phoenix.

“What about the Dragon-phoenix list?” Jian Wushuang asked.

“The Dragon-phoenix list has been passed down by the Dragon-phoenix Pavilion for a long time. It’s an extremely special list for experts who have made great contributions to the Dragon-phoenix Pavilion. The Dragon-phoenix Pavilion has been established for countless years, but only eight people have been listed on the list.”

“Each of these eight people is very important to the Dragon-phoenix Pavilion. They are the top eight contributors to the Dragon-phoenix list. They are recorded on the list and will always be respected by the younger disciples of the Dragon-phoenix Pavilion,” Bi Yan said.

“So, the Dragon-phoenix list is the list of contributors to the Dragon-phoenix Pavilion?” Jian Wushuang’s expression changed.

“Yes, as far as I know, the eight experts on the Dragon-phoenix list seem to be Immortal Saints who have made great contributions to the Dragon-phoenix Pavilion. The founder of the Dragon-phoenix Pavilion and the current leader of the Dragon-phoenix Pavilion are also on the list. Many genius disciples of the Dragon-phoenix Pavilion also take pride in being on the list in the future. Therefore, every time the Dragon-phoenix list is opened, it is a great event for the Dragon-phoenix Pavilion.”

“On the way to the launch of the Dragon-phoenix list, the Dragon-phoenix Pavilion would invite many experts to watch it. It would be a very big event,” Bi Yan said. “But this time, it’s a little strange.”

“Why is it strange?” Jian Wushuang asked.

“Mr. Sword One, I just said that the Dragon-phoenix list is specially opened for the Young Phoenix. Although the Young Phoenix is extremely talented and is known as the number one person in the history of the Dragon-phoenix Pavilion and the entire Golden Crow Nine Realms, she is too young and not very strong. Moreover, she stays in the Dragon-phoenix Pavilion and hardly goes out. Under such circumstances, how can she contribute to the Dragon-phoenix Pavilion?”

“How could she be qualified to be on the Dragon-phoenix list?” Bi Yan said.

Hearing this, Jian Wushuang’s expression changed.

Indeed, in the Dragon-phoenix Pavilion, only those who had made great contributions to the Dragon-phoenix Pavilion were qualified to be on the Dragon-phoenix list. The Dragon-phoenix Pavilion had been established for so many years, but only eight people were on it, and they were all Immortal Saints. As for this Young Phoenix... how was she qualified?

“So it’s a bit strange, but the rules of the Dragon-phoenix Pavilion won’t change because of this Young Phoenix. So this Young Phoenix must have made great contributions to the Dragon-phoenix Pavilion, but I don’t know what the great contribution is. The Dragon-phoenix Pavilion hasn’t announced it to the public.” Bi Yan smiled.

“Maybe so.” Jian Wushuang also nodded.

“Mr. Sword One, you should be interested in that Young Phoenix, right?” Bi Yan suddenly looked over.

“What do you mean?” Jian Wushuang asked in surprise.

“Haha, Mr. Sword One, don’t pretend to be confused.” Bi Yan smiled.

“It is said that Young Phoenix is not only talented but also beautiful. In the Nine Realms of the Golden Crow, not many people have seen her face, but all the cultivators of the opposite sex are impressed by her.”

“As the Young Master Qu mentioned before, he is a young master of a realm master. But because he was lucky enough to see the Young Phoenix, he has been longing for her ever since. This time, he came to my Fire Cloud Castle to ask master to refine treasures for him to win the Young Phoenix’s smile!”

“Mr. Sword One, don’t you have any interest in such a peerless beauty?”

“Really?” Jian Wushuang was stunned. “I’ve only heard that this Young Phoenix is extremely talented and no one in the Golden Crow Nine Realms can match her. As for her beauty, I’ve never heard of her.”

But now that you've mentioned it, I'm really interested in her. When the Dragon-phoenix list is opened, if I have time, I can go and take a look."

Jian Wushuang was indeed a little interested.

But his interest was not because of the Young Phoenix's beauty.

He had been through endless trials and tribulations in two lifetimes. His heart was like a stone, and he was completely immune to beauty.

In terms of feelings, the only person in the entire divine beginning world and the entire world who could be moved was his wife, Leng Rushuang.

He was not interested in anyone else except Leng Rushuang.

Jian Wushuang and Bi Yan chatted as they walked. They walked into the underground palace for nearly an hour before they finally arrived at the exit.

"Mr. Sword One, I'll send you here. You'll be in a barren mountain when you leave from this exit. It's quite a distance from Fire Cloud Castle. No one will notice you leaving from here. As for the rest of the matter, leave it to me and master. Fire Cloud Castle will do its best to ensure that no one knows that you came to our Fire Cloud Castle to ask master to refine a treasure personally," Bi Yan said.

"In that case, thank you."

Jian Wushuang smiled and immediately walked toward the exit.

Bi Yan went back the way he came.

Not long after, Bi Yan returned to the main hall of Fire Cloud Castle.

In the main hall, Master Qu was still waiting.

However, although Master Qu was waiting, he could not calm down for a long time.

After all, when Mo Tao used the sacred heavenly furnace to refine the treasure, he had stayed in the Fire Cloud Castle and personally felt that terrifying sword intent.

Right now, the entire Dragon-phoenix Sacred City and even the top experts of the Golden Crow Nine Realms all knew that Mo Tao had refined an extremely powerful sword dao divine weapon.

They were all guessing who had asked Mo Tao to refine it and what kind of divine weapon it was.

Young Master Qu's father, the world overlord Tian Qu, also directly sent a message over to ask him about it. Young Master Qu naturally wanted to find out more.

"The Fire Cloud Castle is the residence of that Lord Mo. Usually, there are too many experts who come here to visit. In addition, these experts are all received separately. Outsiders have no way to guess. However, there's one point. Whenever those with higher statuses come to visit, they would definitely be received by Bi Yan. In fact, Lord Mo would even personally come out to welcome them. But according to the information I received, in these past hundred years, that Lord Mo has never personally appeared..."

"In other words, that person must have met Bi Yan first before Bi Yan brought him to meet Lord Mo. I didn't know the person who let Bi Yan receive him personally before me, but there was only one person after me, and that person was Sword One."

Young Master Qu narrowed his eyes as he muttered to himself.

...

## **Chapter 2854: Supreme Sword Intent**

— —

While he was conversing with Bi Yan, he did hear someone come in to report that Sword One had come to pay a visit.

At first, Bi Yan had only casually instructed Fan Xin to receive him. However, not long after, he saw Fan Xin arrive and whispered a few words into Bi Yan's ear. Bi Yan immediately left. Not long after that... Lord Mo began to activate the Holy Heavenly Furnace.

Therefore, in Young Master Qu's eyes, sword one was indeed suspicious.

"Sword one is from the Pill Sun Sacred World and is recognized as the number one expert in the Pill Sun Sacred World. He is only an advanced great divine master, but he is strong enough to fight against an Invincible Divine Master... this Sword One is indeed extraordinary." Young Master Qu's face was solemn.

While he was waiting in the main hall, he had sent people to investigate and find out some information about Jian Wushuang.

He knew Jian Wushuang's origin and strength level.

A monster who was only an Advanced Great Divine Master but was strong enough to fight against Invincible Divine Master, of course, he did not dare to underestimate him.

Because of this, he became more suspicious of Jian Wushuang.

At this moment, Bi Yan walked over.

"I'm sorry to have kept you waiting, Master Qu." Bi Yan smiled apologetically.

"No, I didn't wait too long either." Master Qu did not care.

"Master Qu, I just asked my master. Unfortunately, my master just activated the Holy Heavenly Furnace and refined a special treasure. His mind has been consumed too much, so he can't refine other treasures in a short time. Therefore, I'm afraid that your request can't be fulfilled," Bi Yan said.

"It doesn't matter. Since Lord Mo's mental energy has been consumed, as a junior, how would I dare to disturb him again?" Young Master Qu smiled slightly. "Oh right, I wonder who is so capable to actually invite Lord Mo to use the Holy Heavenly Furnace?"

"This... master has personally instructed that no one is allowed to know about this matter. Young Master Qu, if you don't want master to personally blame you, it's best that you don't probe further." Bi Yan said.

"I see. In that case, I'll take my leave."

Master Qu did not stay any longer and left directly.

However, even though he left, he still kept an eye on Jian Wushuang.

...

In a barren forest in the Dragon-phoenix Sacred City, Jian Wushuang had temporarily opened a cave mansion.

In the cave mansion, Jian Wushuang set up a restriction and then sat down cross-legged.

In front of him, the Blood Mountain Sword was floating quietly.

After this refinement, the Blood Mountain Sword had undergone tremendous changes. The most important thing was the supreme sword essence hidden in the sword type.

Previously, Jian Wushuang had sensed the existence of this sword essence in Fire Cloud Castle, but because of the occasion, he did not spend time studying it carefully.

But now, he calmed his heart and began to study it carefully.

"This sword essence is really powerful and can be used by me, provided that I can guide it out..." Jian Wushuang muttered, but he had already begun to try.

He tried to rely on his comprehension of the sword principle to communicate with this sword essence and guide it.

Under this attempt, gradually, he had a certain connection with this sword essence.

He was not surprised.

In the Fire Cloud Castle, he found that he could guide the sword essence in such a short time.

However, he could only guide a tiny bit of the sword essence.

Now, he was trying to guide more sword essence.

Time passed. Jian Wushuang had fully displayed his comprehension of sword principle and tried to guide it as much as he could.

In the blink of an eye, ten days passed.

"No, I've reached my limit."

Jian Wushuang finally opened his eyes in the cave mansion. His eyes were fixed on the Blood Mountain Sword in front of him, but his expression was extremely strange.

Over the past ten days, he had tried to use all the means he could, but in the end, he was still able to guide only a few sword essences.

"If I try my best to guide the Blood Mountain Sword, I'm afraid it's not even one-thousandth of this sword essence." Jian Wushuang sighed.

One-thousandth, or even less.

But this was indeed the limit that Jian Wushuang could reach.

If he wanted more guidance, he would have to improve his comprehension of the sword principle.

However, even though it was only one-thousandth of the sword essence, its power was still extraordinary.

“Let’s find a place to test how strong this one-thousandth of the sword essence is.” Jian Wushuang immediately stood up and walked out of the cave mansion.

He came to the vast void and looked at the vast ancient forest in front of him. Towering trees stood in front of him.

Jian Wushuang narrowed his eyes and waved his sword in the next moment.

He did not use any swordsmanship. He just waved his sword in an ordinary way.

He did not fully utilize his divine power.

Even so, the moment he waved his sword, a crack appeared in the void in front of him. Then the towering trees in front of him fell one after another. The sword light cut dozens of trees in one go before it stopped.

Seeing this, Jian Wushuang was a little happy.

“Sure enough, after adding my blood essence, the power of the Blood Mountain Sword has reached the top of the third-grade holy treasure. It’s almost a second-grade holy treasure. If I use my swordsmanship, the power will be different and much stronger than before,” Jian Wushuang said with a smile.

“Just now, it was just an ordinary sword swing. I haven’t activated the sword essence in the Blood Mountain Sword, but now...” Jian Wushuang’s eyes flashed with a fierce light. He clenched his hands and in a flash, a terrifying sword essence burst out from the Blood Mountain Sword.

This sword essence was not very powerful, but it was extraordinary.

It was a supreme sword essence with a shocking will.

The sword essence swept across the world and all the ants in the world were turned into ants.

“This feeling...”

Jian Wushuang held the Blood Mountain Sword tightly and felt the sword essence burst out from the Blood Mountain Sword. In an instant, he felt as if all the people in the world were under his feet. His heart became extremely excited.

“Let’s see how much more powerful my swordsmanship has become.” Jian Wushuang took a deep breath and then waved his sword forward.

Buzz!

It was also an ordinary, casual sword move that used the same divine power as the previous one. However, under the influence of the superior sword essence, a cold sword light swept out directly.

The power of this cold sword light was obviously much stronger than the previous one.

The sword light swept across. It tore through everything in its path, directly cutting apart the towering trees in front of it.

It was an ordinary and extremely casual attack. However, after slashing down hundreds of towering trees, it finally stopped.

## **Chapter 2855: The Great Divine Master**

— —

Jian Wushuang was still standing in the same spot, looking at the scene in front of him, but his mind was in a daze.

“This, this power is too strong!” Jian Wushuang’s body began to tremble.

The same sword move just now had only directly cut down dozens of towering trees.

But after activating the sword essence, it swept across and cut down hundreds of trees!

The difference in power between the two was more than ten times!

“I only activated less than one-thousandth of the sword essence, but it has increased the power of my swordsmanship so much. This...” Jian Wushuang was so shocked that he could not speak, but at the same time, he was ecstatic.

Of course, he was ecstatic. After activating the sword essence, the power of his swordsmanship increased tenfold, which meant that his overall strength had also increased by nearly tenfold, his battle strength had been at the level of Invincible Divine Master. After the Blood Mountain Sword was reforged, its power had increased dramatically, which had greatly increased his battle strength.

Now, because of the supreme sword essence, his overall strength had increased by nearly ten times!

With the addition of the two, his battle strength was much stronger than when he had fought the Marquis of Three Yin in the Pill Sun Sacred World.

“If I go all out and activate this sword essence, I’ll definitely be able to crush the Marquis of Three Yin easily!” Jian Wushuang thought to himself.

After a long while, he finally calmed down.

Suddenly, he raised his head again.

“The Blood Mountain Sword has changed a lot since it merged with my blood essence, and it has greatly improved my overall strength. However, I didn’t only get the Blood Mountain Sword, but I also got two million saint elixirs from brother Mo...”

“Two million saint elixirs. Such a large amount is enough for me to advance from a Peak Divine Master to something even higher. In this way, my strength will soar again.” Jian Wushuang’s eyes shone brightly.

Then, he returned to the cave mansion.

Jian Wushuang sat cross-legged with an interspatial ring floating in front of him.

There were two million saint elixirs in the interspatial ring.

The average Immortal Saint was only worth about 500,000 to 600,000 saint elixirs. Only a rich Immortal Saint like Mo Tao could afford a million saint elixirs, the Immortal Saint, who was also the number one blacksmith, could afford so many saint elixirs.

These saint elixirs were of great help to Jian Wushuang.

“I’ve already swallowed a large number of saint elixirs, and I’ve already accumulated more than half of my divine power. I only need to absorb another 200,000 saint elixirs to make a breakthrough. These two million saint elixirs will not only allow me to smoothly make a breakthrough to become an Advanced Divine Master but also allow me to accumulate more than half of my divine power. I’ll be very close to becoming an Advanced Divine Master,” Jian Wushuang muttered, his eyes were filled with anticipation.

“Let’s begin...”

Without much hesitation, Jian Wushuang began to absorb the saint elixirs.

Two million saint elixirs was a huge amount. Even with Jian Wushuang’s terrifying refining speed, it took him nearly ten years to absorb all two million saint elixirs.

As Jian Wushuang had expected, after absorbing two million saint elixirs, not only did he break through to the level of a Junior Great Divine Master, but he also accumulated a great amount of divine power at the level of a Junior Great Divine Master. He was not far from a Senior Great Divine Master, it was not too far away.

There was a huge barrier between the Divine Master and the Great Divine Master. At this level, his divine power was nearly ten times stronger.

Now, if he used all his secret skills and fully activated the sword essence in the Blood Mountain Sword, no one among the Divine Masters would be able to compete with him in terms of power alone. Even the Invincible Divine Masters would probably be far inferior to him.

Jian Wushuang was curious about the gap between his full power and that of the Immortal Saint.

Of course, he was just curious. He could not solve this problem until he fought with the Immortal Saint.

After reaching the great divine master level, his strength had reached a whole new level. However, Jian Wushuang regretted that his secret skills had already reached a higher level. It was almost impossible for him to improve himself as a Divine Master, therefore, even though he had made a breakthrough, the secret skills still did not change anything.

"It's a pity that brother Mo had spent a lot of mind and energy to activate the Holy Heavenly Furnace in order to fuse the Blood Mountain Sword with my blood essence. He hasn't recovered yet, and he hasn't started to refine domain-type holy treasures. If I can get the domain-type holy treasure that brother Mo has refined, the power of my domain will soar again, and my strength will be even stronger," Jian Wushuang thought to himself.

However, he was not in a hurry.

With his current strength, as long as he did not meet a real Immortal Saint, he could do whatever he wanted.

"There are still six years before the Dragon-phoenix list opens. I have nothing to do in these six years. Let's continue cultivating." Jian Wushuang quickly closed his eyes.

Six years passed in a flash, and Jian Wushuang set off for the Dragon-phoenix Pavilion.

The Dragon-phoenix Pavilion was located in the core of the Dragon-phoenix Sacred City. It was located in a huge ancient mountain range and occupied an extremely vast territory.

The entire Dragon-phoenix Pavilion was enveloped by a huge formation, which was set up by several blacksmiths above the seventh-grade at great cost, as well as several Immortal Saint experts. It was extremely powerful.

This array formation was also one of the Dragon-phoenix Pavilion's strongest pillars. With the existence of this array formation, even the number one expert of the Golden Crow Nine Realms, the Bone Emperor, would not be able to break through this array formation.

With the protection of this array formation, the Dragon-phoenix Pavilion had been able to rest peacefully for a long time.

The huge mountain gate was majestic and magnificent. This was the only way to enter the Dragon-phoenix Pavilion.

Beside the mountain gate stood a huge stone tablet. The words 'Dragon-phoenix Pavilion' was engraved on the stone tablet. There was a Golden Dragon and a fire phoenix sculpture around the stone tablet, which looked majestic.

In front of the mountain gate, dozens of people from the Dragon-phoenix Pavilion were standing there, welcoming the experts who came to observe.

At this moment, Jian Wushuang had arrived at the foot of the mountain.

Standing at the foot of the mountain, he looked at the ancient and towering mountain gate at the top. He could clearly see the sculptures of the Golden Dragon and the Fire Phoenix, and he could not help but feel a surge of emotion in his heart.

"As expected of the Dragon-phoenix Pavilion, one of the four pavilions in the Nine Realms of the Golden Crow. It's really majestic and magnificent."

Jian Wushuang smiled lightly and immediately walked up.

## Chapter 2856: Outside the Dragon-Phoenix Pavilion

— —

Today, the Dragon-phoenix Pavilion would hold a grand opening of the Dragon-phoenix list, inviting various forces and experts of the Nine Realms of the Golden Crow to attend the ceremony. The news had long since spread, and many forces in the Nine Realms of the Golden Crow... including those experts, would also attend the ceremony.

Now, in front of the majestic mountain gate, an endless stream of experts came to attend the ceremony.

Jian Wushuang followed closely and soon arrived at the mountain gate.

"Sir, I wonder which realm or force you are from. Do you have an invitation letter from the Dragon-phoenix Pavilion?" A Great Divine Master of the Dragon-phoenix Pavilion stopped Jian Wushuang and asked with a smile.

"My name is Sword One, and I'm from the Sword Alliance of the Pill Sun Sacred World. As for the invitation letter, I don't have one," Jian Wushuang said.

"Sword Alliance?" The Great Divine Master frowned slightly.

"What? Do I have to have an invitation letter to attend the ceremony?" Jian Wushuang asked.

"Not really. The Dragon-phoenix Pavilion is inviting experts from all over the Nine Realms of the Golden Crow. As long as they have reached a certain level of strength, they can participate," the Great Divine Master said with a smile.

"In that case..." Jian Wushuang's expression changed, and a powerful divine power aura immediately erupted from his body.

He had already broken through to the initial Great Divine Master level, so the divine power aura he emitted under cover of Black Rock was that of a Peak Great Divine Master.

When his divine power aura erupted, the surrounding people were immediately attracted to him.

"A Peak Great Divine Master?"

"This person is actually an expert at the level of a Peak Great Divine Master."

"There are not many Peak Great Divine Masters in the Nine Realms of the Golden Crow. Who is this person? Why have I never seen him before?"

Many people began to discuss.

The Great Divine Master from the Dragon-phoenix Pavilion immediately smiled. "Since you are a Peak Great Divine Master, you are naturally qualified to participate in this ceremony. However, since you have entered the Dragon-phoenix Pavilion, I hope you can fully abide by the rules of the Dragon-phoenix Pavilion and not act rashly."

"Of course," Jian Wushuang said with a smile.

“Please.” The Great Divine Master waved his hand.

Jian Wushuang smiled and was about to walk into the mountain gate.

However, at this moment, there was a sudden commotion on the steps below.

Jian Wushuang looked over and saw a handsome young man in luxurious woolen clothes slowly walking toward the mountain gate, surrounded by a group of people.

The young man was not very strong and was only at the Advanced Divine Master level. However, the people around him were emitting powerful auras, all at the Peak Divine Master level, especially the cold middle-aged man standing next to him.

The divine power aura emitted by the cold middle-aged man was above that of a Peak Divine Master.

“It’s Young Master Qu!”

“The young master of the Heaven Curve World Lord, the person beside him, oh my god, it’s the Black Blood Emperor.”

“That Heaven Curve World Lord really dotes on Young Master Qu. Although the heaven curve world is relatively large in the Golden Crow Nine Realms, it only has two unrivaled reverent deities. But now, this Heaven Curve World Lord actually sent an unrivaled reverent deity to protect Young Master Qu personally. This treatment, tsk tsk...”

The experts in the surroundings all sighed.

For these experts to come to the Dragon-phoenix Pavilion to attend the ceremony, they all had a certain background or strength. Naturally, their knowledge was extraordinary as well.

For example, Young Master Qu and the Black-blood Emperor all knew about this.

Young Master Qu did not need to say much. He was the only son of the Skysong realm lord. Also, everyone knew how much Young Master Qu adored that Young Phoenix of the Dragon-phoenix Pavilion. So it was only natural for him to attend this ceremony.

But what truly shocked everyone was the arrival of the Black Blood Emperor.

The Black Blood Emperor was an Invincible Divine Master.

In the entire Golden Crow Nine Realms, there was only a handful of Invincible Divine Masters. Any one of them had an extremely high status, and even the Undying Sage would not look down on an Invincible Divine Master.

After all, the various realms of the Golden Crow Nine Realms had long agreed. Nevertheless, there were some things that the Undying Sage could not do personally, and he could only rely on the Invincible Divine Master under him.

Therefore, even the Immortal Saint would be very polite to these Invincible Divine Masters under normal circumstances.

But now, everyone knew why Master Qu came to the Dragon-phoenix Pavilion. However, the realm Lord Tian Qu had arranged for an Invincible Divine Master to accompany him showed how much the realm lord pampered him.

At the same time that Master Qu arrived, two figures flew over from the void in the distance.

These two figures were more high-profile than the others. Most of the experts who came to watch the ceremony, such as Jian Wushuang, first rushed to the foot of the mountain and then walked up the stairs step by step. However, these two people did not have any scruples. They landed directly in front of the mountain gate.

One of them was old, and the other was young.

The young man was handsome and elegant, and the aura he emitted was also powerful. Although he had not reached the level of Invincible Divine Master, he was definitely solid among the Peak Great Divine Masters. He was very close to Invincible Divine Master.

As for the older man next to him, he was even more impressive.

The older man was dressed in a black robe. His face was cold, and his eyes were extremely turbid. There was no aura emanating from his body. Yet, at first glance, he looked like an ordinary older man.

However, seeing the black-robed older man, not only the experts present, even Jian Wushuang's pupils shrank.

Because he felt tremendous pressure from the Elder.

With his current strength, the Elder's identity was beyond doubt.

Immortal saint!

The black-robed elder was a genuine Immortal Saint!

"The Star Point Pavilion is from the Star Point Pavilion!" The leader was the young master of the Star Point Pavilion, Chi Ming. It was said that he was an out-and-out genius. In the Nine Realms of the Golden Crow, except for the Young Phoenix and Hidden Dragon of the Dragon-phoenix Pavilion, he was the most talented. In addition, Chi Ming seemed to be one of the admirers of the Young Phoenix."

"Tsk tsk, both Young Master Qu and Chi Ming are the pursuers of the Young Phoenix. So now, these two people actually came to the Dragon-phoenix pavilion at the same time. This is really interesting."

Many people in the surroundings revealed excited expressions and were waiting to watch the show.

As expected, Chi Ming appeared in front of the Dragon-phoenix Pavilion's mountain gate. His gaze swept over and soon froze on Young Master Qu.

"Isn't this Young Master Qu? You also came to Dragon-phoenix Pavilion and coincidentally bumped into me. It's quite a coincidence." Chi Ming smiled, but there was a hint of amusement on his face.

"Humph, you and I came to watch the ceremony. We just happened to bump into each other. So what's there to be a coincidence?" Young Master Qu snorted coldly, but there was a hint of surprise in his eyes.

Jian Wushuang could see that there was some fear in his eyes.

## **Chapter 2857: Chu Shi**

— —

It was very normal. Chi Ming was the Young Pavilion Master of one of the Four Star Pavilions, and his strength was infinitely close to that of an invincible reverent god.

Whether it was in terms of identity or his own strength, he was slightly stronger than Young Master Qu. After comparing the two of them, Young Master Qu definitely could not compare to that of Xuan Ming.

“Haha, Young Master Qu, I heard that you went to Fire Cloud Castle not long ago and wanted to ask Lord Mo to refine a special treasure for you. That special treasure should be for Young Phoenix, right?” Chi Ming said with a strange smile.

“It has nothing to do with you, right?” Young Master Qu said in a low voice.

Chi Ming raised his eyebrows but did not ask any more questions. Instead, he walked directly into the mountain gate.

The experts in front of the mountain gate immediately went up to welcome him.

Jian Wushuang watched the scene from the front to the back and smiled playfully. “The Young Phoenix of the Dragon-phoenix Pavilion is really attractive. The young master of Realm Lord Tian Qu and the young master of the Star Pavilion is both her suitors?”

Jian Wushuang did not linger and directly walked into the Dragon-phoenix Pavilion.

As soon as he entered the pavilion, someone immediately led him to a huge martial arts practice field.

The martial arts practice field was boundless and was the place where the disciples of the Dragon-phoenix Pavilion usually competed. This time, the Dragon-phoenix list was held here.

On the martial arts practice field, a large number of experts stood there. These experts came from all over the world.

“There are a lot of people.” Jian Wushuang smiled.

He also noticed that most of the people who came to Dragon-phoenix Pavilion to attend the ceremony were not weak. At least, more than 90% of the experts in the martial arts practice field were experts above the Great Divine Master level. Only a few Divine Masters were involved.

However, most of the Divine Masters here had a certain background.

It could be said that this ceremony was an extremely high-end event in the Nine Realms of the Golden Crow.

It would take some time before the Dragon-phoenix list was officially opened. Jian Wushuang found a random corner and waited there quietly.

However, not far from him...

A black-clothed girl with a slightly evil face opened her eyes wide and looked at the crowd in front of her.

"There are so many people, and most of them are experts at the Great Divine Master level. There must be hundreds of Great Divine Master level experts here, right?" The black-clothed girl exclaimed in surprise.

"There are true." Beside the black-clothed girl, a burly man carrying a dark golden stone staff on his back nodded slightly. "The opening of the Dragon-phoenix ranking has an extraordinary meaning to our Dragon-phoenix Pavilion. This time, Lord Pavilion Master has specially released the news long ago and sent out invitations widely. Experts from various forces in the Golden Crow Nine Realms will mostly give our Dragon-phoenix Pavilion face, so there will naturally be many people who will come to watch the ceremony."

"Junior sister Gu, today's ceremony will be held in the Dragon-phoenix Pavilion. It represents the face of the Dragon-phoenix Pavilion. The Pavilion Master has specially instructed us to follow the rules. You must not cause trouble here." The burly man warned again.

"Don't worry, senior brother Tianxin. I know what to do." The black-clothed girl smiled, but her eyes kept wandering around.

Suddenly, the black-robed girl's expression changed.

"Senior brother Skyheart, quickly look over there. Look at that person." The black-robed girl pointed in a direction.

The burly man immediately looked over and saw a young man dressed in golden robes.

When he saw the golden-robed young man, the burly man's pupils constricted.

"It's him? He actually came to participate in this ceremony?" The burly man muttered.

But the black-clothed girl did not say anything and directly ran toward him.

"Junior sister." The burly man was shocked and immediately followed her.

The two soon appeared in front of the golden-robed young man, who was surprisingly Jian Wushuang.

"Sword One." The black-clothed girl called out.

"Oh, it's you two." Jian Wushuang turned his head and looked at the two.

Jian Wushuang knew both of them, and he had interacted with them many times, especially the black-clothed girl.

He first interacted with the black-clothed girl, demoness Gu. Later, he met her again in the Crimson Rock Castle Sacred Palace. At that time, the burly man, Tian Xin, was also with him. At that time, they had a gambling match, in the end, Jian Wushuang won a big victory and obtained a lot of sacred elixirs.

Now, he had just arrived at the Dragon-phoenix Pavilion and met with demoness Gu and Tian Xin again.

"Sword One, long time no see." Tian Xin gave Jian Wushuang a deep look.

Unfortunately, Jian Wushuang had deliberately revealed his divine power aura before entering the mountain gate. However, after entering the Dragon-phoenix Pavilion, he had completely restrained his divine power aura. Tian Xin could not tell Jian Wushuang's specific realm at all.

However, in Tian Xin's opinion, since Jian Wushuang was able to attend the ceremony, his strength must not be much weaker.

"Sword One, how dare you to come to my Dragon-phoenix Pavilion?" The black-clothed girl, demoness Gu, stared at Jian Wushuang angrily.

"I don't have any great enmity with your Dragon-phoenix Pavilion. The only thing that I have ever crossed paths with in the gambling match with you. However, it was a fair match after all, and both sides are willing to admit defeat. Your disciples would not be so stingy as to hold a grudge against me, right?" Jian Wushuang said with a smile.

"You..." Demoness Gu was anxious, but she did not know how to say it.

It was Tian Xin who said, "Mr. Sword One, don't misunderstand. A guest is a guest. Not to mention that you don't have any enmity with the Dragon-phoenix Pavilion, even if there is, the Dragon-phoenix Pavilion would never attack its own guest today."

"That's good." Jian Wushuang nodded in satisfaction.

But at this moment...

"Junior sister Gu, junior brother Tianxin, what are you two doing?" A bright voice suddenly sounded. Then, a purple-haired handsome young man floated over. This purple-haired handsome young man was like a gust of wind, in the blink of an eye, he appeared in front of Jian Wushuang.

"This is..." The purple-haired handsome young man looked at Jian Wushuang.

"Senior brother Chu Shi, you came at the right time. This is the same senior brother Tian Xin who suffered a loss when he went to the Pill Sun Sacred World with this sword. He lost a lot of sacred elixirs and even lost a lot of faces. Today, you have to help us vent our anger by using sword principle again," Demoness Gu immediately said.

"Oh? You bullied my junior sister in the Pill Sun Sacred World?" The purple-haired handsome young man Chi Feng's eyes narrowed slightly.

"Haha, it's just a fair fight. I didn't bully her," Jian Wushuang said with a smile.

"Really?" Chu Shi's eyes turned slightly cold.

"Senior brother Chu Shi." Tian Xin, who was beside him, was a little anxious.

"Don't worry. Since it's the day that the Dragon-phoenix Pavilion opens the Dragon-phoenix list, I naturally won't fight in front of all the experts. However, after the ceremony is over... Sword One, do you have the guts to fight with me? If you win, I'll give you 5,000 sacred elixirs. As for your loss, you don't have to pay anything. Just take it as me venting my anger for my junior sister. How about it?"

**Chapter 2858: Was Breathtakingly Beautiful**

— —

Chu Shi looked at Jian Wushuang with a smile, but there was absolute confidence between his brows.

He did have the right to be confident. After all, he was a genuine Peak Divine Master, and his talent was extremely high. His comprehension of the rules and Dao was extremely strong. In addition, there were some unique secretaries in the Dragon-phoenix Pavilion, his battle strength was definitely at the top among the Divine Masters.

Even if he met an ordinary Invincible Divine Master, he could try to fight him.

With such strength, he naturally would not care about Jian Wushuang.

Hearing this, Jian Wushuang smiled faintly in his heart, but he nodded on the surface. "Sure."

"Well, I'll wait for you after the ceremony." Chu Shi revealed a playful smile.

As for Demoness Gu, she gloated at Jian Wushuang and said, "Sword One, you're really brave to accept the challenge. Just you wait, you'll suffer."

With a snort, Chu Shi, Demoness Gu, and Tian Xin left.

Jian Wushuang just shook his head and smiled, but he did not care at all.

As time passed, more and more experts came to the martial arts practice field.

At first, only a few Great Divine Masters appeared on the martial arts practice field, but as time passed, the Immortal Saints who came to attend the ceremony also arrived.

When the ceremony was about to begin, there were already seven Immortal Saints gathered on the martial arts practice field.

Among the seven Immortal Saints, two came from the Dragon-phoenix Pavilion, and one of them was the current pavilion master of the Dragon-phoenix Pavilion, Long Xingzi.

The Heaven Immortal Pavilion and Thundercloud Pavilion were on par with the Dragon-phoenix Pavilion in terms of both strength and status. This time, each of them sent an Immortal Saint to participate.

The Star Point Pavilion also sent an Immortal Saint. And this Immortal Saint came together with the Young Pavilion Master, Chi Ming.

In addition, the true overlord of the Golden Crow Nine Realms, Lord Bone Emperor, although he did not personally come, he still sent an Immortal Saint under his command to attend the ceremony.

The last Immortal Saint was a realm lord of a region. This realm lord just happened to have nothing to do, so he came personally to attend the ceremony.

The realm lords of other regions mostly sent their experts to attend the ceremony, but they did not attend in person.

In these regions, experts from the Pill Sun Sacred World and the Heavenly Void World also came.

Yin Su'er, who was the master of the Pill Sun Sacred World, had sent Yun Shan, who was in seclusion because she had recently obtained a Saint Ascension Elixir from Jian Wushuang. The experts from the Heavenly Void Palace had arrived! They were Jian Wushuang's acquaintances... Marquis of Three Yin!

Marquis of Three Yin was the first Invincible Divine Master to fight with Jian Wushuang. He was also the right-hand man of the Master of the Heavenly Void Palace. Marquis of Three Yin had come to the Dragon-phoenix Pavilion to observe the ceremony, Marquis of Three Yin had also noticed Jian Wushuang's presence.

"Sword One..." The Marquis of Three Yin glared at Jian Wushuang, but he did not move.

He knew very well that Jian Wushuang's strength was no weaker than his. In the entire Heavenly Void World, unless the Master of the Heavenly Void Temple came, no one could do anything to Jian Wushuang.

Therefore, no matter how angry he was at Jian Wushuang, no matter how much he wanted to kill Jian Wushuang, he could do nothing to Jian Wushuang.

On the martial arts practice field, almost all the experts had arrived.

At this moment... in the nearby void, surrounded by nearly ten female disciples, a woman slowly walked over.

"She's coming, she's coming!"

With the appearance of the woman, the entire martial arts practice field instantly became noisy.

Countless experts raised their heads and looked in that direction, and most of their eyes were burning.

The Young Phoenix of the Dragon-phoenix Pavilion... The publicly acknowledged number one genius of the Nine Realms of the Golden Crow. Her fame was simply too great.

And as the number one genius, she also had another identity, and that was the number one beauty of the Nine Realms of the Golden Crow!

If she was just the number one genius, although she would also attract a lot of attention, she definitely would not attract so much attention to the experts present.

However, the number one beauty was different.

On the martial arts practice field, the experts from various realms and forces all wanted to know how beautiful the number one beauty of the Nine Realms of the Golden Crow was. What did she have to deserve the title of number one beauty?

Everyone was eagerly waiting to see the true face of this Young Phoenix.

"Senior sister Leng!"

Demoness Gu stood in the middle of the crowd, a hint of excitement in her eyes, but more than that, she was filled with admiration.

Beside her, Chu Shi and Tian Xin were incomparably fanatical.

They were both heaven's favored children of the Dragon-phoenix Pavilion, and naturally, they had seen the Young Phoenix before. It was because they had seen it that they were impressed.

Within the Dragon-phoenix Pavilion, there were too many people who viewed the Young Phoenix as a goddess, and there were too many people who adored and pursued her. Chu Shi and Tian Xin were only two of them.

However, they knew that with their status, they were not worthy of the Young Phoenix.

Hence, they could only watch from afar.

The two of them were like this, while Xuan Ming and Young Master Qu, who was publicly pursuing the Young Phoenix, were burning with passion.

Countless gazes and everyone's attention were focused on the Young Phoenix.

As the woman slowly walked over, her figure and appearance finally appeared in front of everyone.

She was dressed in snow-white clothes, and her clothes were inlaid with the image of a Phoenix. Her skin was as white as snow, and her eyes were like a pool of clear water. She had an elegant and elegant temperament, causing people to be stunned, ashamed of their inferiority, and not dare to desecrate her, however, that cold and arrogant spirit had a soul-captivating aura, causing people to be unable to not be mesmerized.

Looking at her face again... beautiful! So beautiful that it was suffocating.

So beautiful that it was impossible to describe her with words.

It was as if there was no way to describe this woman's appearance, even if she was as beautiful as a celestial being.

However, everyone who saw her face felt their hearts tremble.

Such an incredible appearance, coupled with that cold and arrogant temperament that made people not dare to desecrate her, the countless cultivators present were all impressed by her appearance.

"Good fellow, I've long heard that the Young Phoenix of the Dragon-phoenix Pavilion is the number one beauty in the Nine Realms of the Golden Crow. Seeing her today is indeed extraordinary. This old man has experienced many storms to become the undying sage. But even so, when this old man saw this Young Phoenix, his heart actually felt a trace of palpitations. Shame, truly shameful." The undying sage under the Bone Emperor's command sighed softly.

Of course, although this Immortal Saint's words were somewhat exaggerated, it was enough to fully explain the beauty of the Young Phoenix.

On the martial arts practice field, everyone was stunned.

Even if it was the same, the reason why he was stunned was not that he was shocked by the Young Phoenix's beautiful face.

It was because of that face... he was too familiar with it.

## Chapter 2859: See You Again

— —

This beautiful face, which could not be described with words, had appeared in Jian Wushuang's mind countless times, making him yearn for it day and night. But now, this face appeared in front of him with this identity.

"Shuang Er, it's Shuang Er!"

Jian Wushuang was roaring in his heart, and his whole body was trembling crazily.

He looked at the peerless beauty who had become the focus of the world, but his eyes were filled with unprecedented ecstasy.

He had waited for this ecstasy for too long, and he had longed for it for too long.

Leng Rushuang, his wife!

Not only did she look exactly the same, but the extremely cold aura on her body was also exactly the same.

Jian Wushuang was sure of her just by looking at her.

The woman in front of him was the recognized number one genius and beauty of the Nine Realms of the Golden Crow. She was his wife, Leng Rushuang!

He could not be wrong.

"Shuang Er, I've finally found you again!" Jian Wushuang clenched his fists. His fingertips were bleeding, but he was very excited.

He had been waiting for this day for a long time.

It was in his previous life, a long, long time ago. Leng Rushuang had left after his wedding night in the green fire world. From then on, he had been waiting, but he was looking for a chance to meet Leng Rushuang again.

But after nearly 100,000 years, all he found was the body occupied by Leng Rushuang.

As for Leng Rushuang's soul, it had been sleeping for a long time. She had never met him.

Even when both of them were sent into reincarnation by his Master Xuan Yi, he had never met Leng Rushuang.

Until now, in this life, in the absolute beginning divine realm, he had finally met Leng Rushuang again.

He was so excited that he wanted to rush up and hug Leng Rushuang. However, his reason calmed him down.

He stood in the crowd and stood in a corner, quietly looking at the peerless beauty who had become the focus of countless experts.

Deep in his heart, he was full of thoughts.

“According to what Bi Yan told me, the Young Phoenix of the Dragon-phoenix Pavilion has been cultivating for less than 200 years, which means she is less than 200 years old, just like me. Apparently, Shuang Er and I entered the reincarnation passage and reincarnated together. However, I was born in the Pill Sun Sacred world, while Shuang Er was born in another place.”

“But why is Shuang Er so talented?”

This was what Jian Wushuang was most puzzled about.

“In my previous life, although Shuang Er had a body of destiny, her body of destiny was occupied by Leng Ruxue. She only retained a soul. Even after she entered the reincarnation passage, she could only cultivate normally like an ordinary cultivator. But in fact, her talent is so high that it’s enough to scare people to death...”

Leng Rushuang’s talent in this life was too high.

Although Jian Wushuang was a perfect chaotic creature with unlimited potential, he was inferior to Leng Rushuang in terms of the comprehension of rules.

However, Leng Rushuang had been in a deep sleep in her previous life and was not qualified to touch the power of rules. Logically, her cultivation speed should not be so fast.

“Unless...” Jian Wushuang had already thought of a possibility.

This possibility came from his master Xuan Yi!

“It was master who sent Shuang Er’s soul and mine into the reincarnation passage, which means that everything is under master’s control. Moreover, the master has deliberately left a backup plan in the primordial divine realm. I’m afraid that Shuang Er’s incredible talent in rules is also related to master. It’s very likely that master used some special means,” Jian Wushuang thought.

In his opinion, only his master Xuan Yi could make Leng Rushuang’s talent change so much.

“No matter what, it’s a good thing that Shuang Er is talented,” Jian Wushuang said with a smile.

Under the watchful eyes of the crowd, Leng Rushuang had arrived at the martial arts practice field.

“Leng Er, come and sit here.”

Among the two Immortal Saints of Dragon-phoenix Pavilion, Elder Qin, the easy-going woman, besides the Pavilion Master Long Xingzi, said with a smile.

“Yes, master.” Leng Rushuang nodded slightly. Then, she landed beside Elder Qin and sat down on a futon.

At this moment, all the experts present let out a sigh of relief, but the fervor in their hearts did not diminish in the slightest.

“Everyone.”

Long Xingzi stood up, and his grand voice echoed throughout the entire martial arts practice field. "Welcome, everyone, to take time out of your busy schedules to come to our Dragon-phoenix Pavilion to observe the ceremony. This old man is extremely grateful."

"Pavilion Master Long, let's not talk about such pleasantries. We are here for the Dragon-phoenix ranking. Open the ranking quickly. I am very curious about the rank of this Young Phoenix in the Dragon-phoenix ranking." It was the Immortal Saint from the Thunder Cloud Pavilion who spoke.

This Immortal Saint was tall and sturdy, and his aura was extremely violent. It was obvious that he was an impatient person with a very bad temper.

"Haha, that's right. If that's the case, then let's begin. Let's invite the Dragon-phoenix List!" Long Xingzi waved his hand, and a special fluctuation spread out.

In an instant... weng!

The void shook violently, and a spiral tunnel appeared out of thin air in the void above the huge martial arts practice field.

The spiral tunnel was only about ten feet wide at first, but as the tunnel continued to expand, it reached a hundred feet wide in the blink of an eye, and it was still expanding rapidly.

At this moment... roar! Roar!

A dragon's roar and a phoenix's cry suddenly reverberated throughout the entire Dragon-phoenix pavilion.

In front of the Dragon-phoenix Pavilion's mountain gate, the two towering golden dragons and the fire phoenix sculptures directly came to life. The golden dragons emitted an endless golden light as they stepped on the seven-colored auspicious clouds. Meanwhile, the Fire Phoenix released flames that filled the sky, causing the sky to turn red.

The Golden Dragon and the Fire Phoenix rushed over at the same time and appeared under the enormous spiral passageway.

Under the simultaneous cries of the dragon and the phoenix, an ancient and enormous scroll slowly descended from the enormous spiral passageway.

This scroll was originally open, and as the scroll descended from the passageway, the contents of the scroll slowly appeared before everyone.

From the beginning, it was the three large golden words 'Dragon-phoenix ranking'.

These three words contained an endless might that was not inferior to the might of an undying saint. They intimidated everything below. The experts who were able to attend the ceremony were all-powerful, and there were many experts present, however, they were able to easily withstand the might of these three large golden words.

Not long after the three words 'Dragon and Phoenix Ranking', the first name appeared... Ancient Saint!

Upon seeing this name, many people in the martial arts practice field who knew about it immediately revealed a look of reverence.

This was especially so for the few undying sages on the field. They were all extremely respectful.

### **Chapter 2860: Ranked Third on the Dragon-Phoenix List**

— —

After the name, there was an introduction to the Ancient Saint's deeds.

The introduction was also very simple.

"Ancient Saint, the founder of the Dragon-phoenix Pavilion, rose up in the wilderness and established the Dragon-phoenix Pavilion by great means and laid the foundation for thousands of generations!"

The simple introduction made everyone present respect him.

"So he is the founder of the Dragon-phoenix Pavilion. No wonder he is ranked first on the Dragon-phoenix list." Jian Wushuang sighed.

He also knew that the ranking of the Dragon-phoenix Pavilion was determined by its contribution to the Dragon-phoenix Pavilion.

The Ancient Saint created the Dragon-phoenix Pavilion from scratch and established the foundation of the Dragon-phoenix Pavilion for thousands of generations. Of course, he could be ranked first on the Dragon-phoenix list.

After the ancient sage, the second on the Dragon-phoenix list was the third pavilion master of the Dragon-phoenix Pavilion.

According to the introduction on the Dragon-phoenix list, after the Dragon-phoenix Pavilion had a certain foundation, the Ancient Saint went to the third heaven to explore. There was no news of his whereabouts. Although the second Pavilion Master was an extremely powerful undying sage, an accident happened because of him, the Pavilion Master fell immediately, and the Dragon-phoenix Pavilion encountered a great crisis as a result.

At this juncture, it was the third Pavilion Master who had single-handedly turned the tide and helped the Dragon-phoenix Pavilion tide over the crisis. As a result, he was ranked second on the Dragon-phoenix list.

Following that, he was ranked third, fourth, and finally eighth on the Dragon-phoenix list.

These eight people were all Immortal Saints and had made outstanding contributions to the Dragon-phoenix Pavilion.

For example, the previous Pavilion Master of the Dragon-phoenix Pavilion and the current Pavilion Master, Long Xingzi, were also on the Dragon-phoenix list.

However, ordinary Immortal Saints, such as that Young Phoenix's Master, Elder Qin, did not have many contributions, so they could not be listed on the Dragon-phoenix list.

Many experts present were also curious about this. Even his master, Elder Qin, was not qualified to be listed on the Dragon-phoenix list. What contribution did this Young Phoenix make to the Dragon-phoenix pavilion? How could she be qualified to be listed on the Dragon-phoenix list?

In the air, the Dragon-phoenix ranking had already been completely opened. The eight names and their deeds were recorded on the Dragon-phoenix ranking and displayed in front of everyone.

At this moment, Long Xingzi faintly smiled. Following this, his figure directly rushed forward.

He appeared in front of the huge Dragon-phoenix ranking. Immediately, he waved his finger, and divine power burst forth, a ninth name immediately appeared on the Dragon-phoenix ranking.

This name was Leng Er.

Leng Er was the name of the Young Phoenix.

However, what shocked all the experts present was the position where this name appeared.

One had to know that the Dragon-phoenix ranking board was ranked based on contributions to the Dragon-phoenix Pavilion. Whoever had greater contributions to the Dragon-phoenix Pavilion would be ranked higher.

But now, Leng Er's name appeared in the third position on the Dragon-phoenix ranking board!

Yes, she was in the third place, just behind the third Pavilion Master. She was even higher than the previous Pavilion Master of the Dragon-phoenix Pavilion and the current Pavilion Master, Long Xingzi!

"How... how is this possible?"

"Third place? She's actually in the third place?"

"Are you kidding me? Although this Young Phoenix is extremely talented, she's still only a Divine Master. It's already incredible that she could be ranked on the Dragon-phoenix ranking. Now, she's actually ranked third in the Dragon-phoenix Pavilion, just behind the Ancient Saints and the third Pavilion Master?"

The experts on the training ground were all at a loss. They did not understand why Long Xingzi would rank her like this.

One had to know that the ranking on the Dragon-phoenix list was directly proportional to their achievements. It was also absolutely convincing.

For example, Ancient Saint and the third Pavilion Master. One of them was the founder of the Dragon-phoenix Pavilion, while the other saved the Dragon-phoenix Pavilion at a critical moment. No one dared to question their ranking, but now, the Young Phoenix was ranked third, this made many people question.

"I would like to see just what kind of contribution this young Phoenix has made to the Dragon-phoenix Pavilion."

Many gazes immediately turned to look at them.

Under normal circumstances, if Long Xingzi had written the name of the Young Phoenix on the Dragon-phoenix list, he should have written down some of the contributions she had made to the Dragon-phoenix Pavilion as well. Only then would she be remembered by future generations.

However, after Long Xingzi finished writing Leng Er's name, he paused for a moment and then wrote two words at the back.

These two words were... opportunity!

"Opportunity?"

"Just these two words?"

"What opportunity? What on Earth is going on?"

The people on the martial arts practice field were all baffled. They did not know what Long Xingzi meant by leaving these two words.

However, some of the more intelligent people on the field slightly narrowed their brows. Most of them had already guessed something.

Jian Wushuang stood in the corner and his pupils constricted.

"It's impossible for the Dragon-phoenix Pavilion to list Shuang Er on the Dragon-phoenix list for no reason, and she's ranked third. Now that the Dragon-phoenix Pavilion has done so, it means that Shuang Er has indeed made outstanding achievements for the Dragon-phoenix Pavilion. At the very least, it has benefited the Dragon-phoenix Pavilion greatly. However, due to some special reasons, it's impossible to explain the reason, so Long Xingzi replaced it with the word 'opportunity'."

"In other words, Shuang Er must have gotten a great opportunity. She must have benefited the Dragon-phoenix Pavilion a lot!" Jian Wushuang murmured to himself.

In Jian Wushuang's opinion, this was the biggest possibility.

However, he did not know what great opportunity Leng Rushuang had gotten.

In the void, Long Xingzi did not continue writing after he finished writing the word 'opportunity'. Instead, he looked at Leng Rushuang.

"Leng Er, leave your life aura on the Dragon-phoenix list," said Long Xingzi.

"Okay." Leng Rushuang nodded slightly. She raised her hand slightly, and a unique life aura swept out and finally merged into the Dragon-phoenix list.

After doing all this, Long Xingzi slowly waved his hand and closed the Dragon-phoenix list again.

After it was closed, the Dragon-phoenix list once again disappeared into the spiral tunnel.

The world became quiet again.

"Is it over?"

"It's over so soon?"

Many people on the martial arts practice field were stunned.

Of course, this was their first time attending the ceremony. In fact, the opening of the Dragon-phoenix rank was just a moment.

The purpose of the Dragon-phoenix Pavilion was to enhance Leng Rushuang's reputation. On the other hand, it was to let the other forces witness the ceremony. There was no other purpose. Now, the ceremony was over.

"Master, the ceremony has ended. This disciple will return first." Leng Rushuang stood up, her voice was cold and indifferent.

"Yes." Elder Qin nodded.

Leng Rushuang's figure blurred, preparing to leave.

"Wait!"

A voice suddenly sounded. The person who had uttered this voice was surprisingly Young Master Qu.

He rushed out from the crowd and stopped in front of Leng Rushuang. He first bowed humbly, and then said gently, "Miss Leng Er, I am Qu Hong. Many years ago, you and I met once. I wonder if Miss Leng Er still remembers?"
