

Swordsman 3461

Chapter 3461 All Under Control

It had been less than 15 minutes since the guardian array of the Scarlet Gold Clan had been destroyed and the Divine Moon Palace and the blood marten race had attacked the Scarlet Gold Clan. However, the Scarlet Gold Clan had already calmed down.

The many clansmen of the Scarlet Gold Clan had been appeased by the Principles Masters who had been controlled by the Scarlet Gold Clan. After all, most of them did not know what had happened. With the appeasement of the elders...most of them did not think too much about it.

And the entire Scarlet Gold Clan had naturally been completely controlled by the Divine Moon Palace.

If there was only one thing that had not been controlled, it would be the Scarlet Gold Clan Leader.

In the void at the center of the Scarlet Gold Clan, a layer of temporary array had been set up around this void. This array had blocked the vision and soul probing of the Scarlet Gold Clan's clansmen. In other words...the members of the Scarlet Gold Clan did not know what was happening in the void.

In this void, many Principles Masters of the Divine Moon Palace, the blood marten race, and the Scarlet Gold Clan were gathered there. However, at this moment, everyone's eyes were fixed on the person in the middle, it was naturally the Scarlet Gold Clan Leader.

"Scarlet Gold Clan Leader, at this point, aren't you going to surrender?" Er Xiu looked at the Scarlet Gold Clan Leader with a mocking expression.

"Er Xiu!" Scarlet Gold Clan Leader's eyes were bloodshot like a hungry beast. "Your Blood Marten Clan actually defected to the Divine Moon Palace?"

"Defected? No, my Blood Marten Clan is an ally of the Divine Moon Palace. Mr. Heavenly Sword Marquis can testify to that," Er Xiu said with a smile.

"Heavenly Sword Marquis?" Clan Leader Scarlet Gold immediately looked at Jian Wushuang again. His eyes were bloodshot, and a shocking hatred rose from the bottom of his heart.

He had killed his son with Jian Wushuang, and today, Jian Wushuang had attacked his clan with many experts from the Divine Moon Palace and the Blood Marten Clan, although Jian Wushuang did not fight with the experts from his clan, Jian Wushuang only used the time-space restriction and time-space restriction at any time, it completely blocked the escape route of the experts from his clan.

Because of this, none of the Principles Masters of the Scarlet Gold Clan could escape. Everyone was left behind and then controlled by Miss Xiao'er.

"Clan leader, I personally don't have any malice toward the Scarlet Gold Clan, but unfortunately, I was born in this world and have no control over many things. Today, the Scarlet Gold Clan has been reduced to such a state. You can only blame yourself for being too weak," Jian Wushuang said coldly.

"Haha, too weak?"

“Yes, too weak. If we were not only a top clan but also a divine clan, we wouldn’t have been so easily defeated by you. How dare you kill my son?” Clan Leader Scarlet Gold shouted.

“Well, it’s all over now. Clan Leader Scarlet Gold, you’d better behave. Maybe you’ll suffer less. Otherwise...” Xiao’er’s eyes shone with a strange light.

Upon seeing Xiao’er, the Scarlet Gold Clan Leader revealed a terrified expression.

“It’s you, it’s you!”

“It was you who used a method to control Elder Chi Li, allowing Elder Chi Li to act as an insider and destroy our tribe’s protective array. It was also you who turned all the Principles Masters of our clan into Palace Masters!”

“You demon!”

The Scarlet Gold Clan Leader roared crazily, and his gaze was directed at the Principles Masters of the clan who originally belonged to the clan.

At this moment, these Principles Masters were standing in the surrounding void like wooden blocks. They looked at him with a hint of mockery and ridicule.

“Bastards, idiots, they are all a bunch of idiots!” The Scarlet Gold Clan Leader could not help but shout in shock and anger.

“Don’t worry, you will soon become like them.” Xiao’er smiled, then, she said, “This Scarlet Gold Clan Leader still looks lively and vigorous. It seems that he still has a lot of godly power left. Lord Xu, destroy his godly body once more and make him lose the ability to resist.”

“Yes.” Lord Xu nodded and then attacked again.

With Lord Xu’s power at the sixth level of the void, it was too easy for him to destroy the divine body of the clan leader of the Scarlet Gold Clan when the clan leader of the Scarlet Gold Clan could not escape anymore.

In just a moment, the divine body of the clan leader of the Scarlet Gold Clan was destroyed again, and the remaining divine power was also damaged. However, Lord Xu did not destroy the last bit of divine power left by the clan leader of the Scarlet Gold Clan. He left the clan leader of the Scarlet Gold Clan with his life.

And at this moment, Xiao’er appeared in front of the Scarlet Gold Clan leader.

“Scarlet Gold Clan leader, look at me,” Xiao’er said softly. Her voice was so beautiful that people could not help but feel intoxicated.

“Demon, you demon.” The Scarlet Gold Clan Leader clearly knew Xiao’er’s methods and knew that he could not look at Xiao’er. However, when he heard Xiao’er’s voice, he could not help but look over. When he looked over, his eyes quickly became empty and he was stunned. In the void beside them, Jian Wushuang and Demon Master Chenhuo stood there quietly, making everyone pay attention to the scene in front of them.

They saw Scarlet Gold Clan Leader and Xiao'er looking at each other. The former was completely stunned as if he was possessed, while Xiao'er was mumbling something to him, Scarlet Gold Clan Leader nodded stiffly on the way.

After a while...

"Well, go and recover your divine power," Xiao'er said softly.

"Yes, master." Scarlet Gold Clan Leader nodded and then flew toward the void.

This scene made Jian Wushuang's pupils shrink.

"Miss Xiao'er's enchantment is really amazing. An expert at the peak of the fifth void realm became her slave in a short time," Jian Wushuang murmured.

"It is indeed a terrifying enchantment. Fortunately, Miss Xiao'er's cultivation is not very high. She is only at the fourth void realm. If she reaches the fifth void realm or even the sixth void realm, no one among the masters of rules would be able to resist her enchantment. Even I don't have absolute confidence," Demon Master Chenhuo said.

"Fortunately, Miss Xiao'er is my friend, not my enemy. Otherwise, I would have killed her earlier," Jian Wushuang said.

After controlling all the experts of the Scarlet Gold Clan, Xiao'er flew toward Jian Wushuang.

"Miss Xiao'er, Congratulations. After controlling the Scarlet Gold Clan, your Divine Moon Palace's overall strength has reached a new level. I'm afraid that the Divine Moon Palace won't be afraid of the Nine-tailed Clan even without the help of me and the Blood Marten Clan," Jian Wushuang said.

"It's nothing. Although my Divine Moon Palace can compete with the Nine-tailed Clan, I'm still far from taking control of the Nine-tailed Clan. You and the Blood Marten Clan are indispensable," Xiao'er said with a smile.

Chapter 3462 Shook the Demon Realm

"Of course, after controlling the Scarlet Gold Clan and controlling all the Principles Masters of the Scarlet Gold Clan, the overall strength of our Divine Moon Palace has indeed surpassed that of the Nine-tailed Clan. If we include the Blood Marten Clan and you, Jian Wushuang, the strength of our camp is far beyond that of the Nine-tailed Clan!"

"With such a huge difference in strength, we can truly declare war on the Nine-tailed Clan," Xiao'er said.

"Declare war? Why? Has your Divine Moon Palace not truly declared war on the Nine-tailed Clan?" Jian Wushuang was puzzled.

"No," Xiao'er said, "Although my Divine Moon Palace and the Nine-tailed Clan have been fighting and fighting, we have never declared war on the outside. However, I want to let the entire demon realm and even the entire Divine Beginning Realm know that My Divine Moon Palace wants to fight to the death with the Nine-tailed Clan. I also want to openly retake control of the Nine-tailed Clan!"

Hearing this, Jian Wushuang raised his eyebrows and did not say anything more.

Soon, the Divine Moon Palace sent a message to declare war on the Nine-tailed Clan! In addition, although the Divine Moon Palace had attacked the Scarlet Gold Clan with lightning speed, completely controlling the Scarlet Gold Clan and all the Principles Masters, the news of the attack on the Scarlet Gold Clan still spread, although the Scarlet Gold Clan quickly calmed down, many people immediately recalled the howling demon race from before.

When the Divine Moon Palace attacked the howling demon race, they had also attacked with lightning speed. Not long after, the howling demon race calmed down as if nothing had happened, but after that, the howling demon race had completely submitted to the Divine Moon Palace.

The Scarlet Gold Clan's situation was clearly the same as the howling demon clan's.

Naturally, many people guessed that the Scarlet Gold Clan might have submitted to the Divine Moon Palace as well.

By annexing two top races in a row and declaring war on the Nine-tailed Clan, the Divine Moon Palace's actions shocked all the races in the fey domain.

The entire fey domain was also showing signs of a storm brewing.

In the territory of the Nine-tailed Clan.

In the magnificent palace, many high-level experts of the nine-tailed race gathered together.

Most of the members of the nine-tailed race were women, and only a small number of them were men. Even among the highest-level experts, almost all of them were women. At this moment, the high-level experts of the nine-tailed race all had solemn expressions. "Divine Moon Palace, after such a small fight for so long, are you finally going to go all out?" The third princess of the Nine-tailed Clan, Da Yu, sat near the leader's seat. As the third princess of the Nine-tailed Clan, and with her cultivation base at the fourth realm of the void, Da Yu's status in the Nine-tailed Clan was naturally extremely lofty. Under the premise that the clan leader of the Nine-tailed Clan had been in closed-door cultivation all this while, the only people in the entire Nine-tailed Clan whose status was comparable to this Da Yu were the few elders whose strength had reached the fifth realm of the void.

"Hmph, the Divine Moon Palace is fine if they don't make a move, but now that they've made a move, they've directly taken control of the Scarlet Gold Clan..." Sixth Princess Da Su said coldly, "Although there's no clear news from the Scarlet Gold Clan, we can be sure that the Scarlet Gold Clan is definitely like the Howling Demon Clan. Many of their experts have been controlled by the Divine Moon Palace through some unknown means." "After the Divine Moon Palace annexed the Howling Demon Clan, they were already extremely powerful. They are not much weaker than our Nine-tailed Clan. Now that they have annexed the Scarlet Gold Clan, and judging from the distress message sent by the Scarlet Gold Clan Leader, there are also experts from the Blood Marten Clan who attacked the Scarlet Gold Clan. In other words, the Blood Marten Clan is very likely controlled by the Divine Moon Palace, or they are already on the side of the Divine Moon Palace," said a five states void realm elder from the Nine-tailed Clan in a low voice. "If that's the case, the three top races that originally existed around our territory are already on the side of the Divine Moon Palace. In addition, it's said that the Blood Marten Clan is related to the Sword Heavenly Marquis. If the Heavenly Sword Marquis is on the same side as the Divine Moon Palace, then our nine-tailed race is indeed in a bad situation."

Hearing this, the elders of the nine-tailed race fell silent.

Indeed, the Nine-tailed Clan could easily deal with the Divine Moon Palace alone.

Even if the Divine Moon Palace annexed the Howling Demon tribe, the Nine-tailed Clan could still suppress them.

However, if the Divine Moon Palace annexed the two top tribes, the Scarlet Gold Clan and the Blood Marten Clan, together with the help of Heavenly Sword Marquis, the Divine Moon Palace's strength would probably surpass the Nine-tailed Clan's.

"Humph, even if the Divine Moon Palace is powerful, our nine-tailed race is not weak. If they want to fight us to the death, we have to see if they have the ability to do so." Da Yu sneered, then, she said, "I'm not worried that the Divine Moon Palace will come and fight us head-on. What I'm more concerned about is the origin of the Divine Moon Palace. Also, what kind of methods did they use to control the Howling Demon Clan and the Scarlet Gold Clan?"

"If we don't figure these things out as soon as possible, even if the Divine Moon Palace can't do anything to us now, they can still use the same method to deal with other top races. or they can annex the weaker races in the surroundings and constantly strengthen themselves. Sooner or later, the Divine Moon Palace's strength will reach a level that even the Nine-tailed Clan is far from being able to contend with."

"Third princess is right. It is indeed the most important thing to find out the origins of the Divine Moon Palace and the means of controlling the experts of the Divine Moon Palace. However, our Nine-tailed Clan has been investigating this matter for a long time, but we haven't found any clues. Even now, we still don't know who the palace master behind the Divine Moon Palace is..." The elder of the fifth realm of the void said in a deep voice.

Da Yu's face darkened as she said sternly, "No matter what, we have to figure this out first. Otherwise, the Nine-tailed Clan will be too passive."

"Yes."

The ordinary elders of the Nine-tailed Clan nodded one after another.

And at that moment...

Boom! The void shook, and the entire Nine-tailed Clan shook violently.

Then, in a corner of the ancestral land of the Nine-tailed Clan, a powerful aura rose up into the sky, as if a huge dragon that had been slumbering for hundreds of millions of years had suddenly woken up!

The aura was too powerful, too powerful. As soon as it rose up, the entire Nine-tailed Clan was in an uproar.

Within the Majestic Palace, the elders who had been sitting upright suddenly rose to their feet when they sensed the aura. Numerous gazes turned to look at the source of the aura.

Chapter 3463 Six Realms of the Void, Three?

"This aura...it's mother!" Da Yu was the first to call out.

"Mother, you're coming out of seclusion?" Da Su was pleasantly surprised. "Clan leader?"

"Clan leader?"

The elders of the Nine-tailed Clan who had reached the level of Principles Masters were also pleasantly surprised at this moment.

The clan leader of the Nine-tailed Clan had been in closed-door cultivation since a long time ago. Naturally, he was in closed-door cultivation to strive for a higher level of strength.

Everyone knew this.

During the time when the clan leader was in closed-door cultivation, there were indeed many things in the Nine-tailed Clan. For example, the princess was killed by Jian Wushuang, the sudden rise of Divine Moon Palace, and the fight between the Nine-tailed Clan and Divine Moon Palace over the years, although the fight was very fierce, the patriarch never came out of seclusion.

She had been in seclusion and never came out even when her daughter died.

But today...

"Mother, you are finally coming out of seclusion. Judging from your aura, I'm afraid that you are much stronger than before!" Da Yu said excitedly.

"This aura..." An elder of the Nine-tailed Clan who had reached the peak of the fifth level of the void exclaimed, "You are too strong. You are much stronger than the ordinary sixth level of the void. Without a doubt, the clan leader's strength has reached the peak of the sixth level of the Void. I wonder if he has reached that peak!"

"After the Divine Moon Palace declared war on the Nine-tailed Clan, the clan leader has just come out of seclusion and his strength has improved greatly. This part-time job is to bless the Nine-tailed Clan!"

"Haha, with the clan leader here, we don't need to worry about the Divine Moon Palace."

The experts of the Nine-tailed Clan laughed and then rushed toward the source of the aura.

The entire Nine-tailed Clan was also in a jubilant mood.

Although the Divine Moon Palace had not risen for long, its lair was very vast. It was heavily guarded and had countless experts.

Jian Wushuang and Demon Master Chenhuo were currently in the lair of the Divine Moon Palace.

"It has only been a few hundred years since its rise, but there are really many experts in the Divine Moon Palace. I can sense more than 30 Principles Masters in my consciousness alone, not to mention the Scarlet Gold Clan and the Blood Marten Clan. If these two top clans are added together, the Divine Moon Palace's camp would probably have more than 50 Principles Masters," Jian Wushuang thought to himself.

Fifty Principles Masters. If it was in an extremely short period of time, even a Saint Realm might not be able to gather such a number.

One had to admit that the power that the Divine Moon Palace controlled was indeed terrifying “The number of Principles Masters that my Divine Moon Palace controls is indeed not small, but their quality isn’t too high. Many of them have just reached the second level of the void realm, and there aren’t many who have reached the third level of the void realm or above. Furthermore, there was only one super expert at the sixth level of the void realm, Lord Xu. But now, according to what I know, there are two experts at the sixth level of the void realm in the Nine-tailed Clan!”

“One of them has just broken through the sixth realm of the void and is not as strong as Lord Xu, but the other is the current patriarch of the Nine-tailed Clan. Her strength is extremely strong among the six realms of the void. Just now, I received news from the Nine-tailed Clan that the patriarch of the Nine-tailed Clan has come out of seclusion,” Xiao’er said.

“Oh?” Jian Wushuang’s expression changed.

He also knew that the clan leader of the Nine-tailed Clan had been in closed-door cultivation. Even though he had killed her daughter, the clan leader of the Nine-tailed Clan had never come out of his closed-door cultivation.

“Not only has she come out of her closed-door cultivation, but her strength has also improved greatly. If I’m not mistaken, her battle strength should have reached the peak of the six void realms. In my Divine Moon Palace’s camp, I’m afraid that only Demon Master Chenhuo, who is by your side, can contend with her,” Xiao’er said.

“The peak of the six void realms?” Jian Wushuang frowned. “If that’s the case, won’t we be in trouble?”

Jian Wushuang had been staying with Demon Master Chenhuo all this time. He was well aware of the terrifying strength of an expert at the peak of the six void realms.

Under normal circumstances, no force or sect would dare to provoke an expert at the peak of the six void realms as long as he was in charge.

If an expert reached the peak of the six void realms, even a Saint Realm Master might not be able to kill him, let alone an expert of the same level. If he could not kill such an expert... it would be difficult for an ordinary person to resist his wanton slaughter.

“Yes, there is trouble, and it’s not a small one. However, we have officially declared war on the Nine-tailed Clan. We have no choice but to take action. Moreover, we might be able to deal with an expert at the peak of the six void realms,” Xiao’er said.

“Do you have a way to kill her?” Jian Wushuang glanced at Xiao’er.

“Kill her? Of course not. But I want to regain control of the Nine-tailed Clan. All I need to do is to firmly control the clan. As for the nine clan leaders, I can think of a way to drive them away,” Xiao’er said.

“Drive them away?” Jian Wushuang smiled and said, “If the Nine-tailed Clan leader really reaches the peak of the sixth realm, even if Demon Master Chenhuo takes action personally, he might not be able to win. I’m afraid it’s very difficult to drive her away.”

“I know. That’s why I’ve specially invited other experts over. When they join forces with Demon Master Chenhuo, they’ll have the confidence to drive the Nine-tailed Clan leader away,” Xiao’er said.

“You’ve invited other experts? Who are they?” Jian Wushuang was puzzled.

“Don’t worry. They’ve already set off. I reckon they’ll be here in three days. When they arrive, they’ll definitely meet you,” Xiao’er said with a smile.

Jian Wushuang did not insist. He waited quietly in the Divine Moon Palace with Demon Master Chenhuo.

Two days later, the experts Xiao’er had specially invited had arrived.

“Jian Wushuang, let me introduce you. These three are Axe One Master, Marquis Duan Yu, and Star Saint Master. They are all from Star Palace,” Xiao’er introduced.

“Hello, Jian Wushuang.” Axe One Master, who was wearing a golden robe and carrying a golden axe on his back, greeted Jian Wushuang with a smile.

“You are Jian Wushuang? I’ve long heard of your name, but this is the first time I’ve actually met you.” Marquis Duan Yu, who was gentle and refined, also smiled faintly.

As for Star Saint Master, he was rather cold. He only glanced at Jian Wushuang coldly and did not say anything.

However, the three people in front of him made Jian Wushuang a little confused.

“These, these three people...are all experts at the peak of the six void realms!”

“How is this possible? There are only so many experts of the six realms of the void in the Divine Beginning Realm. How come there are three of them all of a sudden? Moreover, I’ve never heard of these three people before?”

Chapter 3464 Star Palace

—

Jian Wushuang could be considered as a peak expert in the Divine Beginning Realm. He was already at the top level, and his knowledge was not comparable to what he had seen before. In particular, through the Temporal Temple, he had a great understanding of the experts in the Divine Beginning Realm, he had a great degree of understanding of them.

Although he had never met or interacted with many of the top experts in the Divine Beginning Realm, he had at least heard of and knew of them.

But now, he actually did not know of any of the three experts at the peak of the six void realms?

This was a little too incredible.

“Star Palace.”

Jian Wushuang repeated the name.

These three experts of the six void realms all came from Star Palace.

It must be known that in the Divine Beginning Realm, even in a Saint Realm, it was not possible to produce three experts of the six void realms at once.

But Jian Wushuang had never heard of Star Palace before, but this time, it was three experts of the six void realms!

“Jian Wushuang, isn’t it strange? Where did these three experts of the six void realms come from?” Xiao’er looked at Jian Wushuang.

“Yes, it’s very strange. And what exactly is this Star Palace?” Jian Wushuang asked.

“I don’t know much about the origin of Star Palace, but I know that it has been a terrifying force lurking in the dark for a very long time. Even so, no more than ten people in the Divine Beginning Realm know of its existence. Even I learned of its existence by chance,” Xiao’er said.

Jian Wushuang was a little stunned. It was the first time he knew that such a terrifying force was hiding in the Divine Beginning Realm.

In the vast Divine Beginning Realm, only less than ten people knew about the existence of Star Palace. It must be very well-hidden.

“Oh, I know one more thing. It’s the leader of Star Palace, the Palace Master of Star Palace. I’ve met him before. He told me that his name is Xuan God Daoist!” Xiao’er said.

“Xuan God Daoist?” Jian Wushuang was shocked, but he soon understood.

“I see. Xuan God Daoist was left behind by master, or the Seven Stars Mysterious Sect. He had extraordinary means. After the Seven Stars Mysterious Sect was destroyed and the entire Seven Stars Divine Realm was sealed by his master, he was still active in the Divine Beginning Realm. After such a long time, it’s not a problem for Xuan God Daoist to secretly accumulate strength and gather a powerful force!” Jian Wushuang understood.

Daoist Xuan God...that was the mysterious person he had met when he was born.

Although he had only met Daoist Xuan God once, he had already understood many things.

First of all, Daoist Xuan God was on the same side as his master, Xuan Yi. If he was not mistaken, Daoist Xuan God was very likely a member of the Seven Star Mysterious Sect!

The Temporal Temple Master had told him before that at its peak, the Seven Star Mysterious Sect had a total of three ruler-level experts. However, all he knew was his master, Xuan Yi, Xuan Yan, the Palace Master of divine punishment who was also sealed in the Seven Star Mysterious Realm, was also in a deep sleep, but he did not know about the other one.

The other one should be the sect master of the Seven Star Mysterious Sect, and Jian Wushuang guessed that this Seven Star Sect Master might be the Xuan God Daoist!

Taking a deep breath, Jian Wushuang looked at the three people in front of him again. “Heavenly Sword Marquis, nice to meet you.”

“Haha, Heavenly Sword Marquis, You’re too kind. Although it’s your first time meeting us, I’m afraid we’ll have to interact with each other in the future,” Marquis Duan Yu, who was the most amiable of the three, said with a smile.

“Oh?” Jian Wushuang’s expression changed.

Marquis Duan Yu exchanged a glance with Axe One Master and Star Saint Master, then he said, “To tell you the truth, my friends, the three of us are here under the orders of the palace master to help you and Miss Xiao’er regain control of the Nine-tailed Clan. The palace master also told us that after Miss Xiao’er takes control of the Nine-tailed Clan, the three of us will not be in a hurry to return to the Star Palace. Instead, we will continue to stay here. During this time, Heavenly Marquis, if you have any trouble, the three of us will do our best to help you.” “All-out help?” Jian Wushuang’s eyes suddenly lit up.

Of course, he needed the help of these three people to kill the Blood Clan Leader. He was worried that he could not kill the Blood Clan Leader, but now he had three powerful helpers for no reason?

Although the three people in front of him had not really fought, they were experts of the six void realms, so their strength was not too weak. If they waited for Divine Moon Palace to regain control of the Nine-tailed Clan, their overall strength would greatly increase, by then, Demon Master Chenhuo, Lord Xu, Axe One Master, Marquis Duan Yu, and Star Saint Master would have gathered the strength of five experts of the sixth realm of the void. They might have a chance to kill the clan leader of the Blood Clan.

“The three of you, we can talk about the matter between you and Jian Wushuang later. But now, you have to help the Divine Moon Palace to control the Nine-tailed Clan,” Xiao’er said.

“Of course. Now that we are here, we will do our best,” Marquis Duan Yu said with a smile. “That’s good. The overall strength of the Divine Moon Palace is far above that of the Nine-tailed Clan. If we attack the Nine-tailed Clan, there are two troublesome things. The first is the current patriarch of the Nine-tailed Clan!” Xiao’er said in a low voice, “According to the news from the Nine-tailed Clan, the patriarch has come out of seclusion and his strength has improved greatly. He has reached the peak of the six void realms. His strength can pose a great threat to us.”

“However, my Divine Moon Palace’s camp already has two void sixth stage experts, Demon Master Chenhuo and Lord Xu, especially Demon Master Chenhuo. His strength is definitely not inferior to that Nine-tailed Clan Leader, and it might even be even stronger. If we have three more people helping us, even if we can’t kill that Nine-tailed Clan Leader, we can still crush her and make her flee in a sorry state.”

“So, the second thing that’s more troublesome now is the Nine-tailed Clan’s clan protection formation...” Xiao’er’s expression became solemn.

“I’m originally from the Nine-tailed Clan, so I’m very familiar with the clan protection formation of the Nine-tailed Clan. That Formation is extremely powerful, and it’s far from what the Scarlet Gold Clan and the Blood Marten Clan’s clan protection formation can compare to. If we want to directly destroy the formation, unless a Saint Realm Master or a ruler level expert personally makes a move, even if two or three experts who have reached the pinnacle of the six realms of the void join hands, they might not be able to defeat it.”

Chapter 3465 Marquis Duan Yu

“The clan-protecting formation of the Nine-tailed Clan is so powerful?” Jian Wushuang could not help being surprised.

In his opinion, the clan-protecting formation of the Blood Marten Clan was already very powerful. However, it was clear that the clan-protecting formation of the Nine-tailed Clan was much more powerful than that of the Blood Marten Clan.

“The clan-protecting array of the nine-tailed race is a complete set of array that the ancestors of the nine-tailed race obtained by chance while adventuring in the universe battlefield. The power of this array is indeed extraordinary. Unfortunately, in the history of the nine-tailed race, there has never been a ruler-level great being born. Otherwise, if a ruler-level great being had personally activated this array and set it up, then even a ruler-level great being would not have been able to shake this array in the slightest,” Xiao’er said.

“It’s normal. After all, it’s a divine clan, so it has some foundation. Without some powerful means, the Nine-tailed Clan couldn’t have survived until now,” Axe One Master said calmly.

“Miss Xiao’er, can you deal with the formation of the Nine-tailed Clan from the inside, like you did with the Scarlet Gold Clan?” Jian Wushuang asked.

“No.” Xiao’er shook her head. “The method used to break the formation of the Scarlet Gold Clan can’t be used on the formation of the Nine-tailed Clan. The formation is a complete formation, which is like a treasure. It has a formation spirit, and its foundation, core, and even the whole formation are controlled by the formation spirit. Even the patriarch of the Nine-tailed Clan is not qualified to control the formation, so he can’t break it from the inside.”

“In addition, even if I have to control some of the top experts of the Nine-tailed Clan, I have been trying to infiltrate them over the years. However, the souls of the clansmen of the Nine-tailed Clan are extremely powerful. The stronger they are, the harder it is to control them. Besides, the Nine-tailed Clan is not like those top clans. They won’t give me an opportunity so easily. Therefore, although I have controlled a few people in the Nine-tailed Clan, including the rule master, there are no important figures.”

“If that’s the case, we’ll be in trouble,” Jian Wushuang said with a frown.

“It won’t be a problem. The clan-protecting formation of the Nine-tailed Clan is strong, but it’s not impossible to break it,” Axe One Master suddenly said with a smile.

“Oh?” Jian Wushuang and Xiao’er immediately looked at Axe One Master.

“Axe One Master, do you have a solution?” Xiao’er asked.

“Miss Xiao’er, Heavenly Sword Marquis, you may not know this, but among the three of us, Star Saint Master and I are good at fighting and defending. We face our enemies head-on. Both of us are not weak in the six void realms, but Marquis Duan Yu...although he is also in the six void realms, his real combat strength is probably not much stronger than a peak of the five void realms,” Axe One Master said with a smile.

Jian Wushuang and Xiao’er could not help glancing at the gentle Marquis Duan Yu.

“To tell you the truth, I am not good at fighting head-on. What I am good at is the Dao of formation!” Marquis Duan Yu said.

“Good at formation?” Jian Wushuang’s expression changed. “Marquis Duan Yu, you mean you can break the clan-protecting formation of the Nine-tailed Clan?”

Marquis Duan Yu just smiled and said nothing

“It’s not that simple.” Xiao’er frowned and said, “As far as I know, there was an expert who reached the peak of the Formation Dao in the Divine Beginning Realm. He stayed outside the clan-protecting formation of the Nine-tailed Clan for a hundred years, but he couldn’t find any clues, let alone break it. Marquis Duan Yu, you may be good at formations, but to break the clan-protecting formation of the Nine-tailed Clan, I’m afraid...”

“Haha, looks like Miss Xiao’er doesn’t really believe me.” Marquis Duan Yu smiled, but he wasn’t angry at all, instead, he continued to smile. “Miss Xiao’er, I know that the Nine-tailed Clan’s protective array is a complete five elements array. It contains the fusion power of the five great laws of metal, wood, water, fire, and earth, forming a perfect formless array that can be used to attack or defend. It’s extremely terrifying!” “Haha!”

“The person who created this formation must have surpassed an ordinary ruler. Of course, it’s not easy to break such a formation. Those so-called formation masters in the Divine Beginning Realm... Haha, to put it bluntly, they haven’t really roamed the universe battlefield or understood the formation in the universe. These people can’t even be considered as the threshold of the formation.”

“But I’m different.

“I don’t know much about the arrays in the Divine Beginning Realm, but I’ve studied those arrays in the universe battlefield. There are many complete arrays in the universe. Not only these five elements arrays, but there are also some special arrays that are higher in level than the five elements arrays. I’ve studied them and even tried to crack them. It’s not a difficult task.”

Although Marquis Duan Yu was still gentle and refined, his words were filled with absolute confidence and even pride.

Jian Wushuang and Xiao’er could not help looking at him with surprise.

At this moment, Axe One Master said, “Don’t worry, I can guarantee that no one in the Divine Beginning Realm can compare to Marquis Duan Yu in terms of formations, especially those that are passed down in the universe battlefield. If there is only one person in the Divine Beginning Realm who can break your five-elemental formation, Marquis Duan Yu is the only one. Moreover, in order to ensure that there will be no accidents, palace master asked us to wait for a special supreme treasure.”

“What supreme treasure?” Xiao’er asked.

“The realm-breaking talisman is a supreme treasure passed down in the universe. All formations below the level of an ‘Earth Saint’ can not hide from it. As for the five-elemental formation of the Nine-tailed Clan, it can only reach the level of an Earth Saint when it is at its strongest. As for now, it is not even an earth saint level. With Marquis Duan Yu’s understanding of the dao of formation and the realm-breaking talisman, it should be easy for him to break the five-elemental formation of the Nine-tailed Clan,” Axe One Master said with a smile.

Hearing this, Jian Wushuang and Xiao’er’s eyes lit up.

"In that case, I'll rely on you in the magic formation," Xiao'er said.

"My purpose is to break the formation. As for the battle between you and the Nine-tailed Clan, I don't intend to interfere," Marquis Duan Yu said with a smile.

"That's not a problem," Xiao'er said with a smile.

"Well, since we can solve the two most troublesome problems, we can discuss when we are ready to fight," Jian Wushuang said.

"We have declared war on the Nine-tailed Clan, so we must fight to the death with them. The Nine-tailed Clan naturally knows this. We are all ready, but I'm afraid the Nine-tailed Clan is not ready yet. Let's take advantage of the fact that they are not fully prepared!" Xiao'er said seriously.

Chapter 3466 The Army Arrived

"Immediately? If that's the case, then I'll ask Miss Xiao'er to gather the experts as soon as possible," Marquis Duan Yu said.

"The experts of our Divine Moon Palace have long been prepared. Now, we're only waiting for the experts of the Howling Demon Clan, the Scarlet Gold Clan, and the Blood Marten Clan to arrive," Xiao'er said.

Very soon, the Howling Demon Clan, the Scarlet Gold Clan, and the Blood Marten Clan, which had been completely controlled by Xiao'er, as well as the Blood Marten Clan, which had formed an alliance with the Divine Moon Palace, arrived.

Of the three top clans, the Howling Demon Clan and the Scarlet Gold Clan were both extremely powerful. This time, upon receiving Xiao'er's orders, they sent out more than ten Principles Masters from the two top clans.

The Blood Marten Clan was slightly weaker, but they had also sent out six Principles Masters.

However, the Divine Moon Palace's own power was even more terrifying. All the Principles Masters in the Divine Moon Palace, including nearly 20 of them, had also come out in full force.

In the vast void, numerous experts could be seen floating in the air.

At a glance, there were nearly 50 of them, and all of them were Principles Masters, not to mention Jian Wushuang!

The strength of nearly 50 Principles Masters was too strong!

"Although the Nine-tailed Clan is a celestial race, there are only about 30 Principles Masters in total. They are far inferior to our camp. As for the top experts, we have five experts of the six void realms, including Demon Master Chenhuo, Lord Xu, Axe One Master, Marquis Duan Yu, and Star Saint Master. We are also far stronger than them. We will definitely win this battle!" Xiao'er's eyes lit up.

"Let's go!"

With Xiao'er's order, many experts from the Divine Moon Palace's camp headed straight for the Nine-tailed Clan.

The atmosphere in the Nine-tailed Clan was very tense.

“Mother, we have already sent out invitations to all the solitary experts and forces who have benefited from our Nine-tailed Clan. Some experts have agreed to rush over. Now, five Principles Masters have arrived in the tribe. The rest will arrive soon.” Da Yu stood respectfully in the hall.

At the very top of the great hall, there was a luxurious woman dressed in a fiery red robe. This woman looked much more beautiful than Da Yu, only slightly more mature. She sat there quietly, her fingers tapping on the armchair, her gaze was lazy as she scanned the area below her.

Everyone who was caught by her gaze, including the two experts of the fifth level of the void, could not help but lower their heads.

This gorgeous woman in a fiery red robe was the current clan leader of the Nine-tailed Clan, Da Ying.

“What else?” An indifferent voice came out from the gorgeous woman’s mouth. Although the Nine-tailed Clan was already in an extremely tense atmosphere due to the Divine Moon Palace’s direct declaration of war, as the clan leader, Da Ying...appeared very languid and calm.

“There’s also the Dark Clan...among the four great divine clans, our Nine-tailed Clan has the best relationship with the Dark Clan. Many years ago, the clan encountered some unforeseen circumstances, and our Nine-tailed Clan once lent a helping hand. Therefore, our Nine-tailed Clan has sought the help of the Dark clan this time. The clan leader of the Dark Clan has also promised to lend a helping hand to our Nine-tailed Clan. Moreover, we are already starting to worry about the experts. It won’t be long before many experts of the Dark Clan arrive!” Said Da Yu.

Upon hearing this, the elders of the Nine-tailed Clan heaved a sigh of relief.

The Dark Clan...was one of the four great divine clans. In terms of strength, they were slightly stronger than the Nine-tailed Clan. If the Dark clan was willing to lend a hand, it would naturally be of great help to the Nine-tailed Clan, if the Dark clan were to lend a hand, the Divine Moon Palace alone would not be able to do anything to the Nine-tailed Clan.

“Back then, the Nine-tailed Clan did help the Dark Clan. Now that the Dark Clan has helped the Nine-tailed Clan, we have to return the favor. If we use this favor now, we won’t be able to do it again in the future,” Da Ying said calmly.

“That’s right. However, the threat of the Divine Moon Palace is too great. We can only use this favor for now,” Da Yu said. “In addition to the Dark Clan, I have also negotiated with the experts of the three Saint Realms.”

“Oh?” Da Ying’s expression finally changed. He looked down and asked, “What did the three Saint Realms say?”

“It’s very strange. Logically speaking, the Heavenly Sword Marquis is standing with the Divine Moon Palace this time. Given the enmity between the three saint domains and the Heavenly Sword Marquis, since the Heavenly Sword Marquis has already intervened, the three Saint Realms should also intervene. Even if they can’t do anything to the Heavenly Sword Marquis, they shouldn’t let the Heavenly Sword Marquis succeed. I negotiated with the experts of the three Saint Realms. I thought they would agree to help, but in the end...” Da Yu frowned.

"They didn't agree?" Asked Da Ying.

"Yes, not only did they not agree, but they also said that the fight between the forces and clans in the demon realm had nothing to do with the three holy realms. They didn't mention anything about Heavenly Sword Marquis," said Da Yu.

"It's normal. The real purpose of the three holy realms is to kill Heavenly Sword Marquis. They have already attacked once before, and the three masters of the Saint Realm have all appeared at the same time, but they still failed to kill him. Under such circumstances, they won't attack again so soon. At least, they won't easily deal with Heavenly Sword Marquis before they have absolute confidence. But once they are ready to attack, the time for Heavenly Sword Marquis to die will come," said Da Ying with a smile.

"Mother, are you saying that the three great Saint Realms are preparing a great killing weapon to kill Heavenly Sword Marquis? But they have even personally attacked the three great Saint Realm Masters. Do they have any more powerful methods?" Da Yu frowned.

"Don't underestimate the three great Saint Realms. Don't forget that the will of the Heavenly Dao stands behind the three great Saint Realms. Their methods are not what you can imagine." Da Ying smiled. "Forget it. Even if the three Saint Realms aren't willing to take action, as long as the Dark Clan is willing to lend a helping hand and the experts invited by our Nine-tailed Clan to help, there's no need to fear the Divine Moon Palace."

"Mother is right." Da Yu nodded respectfully.

But right at this moment...

"Oh?" Da Yu's expression suddenly changed. Many Principles Masters of the Nine-tailed Clan in the hall were also shocked.

"What's wrong?" Da Ying looked down.

"Mother, the experts of the Divine Moon Palace have arrived!" Da Yu said seriously.

"Oh? So soon?" Da Ying could not help but look surprised, but then he smiled. "Yes, the people of the Divine Moon Palace are very smart. They know that our Nine-tailed Clan is not fully prepared. The experts invited and the reinforcements of the Dark Clan haven't arrived yet, so they want to take the opportunity to attack our Nine-tailed Clan directly."

"Hmph, you think well, but the truth is not that easy." Da Yu sneered.

"Let's go out and take a look together."

Da Ying waved his hand, but he had already disappeared into the hall.

Chapter 3467 Attracting Attention

In the void outside the ancestral land of the Nine-tailed Clan, numerous figures were gathered there.

Each of these figures was emitting a magnificent and tyrannical aura. Any one of these auras had already reached the level of a Principles Master.

Nearly fifty Principles Masters were gathered together, and the pressure formed made the members of the Nine-tailed Clan who had already seen the scene here unable to breathe.

“So many Principles Masters...this Divine Moon Palace is really powerful.” Da Ying had already arrived at the void at the edge of the clan land. He could not help but sigh when he saw the scene outside the clan land, “It seems that the outside world has produced many talented people during the years I’ve been in seclusion. A Heavenly Sword Marquis and a mere Immortal Saint had turned the Divine Beginning Realm upside down. And now, there’s someone who has condensed such a powerful force in such a short period of time!”

“Mother, the reason why the Divine Moon Palace could rise so quickly is that they used some unknown method to directly control the Howling Demon Clan and the Scarlet Gold Clan. The method used by the Divine Moon Palace is similar to soul control or enchantment. However, we don’t know what exactly it is,” said Da Yu.

“If they really rely on soul control or enchantment, it’s really amazing. The Nine-tailed Clan is also good at soul control and enchantment. I wonder if the person behind the Divine Moon Palace has something to do with the Nine-tailed Clan.” Da Ying narrowed his eyes.

At this moment...among the crowd outside, Axe One Master, Duan Yu Marquis, and Star Saint Master had already appeared at the front.

Even though the three of them had concealed their auras, Da Ying was a peak expert of the six states of the void, so he naturally sensed the existence of these three people at the first moment.

“What’s going on?”

“Didn’t they say that there is only one expert of the six states of the void in the Divine Moon Palace, and there are only two experts of the six states of the void who have been following Heavenly Sword Marquis All this time? But why are there a total of five experts of the six states of the void in front of us now?” Da Ying’s expression had become solemn.

“Five void sixth realm experts?” The Principles Masters of the surrounding Nine-tailed Clan were shocked when they heard this.

“Impossible. There are only so many void sixth realm experts in the Divine Beginning Realm. How could there be three void sixth realm experts in the Divine Moon Palace?” Da Yu said.

senses are wro

“Why? Do you think my senses are wrong?” Da Ying glanced at Da Yu.

Da Yu’s body trembled, but her eyes were still filled with disbelief.

“Five experts of the sixth level of the Void?”

“How can there be so many?”

He was not the only one. Even the Principles Master of the Nine-tailed Clan was panicking.

After all, the Nine-tailed Clan only had two experts of the sixth level of the void.

“Purely in terms of lineup, this Divine Moon Palace has nearly twenty more Principles Masters than our Nine-tailed Clan. Even the top experts of the sixth level of the void are three more than us. In terms of overall combat strength, our Nine-tailed Clan and the Divine Moon Palace are no longer in direct proportion. Now that the Divine Moon Palace is attacking head-on, they naturally have a high chance of winning. Our Nine-tailed Clan is not suited to face them head-on,” Da Ying said.

The surrounding elders nodded one after another.

They could see that the gap between the two sides was too big. It would be foolish to fight them head-on.

“Let’s wait. Although it’s a little sullen, what we Nine-tailed Clan need to do now is to guard the ancestral land. We can’t go out. With the five-element formation left by the ancestor, Divine Moon Palace can’t attack. We can only wait here quietly for the reinforcements of the Dark World Clan. When the experts of the Dark World Clan arrive, we will be qualified to fight the Divine Moon Palace head-on,” Da Ying said.

The experts of the Nine-tailed Clan naturally obeyed Da Ying’s orders.

At this moment, Jian Wushuang, Xiao’er, and the others were standing together in the void.

“It seems that the Nine-tailed Clan doesn’t intend to fight.” Jian Wushuang smiled.

“It’s normal. There are no more than 30 Principles Masters in the Nine-tailed Clan. Besides, the auras of Axe One Master, Marquis Duan Yu, and Star Saint Master Can’t be hidden from the clan leader. They know that there’s a big gap between them and us, so of course, they choose to avoid fighting.” Xiao’er smiled. “But this is also within our expectations.”

“Duan Yu Marquis, I’ll leave the Nine-tailed Clan’s clan protection array to you.” Xiao’er glanced at Duan Yu Marquis.

“It’s not difficult to break the array, but I’m worried that during the process of breaking the array, the experts of the Nine-tailed Clan will appear and disturb me.” Duan Yu Marquis said.

“That’s simple. You can rest assured and go break the array. I’ll think of a way to divert the attention of the Nine-tailed Clan for you so that no one will disturb you.” Xiao’er said.

“Haha, then I will go.” Duan Yu Marquis laughed and immediately headed toward the ancestral land of the Nine-tailed Clan.

“Miss Xiao’er, what method do you have to divert the attention of the Nine-tailed Clan? Do you want us to attack them head-on?” Axe One Master asked.

“I have my own methods. Just watch.” Xiao’er smiled and immediately rushed forward.

In the blink of an eye, she had arrived in front of the Nine-tailed Clan’s ancestral land. She was only a few hundred meters away from the entrance of the Nine-tailed Clan.

“The current Grandmaster of the Nine-tailed Clan, come out and have a chat.” Xiao’er’s voice was calm, but it spread throughout the entire void. Naturally, it also spread to the Nine-tailed Clan.

“Who are you? Do you deserve to have a chat with my Grandmaster?” A deep voice immediately sounded from within the Nine-tailed Clan. This voice belonged to some of the five void realm elders of the Nine-tailed Clan.

“My name is Xiao’er. I’m afraid that this name will be unfamiliar to your Nine-tailed Clan. However, my current identity is the Divine Moon Palace’s Palace Master!” Xiao’er said with a faint smile.

“What?” Exclamations immediately sounded from within the Nine-tailed Clan.

They could see Xiao’er’s appearance through the five elements array formation. The latter looked like a little girl, but this little girl was actually the mysterious Palace Master of the Divine Moon Palace who possessed heaven-reaching means? The founder of the Divine Moon Palace?

“What kind of joke is this? The Palace Master of the Divine Moon Palace was able to establish the Divine Moon Palace on his own, and in just a few hundred years, he led the Divine Moon Palace to such an extent. He could even compete with my Nine-tailed Clan. How can such a method be compared to an ordinary person?”

“Although the mysterious Palace Master of the Divine Moon Palace has never appeared before, according to my Nine-tailed Clan’s guess, the Palace Master of the Divine Moon Palace should be at least a sixth level void realm expert. But you...are only at the fourth level of the void realm, and your aura isn’t too dense. Clearly, you have just broken through not long ago, and you dare to Pretend?” The five level void realm elder of the Nine-tailed Clan shouted.

“Haha, I didn’t expect that in the eyes of your Nine-tailed Clan, I have such great ability?”. Xiao’er smiled, but then he said seriously, “I am indeed the Palace Master of the Divine Moon Palace. It’s easy to face him head-on. Lord Xu, come here!”

Chapter 3468 The Bloodline of the Emperor Phoenix

After hearing the order, Xu Zhu immediately came to Xiao’er’s side respectfully.

“Kneel.” Xiao’er said softly.

Xu Zhu did not hesitate at all and directly knelt down in front of the countless experts present.

This scene caused the experts of the Nine-tailed Clan to be extremely shocked.

“A powerful expert at the sixth level of the void actually kneeled before her in public?”

“That person is Xu Zhu. I’ve heard of him. It’s said that he’s a solitary expert with a proud personality. With his strength and personality, even if he’s facing a saint realm master or a ruler realm expert, he definitely wouldn’t be like this. After all, a powerful expert at the sixth level of the void wouldn’t completely disregard his dignity!” “Just what kind of method did that woman use to actually make an expert of the six states of the void be willing to become a slave?”

The Principles Masters of the Nine-tailed Clan were all discussing amongst themselves.

“How is it? Now, do I have the qualifications to talk to your Nine-tailed Clan’s Grandmaster?” Xiao’er said with a faint smile.

Within the Nine-tailed Clan, everyone's gazes turned toward Da Ying.

Da Ying waved her sleeve. Although her body did not move, in the void outside the ancestral land of the Nine-tailed Clan, a strand of her consciousness had condensed and formed.

"Divine Moon Palace Master." Da Ying's voice was calm.

"You are the current Grandmaster of the Nine-tailed Clan? Your name should be Da Ying, right? And your mother, the previous Grandmaster of the Nine-tailed Clan, is Da Gu." Xiao'er asked.

"So what if I am?" Da Ying's expression was cold.

"It's nothing. I just think it's a little funny. I didn't expect that the most inconspicuous and ordinary looking little fellow, Da Gu, would become the clan leader in the end. Da You's taste isn't that good." Xiao'er sneered.

But after hearing Xiao'er's words, Da Ying's gaze immediately turned cold.

"Who are you? How dare you call my mother a little fellow?" Da Ying's heart was already filled with anger.

Da Gu was her mother, the previous clan leader of the Nine-tailed Clan.

As for Da You...that was her grandmother, the previous clan leader of the Nine-tailed Clan.

Many years ago, Da You passed the position of clan leader of the Nine-tailed Clan to her mother, Da Gu. Subsequently, her mother, Da Gu, passed the position of clan leader to her. Although there were only two generations between them, in reality, as a member of a celestial race...each generation of the Nine-tailed Clan had an extremely long time to pass on the inheritance.

A clan leader usually had an extremely long period of time in office. 100-200 million years could only be considered short. It was usually 400-500 million years.

For example, from the time she took over the position of clan leader until now, it had already been more than 200 million years.

However, this Divine Moon Palace Master who appeared out of nowhere actually mentioned her mother and even her grandmother the moment she opened her mouth. Moreover, she even called her mother a little fellow?

"Da Ying, you don't have to be angry. I call that Da Gu a little fellow, so I naturally have the qualifications. Because if we were to really talk about seniority, Da Gu would have to call me aunt. Even Da You would have to call me aunt." Xiao'er said with a smile.

"What?" Everyone in the Nine-tailed Clan was shocked.

Even Da Ying was shocked.

"What, you don't believe me?" Xiao'er smiled. "Da Ying, listen carefully. Xiao'er is only my name in this life. However, countless years ago, my real name was Da Ji. As the clan leader, have you ever heard of this name?" Xiao'er said seriously.

“Da Ji?” Da Ying’s pupils constricted at first. Then, as if he had thought of something, his body trembled and his expression changed drastically. “Da Ji? You are the Da Ji who fought with grandmother for the position of clan leader back then?”

As soon as he said that, Da Ying immediately shook his head. “Impossible, Da Ji...that person is someone from who knows how many years ago. He is even older than grandmother. Moreover, this Da Ji had already been executed for betraying my Nine-tailed Clan back then. How could she still be alive?

“Even if she really survived, with this Da Ji’s talent, she should have at least reached the sixth level of the void. How could she have just stepped into the fourth level of the void like you?”

Da Ying’s cold voice reverberated in the world. She absolutely did not believe that the person in front of her was the same Da Ji from back then.

It was not just her. Everyone in the Nine-tailed Clan also did not believe it.

Da Ji...although it had been a long time since she was born, she was once a prominent figure in the Nine-tailed Clan. She was even a strong competitor for the Nine-tailed Clan Leader position. Her talent and reputation were shocking. Even now...many people in the Nine-tailed Clan knew of her existence.

Because they knew, they did not believe that Xiao’er was Daji.

However, Xiao’er smiled in the face of the doubts of the Nine-tailed Clan members. “I know you don’t believe me, but I naturally have a way to prove it. First, it’s this...”

Xiao’er moved and a pure bloodline power rose from her body.

This bloodline power originated from the Nine-tailed Clan’s bloodline. Moreover, the purity of the bloodline immediately caused the many members of the Nine-tailed Clan to palpitate the moment it rose, when they saw the bloodline aura that rose from Xiao’er’s body, most of the tribe members could not help but feel a desire to submit in their hearts.

“This bloodline aura...” Da Ying’s expression also changed drastically.

Under the guidance of the bloodline aura, a blurry shadow that was so huge that it covered the entire void rose from behind Xiao’er.

This blurry shadow was silver-white in color. Only its head had a faint golden edge. Its huge body was extremely luxurious and beautiful. There were nine silver-white tails behind it. These nine tails were slightly raised, it made this figure look extremely beautiful.

“This is...the body of the Emperor Phoenix!”

No one knew who was the first person in the Nine-tailed Clan to cry out in shock, and the next person to unite the Nine-tailed Clan was completely shaken.

“The is indeed the body of the Emperor Phoenix!”

“The bloodline of the Emperor Phoenix, this is the supreme bloodline of our Nine-tailed Clan!”

“Oh my God, Emperor Phoenix Bloodline, did our Nine-tailed Clan give birth to the Emperor Phoenix bloodline again?”

The Nine-tailed Clan was completely boiling.

Emperor Phoenix bloodline, that was the supreme bloodline of the Nine-tailed Clan. Since the birth of the Nine-tailed Clan, the number of people who had the Emperor Phoenix bloodline that had been born over countless years were few and far between. This represented the highest nobility of the Nine-tailed Clan, the purest bloodline.

Under normal circumstances, the Emperor Phoenix bloodline was the Orthodox bloodline of the Nine-tailed Clan. One could become the leader of the Nine-tailed Clan, which was also the clan leader.

After all, the Emperor Phoenix bloodline was not born in every era. In this era, Da Ying, as the clan leader, did not have the Emperor Phoenix bloodline, including her mother, Da Gu, however, as her grandmother, Da You, was the one who possessed the Emperor Phoenix bloodline, as the orthodox bloodline, the chances of her descendants awakening the Emperor Phoenix bloodline in the future were extremely high. That was why Da Ying was qualified to become the clan leader of the Nine-tailed Clan.

Chapter 3469 Was Even More Qualified

In this generation, no one from the Nine-tailed Clan had awakened the Emperor Phoenix bloodline. But now, this Divine Moon Palace master before them actually possessed the Supreme Emperor Phoenix bloodline of their Nine-tailed Clan, furthermore, this Divine Moon Palace had directly led many experts to attack the Nine-tailed Clan. This shocked the Nine-tailed Clan to an unprecedented level.

“Emperor Phoenix bloodline. Hmph, so what if you have Emperor Phoenix bloodline? It’s not like our Nine-tailed Clan doesn’t have Emperor Phoenix bloodline in history. Who knows what method you used to obtain my Emperor Phoenix Bloodline?”

“Who knows, it might be our Nine-tailed Clan’s enemy who secretly used a special method to possess our Nine-tailed Clan members?” Da Ying shouted sternly.

Many members of the Nine-tailed Clan were startled awake after hearing these words.

That’s right. Just the Emperor Phoenix bloodline alone could not prove anything. Furthermore, it could not prove Xiao’er’s identity.

“Hehe, just the Emperor Phoenix bloodline alone can not prove it. What about this move?” Xiao’er smiled strangely. The moment she revealed her smile, in the eyes of the enormous nine-tail void behind her...two light purple rays suddenly flashed.

These two light purple rays were extremely dazzling. They were like two purple stars that instantly attracted the attention of everyone present.

At the instant everyone saw these light purple rays, obscure energy swept over.

Within the Nine-tailed Clan, countless members of the tribe raised their heads and looked at the eyes of the nine-tailed void figure that were emitting light purple rays. Their gazes gradually became misty, becoming dull, becoming dull, and forgetting themselves.

Even many Principles Masters of the Nine-tailed Clan revealed the same expression.

They were all attracted by the gaze of the nine-tailed phantom.

And those who were also attracted by the gaze of the nine-tailed phantom, but did not immerse themselves in it, were only the extremely powerful Principles Masters of the Nine-tailed Clan. However, although these Principles Masters were not attracted by that gaze...the shock in their hearts was even greater at this moment.

“This, could this be...”

“Nine-life succubus heavenly technique, yes, it’s the supreme secret technique of our Nine-tailed Clan, nine-life succubus heavenly technique!”

“The supreme divine ability of the succubus heavenly technique, the supreme treasure of our Nine-tailed Clan. Ever since our Nine-tailed Clan obtained this secret technique, no one has been able to truly master this secret technique. But now...what she is using is definitely the nine-life succubus heavenly technique. And just by looking at it, even the Principles Masters can not help but be affected. This clearly shows that she has completely mastered the nine-life succubus heavenly technique!”

“Could this Divine Moon Palace Master really be that Da Ji from back then?”

Numerous gazes were fixed on Xiao’er. The Principles Masters who were initially filled with doubts about Xiao’er’s identity had now begun to waver in their hearts.

“Da Ying, and everyone from the Nine-tailed Clan, you should be able to believe it now, right?” Xiao’er stood in front of the nine-tailed phantom with an indifferent expression. Her voice was like a bewitching charm as it reverberated through the world. “Back then, the Nine-tailed Clan actually gave birth to two owners of the Emperor Phoenix bloodline at the same time. One of them was me, and the other was your grandmother, Da You!”

“Originally, your grandmother, Da You, was far inferior to me in terms of strength, talent, seniority, and seniority. I was publicly acknowledged as the first successor of the Nine-tailed Clan back then. However, it was a pity that Da You’s mother, who was also the clan leader of the Nine-tailed Clan at that time, Da Xi, was selfish. In order for Da You to smoothly become the new clan leader of the Nine-tailed Clan, she tried every means to make things difficult for me in the clan back then. However, I dodged all of them one by one!”

“But later, the four divine races and the Eight Directions Celestial Sect joined forces with the three holy regions to attack the Seven Stars Mysterious Sect. Because I was already engaged to Shisan Di, the leader of the Seven Stars Mysterious Sect, Da Xi schemed to say that I had betrayed the Nine-tailed Clan and secretly executed me.

“Fortunately, I was lucky enough to comprehend the nine-lives charming heaven spell before I died. I entered the path of reincarnation and began my reincarnation. After that, I experienced nine reincarnations and nine experiential journeys. I finally mastered the nine-lives charming heaven spell and began my journey of revenge!”

“Unfortunately, the nine reincarnations took too long. In this life, that Da Xi had already gone to the cosmic battlefield. Her descendants, Da You and Da Gu, had also left one after another, leaving the position of clan leader to you, Da Ying!”

“And today, I came here to take back what originally belonged to me. I want to retake control of the Nine-tailed Clan. Anyone who dares to disobey me in the Nine-tailed Clan will be killed without mercy!”

“Da Ying, if you are sensible, you can give up your position as the clan leader now and bring your daughters out of the Divine Beginning Realm to the universe battlefield. I can consider the fact that we are from the same race, so I won’t bother with your grudges in the past. But if you are stubborn, I will attack the Nine-tailed Clan directly. At that time, not only will the Nine-tailed Clan suffer, even you and your daughters won’t be able to live!”

Xiao’er’s voice carried a somber killing intent as it reverberated throughout the world.

The Nine-tailed Clan members who heard this immediately went into an uproar.

One had to know that they had previously thought that the Divine Moon Palace was the enemy of the Nine-tailed Clan and that there was no way to resolve it with their Nine-tailed Clan. Both sides had to fight to the death, and since that was the case...they were prepared to fight to the death.

But now, they knew that the Divine Moon Palace was not the enemy of the Nine-tailed Clan. Instead, the Divine Moon Palace Master was a member of the Nine-tailed Clan. It was only because the Nine-tailed Clan had mistreated her previously that she was here to seek justice...to take back control of the Nine-tailed Clan.

This immediately made many Nine-tailed Clan members waver.

After all, to most clan members, no matter who became the Nine-tailed Clan’s tribe leader, it did not matter much.

And what Xiao’er wanted was the Nine-tailed Clan’s clan leader position, and she did indeed have the qualifications to do so.

Possessing the Emperor Phoenix bloodline, and even mastering the nine-lives succubus heaven technique that no one in the Nine-tailed Clan had ever mastered. The only flaw might be that her current strength was slightly weaker, but for her to be able to...she had created a Divine Moon Palace that was so terrifying that even her overall strength surpassed that of the Nine-tailed Clan. One could only imagine how formidable her methods were.

All in all, Xiao’er was more qualified than Da Ying to become the Nine-tailed Clan leader.

Since Xiao’er was more qualified to become the Nine-tailed Clan leader, it was not justified for her to become the Nine-tailed Clan leader. Moreover, if Xiao’er became the clan leader, not only would she be able to avoid a life-and-death battle, but she would also be able to become the Nine-tailed clan leader! Moreover, Xiao’er would definitely merge the Divine Moon Palace into the Nine-tailed Clan. In this way, the Nine-tailed Clan’s overall strength would also receive an unprecedented increase. This would be of great benefit to the Nine-tailed Clan!

After understanding this point, many members of the Nine-tailed Clan were gradually leaning toward Xiao’er’s side.

Chapter 3470 Suppression

The Nine-tailed Clan was in an uproar.

Countless members of the Nine-tailed Clan were discussing Xiao'er's Emperor Phoenix bloodline and the nine-life heavenly charms technique.

And just as many people began to lean toward Xiao'er, a Principles Master suddenly knelt down.

"Elder Da Lan of the Nine-tailed Clan welcomes the return of Grandmaster Da Ji to retake control of the Nine-tailed Clan!" The Principles Master's voice was so loud that it directly drowned out the voices of everyone present. It did not only reverberate throughout the entire Nine-tailed Clan, it also reverberated throughout the entire world.

For a moment, countless members of the Nine-tailed Clan focused their gazes on this Principles Master.

"Da Lan, are you crazy? We haven't even confirmed whether this person is really the original Da Ji. How can you say such a thing?" Da Yu was the first to rebuke.

However, the Principles Masters, Da Lan, said in a deep voice, "I'm not crazy. I'm just being realistic. Grandmaster Da Ji was a figure from the era of Grandmaster Da You. Not only does she have the bloodline of the Emperor Phoenix, but she has also cultivated the nine-lives charming heaven technique that no one in our Nine-tailed Clan has ever mastered. No one in our Nine-tailed Clan can compare with her in these two aspects!"

"The Nine-tailed Clan has always valued bloodlines above all else. Grandmaster Da Ji is naturally more qualified than Da Ying to be the Grandmaster of the Nine-tailed Clan!"

"Promise Me. If I were you, for the sake of the Nine-tailed Clan, I would take the initiative to offer the position of Grandmaster and hand the Nine-tailed Clan over to Grandmaster Da Ji. Not only would I be able to avoid a great war, but I would also be able to increase the strength of the Nine-tailed Clan to an unprecedented level. This is truly for the good of the Nine-tailed Clan!"

"Shut up!" Da Yu was furious.

As for Da Ying, his face turned gloomy.

"Da Yu, everything I said is for the good of the Nine-tailed Clan. Even if you kill me, I will say it out loud and make Da Ying hand over the position of tribe leader so that Grandmaster Da Ji can take control of the Nine-tailed Clan again. This is the best choice for the Nine-tailed Clan!" Da Lan added.

After he finished speaking, he was supported by many clansmen around him.

"Yes, in the clan motto, above bloodline, Da Ying does not possess the bloodline of Emperor Phoenix, so she can not be compared to Grandmaster Da Ji. Furthermore, Grandmaster Da Ji has mastered the nine-lives succubus heaven technique. She is more qualified than anyone else to be the new clan leader of the Nine-tailed Clan!"

"I also support Grandmaster Da Ji!"

"Grandmaster Da Ying, for the sake of our Nine-tailed Clan, please hand over the position of Grandmaster."

More and more clansmen began to speak. Among them, there was no lack of Principles Masters. For a moment, many people agreed with them.

“Crazy, you’re all crazy!”

“Da Lan, do you know what you’re doing?”

“Shut up, all of you shut up!”

In the Nine-tailed Clan, there were also many experts who were not swayed and still followed Da Ying. At this moment, they all stood out.

This was equivalent to two voices coming from within the Nine-tailed Clan.

One was to ask Da Ying to hand over the position of clan leader so that Xiao’er could control the Nine-tailed Clan.

The other was naturally following Da Ying as usual.

The two voices appeared within the Nine-tailed Clan at the same time, causing the Nine-tailed Clan to fall into complete chaos.

In the void outside the Nine-tailed Clan, many experts from the Divine Moon Palace’s camp were still standing there, their gazes looking forward.

Although they could not see what was happening in the Nine-tailed Clan’s ancestral land because of the protective array, they could hear the chaotic voices coming from inside the Nine-tailed Clan. Obviously, the Nine-tailed Clan was now in a complete mess, it was a complete mess.

Seeing this scene, Jian Wushuang could not help exclaiming in admiration, “Miss Xiao’er’s methods are really impressive. She revealed her identity at the gate of the Nine-tailed Clan’s ancestral land, causing chaos in the Nine-tailed Clan. If I’m not wrong, the first person who said she would support her to regain control of the Nine-tailed Clan, Da Lan, should be the expert she secretly controlled!”

Xiao-er had previously said that she controlled some people in the Nine-tailed Clan, but the status of the people she controlled was not too high.

AS

And now, this Da Lan was only a void second level Principles Master, but it was this kind of person who had played a huge role at the crucial moment, causing the Nine-tailed Clan to be in complete chaos.

“This Miss Xiao’er’s methods are indeed brilliant, but this world still relies on strength to speak. And in the Nine-tailed Clan, in terms of pure strength, the clan leader, Da Ying, is naturally the strongest. It’s impossible for this Miss Xiao’er to disintegrate the Nine-tailed Clan just like that and make that Da Ying obediently hand over the position of clan leader. If nothing goes wrong, it won’t be long before the voice of support for Xiao’er in the Nine-tailed Clan will be suppressed,” said Demon Master Chenhuo.

“That’s for sure. However, when Da Ying suppressed Da Lan and the others and completely suppressed the voice, Duan Yu Marquis was not affected at all. When the Nine-tailed Clan has calmed down, the magic array will have been broken. Miss Xiao’er’s goal has been achieved.” Jian Wushuang smiled.

He knew very well that Xiao’er’s original intention was not to make Da Ying hand over the position of clan leader, nor was it to disintegrate the Nine-tailed Clan from the inside.

Her real purpose was to attract the attention of the Nine-tailed Clan and buy time for Marquis Duan Yu to break the array so that the Nine-tailed Clan would not notice and disturb Marquis Duan Yu. From the looks of it now...Xiao'er had indeed completely attracted the attention of the Nine-tailed Clan.

As time passed, the voice of support for Xiao'er from the Nine-tailed Clan was gradually suppressed. But at this moment, Marquis Duan Yu had already returned to Xiao'er's side.

"How is it?" Xiao'er glanced at Marquis Duan

Yu.

"I have underestimated this five elements array. Although I have understood this array before, it is still quite difficult to truly crack it. Fortunately, with the assistance of the realm-breaking talisman, I was able to crack this five elements array. Right now, I have already infiltrated most of the five elements array, but the Nine-tailed Clan and the array spirit did not sense it at all. Next, as long as Miss Xiao'er gives the order, I will be able to instantly crack this array." Duan Yu Marquis said confidently.

"That's great. Thank you, Duan Yu Marquis." Xiao'er was obviously excited.

"It's nothing." Duan Yu Marquis smiled.

Xiao'er nodded and took a step forward. Her cold voice echoed in the air, "Da Ying, have you thought about whether you want to hand over the position of clan leader or me?"

"Haha, Divine Moon Palace Master, your methods of bewitching people are indeed impressive. However, to think that you can control my Nine-tailed Clan with such a trivial trick is a little too whimsical. If you really have the ability, just do it. No matter what tricks your Divine Moon Palace has, my Nine-tailed Clan will take it." Da Ying's laughter echoed through the world.
