

SYSTEM: BUILD MY OWN TERRITORY

Chapter 1327 - 347: Spirit Reef Port Falls (10,000)

Chapter 1327: Chapter 347: Spirit Reef Port Falls (10,000)

"Once the Furious Giant Bear Mercenary Corps has destroyed the Church."

"But if they harbor ambitions towards Kakasong City, wanting to seize Kakasong City."

"How should we respond?"

Sitting straight-backed, the snow-white, smooth half-exposed Megan slightly narrowed her eyes.

Although Ludivico's gaze swept over Megan's face.

Megan remained silent, quietly listening.

Ludivico's gaze swept over the faces of each Free Noble, wealthy merchant, and Workshop Master.

His body moved backwards, leaning on the wooden chair's backrest.

Ludivico continued to ask: "Everyone, tell me, what are your thoughts?"

"In my opinion, the most important part of holding a meeting is the discussion of ideas."

"By discussing ideas, find the best solution, and then execute it."

"Not a one-man show, meetings like that are meaningless!"

Upon hearing this, everyone couldn't help but cast appreciative glances towards Ludivico.

"I think..." ree

A deep voice sounded in the meeting room.

Everyone's gaze quickly searched, finally landing on a middle-aged man.

Under everyone's gaze, Gaimir felt mounting pressure, his mouth slightly opened, wanting to speak but hesitated.

Ludivico spoke casually: "Mr. Gaimir, speak freely if you have something to say."

"The predicament we face has been explained by me, now is the time for discussion!"

Gaimir understood, nodded, no longer hesitated, stood up, and spoke.

"Everyone, I am Gaimir Diaz, many of you should know who I am, so I won't introduce myself further."

"Firstly, the Church has forcibly levied the Tithing from our family and shops, seriously affecting our financial income."

"Moreover, it has betrayed the contract established with our family."

"Secondly, the clergy within the Church is a group of hypocritical, lecherous individuals in human skin."

"They actually exploit the trust of believers, taking advantage of them during confession."

"In doing so, they invade the bodies of believers, deceive them out of their money."

"Simply... simply damned!"

The crowd remained silent.

They just looked at Gaimir with a gaze full of a different color.

Because they clearly knew.

Gaimir's wife had an affair with Church Bishop Semo.

Upon knowing everything, Gaimir directly executed his wife.

Gaimir naturally took in the strange gazes cast towards him.

But Gaimir showed no anger, instead spoke.

"The Church has rooted itself and developed in Kakasong City for so many years, with its scale continuously expanding."

"I will definitely not be the only victim, nor the last!"

"Among those present, the residents of Kakasong City have also definitely suffered various harms from the Church!"

Upon hearing this, the faces of those sitting on the wooden chairs instantly changed.

Some even showed anger on their faces.

However.

They deeply knew that even if such things happened, they must not spread outside.

Even if Gaimir was mocking them coldly at this moment, they dared not rebut even slightly.

Gaimir's speech turned, he continued.

"What I want to express is, regardless of the method or the cost."

"The Diaz Clan will spare no effort in support."

"As for how to proceed... Gaimir is willing to follow any directive from Sir!"

After his speech.

Gaimir bent slightly towards Ludivico at the main seat, showing respect.

Ludivico nodded slightly in response.

Seeing Gaimir finish his speech, no one else spoke.

Ludivico's gaze swept across, he asked.

"Does anyone else have thoughts or resolutions?"

"Everyone should be aware that members of the Furious Giant Bear Mercenary Corps have already appeared near Kakasong City."

"We must devise a foolproof strategy to prevent any future problems!"

"Otherwise, even if the Furious Mercenary Corps ultimately wipes out the Church, but then seizes Kakasong City..."

"All we have done would be just preparing the bridal clothes for them."

"Most crucially..."

"Now we are, arguably, the wealthiest people in Kakasong City!"

"Owning luxurious mansions, with vast wealth and resources inside, dozens of shops selling various goods in the city, large tracts of farmland outside the city..."

"So much wealth has a great possibility of inciting the desires of the Furious Giant Bear Mercenary Corps..."

"Like a man starved for decades, seeing a young woman completely naked!"

"Definitely willing to go to any lengths to possess and brutally ravage her..."

Ludivico intensified his voice.

"We absolutely cannot harbor the slightest wishful thinking!"

Everyone nodded in agreement.

Sitting to Ludivico's right, Harry looked directly at Ludivico, and said in a deep voice.

"The Cohen Clan is willing to follow any orders from Sir Ludivico."

Upon hearing Harry's words, everyone looked at Ludivico on the main seat's wooden chair.

Seeing Ludivico's calm and collected expression, they immediately realized something.

Ludivico has already come up with a plan to deal with the situation.

Allowing them to discuss only serves to demonstrate Ludivico's tolerance and inclusivity!

Thus, securing their support even better!

But with the current situation in Kakasong City, they no longer have more choices.

They would join Sir Ludivico's faction, or pledge allegiance to the Church and Bishop Simo.

Comparing both, they undoubtedly prefer joining Sir Ludivico's faction.
