

Tale Of A Flaming Butch.

T.O.A.F.B. By Simon E. Evans

Chapter 1

I jumped into the river holding my breath, from the cutting-edge of the mountains, I call unto Lisa Roogan, “Come on Li!, take a dive.” “No, she said, I can't swim, screaming at the top of her voice and feeling so terrified by the waters.

Not so deep in here, you won't get drowned. And again she screamed No! in her voices, sounding and thundering so loudly before disappearing into the tiny air.

Lisa's phobia for the river in our village is long overdue but she seem not to understand.

Here in the Moogolve Marine village, everyone clocking the ages of thirteen and above fifteen years should know how to swim and Lisa is twenty-two years old and her twenty-third birthday is urgently approaching.

It's obvious that Lisa will never forget Mitchell Johnson, her childhood friend, her best friend who

died years ago drowning before her very own eyes in this same river I ask her to jump into.

Ever Since Mitchel died, Lisa developed fear and hatred for our river. She has developed fear and hatred for our river in all her troubling mind.

But for how long will she Continue to live like this?

The Moogolve Marine Village is the major Clan of all seven kingdoms surrounding this area. Our neighbouring Clans are always in a competitive contest for superior dominance over our territory.

To maintain our lead as major Clan we strive generally to become expertise in both land and sea cultivation.

Every male and female child living in Moogolve Marine village were taught swimming among other skills at an early age to prepare them for any contest with the other neighbouring Clans.

Crop cultivation, fish cultivation and hunting are the major occupation of all seven kingdoms surrounding the Moogolve Marine Village, if you're not good at cultivation, you're good at nothing.

My name is Nathan Roogan Hovah, and I am the eldest child and the only son of Roogan Hovah and Lisa Roogan is my biological sister.

My mother died soon after she gave birth to Lisa my sister, she spent her whole life defending own dignity and the destiny of our Clan because she was the Lead-Huntress warrior of the Moogolve Marine Village, her name's Monalisa Roogan Hovah.

After her demise, everyone within our Clan since had their eye's on the daughter of Monalisa (Lisa Roogan), hoping that one day she'll live up to expectations, becoming as brave like her mother.

Lisa has mastered many skills and cultivation prowess, she is currently the lead female huntress among her peers but she had issues with swimming cultivation and manipulation.

She'll be rejected by people of this Clan and considered unworthy to lead the other women of our Clan if she can't truly swim.
