

TERMINALLY ILL FEMALE LEAD OF AN ANGST NOVEL WENT RAMPANT AFTER HER AWAKENING

Translator: EndlessFantasy Translation Editor: EndlessFantasy Translation

Even Nan Mu was here.

Would Huo Xunzhou be far away?

Ji Yuan was correcting Ning Yunxi's movements.

Lin Shanchu snuck toward the door while he was not paying attention.

Ji Yuan turned around and saw Lin Shanchu sneaking to the door.

He was silent for a moment before he pretended to not see her. "Let's do it again."

The commenters were puzzled.

[Lin Shanchu ran away! Didn't you see it, Yuanyuan?]

[Is it possible that he deliberately let her go?]

[That's possible. After all, Lin Shanchu is his benefactor.] [What's with the whole benefactor thing?]

[Lin Shanchu was the one who exposed Fu Jue's incident...]

The audience in the live broadcast room tacitly replied with a wave of laughter.

Nan Mu had been watching from the door for a while.

When he saw Lin Shanchu coming over, he said with a look of admiration, "Not bad."

Lin Shanchu replied half-heartedly, "It's nothing." Then, she kept looking behind Nan Mu.

"He didn't come." Nan Mu had always been sharp. He knew who Lin Shanchu was looking for without asking.

"Why?" Lin Shanchu was stunned.

Nan Mu looked at her calmly before replying meaningfully, "I also want to know the reason."

Lin Shanchu's expression stiffened.

"What did you do to my innocent Xunzhou in the infirmary that day?"

"It was nothing." Lin Shanchu's expression returned to normal. She looked very calm.

"Then why did he say he wanted to leave the production crew?" Nan Mu asked suspiciously.

"It... It can't be that bad, right?" She had only kissed his hand. He shouldn't be that petty.

Nan Mu had an "I knew something was up" expression on his face.

Only then did Lin Shanchu know that she had been tricked.

Sure enough, the people around Huo Xunzhou were not easy to deal with.

Lin Shanchu turned around and went back to the training room.

“I was lying!” Nan Mu shouted at her from behind.

Although Huo Xunzhou didn’t say that he was leaving the show, he had been acting strangely for the past two days.

He had called Huo Xunzhou today to ask him to come to the program group to see Lin Shanchu.

In the end, Huo Xunzhou hung up the phone as soon as he heard Lin Shanchu’s name.

Nan Mu turned around and walked out.

He took out his phone and called Huo Xunzhou.

“What is it?” Huo Xunzhou’s tone was cold.

“I saw Lin Shanchu just now. Her training’s going well.”

“Oh,” Huo Xunzhou replied.

According to Huo Xunzhou’s usual personality, he would usually say, “If there’s nothing else, I’m hanging up.”

But he didn’t say it today.

He was clearly waiting for Nan Mu to continue.

Nan Mu could sense a hint of “anticipation” in his silence.

He was getting more and more curious about what had happened between the two of them in the infirmary that day.

But he didn’t dare to ask.

Damn it!

Nan Mu would have to think up a way to make that dumb Li MO ask Huo Xunzhou for him.

“She also asked why you didn’t come,” Nan Mu continued.

“Hmm. What else?”

“That’s all. What else do you want her to say?” Nan Mu was confused.

Beep-

The call was hung up.

Nan Mu looked at the disconnected call and fell into deep thought.

Did he miss something?

He felt that the progress of these two people was a little unusual...

All of the singing and dancing groups fell under Ji Yuan's jurisdiction.

After he taught Lin Shanchu's group a few times, he went to the other groups.

During lunch, Lin Shanchu met him again in the cafeteria.

He sat down opposite Lin Shanchu and asked, "Where's Yun Wu? Why isn't she with you?"

Lin Shanchu looked at him in confusion.

"I've been watching your show. You're the closest to Yun Wu. You two are always the first ones to rush to the cafeteria."

Without waiting for Lin Shanchu to speak, Ji Yuan continued, "I noticed that you two didn't eat together these past two days. Did you two fight?"

"Do you have too much time on your hands?" She really didn't expect that a top celebrity like Ji Yuan would have time to follow her show.

Furthermore, he was a man. His focus was not on her beauty or performance, but rather, he was focused on her friendship with Yun Wu.

"I'm quite busy, but I have some time to watch the show if I squeeze in." Ji Yuan chuckled. He didn't look very smart. Lin Shanchu didn't say anything.

Also, she began to panic.

If she allowed Ji Yuan to continue speaking like this, she would soon be torn apart by his fans.

"There are still cameras broadcasting in the cafeteria," she reminded.

"I know. I watched the episode when your friends came to visit you." Ji Yuan smiled.

He was referring to the chaotic time when Tang Qidai and Lu Shiyuan came to visit Lin Shanchu.

This top-class young man really dared to say anything.

The comments went ballistic.

[Guys, am I seeing things? Is Lin Shanchu scared?] [Hahaha! Lin Shanchu has finally met her match! Ji Yuan is really daring!]

[But Yuanyuan's words can be easily misunderstood.]

Ji Yuan stretched his neck and waved at the camera.

He explained with a serious look on his face, "Big Sister Lin has contributed to the success I have today. Don't you guys agree with me, Circles?"

Circles was the name given to his fans. The commenters responded happily.

[The Circles agree with you!]

[Thank you for your support, Big Sister Lin!]

[Hahaha! Big Sister Lin contributed to the success!]

[This is the first time I've seen Lin Shanchu's pupils tremble. Is Ji Yuan here to jinx her?]

[It's been proven that Ji Yuan is a comedian.]

Lin Shanchu advised Ji Yuan with mixed feelings, "Let's eat."

"The food in your cafeteria is pretty good," Ji Yuan muttered as he ate. In order to prevent Ji Yuan from making any more dangerous comments.

Lin Shanchu decided to ignore him.

However, she soon realized that ignoring Ji Yuan did not work.

Throughout the entire meal, he was talking to himself. That was until he saw Yun Wu walking over.

"Yun Wu is here to find you."

"Mr. Ji." Yun Wu looked at Ji Yuan.

"Ms. Yun, you are the teacher here." Ji Yuan was convinced of Yun Wu's strength.

The two of them modestly praised each other for a short while. Yun Wu finally had the chance to talk to Lin Shanchu. "Let's chat."

"I'll be leaving first." Lin Shanchu left after bidding Ji Yuan goodbye.

Ji Yuan looked at the back view of the two people leaving before turning to say to the camera happily, "It seems that Big Sister Lin and Ms. Yun didn't fight after all."

"Hahaha!" The comment section was filled with laughter again.

Yun Wu brought Lin Shanchu to the balcony that was located in the blind spot of the surveillance cameras as mentioned by Xia Jinmeng.

The balcony was a semi-open space.

It was located right next to the corner of the stairs.

There were stairs leading up and down.

"What do you want to talk about?" Lin Shanchu glanced at the corner of someone's clothes poking out of the stairway above.

Yun Wu followed her line of sight and gazed at the same spot as well. "You're very proud of yourself for getting first place, aren't you?"

"So, the reason why you've been ignoring me recently is that I won first place." Lin Shanchu sighed lightly.

"Do you think you're worthy of that rank?" Yun Wu sneered.

"Are..." Lin Shanchu paused for a moment before asking in a choked voice, "Are you like the others who think I'm not worthy?"

"Big Sister..." Slightly startled, Yun Wu subconsciously wanted to deny it.

"If that's the case, we have nothing to talk about!" Lin Shanchu interrupted her in time.

She was about to leave after she finished speaking.

Noticing this, Xia Jinmeng quickly ran down the stairs.

“Yun Wu, hurry up and grab her!” Yun Wu was a little hesitant.

Lin Shanchu shot her a look.

Yun Wu pursed her lips and grabbed Lin Shanchu firmly.. “Do you think we’ll let you leave so easily?”

Chapter 82: The Devil Dressed Like An Angel

She adhered to the principle of making a good show.

Lin Shanchu immediately showed a look of disbelief. “Yun Wu, you and Xia Jinmeng... you two...”

Although it was an act, Lin Shanchu’s tone was so sad and real that Yun Wu began to blame herself.

Yun Wu paused and turned to look at Xia Jinmeng. “What do we do next?”

Xia Jinmeng glanced downstairs and sneered. “Push her down the stairs.”

If Lin Shanchu was pushed down from here and survived the fall without breaking her leg, Xia Jinmeng would consider it a total loss.

Once the performance of “Death of the Universe” was ruined, Lin Shanchu would have to pack up and leave.

The first place could only belong to Xia Jinmeng!

Noticing that Yun Wu didn’t move for a long time, Xia Jinmeng impatiently urged, “Do it!”

Lin Shanchu and Yun Wu looked at each other before the latter retreated to the side automatically.

“Xia Jinmeng, you still haven’t improved at all.” Lin Shanchu’s lips curved up slightly with disdain written all over her eyes. “You’re even worse than Wen

Tongtong. ”

At least Wen Tongtong kept a clear head and knew her own situation well.

Meanwhile, Xia Jinmeng was still using the same method that she had failed to use on Lin Shanchu before.

Xia Jinmeng gritted her teeth. “You useless piece of trash! What right do you have to look down on me?”

In terms of strength, Lin Shanchu could not compare to her at all.

However, Lin Shanchu always looked down on her.

Just the sight of her made Xia Jinmeng hate her so much.

Xia Jinmeng walked toward Lin Shanchu aggressively with a cold and dark expression on her face.

Lin Shanchu was already ready for Xia Jinmeng's advances.

She dodged while raising her foot.

Thud!

Xia Jinmeng was kicked to the corner of the wall.

However, Lin Shanchu wasn't the one who kicked her.

She turned her head to look at Yun Wu.

Yun Wu stretched the leg that kicked Xia Jinmeng while explaining, "I practiced martial arts when I was young."

Lin Shanchu silently retracted her foot. "Oh."

As expected, Yun Wu was supposed to become the female lead, right?

She was better than Lin Shanchu in every way.

Hell.

"You two..." Only then did Xia Jinmeng realize that Yun Wu didn't fall out with Lin Shanchu at all.

Lin Shanchu then crouched down in front of Xia Jinmeng.

She had a smile on her face and looked no different from usual, but Xia Jinmeng was creeped out by her smile.

Xia Jinmeng was so frightened that her pupils shrank and her eyelashes trembled. "What... What are you doing?"

"Do you know what the difference is between you and Tang Qidai?" Lin

Shanchu gripped Xia Jinmeng's chin. Her overly gentle voice sounded a little strange.

Under Xia Jinmeng's frightened gaze, moved closer to her.

"She only told a small lie and got everything she wanted, whereas you have to take the risk of being discovered and push me down the stairs just to barely keep your first place..."

Lin Shanchu suddenly stopped.

That was because she could see another emotion in Xia Jinmeng's eyes other than fear. It was disgust.

Lin Shanchu tentatively stepped back.

The disgust in Xia Jinmeng's eyes faded a little.

She leaned forward.

Xia Jinneng's eyes were filled with disgust again. She even looked as if she wanted to stay as far away from her as possible.

Last time, Xia Jinneng seemed to have asked her if she didn't like men...

Lin Shanchu was like a child who had discovered something new. She stared at Xia Jinneng with interest.

"Xia Jinneng, you're very pretty. You're my type."

As Lin Shanchu spoke, she stretched out her hand and gently stroked Xia Jinneng's face.

Yun Wu's eyes widened. She was confused by the turn of things as well. Was this a scene that a one-year-and-220-month-old baby like her could watch?

Her older sister's sexual orientation seemed to be different from hers.

That was not the main point!

The main point was, why did her sister like Xia Jinneng?

Yun Wu was clearly stronger than Xia Jinneng, okay?

Lin Shanchu's hand slid down Xia Jinneng's cheek.

It streaked down her neck.

Then, it reached her collarbone.

Xia Jinneng couldn't take it anymore. She screamed while crawling to the side so that she could get up and escape.

In her panic, she didn't see that the stairs were on the other side.

So, she fell straight down the stairs.

The screams echoed in the corridor.

"My foot..." Xia Jinneng tried to stand up, but her foot was in too much pain.

Just as she got up, she fell back down.

She subconsciously looked up and wanted to ask for help.

What came into view was Lin Shanchu, who was standing high above the stairs.

Lin Shanchu looked down at her.

Her beautiful eyes were rendered by a faint smile, making her as beautiful as a goddess, but she also resembled a devil dressed like an angel.

Once Lin Shanchu locked onto her target...

She would immediately take their life.

Xia Jinmeng, who was a few meters away from her, felt as if she was being strangled by an invisible chain. No matter how hard she tried, she couldn't make a sound.

"How can there be such a stupid person?" Yun Wu walked over and looked at Xia Jinmeng in confusion.

She had been standing behind Lin Shanchu, so she did not see Lin Shanchu's expression from the beginning to the end.

Although she was quite puzzled about Lin Shanchu's behavior of touching Xia Jinmeng's face, she did not think much about it.

She only thought that Xia Jinmeng had fallen down by accident.

Lin Shanchu agreed with a serious face. "It's true that she's a little dumb." "Let's go find the doctor." Lin Shanchu turned around and walked out first.

When she opened the safety door and walked out, Lin Shanchu saw Ji Yuan walking over from not far away.

"Big Sister Lin!" The moment Ji Yuan saw her, he waved at her. "Ji Yuan? Why hasn't he left yet?" Yun Wu caught up with Lin Shanchu.

A top celebrity like Ji Yuan had a lot of gigs.

Even if 'My Stage' was Tianzhou Media's own show, it was already good enough that he could spare half a day to show his face.

"Maybe he's free for now," Lin Shanchu said lightly.

Ji Yuan had already walked in front of the two of them.

"This place is quite big. It's much better than the place we lived in during the talent show I was in. Back then..." He chatted with them like they were old friends.

"Did you guys hear something?" Ji Yuan suddenly paused.

Of course, Lin Shanchu heard it.

It was Xia Jinmeng's cry for help.

Yun Wu did not speak. Instead, she looked at Lin Shanchu in silence.

"I heard it. It seems to be coming from behind." Lin Shanchu turned around and pushed open the safety door.

Ji Yuan and the girls sent Xia Jinmeng to the infirmary.

"You sprained your foot. Fortunately, you didn't hurt your bone. It's just a soft tissue injury. You'll recover after two to three weeks of rest."

Xia Jinmeng got agitated the moment she heard the doctor's words. "There's still a little over a week before the first public showdown! I can't rest – I still have to practice my dance!"

"Strenuous exercise may cause irreversible damage," the doctor said with a serious expression.

Xia Jinmeng's face darkened.

"I heard that Jinmeng was injured."

The director pushed the door open and walked in with the staff members.

Xia Jinneng didn't perform well the previous two times, so she didn't manage to gain much popularity. However, her fans were very good at hyping her up, so she was still on the production crew's main focus list.

The thought of being unable to perform onstage agitated Xia Jinneng even more.

She shouted at the director. "Director, it was Lin Shanchu who pushed me! She called me to a place without surveillance cameras and pushed me down the stairs on purpose!"

The ward instantly fell silent.

Everyone looked at each other. No one dared to speak..

Chapter 83: Romantic Scandal

Yun Wu was two years younger than Lin Shanchu.

Usually, no matter how cold she was in front of outsiders, she was still just a little girl.

Although they weren't the ones who pushed Xia Jinneng, they had something to do with it.

Yun Wu grabbed Lin Shanchu arm uneasily.

Lin Shanchu gently patted Yun Wu's hand.

She walked out of her spot and looked straight at Xia Jinneng.

"Xia Jinneng, you do realize that you can't say whatever you want."

Xia Jinneng was so terrified that she didn't dare to look Lin Shanchu in the eye.

"Director, believe me! It was really Lin Shanchu who pushed me! She's afraid that I'll take her first place, so she wants me to be injured and not be able to perform on the stage!"

"Calm down," the director said with a complicated expression. "We can talk it out."

Some of the young girls nowadays were coaxed by their fans to the point that they couldn't see the reality.

Other than her fans, Xia Jinneng had no social connections at all.

There were a lot of passers-by who followed Lin Shanchu.

There were netizens who had been following the love triangle of Lin Shanchu, Lu Shiyuan, and Tang Qidai for a long time.

There were also Tang Qidai's haters.

The remaining relationship fans of Lu Shiyuan and Lin Shanchu were still around.

Finally, there were many fans who followed Ji Yuan to this show today...

In any case, all kinds of strange things could attract attention.

Xia Jinneng wasn't listening to anything right now.

"Just because her fiancé sponsored the show, you're all biased toward her?" Lin Shanchu's ears were buzzing with Xia Jinneng's shrieking voice. She frowned and said impatiently, "In that case, let's call the police."

Xia Jinneng's expression changed as she turned to look at the director.

"Okay." The director nodded in agreement. "We'll call the police."

Xia Jinneng was one of the key students on the list, so the production crew had some understanding of her.

In this industry, whether it was in front of the stage or behind the scenes, one could not survive if they weren't smart.

The people in the production crew weren't blind. Naturally, they noticed all of Xia Jinneng's actions.

If she insisted on making a scene, the production crew wouldn't let her have her way.

"Jinneng, do you agree to call the police?" the director asked. Xia Jinneng wilted immediately as if she was deflated balloon.

"It's not a big deal. Let's forget it."

After this incident, she also realized that Lin Shanchu was not as stupid as

Tang Qidai had said.

On the contrary, Lin Shanchu was very cunning.

There were no surveillance cameras at the place where she had an accident.

Even if she insisted that Lin Shanchu was the one who pushed her, Lin Shanchu should have already thought of a way to escape.

In short, Xia Jinneng wouldn't get anything out of it even if she called the police.

However, she would not let Lin Shanchu off just like that!

The director didn't say anything more. He comforted Xia Jinneng briefly before leaving.

Lin Shanchu followed the director out.

When she reached the door, she could vaguely hear Xia Jinneng talking to someone inside.

Just as she was about to turn back to look, the director called her to the side.

Lin Shanchu only had time to see half of the man's side profile from the half-closed door of the ward.

It was a staff member of the production crew.

Did Xia Jinmeng know someone from the production crew?

After the director finished speaking, he noticed that Lin Shanchu did not respond for a long time. “Lin Shanchu, I’m talking to you. Are you listening?” “Yes.” Lin Shanchu replied half-heartedly. “What did you just say?”

The director repeated in irritation, ‘Where’s my recording pen?’

The young girl had borrowed a recording pen from him two days ago, claiming that she wanted to record songs and practice hard.

“How can a prominent director like you be so stingy?” The recording pen that the director had lent her was quite old. She didn’t expect him to want it back.

The director quickly shook his head. “I don’t want you to return it. That recording pen is too old, so it’s not working well. I wanted to get you a new one.”

Lin Shanchu rejected his good intentions. “Thank you. The old one can be used.’

She left after she finished speaking.

The director touched the top of his head, which was gradually thinning because of the ratings. He thought with some relief that Lin Shanchu was a nice girl who was thrifty and simplistic.

Most importantly, she could increase the ratings with just her presence.

“You even brought a recording pen with you?” Yun Wu asked her on the way back.

“Yes.”

Lin Shanchu stopped in her tracks when she heard this. She took the recording pen out of her pocket and deleted all of the recordings.

“Why did you delete all of them?” Yun Wu was surprised.

“I borrowed it to record songs, so I’m clearing the memory.”

Lin Shanchu had originally thought that she could record something useful when she met Xia Jinmeng with the recording pen.

Unfortunately, Xia Jinmeng was too disappointing.

All Lin Shanchu did was touch Xia Jinmeng’s face and neck, and she got so scared that she fell down the stairs.

In the ward.

“Jiang Ziyu.”

Xia Jinmeng looked at the man with the work pass in front of her after calling out his name. “I haven’t seen you for so many years. You’ve changed a lot.”

“Is there anything you want me to tell Daidai?” Jiang Ziyu looked up and smiled at her.

“But one thing hasn’t changed,” Xia Jinmeng said sarcastically. “You’re still the same as before. All you talk about is Daidai.”

Jiang Ziyu smiled, but he didn't speak.

Ads by Pubfuture

He had a very neat crew cut and worked in the studio all year round. His skin was a little abnormally pale, and his facial features were quite plain. When he smiled, he looked gentle and honest.

Seeing this, Xia Jinmeng decided to cut to the chase without saying much. "I want to talk to Daidai on the phone." Tang Qidai was really amazing.

She was able to coax every man around her.

Whether it was Lu Shiyuan or Jiang Ziyu, they were both devoted to her.

Although Xia Jinmeng didn't want to admit it, Lin Shanchu was right about one thing.

In terms of coaxing men, she was indeed not as good as Tang Qidai.

"All right." Jiang Ziyu took out his phone and called Tang Qidai.

The news of Xia Jinmeng's injury spread among the members.

Many members went to the infirmary to visit Xia Jinmeng.

Wen Tongtong didn't go.

Taking advantage of the fact that there was no one in the training room, Wen Tongtong lowered her voice and asked Lin Shanchu, "Did you do it?" Lin Shanchu's physical condition today was bad.

After practicing for a while, she had to lie on the floor to rest for a while. At the moment, she was resting on the ground with her eyes closed.

"What?" She did not even open her eyes.

"You know what I'm talking about," Wen Tongtong said.

Lin Shanchu laughed before asking, "Why would I do that? What's the point?"

Wen Tongtong was stumped.

Lin Shanchu was right.

What would Lin Shanchu have to gain by pushing Xia Jinmeng downstairs?

Lin Shanchu was already in the first place, so there was no reason for her to do this.

However, she still had a vague feeling that this matter was related to Lin Shanchu.

Lin Shanchu only opened her eyes after Wen Tongtong left.

Her body started to hurt again.

This body really acted up whenever it wanted to. It was as if it was toying around with her.

"Idiot."

She released the blocked handyman system in her mind.

Huo Xunzhou wasn't on the show today.

She had to think of a way to get some health points to sustain her life.

Just as she unblocked the system, a mechanical notification sounded in her mind.

[Congratulations to the host for completing the romantic scandal mission. The health card has been issued and can be activated at any time.]

Lin Shanchu was speechless.

She was in the training room, so how was it possible for the scandal to spread?

“What's going on?” Lin Shanchu was surprised.

She didn't know what the system was doing, but it made a lot of noise. In the end, it only had time to say one sentence. [Huo Xunzhou has come....]

Chapter 84: Why Don't You Give Me Some Hints, Mr. Huo?

Translator: EndlessFantasy Translation Editor: EndlessFantasy Translation

Lin Shanchu was still thinking about what the romantic scandal was about when the system went silent.

She sat up from the ground and saw Huo Xunzhou surrounded by a crowd.

The light from a perfect character was quite dazzling.

No matter where he went, he would be the center of attention.

She had already obtained the health points, so she didn't want to join in the fun.

She tried to activate her health points.

[Beep!]

[Your health card has been activated. It's valid for 30 days.]

Lin Shanchu asked, “Do you have to be so stingy? Can't it be counted as 31 days?”

The system did not respond.

The changes in her body were unusually obvious.

The pain disappeared.

There was a strange sense of lightness.

Was this the feeling of being healthy?

Lin Shanchu was so excited that she did splits on the spot.

The feeling of being healthy was too good!

She couldn't help but roll on the ground. When she got up to tidy her clothes, she realized that everyone's eyes were on her.

Lin Shanchu's entire body froze.

The commenters were laughing at her.

[Did Ji Yuan infect Lin Shanchu with his silly behavior?] [I don't understand what she's doing, but I think it's funny! Hahaha!] [Come on, it's super cool for a beautiful lady to roll around.]

[Don't stop me! I love beautiful and crazy women!]

Everyone looked like they wanted to laugh but were too embarrassed to.

Huo Xunzhou was the only one with a cold expression.

"Lin Shanchu, come here for a moment. I have something to tell you." Nan Mu tried not to laugh as he called out to her.

"Oh," Lin Shanchu replied.

It couldn't be...

Did he want to have a private conversation with her about her rolling in public?

Lin Shanchu and Nan Mu went to the meeting room. "You're on the trending list again."

Nan Mu clearly emphasized the word "again".

So it wasn't because of the rolling.

"Is it because of the romantic scandal?" Lin Shanchu remembered that the system had told her that she had completed the task of starting a romantic scandal.

After she finished speaking, she glanced at Huo Xunzhou, who was drinking water not far away from her.

Could it be a scandal with Huo Xunzhou?

Could it be that someone secretly took pictures of her kissing Huo Xunzhou's hand and posted them online?

"I guess you can call it that." Nan Mu nodded with a strange expression.

He handed the phone to Lin Shanchu.

The headline in bold was very eye-catching.

[Lin Shanchu, the first-place holder of the last episode of "My Stage", is suspected to have a special sexual orientation.]

[According to an insider, the controversial member of "My Stage", Lin Shanchu, is suspected of being gay. She has been harassing other members in the training camp for a long time...]

[Gentleness and kindness are just her weapons to win the favor of other members. Netizens who have followed “My Stage” should know that Lin Shanchu is very popular in the training camp. She has had close contact with many members...]

There were already thousands of comments under the news article.

[Is this true? It’s so disgusting!]

[Oh my god! She even touched An’an’s face in the past! Yuck!]

[I was very puzzled as to why someone from a prominent background like her didn’t put on any airs. She was especially nice to the other young girls. It turns out that this is the reason!]

[Why... Why do I feel like this is quite interesting?]

[If you like a heterosexual girl, would you still find interesting if that girl was touched by Lin Shanchu?]

[What she said about proving herself must be a pretense! This kind of person is definitely a malignant tumor to have entered a girl group talent show!]

[No wonder Lu Shiyuan got together with Tang Qidai. He also thinks that Lin Shanchu is disgusting. He must feel very wronged. What a poor guy...] After reading the news, Lin Shanchu was silent.

She actually thought that she could have a romantic scandal with Huo Xunzhou.

She was definitely delusional.

“Well...” Nan Mu asked. “What do you think of this?”

Lin Shanchu replied, “I think the person who did this is very creative.”

Nan Mu was silent for a moment. “What I mean is, can you guess who did this?”

Lin Shanchu thought about it and nodded.

This definitely had something to do with Xia Jinmeng.

Xia Jinmeng and Tang Qidai were the same. They only cared about benefits. Even if they had fallen out previously, they would still get back together again for the sake of a common goal.

With Xia Jinmeng’s idea and Tang Qidai adding fuel to the fire, Lu Shiyuan, who was eager for her to be out of the entertainment industry, must have also given them a hand.

They were a huge pile of trash!

At this moment, there was a knock on the door.

“President Nan.” It was the voice of Nan Mu’s assistant.

“Come in,” Nan Mu called out.

The assistant saw that Lin Shanchu was also there, so he looked a little hesitant.

“Just say it,” Nan Mu said.

“The popularity of the trending topic can’t be suppressed,” the assistant replied.

Lin Shanchu looked at Nan Mu in surprise. “Are you helping me to suppress the popularity?”

“Yup. I’m your boss, after all.” Nan Mu nodded. “Of course, I’ll help you suppress the popularity.”

“Oh, right,” Lin Shanchu muttered.

She had almost forgotten that she was under a management company now.

Ads by Pubfuture

She was no longer an isolated and helpless person.

Nan Mu furrowed his brows slightly. He glanced in Huo Xunzhou’s direction and deliberately raised his voice.

“It seems like Lu Shiyuan has joined the fun.”

Huo Xunzhou did not seem to hear him. He did not even look in his direction.

Lin Shanchu was thinking about her own matters, so she did not notice Nan Mu’s actions.

She smiled while saying, “There’s no need to suppress the popularity. I have a way to get Lu Shiyuan to take the initiative to clarify things for me.” Nan mu wondered out loud, “How can you still smile at a time like this...” He felt that Lin Shanchu’s idea was not reliable.

Lu Shiyuan couldn’t wait for Lin Shanchu to leave the show. How could he possibly help her?

Lin Shanchu’s smile deepened. “I’m happy, so it’s natural for me to smile.” Xia Jinmeng had unknowingly helped her out.

Since Lin Shanchu was caught up in a romantic scandal, she ended up obtaining the health card from the system.

As the saying goes, those who help themselves will be helped by the heavens.

This was probably the case.

When you start to save yourself, even the heavens will help you.

Meanwhile, Nan Mu was speechless.

He really could not understand Lin Shanchu.

Li MO was right. Lin Shanchu and Xunzhou were a perfect match.

The two of them were harder to understand than the other.

Nan Mu decided to leave the meeting room to the two god-like people. “I’ll go out and make a phone call.”

When Nan Mu was in the office, Lin Shanchu didn’t feel that anything was wrong.

However, after he left her and Huo Xunzhou in the meeting room, she felt that something was wrong.

Huo Xunzhou was still looking at his phone as if she was invisible.

Since that was the case...

It should be fine if she were to sneak away, right?

Huo Xunzhou, who had been focused on his phone, suddenly called out to her.

“Lin Shanchu.”

Did this man install a surveillance camera in her head?

Otherwise, how could she explain why he suddenly spoke up when she was about to leave?

Lin Shanchu forcefully retracted her leg that had stepped out.

“What’s up, Mr. Huo?” She had a smile on her face while acting nonchalant, but the words she said were very polite and distant.

Huo Xunzhou’s originally indifferent face lost all its warmth in an instant.

The atmosphere in the room suddenly froze.

An invisible sense of oppression came over.

“Don’t you have anything to say to me?”

His magnetic voice was cold and inexplicably dangerous.

Lin Shanchu instinctively felt that if she did not answer this question properly, the consequences she would have to suffer might be a little more serious. “Why don’t you give me some hints, Mr. Huo?” she probed after some deliberation..

Huo Xunzhou couldn’t help but chuckle out of anger.

“Didn’t you ask Nan Mu why I didn’t come today?”

He must have gone crazy.

That must be the reason why he rushed over to the set immediately after hearing Nan Mu tell him that Lin Shanchu asked about his absence.

In the end, this heartless woman didn’t even look at him.

The more Huo Xunzhou thought about it, the angrier he got.

He threw his phone on the table before loosening his collar in annoyance. Then, he got up and walked to the window.

His silhouette clearly meant “I’m very angry but I won’t say anything about it” to Lin Shanchu.

Lin Shanchu was not stupid.

Huo Xunzhou's behavior was so obvious that she naturally understood it. She pondered for a moment before slowly approaching Huo Xunzhou from behind.

"I'm sorry," she said.

Huo Xunzhou turned around and frowned. His expression clearly said, "What the hell are you talking about?"

Lin Shanchu tried to analyze Huo Xunzhou's expression.

She had thought that Huo Xunzhou was still angry about her kissing his hand the other day.

However, Huo Xunzhou's confused expression did not seem like he was here to hear her apology.

Lin Shanchu stared at him for a long time, but she could not guess what he was thinking.

She might as well stop guessing.

"So, why didn't you come today?" she asked.

"I was busy," Huo Xunzhou replied coldly.

"Then why are you here now?" Lin Shanchu asked.

"Why do you care?" Huo Xunzhou paused.

"I was just asking..." Lin Shanchu suddenly stopped.

She recalled what Huo Xunzhou had said earlier.

An arrogant and bold guess appeared in her mind.

Could it be that Huo Xunzhou came here just because she had asked Nan Mu why he didn't come?

Was he that concerned about her?

Seeing that Lin Shanchu suddenly stopped mid-sentence, Huo Xunzhou urged calmly, "Speak up."

His tone was no different from usual.

It was probably just her imagination.

Huo Xunzhou was the perfect character without any relationship plot.

He was just a career-minded person!

No matter how twisted the plot was, it was impossible for him to have an emotional entanglement with the female lead of a sadist novel like her who lived at the bottom of the food chain.

She kept silent, so Huo Xunzhou waited patiently.

"...I'll be leaving then." Lin Shanchu pointed in the direction of the door.

Huo Xunzhou looked at her with a complicated expression for a moment before sighing. “What method are you going to use to get Lu Shiyuan to come forward and help you clear your name?”

It turned out that he had heard what she had said just now.

Lin Shanchu’s eyes widened. ‘Weren’t you playing on your phone just now?’

Huo Xunzhou just looked down at her, as if he had no intention of answering her question.

Not only was Lin Shanchu not angry, but she also felt that it was very exciting to see a beautiful and good-looking man like Mr. Huo the movie star look cold and distant.

Lin Shanchu’s lips curved upward while enunciating each word carefully. “I’m going to fight fire with fire.”

The young girl was obviously very satisfied with her plan. Her face was full of confidence, and her cat-like clear eyes were shining.

After she joined the production crew, Huo Xunzhou felt that she was different every time he saw her.

She started smiling a lot, and her gaze started becoming bright again.

It was like water returning to a dried-up river that started to come back to life bit by bit.

It was resilient, vivid, and extremely dazzling.

Huo Xunzhou’s face revealed a smile that he did not notice.

“You should return.”

“Aren’t you going to listen to my detailed plan?”

At this time, Huo Xunzhou looked particularly easy to talk to, which made Lin Shanchu want to confide in him.

The smile on Huo Xunzhou’s face became more obvious.

“Lu Shiyuan’s appearance was nothing more than an attempt to suppress you and force you to submit. If you do the opposite, he will be in a mess. At that time, the initiative will fall into your hands. He will not be able to control the situation.”

The smile on Lin Shanchu’s face gradually disappeared.

As expected, not everyone could become a movie star that had won three awards.

Huo Xunzhou was able to guess her thoughts in such a short time.

However, Lin Shanchu did not intend to admit defeat just like that.

“So? What do you think I should do next?” Maybe Huo Xunzhou just happened to guess what she was thinking.

“Next, you’ll have Nan Mu release the news that you’re going to hold a press conference to admit that everything in the news article is true. Also, you’ll be making a public apology.”

As soon as Huo Xunzhou finished speaking, Lin Shanchu’s face became completely serious.

Huo Xunzhou knew that he had guessed everything right, but his expression remained calm.

He leaned over slightly so that his line of sight leveled Lin Shanchu's eyes. His soft voice sounded nonchalant as he asked, "What? Did I say something wrong?"

How could it be wrong?

It was exactly the same.

In the past, she had a weak personality, so Lu Shiyuan often used it to manipulate her.

This time, Lu Shiyuan probably thought that she would be afraid of making a big deal out of it, so she would beg for mercy from him.

Once that happened, Lu Shiyuan would be able to manipulate and control her like before.

He had always enjoyed the feeling of being high and mighty and controlling the fate of others.

Lu Shiyuan was also so conceited that he refused to believe that Lin Shanchu was no longer a pushover that could be manipulated by others.

Therefore, Lin Shanchu wanted to make this matter as big as possible!

On the surface, she was still Lu Shiyuan's fiancée. If things got out of hand, it would hurt Lu Shiyuan's reputation.

The Lu Corporation would definitely be affected.

At that time, Lu Shiyuan would only have two options.

One, he could break off his engagement with Lin Shanchu and draw a clear line with her.

Two, he could come out and clarify the matter.

No matter which path Lu Shiyuan chose, it was still a win in Lin Shanchu's book no matter what.

She hoped that Lu Shiyuan would be sensible and break off the engagement with her.

Huo Xunzhou's face was very close to hers.

Lin Shanchu's heart palpitated under his burning gaze, prompting her to quickly take a step back.

She put some distance between them.

"Mr. Huo, you're smart," she said seriously. "Why don't you guess how Lu Shiyuan will deal with this?"

"I'm guessing that you won't get your wish this time, Shanshan." Huo Xunzhou slowly stood up, his alluring eyes showing a knowing smile.

He could even tell that she hoped Lu Shiyuan would choose to cancel the marriage.

They were clearly living in the same world constructed by the novel.

Huo Xunzhou was smart, rich, and good-looking. From the start, he was already a movie star.

However, Lin Shanchu only rediscovered her intelligence after going through her awakening. She already started her life in hell mode.

Was this the difference in the world?

Lin Shanchu was speechless.

She was also a little angry.

“You’re not right,” she said coldly.

Lin Shanchu got angry.

Huo Xunzhou only smiled and did not say anything.

“Goodbye!” Lin Shanchu didn’t know what was funny. So what if Huo Xunzhou is the perfect character?

Fine.

He was indeed amazing.

He could also extend Lin Shanchu’s life. Huo Xunzhou’s magnetic voice came from behind. “Take care, Shanshan.”

Lin Shanchu stumbled and almost fell to the ground.

She seriously suspected that Huo Xunzhou was calling her so intimately on purpose to see her embarrass herself.

To think that a cold and distant movie star like him was actually mischievous!

Lin Shanchu quickly left the meeting room without looking back.

The melodious sound of the piano in the restaurant created a nice atmosphere. The location was perfect for couples to date there.

“Brother Shiyuan, try this...”

Tang Qidai put some food on Lu Shiyuan’s plate with a gentle expression on her face. However, when she looked up, she saw Lu Shiyuan fiddling with his phone again. The smile on her face stiffened..

Chapter 86: Don ‘t Speak Nonsense, It Was A Compliment

Tang Qidai could no longer remember how many times Lu Shiyuan had checked his phone.

She was the one who took the initiative to ask Lu Shiyuan out for this meal today.

The main reason she asked Lu Shiyuan out for a meal was to test Lu Shiyuan’s attitude toward Lin Shanchu’s gay scandal.

However, on the way here, Lu Shiyuan had been looking at his phone absentmindedly.

Lu Shiyuan was still the same even when they were at the table.

She was sitting right in front of him, but she didn't even have the chance to talk to him.

"Brother Shiyuan, are you worried about Shanshan?" Tang Qidai suppressed the unhappiness in her heart and pretended to be understanding. Lu Shiyuan suddenly raised his head. "What's wrong with Lin Shanchu?" Tang Qidai's grip on her chopsticks tightened unconsciously.

She had chatted about a lot of things with him before, but he didn't respond at all as if he hadn't heard her.

However, when she mentioned Lin Shanchu the b*tch, Lu Shiyuan finally responded.

As expected, she shouldn't have taken Lin Shanchu lightly.

"Everyone on 'My Stage' is getting ready for their first public showdown, so the live broadcast room is temporarily shut down. I know you're worried about Shanshan. How about I accompany you to the production crew to visit her tomorrow?"

Tang Qidai's face didn't reveal any of her true emotions. Her voice was gentle and understanding.

Lu Shiyuan couldn't help but blame himself.

Recently, both of them had been busy. They finally had time to have a meal together. Not only did he not talk to her properly, but he also made her worried.

He put his phone aside.

"You're always thinking about others, so you should think more about yourself. There's no need to keep worrying about Lin Shanchu. She asked for it." At the mention of Lin Shanchu, Lu Shiyuan's voice turned cold again.

Tang Qidai was secretly delighted. "But... Shanshan is still participating in the talent show. The rumors on the internet have a big impact on her. I saw a lot of people scolding her on her Weibo before. Let's help her."

Lu Shiyuan still loathed Lin Shanchu as usual.

All Tang Qidai had to do was speak up for Lin Shanchu. The more Lu Shiyuan felt that she was kind, the more his heart ached for her. "Let's eat. Don't mention her. It kills the mood."

Lu Shiyuan grabbed some food for her.

Tang Qidai picked up her bowl and shyly accepted the food. "Thank you, Brother Shiyuan."

Lu Shiyuan entered his study the moment he got home.

He turned on his computer with the intention to work, but he ended up clicking on Lin Shanchu's Weibo page instead.

Just as Tang Qidai had said. Lin Shanchu's Weibo was full of comments scolding her.

During this period of time, Lin Shanchu frequently appeared on the trending list and earned enough popularity.

Now that such news had come out, the number of people scolding her had also doubled compared to before. It immediately became a trending topic.

Lu Shiyuan browsed through those unsightly comments scolding Lin Shanchu. A cold smirk curled on his lips.

The young woman who had grown up with him was excruciatingly naïve at times.

She was so naïve that she thought that by hiding in a talent show and signing with Tianzhou Media, she would be able to leave him forever.

How could Tianzhou Media be a match for the Lu Corporation?

In the end, Lin Shanchu still had to come back and beg for mercy. She would have to beg for him to help her settle this matter.

Lu Shiyuan could not help but chuckle when he imagined Lin Shanchu coming back to beg him.

Lin Shanchu would beg for his help latest by tomorrow.

At the thought of this, Lu Shiyuan got up and left the study to go downstairs.

When the older butler noticed Lu Shiyuan coming downstairs, he asked respectfully, “Do you have any orders for me, Master Lu?”

“Clean the room across from mine.”

“Yes, sir.”

Lu Shiyuan decided to make it clearer. “Do it now.” “Is a guest visiting us?” The old butler was a little surprised.

“She’s not a guest.”

Lu Shiyuan was in a good mood. He explained patiently, “Lin Shanchu will be back tomorrow.”

“Ms. Lin?” The old butler remembered that Lin Shanchu had set the Lu residence on fire, so he was extremely puzzled.

Ms. Lin was such a weak person. If she dared to set the house on fire, it was clear that she wanted to break off relations with Master Lu.

How could she have returned?

However, Lu Shiyuan seemed to be in a good mood, so the old butler didn’t dare to ask him.

In order to create suspense, the production crew shut down the live broadcast room after Ji Yuan came to complete his assistant instructor role.

The cameraman continued to record the members’ training progress. After that, the production crew would edit out the interesting parts and broadcast them during the first public showdown.

The temporary closure of the live broadcast room could only prevent the netizens from scolding and insulting Lin Shanchu in real-time.

It did not affect the members at all.

The members continued to wake up early and sleep late. Other than that, they spent their days training hard.

Lin Shanchu woke up at six o'clock.

After she got out of bed and washed up, she dragged Yun Wu out of bed.

"I'll give you three minutes to wash up."

Yunwu climbed out of bed in a daze. "Why are you up so early?" Lin Shanchu replied, "To have breakfast, of course!"

"Huh?" Yun Wu was stunned.

Lin Shanchu approached her with a mysterious look. Yun Wu thought that Lin Shanchu wanted to tell her a secret, so she perked up immediately. In the end, Lin Shanchu lowered her voice and said, "Today's main course for breakfast is nnnrnp sweet nntatnes "

Yunwu was speechless. Was that all?

Lin Shanchu continued to explain, "When I was getting food last night, the serving lady told me this in secret."

The purple sweet potatoes were very delicious. Both Lin Shanchu and Yun Wu loved eating them.

Yun Wu's feelings were very complicated at that moment. She had a strong feeling that she could no longer retain her title as the gluttonous queen in the training camp.

After activating the health point card yesterday, Lin Shanchu felt very energetic and amazing.

Her waist and her legs were no longer sore. She enjoyed food a lot more nowadays, not to mention her appetite had grown tremendously.

She had been dreaming the entire night.

All of her dreams were about food.

Lin Shanchu met Xia Jinmeng on the way to the training room after finishing her meal.

Xia Jinmeng held onto her walking stick and deliberately blocked Lin Shanchu's way.

Lin Shanchu was holding a leftover boiled egg from breakfast in her hand. She wanted to eat it as a snack to fill her stomach once she got hungry later.

At that moment, she was tossing the egg around for fun.

Lin Shanchu threw the egg in her hand upward and caught it firmly.

After that, she looked up at Xia Jinmeng before asking, "You've studied before, right?"

"You..." The look of contempt in her eyes made Xia Jinmeng want to curse out loud on the spot.

Lin Shanchu did not give her a chance to express herself by immediately asking, "What's the first half of the sentence that says 'bad dogs always block the way'?"

"Good dogs never block the way." Xia Jinmeng rolled her eyes.

Who didn't know such a simple saying?

Lin Shanchu nodded in appreciation. "Since you know the saying, why aren't you giving way to me?"

Xia Jinmeng was still standing in the middle of the corridor in a daze. Lin Shanchu directly pushed her away and continued walking.

Xia Jinmeng stumbled and held onto the wall to steady herself.

Only then did she finally react. "Lin Shanchu, how dare you call me a dog!"

"Don't speak nonsense. It was a compliment." Then, Lin Shanchu turned around and said two words seriously. "Good dog."

Xia Jinmeng was speechless.

She was so angry that she threw away her walking stick on the spot.

Lin Shanchu!

You won't be smug for long!

Wen Tongtong, who had been watching the show from the side, walked over.

When Xia Jinmeng saw her, she turned around to leave.

However, she had just thrown away her walking stick.

She couldn't leave, so she could only turn her head and look elsewhere just so she could pretend to not see Wen Tongtong.

Wen Tongtong picked up the walking stick and threw it to Xia Jinmeng.

Xia Jinmeng caught it subconsciously before raising her head in surprise.

The first thing she saw was Wen Tongtong's mocking smile. "Lin Shanchu really knows how to praise people.."

Chapter 87: We Believe In You

Xia Jinmeng was so angry that she hurled insults at Wen Tongtong on the spot. Wen Tongtong just rolled her eyes at her. "Tch!"

However, Xia Jinmeng's foot injury had yet to heal. Since she could not catch up with Wen Tongtong and was worried about the growing crowd in the corridor, she could only give up.

When Wen Tongtong arrived at the training room, Lin Shanchu was correcting her groupmates' dance moves.

“Raise your hands a little higher and straighten out your legs... Good job.”

“Yes, that’s it. You’ve improved a lot.”

After correcting two of her groupmates’ movements, Lin Shanchu finally approached Ning Yunxi the crybaby.

Ning Yunxi looked at her with tearful eyes. “Big Sister, I’m the only one who hasn’t learned the dance yet. Am I going to have to go home and raise pigs?”

“When the time comes, you can stream yourself feeding pigs. You’re so young and beautiful. There will definitely be many people watching your stream. When you become popular, you can stream yourself selling pigs and achieve financial freedom.”

Lin Shanchu came up with a backup solution for Ning Yunxi in a serious manner.

Ning Yunxi burst into tears upon hearing Lin Shanchu’s reply.

People would never get annoyed when a young girl that had yet to turn 20 years old kept crying.

The louder Ning Yunxi cried, the wider Lin Shanchu’s smile became.

Ning Yunxi quickly wiped her tears and continued to practice. “I want to make my debut! I don’t want to raise pigs at all! Uwaaaah!”

How cute.

Lin Shanchu coaxed Ning Yunxi a little more before stepping away to drink some water.

Wen Tongtong also followed her. “You’re in a good mood today.”

“Is that so?”

Lin Shanchu didn’t even look up as she slowly drank her water.

“You made Ning Yunxi cry on purpose,” Wen Tongtong commented.

Usually, Lin Shanchu wouldn’t do such a thing.

It was obvious that she was in a good mood for some mischief.

Wen Tongtong didn’t know what was wrong with Lin Shanchu.

Lin Shanchu was really beautiful and capable, but she was clearly dysfunctional compared to regular people.

Lin Shanchu let out an “oh” before laughing lightly, “Let’s practice the dance.” She was indeed in a good mood today.

According to the plan, the news of her admitting to the rumors of her homosexuality had already been spread.

She just didn’t know if Lu Shiyuan was smashing the vase or the phone at this moment.

Or was he beating Zhou Yan up just to vent his anger?

Lu Corporation.

In the CEO’s office.

The moment Zhou Yuan opened the door and entered the office, a phone could be seen flying at him from the front.

Zhou Yan dodged to the side, but the phone still ended up striking his shoulder.

Lu Shiyuan was very angry, so he had used all his strength in hurling that phone. It hurt Zhou Yan's shoulder a lot.

Zhou Yan merely furrowed his brows slightly and continued walking in.

“President Lu..”

As soon as he opened his mouth, Lu Shiyuan grabbed his collar and dragged him to the computer screen.

“Take a good look for yourself! Is this what you mean by settling the matter properly?”

On the computer screen was a news article that had just been released by a very authoritative media outlet in the industry.

[It is reported that Lin Shanchu will hold a press conference in a few days to respond to rumors of her special sexual orientation.]

Zhou Yan was also a little surprised. “President Lu, I've already contacted them to deal with the news articles when we discovered them before dawn!”

In the early hours of the morning, Zhou Yan suddenly discovered that news of Lin Shanchu holding a press conference had begun to appear on the internet.

He contacted Lu Shiyuan that very night.

Lu Shiyuan ordered him to get rid of the articles.

They didn't pay much attention to it and thought that it was just some small media outlets trying to gain popularity.

The articles were dealt with very easily.

However, when Lu Shiyuan woke up this morning, all the major media outlets were fighting to release related news.

Zhou Yan contacted the people in charge to delete those articles immediately.

No matter how powerful Lu Shiyuan was, it was impossible for him to control the entire mass media in Xu City.

Hence, the moment Zhou Yan contacted some of the media sources to delete the articles, new articles would continue to be published by other media sources.

In the end, this news rushed to the headlines.

“Is this how you handle the matter?” Lu Shiyuan swept a cold glance at Zhou Yan before shoving him away.

Zhou Yan could not be bothered to tidy up his own collar as he lowered his head and said respectfully, “President Lu, the other party is obviously prepared. The speed at which we delete the articles can’t keep up with the speed at which they post it.”

“You’re trash!”

Lu Shiyuan was so angry that he hurled the vase that sat next to him.

The vase shattered into tiny shards by Zhou Yan’s feet upon landing.

Zhou Yan did not even blink as he continued, “President Lu, I’ve started the investigation on the mastermind behind this incident...” Before he could finish speaking, he was chased out by Lu Shiyuan.

“Get lost! ”

Zhou Yan turned around and left without saying a word.

He had been working for Lu Shiyuan for several years.

He knew Lu Shiyuan’s temperament better than anyone else. He was unpredictable and irritable.

However, Zhou Yan had to admit that Lu Shiyuan’s intelligence was outstanding. He was a natural businessman.

Therefore, he could vaguely guess that Lin Shanchu was the one who did it. Naturally, Lu Shiyuan must have come up with the same speculation.

Otherwise, he wouldn’t be so angry.

After reaching the door, Zhou Yan tidied up his collar before returning to his office.

He took out his phone and called his subordinate. “There’s no need to investigate further.”

President Lu would probably go to Lin Shanchu personally.

During training, when Lin Shanchu went to the washroom, she decided to drop by the director’s office out of convenience.

“I heard that you’ve been practicing quite well recently.” The director had always been very concerned about the show’s key element of popularity.

“Yeah. It’s going well.” Lin Shanchu looked around. Finally, her eyes fell on two pieces of chocolate on the desk next to her.

Seeing this, the director turned around and crouched down in front of the cabinet to get something.

Lin Shanchu saw half of his phone poking out of his pants pocket.

The director took out a large box of chocolates from the cabinet and waved generously. “You can have this.”

“Thank you, Director.” Lin Shanchu smiled brightly.

She left happily with the box of chocolates in her arms.

The director looked at her back and shook his head with a smile.

Even if her gaze was a little scary, she was still just a young lady.

The director then recalled the rumors about Lin Shanchu that had been spreading around these two days.

He didn't know how the production crew was going to handle this. If they didn't handle this well, they might not be able to keep the key element of popularity in the show.

The director sighed and got ready to take out his phone to check the situation online.

He searched through all of his pockets but could not find his phone.

Where was the phone?

Wasn't it here just now?

In the washroom.

Lin Shanchu sat on the toilet bowl. With the box of chocolates in her left hand, she scrolled through the trending list using the phone that she had stolen from the director earlier with her right hand. #Lin Shanchu will hold a press conference #Lin Shanchu's sexual orientation

Thanks to Xia Jinmeng and her friends.

Lin Shanchu was on the trending list again.

Even though the trending topic was one of infamy.

The entire trending topic was filled with comments scolding her.

After poking around the trending topic, she opened her own Weibo.

The first thing Lin Shanchu saw was familiar insults.

However, as she scrolled down, the comments started becoming different.

[There's no evidence at all. I refuse to believe that Big Sister is that kind of person.]

[Is it true that she's going to hold a press conference?]

[Big Sister doesn't know of the news since she's with the production crew.]

Could it be that she doesn't know what's going on outside?]

[All the best, Big Sister! We believe in you!]

Lin Shanchu stared at the words "we believe in you" for a long time.

After that, she used the director's main account to share a Weibo post from a marketing account.

The content of the Weibo post said that Lin Shanchu would hold a press conference to admit the truth behind the rumors and make a public apology..

The netizens quickly discovered that the director of “My Stage” had reposted the marketing account’s Weibo post. The netizens swarmed in immediately.

[What’s going on?]

[Did the director repost the marketing account’s Weibo post again?]

[So, what these marketing accounts are saying is true? Is Lin Shanchu really going to publicly acknowledge the rumors and apologize?]

[Holy sh*t! Is this basically a confirmation?]

[Even the production crew’s director has reposted the marketing account’s

Weibo post. Lin Shanchu’s fans, wake up!]

[The director is definitely the guide for us drama watchers!]

[No wonder there was no news from the production crew after they released the statement about investigating the matter!]

[Heh! I knew that Lin Shanchu was not a good person.]

The act of the director sharing the Weibo post undoubtedly confirmed the netizens’ speculations.

The netizens felt that Lin Shanchu’s public acknowledgment of the rumors and apology could confirm their speculations.

Hence, a new round of scolding began.

A portion of the netizens and fans went to Lu Shiyuan’s Weibo.

[Aren’t you going to come out and say something about your fiancée?]

[You’re the first to arrive at the battlefield when your good friend is in trouble. It’s been a night since your fiancée’s incident. Why didn’t you come out and say anything?]

[If Lin Shanchu is really a lesbian, why haven’t you canceled your engagement with her?]

[If you’re a man, come out and say a few words!]

[You’re also having it hard now that something like this has happened. How pitiful.]

[Does Lin Shanchu like women because you can’t satisfy her in bed?] Public opinion of the matter escalated, which worsened the incident.

The netizens started attacking Lu Shiyuan as well.

All kinds of insults came one after another.

Almost all of the production crew’s staff followed the director’s Weibo account.

The moment Lin Shanchu used the director's main account to share the marketing account's Weibo post, a staff member discovered it right away.

The staff members were all huge fans of hot gossip.

They all felt that the director shared that Weibo post because he knew the inside story.

Therefore, different staff members flagged down the director just to ask him the same question while he was looking for his phone. "Director, if you know something, you have to share it with me."

"What's the matter?" The director was confused.

The staff member asked him mysteriously, "We all saw the Weibo post you shared. Do you know something?"

"What Weibo post? I didn't share..." The director subconsciously denied it.

He suddenly stopped mid-sentence.

Wait a minute.

"Let me see." The director borrowed the staff member's phone from him.

When he opened Weibo, the director couldn't help but comment, "What the hell

Lin Shanchu!

She stole his phone again!

"What's wrong?" the staff member asked.

The director swallowed the rest of the curse and smiled instead. "It's nothing. I'll go to the training room and take a look."

When Lin Shanchu was about to return to the training room, she saw the director looking at the doorway from a distance.

She quietly walked behind the director.

"Director, are you looking for your phone?" she asked.

"You little..." The director was shocked.

He pointed at Lin Shanchu for a long time. However, it was difficult to say something overboard now that he was staring at her beautiful and innocent face.

"You stole my phone again." The director looked around to make sure that no one was paying attention to them, then lowered his voice and snatched the phone away.

Lin Shanchu was the one who stole his phone, but she looked calm as if he was the one who had a guilty conscience.

"I found it on the floor." Lin Shanchu was still holding the box of chocolates in her arms. She tilted her head slightly, and her eyes were clear without a trace of impurity.

She was as innocent as a kitten.

How was this a kitten?

She was clearly a fox.

Also, she was a wild and crazy old fox who had cultivated for a thousand years!

The more the director thought about it, the more indignant he felt. He reached out and took the box of chocolates back.

Lin Shanchu was speechless.

"You can't have them anymore!"

Lin Shanchu remained speechless. The director was being childish, wasn't he?

After that, the director turned around and shouted at the training room. "Girls, come and have some chocolates!"

All the girls loved sweet chocolates.

The girls swarmed out of the training room.

They all thanked the director sweetly after receiving the chocolates.

"Thank you, Big Brother Director!"

"You're the best, Big Brother Director!"

The director, who was over 40 years old and could almost be their father, lost himself in the phrase "Big Brother Director" that echoed over and over again. "All of you have been training hard. Everyone will get their own share."

There weren't enough chocolates to go around, so the director asked a staff member to get more from the office.

Other than Lin Shanchu, all the other girls received their chocolates.

The crowd soon dispersed.

The director turned around and saw Lin Shanchu staring at him.

"Big Brother Director, where's mine?"

Lin Shanchu's eyes widened while extending a hand.

The director put his hand into his pocket, cleared his throat, and asked in a very serious tone, "Are you going to use my phone to do bad things next time?"

"I won't." The things she did were proper, not bad.

"You have to keep your word!"

“Okay!” Lin Shanchu nodded vigorously.

The director took out a handful of chocolates from his pocket and gave it to her.

As he watched a smiling Lin Shanchu receive the chocolates with both hands, he couldn't help but reveal a fatherly expression. “Don't eat too much. It's bad to eat too many chocolates.”

“I know!” Lin Shanchu immediately unwrapped a piece of chocolate and put it into her mouth.

It was good to be healthy.

Everything she ate tasted amazing.

The director couldn't help but laugh as well.

Young ladies were pretty cute, after all.

The director was about to leave when his phone rang.

“President Nan?”

A call from Nan Mu?

Lin Shanchu looked up at the director.

No one knew what Nan Mu said on the other end of the phone, but the director also looked at Lin Shanchu. “I'm in the training room. She's right in front of me. You want her to take the call, right?”

The next moment, the director handed the phone to Lin Shanchu. “President Nan wants you to answer the phone.”

Lin Shanchu took it and said, “Boss.”

Hearing this, Nan Mu laughed. In an instant, he said in a serious tone, “Lu

Shiyuan called me. He said he wanted to meet up and talk to you.”

Lin Shanchu slowly walked to the side. “Just because he wants a chat, he thinks

I'll comply to his wishes? In his dreams.”

“All right. I got it.” Nanmu could tell that Lin Shanchu wanted to give Lu Shiyuan the cold shoulder.

It was just what he wanted.

Lu Shiyuan was really annoying no matter how Nan Mu looked at him.

“There's something else I have to tell you.” Nan Mu's tone was even more serious than before.

“What happened?” Lin Shanchu asked.

“The netizens scolded Lu Shiyuan! Hahahahaha!”

Someone must have flipped Nan Mu's tickle switch on because he was laughing so hard that he kept slapping the table.

“Those netizens even went to Lu Shiyuan’s Weibo to scold him! They asked if his incompetence in bed made you decide to like women! Hahahahaha!”

Nan Mu laughed so hard that his laughter started to resemble a goose’s warbling.

Lin Shanchu was speechless.

She thought that Nan Mu had something important to tell her.

Was this it?

“Don’t you find it funny?” When Nan Mu didn’t get any response, he could feel half of his happiness vanishing on the spot.

“Yes, it’s funny,” Lin Shanchu replied calmly.

Nan Mu was speechless.. Why was Lin Shanchu as calm as Huo Xunzhou?

Even though Lin Shanchu’s reaction was calm, Nan Mu did not feel disappointed.

He had to share this kind of happiness with everyone else.

Huo Xunzhou was the most boring person ever. He did not react at all.

At least Lin Shanchu would acknowledge Nan Mu.

“Speaking of which, this matter has something to do with our director. I don’t know what’s wrong with him, but he actually shared the marketing account’s Weibo post. Hahaha!”

Lin Shanchu was speechless.

Nan Mu laughed his fill before realizing that Lin Shanchu showed no reaction at all.

“Don’t you find it funny?”

Lin Shanchu didn’t reply.

She was silent for a moment, but in the end, she still didn’t tell Nan Mu that she was the one who used the director’s phone to share the Weibo post.

“I’m very busy. Goodbye.”

“Hello?”

Hearing the busy tone from the phone, Nan Mu put down the phone with mixed feelings.

Huo Xunzhou hung up on him.

Lin Shanchu also hung up on him.

They made Nan Mu's life as a worker with the "Boss" title very difficult.

The worker, Nan Mu, who had no one to share his happiness with, turned around and secretly bought a bunch of bots to join the battlefield.

They stirred up trouble everywhere on the internet.

Not only that, but they also dragged Lu Shiyuan into the mess.

The netizens even used Lu Shiyuan's pictures to make memes.

[Don't be a man like me.jpg], [I'm impotent.jpg], and other memes were published on that day. The memes were then spread across all major social media platforms.

The public relations department of the Lu Corporation carried out emergency public relations strategies.

They deleted the posts and removed the trending topic. Then, they closed off the comment sections on the Lu Corporation's official Weibo account and Lu Shiyuan's personal Weibo page.

The netizens started commenting elsewhere.

[Oho! Did they turn off the comment sections?]

[He's getting anxious! He doesn't want to become a laughing stock!]

[He's still pretending to be dead after all this time. It seems that he's not a true man at all.]

The entire internet made fun of Lu Shiyuan at that time.

Tang Qidai panicked.

"How could it be like this?" She randomly scrolled through two Weibo posts, both of which were hinting at Lu Shiyuan's incompetence in bed.

Previously, Xia Jinmeng had contacted her and said that she had thought of a way to deal with Lin Shanchu.

Naturally, she would be more than happy to help that idiot Xia Jinmeng.

Things were going very smoothly. Soon, Lin Shanchu was on the receiving end of intense scolding and insults.

However, after one night passed, the direction of public opinion changed.

They even dragged Lu Shiyuan into this.

Tang Qidai took out her phone and wanted to call Lu Shiyuan, but then she remembered that Lu Shiyuan was a person who cared about his reputation.

She really couldn't make this call.

At this time, Lu Shiyuan was sitting in his office and making a phone call.

He called Lin Shanchu.

Even though he knew that Lin Shanchu's phone was taken away as soon as she entered the show, he still kept calling.

Honestly, he wanted to ask Lin Shanchu why she felt the need to be this ruthless face-to-face.

Zhou Yan stood by the side and silently counted the number of times Lu Shiyuan had called.

He had already made more than a hundred calls.

CEO Lu's limited patience was all spent on Ms. Lin.

"The number you have dialed is not reachable..."

The mechanical female voice kept ringing from the other side of the phone.

Bam!

The phone was thrown out.

Zhou Yan was used to seeing such scenes. He picked up the phone fragments with a calm expression on his face.

Lu Shiyuan took a deep breath and gradually calmed down from his rage. "Get the people from the PR department to come in."

The public relations department came up with a solution as soon as public opinion started going viral.

However, Lu Shiyuan had always believed that Lin Shanchu would not be so ruthless, so he did not let the people from the public relations department do their job.

Zhou Yan opened the door. "President Lu wants you guys to come in."

The people from the public relations department went in and said, "President

Lu, we've come up with three plans in total..."

Lu Shiyuan interrupted with a cold expression, "Go with the plan that requires me to clarify the situation."

Lu Shiyuan coming out personally to clarify the situation was indeed the best choice.

The public relations department made a few alternate plans because they couldn't figure out Lu Shiyuan's thoughts.

"Yes, sir."

After the people from the public relations department left the office, Zhou Yan skillfully took out a new phone that he had prepared long ago and passed it to Lu Shiyuan.

[After the rumor of "Lin Shanchu's special sexual orientation" was spread for 20 hours, her fiancé, Lu Shiyuan, the president of the Lu Corporation, came out to clarify the matter and said that he would take legal action against the ones who started the rumor...]

Nan Mu read the latest news before exiting the interface in disappointment.

“Lu Shiyuan actually admitted defeat so quickly. Lin Shanchu really knows him well.” Back then, Lin Shanchu wanted to leave Lu Shiyuan hanging for a while. Nan Mu thought that Lu Shiyuan would only clarify things earliest by night time.

Huo Xunzhou, who was sitting across from Nan Mu, glanced at him after he finished watching the news.

Nan Mu was already used to Huo Xunzhou’s reticent personality, so when the latter glanced at him, he thought it was a signal for him to communicate with him.

Nan Mu started to ramble again.

“I think Lu Shiyuan is really crazy.

“Let’s take this incident as an example. He could have called off the engagement and cut all ties, but he insisted on competing with Lin Shanchu! He went down to lead public opinion, but in the end, he got himself into trouble. It affected his image, forcing him to come out and clarify the matter.

“What kind of feelings does Lu Shiyuan have for Lin Shanchu? Whenever he faces off with her, he ends up burning himself alive just to hurt her.” Nan Mu shook his head before asking, “Xunzhou, you’re smart. Tell me why Lu

Shiyuan...”

His voice quickly trailed away the moment he made eye contact with Huo Xunzhou’s cold expression.

Nan Mu almost forgot.

Huo Xunzhou and Lu Shiyuan were now love rivals.

Nan Mu tried to say something to ease the atmosphere.

“How’s the arrangement for her advertising resources coming along?” Huo Xunzhou suddenly asked.

Nan Mu was stunned for a moment before he realized that the “she” Huo Xunzhou was referring to Lin Shanchu.

“Two days ago, another company specifically asked to cooperate with Lin Shanchu! Guess which company it is?” Nan Mu smiled mysteriously.

Before Huo Xunzhou could say anything, Nan Mu said proudly, “You definitely won’t be able to guess it.”

Huo Xunzhou reached out and tapped the table twice. “It’s Capital City’s...”

Nan Mu’s eyebrows twitched. It seemed that he had guessed correctly.

“Yun Ding Group,” Huo Xunzhou continued.

Nan Mu was speechless as his mouth started twitching. “Did you install spyware on my phone?”

“The Yun Ding Group only asked to cooperate with her. Is there anyone else?” Huo Xunzhou asked.

“Nope.” Nan Mu felt that Huo Xunzhou was implying something. “What do you mean? Is there anyone among the members who have a relationship with the Yun Ding Group?”

Huo Xunzhou looked at his watch before stating, “I have a dinner appointment tonight.”

Li MO walked over and pushed Huo Xunzhou out.

“You haven’t answered my question yet!” Nan Mu shouted from behind.

The members didn’t have phones.

They had no idea what was happening outside.

Xia Jinmeng noticed that the director had given out chocolates to everyone but Lin Shanchu. She thought that Lin Shanchu was about to be abandoned by the production crew because of the rumors.

Therefore, she spent the whole afternoon spreading the rumors that plagued the internet across the training camp, be it intentional or not.

Lin Shanchu was on her way to the cafeteria after she was done with the afternoon training when she realized that all the other girls were avoiding her like plague.

[Xia Jinmeng has been spreading the news that you like women all afternoon.] The system suddenly came back to life.

“Why are you suddenly helping me?” Lin Shanchu was a little surprised.

The system replied, [You’re making it sound like I’m always trying to harm you....]

Chapter 90: Wealth Is Also A Type of Power

Lin Shanchu dissed, “Think about it properly. Isn’t that the case?” The system was speechless. There was no way to refute her.

The missions it gave Lin Shanchu were all harmful to her body and mind.

The system briefly reflected on itself. [The role of the system is to assist the host. Although our ideas are completely opposite from each other from the beginning, the system will consciously carry out the corresponding optimization according to the host’s will until it can help the host.]

Lin Shanchu asked, “So, you won’t f*cking post any idiotic missions in the future, right?”

The system replied, [Don’t...]

“Curse out loud.” Lin Shanchu accurately guessed what it was going to say.

The system was speechless.

Lin Shanchu asked, [How can I kill Lu Shiyuan?]

The system replied, [The male lead won’t die so easily.]

Lin Shanchu mocked, “You can’t even help me with this. Do you even know how to upgrade yourself? ‘

The system was speechless again. This human had gone completely crazy.

It shut up again.

“Shanshan!”

Yun Wu’s voice came from behind.

Lin Shanchu tilted her head slightly to show her confusion.

Yun Wu usually called her by her name. Occasionally, she called her “Big Sister”.

“Didn’t Huo Xunzhou call you that too? We’re good friends, so what’s wrong with calling each other more intimately?”

Yun Wu walked over and hugged Lin Shanchu’s arm.

Lin Shanchu smiled, “Did you hear about the rumors?”

Yun Wu hummed in response. “You can refer to me as ‘Wu’ like how Tangtang did.”

Lin Shanchu hummed back in a form of imitation of Yun Wu’s previous response. “Then why are you so close to me? What if I really like women?”

Yun Wu stopped talking. She stared at Lin Shanchu while blinking repeatedly.

“Even though I like men, I don’t mind trying it out if you’re the target...” Lin Shanchu froze, clearly speechless.

“Big Sister Shanshan, can you give me a chance?” Yun Wu was excited.

Lin Shanchu was completely petrified.

Soon, she returned to normal.

Lin Shanchu took half a step forward. Then, she leaned forward slightly and gripped Yun Wu’s chin. “Good girl. I’ll be sure to pamper you.”

There was a faint smile on her delicate face. Her beautiful feline eyes were as bright as the stars. Her low voice was light and charming, making her seem like a charismatic antagonist.

Yun Wu’s face turned red instantly. “Y-Y-You... I-I-I...”

The other girls who walked past them looked shocked.

The rumors were true!

Lin Shanchu’s eyes widened as she looked at Yun Wu. She could not help but pinch the latter’s face. “Wu, you’re too cute!”

Yun Wu blushed once again, this time out of happiness.

Lin Shanchu put an arm around Yun Wu’s shoulder and led her to the cafeteria.

“Let’s go eat!”

Many members witnessed the scene of Lin Shanchu pinching Yun Wu's cheek.

As a result, when Lin Shanchu lined up to get food, those people kept their distance from her.

Lin Shanchu crossed his arms and stood in line behind Yun Wu with an indifferent expression.

She turned around and saw An Youyun.

An Youyun met her gaze, but she didn't smile sweetly at her as she did in the past. Instead, she silently looked away, pretending not to see her.

It seemed that the sweet little sister started to hate Lin Shanchu as well.

Lin Shanchu and Yun Wu were almost isolated by everyone.

However, there were also exceptions.

After Wen Tongtong got her food, she also came to Lin Shanchu's table.

Lin Shanchu glanced at her in surprise.

Wen Tongtong explained with an uncomfortable expression, "I heard that women are very picky when they're looking for girlfriends. I know what I look like."

Lin Shanchu was speechless. Wen Tongtong sure was good at recognizing her own position.

Ning Yunxi ran over as well after getting her food.

"Everyone's here." She sat down with a smile.

Wen Tongtong had also been a trainee abroad, so she was quite capable. However, she did not like Ning Yunxi that much.

She glanced at Ning Yunxi expressionlessly. "Why are you following us?"

Ning Yunxi did not care about what Wen Tongtong said at all. Instead, she flipped her hair in a pretentious manner. "Big Sister, do you think I'm pretty?"

After she finished speaking, she even shot Lin Shanchu a wink.

"Pfft!"

The soup that Lin Shanchu had just drunk was forcibly spat back into her bowl.

She felt that she needed to explain.

"I don't like women."

Ning Yunxi sighed. "I knew it. You only like Yun Wu."

"Of course." Yun Wu raised her head while looking arrogant.

Ning Yunxi turned her grief into appetite as she started wolfing down her wolf.

Wen Tongtong was confused. She had learned something new today. It turned out that women could also fight over other women the same way they fought over men.

Lin Shanchu was speechless.

It seemed like explaining the truth was a difficult thing to do.

During the meal, Xia Jinmeng's group of followers kept pointing at Lin Shanchu while whispering about her.

Once that group went into the washroom after dinner, they started badmouthing Lin Shanchu without any care in the world.

"Lin Shanchu is so disgusting."

"I've always felt that the way Lin Shanchu looks at other girls is weird."

"What I can't stand the most is her acting all high and mighty even though she doesn't have any skill!"

"Jinmeng, it's such an injustice that you lost to Lin Shanchu."

Xia Jinmeng didn't give a straightforward reply. Instead, she turned to look at An Youyun, who was washing her hands quietly.

"It's injustice for An'an to lose to Lin Shanchu. Don't you guys think so?"

An Youyun paused in her actions before turning off the tap. "The fans were the ones voting. Don't say that."

Xia Jinmeng sneered. "Lin Shanchu doesn't have that many fans. Her fiancé is rich, after all."

"Wealth is also a type of power," An Youyun replied with a faint smile. At this moment, the door of the innermost stall was flung open with a loud bam.

Everyone turned around in unison.

Lin Shanchu walked out from inside with a vague smile on her face.

Now that the target heard the girls badmouthing her, things would surely get worse.

Everyone looked slightly awkward after noticing Lin Shanchu.

An Youyun was the most embarrassed in the group. "Big Sister..."

Xia Jinmeng and the others had grudges against Lin Shanchu, to begin with. Although An Youyun wasn't on good terms with Lin Shanchu before, she could still make small talk with her.

Lin Shanchu didn't even look at An Youyun. She pushed past the latter's shoulder as she turned on the tap and began washing her hands.

Xia Jinmeng couldn't stand Lin Shanchu's fearless attitude.

"Lin Shanchu, the news of your homosexuality has spread. The production crew will inform you to withdraw soon. What are you still so proud of?"

"Don't you know what I'm proud of?" Lin Shanchu straightened up and looked at Xia Jinmeng. Her tone was so serious that it seemed like she was really asking her a question.

Xia Jinmeng was stunned.

“Didn’t you just say it yourself? My fiancé is rich.” Lin Shanchu had an innocent smile on her face, and yet a trace of danger could be detected.

Realization dawned on everyone at the same time.

If Lin Shanchu really liked women, why did Lu Shiyuan not cancel his engagement with her?

Xia Jinmeng was also shocked, but she quickly calmed down.

“Your fiancé is rich, but did he give you money to spend? Didn’t he spend all of it on Tang Qidai?”

“That’s right. He’s already spent all his money on Tang Qidai, so how could he afford to pay for the votes that were cast for me?”

An Youyun and Xia Jinmeng had just mentioned that Lin Shanchu’s first place was bought by her fiancé.

“Big Sister, let me explain...” An Youyun hurriedly explained.

“There’s a reason why some people can’t get first place,” Lin Shanchu coldly interrupted..
