Chapter 101

101 PEI Qiqi, I want a hundred million (3)

PEI Qiqi was wearing white silk pajamas. The style was conservative, which was what he liked.

Feeling uneasy, she carefully climbed onto his shoulder and pressed her face against his neck. It was right where his pulse was, and she could feel it beating strongly.

“Do you want to hug me now?” Her voice was light and shallow, but it was very clear in the quiet night.

Naturally, it was also extremely moving ...

He placed his large palm on her back and did not go any further. He just held her closer.

Her face and body were buried in his arms. At this moment, it was extremely heart-wrenching.

At least, this was the first time she felt that he cherished her so much ... That feeling made her mistakenly think that it was an illusion.

Qiqi, ” Tang Yu said slowly, ” this isn’t your fault.

She had always been very careful with him ... It was his duty to protect a woman he had bought.

When he wanted her, she had never said no. Even when she was tired and sleepy, she had never refused.

He asked her to cook, so she did. She was so obedient that he couldn’t find a single fault with her.

But even so, Tang Yu wasn’t satisfied ...

He felt that something was missing, and he wanted more from her.

PEI Qiqi looked up and didn’t know what to do ... She didn’t want anyone to see her weakness, but Tang Yu always saw her in the most pathetic state.

Her voice trembled as she asked again, ” do you want to hug me now? ”

Tang mo suddenly grabbed her hand and held her in his arms.

Her black hair was spread out on the side of the pillow and wrapped around his arm. Her silk pajamas were like a beautiful flower in full bloom.

Tang Yu’s eyes were red. He stared into her eyes and didn’t miss any of her expressions. He asked her word by word, ” “Then, do you want to be with me? Together forever?”

PEI Qiqi’s eyes shrank. She didn’t expect him to ask this.

She felt danger and wanted to turn her head away, but he freed one hand to hold her small chin, not giving her a chance to escape ...

Tang Yu had never been this strong in front of her.

PEI Qiqi closed her eyes and her body trembled slightly ...

He stared at her and told himself not to be soft-hearted.

He leaned on her neck, squinted his eyes, and bit her artery, " PEI Qiqi, tell me. Do you want to be with me? "

They had been together for quite some time. In the past, he couldn't bear to see her suffer, so he usually didn't force her when it came to such things.

But tonight, it seemed like he wanted her to go crazy. He didn't know what was wrong with him. He only knew that he cared about her, so much so that he lost himself.

..... 10,000 words of soul harmony ... 10,000 words of soul harmony ... Ten thousand words of soul harmony ...

When the sun was about to rise, she was in his arms. Tang Yu's fingers patted her back from time to time. He knew he had crossed the line.

She was still young, only 20 years old. These methods should not be used on such a young girl, but he could not control himself.

PEI Qiqi was exhausted. In her daze, she heard his gentle voice, "Qiqi, come with me that day.

She closed her eyes and her little hands subconsciously wrapped around his waist ...

At that moment, Tang Yu knew what he wasn't satisfied with. He knew what he felt wasn't enough.

It was PEI Qiqi's heart.

He wanted her heart.

Chapter 102

102 the person pei qiqi liked (1)

The next day, PEI Qiqi didn't get up for the entire day. Her back was sore.

Before Tang Yu left, he told her he had taken leave from school and the company. She didn't reject him because she was really, really tired, Yingluo.

halfway through, chen xinjie called. pei qiqi only said that she wasn't feeling well and didn't say anything else.

Tang Yu was very busy the entire day. In the morning, he had to go out and in the afternoon, he didn't return to the office until 4 pm.

When he returned to the top floor, he saw the unexpected person, Chen Xinjie.

He remembered that this was PEI Qiqi's classmate. But why was she here?

Xiao ran, who was following behind Tang Yan, also glanced at Chen Xinjie. She was a woman, so it was natural for her to think about it.

she had been in the workplace for a few years, and she no longer believed in so-called friendship. often, best friends would stab you in the most unexpected way ...

However, the enemy was different. He was as honest to you as ever.

tang yu stopped in his tracks. chen xinjie carried her backpack and held a few books in her hands. she bowed to tang yu, " i'm here to give today's lecture notes to qiqi. i'm also here to return the books i borrowed from her last time. "

she looked behind tang yu and seemed a little disappointed, " "is qiqi not here?"

"She's at home!" Tang Yu said naturally. This surprised Xiao ran.

she was surprised that they were living together, but she was even more surprised that tang yu would say it so directly.

Chen Xinjie was also stunned. Then, she revealed a sweet smile unique to a little girl. then I'll go find her!

tang mo walked to the office without thinking."Just give it to me, I'll give her Yingluo."

chen xinjie stood there, not knowing what to do.

"Go in!" Xiao ran said lightly.

chen xinjie looked around and walked in with a dreamy expression.

chen xinjie's reaction was the same as when pei qiqi first came. she carefully stepped on the pure white wool blanket and sat on the sofa uneasily. xiao ran asked the second secretary to bring her a glass of fruit juice.

tang yu first went to deal with some matters then walked over and sat across from chen xinjie, " "where's the thing?"

Chen Xinjie quickly took out the notes and placed them in front of Tang Yu.

she looked at tang yu's handsome face and his well-defined fingers. her face turned red and she started to blush.

Tang Yu flipped through it. Chen Xinjie's handwriting was beautiful and elegant. Her writing was also neat.

"i made an extra copy for qiqi." Chen Xinjie added.

Tang Mo closed it and said lightly,"there's no need to be so troublesome next time. You can just copy it directly.""

Chen Xinjie's face, which was originally smiling, turned red.

tang yu had already stood up. it was obvious that he wanted to see the guest off, but he took the teaching materials.

chen xinjie understood in her heart that the reason he wanted to see her was because of pei qiqi. she was able to enter this building because of pei qiqi's name.

she grabbed her bag and said after a while, " "mr. tang, i borrowed qiqi's book last time. i've brought it to her. please give it to her yingluo."

“These books are very important to her,” she said hesitantly after a pause.

tang yu turned around and took the book from her hand. it looked like he borrowed it from the library and there was a square seal on it.

chen xinjie knew that it would be boring for her to stay any longer, so she quickly left.

Tang Yu placed the books and Lecture Notes on his desk. He was going to work, but his eyes fell on the books. He suddenly wanted to know what kind of books PEI Qiqi usually read.

but when he flipped it open, his eyes were fixed on the kasaya.

Chapter 103

103 the person pei qiqi once liked (2)

on the borrowing record of the book, the name of the last time it was recorded was jinrong.

Tang mo looked at it quietly for a long time. Then, he took a few more books. They were all the same. Above PEI Qiqi was Lin jinrong.

when the two names were placed together, it actually stung his eyes.

especially since the date she borrowed the book was after he got together with pei qiqi.

perhaps pei qiqi didn't have any other thoughts, but there was a type of like called habit.

Tang Yu put down his book and let out a long sigh.

all of a sudden, he lost all desire to work. he stared at the two books until six in the afternoon.

xiao ran came in with a stack of documents in her hand. she was surprised to see that the president's expression was a little serious, and he was smoking.

in front of him, there were a few books that were definitely not information about sheng yuan.

she placed the documents on the table and said softly, ” “President, do you have to work overtime today? do you need me to order food for you?”

She saw that Tang Yu didn't have any intention of leaving.

Tang Yu looked up and saw Xiao ran's expression. He was confused and a little bitter.

at least, that was how xiao ran felt.

tang yu put out the cigarette in his hand, ” no need. you can get off work first! ”

Xiao ran wanted to say something but stopped himself. In the end, he left without saying anything.

Her intuition told her that the CEO's depression was related to PEI Qiqi.

He carefully closed the door, and the vast space became silent again.

tang yu's body leaned back and sank deep into the leather seat. the fabric of the car and the seat made a slight friction sound.

with his eyes closed, his long fingers tapped rhythmically on the arm of his chair. the phone on his desk rang. he sat up straight and reached out to take the phone. it was pei qiqi.

tang yu stared at his phone screen for a few seconds before picking it up. however, his voice was a little hoarse, ” “Qiqi.”

PEI Qiqi’s voice was soft and gentle, carrying her usual obedience, ” “are you coming back for dinner?”

He didn’t say anything, and there was silence on the other end of the line. Then, he said carefully, ” do you need me to make you chicken noodles? ”

She kept saying ” you ” and it made him a little angry. Tang Yu felt a little annoyed. He sat up straight and unbuttoned his shirt. After unbuttoning two buttons, he said in a cold voice, ” do you need to call me that? ”

pei qiqi stabbed him but didn’t make a sound.

Tang Yu couldn’t hold it in anymore. He closed his eyes and the image of her and jinrong’s names together appeared in his mind.

He really wanted to ask her if Hanhan still liked jinrong!

however, his pride and age did not allow him to ask that.

He didn’t hang up, and she didn’t dare to either. The two of them were in a deadlock.

pei qiqi naturally felt his unhappiness. as for why he was unhappy, she didn’t know. she only knew that tonight wouldn’t be a good night for qianqian unless he didn’t come back.

After a long time, Tang Yu’s voice finally sounded, ” PEI Qiqi, I told you before that we will get married if we have a child. Will you get pregnant just to marry me? ”

PEI Qiqi was completely stunned. He said this last time. She always remembered it but didn’t take it seriously.

If a man, especially the man who bought her, said something like that in the bed, she would be doomed if she took it seriously.

however, at this moment, he seemed to be very serious in asking for something from her.

pei qiqi didn’t know what else she had left for him to ask for other than her looks.

She kept silent because she could not answer him.

Chapter 104

104 The person PEI Qiqi liked (3)

She was afraid that if she answered him, he would ask to have a child with her. Perhaps he would get her pregnant tonight.

before this, he had been taking precautions.

during the safe period, he naturally had no scruples, but during the dangerous period, no matter how emotional he was, he still remembered to use the kasaya at the last moment.

she was silent and tang mo listened to her light breathing. he smiled and changed the topic.”i might not come back. you should go to bed early.”

he was kind to her, but this made him feel uncomfortable.

tang yu hung up the phone and was naturally unhappy.

Even if it was just a little scheme by a little girl like Chen Xinjie, he still couldn't help but care about it.

Tang Yu sat there until 8 pm. He walked to the floor-to-ceiling window and smoked a cigarette.

her eyes were a little sore and bitter.

He took out his phone and dialed Meng Qingcheng's number. Qingcheng, come out for a drink.

Meng Qingcheng couldn't believe his ears. Tang Yu had been Living a Good Life recently. If he said he wanted to come out for a drink and urged his men to come out for a drink at this time, most of them were planning to have a good time!

Pei Xiao Qi had fallen out of favor so quickly?

An hour later, Tang Yu and Meng Qingcheng sat together in the huoshu silverflower club's private room. The manager personally welcomed them and even specially picked two very good-looking girls.

seeing that tang yu didn't reject her, meng qingcheng was even more certain that pei xiaoqi had probably angered tang yu.

He held a glass of wine in his hand and slowly sipped it while observing Tang Yu's expression, " "pei qiqi is still young. she's just a child. she can be slowly taught! "

In terms of looks, the two girls today were not bad. But compared to PEI Qiqi, they were still lacking.

tang yu was used to big meals. would he be able to eat such a light dish?

tang yu took a sip of wine. his long fingers played with the delicate crystal glass and he looked at meng qingcheng, " "she's just too sensible, yingluo."

he was annoyed at being too sensible?

Meng Qingcheng smiled flirtatiously. then you're in the wrong. Shouldn't a woman be obedient when you buy her? "

Wasn't he looking for trouble by making a scene with him at a sky-high price?

Tang Yu was lying on the leather sofa in the back. Under the reflection of the chandelier, his handsome face was alluring with a slight blush. He was extremely exquisite.

Even if Meng Qingcheng was a man, his heart couldn't help but skip a beat. One day, when Sheng Yuan closed down, Tang Yu relied on his looks to make a name for himself.

"Qingcheng, What if I don't treat her as a woman I bought?" tang yu supported his forehead with one hand and looked at meng qingcheng from the corner of his eyes.

Meng Qingcheng almost spat out the wine in his mouth. He knew that Tang Yu liked PEI Qiqi. He really liked her and treated her like a baby. But what was going on with ran ran?

Tang Yu closed his eyes and mumbled with a hint of disappointment, " "But she has someone she likes. Qingcheng, should I give her what she wants?"

she liked jinrong so much, and it was so beautiful that he felt that it was shameless of him to buy her.

meng qingcheng was completely stunned. tang yu was troubled by love today, not by pei qiqi.

in other words, tang yu's emotions were love?

Meng Qingcheng's heart was in a mess. He didn't expect someone like Tang Yu to fall in love with a woman so easily.

pei qiqi was beautiful, but there was nothing special about her, right?

Chapter 105

105 I didn't touch her (part one)

She was just a little girl!

other than physical contact with tang yu, she could also communicate with him mentally?

yes, it must be chicken soup. didn't pei qiqi make chicken noodles for tang yu?

He had too much Chicken Soup for the Soul!

"it seems like pei qiqi's chicken soup for the soul was not bad!" Meng Qingcheng concluded.

Late at night, Meng Qingcheng left. Tang Yu was lying on the sofa in the private room. His throat was a little dry. He must've had too much to drink.

An innocent girl knelt beside him. She was dressed in a black dress. As she knelt, her fair legs were very attractive.

Her small hands gently helped him unbutton his shirt, then she looked up at Tang Mo's handsome face, her face slightly red.

Before Meng Qingcheng left, he told her to take good care of Mr. Tang.

she had been trained in the club and was clean, specially used to receive important customers.

She didn't have any experience, but she had taken this kind of class before. So, she gently kissed Tang Yu's neck and slowly moved her lips down.

She didn't dare to kiss him on the lips all of a sudden, because her instructor had told her that some men didn't like kissing. Unless he took the initiative, his lips shouldn't move easily.

Tang mo was half drunk and felt someone kiss him in a daze.

"Qi Qi!" ah! he called out vaguely. His big hand grabbed her long hair out of habit, and he forced her small face up, wanting to kiss her.

under the bright light, he saw an unfamiliar face.

Although she was beautiful, she wasn't PEI Qiqi.

Instantly, that excited Jade-like gaze also cooled down.

Tang Yu casually pulled the girl away and threw her to the side. Then, he got up and buttoned his shirt.

The girl was sitting at the side with her skirt rolled up. She looked very pitiful and extremely moving as she half-knelt.

seeing that tang yu was about to leave, she quickly got up and hugged him from behind. her voice was soft and cute, " "did i do a bad job, mr. tang?"

She tiptoed and wanted to kiss the back of his neck, but Tang Yu pushed her away, " "you've done well! i'll get someone to pass you the check."

The girl bit her lip and didn't dare to be rash anymore.

however, she was unwilling. tang yu's condition was that she only had a month with him, so she didn't need to be here anymore, yingluo.

Tang Yu didn't linger and walked out for a walk.

In the elevator, he looked at his slightly disheveled appearance and held his forehead.

He didn't seem to be so repulsed by women anymore. If he wanted to, he could have this girl.

but it wasn't her. he didn't want to.

his body could accept it, but he didn't seem to be willing to.

he suddenly chuckled. other than feeling helpless, he also seemed to be admitting his position.

after getting into the car, he sobered up and called meng qingcheng. " you leave immediately. you have to go to africa for the project. don't come back for a month. "

on the other end/meng qingcheng was flirting with/pretty girl. when he received the call, he was stunned/

although he was just angry, tang yu was taking revenge on wanwan for giving him a woman.

If he didn't want it, then he didn't want it. Now, he was acting like a pure and innocent young man and was even protecting his chastity for PEI Qiqi.

tang yu hung up the phone and smoked a cigarette. then, he started the car and drove back to xia city.

When they got home, the lights were off, and it was dark everywhere.

Tang Yu didn't turn on the lights either. Under the dim moonlight, he walked into the bedroom. She was curled up under the blanket like a little shrimp and was about to fall off the bed.

Chapter 106

106 I didn't touch her (part two)

He looked at her silently for a while, then walked over, picked her up, and placed her in the middle of the bed.

pei qiqi woke up in shock. she didn't sleep well and even a small movement could wake her up.

she opened her eyes and looked at him in the dark. she could smell the alcohol and perfume on him.

Her eyes were wide open as she stared at him, not knowing how to react.

tang yu knew she was awake so he turned on the bedside lamp.

she was not used to the lights, so she closed her eyes subconsciously.

Tang Yu put her down and said in a hoarse voice, " "i'm going to take a shower."

"Did you drink?" She sat up and looked at the time. It was already one o'clock.

Tang Yu took out a bathrobe and casually responded. Before he entered the bathroom, he added, "

"In the afternoon, Chen Xinjie, please send your books and your teaching materials to my office. They're on the table outside."

he walked into the bathroom.

PEI Qiqi was stunned. When she heard the sound of water from the bathroom, she lifted the blanket and got out of bed. She walked to the living room outside.

The bathroom door opened. Tang Yu looked at the empty bed and his eyes were filled with anger.

Outside, PEI Qiqi picked up the books and flipped them open. She was in a daze as she looked at the pages.

These books were borrowed by Chen Xinjie using her own library card. She would borrow the books that Lin jinrong had borrowed once and write her name on them.

but this time, she didn't borrow it.

she understood what tang yu meant. he was telling her the truth and what chen xinjie was trying to say to him.

PEI Qiqi lowered her eyes and put down the book. She flipped through the notes and put it down.

she walked back to the bedroom. tang yu had already taken a shower and was leaning against the headboard. the lights were turned off.

her heart clenched. every time he did this, it meant that he wanted to hug her tonight. it was already so late, and he came back with the smell of perfume. did he still have such thoughts?

She carefully grabbed the front of her lapels and walked over. She sat down by the bed and said, " the book was borrowed by Chen Xinjie.

However, she didn't explain anything else, because she had indeed done such silly things in the past.

Tang Yu obviously already knew about Wanwan.

He must have noticed it long ago. Perhaps it was during Lin jinrong's engagement party, or perhaps it was when Lin jinrong came here.

he didn't say anything, only hummed in agreement.

PEI Qiqi raised her eyes and looked into his eyes, dazed.

She did not know what he was thinking, but she did not intend to deny it.

this was pei qiqi's little backbone. she did like someone before, but if she didn't dare to admit that she liked someone, how could that be considered like?

Finally, he spoke indifferently, "if you need any information in the future, I'll get Xiao ran to find it for you.

PEI Qiqi was a little overwhelmed. Was this considered letting her off?

After Tang Yu finished speaking, he patted the spot in front of him and looked at her indifferently. It was obvious that he was teasing her.

pei qiqi carefully sat over and obediently raised her head for him to kiss ran ran.

tang yu looked at her jade-white face and squinted his eyes to size her up. his long fingers pinched her chin and he kissed her lips.

her body was a little stiff, unlike her usual self. although she was a little passive, she was not like this.

just as he was about to kiss her deeply, pei qiqi pushed him away.

she was panting, her breathing a little messy, and there was a touch of fear in her watery eyes.

his voice was stern,"pei qiqi, come here!"

it was rare that pei qiqi didn't listen to him.

Chapter 107

107 I didn't touch her (part three)

He had come back with perfume today, so she was not willing to hug him.

She was cheap and had sold herself to him, but not to the point where she would hug the same man on the same day as someone else.

she stubbornly stood there, refusing to go over.

Tang Yu was a little angry. He pulled her over and put her in his arms.

"Qi Qi, you're not allowed to refuse!" His voice was hoarse, and he had a rare domineering tone, but it was only when he met Lin jinrong.

pei qiqi turned her face away and felt a little embarrassed-

He found out, and at this time, after she got together with another woman, he was stunned.

Tang Yu followed up with a kiss and tasted her tears. He was cruel to her.

In the end, he still flipped to the side.

She was so stiff that he could not continue.

however, he was a little unwilling. he reached out and pulled her stiff body into his arms, then kissed her for a long time.

“because of him?” he did not mention lin jinrong’s name, but she could guess it.

PEI Qiqi’s body trembled. Her entire body was stiff as she nestled in his arms. After a long time, she came back to her senses and her voice was trembling, ” “no!”

he pinched her chin with his fingers and looked at her expression carefully. his voice was a little tense as he asked, ” then why? ”

PEI Qiqi bit her lip. She didn’t want to say it, but he forced her and used many methods to force her (indescribable).

she was afraid and finally leaned on his shoulder and cried softly. ” didn’t you have a woman tonight? Why did you still come to provoke me?”

Her small body trembled in his arms, and she looked indescribably pitiful. Her voice was also aggrieved.

Tang mo was startled and remembered how she knew.

he reached out and pulled her out of his arms, kissing away the tears at the corner of her eyes helplessly.

he had never coaxed a girl before. he had never even thrown a tantrum like shen lian in the past.

At this moment, he was treating the little person in his arms like a treasure and coaxing her patiently. Furthermore, she was clearly the one who had made him unhappy.

He kissed her tears away bit by bit and cupped her small face with his large hands. His voice was a little soft. I didn’t touch her.

PEI Qiqi lowered her eyes. Her long eyelashes fluttered and she didn’t say anything.

she was not his wife. whether he had it or not, it was not something she could decide.

Tang Yu repeated, ” Qiqi, I didn’t.

” mm. ” she responded, but her reaction made him not too satisfied. he directly took her little hand and teased her.

she felt like she was being scalded. her eyes widened and looked at him. her eyes were wet, like a kitten.

he looked into her eyes, and slowly, his eyes were filled with a light smile.

he said to himself, ” tang yu, let’s just leave it at that. it’s her then ”

He had also struggled and thought about giving up on her, but in the end, he could not do it.

He couldn’t give her to jinrong or any other man.

“I said no means no!” his fingers gently caressed her delicate little face. every time he touched her little face, her body would tremble slightly.

He felt that it was very interesting, and the anger in his heart also lessened a lot.

“And now?” He began to kiss her and hugged her firmly, even though she cried and refused.

.....?????.....?????.....?????.....?????.....

The next morning, Tang Yu got up and PEI Qiqi quietly followed.

Chapter 108-you dare to talk back?

after washing his face, brushing his teeth, and eating breakfast, tang yu looked at the books. he was still a little bothered, so he looked at her, ” “do you understand now?”

He was asking about Chen Xinjie and PEI Qiqi knew what he meant. She hummed, ” “I know,” looking at her lowered eyes and submissive appearance, he snorted softly.”You don’t have to be so obedient in the future.”

he hoped that she would throw a tantrum at him.

but just as he finished, pei qiqi looked up at him and said slowly, ” “If I didn’t listen to you, you wouldn’t have gotten what you wanted last night.”

tang zheng was stunned for a moment before laughing. she really dared to talk back. did that mean that he forced her last night?

He didn’t say anything else and just ate breakfast.

After they finished eating, they sat in the car and fastened their seat belts. He said indifferently, ” “didn’t you also arrive last night? i remember you hugging me and telling me to be heavier!”

he said such private words with such a forbidden expression. pei qiqi was a little speechless, but she couldn’t deny it.

Tang Yu smiled and started the car.

his heart was slightly satisfied with how she cared about him last night. she didn’t cooperate because she thought he had someone else.

he didn’t explain why there was a perfume smell on her body. after all, she didn’t confess about her own matters.

The car stopped at the entrance of B. PEI Qiqi got off the car and obediently said goodbye to him.

When she turned around, she saw Chen Xinjie.

Chen Xinjie waved at her excitedly. PEI Qiqi walked over with her bag. In her hand was the book that Chen Xinjie had given her. Tang Yu wanted her to return it today.

his tone was a little domineering, but to her, it was a little childish.

Chen Xinjie took the book, her expression a little puzzled, "Qi Qi, what's wrong? Didn't Lin Jinrong borrow these books? you used to be a Wanwan?"

Before she could finish, PEI Qiqi interrupted her, "Xinjie, the past is the past, and the present is the present. Do you think I need to do this?"

Chen Xinjie was startled, and her expression was a little hurt. After a long time, she softly asked, "Qi Qi, are you angry?"

PEI Qiqi smiled, "no, I just don't do this again.

"Alright, I'll return it in the morning." chen xinjie smiled and then pulled pei qiqi's arm, "you're the best, of course you won't be angry with me, yingluo."

pei qiqi pinched her nose and her eyes turned cold.

at this moment, chen xinjie's gaze froze. she pointed in a direction and said softly, "qiqi, look. it's lin jinrong."

pei qiqi didn't look at lin jinrong. instead, she looked at chen xinjie's stunned expression.

In that instant, she understood everything.

chen xinjie's eyes were filled with infatuation, struggle, and pain.

she lowered her eyes and thought to herself in self-mockery, so she had always been so careless. chen xinjie actually liked lin jinrong.

however, she kept telling her how much lin jinrong liked her. pei qiqi, you have to seize the opportunity!

it turned out that chen xinjie's kindness to her had a purpose.

it was just that she had a lot of tricks up her sleeve, and he had only just realized it.

chen xinjie was the one behind the school's internet incident, right?

at noon, pei qiqi went to the library. chen xinjie, who said she wanted to return her books, didn't return them.

She walked out of the library and chuckled. She looked up and thought to herself, "PEI Qiqi, you wished time and time again that the person wasn't her. But in the end, it was Chen Xinjie who did it.

Chapter 109

109 you dare to talk back?(2)

after school, she didn't wait for chen xinjie and walked out of the school gate.

there was a bus at the school gate that went straight to sheng yuan. pei qiqi stood there. there was a tree behind the bus stop that blocked her from the sun.

a white beetle car stopped slowly. the window rolled down, and a long-haired girl in red with a pair of sunglasses on her delicate face sat inside.

“Miss PEI?” The girl looked at PEI Qiqi through her sunglasses.

pei qiqi lowered her eyes and looked at her.

She wasn't sure how this girl knew her, so she didn't say anything.

the girl named tian tian was a little displeased, and her voice turned cold. ” “I want to have a few words with you, get in the car!”

in her heart, there was no difference between her and pei qiqi. the only difference was that she could sell herself to many men, but pei qiqi only had tang yu.

she was the woman who served tang yu last night but tang yu didn't want her.

however, how could a woman from a brothel give up so easily? she quickly found out about pei qiqi's existence through her own channels.

At first glance, it was the amazing Yingluo. She had never seen a girl with such good innate conditions.

it was delicate and fragile to the point of perfection, and any more would make it seem too weak.

pei qiqi looked at tian tian and her famous 'nanny van'. she finally understood who the person in front of her was. she must be the owner of the perfume tang yu was wearing last night!

“i don't know you! You should look for Tang Yu!” PEI Qiqi carried her bag and walked towards the bus that slowly passed by.

tian tian gritted her teeth in anger. just as she was about to get off the bus, the bus driver behind her had already lost his patience and was honking his horn madly.

Only then did she unwillingly drive the car away.

PEI Qiqi went to Sheng Yuan. In less than half an hour, Xiao ran came over and said that the president invited her over.

The gazes from all around her were filled with an inexplicable profoundness.

pei qiqi knew that if she didn't go, she wouldn't be able to tell good from bad. but when she thought about that woman today, she pursed her lips, ” i don't want to go. ”

She wasn't busy, and it wasn't that it would affect her image, but it was just that Wanwan didn't want to go!

how much did he have to pamper pei qiqi for her to dare to say these three words to the ceo?

How many people wanted to step into that office? they couldn't even dream of it, but PEI Qiqi actually didn't want to go!!!

xiao ran already knew that the president was in a bad mood last night. however, today, he seemed to be in a bad mood. now, it was pei qiqi's turn to be unhappy. she knew what was going on and smiled, ” okay, i'll pass on the message to the president. ”

She walked out briskly, and in the elevator, she held her forehead with her fingers and smiled gently.

This was probably what sex was!

When Xiao ran said this to Tang Yu, Tang Yu only smiled faintly and continued to work. He casually said, " "You can share the dim sum in the secretary's office!"

of course, xiao ran was tactful. these were all prepared by the ceo for pei qiqi. although he said that, he couldn't just eat it like that. hence, he quickly added, " then i'll send one over to qiqi. "

by calling her qiqi, not only did she get closer to pei qiqi, but she also got closer to the president. this was a test, and it was a subtle relationship that only experienced people could detect.

As expected, Tang Yu heard it. He looked up at Xiao ran and smiled.

xiao ran heaved a sigh of relief at the flattery. he immediately packed the snacks in a box and brought them out.

Chapter 110

110 you dare to talk back now?(3)

Xiao ran only left two boxes in the secretary's office, and the other four boxes were sent to the design department.

the ceo's attitude was very clear. it wasn't as simple as just a short relationship. the ceo placed pei qiqi in his heart. when a woman could control a man's emotions, the man would have already been conquered.

pei qiqi didn't even need a single soldier to capture the legend of sheng yuan.

After Xiao ran delivered the desserts, the people in the design department ate them and became especially enthusiastic towards PEI Qiqi.

They were all thousand-year-old foxes. Which one of them didn't know what was going on?

xiao ran was the ceo's head secretary. normally, he only served the ceo. today, he ran away from them twice because of a small matter. pei qiqi was the one who had a high chance of rising up to the top. now that this phoenix was in their design department, how could they not suck up to her?

pei qiqi felt a little uncomfortable. she didn't want people to treat her differently. she also finally realized that tang yu's glory wasn't that easy to get.

She didn't need to work hard, as many of her past work proposals were sent to her email.

she had added many people on her QQ and wechat.

Xiao ran completed his task and left Xuanji.

pei qiqi didn't do anything for the next two hours. she was busy dividing the new members into groups.

Some sharp-eyed people also saw that the first name on PEI Qiqi's contact list was Tang Yu and Xuxu.

At 5 pm, PEI Qiqi packed her things and was about to leave work when Tang Yu appeared at the door of the design department.

the people who were about to get off work immediately sat down and pretended to be busy.

pei qiqi stood there and tang yu walked over.

She looked up at him, stunned.

“are you done?” his voice was gentle, with some restraint.

pei qiqi nodded subconsciously. tang yu naturally took her bag, ” let’s go! ”

A series of gasps could be heard. The president was actually carrying PEI Qiqi’s bag?

pei qiqi was obviously a little surprised. she wanted to take it but he was already at the door. she quickly followed him and said in a small voice, ” i want to see daddy. ”

tang yu used one hand to pull her back. he directly put an arm around her shoulder and half carried her to the elevator.

When no one was around, he lowered his head to look at her. I’ll send you there later.

he did have some work to do, but he wanted to be with her. so, when xiao ran couldn’t invite her, and it was obvious that the child was angry with him, he came down to arrest her without caring about his status.

but now, his little friend said that she wanted to go back to see her father. he felt a little uncomfortable thinking that when she was sick, she even called him ‘father’. he was her father too!

pei qiqi raised her eyes and looked at him in a daze. then, she thought of that ‘beetle’!

Thus, she turned her little face away in a Huff. I want to go by myself!

He was still angry!

he reached out to ruffle her hair and smiled. ” i’ve told you about it, yingluo. ”

As he spoke, he suddenly bent down and rubbed his nose against each other, as if he was treating a child.

Her surroundings were filled with his scent, so hot that she didn’t know what to do.

pei qiqi felt a little uneasy. she pursed her lips and couldn’t speak for a long time.

tang zheng kissed her. it was just a light touch. he didn’t force her and straightened his body. ” be careful on the road. i’ll pick you up later. ”

As he said this, he reached out and touched her little face. you’re not allowed to refuse. Call me before you come back. I’ll be done at about seven o’clock. Let’s have dinner outside later.”
