

Thank you 1101

Chapter 1101 Picked up a little puppy (sweet sweet pet)

pei qiqi lowered her head, " i want to know, but when i try to think about it, my head will hurt. " so, it had been a long time since she tried to think about the past.

sometimes, she would dream of a voice that kept calling her, calling her qi qi, calling her baby, and asking her to come back.

she had a feeling that she should come back to B city for a walk.

The answer she was looking for was here.

But she would be in pain.

pei qiqi held her head and that familiar pain started to hurt again.

her voice was weak. " medicine! "

tang yu immediately hugged her tightly. his heart ached as he took out a small medicine bottle from his bag. after looking at it, he poured out a pill and fed it to her.

It was painkillers!

there was no water for the time being, so he pressed on her shoulder and, ignoring the strange looks from the others, directly sealed her small mouth.

The tip of his tongue lingered and pressed against the pill to make her swallow it.

pei qiqi was stunned!

he didn't leave her lips immediately. instead, he waited for her to calm down before he kissed her even more rashly.

She wanted to struggle, but his hands wrapped around her entire body, trapping her in his arms.

PEI Qiqi was scared out of her wits. Her eyes were wide open as she stared at the man in front of her. She felt as if the arm that was holding her was made of steel. It was so strong that it scared her.

she stumbled back two steps and finally hit the wall behind her. she let out a soft cry.

a palm was placed on the back of her head, pressing and gently rubbing her scalp.

there were tears in her eyes, but they were relieved by him.

his lips and tongue were no longer as hurried as before, as if he was comforting her. instead, they became more soothing as he gently brushed her cheek over and over again.

she swallowed and breathed, following him.

It was just that after she became more obedient, he became rough again, and her small mouth seemed to be eaten by him.

She shook her head desperately, and he kept moving forward, as if he was half pressing on her.

they were tightly pressed against each other, creating a series of sparks, and the air was warm and moist.

After a long time, there was a round of applause. Then, someone urged, "propose, propose, propose!"

PEI Qiqi was dumbfounded. She looked around. There were three layers of people inside and three layers of people outside ...

he saw their performance?

One of Tang Yu's hands was still on her waist. His thin lips were on the side of her lips and his voice was especially hoarse, "pei qiqi, do you want me to propose to them or tell them that we're friends?"

friends?

"you dare?" She glared at him, her eyes sparkling.

He kissed her on the lips. so you're proposing?"

as he said this, he really took out an ice-cold object from his pocket and put it on her ring finger.

she lowered her head to take a look. it was a pink diamond. it was not big, about one carat, but it was extremely beautiful.

PEI Qiqi was stunned. Did he always carry a diamond ring with him?

Tang Yu's hands were holding hers and his forehead was touching hers. He lowered his head and smiled, "PEI Qiqi, we can make a fake act real.

"i have a husband, mr. tang." She moved closer to his ear and whispered.

His fingers tightened around her, pressing her body tightly against his.

Their eyes met, and her heart started to beat wildly.

just two hours ago, Qin Anlan and ye Liangqiu were in the same bed. PEI Qiqi, are you sure he's your husband?" He placed his hand on her chest. I don't feel any sadness from you. You don't care, okay?"

"i don't need you to guess what other people are thinking," she glared at him.

Chapter 1102 He's so horny (part one)

"i don't need you to guess what other people are thinking," she glared at him.

"but you need my money to get through tonight." he laughed in a low voice. "alright, if you don't listen to me, i'll leave you here. "

he was speaking as if she was just a nobody.

PEI Qiqi frowned and obediently let him hold her hand like he was holding a little lamb.

"Thank you, everyone. My girlfriend has agreed to marry me."

There was a round of applause.

PEI Qiqi followed behind Tang Yan and stuck out her tongue. What she said was as if it was true! she took off the ring and returned it to him. ” “This is for you,”

“Wear it! It’s an imitation, so it’s not valuable.” tang yu said lightly and led her into the mall.

PEI Qiqi lowered her head and looked at it. She felt that the design was quite nice. But after thinking about it, she felt that it couldn’t be real. This was an All-American pink diamond. No matter what, it should be worth at least a million. How could it be placed in her pocket so casually?

“There are a lot at home, right? are you lying to the little girl?” She shot him.

tang yu scoffed and glared at her, ” you seem like hanhan isn’t a little girl. she’s a married woman. at most, she’s a young married woman. ”

“you’re the one who’s a young woman?” She glared at him.

“It never happened?” he trapped her in the elevator and continued to tease her. ” i’ll know once i check. ”

PEI Qiqi also knew that he wouldn’t do anything to her in the elevator. However, she couldn’t understand why he was so hot and cold all of a sudden.

tang yu just smiled. he wasn’t in a hurry to move forward.

Her defense was so weak, so he didn’t need to worry.

the little hand in his palm was dripping with sweat.

“are you very nervous?” he lowered his head to look at her.

she didn’t expect pei qiqi to actually nod, ” i have a slight claustrophobia. ”

tang mo was startled. qiqi didn’t have it before.

however, he still pulled her into his arms. his warm breath filled her nose and she slowly calmed down. tang yan rubbed her hair and pei qiqi gave a weak smile.

On the fifth floor, it was all girls ‘clothes.

Tang Yu and PEI Qiqi stood side by side, ” do you have a specific brand you like? ”

PEI Qiqi shook her head, ” there’s no need to buy a good one. A normal one will do.

These brands were quite expensive, and they all cost at least a few thousand Yuan. She didn’t want to owe a strange man too much.

“Are you afraid you’ll owe me?” he chuckled. ” then you can pay with your body!
”

“I’m not that cheap!” PEI Qiqi muttered and walked into a shop, ” let’s take a look here!

The clothes in this shop were mainly for leisure, and the fabric was all cotton. She could also wear them as pajamas.

PEI Qiqi decided to be thick-skinned and buy two sets of clothes. She swiped his card.

Tang mo didn’t participate too much and just sat on the sofa in the rest area, playing with his phone.

pei qiqi picked out a white denim t-shirt and a long linen dress and went to the changing room to change.

they were all very ordinary and low-key designs, but their prices were not low-key. they were all five to six thousand yuan each.

pei qiqi casually tried it on. it was okay, as long as it could be worn.

When she came out, she was about to hug onto her sugar daddy’s leg, but Tang Yu wasn’t in the resting area. His seat was empty.

She closed her eyes and wondered if he had run away.

just as she was about to apologize to the salesgirl and reject it, the salesgirl suddenly exclaimed, ” miss, the girlish heart you’re wearing is so beautiful. ”

A young girl’s heart?

PEI Qiqi raised her hand, ” this? ”

The salesgirl was extremely excited. it’s this pink diamond. because of its perfect color and cutting technique, it was sold at garth for 12 million yuan last time. this is the most perfect pink diamond in the world.”

Chapter 1103 He’s so horny (2)

the salesgirl was almost drooling.

PEI Qiqi lowered her head and looked at her fingers. She laughed dryly, ” “this one is fake. it’s A high-quality imitation. it’s a counterfeit.”

young miss, don’t joke around. How can this flame be fake? I’ve been looking at this Heart Water for a long time. I definitely won’t be wrong. The salesgirl said firmly.

at this time, tang mo came over with a few pieces of cloth.

PEI Qiqi didn’t notice and asked him, ” “How can this be true?”

“qi qi, are you sure you want to talk about this with me here? We’ll talk about it at home.” he smiled slightly and was very at ease!

pei qiqi was caught off guard by the smile on his face and felt a little awkward-he was speaking so ambiguously as if they were living together.

And Yingying is going home?

when he said these two words, her heart throbbed.

Her eyes fell on his hand, and then her face turned red because he was holding a woman's underwear. | Yi.

"Why are you holding this?" Her voice had a softness that she didn't know she was talking about. She took the things from his hands and was about to put them back.

Tang Yu smiled and reached out to grab her arm, " Qiqi, aren't you going to wear a Kasaya? "

she would be fine after she washed and dried her clothes. she really could not buy undergarments in front of a man.

tang yu's voice was low, " stop messing around. you'll be laughed at. "

his fingers ruffled her hair, his tone indulgent.

Moreover, it was so natural.

pei qiqi was petrified as she was pushed into the changing room. after she changed, she looked at herself in the mirror.

the size was very suitable, as if it had been measured.

And this bra was picked by Tang Yu, so did that mean he knew her size like the back of his hand?

PEI Qiqi covered her face, feeling too ashamed to face anyone.

god, they had only met for the fourth time.

when he went out, he had already picked out a few more panties for her and packed them together.

The salesperson swiped her card with a smile and said enviously, " "Your boyfriend is so good to you. He's so thoughtful."

" i've already succeeded in my proposal. " tang mo lazily leaned back and reached out to pinch the little sheep's face.

pei qiqi smiled at him and reached out to hug his arm, " yeah! So, hubby, I still want to buy a lot of things."

He saw the mischievousness in her eyes and pinched her little face generously. of course, no problem.

So, he took her to a few brands for a walk.

Shua, shua, shua. He had bought her dozens of dresses, dozens of casual clothes, and about ten sets of black lace undergarments (the beast in my heart has been exposed).

PEI Qiqi picked up that thin and transparent thing and waved it in front of his handsome face, " you're wearing this? "

tang yu didn't move. his eyes were deep. " if you want to see, i can wear it for you. "

He paused. PEI Qiqi, there's a hotel on the 19th floor. Do you want to book a room? "

“no need.” she glared at him and said to the salesperson, ” “Except for this pile of ghostly things, pack up everything else.”

“Cut!” She reached out her fair hand to him.

Tang Yu smiled and placed his Black Gold Card in her palm, ” the password is 880330.

PEI Qiqi couldn’t help but glance at him, ” why do you use this password? ” It actually coincided with hers.

“I just thought of it.” He didn’t explain and just watched her brush.

There were too many things, so he wrote down the address of Xia city and asked someone to deliver them, but he only took the two sets she had bought at the beginning.

When she got back into the car, it was already 10:30. PEI Qiqi fastened her seat belt and felt like she had just found a sugar daddy.

Chapter 1104 PEI Qiqi, deal?(1)

She coughed lightly and said,”if you’re willing to book a room for me for a month and leave 10000 Yuan for me, I’m willing to spend it.”

“Call you big brother,” she said, her eyes sparkling.

Tang Yu slowly fastened his seat belt and smiled, ” “Do you scream when you make love?”

pei qiqi was shocked by his straightforwardness.

tang yan turned his head and looked at her under the dim light, ” pei qiqi, deal? ”

Become sworn brothers?

she didn’t know if she was overthinking it, but she felt that his words had a deeper meaning.

her little face was tense and serious.

Tang Yu laughed and reached out to stroke her hair, ” I’m just teasing you.

was it fun to tease her?

She straightened her neck and continued to glare at him.

“alright, let’s go.” He smiled slightly, his handsome face confusing, especially when the two of them were in the same space.

His aura was everywhere.

Tang Yu slowly reversed the car. His long and slender hands were on the steering wheel and his eyes were focused on the road ahead.

his side profile was very good looking.

PEI Qiqi looked at it for a while and felt it was too deliberate. She didn’t dare to look anymore.

Later, she realized that he wasn’t looking at her anymore, so she secretly looked at Yingying.

tang yu smiled but his eyes were still focused on the road ahead. his tone was gentle, ” qiqi, if you keep looking at me like that, i’m afraid i won’t be able to drive. ”

With that, he stopped the car at a red light and looked at her with his bright eyes.

PEI Qiqi wailed and covered her face, ” I wasn’t looking at you.

“Is that so?” he said enigmatically and did not correct her again. he drove off when the light turned green.

She thought he would take her back to the Rose Garden and was prepared to be taken advantage of tonight, but his car drove into an unfamiliar apartment building.

Xia city?

Was it for summer?

“is this the place where you’re going to hide your mistress?” she asked suspiciously.

Tang Yu unbuckled his seat belt and signaled for her to get out of the car. He then answered her question, ” if you are, then do you dare to stay here? ”

pei qiqi immediately jumped to his side. he pulled open the back door and took out her clothes. he looked at her from the side.

“why wouldn’t you dare?” she twisted her fair fingers and pouted, pretending not to be afraid.

what’s the matter? this beast in human clothing in front of her was quite good-looking. if anything happened, she wouldn’t lose out!

tang yu closed the car door. under the bright moonlight, he asked her, ” so you’re willing to call me brother? ”

“Big brother.” She called out sweetly and cheekily, her small hands hugging his arm. Brother, Brother, Brother Yingluo.

Tang Yu’s teeth were about to fall out from the sweetness. He lowered his head and looked at her, ” PEI Qiqi, we’ve only met for the fourth time. Girls should be more reserved!

F * ck!

PEI Qiqi glared at him and slowly said, ” ” you just said make love!!! ”

” i’m just joking. pei qiqi, did you take it for real? ” He bent over, and the tip of his nose touched hers. It was slightly cold, and the touch of the man’s nose was somewhat similar to that part of Yingluo’s.

When she looked up, she could see his deep eyes and his thin lips that could kiss her if he lowered them.

this was too ambiguous.

PEI Qiqi bit her lip, "I'm not.

"it's good that you didn't!" He smiled and straightened his body, and she heaved a sigh of relief.

Tang mo rubbed her hair and said lightly, "actually, qiqi, it really doesn't matter."

PEI Qiqi was petrified.

"Let's go!" He knocked her head. let's go.

Chapter 1105 PEI Qiqi, deal?(2)

"oh, "pei qiqi replied and followed him up as if she was in a fog.

"Should we take the stairs or the elevator?" He did not forget about her claustrophobia and asked.

PEI Qiqi blurted out, "more than ten floors. Forget it!

she didn't think much of what she said, but tang yu smiled. his smile seemed to have a deeper meaning.

In the depths of Qiqi's memory, there was actually the existence of Xia city.

when they reached the elevator, she took the initiative to hug his arm like a little lamb.

Tang Yu held the bag in one hand and put his other hand on her shoulder. He said in a low voice, "are you sure Hanhan doesn't want to, uh, do it?"

she was a little scared at first, but now she was amused by him. she buried her face in his shoulder and said, "mm, i'm not doing it. "

She did want to, she admitted.

in her memory, there was no such thing as making love.

just because she had never had anything with an lan did not mean that she had never fantasized about it!

she liked the man in front of her, but she didn't want to destroy this desire. sometimes, it wasn't good to get some things, and all that was left was emptiness.

Tang Yu just smiled. He walked out of the elevator and unlocked the apartment's door. After they had made up, they rarely came here, but there were always people to clean up.

it was still the same. there was a small bouquet of daisies in the vase on the dining table, with water droplets on it.

pei qiqi walked in and looked around. then, she turned around and looked at tang yao, "i like this place."

mm. his face was a little dark, as if he was reminiscing.

"Little Xinxin's mother used to live here," she said softly after a while.

PEI Qiqi's heart ached. She raised her head and looked at him, " "little xinxin's mother?"

Tang Yu nodded, " yes, little Xin Xin's mom.

"She, what's wrong?" PEI Qiqi didn't know why she was asking, but she couldn't help it.

Tang Yu looked at her and smiled, " PEI Qiqi, do you want to know? "

She nodded.

"It's not a good thing to know too much about a man." His voice was low and hoarse. it's very dangerous.

PEI Qiqi thought of Cheng Xuxu and didn't dare to ask anymore.

At this moment, the doorbell rang. Tang Yu went over and saw a salesperson from a shopping mall delivering the clothes they bought. Tang Yu asked them to hang up the clothes in the changing room.

pei qiqi went over to talk to him. then, she broke down and realized that the pile of ghostly things-the black lace-had all been sent over.

She puffed up her cheeks. I'm not wearing it!

"i'll wear it!" Tang Yu sent the service staff off and turned around. He looked at PEI Qiqi with a smile that didn't look like a smile.

tears welled up in her eyes, making her look even more alluring.

"Alright! take a bath and go to bed. bathrobes and towels are in the cabinet." he ruffled her hair. " you're tired too. "

The homeless little guy had been wandering outside for a day, so he should be tired now.

The way he looked at her was filled with love. PEI Qiqi was a little dazed.

" pei qiqi, if you keep looking at me like that, i'll think that you can't bear to let me go. " his voice was especially low and alluring in the dark night.

she didn't say anything and just looked up at him.

In fact, she couldn't bear to.

He looked at her eagerly and smiled. His fingers caressed her rose-like red lips and he lowered his head slightly. do you still want to call me brother? "

She immediately jumped up like a rabbit.

Unfortunately, she bumped into his chin.

Tang Yu groaned. PEI Qiqi looked up and saw his Kasaya in pain.

Chapter 1106 pei qiqi, deal?(3)

After staring at her for two seconds, he suddenly pulled her hair and made her lean into his arms.

His handsome face leaned down and kissed her small lips gently. It was very gentle and had a slow taste, but his body did not express it this way. His body was very tense and was about to explode.

he kissed her lightly again and again, and his voice was low and hoarse. " i'll stay, okay? "

pei qiqi's little hand tugged on his shirt and her little hand rubbed it.

Tang mo restrained himself, released her, and patted her little butt. his voice was hoarse. " go and take a shower. "

He didn't say he would stay, nor did he say he wouldn't.

pei qiqi just felt that she couldn't stay with him anymore and ran to the bathroom!

after she was done, she weakly realized that she had not brought her bathrobe.

And so, PEI Qiqi meowed like a cat, " Tang Yu!

Tang Zheng was standing by the window, smoking a cigarette. When he heard her call him, he turned his head and smiled. what's wrong? "

Half of her little face peeked out from behind the door, and she mewled like a kitten, " i didn't bring my bathrobe."

the hand holding the cigarette trembled, then he went to the changing room to get her a bathrobe and a **.

PEI Qiqi took it out and put it on. Her long hair was wet and she faced the window to dry her hair. Her bathrobe was rolled up and her long legs were white and straight.

and his eyes seemed to be on fire.

he flicked the cigarette butt and said in a hoarse voice, " i'm going to take a shower. "

"you're staying?" pei qiqi turned her head.

her long hair was still a little wet and draped over her shoulders. the thin bathrobe couldn't hide anything, and she looked seductive no matter how you looked at it.

tang yu walked over. he was very close to her. he lowered his head and looked at her, " " pei qiqi, we've only met four times. the fact that you can appear in front of me like this means that you like me! "

with that, he gave her a light kiss on the lips and went to the bathroom.

pei qiqi was left standing there, at a loss.

She liked him?

He shook his head violently. I don't like him.

It was because they were homeless!

pei qiqi lied to herself. you obviously have ulterior motives towards him. Body!

PEI Qiqi blew her hair until it was straight and dry.

when tang yu came out, she made some fruit tea and poured two cups on the table in front of the sofa. then, she fell asleep on the sofa.

He smiled. He was really like a child, drooling at this age.

however, he still drank her fruit tea. it was sweet and sour, and it tasted the same as the tea she had made before.

he carried her to the master bedroom, adjusted the air conditioner to a comfortable temperature, lowered his head to kiss her bright forehead, and said goodnight in a low voice before walking out.

he needed to smoke a cigarette to calm down his previously full of desires.

he knew that if he wanted her, she would be his tonight, because she wanted him too.

but he didn't want it to be so fast. he wanted her to fall in love with him.

in the dark night, he stood by the window and smoked quietly, but he was no longer lonely.

in the bedroom, pei qiqi quietly opened her eyes.

he's leaving?

He left after a kiss on the forehead?

she rolled around on the bed and let out a cry.

Lying flat, she reached out to touch her forehead and her lips.

She could feel his restraint, but what was he waiting for?

why should he restrain himself?

pei qiqi was shocked to find out that she actually wanted to sleep with tang yan.

She hugged the blanket and rolled around, crying out.

when tang yu returned to the bedroom, it was already 11:30. he thought she was already asleep.

How could he fall asleep when he was lying beside her?

Chapter 1107 PEI Qiqi, deal?(4)

he held her in his arms and looked at her beautiful face under the dim light.

his qiqi, from her body to her heart, actually remembered him. otherwise, why didn't she sleep in the same bed as someone else?

at this moment, his heart was in turmoil, and he really wanted her.

However, he still restrained himself and closed his eyes after kissing her.

after a while, he chuckled and patted the person in his arms. " " pei qiqi, if you really want it, i can work with you. "

her little face was completely red, and she bit her lip. " i don't want it. "

she had been pretending to be asleep, but her frozen body could not lie to him.

“if you don’t, then go to sleep.” “Children shouldn’t overthink things,” he said as he pulled her into his arms.

“I’m not thinking nonsense.” She muttered, “ you’re the one who sleeps in the same bed as me.

she gave him a kick willfully.

Tang Yu chuckled, “ there’s only one bed here. Otherwise, where do you want me to sleep?”

“sleep here?” he asked as he rolled over and pressed her down. Hmm?”

“come down.” PEI Qiqi was anxious. She hit him with her little hand, “ come down.

He didn’t make things difficult for her. Instead, he flipped over and lay flat on the bed. don’t worry, I won’t touch you.

He paused for a moment before turning his face. there will be a storm in the second half of the night!

her eyes widened in a daze.

“Alright, time to sleep.” “I’m not that desperate.” The corners of his lips curled up.

pei qiqi was humiliated. she kicked him, turned around, and went to sleep.

He didn’t carry her and just lay flat, wearing only a bathrobe.

At this moment, she was right beside him, enjoying the infinite beauty.

in the second half of the night, there was indeed a heavy rain. the weather was hot and humid, and one could feel the sweltering heat even with the air conditioner on.

pei qiqi tossed and turned. because he was beside her, she couldn’t fall asleep. in the end, she hugged his arm without any backbone. she felt much better.

She fell into a deep sleep, satisfied.

Tang Yu lowered his head and looked at his pig-like friend. He smiled-

the sky was clear at dawn.

The morning light shone through the curtains and gently shone on the luxurious bed. PEI Qiqi’s blanket was kicked to her waist. Her small hand was placed on Tang Yu’s smooth stomach and the other hand was placed on an indescribable place.

Her small face was calm, and her face was pressed against his heart. Her long black hair was let down, and she was unspeakably beautiful.

And this scene was peaceful and beautiful.

Tang mo woke up, looked up slightly, smiled, and continued to lie flat.

although it was unbearable, this kind of torture was also sweet.

pei qiqi only woke up at 8 am. when she opened her eyes, she saw a white bathrobe in front of her. her saliva was on the bathrobe.

was she drooling?

“An LAN? How did I end up sleeping on your bed?” She asked in a daze, then wrapped her small hands around his waist.”why are you still lazing in bed today?”

An LAN?

tang yu squinted his eyes. he really wanted to strangle her!

She had called Qin Anlan’s name on his bed!

Although he knew that nothing had happened between them, he could tell from her words that her relationship with an LAN was very good. At least, there were feelings.

That was why she was so natural. That was why she did not guard against Qin Anlan.

At that moment, Tang Yu’s mind was spinning, but he lowered his head and kissed her, ” “It’s me, Tang Yu. mrs. qin!”

The last three words were said through gritted teeth.

pei qiqi almost jumped up in shock. mrs. qin?

she looked up at tang mo’s dark and handsome face and squeezed out a smile.”good morning, mr. tang.”

Chapter 1108 a half-year agreement (1)

his big palm held her waist firmly, not letting her get up. he said with some ridicule, ” “I’m very honored to have satisfied Mrs. Qin.”

then, he kissed her deeply.

The kind of kiss that made her toes curl up quietly.

PEI Qiqi was a little scared.

just as she was in a daze, he suddenly let go of her and got up to take a shower.

PEI Qiqi saw his ‘soaring to the sky’.

He turned around and glared at Yingying before going to the bathroom.

pei qiqi hugged her blanket and lay down again. she stared at the ceiling and mumbled, ” “He must be in menopause.”

“pei qiqi, i heard you.” the sound of him gritting his teeth could be heard from the bathroom.

“Oh.” she buried her face in her hands.

She didn't know why she felt so at ease here. Why did she not put up any defenses against this man? it seemed that it was normal to feel at ease by his side.

it was probably because yingluo's body was very attractive!

PEI Qiqi laughed silently and picked up her phone.

there were countless missed calls from qin anlan.

she thought for a moment and decided to call him. at least she wanted to tell him that she was safe and that he wouldn't be worried.

Qin Anlan's voice was a little cold. He had probably guessed who she was with."Qi Qi, must you do this?"

pei qiqi paused for a moment and slowly said, " "An LAN, I'm not with him! But I don't hate him, and you have a son with ye Liangqiu. Is our marriage not suitable?"

if she said that she loved him deeply and that they had a happy marriage, even if he had someone else in the past, even if he had a son, she would not let go of his hand so easily. she only wanted him to love her.

She would give him time to deal with the problem, and she would also treat the child well.

However, her relationship with an LAN was so awkward, so why not give ye Liangqiu and the child a chance?

In fact, she was more willing to let an LAN be happy.

After being together for two years, she really had feelings for him, and these feelings were like family.

he was more like her brother than her friends.

no matter what trouble she had caused, no matter how willful she was, he would always tolerate her.

sometimes, she would wonder if she should try to love an lan. she had tried, really, but she was just a little short.

The voice in her heart kept telling her that it was not an LAN.

she tried to accept it and also tried to be a normal couple with him, but she was still afraid to back down at the critical moment.

the body was perhaps the most honest.

she didn't know if she had anything to do with this man called tang yu, but she thought that she must know him and he must know her.

otherwise, why would they sleep together so defenselessly? she didn't have to worry that he would force himself on her?

This peace of mind surpassed the one she felt for an LAN.

qin anlan's voice was cold. " i can promise that i won't be with ye liangqiu. can you promise that you'll never be with tang yu? "

He turned around and saw ye Liangqiu standing behind him.

she didn't have much expression on her face, just like when she was acting, she wore a mask.

qin anlan was a little annoyed and ignored her.

Ye Liangqiu laughed mockingly.

Qin Anlan continued to speak coldly into the phone, " " qiqi, there are some problems with our marriage, but we don't need to get a divorce. i will make arrangements for muyun. the rest is not important. "

"An LAN, are you tired?" PEI Qiqi asked softly.

He was stunned for a moment.

Chapter 1109 A half-year agreement (2)

"an lan, i'm not as heartless as you think i am!" She sighed softly. it'll be better if we get along in a different way.

" let you go and let you be with tang yu? " his voice was a little hoarse. " did you two sleep last night? "

pei qiqi was shocked.

she and an lan were husband and wife, but it was so cruel when everything was torn apart.

she could calmly tell him that she didn't care that he had a son, and he could also use a mocking tone to say that she wanted to sleep with someone else!

pei qiqi's voice was a little hoarse, " an lan, i can't give you happiness. "

"You're the one who's not willing to give it to me." His voice sounded tired. Qiqi, you're against me from the bottom of your heart. Just like when you went to see Dr. York, you never thought about improving our relationship, right? "

PEI Qiqi's heart was extremely sad.

How could she not know how much he indulged her, Yingluo?

she wanted to love him, but there was nothing she could do.

guilt, sadness

"Qiqi, can you go back to new York?" Qin Anlan asked in a low voice. wait for me there, i'll go over after i'm done with my business."

if ye liangqiu was willing, he could take mu yun away. she would not mind.

They could still live the same life as before.

asexual marriage!

he had given up the idea of finding a woman to solve it. it was not fair to qiqi.

And PEI Qiqi's heart was extremely sad.

However, she didn't think that his suggestion was a good idea. It was unfair to him, and she didn't want to be stuck in it for the rest of her life.

one day, she met the man she wanted to love, and she had to be free.

However, she would not force an LAN to get a divorce. That would be cruel to an LAN.

an LAN, time will change everything. don't hurt her, " she said in a low voice. she gave birth to your child and raised it for seven years.

Qin Anlan closed his eyes. Qiqi, half a year. I'll give you your freedom for this half a year! after half a year, tell me your decision."

This was the biggest concession he could make.

he knew that the more he pushed her, the further she would distance herself from him.

"Just, don't let me not see you." he said in a low voice, his posture as low as possible.

without a doubt, qin anlan was smart. he had taken a huge risk, but his humble attitude had hit the softest part of her heart.

pei qiqi slowly put down her phone.

an lan agreed, but she felt sad.

tang mo stood at the bathroom door and heard it. he smiled silently.

he knew that his little lamb had softened again. qin anlan's move of retreating to advance was brilliant.

However, he didn't mind. He walked over and smiled. talking to an LAN? "

PEI Qiqi saw that he was dressed neatly and felt a little dizzy.

If he and an LAN were friends, then it would be a little awkward for her to sleep in the same bed as him. Cough, cough.

although they didn't really sleep together, it wasn't that different-they kissed and touched each other.

she grunted in acknowledgment, then leaned against the window and looked outside, mumbling, " " tang yu, no matter what our relationship was in the past, i don't want to hurt an lan. "

She lay on her stomach and turned her face to look at him."he is very important to me."

Tang Yu sighed in his heart. If PEI Qiqi had said this in the past, it would have been a huge joke. But now, she couldn't be more serious.

He could imagine what kind of relationship she and Qin Anlan had developed over the past two years. People with amnesia would treat the first person they saw as the person they were closest to, even their mother's existence.

Chapter 1110 A half-year agreement (3)

when he remembered that qin anlan was his 'mother-in-law', tang yu's anger finally eased.

He didn't answer her because his Qi Qi was too smart. If she knew things too quickly, it would put her in a difficult position. Also, he was afraid that she would have a headache if she thought too much.

he had contacted her hospital in the United States and found her attending doctor at the time, dr. george. her brain couldn't be too excited, so he was willing to take it slow.

Qin Anlan could wait, and so could he.

besides, the person who could hug her to sleep was him, tang yu.

He didn't say anything and just looked at the morning light with her. After a long time, Tang Yu said, " 'i'll stay here!'"

he took out a business card and placed it on the table in front of her. " this is the person-in-charge of Jia Ren magazine. Give him a call and he'll arrange a job for you. Your monthly salary is about 15000 Yuan.

pei qiqi raised her head and looked at him,"why did you help me?" I'm done.

"it's probably because i still want to kiss you." he smiled and bent down to kiss her on the lips. " i won't force you until you're willing. "

she was like a cloud now. she didn't want to be caught by anyone, so he would set her free. one day, she would come back.

He didn't want to have sex with her because he had some dark thoughts.

once he gave it to her, the game would end in her heart. he was like a child, throwing away a toy after getting it.

he was just a toy to her now, and he couldn't let her get it so quickly!

tang yu reached out and ruffled her hair, " i'm leaving first. i have a meeting later. "

PEI Qiqi grabbed onto his arm and her heart started to beat faster. She looked at him for a while and then said softly, " "I'll make you some noodles. It's chicken noodles. It's really delicious."

Tang Yu's eyes darkened and he stared at her without moving. She licked her lips and looked at him.

"Alright," he said after a long time.

He raised his hand to look at the time. I still have 20 minutes.

she flew into the kitchen. " i'll be quick. "

Tang Yu looked at her back with a faint smile on his face.

he watched as she busied herself in the kitchen like a little bee.

the morning light shone on the side of her face, and it was still beautiful.

It was as if she had returned to the past, as if she still remembered everything.

Tang Yu's gaze softened as he looked at the beautiful things that he had lost in his life. The reason why Qianqian had been merciful to Qin Anlan was because an LAN had not been too harsh on her. Secondly, without an LAN, Qiqi would not be standing by his side in one piece.

In the past two years, he had to admit that an LAN had done a lot for her.

The feelings she had for an LAN were kinship. It was something she should do.

It should be.

Tang Yu's heart was bitter, but looking at her, he felt warm.

pei qiqi brought the bowl of noodles over and placed it in front of him, "eat! how about you try it?"

Her eyes were looking for praise.

Tang Yu glanced at her, "of course it's delicious since you made it.

PEI Qiqi sat opposite him and held her small hand. She smiled and said, "i forgot to wash my hands just now."

Tang Zheng paused and looked at her with a complicated expression.

However, he quickly lowered his head and finished the bowl of noodles. The speed was so fast that it made people panic.

pei qiqi watched as he got up and wiped her lips.

"i'm leaving!" He smiled and handed her the room card. Then, he took out 20000 Yuan from his wallet. I borrowed it.

"Can you pay me back with your body?" pei qiqi looked at him pitifully. she already felt that being a rice weeper was a good life.

tang yu sighed, "don't you need to report to qin anlan? "
