

Thank you 1201

Chapter 1201 She was instinctively afraid of him (part five)

everyone in the company knew how strict elder sister ying was, so she was in charge of the new students. those who couldn't take the hardship would leave immediately. KING entertainment had never wanted popular young actors and young actresses.

After sister Ying entered, she paid special attention to ye Liangqiu.

Judging from the girl's expression, it was her first time.

she knew a little about president qin's sister-in-law. she was way more capable than ordinary people in a certain aspect, so he definitely wouldn't let this girl have an easy time.

however, sister ying's request was the same as before. when it was time to leave in the afternoon, ye liangqiu felt as if every bone in her body was dislocated.

Elder sister Ying looked at her indifferently and said, "let's go back first." I don't bring people around easily."

This was no different from rejection.

Kime, who had been waiting for a long time, laughed bitterly. In fact, he had been watching coldly from the side just now, and his heart ached.

Ye Liangqiu was a Virgin and had only been pampered by President Qin. Sister Ying's methods were really cruel. She even made her do those things. She was not flexible at all. Now, she was not soft-hearted at all.

He wanted to speak up for ye Liangqiu, but he knew elder sister Ying's temper. The more you pleaded, the more she wouldn't be soft-hearted.

Kime whispered to ye Liangqiu, " "Bear with it, no one can disobey President Qin's orders."

ye liangqiu was a little surprised. he looked at KIME with a face full of sweat.

"elder sister ying, i'll go back first!" you should think about this more. Just do it for me.

sister ying looked at him, then at ye liangqiu. she smiled."What, does your heart ache? i've never seen you care about anyone in the company all these years."

kie laughed drily and did not say anything else. he returned to the president's office.

Qin Anlan was reading a document when he heard the door open. He asked indifferently, " "how is it?"

kie had been gone for a long time, so there must have been some twists and turns. qin anlan was certain of this.

"I think you should talk to Sister Ying about this, boss Qin?" Kie hesitated.

Qin Anlan put down the document in his hand and looked up at Kime. she doesn't agree? "

Kie nodded. I think it's because of mo Xiaoqi's incident that sister Ying isn't willing to let Wanwan take on the artists that President Qin wants.

qin anlan smoked a cigarette. ” i asked her to take care of ye liangqiu, not because i wanted her. in fact, ran ran. ”

qin anlan didn't say that he didn't feel the same way as ye liangqiu at that time. he was paying attention to her feelings and didn't even care about himself.

It was a sexual affair that was beyond his senses. It was not exactly comfortable, but it seemed to have left a deep impression.

it was so deep that qin anlan would remember it for many years to come.

It was so profound that he had done it with many women later on, but none of them was as good as this time.

However, he was more willing to turn her into a unique piece of art. He had high expectations of her, and only sister Ying could bring her out.

qin anlan changed the topic. ” there's no need for that. if she can't even handle sister ying, how is she going to survive in the complicated entertainment industry? ”

Before she could become a heaven Queen, she had died on the way.

” yes. ” KIME nodded.

At this moment, Qin Anlan extinguished the cigarette and said in a calm tone, ” get someone to change the bed sheets in the lounge.

kie went to do it, and of course, he found out that boss qin had taken the girl's first time.

he didn't say anything, as he wouldn't be able to survive in KING entertainment for long if he did.

Chapter 1202 She was instinctively afraid of him (part six)

on the other side, ye liangqiu was carrying her small backpack and getting ready to leave work.

KING entertainment's interns didn't have a high salary of 3500 yuan, but if they were selected to be dancers or something, they would receive an allowance of 200 to 300 yuan each time. in a month, they would probably earn 5000 to 6000 yuan.

This income was very precious to ye Liangqiu.

Her father was a professor and had been incorruptible all his life. He only left the three of them and an old 80 square meter apartment.

if it wasn't for ye jin's accident, she wouldn't have dropped out of school and joined KING entertainment.

thinking of ye jin, ye liangqiu gripped her phone tightly.

Ye Zhi's life and death would be decided by this phone.

She went to the changing room to change her clothes. When she was about to leave, she ran into mo Xiaoqi and her manager, who had just come out of the changing room opposite.

mo xiaoqi immediately saw the hickey on ye liangqiu's neck. it was left behind by qin anlan, and it stung her eyes.

She was unwilling. She was now an Asian queen, but President Qin didn't even look at her. Instead, he wanted this little girl who hadn't even grown her hair.

mo xiaoqi sneered as she walked towards ye liangqiu. before she even reached her, she had already sent a slap flying towards her. "Bitch!"

her height wasn't an advantage, so her slap landed solidly on ye liangqiu's chin, immediately leaving a mark of five fingers.

ye liangqiu pursed her lips and looked at mo xiaoqi. "sister mo, have i ever offended you?"

"you've already offended me just because you climbed into president qin's bed," mo xiaoqi sneered.

"i remember that president qin doesn't have a girlfriend." Ye Liangqiu spoke very lightly, her voice so soft that it was almost inaudible.

However, mo Xiaoqi interpreted it as a guilty conscience. She was used to having her way in King Entertainment, so she didn't care about anyone, especially the women that President Qin had pampered. She would suppress them both openly and secretly.

after a long time, in KING entertainment, all these newbies who saw her would try to suck up to her.

Only this ye Liangqiu didn't know how to appreciate favors.

Moreover, because of ye Liangqiu, she had been put on the cold shoulder by the president. Although it was only temporary, she had no work for a month and had no chance to be exposed. Who knew if her fans would forget about her?

After her dream of being the wife of King Entertainment's CEO had been shattered, mo Xiaoqi had placed a lot of importance on her career.

she wouldn't allow anyone to overstep her authority and urge ye liangqiu to be summoned by president qin. she was already unhappy with that, and now president qin was asking sister ying to take her. mo xiaoqi could sense danger.

the newbie in front of him actually dared to talk back to him.

mo xiaoqi chuckled and fanned herself with her hand. "of course not! "I'm just teaching you a lesson. Don't think you can become famous just because you slept with President Qin. The entertainment industry isn't that simple."

ye liangqiu's lips were tightly pursed, almost forming a straight line. her voice was low as she said,"I've never thought of becoming famous, and I've never thought of blocking anyone's path. But sister mo thinks so highly of me. If I don't become famous, it would be a waste of sister Mo's attention."

mo xiaoqi's face turned red and white. she glared at ye liangqiu and said, "you dare to talk back to me? do you know who i am?"

“Mo Xiaoqi,” ye liangqiu’s voice was very soft as he slowly spat out these three words.

it had been a long time since mo xiaoqi had been looked down upon like this. who did she think she was, a newbie?

He raised his hand and was about to slap Yingying, but a voice suddenly rebuked, ” “what’s going on?”

Chapter 1203 You’re so capable!(1)

Mo Xiaoqi turned her head and saw sister Ying.

she immediately changed her expression and stomped her foot. she was 25 years old, but she had to act like a little girl to the 35-year-old sister ying. ” sister ying, look, she’s bullying me! ”

the cowardice in his tone was enough to make one’s skin crawl.

Sister Ying didn’t buy it. She had been in the entertainment industry for more than a decade and had seen all kinds of people.

if mo xiaoqi was a bit more capable, she wouldn’t have made things difficult for the newbie.

however, she had seen ye liangqiu’s unyielding character. she was a girl with a backbone.

At this moment, mo Xiaoqi took the opportunity to hit her while she was down. sister Ying, I heard that President Qin asked you to take care of her. Are you sure you want to take care of someone with such mediocre qualifications? ”

Sister Ying glanced at ye Liangqiu and said, ” no one can decide on President Qin’s arrangements.

her tone was neither warm nor cold, and with president qin’s presence, mo xiaoqi didn’t dare to say another word.

she knew very well that her status as the little queen of asia was given to her by KING entertainment. if the company decided to freeze her one day, she would be dragged down no matter how high she flew.

mo xiaoqi wasn’t willing to give up, but she could only glare at ye liangqiu and leave. her manager immediately followed.

Sister Ying’s gaze fell on ye Liangqiu’s face. After a while, she asked, ” “Face and body, Where does it hurt?”

her question was profound, but ye liangqiu understood.

She lowered her eyes. my heart hurts the most.

she had no choice but to offer her body because ye ling needed money, a large amount of money.

and it wasn’t something that could be solved with money.

elder sister ying looked at her for a long time before saying, ” apply some ice on your face when you get home tonight. if you want to turn red, you have to take good care of your face. you can’t have any injuries. ”

She paused for a moment. if you don't have a pretty face, you won't be able to survive in the entertainment industry.

ye liangqiu nodded. she wasn't someone who didn't know how to read people's minds. she softly said, "Thank you, elder sister Ying."

"Come with me!" Elder sister Ying smiled. I'll send you to the train station."

ye liangqiu was a little surprised, but sister ying had already walked away.

She still couldn't figure out what elder sister Ying meant, but she still left with her.

sister ying's car was on the second underground floor, where the company's higher-ups parked.

She looked at the time as she walked, but ye Liangqiu didn't say anything.

it was only when they reached the parking lot that ye liangqiu realized that qin anlan had opened the car door and was about to get in.

Sister Ying greeted President Qin.

Qin Anlan nodded, then his gaze fell on ye Liangqiu's face. He was a little surprised.

"what's going on?" Then, he asked with a frown.

before ye liangqiu could say anything, sister ying said, " what else could it be? mo xiaoqi slapped him. "

She paused for a moment. I'm going to take her to the hospital for an injury examination.

qin anlan looked at the five-fingered mark. although it was quite heavy, it was definitely not to the point where he needed to go to the hospital.

Elder sister Ying's meaning was very clear. This injury was because of him.

he glanced at ye liangqiu and said in a calm voice, " "You should go for a check-up."

He gestured for Kime, who was standing at the side, to take out a check for 500000 Yuan and give it to ye Liangqiu. This was also a way to give face to sister Ying.

He still had an important appointment, so he didn't say much and left in his car.

kie, who was driving, saw ceo qin's expression through the rearview mirror and added, " "elder sister ying's attitude has changed too quickly."

qin anlan closed his eyes and didn't say anything. KIME knew that boss qin didn't want people to talk about ye liangqiu.

this was somewhat abnormal!

Chapter 1204 you're so capable!(2)

In the parking lot, sister Ying looked at ye Liangqiu and smiled. "Get in the car!"

Ye Liangqiu grunted in agreement and sat down beside sister Ying.

Sister Ying drove the car out of the parking lot and squinted at the road ahead. Her voice was very faint as she asked, "where are you staying?"

Ye Liangqiu was somewhat flattered. She pursed her lips and said, "peace road."

"Elder sister Ying, I'll take the bus. Just drop me off in front," she added.

How could she not see that Sister Ying had asked her to go to the parking lot because she knew that President Qin would be there?

She was a little grateful. Sister Ying was cold on the outside but warm on the inside.

Elder sister Ying smiled but did not say it directly. Instead, she asked another question, "you're short on money?"

It was obvious that this little girl was a tough one. She had a rare pride, not the tsundere kind, but the style of an ancient scholar. It couldn't even be found in men now, let alone a little girl.

Sister Ying thought that what moved her was probably Ye Liangqiu's pride.

There were many beautiful women in the entertainment industry, but not many of them were recognizable. Without personality, they could only be popular for a while by creating scandals. It was impossible for them to become an iconic character of the times.

She had requirements for the artistes under her. She didn't give up on Mo Xiaoqi because she had a bad temper, but because she didn't have any special characteristics.

Ye Liangqiu nodded. "I'm lacking a lot."

Sister Ying paused for a moment. "That's why you came to King Entertainment?"

"Yes." Ye Liangqiu nodded again.

Sister Ying took out a long and thin cigarette from the control panel, lit it, and took a long puff before saying faintly, "to be in the entertainment industry, you can either be an extra for life and be happy. If you lack money, you have to reach the top. You can be replaced at any time."

Pei Qiqi looked at her.

Sister Ying smiled again. "This industry is very cruel. It's not as simple as you think."

After a long time, Ye Liangqiu finally said, "Thank you, Elder sister Ying."

"No need to thank me! Our interests are tied together." Sister Ying's tone was very light and emotionless.

As the manager, she would take 10% of the artist's income after tax, so Sister Ying had always thought that she and the artist were on the same side, and she had always looked at ability.

Ye Liangqiu didn't say anything more.

To her, the most important thing now was not to become famous, but to save Ye Ling.

In the end, sister Ying still sent her to Heping Road. Ye Liangqiu bent down and said goodbye to her.

Elder sister Ying looked into her eyes and said indifferently, "Remember, don't do anything that will anger President Qin! King Entertainment can bring you to a height you can't imagine."

Ye Liangqiu was stunned.

"If you're smart, you'll know what to do," elder sister Ying continued.

Under that sharp gaze, ye Liangqiu felt embarrassed.

Sister Ying didn't say anything else and drove away.

Ye Liangqiu stood at his original spot for a long time in a daze.

she took out her phone mechanically and flipped to the video she had taken. in the video, she could clearly see qin anlan's face and body. she could even see his forgetful expression as he leaned on her body. even the drops of sweat on his body could be seen clearly.

At that moment, she was struggling. She knew what she was about to face, but she had no choice.

when ye liangqiu returned home, she saw her mother, wang caiyun, burning incense to the bodhisattva and muttering, "I beg Buddha to bless my ye Rou and let her return safely. That little b * tch su Cheng will die without a burial place.

Chapter 1205 You're so capable (part three)

Ye Liangqiu only felt sad that her mother was like this.

Her father was a University professor and married an uncultured childhood friend. As time passed, they probably didn't have anything in common. However, it was rare that they had spent so many years together, even though they didn't grow old together.

su cheng, the little b * tch that wang caiyun was talking about, was ye rou's classmate. she was a typical rich girl and had been very close to ye rou.

ye liangqiu had told ye ling more than once to keep her distance, but the 18-year-old ye ling was currently in her honeymoon period, so why would she listen to her?

finally, something happened.

"Mom, I'm back!" ye liangqiu said softly as she placed her bag on the sofa.

wang caiyun prayed again before turning around and looking at her with a burning gaze. "liangqiu, how's ye ling's matter? do you have any way to get him out?"

Every day after the incident, her mother had used this tone to question her, and ye Liangqiu felt a little tired.

"Mom, I'll think of a way!" she held the two checks. "i will hire the best lawyer for ye jin. "

Mrs. Ye glared at her with a cold glint in her eyes. a lawyer? Are you trying to get your brother killed?"

She snatched the check and looked at the signature on it. Then she laughed coldly. "Ye Liangqiu, are you bullying me because I can't read and can't tell that this is your boss's check? You slept with him, didn't you?"

as she spoke, mrs. ye slapped ye liangqiu hard across the face. the force was so strong that her face was slanted to the side, and her long hair was scattered on her face. she looked extremely embarrassed.

ye liangqiu only felt a burning sensation on her face. her skin felt like it was about to burst, and a single touch would cause it to burst.

After a long time, she slowly turned her head back, but Wang Caiyun was already crying, "you useless thing, how can you sleep with someone else? your father's noble life has been ruined by you."

"mom, what do you think i should do? kneel down and beg su cheng?" ye liangqiu's heart turned cold.

her mother valued her sons and daughters, but to be so important, she was still deeply hurt.

wang caiyun's expression was a little confused, "of course i'm going to ask!" i'm begging you, liangqiu, i'm begging you to save your brother."

ye liangqiu's fingers gently caressed her face. it was so swollen that even a touch would hurt.

However, her mother could not see her injuries. Her heart only had ye Ling.

she laughed softly and her voice became even softer. "mom, why don't you go?"

mrs. ye was stunned for a moment before she started crying again. " ye liangqiu, your mother doesn't know how to get out of here. if you let me out, where am i supposed to find that little b * tch?! "

as she cried, she quickly tore the check into pieces.

ye liangqiu felt as if her heart had been torn to pieces by her mother.

She looked at the broken pieces on the ground for a long time before she smiled, although it was heart-wrenching.

She did not say anything. She turned around, picked up her bag, and walked to the door.

wang caiyun cried until she was out of breath, "ye liangqiu, where are you going? you unfilial daughter, are you not going to care about your mother?"

ye liangqiu's voice grew even fainter. " mom, i'll go and beg that little b * tch. "

wang caiyun caught up to her and grabbed her arm. her voice softened as she asked, " liangqiu, does your face hurt? did mommy hurt you?"

Ye Liangqiu jerked her head back. She looked at her mother's face, and her pupils contracted.

She finally knew that her mother was different from usual because her mind was no longer clear.

Chapter 1206 you're so capable (4)

ye liangqiu looked at it and then turned around. she picked up the two pieces of the check and put them in her pocket.

Wang Caiyun had been following her and begging her to save Ye Wanwan.

Ye Liangqiu walked out and closed the door, her back against the door-

Just now, she found out that she was not only going to save ye Ling, but also her mother.

Her mother had gone crazy.

she had gone crazy because of ye ling.

for the first time, she was willing to take a taxi to the su family's villa.

it was already evening, and the sky was red from the setting sun. ye liangqiu stood in front of the su residence, looking at a black sports car in the courtyard. she recognized the license plate.

the su family's butler came out to tell her that the young miss had asked her to wait.

Ye Liangqiu waited outside the entire time, from 6:30 to 9:00.

She stood in the strong night wind, straight and upright. Her white dress fluttered in the wind, and it was especially obvious in the dark night.

In the SU family's mansion.

Qin Anlan and Mr. Su finished their discussion and came out. He saw su Cheng standing at the window and smiled. Chengcheng, why are you standing here? "

su cheng smiled sweetly at him, then took his hand. " it's nothing, brother an lan! " are you done talking with dad?"

qin anlan nodded. " we're done! i have to go back, see you next time."

su chengcheng's lips curled up. " brother an lan, it's not easy for you to come here. please. "

"silly girl, you still have school tomorrow, right?" he ruffled her hair and went downstairs.

He started the car and slowly drove out of the SU family's mansion. However, he seemed to have seen a familiar figure at the door.

Qin Anlan instinctively squinted his eyes. He turned on the headlights and saw that it was ye Liangqiu.

However, he did not stop the car and drove it away quickly.

The car's headlights stung ye Liangqiu's eyes. She turned around to avoid them, but when she turned back, the car had already slowly driven away.

su cheng walked out in a pure dress with her hair tied up like a princess. she was in a completely different world from ye liangqiu's sorry state.

su cheng put her hands behind her back and looked at ye liangqiu. she tilted her head and smiled. ” sister liangqiu, did you come to see me so late because of ye ling? ”

Of course, ye Liangqiu wasn’t stupid enough to think that begging her would work. She pursed her lips and said in a low voice, ” what do I have to do to make you let ye Ling go? ”

su cheng’s face immediately turned into that of a little white rabbit, looking very scared. she smiled softly. ” “Sister Liangqiu, you shouldn’t say that!”

“I really do like ye Ling, but she’s still young and I don’t want to be trapped so early! but ye ling couldn’t wait. he coveted our family’s property and thought that he could do something to me just because he had sex with me. sister liangqiu, he wanted to rape me, so of course i had to scream. i was so scared at that time. ye ling was like a beast, constantly trying to tear my clothes apart, yingluo.”

Su Cheng put in a lot of effort in her acting. After she finished speaking, she laughed evilly. sister Liangqiu, I know you’ve always known that I’m just playing around with ye Zhi. I just want to know under what circumstances such an obedient man will turn into a beast and be willing to take off his clothes.

Ye Liangqiu listened to the words of the girl in front of her and felt deeply sorrowful for ye Ling. ye xuan liked such a superficial and vicious girl.

he had thought that su cheng was a pure girl, but just as he thought that they were in love, su cheng had seduced him and accused him of attempted rape.

What a good plan, it failed, not only did it save his face, but it could also kill the other party.

Chapter 1207 you’re so capable!(5)

ye liangqiu looked at su cheng. ” what do you want? ” do you want me to kneel down and beg you?”

su cheng chuckled and played with her fingers. ” sister liangqiu, aren’t you curious why i’m toying with ye zhi? ”

Ye Liangqiu did not say anything.

Su Cheng’s expression was subtle, and her voice turned cold. because sister Liangqiu was so popular in school.

That was why the SU family’s little princess was unhappy. Ever since she was young, she had always been the Apple of everyone’s eye. However, when she entered high school, she realized that ye Liangqiu was the dream girl of all the boys in the school.

how could this be?

Hence, ye Ling became a scapegoat.

ye liangqiu lowered her eyes. ” have you never liked ye ling? ”

“No, I didn’t!” su cheng raised her head arrogantly. ” people of your level are not even fit to carry my shoes. ”

she turned around and walked through the black carved gate. her voice was cold and unfeeling, which did not match her appearance. he's definitely going to jail. If you want to blame someone, blame yourself, sister Liangqiu. You can't blame anyone else.

Ye Liangqiu stood there. She had found the answer, and it was absurd.

It was all because the little princess was unhappy, so she sent a young man to prison.

what kind of logic was that?

ye liangqiu stood in the wind for a long time, then slowly walked back.

She walked very slowly, and every step was painful ...

Ye Wanwan had been locked up for half a month and her mother Wanwan might need a large sum of money to be hospitalized.

she only had one path.

After walking for a hundred meters, a black sports car drove over with its headlights on. It was very eye-catching.

she instinctively covered her eyes in a daze.

the car made a turn five meters in front of her and stopped. the door of the passenger seat opened, and a deep male voice said, " "get in the car."

Ye Liangqiu pursed her lips and looked at Qin Anlan in the car. She did not move.

He lit a cigarette and said in a sinister voice, " "There's a limit to my patience,"

She then opened the door and got in.

the high-performance sports car sped on the road. her breath was a little messy, and she did not dare to look at him.

Half an hour later, the car stopped in front of King Entertainment's building. He said coldly, " "get out of the car."

ye liangqiu turned her head to look at him.

qin anlan got out of the car and slammed the door shut. he then walked toward the building.

He was certain that she would follow him up.

ye liangqiu got out of the car and silently followed him all the way to his office in the elevator.

the fact that he chose to discuss matters in the office showed his stance.

Ye Liangqiu walked into his office. Qin Anlan's tone was a little indifferent. close the door.

She closed the door numbly.

Qin Anlan's gaze fell on her face. you knew that I knew the SU family, right? "

when he was alone on the road, he had called KIME to check on the feud between ye liangqiu and the su family.

now that she thought about it, she had entered KING entertainment and even dedicated herself to him. it was all planned.

Qin Anlan had seen all sorts of storms and waves, but he had never thought that he would fall into the hands of a little girl.

He pinched her chin and asked in a cold voice, "where's the thing you took?"

Ye Liangqiu didn't find it strange that he could figure it out so quickly. She took out her phone and placed it in his hand.

"Did you make a backup?" Qin Anlan took it, swiped it open, and opened the video.

his eyes became colder. "the angle is good! Ye Liangqiu, you've got guts."

Most of the people who dared to plot against him had disappeared, but she really dared to!

Chapter 1208 the consequences of angering him (1)

"if i don't save your brother, you're going to announce this?" he returned her phone to her, his tone still indifferent.

Ye Liangqiu mustered up her courage. yes!

qin anlan squinted his eyes, then laughed softly. "do you think i'll be afraid?"

"president qin won't be afraid! However, once the video is released, the public will think that mo Xiaoqi is the female lead." Ye Liangqiu stretched out her hand. There was a burn mark on her left wrist.

All of mo Xiaoqi's fans knew that her hand had been injured during filming.

ye liangqiu's wrist had the exact same burn mark, but compared to mo xiaoqi's, one was new and the other was old. how could it be seen in the video?

qin anlan did not care that mo xiaoqi was not successful, but he hated being tied up with mo xiaoqi in front of the media.

Without a doubt, he was furious.

the girl in front of him looked cold, but the things she did were enough to make him look at her in a new light.

she was really capable!

Even ten mo Xiaoqi couldn't think of such methods!

qin anlan's eyes were filled with coldness. "there are two things that i hate the most. one is being schemed against, and the other is being threatened." and she had both of these.

Ye Liangqiu closed his eyes and softly said, "I know,"

his eyes fell on her swollen face and he suddenly let go of her. he took a step back, his expression cold, as if he had made a decision. "i'll get the su family to drop the lawsuit, but don't let me see that video. otherwise, you won't even know how you're going to die."

She burst into tears and said, " yes.

She had never been so humble and submissive before, but for ye Ling, she was willing.

qin anlan sat behind his desk and dialed a number on the fixed line. then, he took a long drag from the cigarette between his fingers.

after a long time, the call went through. he then said, " president su, there's something i need to trouble you with. "

.....

after a long conversation, qin anlan smiled faintly. " little girls are always a little mischievous. it's fine. i'll coax chengcheng later. " yes, she's my girlfriend. i can't help it that she's crying here."

Ye Liangqiu's body froze and she looked at him.

as he spoke, his gaze fell on her face. it was a little cold and a little unfamiliar.

Ye Liangqiu's body was trembling.

finally, he ended the call and looked at her. " ye xiao will be released tonight. "

"Thank you," he said. she said in a low voice.

Qin Anlan looked at her. but you'll pay for this.

"you know that ye ling is innocent." she looked at him.

"yes! But does that have anything to do with me?" He looked at her coldly. what's related to me is that you did something overboard to me.

Ye Liangqiu took out two pieces of the check from her pocket and placed them on his table.

Her face was swollen and her body was trembling. "you slept with my first time, so you helped me once. it's fair."

This was the first time someone had dared to talk about fairness in front of him.

The word 'fairness' was never in Qin Anlan's dictionary, because it was laughable.

He narrowed his eyes and said coldly after a moment, " "Get out."

He didn't announce the results to her, but ye Liangqiu knew that it was going to be difficult for her to move forward in King Entertainment.

elder sister ying had warned her.

She did not regret it.

she walked out of his office and out of KING entertainment's building. perhaps it was time for her to say goodbye to this towering building.

she stood at the quiet bus stop, waiting for the bus on route 11.

Chapter 1209 the consequences of angering him (2)

The late bus was very difficult to wait for. She waited for ten minutes and still did not get it. Instead, she got Qin Anlan's Black sports car.

however, he did not stop when he passed her, and his speed was very fast.

Tears welled up in ye Liangqiu's eyes as she watched the car drive away. Her legs felt weak.

She reached out to hold onto the road sign beside her. It was only then that she felt scared.

After a long time, the bus on Route 11 finally arrived. She took the bus and it took an hour before she returned to her home on Heping Road.

ye ling had already returned before her. when she pushed open the door, her mother, wang caiyun, was holding ye ling in her arms. she was particularly happy as she caressed her son's face over and over again. there was a kind of joy in regaining something she had lost.

When he saw ye Liangqiu return, he simply said, "you're back?"

After saying that, she touched her son again, reluctant to let go.

"sister, what happened to your face?" ye jin asked.

Ye Liangqiu smiled lightly. it's nothing! it's good that you're back."

Ye Rou wanted to say something but stopped. At this time, Wang Caiyun held her son's arm and said affectionately, "Mom made your favorite braised pork ribs and has been waiting for you to come back. Go wash your hands and eat."

"Sister, you haven't eaten either, have you?" ye ling looked at her sister and called out softly.

"I'm not hungry, I'm going to take a shower first." Ye Liangqiu forced a smile, took her clothes, and went into the bathroom.

ye ling's gaze was a little dejected.

How could he not know that the reason he was able to come out was because of his sister? because apart from doting on him, his mother did not know anything else, Yingluo.

He felt very guilty, but there was nothing he could do other than feel guilty.

When his mother finally fell asleep, he walked into ye Liangqiu's bedroom. It was a small room, about six square meters. Compared to his twelve square meters, it was indeed too crowded.

"sister, are you asleep?" ye ling sat by the bed and spoke softly.

ye liangqiu's voice was low. "is the door closed?"

mm. Ye Jin grunted.

ye liangqiu gently sat up and reached out to touch ye ling's face. after a while, she said softly,"ye ling, we have to sell the house."

She might lose her job and her mother needed to be treated.

ye ling's eyes widened as he stared at her in a daze.

"Mom is sick. She needs to be treated." ye liangqiu said softly, " this house can be worth more than a million yuan if we sell it. we can rent a house and save the extra money for mom's treatment. when sister has the ability, she can pay the down payment. then we'll have a home again. "

As ye Liangqiu spoke, she leaned her head on ye Ling's shoulder. ye Ling, are you tired? "

She would be even more tired without a home!

Ye Ling didn't say a word. He remembered that when they were young, their mother had a relapse once. It didn't happen for a long time, so they almost forgot that Wanwan was sick and had always had a mental illness.

He turned his head to look at ye Liangqiu, who was only a year older than him, and nodded. okay.

Ye Liangqiu forced a smile and rested his head on his shoulder. ye Ling, don't leave me again, okay? next time, I don't know where to find you, and I don't know if I can find you.

'Ye Ling, next time, I don't know what else I can exchange for.'

The next day, she hung up a house at the agent's office. Ye Jin was on holiday and happened to be at home taking care of Wang Caiyun.

Ye Liangqiu went to King Entertainment as usual. She didn't say anything to anyone, not even sister Ying.

he just went to the training class as usual.

However, halfway through their training, Kime suddenly appeared and called out to sister Ying.

Chapter 1210 The consequences of angering him (3)

after whispering a few words, sister ying started scolding him. " president qin, do you think this is a game? you can promote and throw them away if you want to!"

" that little girl has guts. how dare she try to harm president qin. " sister ying's anger finally subsided after kie said a few more words. she turned to look at ye liangqiu and pursed her lips.

KIME sighed as well. this was a difficult situation!

"how about this, elder sister ying, you wait and see. maybe president qin will change his mind later." yes, " Kime said after thinking for a while.

in fact, even if he didn't say it, sister ying knew. if this happened in the past, boss qin would probably have kicked her out long ago, but this time, he didn't. he just put her in cold storage. who knew what boss qin would do in the future?

after chick left, sister ying's mood was a little complicated. she looked at ye liangqiu inside and sighed.

if one looked carefully at the girl, they would find that she was very talented. her facial features were beautiful and suitable for the big screen. however, this time, she had angered boss qin, so she might not have a chance.

sister ying was kind to ye liangqiu. she called her out and asked in a low voice, "President Qin is very angry. Are you sure you want to stay?"

ye liangqiu looked at sister ying and nodded firmly.

It wasn't because of love or ambition, but because he had no other choice.

ye liangqiu was removed from the list of students and became a menial girl at KING entertainment.

because of mo xiaoqi's ostracization, his life was even worse.

sister ying was on a business trip to the United Kingdom and couldn't take care of her. even if she could, sister ying couldn't be too biased. after all, president qin wanted to torture her.

The manager of the logistics department had a good relationship with mo Xiaoqi, so she assigned ye Liangqiu to do all the dirty and tiring work.

It was a very tiring period of time. She was busy selling her house and she managed to sell it for 1.5 million Yuan.

because her mother's condition had been treated in time and ye ling had returned safely, it had stabilized quite a bit. to ye liangqiu, it was a comfort.

Her days at King Entertainment were tough, but for the sake of the 4000 Yuan salary, she gritted her teeth and continued working.

at this moment, she was no longer the most promising campus belle of B high school, nor was she the ye liangqiu who only knew how to write and write. she needed to live and support this family.

Her dream had disappeared the moment she entered King Entertainment.

she didn't give up. she remembered what elder sister ying said.

ye liangqiu squatted down in the aisle of KING entertainment and wiped the floor with great effort. she seemed to get tired very easily these days. after squatting for a while, her back would start to ache.

A pair of exquisite red leather shoes appeared in front of her. She looked up and saw mo Xiaoqi and a row of interns standing behind her.

mo xiaoqi placed her foot in front of ye liangqiu and raised her chin. "i was wondering who it was! So she was the starlet that King Entertainment was promoting! Oh right, ye Liangqiu, why are you mopping the floor here?"

ye liangqiu ignored her and continued to wipe the floor.

however, mo xiaoqi would never let her off. she sneered and stepped on her rag with her high heels, " help me clean my shoes. "

ye liangqiu stood up slowly. she looked at mo xiaoqi and said, " "Miss mo, I'm not here to serve you alone."

"Listen, he's very virtuous!" mo xiaoqi chuckled. " do you still think you're the ye liangqiu from before? let me tell you, if president qin wants someone to be famous, she will be famous. if he wants someone to be buried forever, no matter how capable you are, you can't do anything. "

ye liangqiu pursed her lips into a straight line. " i thought that sister mo was the one who had the final say. "
