Chapter 1221 Qin Anlan, you bastard!(4)

Qin Anlan turned his face away and looked at her. His voice was hoarse."You're drunk."

Ye Liangqiu still looked up at him with a rare innocence in her eyes. Most men, including Qin Anlan, would feel a sense of satisfaction when they were looked at by such a gaze.

but at this moment, he had no intention of moving, because he did not see any love in her eyes.

"i'm not drunk." "Qin Anlan, Don't You Want Me?" she asked.

qin anlan's fingers gently caressed her seductive red lips. then, he leaned closer to her and asked in a low voice, " what scene have you prepared to shoot this time? "

she immediately left his embrace and glared at him.

"Little girl," he said with a smile.

"I'm not." "i've stopped being one a long time ago," ye liangqiu said in a low voice.

Qin Anlan narrowed his eyes. He naturally understood what she meant.

He paused for a moment and said in a cold voice, " "I'm going to sleep." his tone was more or less commanding.

ye liangqiu glanced at him, then slowly walked back to the guest room and closed the door.

qin anlan looked out the window again at the dark night sky. she had left, and there was less annoying temptation, but he seemed to feel a little bored.

He didn't know why he was suddenly in a daze. Perhaps he was too bored.

or perhaps she was very interesting.

In the eyes of others, ye Liangqiu was just like her name-cold, stubborn, and uninteresting. Only Qin Anlan thought that she was interesting.

It was just like how she pretended to be calm when he kissed her during the press conference. Just like how she pretended to be drunk when she was not drunk to tease him. She didn't want to!

qin anlan had some understanding of a woman's body. it was impossible for her to like doing such things because the first time was not a good memory. he was not gentle, not even rough.

she should be extremely afraid.

He laughed, finding it interesting. He really wanted to know what she was up to.

However, he knew her ultimate goal.

this was also the reason why he was willing to support her ...

only those who knew what they wanted would risk their lives to get it.

ye liangqiu was the person he was looking for.

He returned to his bedroom and fell asleep. Yingluo had always been suffering from insomnia and slept less than four hours a day. It was supposed to be a sleepless night, but he fell asleep.

Moreover, he woke up very late.

when he opened his eyes, the sunlight shone in through the heavy curtains, leaving an afterglow on his body.

Qin Anlan opened his eyes, covered them, and lay down again.

he actually wanted to sleep a little longer.

With that thought, he fell asleep again, Huahua.

When she woke up again, it was already 11 O'clock in the afternoon.

He sat up and shook his head. He had never been so clear-headed before.

After getting out of bed and washing up, he put on a set of casual clothes and walked towards the living room, preparing to go to the kitchen to get a glass of milk.

he never had the habit of eating breakfast, so when he saw a bowl of porridge and two side dishes on the small table, he was a little surprised, but he still sat down and ate.

Qin Anlan had lived abroad for a long time, so he had almost forgotten about Chinese breakfast. At this time, the taste was surprisingly good.

before he knew it, he had finished the porridge and half of the side dishes.

after eating, she looked up and saw ye liangqiu coming back from outside. she was holding the key that he had left on the coffee table.

Chapter 1222 She looks good in a shirt (part one)

They looked at each other for a long time before he asked softly, " "Is there any more porridge?"

"Oh," she replied, then shook her head and picked up the food in her hands."but we have lunch."

Qin Anlan pretended to acknowledge her nonchalantly and walked out of the small dining room. then you can do it! i'll wait outside."

Her cooking skills were absolutely amazing. Perhaps it was because he was used to big meals, so the plain vegetables and porridge were especially comfortable to eat.

Ye Liangqiu quietly entered the kitchen and quickly prepared three dishes and a soup. When she came over to ask him to eat, she was worried that he would not be able to eat. However, Qin Anlan had only eaten two bowls of rice and finished all the dishes she had prepared.

ye liangqiu quietly ate while looking at his bowl-

wasn't he full?

just as she was looking at him, he was also looking at her because she was wearing his clothes.

She was wearing a pair of sports shorts and a light blue shirt. Because she was very tall, it was not ugly to look at. Instead, it accentuated her long legs and slender waist.

qin anlan had never allowed any woman to try his white shirt on, but ye liangqiu looked good in it, and it had a pure allure.

He smoked a cigarette and realized that he seemed to have injected too many emotions into the goods that he shouldn't have.

after smoking a cigarette, she said softly, " i'll send you back later. "

he didn't say much and went straight to the study to smoke while she cleaned up and washed the dishes like a little wife or a little nanny.

qin anlan had no idea what it was like to have a woman at home. he had never brought a woman home before. ye liangqiu was the first.

after smoking two cigarettes in the study, she was already sitting upright and ready to leave.

he didn't know why, but he furrowed his brows. he didn't like her being like this.

when he went out, he was obviously in a bad mood, so he didn't even notice the hidden reporters.

he turned the steering wheel and whispered to ye liangqiu, " why did you open the window? "

"The air conditioner is on, so i'm a little dizzy." She also spoke softly.

After a pause, she continued, " "president qin, thank you."

Their relationship seemed to have returned to the polite times, and everything in the apartment was like an illusion.

Qin Anlan only smiled and did not say much.

after sending her to heping road, he drove away. ye liangqiu watched the black sports car slowly leave, the corners of her mouth slightly curved.

they were still stunned by the photos.

The next day's headlines were Qin Anlan and ye Liangqiu.

The reporters had captured ye Liangqiu spending a good night in President Qin's luxury apartment. Ye Liangqiu wore President Qin's shirt when she went out, so they had a very close relationship.

ye liangqiu knew this, so she wasn't surprised.

when she walked to KING entertainment, she was still being talked about in low voices. she knew in her heart that they were all talking about how good she was at seducing people.

She didn't care.

she only needed to care about what qin anlan thought of her.

of course, mo xiaoqi was the angrier one. although there were people scolding her in the video, after it was proven that the video was ye liangqiu, more people mocked her for losing to a newbie.

How could mo Xiaoqi swallow this?

In the changing room, mo Xiaoqi blocked ye Liangqiu's way.

She glared at ye Liangqiu and coldly asked, "Did you do it?"

Ye Liangqiu changed into her dance clothes and asked in a low voice, "what do you mean by 'I did'?"

"ye liangqiu! stop pretending to be innocent. you think you can lie to president qin, but you can't lie to me? you're the one who uploaded the video online, aren't you?" mo xiaoqi was flustered and exasperated.

Chapter 1223 she looks good in a shirt (part two)

ye liangqiu looked at her for a long time before chuckling. "sister mo, you might be overthinking it."

Mo Xiaoqi raised her hand out of habit. This time, ye Liangqiu reached out and grabbed her arm. Her face was cold. "yes, i did! But did I mention mo Xiaoqi? Sister mo, no one's criticizing you, you're the one who made the assumption."

Even in King Entertainment, mo Xiaoqi rarely had anyone who supported her like this. She was furious and exasperated. Liang Kuan!

her manager stood outside and sighed.

This little devil, didn't you see the headlines? ye liangqiu was already sleeping in boss qin's house. even if their relationship was fake, it would become real sooner or later. couldn't she just stop?

With such a ruckus, you want to be frozen?

Liang Kuan lowered his voice. miss ye is still young, so don't take it to heart.

this gave mo xiaoqi a way out!

however, mo xiaoqi wasn't willing to give up. she wasn't that smart and didn't appreciate liang kuan's good intentions. she continued to scold ye liangqiu, "ye liangqiu, if you did it, then don't be afraid to admit it in front of president qin."

"President Qin knows!" ye liangqiu coldly said.

Mo Xiaoqi was stunned, then she mumbled, "this is absolutely impossible."

she had been working at KING entertainment for a few years now and she knew president qin's style. he would never give in to ye liangqiu.

impossible, absolutely impossible.

mo xiaoqi couldn't take the blow and didn't come back to her senses for a long time. in the end, she was taken away by liang kuan.

Liang Kuan gave ye Liangqiu a deep look and left with mo Xiaoqi.

As soon as they left, sister Ying appeared. She frowned as she looked in the direction they had left. Then she said to ye Liangqiu, " "Ye Xiaoqi has never been your opponent."

Ye Liangqiu understood what sister Ying meant and nodded. "I'll be more careful in the future."

she saw through it and sister ying didn't blame her too much. " she's still popular, so don't get into a conflict with her if you can. mo xiaoqi isn't scary, but the fan club behind her is. "

after that, he changed the topic. " go to training. from today onwards, i will train you alone. from your figure to etiquette to acting, there will be a teacher to teach you. "

"why do i feel like you've put on some weight recently?" sister ying said, looking at ye liangqiu.

It was important to know that female artists had to maintain their figure in addition to their natural beauty. Sister Ying was a little harsh in this aspect, but she could tell that ye Liangqiu had gained two pounds.

Ye Liangqiu was also stunned for a moment. She looked at sister Ying and pursed her lips. sister Ying, did you? "

"perhaps i was wrong." Sister Ying smiled. go on! president qin still needs to check and accept it in the afternoon."

speaking of this, sister ying couldn't help but look at ye liangqiu in a new light. only ruan yun from a few years ago could make president qin value her.

Ye Liangqiu made a sound of agreement and practiced the Kasaya from morning to night.

she was still practicing even when her legs were cramping. when qin anlan came in, he saw her sweating like rain.

he frowned, and his heart moved.

In fact, he had long known that the company's interns were hard and he had long been used to it. However, this was the first time he felt uncomfortable in his heart.

He even had a feeling that ye Liangqiu's talent was enough to make it easier for her.

ye liangqiu looked up and saw that he had stopped in his tracks, almost falling over.

A large hand held her slender waist and continued to lead her to dance.

Chapter 1224 she looks good in a shirt (part three)

He was very good at dancing, and he made her spin and dance.

one after another, until she was out of strength.

With the last movement, he tightened his arms and she fell into his arms.

she panted lightly, and his eyes were locked on her. the corners of his mouth curled up into a faint smile. "You danced very well."

His arm was firmly held on to her, so she could only let him hold her. She could only let him tighten his arms. She could only look at his handsome face, and a part of her heart began to collapse. She quietly fell into a trap that they didn't know about.

If she was like this, wasn't he the same?

Sister Ying also looked at them. She felt that there was something different about President Qin's gaze.

Finally, he let go of her and said lightly, "ye liangqiu, go and take a shower."

"What?" She was stunned for a moment.

Qin Anlan smiled. I'm going to cook.

With the car keys in his hand, he said in a very noble manner, "My part-time helper is on leave, so you'll be in charge of my meals for this period of time!"

He had seen the headlines today, and it was written by her. He could tell with one look.

even if she liked to be caught in the news, he didn't mind.

At this moment, Qin Anlan did not realize that if someone else had schemed against him, would he be so forgiving?

He seemed to be looking forward to her little tricks, like an adult watching what kind of tricks a child would play in the next second. He had a little bad taste.

Ye Liangqiu nodded and went to take a shower.

sister ying crossed her arms in front of her chest and looked at her boss. "you're interested?"

this 'like' didn't mean that he wanted to sleep with her, but that he liked yingluo.

Qin Anlan glanced at elder sister Ying before he slowly said, "it's not like you don't know about this industry. If it wasn't for my girlfriend, what do you think she would face with her appearance?"

Of course, sister Ying knew. It was an unspoken rule!

president qin, didn't you also sleep with young girls? She's pretending to be so high and mighty!

Besides, President Qin, when Have you ever felt bad for your female artistes?

Sister Ying didn't think much of it, but she smiled faintly."President Qin, you're so considerate!"

&Nbsp; the corners of Qin Anlan's lips slowly curled up. her food is pretty good.

Besides, she used him, so shouldn't Yingluo pay the price?

as they were talking, ye liangqiu came out for a walk.

qin anlan naturally held her hand. "let's go!"

ye liangqiu sent sister ying an emoji, indicating that she was leaving.

elder sister ying stood in place and shook her head. what was going on?

She knew that they were acting, but who were they acting for?

the reporters were all downstairs!

a man and a woman, both at the best age, it was normal for them to be attracted to each other.

Ye Liangqiu was young and had never experienced it before, so it was understandable that she couldn't figure it out. But President Qin had seen countless people, so it was a little strange that he was so slow in this kind of relationship.

Sister Ying smoked her cigarette arrogantly. She had a feeling that Liang Qiu would definitely capture boss Qin's heart.

Qin Anlan didn't bring ye Liangqiu back to his apartment immediately. Instead, he brought her to the supermarket for a walk. He had probably been lonely for a long time and wanted to find someone to accompany him.

he was pushing the cart with one hand and reading the news on his phone with the other.

ye liangqiu was focused on picking the vegetables. she seemed to buy them often, so she was very good at picking.

occasionally, qin anlan would look up and see her conflicted expression.

At this moment, she was surprisingly cute. He actually took a picture of her and posted it on his social account.

The headline was "my her"!

Chapter 1225 Two lovers in love (1)

This undoubtedly solidified ye Liangqiu's position, and even mo Xiaoqi didn't dare to provoke her. after all, a girlfriend that boss qin acknowledged was different in nature. a pillow talk was enough to change many things.

"Which one is better?" ye liangqiu brought over two onions and showed them to him.

qin anlan was a little disdainful and said a little arrogantly, "I don't like to eat this!"

she looked at him in surprise, then said, "you can't be picky."

since he refused to eat them, she threw both of them into the shopping cart.

"Ye Liangqiu!" he gritted his teeth.

"I'm doing this for your own good," ye Liangqiu said with an innocent expression.

She gave a rare smile and wanted to pick something else, but he grabbed her arm and said in a low voice, "what can I do when I'm feeling better?"

His words were vague, but there were strong hints. Ye Liangqiu had done it with him once, so she immediately understood and blushed.

Ye Liangqiu turned her face away. President Qin, you can ask your harem.

He let go of her hand and smiled. "your words are a little sour."

"I didn't." she sighed.

Their relationship was that of a capitalist and a commodity. Even if they were here to buy groceries or cook at his apartment, they each had their own motives.

She craved for his protection, and he craved for her company, Hanhan.

After that, the two of them didn't make a sound. They paid the bill and went back to his apartment.

he was very busy after he came back. she called him after she had finished cooking, but he didn't look up and calmly ordered, " "Help me clean my bedroom."

she remembered that his part-time helper had taken leave, so she was now considered half a servant.

So, she took a clean rag and went to clean up Xuxu.

The place he lived in was like a sample room. There was no extra space, and the furniture was white, black, and gray, which was easy to clean.

as ye liangqiu was cleaning the room, she noticed that the drawer was open.

She wanted to close it, but she accidentally found a few small boxes, and one of them was open!

She had seen the little thing with the word 'du' in her head many times at the entrance of the Super merchant shop.

holding it in her hand, her face felt a little hot. just as she was about to put it down, someone stood at the door.

it was qin anlan.

"basically, it's for making love!" he said lightly.

ye liangqiu quickly stuffed the drawer back in, closed it, and then wiped his bedside table.

that strength was so strong that it hurt his balls. it felt like she was wiping a certain part of his body.

"It's time to eat," his tone became even more indifferent.

she immediately stopped and ran out in front of him.

No matter how petty she was, she was only 19 years old, after all, and she was still a little shy in this aspect.

She didn't make a sound during the meal. She sat up straight and had a good posture.

Qin Anlan felt that he did not hire an etiquette teacher in vain.

She was about to leave after the meal.

Qin Anlan did not ask her to stay. When she was about to close the door, he sat in front of the piano in front of the floor-to-ceiling window. He opened the piano cover, and his slender fingers landed on it. A string of smooth notes slid through his fingertips.

Ye Liangqiu's eyes were a little straight. She stared at it for a long time before she softly asked, "can I play?"

"Come here." he stopped and looked at her longing eyes.

ye liangqiu walked towards him, each step feeling like the blessing of the god of fate.

in the end, she sat down beside him. qin anlan rested his chin on his index finger and asked indifferently, "what songs do you know?"

ye liangqiu thought for a moment and raised her hand. "little chickling is looking for its mother."

Chapter 1226 Two lovers in love (2)

Qin Anlan was clearly stunned.

ye liangqiu replied, "i only know this song."

he was a little speechless, but he still played such a childish song with her.

She seemed to be very happy and played it again and again patiently. Qin Anlan just watched her play.

"Who taught you that?" he asked after a long time.

"My father." her long hair was tied into a ponytail, and he could see half of her face. at this time, her eyelashes were lowered, and she was in a daze.

If he could see her eyes, he would know how sad she was.

"Qin Anlan! Have you ever tried to see the people around you and the people you care about leave you one by one, and you can only reminisce about them through one thing or even one thing?" ye liangqiu raised her head to look at him.

Her eyes were full of stories, but he could not see the ending.

qin anlan's voice was low. "ye liangqiu, it's not like i haven't lost her before! I've also lost something very important before! friendship, love, all gone in a single night."

"but you have a harem." She reminded him.

Qin Anlan glanced at her and sighed helplessly.

She was the first person who dared to say that to him and bring up his private life.

"There's evidence in your bedside table." she didn't know why she would say that. it was as if she wanted to know something, or at least what he thought.

"ye liangqiu, don't try to test me!" His hands were placed on the keys of the zither and he slowly played a lullaby.

He played very well, and his hands were slender and beautiful. One could tell at a glance that he came from a good family.

ye liangqiu suddenly came to her senses and lowered her eyes, smiling bitterly.

They were not the mayflies of the same world.

in the end, she left under his music. he didn't ask her to stay, just like their relationship ...
they were just taking what they needed.

Qin Anlan's fingers flickered when he heard the door close.

He stopped, sighed, and dialed sister Ying's number. arrange for ye Liangqiu to go to the crew. You can do as you please. My bottom line is that if it's not a bad film, she's not allowed to shoot a bed scene.

When elder sister Ying received the news, she was a little surprised.

two or three hours ago, boss qin was still "my her." now, he had turned his back on her and kicked her too far away?

however, it was also a good thing for ye liangqiu. if she was lucky, it was possible for her to become famous in one production!

Sister Ying found a lot of scripts for ye Liangqiu, but none of them were in the middle. In the end, there was a movie that was about to hit the jackpot and needed a replacement. Because of the second female lead's scandal, she was banned. Some of the scripts related to the second female lead had to be reshooted, and the crew was looking for a replacement.

after the news was released, naturally, many people went after it. this was because the film's director and cast were all strong, and the investors behind it were also powerful.

in the end, sister ying defeated all the other competitors and sent ye liangqiu to the production team. sister ying also valued this opportunity and personally followed wanwan like a nanny.

fortunately, even though ye liangqiu did not have much foundation, she was extremely talented. in qin anlan's words, she was suitable for the big screen.

the second female lead in this literary film mainly fell in love with the male lead but could not get him, and eventually became crazy and hysterical, which was quite a test of her skills.

the director was quite satisfied with ye liangqiu's performance, but it wasn't quite on point. when the female lead and the male lead acted together, their emotions couldn't express the mixed feelings of love and hate.

After being stuck for eight times, the director finally came over personally to deal with them.

After that, he got stuck again.

the entire crew was like a zombie ...

Chapter 1227 two lovers in love (3)

There were even people who mocked ye Liangqiu, saying that he had relied on his connections and that he had no acting skills.

the director was also cursing in his heart.

“miss ye, i want you to show me the pain of killing the person you love with your own hands.” the director put his hands on his hips and said fiercely, ” but what about you? what’s with the inexplicable pleasure on your face? ”

“Pain, do you know what pain is?” “Ye Liangqiu, do you know what love is?” the director said angrily. The love between men and women!”

f * ck! ye Liangqiu was about to speak when a voice interrupted her.

“she’s still young, she doesn’t understand.” the person’s voice was a little low, and even the director was a little surprised.

Ye Liangqiu turned around and looked at Qin Anlan in a daze.

There was a hint of embarrassment on her face because she didn’t want him to see her in a daze.

Sister Ying was also surprised. She went up to Qin Anlan and whispered a few words to him. Qin Anlan raised his eyebrows and glanced at director Zhang. what show? ”

director zhang was taken aback. boss qin had never cared about these things. he was also very strict with his artists, even more so than them as directors. why was he suddenly asking about it?

director zhang didn’t dare to not say it, so he said softly, ” this part. ”

Director Zhang was a Senior Director and was quite famous in the country. However, in front of Qin Anlan, who was a big Shot in the entertainment industry, he was still a little inexperienced, so he had to give President Qin some face.

qin anlan picked up the script and looked through it. he glanced at it casually and then looked at ye liangqiu.”you’ve never liked anyone?”

Ye Liangqiu pursed her lips and replied in a low voice, ” no!

Qin Anlan looked straight into her eyes, and she looked up at him in a daze.

the air was filled with a faint ambiguity that almost couldn’t be dispersed. the director smelled it, so he coughed lightly. actually, it’s fine to cultivate. There’s no need to be too serious!

Qin Anlan smiled and looked at ye Liangqiu’s small face. He said to director Zhang, ” director Zhang, I’ll go through this scene with her first. We’ll start shooting in half an hour.

Of course, director Zhang agreed to it, so he let the staff rest for half an hour.

Qin Anlan looked at sister Ying. is there a resting room? ”

Sister Ying sighed. Ye Liangqiu was only a small supporting role now, so the crew wouldn’t give her a lounge. But if President Qin wanted it, they would.

sister ying was indeed sister ying. she got things done quickly and got the room very quickly.

qin anlan took a few steps forward. when he saw that no one was following him, he took two steps back and knocked ye liangqiu on the head. ” why aren’t you following me? ”

she obviously hadn't come back to her senses as she looked at him in a daze.

Qin Anlan's lips inched closer to her, and his voice was a little hoarse. "ye liangqiu, you're not too happy, are you? this is the first time i'm acting for someone."

she sobered up and lowered her eyes. "no way!"

qin anlan took two seconds to understand what she meant. she was probably referring to the time when he told the media that they were a couple. he smiled. "that time, you were the one who matched it for me."

Elder sister Ying walked behind them and looked at the two men in front of her.

acting?

was it really just a side character?

didn't boss qin feel that he was too into his character?

however, sister ying wouldn't say anything. she just followed him silently to the door of the suite and closed it.

She suddenly felt as if she was pulling something.

in the room, qin anlan put down the script in his hand, loosened his tie, and lay on the bed with his eyes closed.

Chapter 1228 Two lovers in love (4)

there was a hint of green under his eyes, as if he had not had a good rest for a long time.

ye liangqiu was dumbfounded. didn't he say he was right? Why are you sleeping here?

Ye Liangqiu pursed her lips and carefully tugged on his sleeve. President Qin? "

In the end, she didn't dare to disturb him. After pulling him once, he didn't react, so she didn't dare to pull anymore. She just looked at him!

In her heart, she was thinking,"falling asleep after two seconds, similar to some animals."

she didn't make a sound and just sat there laughing.

Ye Liangqiu was usually quite cold, but this time, she was smiling a little silly.

qin anlan opened one eye and looked at her. with one hand behind his head, he said in a hoarse voice, " "you want to act together?"

she hummed in acknowledgment and said in a coquettish voice, " "You won't get scolded again later."

Qin Anlan looked at her and smiled. are you afraid of me or director Zhang? "

"This is different!" she counted her fingers. "director zhang is different. he's only going to be the director this time, but i've signed a long-term contract. "

It was rare for her to be like this. Qin Anlan could not help but laugh. Do you regret it?"

He hadn't seen her for about ten days, and he happened to be in this city on a business trip. He told himself that he was just here to see sister Qianqian.

but when he saw her, he knew who he really wanted to see.

Lying down with her made him want to sleep. The long-lost sleepiness hit him, and he felt very comfortable.

However, it was still interesting to tease her.

ye liangqiu shook his head. "no."

he smiled, his fingers gently caressing her delicate face. he didn't realize that his actions were so natural and so gentle.

she was probably used to being treated like this by him, so she didn't resist.

just like that, they stared at each other, dazed.

"i know ye liangqiu wants to be the empress." He smiled gently, without his usual sternness.

it was probably the bed beneath him that allowed him to relax, or it could be the person on the bed that allowed him to relax.

ye liangqiu saw that he didn't plan on acting for her, so she took the script and thought about it.

However, her body fell down with him in his arms. His voice was a little low."sleep with me for a while."

She hugged the script, his warm body behind her. She lowered her eyes. President Qin, I have to read the script.

she bit her lower lip and added,"otherwise, director zhang is going to scold me again."

He maintained the position of holding her from behind with one hand, one hand around her waist, and the other touching her red lips. His voice was a little hoarse as he said, "aren't you afraid that I'm afraid of you? hmm?"

"i'm afraid." Her voice trembled a little, but at the same time, there was a hint of flattery.

qin anlan smiled. he smiled in satisfaction and joy. then, he turned over and pressed her under him.

her black hair was on the pillow, and she was wearing long pants from the national period. she looked like a college student from that era, so pure and innocent.

Qin Anlan finally understood what it meant to be seduced by a cold feeling.

Ye Liangqiu raised her head and looked at him. She placed her slender fingers on his shoulder and said, "that's not the part.

he wanted to share a bed with her now.| was it an act?

She did not remember such a scene.

qin anlan smiled and said in a low and hoarse voice, " ye liangqiu, after you're done with this part, you'll probably be able to act well in that heart-wrenching scene. "

with that, he lowered his head and kissed her on the lips.

Chapter 1229 Two lovers in love (5)

Ye Liangqiu's eyes widened as she stared at him in a daze, unable to believe that he would treat her like this!

"liangqiu, close your eyes." His voice was a little low. close your eyes and enjoy it. Imagine that I'm the man you like, and that you're going to kill me later.

when he kissed her again, he kissed her so fiercely that he almost swallowed her small mouth.

the surging waves of love drowned her, and her body seemed to float on the water, floating and floating again.

his body moved his lips to her ear and he murmured, " liangqiu, kill me!"

don't!

she shook her head and tears gathered in her eyes. slowly, they slipped down from the corner of her eyes.

She didn't want to. She didn't want to do that.

"No," she said. Her voice was heart-wrenching as she sat up abruptly and wrapped her arms around his neck.

Qin Anlan, I don't want you to die. She mumbled his name, her voice trembling, and her body as soft as water.

in her eyes, there was struggle, pain, and love.

"Alright, you can probably start filming now." qin anlan patted her shoulder and smiled.

but the slender body hanging on her body refused to let go of him. she kept holding him and refused to let go.

qin anlan laughed. she was really like a child.

he reached out and held her little hand. he said in a low voice, " "liangqiu, it's me! We're not in a movie."

her eyes were too deep, and it was obvious that she was still immersed in the scene and had not come out to take a walk.

Ye minqiu hugged his back and rested her face on his shoulder. She smiled gently, but her voice was filled with sorrow. Qin Anlan, I don't want you to leave me.

Even when he walked past a cluster of flowers, when such a girl leaned into his arms and said such words to him, his heart still throbbed a little.

most women would tell him, ” qin anlan, i don’t want to leave you. ”

but ye liangqiu had told him not to leave her.

as a man, he had a sense of satisfaction from being needed. this was something that other women had never given him.

qin anlan smiled slightly and reached out to stroke her head. ” silly! i won’t leave you.”

Just as he was feeling a little relieved, the person in his arms straightened her body. There was a slight smile on her teary face. The smile was even a little mischievous. Qin Anlan, what do you think of my acting? ”

She had been acting all along!

at that moment, qin anlan felt his face heat up. he seemed to have been overthinking things just now.

thus, she pursed her lips and lay flat again. she said indifferently, ” go! come over later.”

“President Qin, you should rest!” Her voice was especially obedient. I won’t disturb your sleep.

Qin Anlan sat up immediately and looked at her. He said slowly, ” “come over and be my pillow.”

After that, they spent a lot of time together, even on the same bed. Almost nothing happened. She was just a sleeping partner, but she was only sleeping with him. Qin Anlan would hold her in his arms and use her as a pillow.

she secretly wondered if he had an otaku complex ...

after a long time, qin anlan also felt that something was wrong with himself and went to see a psychiatrist.

The doctor said to him, ” Qin, you probably like that girl.

at this moment, he looked at her and asked her to be his pillow.

ye liangqiu got up and stuffed a pillow into his body. ” this will do. ”

He was stunned for a moment, then he laughed. you want to act as a side character next time? “

ye liangqiu looked at him with a subtle expression.

qin anlan threw the pillow in his hand away and lay flat again. he closed his eyes and said calmly, ” i’ll wait for you here. ”

ye liangqiu was speechless, but there was nothing he could do.

She picked up the pillow from the ground and put it away. Looking at his handsome face with his eyes closed, she suddenly had the urge to play a prank on him. She leaned close to his ear and said in a low voice, ” Qin Anlan, you’re childish.

He opened his eyes and looked at her with a burning gaze.

he grabbed her arm with his masculine strength.

he looked at her and said in a deep voice, " ye liangqiu, who did you say was childish? "

as he spoke, he touched her red lips with one hand and said in a threatening voice, " "do you need me to do something to prove it?"

She was probably really not afraid of him, and she answered quickly, " if I did, I would be even more childish.

"you're looking forward to doing it with me? hmm?" He lay back down, but his arm was still holding her. His tone was indifferent.

she was a little embarrassed and wanted to break free, but she couldn't.

he closed his eyes again and the corners of his mouth curled up in pleasure. " ye liangqiu, deal with me. be careful not to be eaten up until not even your bones are left. "

He was only halfway through his sentence, but there was a hint in his words.

ye liangqiu pursed her lips and placed her small hand on his palm. her voice was much gentler as she said, " president qin, director zhang has probably left already. "

The back of his hand seemed to stiffen for a moment, then he gently let go of her and turned to the side. "Then go quickly!"

She was actually grateful that he didn't make things difficult for her.

ye liangqiu was afraid of waking him up, so she quietly got out of bed and walked to the door. a man's cold voice came from behind her. " come back and be your pillow after you're done. "

only the heavens knew that ye liangqiu hadn't been so childish in a long time. she clenched her small fists and snorted. " i don't want to be a pillow. "

"use me as a pillow, or make love with me." "You choose one," he said happily.

"I won't!"

qin anlan used one hand to prop his head up. this seemed more comfortable. he then smiled. " then, shall i choose for you? "

what answered him was the loud sound of the door opening and closing.

What a bad temper!

He laughed even more happily. He smacked the pillow and wanted to sleep for a while, but there was a strange smell in his nose. There was no familiar smell. He suddenly sat up, leaned against the bed, and smoked a cigarette before getting out of bed.

Outside, director Zhang was very satisfied with ye Liangqiu's performance this time. It was rare for director Zhang to praise someone, so he couldn't help but praise her. "yes, this is the feeling!"

there's something in that look!

he finally understood why boss qin gave this little girl special treatment. she was especially good at acting!

Her whole body trembled as she cried, acting as if she was in extreme despair.

director zhang rewound the movie and was satisfied with it again. he had his own thoughts. if he had seen such a good new face in the past, he would have immediately made her the main character.

the more he looked at her, the more he felt that her facial features were delicate and easy to capture. it was just that she had no makeup on and could be shot from any angle in a particularly beautiful scene.

director zhang let out a long breath, then looked at ye liangqiu and the male lead.

now, he really wanted to f * cking delete all the female lead's scenes!

however, he decided to forget it. the female lead had a godfather behind her, so he couldn't move.

however, director zhang was still willing to add more scenes for ye liangqiu, especially after this scene. he wanted to add a beautiful and intense scene in bed. the effect would be better.
