

Thank you 1241

Chapter 1241 A vicious slap (2)

ye liangqiu frowned at the vulgarity of her words. she turned to look at su cheng and recalled the day when qin anlan appeared at the su family's house.

ye liangqiu had always known that qin anlan was good-looking, and that the little princess in front of her was perhaps a beauty.

she chuckled. " yes. "

su cheng's expression changed completely. she pinched ye liangqiu's arm very hard.

ye liangqiu pushed her away. she looked at su cheng's hurt expression and said coldly, " go away. "

Su Cheng took two steps back. She was only 160cm tall, so she was no match for ye Liangqiu, who was 172cm. What she couldn't stand the most was the disgust in ye Liangqiu's eyes, which looked at her as if she was a bacterium.

While she was still in a daze, ye Liangqiu had already hailed a taxi and left.

the car drove away, but su cheng still stood in the same place, staring blankly in the direction the car had gone.

ye liangqiu did not return to qin anlan's apartment immediately. instead, she went to the nursing home to visit her mother.

Wang Caiyun grabbed her arm the moment she saw her, her expression nervous."where's ye ling? cool autumn, where's ye ling? why didn't you bring him over?"

Because Wang Caiyun valued men over women, ye Liangqiu had never been close to her since she was young, but they were still family.

Ye Liangqiu's arm was in pain, but she still gently coaxed Wang Caiyun,"ye jin is in school."

Wang Caiyun nodded her head in comfort, but after a while, she said nervously, "But they said ye Ling is dead."

ye liangqiu pursed her lips and said in a low voice, " they don't know ye ling. they're just talking nonsense. "

wang caiyun responded with an "oh" and calmed down.

ye liangqiu helped her wash her hair, took a bath, cleaned up, and went to pay the bill.

seeing that she was about to leave, wang caiyun suddenly grabbed her hand. " cool autumn? "

"Mom, I have to go!" Ye Liangqiu smiled.

"it's good that he's gone, it's good that he's gone," wang caiyun muttered.

However, after the door closed, her expression became confused again. she went to sleep with someone. Yes, she must have slept with someone.

wang caiyun ran out like crazy, but after opening the door, there was an iron door that could never be opened.

She desperately shook the metal door, the veins on her hands popping out. ye Liangqiu, where did you take my ye Ling? ” Did you despise us, so you drove ye Ling away?”

She scolded her daughter over and over again, scolding her daughter with the ugliest words.

ye liangqiu pulled her little luggage and walked on the bluestone road outside the sanatorium. the walls on both sides of the road were covered with green vines, and it was very busy.

She just walked along the long and narrow corridor, listening to her mother’s harsh words.

she had talked to the doctor and her mother’s illness had worsened because she was thinking about ye xiao day and night.

Su Cheng was the only person who could tell her mother about ye Xuan’s death.

ye liangqiu raised her head and felt a warm sensation on her face.

it was drizzling, so it must have been rain rather than tears on her face.

How could she cry? she should have gotten used to it after so many years.

She really didn’t understand why her mother didn’t like her so much. She could understand if her mother liked boys, but she had seen her mother holding the little girl of her maternal family and smiling gently and lovingly.

and when she looked at him, she was mostly expressionless, and sometimes even hateful.

when she was young, she was afraid of wang caiyun, but when she grew up, she naturally distanced herself from her. on the contrary, she was very close to ye ling.

Chapter 1242 a vicious slap (3)

However, she had lost ye Ling and her father. Instead, she had to rely on her mother, who she was most distant from.

she admitted that she was cruel. she had left wang caiyun in this dark place for a long time because she did not have the ability to take care of her. it was not that she did not have the time, but she did not have the courage to face wang caiyun’s abuse.

The faster she walked, the heavier the rain became.

at the entrance of the alley, she finally squatted down, bit her lip, and cried out.

She really didn’t have anything left of Yingluo. The only thing she had was probably hatred.

she did not know how she walked back to qin anlan’s apartment. after she went there, her head felt heavy and she slept until the afternoon.

when she woke up, it was already night. she got up and walked to the living room outside.

The hall was dark, and it was obvious that he had not returned.

ye liangqiu pursed her lips and went to take a shower. in the bathroom mirror, she looked at herself and thought that she had put on some weight.

he pressed his fingers on his lower abdomen and felt that it was a little chubby.

He put on his bathrobe and went out to look at his phone. There was a message from Qin Anlan saying that he would not be coming back tonight.

She didn't mind and casually made something to eat. She sat on the sofa and ate while watching TV. after that, she saw a real-time report on the entertainment channel. qin anlan was attending a party with the daughter of asia vision. he was dressed in casual clothes and was still eye-catching even in the crowd.

and the daughter of ya shi was none other than su cheng.

ye liangqiu slowly put down the plate in her hand, her eyes fixed on the screen.

She laughed softly and lowered her eyes.

In the end, she had been too naive. King Entertainment and Asia TV had always been in a cooperative relationship. Why would Qin Anlan do anything for her?

He knew everything, but didn't he bring su Cheng to these events?

Ye Liangqiu felt as if he'd been slapped in the face. No, it was two slaps.

su cheng had slapped her in the day, and at night, qin anlan had slapped her from the other side.

she laughed softly, laughing at herself for being so silly.

but there were some things that had to be done.

She laid on Qin Anlan's bed and did not fall asleep. She only felt a little sleepy in the middle of the night.

After a short light sleep, the soft bed sank slightly, and she was pulled into a warm embrace.

Her small mouth was instantly kissed, and without any chance to react, he kissed her deeply.

their lips and teeth were entangled, and she was completely blocked. she could not say a word, nor could she resist.

She reached out to hit him, but he caught her arm and pressed her down on the bed.

Ye Liangqiu smelled the faint scent of alcohol and knew that it was because he had been drinking.

She turned her face to the side, and his Hot Lips moved over again, kissing her lips and not letting go.

"Qin Anlan!" She bit her lip and struggled with all her might.

"this isn't a safe area!" she had no choice but to raise her hand and slap him.

In the dark, the slap was especially loud. Yingying, this was the second time he had been hit by her.

qin anlan panted heavily and rolled to the side. after a while, he turned his head to look at her. "are you frightened?"

She held her forehead and smiled helplessly. I drank a little too much.

he wanted to get up and take a shower. perhaps he could not sleep with her again tonight.

After getting out of bed, she lay down and asked him, " " qin anlan, if it was someone else, would you kiss them like this when you were drunk? would you even have sex with them? "

Chapter 1243 You're really a loving person (1)

his body froze, and after a long time, he roughly understood what she meant.

He turned around slowly, holding his tie in his hand, and said slowly, " "Ye Liangqiu, if I fall in love with you one day, I won't mistreat you or have any other woman."

However, if I'm not in love with him, then it's his freedom to be with whoever he wants.

this was what he was trying to say.

it was impossible that ye liangqiu didn't understand. she just sneered, " you're so loving. "

he took off his coat and threw it on the sofa beside him. he watched as she got up from the bed and walked out.

"ye liangqiu, where are you going?"

"I'll sleep in the guest room," she said softly.

"we signed an agreement." The more she acted like this, the more he wanted to lock her up.

ye liangqiu turned around. " the agreement didn't say that i have to sleep with a wolf. "

he was stunned for a moment, and then he smiled softly. " i'll sleep in the guest room. "

This time, it was ye Liangqiu's turn to be dumbfounded. However, she still came back and lay down. She was probably too tired, so she fell asleep very quickly.

When Qin Anlan came out of the bathroom, he saw that ye Liangqiu had fallen asleep. Her side profile was gentler and more beautiful than usual, and her black hair was scattered on her face, covering half of her cassock.

At this moment, she had no feelers, no thorns, and was like a normal 19-year-old child without any defenses.

Qin Anlan was only wearing a bathrobe as he sat on the edge of the bed. He was already half-sober.

he touched her delicate little face with his fingers and had a thousand thoughts in his heart.

She asked him, what were they now?

in the dead of the night, he also asked himself, what were they?

in the end, he laughed bitterly. he was nothing now. while he still hated someone in his heart, he could not have any feelings for other girls. of course, other than physical desire, of course. | wang.

he didn't want to put ye liangqiu in this category. in the future, she would definitely shine. this would only humiliate her and taint her temperament ...

It wasn't that he didn't regret that time.

His fingers gently caressed her small face. Under his fingertips, there was a rare wonderful touch.

His thoughts were very complicated. After a long time, he gently got up.

on a night like this, he thought of someone he should not have thought of.

she took a pack of cigarettes and walked out quietly to the floor-to-ceiling window.

looking at the night view outside the window, he lowered his head and lit a cigarette. he took a long drag.

After that, he sat on the sofa and smoked for the rest of the night.

Although he had his sleeping pills in the bedroom, he didn't want to sleep.

he did not open the window. in the middle of the night, liangqiu was awakened by the smell of smoke. she walked out barefooted, her long hair draped over her shoulders. she was wearing white pajamas, tall and thin.

Qin Anlan was a little shocked when he turned around.

He was speechless. Why did all women think that white pyjamas looked better? it was clearly in the dark, and it was a little hard for her to explain her tall figure.

He reached out to turn on the light, and the room was brightly lit. Only then did he know that white pajamas looked nice.

because she wasn't wearing anything else inside, the young girl's figure was hazy under the light, and she was indescribably beautiful, especially when xiao he revealed her sharp corners.

his voice had a hoarseness that he didn't know. ” “Why can't you sleep?”

“The smell of smoke is too strong.” There was a faint hint of accusation in her tone.

qin anlan was stunned for a moment before he laughed. he put out the cigarette and opened the french window to take a look.

The wind outside was very strong. It gushed in all of a sudden and blew her pajamas.

“It's raining,” She was a little surprised. She ran over and leaned on the railing, looking at the fine rain in the dark night.

Chapter 1244 you're really a loving person (2)

qin anlan hugged her waist from behind and buried his face in her neck. ” why aren't you sleeping?
”

She smiled and placed her fingers gently on the back of his hand. After a while, she asked in a calm voice, ” ” qin anlan, do you think insomnia is contagious? ”

qin anlan turned her around and pressed his hands on her shoulders. he looked at her with a serious expression.

” go to sleep, ” he said softly after a long time. ” insomnia is bad for the young girl’s skin. ”

He carried her to his bedroom and carried her in his arms.

Her slender arms naturally wrapped around his neck, and she lowered her head, her long hair covering her eyes.”Qin Anlan, is this also a safe zone?”

“Right!” he gave her an answer and carefully placed her on the bed.

She saw that he had no intention of sleeping with her, so she was a little overwhelmed by the way he treated her just now.

she lowered her eyes and asked what she wanted to ask,”do you miss her in yueyue?”

At that moment, the man’s body under her fingers tensed up, and his muscles bulged.

Qin Anlan looked at her with a sharp gaze that had never been seen before.

His thin lips were pursed into a straight line. After a while, his voice was a little stern.”Who told you that?”

she was half-lying on the bed while he was half-pressing her down. this posture was really a little ambiguous ...

If only his eyes and voice weren’t so sharp.

Ye Liangqiu pursed her lips tightly. She couldn’t stand his intense gaze. She turned her face away and said softly, ” there are photos in the bedside cabinet.

Only then did he remember. With one hand holding her, he opened the bedside cabinet with the other and touched a photo frame with his fingers.

It was a group photo of three people.

he, shen lian and tang yu.

that was when they were twenty years old, their youthful years.

qin anlan looked at the photo and let go of ye liangqiu.

when he let go of her, she knew that he still couldn’t let go.

To him, she was just a person to pass the time when he was bored and lonely.

there was an unspeakable loneliness in her heart. it was not a good feeling.

Ye Liangqiu chuckled, laughing at his own foolishness.

Qin Anlan sat at the side and looked at it for a while. He touched it with his fingers as if he was reluctant to part with it.

In the end, he still put the photo frame back into the drawer. When he looked at her again, his tone was light. "i'm sleeping."

this time, he didn't want to leave. instead, he hugged her to sleep.

In the quiet night, a man and a woman both had their own thoughts, so how could they fall asleep easily?

She tried to breathe as lightly as possible, but her body kept moving around uncontrollably.

qin anlan opened his eyes and looked at the little black head in his arms. he threatened in a low voice, " "Ye Liangqiu, if you dare to move again, I'll kill you."

"You can just change." She was still a little emotional.

he laughed, his fingers slowly tightening. he touched her small stomach, and there was unexpectedly some meat there.

Thus, his fingers stayed there for a while longer. She was so soft that his fingers almost melted.

"he looks skinny, but there's meat on his stomach." his voice was hoarse, but he tried to be as calm as possible.

he didn't want to admit it, and he didn't want her to know that he had some kind of intention. there was a certain part of him that directly showed that he had a reaction.

Ye Liangqiu's voice was also a little shaky. sister Ying said that it's not good for female artistes to be fat.

"i'm not fat!" he smiled. " that's good. "

because it's quite comfortable to touch.

Perhaps it was because they were too comfortable with each other that they had forgotten that they had done it once, and that time, he did not use any protection.

she thought that he would do it, but he had forgotten that he did not.

Chapter 1245 You're really a loving person (3)

as a result, a small little thing was growing quietly. it had been more than two months since their first time. her body had already quietly changed, but she had not noticed it.

ye liangqiu didn't insist. she seemed to be a little sleepy as she spoke.

When she closed her eyes, she heard his voice whispering in her ears, " "Are you angry?"

What was she angry about?

However, she was still too sleepy and did not answer him.

early in the morning, qin anlan had dragged her up to sit on the bed. her hair was in a mess, and her pajamas had slipped under her shoulders.

qin anlan leaned against the head of the bed and let her sit between his strong legs.

she turned her face sideways. " what are you doing? "

“make love.” He bit her ear, trying to scare her.

“This is not fun,” she snorted.

She realized that he especially liked to scare her!

qin anlan laughed softly and reached out to caress her hair. he seemed to ask nonchalantly, ” “ye liangqiu, what kind of game do you think is fun?”

“a whip? Candle? Hmm?”

Her face was slightly red. She simply couldn’t get along with such an old man.

“Alright, look at the camera.” He pressed her little face. look here.

she turned around and realized that he was actually taking a selfie of yingluo. it was normal for anyone to do this, but qin anlan? It was a little strange.

and what he took was also considered a bed photo?

“I refuse!” Ye Liangqiu covered her face. Qin Anlan, you’re bored.

however, he pressed her small face down and forced her to look at the camera. he was so childish that she couldn’t help but laugh. she fell on his shoulder in a mess.

her pajamas slipped off, and she looked indescribably alluring.

She suddenly restrained her expression and looked at them through the phone’s camera with a dazed look.

was it really okay to sleep so intimately on the same bed with almost no obstacles?

was she thinking too much, or was he just not willing to think about it?

in the end, the photo was taken beautifully. qin anlan put his hand on her shoulder and sent it to her directly. he then put his hand on her head and said, ” make a frame when you’re free. ”

“Where?” she asked instinctively.

“at the head of the bed.” He lowered his head and smiled, but his eyes were fixed on her.

His eyes seemed to be on fire as he looked at the half of the little cutie.

his throat could not help but roll, full of masculine charm ...

Ye Liangqiu looked down at herself and then let out a shrill cry.

Qin Anlan chuckled softly, but he stopped laughing after a while. His fingers tightened and he pulled her into his arms.

his heart was beating very fast, thump, thump, thump. it was the same for her, so fast that it almost jumped out of her chest.

She did not know who kissed whose lips first, but he took hers in his mouth and kissed her again and again.

her body fell on the soft bed, her long hair spread out on the pillow, and there was a kind of soul-stirring beauty.

he kissed her carefully and closely. she wanted to struggle, but her hand was pinned to her side, like a cross, firmly nailed to yingluo.

“Qin Anlan.” Her voice was extremely fragile.

She looked at him helplessly. Her body was as soft as water, and she could only sink into a daze.

when he kissed her neck, she asked softly, ” “qin anlan, is this also a safe zone?”

his body tensed up and he laid on her for a long time without saying anything. he did not continue.

After a long time, he propped himself up and looked at the poor little thing under him.

No matter how cold she usually acted, she was still a 19-year-old girl after all.

Chapter 1246 You’re really a loving person (4)

“are you afraid?” His voice was extremely hoarse.

ye liangqiu bit her lip, not saying a word. she only trembled.

at this moment, she was so beautiful that it was suffocating. it was enough to make all men go crazy for her.

If ye Liangqiu was willing to take off a bit of her clothes in the movie, she would definitely become famous.

however, qin anlan did not want to.

Suddenly, he felt that this beauty belonged to him. At least, he would not allow her to come into contact with other men while she was his pillow.

he turned to the side, hugged her with one hand, and pulled her pajamas up with the other. he restrained himself and kissed her forehead.

after a long time, he said in a low voice, ” this is not the safe zone. ”

Ye Liangqiu closed her eyes, her fingers quietly wrapped around his waist as she slipped away.

he froze for a moment, but he still hugged her.

At this moment, they didn’t know that they had lost their hearts and they had fallen for each other.

ye liangqiu took qin anlan’s car to the company. she still received sister ying’s inhumane training, but her treatment was much better in all aspects, even better than mo xiaoqi’s.

Mo Xiaoqi was extremely unhappy, but she couldn’t do anything to ye Liangqiu, because she was Wanwan, who was under President Qin’s protection.

At noon, ye Liangqiu went outside to develop the photos, picked out a frame, and put the photos inside.

she washed another one in private and put it in her bag.

When she returned to the lounge, she took picture of the photo frame for Qin Anlan to see. It was handwritten-

“is it good?”

qin anlan smiled. ” not bad. ”

she had good taste and could accurately grasp what he liked.

but he had almost forgotten about the photo. now that he took a closer look at yingying,

There was a strange feeling in her heart that she couldn’t explain.

when she returned home at night, the photo frame was already placed on the bedside table, and it was strangely integrated into the bedroom.

he picked it up and looked at it for a while, and a smile appeared on his face.

“is it good?” she was wearing an apron and leaning against the door. she was tall and thin, and her looks were unique. even with an apron on, she still stood out.

He put down the things in his hands.”It’s nice, Yingluo.”

Her smile was a little cute, and he was surprised to find that she had a small canine tooth.

He smiled in his heart. After all, he was still a child.

(but you’ve already f * cked this child.)

“It’s good that you like it,” She smiled happily and waved her little hand. I’ll go cook.

he looked at her with a deep gaze, and then looked at the photo. he leaned against the bed and opened the small bag she had thrown on the bed. yes, this was a bad habit of hers.

the bag was a little old and wasn’t from a good brand. he thought to himself that he should buy her something.

he opened it, and it was originally a bit of a bad idea, but he found a photo in his bag.

it was a photo that looked exactly like the frame.

qin anlan was stunned.

he thought that the reason she printed this photo was probably to commemorate the fact that they would always separate. this kind of cohabitation relationship was not normal to begin with. to put it more bluntly, it was a kind of transaction.

he had paid for her company.

He didn’t say anything and put the things back where he came from.

after a while, he walked out and saw that she had already prepared three dishes and a soup.

qin anlan sat down. before the meal, he said indifferently, ” “the film you shot has been submitted to the kona film festival for foreign film competition. You have a chance to compete for the Best Supporting Actress.”

“really?” ye liangqiu asked, biting her chopsticks.

of course it’s true. Director Zhang is still quite famous on an international level. he ruffled her hair.
” you acted very well. ”

She smiled, a light smile. it reminded him of the breeze in february.

Chapter 1247 you’re so lovey-dovey (5)

She smiled, a light smile. It reminded him of the breeze in February.

this fool!

He smiled and did not say anything else.

ye liangqiu ate a lot during the meal. she touched her belly and said, ” i must have put on a lot of weight. ”

“Go and weigh it?” he suggested kindly.

although he felt that her belly was chubbier, it was not good to be too fat!

ye liangqiu followed him to his gym, touching this and that.

“Come here and weigh it.” he pointed at the electronic scale.

She stood up and closed her eyes, his low laughter ringing in her ears.“120! Ye Liangqiu, you’re so heavy.”

120?

she was shocked and quickly opened her eyes to take a look. it was only 104.

she heaved a sigh of relief and pouted her lips.”you’re lying,”

he reached out and carried her down. he hugged her again to make sure that she was not too heavy before he smiled. ” it was 120 just now. ”

“did i see it wrong?” he wanted to carry her up again, but she only felt that he was bored.

this time, after she stood on it, the number kept going up until it reached 120!

It turned out that Qin Anlan’s fingers were pressing on her shoulder in a daze.

“so boring.” she smiled. ” put me down. ”

qin anlan looked at her and laughed. ” ye liangqiu. ”

“yes.” she responded to him nonchalantly and looked around again.

His gym was huge, about 100 square meters.

She thought to herself that he probably trained his stamina to find women here.

qin anlan leaned back in his original position and gave a half-smile. "ye liangqiu, you fool."

she turned her head and looked at him in a daze.

"I'm not stupid," she replied after a long time.

he only smiled and did not say anything else.

that night, they lived together in peace.

He hugged her to sleep and only pinched the little flesh on her belly. "ye liangqiu, you should lose some weight."

"Can I reduce my price?" She was hit hard by him and spoke weakly.

qin anlan coughed lightly. "forget it!"

it's not bad to be chubbier like this.

she was defeated by his fickleness. she turned around and hugged his waist. "You're not allowed to touch my stomach anymore."

Qin Anlan felt like a Saint. He was carrying such a beautiful little thing, but he did not transform.

"recently, a female specialist has been quite popular. have you seen her speech?" he said slowly.

she raised her eyes and said with a lack of interest, "i'm not interested! The experts are all liars."

He laughed, his fingers still on her stomach. His voice was deep and slow, with a touch of mischief. "The female expert said, 'three essences and one poison.'"

She seemed to be interested and looked up at him.

for example, a white mother and a little black dog had sex, and they gave birth to a little dog. he coughed lightly and continued, "later, the little white dog had a relationship with a little white male dog. however, the child she gave birth to had black fur mixed in. This female expert said that this is the first child of the little black dog. It's deeply embedded in the little white dog's body and has memories. That's why it gave birth to the Little Flower dog with the White dog."

"Nonsense," Ye Liangqiu yawned. She had no interest in the female expert.

qin anlan's fingers moved slowly, and his voice was soft. "do you think your child will look like me in the future?"

Ye Liangqiu immediately opened her eyes and glared at him.

He laughed in a low voice. Liangqiu, I was just joking with you.

Chapter 1248 Cold autumn, reject me (1)

she turned around again. "qin anlan, this isn't funny at all."

“Are you angry?” He buried his face in her neck from behind. She was so fragrant.

the faint fragrance of the camellia wafted into his nose, giving him a special kind of enjoyment.

How could she sleep when he was like this?

She reached out and pushed him. Qin Anlan? ”

He hummed nonchalantly and said in a deep voice, ” if you don’t plan to get married, and I don’t plan to get married, let’s just continue like this, okay? ”

her body trembled.

“Qin Anlan, no one can predict what will happen in the future,” he said softly after a long while.

qin anlan felt a sense of loss in his heart.

Finally, he patted her and told her to sleep!

Life went on like this. Under Qin Anlan’s instructions, she did not pick up any other female supporting roles.

if nothing else, she would be the female lead in the next film.

At this time, there was also good news. She had been nominated for the Best Supporting Female lead in a foreign film, and there were many people who wanted to win the award.

King Entertainment had also invested in the film ” gentle breeze “, so Qin Anlan was there for the battle. Mo Xiaoqi, as the spokesperson of a fashion brand, was also invited to the red carpet.

Sister Ying attached great importance to this red carpet event. Many female celebrities were not very good when they were abroad, but they became famous immediately after stepping on the red carpet overseas.

of course, her requirements for ye liangqiu were different, at least different from those carpet stars.

In the dressing room, sister Ying placed her hands in front of her chest and directed the makeup artist. it doesn’t need to be too thick. She’s still young, and it’s not good to have too much makeup on her.

When choosing her gown, sister Ying hesitated again and again. One had to know that a gown for a formal event directly reflected the position of a female star.

At ye Liangqiu’s age, it was safe to take the sweet route, but her temperament was too cold, and she was tall, so sister Ying finally decided to take the cold route.

she picked out dior’s latest dress, which had a strapless design and diamond shoulder straps. it made her skin look fair and fragrant, and there were three simple black stripes on the top. the rest was a classic white dress.

Her long hair was tied into a bun, and she was very tall, so her entire temperament was out.

sister ying helped her tidy up again and smiled. ” “little darling, even the foreign female stars will be overshadowed by your beauty in a while.”

“No, elder sister Ying,” ye Liangqiu laughed.

elder sister ying patted her. ” let’s go. the car is waiting outside. president qin is already here. ”

Ye Liangqiu’s heart started beating uncontrollably again. She looked at sister Ying with a dazed expression. After a while, she said softly,”elder sister ying, i’m a little scared.”

Sister Ying was speechless. what are you afraid of? President Qin won’t eat you up.

” i’m talking about yingluo walking the red carpet, ” ye liangqiu said in a low voice.

“Really?” elder sister Ying raised her eyebrows.

there was a little disbelief on her face.

“It’s true!” ye liangqiu bit her lip.

after that, sister ying laughed softly. ” this silly child, she’s just teasing you. ”

She brought her downstairs, and a black Rolls Royce Phantom was already parked at the door.

qin anlan was leaning against the car door, smoking nonchalantly. when he looked up and saw ye liangqiu, he looked at her with a touch of surprise and surprise in his eyes. he did not speak for a long time.

“president qin, it’s time,” sister ying reminded him.

Qin Anlan smiled and opened the car door. He placed his hand on the door and gestured for ye Liangqiu to get in.

Chapter 1249 Cold autumn, reject me (2)

ye liangqiu was stunned for a moment, but sister ying quickly pushed her. ” let’s go in first! ”

Ye Liangqiu got into the car first. Qin Anlan closed the door and said a few words to sister Ying before getting in the car.

As soon as he got in, the back seat of the car instantly felt cramped and cramped.

qin anlan tilted his head and said in a clear and elegant voice, ” “Nervous?”

She nodded.

He or she had no idea that she was nervous not because of the red carpet, but because of him.

Qin Anlan smiled. there’s nothing to be nervous about. You can just follow me later.

he pressed her head against his shoulder, his actions carrying a touch of doting.

ye liangqiu’s face was pressed against his warm neck. she had never known that gentleness could kill.

She wanted to ask him,’Qin Anlan, is this a safe area?’

but she didn't dare to ask.

the black limousine shuttled through the foreign cities. she and he hugged each other, and their hearts were very close. however, he had never realized that when he realized it, she was already gone.

on the red carpet, ye liangqiu saw mo xiaoqi.

Mo Xiaoqi was wearing a smokey grey necktie today, which purposely showed off her fair shoulders. She was indeed very moving.

She was being interviewed by the local media. When she saw Qin Anlan and ye Liangqiu, she smiled and walked naturally to Qin Anlan's side. She held his arm and said in a gentle voice, "It's about my personal issues. I have to complain to President Qin."

the reporter looked very interested.

"president qin said that i can only date if i want to," mo xiaoqi said in a sweet voice.

her words were a little ambiguous, but the reporters could smell it.

mo xiaoqi was obviously trying to say that she worked for president qin.

Hence, they pointed the microphones at Qin Anlan. President Qin, is that so? "

Qin Anlan smiled faintly and reached out to hold ye Liangqiu's small shoulders. I'm afraid my girlfriend will be unhappy if you ask me this, " he said with a smile.

" oh, " the reporter replied. then, he looked at mo xiaoqi with a meaningful gaze.

not only did mo xiaoqi want to walk the red carpet, but she also wanted to ride on president qin's popularity. however, she obviously couldn't.

mo xiaoqi felt embarrassed, and her arms could not hold onto qin anlan's arm.

she knew very well that qin anlan was giving her a warning.

of course, mo xiaoqi wasn't a simple person. she quickly smiled sweetly and said, " liangqiu must be overthinking it. president qin and i are just in a simple relationship. "

in that case, it was no longer simple.

qin anlan's expression turned ugly. he would tell mo xiaoqi's manager to freeze her for a year and a half and teach her how to speak first.

Ye Liangqiu leaned on Qin Anlan's shoulder and smiled faintly. as his girlfriend, of course I don't want him to be involved with any other woman.

Mo Xiaoqi's face darkened, but because the media was around, she quickly adjusted her expression. thank you for your concern, everyone. I think I'll meet the right man.

It was their turn to walk the red carpet. Mo Xiaoqi was supposed to walk the red carpet earlier, but she had deliberately delayed it to compete with ye Liangqiu.

however, reality was cruel.

Although mo Xiaoqi was quite popular in Asia, she was beautiful and had a sweet song, and she had acted in a few good films, in places like Nigeria, there were not many photographers who would take photos of her even if she tried her best to pose.

on the contrary, as soon as ye liangqiu stepped onto the red carpet, the foreign media became somewhat fanatical.

An authentic Oriental Beauty! She was so beautiful!

she was tall and had fair skin. she was not inferior to any of the top western female stars.

She had an aura that was rare for an Eastern Star, enough to suppress the entire red carpet.

unlike mo xiaoqi, ye liangqiu did not walk the red carpet for five minutes. instead, she shuffled around and cooperated with the media to take a few photos before she followed qin anlan to take a stroll.

mo xiaoqi was left there, stroking her head.

after ye liangqiu finished walking the red carpet, she followed qin anlan to meet some famous producers and directors.

her hand was still on his arm, and her eyes were full of trust.

however, she soon felt a little tired. her feet were a little tired standing.

after that, she did not know when qin anlan reached out to hold her arm.

she looked up at him, and he was talking to a famous foreign director.

His side profile was extremely good looking, and her heart throbbed.

she knew that it was called being moved.

she knew that her gaze had been following him, and qin anlan would definitely notice her, but she could not control herself.

when they arrived at the hotel, they stayed in the same room. this was qin anlan's insistence.

qin anlan opened the door and closed it again. he lay on the bed, closed his eyes, and patted the spot beside him."come and lie down with me for a while."

She obediently walked over and lay down, carefully placing her small face on his shoulder.

this was also qin anlan's request.

he seemed to be asleep. she didn't dare to move, so she just lay there and felt sleepy.

she was probably used to sleeping with him after spending so much time with him.

as she slowly fell asleep, he suddenly got up gently, pulled her head to the side, and got out of bed.

she hugged her pillow.

“I’ll help you take off your shoes,” Qin Anlan said softly.

before she could say anything, he had already squatted down, grabbed her feet, and removed her shoes.

she felt her heart palpitate again, and she subconsciously wanted to withdraw her feet, but he held them tightly and his voice was a little hoarse.”Ye Liangqiu, what are you afraid of?”

She bit her lip. I’m not afraid.

he laughed in a low voice, ‘if i’m not afraid, why would i be trembling like this? hmm?”

with that, he lay back down beside her, frowning, but quickly smiling again. pinching her face, he said, ” ye liangqiu, you seem to have gained some weight! ”

“did i?” She also pinched herself. She clearly did not gain any weight.

He closed his eyes and held her in his arms, his fingers caressing her waist. my waist doesn’t seem so thin anymore.

This was simply an insult!

ye liangqiu leaned over and bit him on the neck. ” don’t you dare say that again! ”

After she finished speaking, she was stunned and seemed to have realized what she had done to him.

even qin anlan was slightly stunned, but he was more attracted to her.

She lay in his arms and bit his neck with her small mouth.

his body tensed up. it had been a few months since he had touched a woman, and the last time was when they had sex.

he looked at the person in his arms with a deep gaze. as he looked down, her shoulder straps fell a little. her spring-like look was much more alluring than mo xiaoqi’s deliberate exposure of her shoulders.

qin anlan’s adam’s apple bobbed as he stared at her body uncontrollably.

ye liangqiu bit her lip, her eyes watery.

slowly, he lowered his head and kissed her on the lips.
