Chapter 1251 Cold autumn, reject me (4)

Ye Liangqiu bit her lip, her eyes watery.

slowly, he lowered his head and kissed her on the lips.

He kissed her very lightly and said in a hoarse voice, ” “ye liangqiu, you pushed me away, you rejected me?”

her heart was beating rapidly as she looked at him.

he too, his breathing was hot and warm.

A man and a woman, at this moment, had the most primitive impulse.

to him, it was his body.

And ye Liangqiu was feeling it because of the warmth he gave her.

finally, he kissed her deeply, his big palm removing all her embarrassment.

he had deeply, deeply occupied her.

in a luxury suite in a foreign country, they had broken through the safe zone. it had only been a short month since they had signed the contract.

He had taken her twice because she said she was in pain.

when everything had calmed down, qin anlan flipped to the side and calmed down for a while before turning his head.

she seemed to have fallen asleep. her fair face had a faint blush, which was very beautiful.

when ye liangqiu woke up, she opened her eyes and saw his deep gaze.

her heart trembled. she looked at him. ” qin anlan? ”

He got up gently and leaned against the head of the bed. His gaze was a little complicated and dazed.

Her heart sank.

he looked like he had made a decision, and it was a decision about her.

Sure enough, he had a cigarette in his hand, but he didn't smoke it. He only said indifferently, ” “ye liangqiu, you're still an artist under KING entertainment.”

He didn't finish his sentence, but ye Liangqiu had already guessed it.

“qin anlan, you don't want me anymore, do you?” She looked at him and said very seriously.

Qin Anlan smiled faintly. I'm the one who doesn't need you to be my sleeping pill and pillow.

because he realized that he was too used to her existence and already had an attachment.

He didn't allow it. They even slept together.

She wrapped herself in the blanket and curled up inside, as if it was the only way to feel safe.

she looked into his eyes and repeated, " "qin anlan, do you not want me anymore?"

he was a little annoyed. " i've made myself very clear. "

Ye Liangqiu chuckled. because we slept together? because we've broken through the safe zone?"

Qin Anlan did not answer. He just kept silent.

She lowered her eyes, probably knowing what he meant.

" qin anlan, you're actually a coward! " "You're afraid of falling in love with me."
She slowly raised her eyes and looked at him.

he stared into her eyes for a while, then suddenly pinched her sharp chin. " ye liangqiu, are you in love with me? Do you dare to say what kind of intentions you have when you approached me?"

she had nothing to say.

She couldn't say how she was moved or how much she liked him, because he wouldn't believe her.

He didn't make things difficult for her. He'd already made it clear that she was still supporting ye Liangqiu.

The resources given to her would not be any less.

" i'll get sister ying to find you a decent house to stay in for the time being. if everything goes as expected, you'll be able to buy a villa in B city within a year. "
qin anlan said lightly, then lit a cigarette. " "If you have any requests, feel free to raise them."

Her body was still sweating, but the sweat from earlier was slowly turning cold. At this time, it stuck to her body, making her feel very uncomfortable.

however, she knew that her heart was even more upset.

her face was a little pale, and she shook her head in a daze. " no! "

he had already given her so much!

But he didn't give her what she wanted.

Qin Anlan looked at her deeply, then got up and went to the bathroom to take a shower.

Chapter 1252 She's pregnant (1)

Qin Anlan looked at her deeply, then got up and went to the bathroom to take a shower.

When he came out, he was already dressed neatly.

And she was still in such a sorry state.

he stood in front of the bed and said gently, " i'll get sister ying to buy you morning-after pills. i didn't use protection just now. "

her face was a little pale. he thought she was afraid and explained, ” “it’s to prevent pregnancy,”
Pregnant?

morning after pill?

after they made it that time, she didn’t eat it, and he didn’t take any protection.

she won’t get pregnant?

she had a bad feeling in her heart, but she didn’t want to think about it.

Qin Anlan probably felt that he was being too cruel to her, so he walked back and reached out to ruffle her hair. His tone was gentle.”i’m sorry to terminate our contract!”

she kept looking at him with a touch of warmth in her eyes.

she tried her best to hold it in and told herself not to cry, not to cry.

ye liangqiu, we only slept together once. he never said he liked you, yingluo.

However, her heart was in great pain. An unbearable pain arose in her heart, as if a part of it had been forcefully removed.

He looked at her and ruffled her hair again, his voice slightly hoarse. “I’m leaving.”

He had never explained the real reason, and she had not cried or made a fuss.

She raised her head to look at him and asked softly, ” ” qin anlan, can you kiss me? ”

perhaps, in the future, she wouldn’t be able to find anyone who could kiss her. hanhan wouldn’t be able to find this warmth again.

he was stunned for a moment, but then he did as she wished. he leaned over and kissed her on the forehead.

the moment she touched him, he didn’t feel good.

He had never felt so sorry for a woman before.

They were clearly taking what they needed, but he felt a little sorry for her!

“Alright, I’m really leaving.” His voice was hoarse.

“you won’t come back in the future, right?” She asked in a low voice.

he only gave a faint “hmm.”

ye liangqiu lowered her eyes. ” qin anlan, thank you. ”

the pain in his heart rose to the highest point. this fool. it was clearly his fault. it was him who didn’t keep a safe distance. it was him who wanted to sleep with her. now, he didn’t want her anymore, but she was thanking him.

qin anlan gave her a smile and finally walked out.

as soon as he left, ye liangqiu hugged him and ran away.

she curled herself up into a ball and cried softly.

She did not understand love. She was too young to know what love was. However, she had a feeling that Qin Anlan had left and would never come back. She had lost something important.

elder sister ying came over at night with morning-after pills.

Ye Liangqiu was still stunned and didn't move. He said in a small voice, "elder sister ying, i will eat it."

"can you let me be alone for a while?"

Elder sister Ying sighed in her heart.

she knew what had happened when she walked in just now, and president qin must have made a decision to let liang qiu take the medicine.

She had thought that they would be a couple, but it turned out to be Zhenzhen.

elder sister ying sighed in her heart.

There was no fate after all.

she poured a glass of water and placed it on the bed together with the medicine. she said in a low voice, "if you're smart, you should know what to do! liangqiu, if you're obedient, president qin will compensate you."

sister ying used to think that ye liangqiu was a bit cold, but now she felt that ye liangqiu was just an ordinary girl who could be sad and sad.

at this moment, even sister ying felt that it was a little cruel.

However, reality was cruel, and she still advised him like this.

Chapter 1253 She's pregnant (2)

"I know," "sister ying, don't worry. i'll eat it." ye liangqiu's voice was a little weak.

Sister Ying was right. What right did she have to be sad? he was already kind enough to her.

she even thought to herself, what's the difference between sleeping once and twice?

She lifted the blanket and got up to take a shower. However, when she lifted the blanket, she was stunned.

There was a trace of blood on the bed sheet.

The dark red blood stained the bedsheets and her eyes.

even sister ying was stunned. she was sure that this wasn't ye liangqiu's first time. president qin had done it with her once before.

"Is it your period?" she asked, sounding a little anxious.

ye liangqiu's face was pale. she looked at sister ying and said in a short voice, "It seems like he hasn't been here for three months."

Three months!

blood!

a child?

was ye liangqiu pregnant?

sister ying's expression was also very ugly. " i'll go and talk to president qin. "

ye liangqiu was stunned. it took a while for her to understand what sister ying meant.

She placed her fingers on her lower abdomen and suddenly remembered that Qin Anlan had been saying that she had gained weight and that her waist had become thicker for the past month.

was it because there was a child here?

She pursed her lips tightly and grabbed sister Ying's arm. She said anxiously, " "Don't say it."

Because Hanhan vaguely knew that he wouldn't want this child.

He didn't even want her, so why would he want this child?

perhaps he would want this child, but he would let her give birth to it and let his wife raise the child. he didn't want her to do this.

she clenched her hand so hard that sister ying was in pain.

After a long while, sister Ying said softly, " "Don't think of President Qin as such a cruel person. He won't abandon the child."

"but he won't want me!" ye liangqiu smiled bitterly and looked into sister ying's eyes. " i beg you, don't tell him. "

Sister Ying felt a little sorry for him. In fact, she knew Qin Anlan well. Perhaps he really wanted to keep the child and give ye Liangqiu a sum of money.

she sighed and said softly,"let's go for a checkup first."

there were already signs of bleeding, and the child might not be able to survive.

Cool autumn was only a little girl, so she didn't understand these things.

she went to the hospital and the doctor did a check. she was almost four months pregnant.

at four months, yingluo was already a mature child.

Ye Liangqiu held the report and stood there for a long time. She was glad that the child was fine and that it was in her stomach.

She reached out to stroke her still flat stomach, her heart conflicted and struggling.

elder sister ying had been with her the entire time.

After a long time, ye Liangqiu looked up. There was no light in her eyes, only a touch of sadness.

“let me talk to him myself, alright?”

elder sister ying hesitated for a moment before nodding.

ye liangqiu forced a smile. ” sister ying, i want to go back to china. ”

“the main competition is in two days. if you leave now, it might affect your chances of winning the prize,” elder sister ying was shocked.

However, ye Liangqiu insisted, ” I have something important to do.

elder sister ying looked at her for a long time before sighing. ” liangqiu, i only hope that you won’t regret it in the future. ”

She was in a good position now. After a long year of giving birth, who would remember the short ye Liangqiu?

Ye Liangqiu lowered her eyes and stroked her lower abdomen.”I always want to try.”

She wanted to fight for this child. This was the first time she had such wishful thinking!

Chapter 1254 she’s pregnant (part three)

She felt an unspeakable heartache.

she had a vague feeling that she had fallen in love with someone, but this kind of love was vague.

What hurt was perhaps a love without a result.

Elder sister Ying looked at her and felt bad for her. she was an old employee of KING entertainment. how could she not know about qin anlan’s past? He was really worried for cool autumn.

The two of them returned to the hotel. Sister Ying was still worried, but she still went back to her room and left the matter to ye Liangqiu.

After sister Ying left, ye Liangqiu lay on the bed, her fingers on her lower abdomen.

she had thought that she might not be able to carry out her plan with this child. she had to give up some things.

However, she would rather give up first. She wanted to give birth to this child.

this was the only warmth that could touch her.

She didn’t sleep well that night and kept waking up. When she woke up, she was covered in sweat.

unable to fall asleep, she walked to the floor-to-ceiling window and opened one.

the night in a foreign country was a little bleak at this time.

She mustered the courage to tell Qin Anlan the truth, but she could not bring herself to say it.

their statuses were like clouds and mud, which was probably the reason why she avoided them.

there was a cocktail party the next night, and both she and qin anlan attended. qin anlan held his glass and looked at her indifferently.”Why don’t you drink some? Sister Ying said that you had insomnia last night, and drinking wine will help you.”

His expression was very calm, as if nothing had happened between them.

ye liangqiu held the glass and looked down at the red wine in it.

Although she had light makeup on, it could not hide the fatigue on her face.

“I’m not feeling well,” she said with a forced smile.

Qin Anlan looked around and lowered his head to look into her eyes. let the driver send you back first.

She nodded.

However, Qin Anlan suddenly changed his mind. “forget it, i’ll send you!”

She looked at him.

Ten minutes later, they sat in the back seat of the car, and the black RV drove toward the hotel.

Qin Anlan touched his forehead with his fingers and turned to look at the person beside him. “Have you taken your medicine?”

In an instant, ye Liangqiu’s body stiffened. She slowly turned to look at him.

“Liangqiu, be a good girl.” He was almost coaxing her to speak.

His fingers gently caressed her face. His tone was gentle, but the words he said were extremely cruel.

Ye Liangqiu was dressed in a black dress and was leaning against the back seat. It was a beautiful scene.

she looked up at him and said in a soft voice, ” qin anlan, do you really dislike children? ”

Qin Anlan frowned slightly. there’s no child in my plans for the time being.

“What if it was an accident?” She lowered her eyes, not daring to look into his eyes.

qin anlan gently held her chin and said in a cold tone, ” then don’t let this accident happen. ”

Ye Liangqiu stared into his eyes, unblinking.

In his eyes, she saw a touch of unfamiliarity.

that was the unfamiliar xuxu when she first met him.

After a long time, he let go of her, and his voice became even more indifferent. “i believe you know what to do.”

ye liangqiu felt a bit of pain on her chin.

She pursed her lips and said in a soft voice, ” I’ve taken my medicine.

He stared at her for a long time but did not say anything.

At this moment, ye Liangqiu's life was worse than death.

She didn't know how she got into the hotel room, but she felt that every step was extremely difficult.

Chapter 1255 She's pregnant (4)

That night, she begged sister Ying to book a plane ticket back home.

this action made qin anlan very angry because ye liangqiu had a high chance of getting the best supporting actress award. if she left now, it would be very disadvantageous to qianqian.

He had called her countless times and even asked sister Ying to contact her, but her phone was turned off.

even so, the film evaluation committee was still very close to her, and with the film 'gentle breeze', ye liangqiu won an international award.

After Qin Anlan received the award on her behalf, he returned to the hotel and called her many times, but to no avail.

he almost smashed his phone.

At that moment, ye Liangqiu was looking at Wang Caiyun in the sanatorium.

In a single room of more than ten square meters, Wang Caiyun was making small clothes, one for a boy and one for a girl.

ye liangqiu's eyes grew hot as she watched.

her mother was always thinking about her.

"Mom," she said. she called out softly.

Wang Caiyun raised her eyes and looked at her before muttering, " my ye Ling is growing up, and my Wanwan is too.

as wang caiyun spoke, she looked warily at ye liangqiu and curled up. " what are you doing here? "

She was extremely nervous. She reached out and held her clothes in her arms. don't hurt my child! Go away, go away."

Ye Liangqiu squatted down and looked at Wang Caiyun. Her voice had never been so gentle before."mom, it's liang qiu!"

"cool autumn?" wang caiyun looked at her face and was in a daze.

but very quickly, her gaze became fierce, and her hands clutched the two sets of clothes tightly. " no, you're not my child. "

wang caiyun lowered her face and stuck it to the pink shirt, " my daughter will not be as disobedient as you. she will not look at me with that kind of gaze like you do. that kind of terrifying gaze. "

she mumbled, and ye liangqiu was stunned.

“Mom?” Her voice was trembling. what are you talking about? ”

“i’m not your mother!” wang caiyun’s voice was extremely stern, ” i didn’t give birth to you! ”

her eyes were old and had a touch of ruthlessness, staring at people like a wolf.

Ye Liangqiu was stunned.

she had always known that wang caiyun did not like her, but she did not expect it to be for this reason.

Wang Caiyun suddenly laughed, ” my daughter is now enjoying life, living the best life.

“do you know where you’re from?” Wang Caiyun’s voice was soft and it sounded creepy, ” I stole you. After that, I sent my child to that family’s door. They lost their child, so they easily accepted my child.”

Ye Liangqiu’s heart was filled with sorrow.

she didn’t want it to be true, but she knew that sometimes, the crazy person’s words were the truest.

ye liangqiu’s eyes widened as she looked at wang caiyun.

“you don’t believe me?” Wang Caiyun’s voice became even softer, ” actually, you’re not 19 years old. You’re only 18!

However, Wang Caiyun didn’t know exactly where she was born with it. She only knew that she was about the same age as ye Ling and the girl he had taken away.

“why did you do that?” ye liangqiu asked, closing her eyes.

wang caiyun’s mental state looked very normal at this time, and she did not look like a sick person at all.

she laughed, laughed happily, and giggled.”Because I want my child to enjoy life. that family seems to be very rich.”

“so, you want me, yingluo, to lose my parents?” Ye Liangqiu asked with great difficulty.

Wang Caiyun chuckled again. this is what you should do. I’ve raised you to this age.

Chapter 1256 She’s pregnant (5)

that was why she only had ye ling in her heart and no one else.

no, she still had her biological daughter yingluo in her heart.

Ye Liangqiu laughed bitterly.

It turned out that in the end, she had nothing. She was not a child of this family.

then what was all her persistence for?

What had she been all these years?

Ye Liangqiu cried.

Her father also knew about it, so why didn't he help her find her parents, but instead let Wang Caiyun do this?

In order to give up, she did a DNA test.

She was indeed not Wang Caiyun's child.

That day, ye Liangqiu held the identification card and looked at it for a long time ...

In the future, the child in her stomach might be her only family in this world.

this child might not have a father at birth.

She thought of Qin Anlan. Perhaps it was because she was holding on to her last glimmer of hope, she suddenly got up, took a taxi, and drove in the direction of Qin Anlan's apartment.

She sat in the car and thought about confessing to him. She told him that she was pregnant.

if he wanted a child, they would be together.

She could stop being a celebrity and give up everything. She could even sign any prenuptial agreement, Yingluo.

she wanted her child to have a father.

if he didn't want her, she would take care of yueyue herself.

but ye liangqiu had thought of two possible outcomes, and she had never thought of a third one.

when she opened the door to his apartment, she saw a very beautiful woman.

She had seen this woman before, in the photo frame in the bedside cabinet.

At this moment, she appeared in front of him like a cold goddess. Ye Liangqiu still found it hard to breathe.

Her forehead was full of sweat and she looked extremely embarrassed.

she stood at the door of qin anlan's bedroom and watched as qin anlan held the woman in his arms. the woman was crying, her face on his shoulder as she cried.

she knew that the woman was called shen lian.

Shen Lian did not see her, but Qin Anlan did.

qin anlan used his gaze to signal for her to leave. the coldness in his eyes was like a sharp knife, cutting her heart into pieces.

ye liangqiu's gaze moved to the bedside table, and then her eyes froze.

The photo frame of them was gone, replaced by the one in the bedside cabinet.

the blood in her body was almost frozen. she didn't dare to think if they had just used the items inside.

Ye Liangqiu suddenly felt like vomiting. She covered her mouth and tried her best to hold it in. no, she could not let him know that she was pregnant, yingluo.

Her eyes were warm as she looked at him.

looking at the man who had given her a brief moment of warmth, she laughed at herself. she was too naive.

Ye Liangqiu took two steps back, smiled lightly, and left.

When she reached the door, she left his key. Perhaps she would never come back again.

She stood outside, leaning against the door, and did not come back to her senses for a long time.

her face was a little hot, and she reached out to wipe it. it turned out that huahua was full of tears.

In the bedroom, Qin Anlan pushed Shen Lian's body away and frowned. how did you get the key to my place? "

shen lian took two steps back and looked at him with watery eyes."I took it from Kime."

qin anlan cursed under his breath. in his heart, he was thinking that if he had the chance, he would definitely give KIME a good beating.

Shen Lian had no meaning to him.

the scars were still there, but the love was gone.

he shifted his gaze to the bedside table and said in an indifferent tone, " "was it you?"

an LAN, why did you post a photo with an 18th-tier celebrity? " Shen Lian had already returned to normal.

Chapter 1257 She has left (1)

Qin Anlan pursed his lips and said indifferently, " she's not a no-18. She just won the Best Supporting Actress award for garna.

Shen Lian was touched by his words because Qin Anlan had never minded her insulting the female artistes in his company. However, this time, he made an exception and spoke up for ye Liangqiu.

shen lian knew about ye liangqiu. she knew that the girl was living with an lan.

that was why she came over. she didn't love anlan, but she hoped that qin anlan's heart would always only have her.

to put it bluntly, it was a backup plan for love.

and it was obvious that he had poured too much emotion into this good child called ye liangqiu. perhaps an lan herself was not aware of it.

shen lian smiled. " an lan, which female artiste in your company is clean? "

His jaw tightened and he squinted his eyes at Shen Lian. He saw a hint of malice in her eyes.

this malicious intent made him a little annoyed.

He walked to the wine cabinet outside and poured himself a glass of red wine. didn't I just say that she's just an amateur? why do you have to make things difficult for her? "

“An LAN, did I make things difficult for her?” Shen Lian’s voice was a little sharp.
Qin Anlan merely lowered his gaze and drank his wine quietly. He did not say anything else.
His attitude made Shen Lian feel uneasy.
‘An LAN, you’ve already fallen in love with her.

but you don’t know ...

At that time, I wanted to put a photo of us on your bedside table, but you refused. You only agreed after I put a photo of the three of us.

“But the photo of you and ye Liangqiu was taken on your bed, and the person who took it was you.

you fell in love with her, and you didn’t even know!

shen lian laughed mockingly and did not remind qin anlan.

she had been living like a princess. she did not love qin anlan and did not want him to fall in love with someone else.

Shen Lian left and the door closed.

qin anlan lowered his gaze and looked at the cup in his hand.

he thought of ye liangqiu.

He thought of the look in her eyes when she saw him hugging Shen Lian. It was the same look she had when she was shooting long shots in movies.

his heart was broken and he was in pain.

a little girl’s thoughts could not be hidden.

he thought that she probably liked him and didn’t want to leave, so she came back to find him.

qin anlan’s fingers gently caressed the wine glass in his hand, and a hint of hesitation flashed across his dark eyes.

but in the end, he only walked into the bedroom and changed the photo on the bedside table to a kasaya of his ye liangqiu.

However, he started to lose sleep again. He didn’t sleep with her in his arms, and he didn’t sleep for more than four hours a day.

Even so, he still did not go to her.

That was until sister Ying told him that ye Liangqiu had disappeared.

Qin Anlan sat in his office and did not speak for a long time.

his eyes were fixed on sister ying. ” say it again. ”

Sister Ying's voice was very soft. she sent me a text message saying that she left. Maybe she went to a small city in the South? ”

Elder sister Ying hesitated for a moment before asking, ” “President Qin, do you want to go find him?”

“Let me see the message,” Qin Anlan said after a long while.

elder sister ying quickly gave it to him.

It was a very long text message-

elder sister ying, i'm leaving.

when you see this message, i might already be in a small city in the south.

i heard that the air here is very humid, and that it's very warm and suitable for healing.

i know you'll say i'm weak, a coward, and an escapee, but i need to find a quiet place to lick my wounds.

elder sister ying, i can give up everything. i really can.

.....

Qin Anlan's eyes were a little hot as he watched.

She didn't mention a single word about him, but every single word she spoke of him.

Chapter 1258 She has left (2)

After a long silence, elder sister Ying asked softly, ” “President Qin, do you want to go find him?”

Qin Anlan pursed his lips tightly and said in a cold voice, ” forget it.

Although he was cold, his heart was filled with hot blood and he felt uncomfortable.

But he didn't know what this discomfort was, or perhaps he deliberately ignored it.

elder sister ying wanted to say something, but in the end, she gave up.

When she walked out and closed the door, she was depressed for a long time.

After ye Liangqiu's departure, King Entertainment went back to how it used to be and Qin Anlan returned to his old life.

even women couldn't fill the void after insomnia. after that, he cleared his mind for a long time.

During this period, 'gentle breeze' was released, and the public's opinion exploded.

ye liangqiu won the best supporting actress award at all major film festivals and won a total of eight awards.

The one and only advertisement she had shot was being streamed like crazy. When the brand had started, King Entertainment had requested for ye Liangqiu to be the spokesperson many times.

but ye liangqiu wasn't there.

After that, they compromised and took a set of back shots with a substitute.

the last close-up was a close-up of ye liangqiu's previous life. her eyes were constantly being magnified.

When Qin Anlan was watching the advertisement, he almost burned himself with the cigarette between his fingers.

he knew that he had lost his composure and went out for a while.

after this brand's advertisement was released, it was an unprecedented success.

Ye Liangqiu had become the brand's spokesperson forever. As long as she was not around, the brand would use her old image.

The new product of the perfume brand was called "wait.

waiting for the flowers to bloom, waiting for the return of a person.

ye liangqiu's fans were crying.

they had established a national fan club with tens of thousands of members.

every time ye liangqiu won an award, they would stand in front of the screen in KING entertainment building and hold an event. they would hold a sign and cry, crying out their idol's name, wanwan.

the cries of "ye liangqiu" were heartbreaking.

Qin Anlan stood at the highest point of the towering King Entertainment building with Kie behind him.

They looked at the Grand scene below. Thousands of people stood downstairs and shouted together. Hundreds of security guards were maintaining the order, but there was still a possibility of the scene going out of control.

"has the special forces been dispatched?" Qin Anlan was dressed in a black formal suit. Half of his body was hidden in the night sky of B city, and his voice was a little low.

"They've been dispatched," Kim nodded.

he sighed. "there has never been a female star who could become so famous after acting in a supporting role. president qin, do you want to consider looking for miss ye?"

Qin Anlan's gaze was still focused on the scene below. He remained silent for a long time.

she left cleanly, leaving behind a bustling city.

however, without her, these prosperous times would be lonely and cold ...

After a long time, he said lightly, "no need."

ye liangqiu was 19 years old this year. if she was smart, if she still wanted to survive in this circle, she would have to come back before she turned 22 to take a look.

kie stopped talking and stood behind boss qin.

he realized that boss qin liked to see his fans calling out to ye liangqiu. his habit seemed to be getting worse.

Perhaps, this was something that boss Qin wanted to do but couldn't.

ye liangqiu left, leaving behind her own legendary kasaya.

countless directors looked for her to act in movies, all of them were female leads, and countless endorsements were looking for her ...

but she was not there, and she left without any reluctance.

qin anlan would occasionally ask sister ying out for a drink, but sister ying had never mentioned ye liangqiu.

After that, he stopped looking for her.

Chapter 1259 ye mu yun (1)

there were only a few pieces of clothes that she had worn in his apartment. he had originally planned to buy a lot for her, but they had broken up before he could do so.

It was not that Qin Anlan had not regretted it for countless nights.

If he didn't want her that night in ga na, would they still be together? would they still be in the same house and live like friends?

he knew that it was impossible for yingluo and the others to break through that line of defense.

It was good that she was gone now.

As time passed, he thought he had forgotten Yingluo.

However, on sleepless nights, he would still look at their photos and look at them again.

four years later.

Qin Anlan met PEI Qiqi when he was selecting new students at B University.

Surprisingly, she was Tang Zheng's woman.

He left her his business card, thinking that she could become the next ye Liangqiu.

ye liangqiu was a fool. it had been four years, and she was 23 years old, but she still hadn't returned.

When they were leaving B University, Qin Anlan looked at his phone and mumbled, " "Ye Liangqiu, if you don't come back soon, you'll be old. Do you still have a place in the entertainment industry?"

when he saw pei qiqi, he felt a sense of déjà vu. now that he thought about it carefully, he realized that she looked like ye liangqiu wanwan, but pei qiqi's appearance was more delicate, while ye liangqiu's was completely cold.

qin anlan saw tang yu. tang yu carried pei qiqi out for a walk.

he sat in the car, smiled faintly, and smoked a cigarette.

tang yu had found someone he liked. time sure flies!

After that, he met Tang Yu and PEI Qiqi at a restaurant with Shen Lian, who just returned to the country.

it was obvious that their relationship had improved this time.

Qin Anlan felt lonely.

At a nursing home in B city.

Ye Liangqiu stood in front of Wang Caiyun's bed, her expression indifferent.

she was holding the hand of a little boy who was about three years old.

The doctor announced Wang Caiyun's death sentence in a deep voice, "Ms. Wang probably won't be able to make it through the next two days."

Ye Liangqiu didn't say anything, her eyes fixed on Wang Caiyun's face.

a person who was about to die was on the verge of death, and his originally mean face was even more rigid.

ye liangqiu looked on quietly, his heart filled with sorrow.

For four years, she had still paid for Wang Caiyun's medical expenses, but she had never come to see her.

This time, it was because Wang Caiyun couldn't make it.

it's good to send him off on his last journey.

The doctor looked at ye Liangqiu. He knew her name and knew that she was the famous female star who had disappeared for four years.

He had mixed feelings. He thought that everyone probably had their own story!

the doctor left, leaving wang caiyun's last moments to her family.

On her deathbed, Wang Caiyun's mind became clearer.

She opened her listless eyes and looked at the adult and child standing by the bed. Her turbid white eyes widened.

he lifted his finger that was on the iv drip slightly, and his mouth opened and closed. he spat out a few words with difficulty, " cool autumn rustling. "

"it's me." Ye Liangqiu's voice was calm. this is my child, ye Muyun.

She did not call her mother, nor did she ask mu Yun to call her grandmother.

in her heart, wang caiyun was no longer her mother, but the person who raised her.

Ye Liangqiu didn't even look for her parents. Wang Caiyun had said that her parents loved the child very much.

so what if she found a way to find it?

was the last thing he faced a stranger's gaze?

This was not what she wanted. Moreover, mu Yun's health had not been good for the past four years, and she had no energy.

Chapter 1260 ye mu yun (2)

It was time to return to the entertainment industry. Even if she didn't do it for herself, she wanted to do it for mu Yun to have a better life.

Every time mu Yun changed her blood, it would cost a lot of money. She had to go back.

wang caiyun's mouth moved for a long time before she let out a weak voice, "You must hate me, right?"

That's why he didn't come back to see Yingying in four years.

in the past few years, wang caiyun's mind had become much clearer, but her body was much worse.

Most of the time, she could only stay in the battle Room and look at the sky outside through the window. She was thinking about her ye Rou and her daughter.

She was just wondering why cool autumn had not come again.

No matter how this child treated her, he would never abandon her. But it had been four years, and she had waited until she was about to die, only to see ye Liangqiu return to see her off.

She even brought a child.

Wang Caiyun did not ask who the child belonged to. She vaguely knew in her heart that the child was not born in good health.

sinful!

She panted a few times and looked at ye Liangqiu in a daze.

Ye Liangqiu stood there, his expression still cold. "What kind of answer do you want?"

wang caiyun's eyes rolled back and she almost fainted.

Xiao mu Yun was a little scared and wanted her mother to carry her.

Ye Liangqiu buried his little face in her arms and looked at Wang Caiyun. "i don't hate you, because you're the one who's more pathetic."

Until death, he was unable to see his daughter.

Ye Rou was dead. Her father was dead. How would they know if it was retribution for Wang Caiyun's evil deeds?

ye liangqiu's heart was filled with sorrow. looking at wang caiyun's unfocused eyes, she knew that she was not going to live for long.

She walked out and handed Xiao mu Yun over to the Auntie. Then, she stepped into the cold and gloomy room once again.

it was june, and the room was still cold without heating or air conditioning.

wang caiyun only recovered after a while. she lowered her head and there was a strange glow in her eyes.

She stretched out her hand as if she wanted to catch ye Liangqiu's hand, but it was too far away. She tried for a long time, but it was in vain.

wang caiyun's voice had a tinge of sadness in it, " liangqiu, liangqiu, can you call me mother one more time? "

Two tears rolled down from the corners of his thin eyes. They were cold.

ye liangqiu took a step back and smiled bitterly. " have you ever loved me? "

This was Wang Caiyun's final moment, and she suddenly wanted to know.

wang caiyun's head turned away again. she lay flat and shook her head continuously. after a long time, she lowered her head again. " i don't know. "

there was a hint of anticipation in her eyes.

Ye Liangqiu slowly squatted down. His body looked into Wang Caiyun's eyes and said softly, "In life, we have to leave some regrets, don't we?"

wang caiyun's eyes widened as she looked at ye liangqiu in horror.

then, her pupils kept enlarging and enlarging ...

His hand fell weakly.

from then on, there was no more wang caiyun in this world.

Ye Liangqiu didn't move. She was still crouching and looking into Wang Caiyun's eyes. Her voice became even softer. you don't love me, but I once looked forward so much to you hugging me after you hugged ye Ling.

his fingers landed on wang caiyun's face, and he closed his eyes. " mom. "

she thought that she wouldn't be sad, but at this moment, she had a feeling that she had really said goodbye to her past.

Everything in the past had been wiped away. What was left was only her and mu Yun.

wang caiyun's funeral was simple. ye liangqiu had worn a mourning dress for her, so she would treat it as the last time!

After raising her, he had to show his filial piety once.

she stood alone in the mausoleum of B city from morning to dusk.
