

## Thank you 1291

Chapter 1291: Who is he in love with?(2)

his man's instinct told him that the person talking to her was a man, and it was the man he had seen today.

He chuckled. if it's not convenient, then forget it.

"There's nothing inconvenient about it." ye liangqiu quickly asked for the address.

Doctor Lin watched her take the car keys and was worried. "I'll drive you."

Ye Liangqiu shook her head and refused. no, I'll drive myself!

"Don't go back tonight. Sleep in the guest room." she had known doctor lin for a long time. sometimes, because of mu yun, he would sleep here too, so it was not inappropriate.

Doctor Lin nodded. When she was leaving, she suddenly patted her on the shoulder. "If there's anything, call me." ye liangqiu smiled at him, then turned around and left.

doctor lin looked at her back and smiled.

this was the most beautiful ye liangqiu he had ever seen, the most real ye liangqiu.

qin anlan was meeting ye liangqiu in a private capacity. by the time she arrived at the café, it was already late at night.

the coffee he had ordered was cold, but fortunately, the weather was hot, so it was not cold.

ye liangqiu took a small sip and said in a light tone,"President Qin, are you reminiscing about the past?" it had been a year since they last met.

it wasn't because she didn't appear in KING entertainment, but because he wasn't in B city either.

although she wasn't around, there would always be some gossipy people who would tell her.

for example, su Cheng.

Su Cheng said that Qin Anlan had a woman outside, ran ran.

su Cheng said that qin anlan only returned to b city once in a while.

however, su Cheng was the one who had said all this, and ye liangqiu had never taken it to heart.

Now, she was sitting face to face with him, and it felt like she was in a daze.

"are you alright?" He took a sip of coffee, put down the cup in his hand, and asked her lightly.

ye liangqiu didn't drink it, only gently rubbing the cup with her fingers.

Her stomach was not good, so she could not drink cold things. If she did, she would have a stomachache.

However, he did not know.

or perhaps he knew but didn't care. she remembered that she had reminded him.

she gave a shallow smile. " i'm doing pretty well. what about you? "

Qin Anlan did not answer her question directly. Instead, he continued to speak softly, " "did you guys get together a long time ago? how old is the child?" ye liangqiu's fingers paused. she knew that he was asking about doctor lin and mu yun.

She lowered her eyes. yes, they've been together for a few years. Their child is four and a half years old.

she had missed a year.

qin anlan's expression changed. he suddenly leaned forward and moved closer to xi jue.

He looked at her and asked through gritted teeth, " "you clearly had a man, so why did you still sleep with me that time?"

"That time? the time when you were there?" ye liangqiu's fingers held the cup, and her smile faded. "at that time, we weren't together yet. besides, it's been so long, so there's no need for president qin to bring it up again."

"There's no need to?" Qin Anlan repeated. He was silent for a long time before he said indifferently, " "ye liangqiu, i'm married." what?

she suddenly looked up at him.

her pupils contracted violently, and her fingers holding the glass trembled slightly.

She didn't think she would be surprised by such news.

Su Cheng had told her many times that Qin Anlan was with someone else, and it was true love.

True love?

"is it pei qiqi?" Ye Liangqiu's voice was soft.

qin anlan's eyes narrowed, but he still nodded. " "Yes, I am.."

Chapter 1292: who is he in love with?(3)

she's Tang Yu's wife. Isn't she afraid of karma? " She stared into his eyes, not letting go of his expression.

&Nbsp; Qin Anlan smiled faintly. she forgot everything. She only remembers me now.

ye liangqiu's eyes drooped, her long eyelashes trembling. "she doesn't love you, does she?"

"But I love her." qin anlan smiled bitterly, "being with her is like returning to chengcheng. "

he didn't continue his sentence, but suddenly stopped.

But ye Liangqiu caught his hesitation. She looked at him and asked, ” “It’s like when I was your sleeping pill and pillow, right?”

She looked at him. Qin Anlan, do you need this feeling, or does she need it? ” “Did you really love her? Or anyone else? have you ever thought that she would be willing?” she asked in a slightly excited tone.

after asking, she finished the cup of coffee. it was so cold that her heart was almost frozen.

qin anlan pursed his lips. ” ye liangqiu, she’s different from you. ”

She raised her chin. What’s the Difference? it’s because you’re particularly fond of him, isn’t it?”

Suddenly, for some reason, Qin Anlan said, ” “I have never had sex with her.”

“Very pure! It’s a very moving fairy tale.” “Besides, boss Qin doesn’t need to explain this to me,” ye Liangqiu said with a cold smile.

She stood up and walked towards the entrance of the café.

She cried because she didn’t expect him to say this to her. He said he loved someone else and was willing to be with her even if they didn’t have sex, Yingluo.

Ye Liangqiu wiped her tears. She laughed at herself. She had never meant anything to him.

to think that she, yueyue, had come to see him so late. there was still a glimmer of hope in her heart.

She hoped that he could say that what su Cheng had said was not true.

so, it was all true.

When she was full from the coffee, an arm grabbed her.

she was dragged into an empty corridor on the side. the lights were dim and there was no one there.

there was only the dark night, only ye liangqiu, and only qin anlan who was opposite her.

“you’re married.” she said softly and looked up at him.

her eyes were filled with tears, and in such a night, they were dazzling and beautiful, but it made one’s heart ache.

“Yes.” his voice was deep. in fact, qin anlan did not know how to tell her or how to express it.

He was the only one who felt that he might not have fulfilled Qiqi’s wish in the past year or so. That was why he did not force himself to have sex with her.

in fact, in his heart, he was more or less resistant to it.

He was actually resisting having sex with the woman he liked! Even he himself felt that this was unbelievable. But he really, really liked her.

there was no doubt about this.

However, when he was facing ye Liangqiu, he had an even deeper impulse. He

Wd11Leu LO expwue WILH Ills purer Illcue oedSLIY lidLure 011 lien.

besides, she was wrong. sleeping with pei qiqi made his sleep worse, yueyue.

pei qiqi wasn't his sleeping pill or his pillow.

They were more like a fake couple who shared the same bed but had different dreams.

however, he was stubborn and refused to give up. when he saw ye liangqiu's 'family of three', he told her that he was married.

her reaction was beyond his expectations.

His body trapped her between his arms and the narrow wall. He lowered his head and could see her dazed eyes.

"ye liangqiu, aren't you very happy? Why are you unhappy when you hear the news of my marriage?" His voice was extremely hoarse, like coarse sand scraping against her heart..

Chapter 1293: who is he in love with?(4)

her body trembled slightly as she looked up at him. she did not avoid him. ' qin anlan, i'm not unhappy, and i'm not happy either. "

She smiled. have you forgotten? We are strangers with no relationship."

He had long forgotten that she had once flirtatiously sat in his kitchen, wearing his shirt to make breakfast and lunch for him. She had also made a bed for him, and he had sat on the bed, patted the space beside him, and asked her to sleep with him.

At that time, it was as if he was summoning a little puppy beside him.

Only God knew that she hated it the most when people treated her as a pet. However, at that time, she felt very happy.

He was the one who didn't want her, so what right did he have to flirt with her now?

After he had someone else.

Her smile deepened as she looked at him. I have no reason to be unhappy. I've been married for a long time.

"you're already married?" he looked at her. " you have a child after marriage? '

"Whether it's before or after marriage, it won't be President Qin's!" "Don't tell me you've forgotten how you made me take morning-after pills after we had sex?" she sneered.

"do you want me to explain to you what morning after pill is?" she asked with a smile.

“Don’t say anymore.” His voice was very soft, and his body slowly let go of her. He closed his eyes slightly, as if he was thinking about the past.

compared to the life he had with ye liangqiu, his life with pei qiqi was more like that of siblings. they were very safe.

even if pei qiqi were to take off her clothes and stand in front of him, he would still be able to hold it in.

He had been with ye Liangqiu in the past, so he had to repeatedly emphasize the safety range to himself and her.

In the end, he was the one who broke the taboo, but he forced her to tell him that she would not cross the line again.

She had her reasons for hating him.

Qin Anlan let go of her and slowly took two steps back. His voice was low.”You’re Living a Good Life now, so it’s the right decision for us to break up.” after he finished speaking, he looked at her deeply.

after he finished speaking, he looked at her deeply.

that one look told her many things.

he turned around and left, disappearing into the endless night.

ye liangqiu covered her mouth in shock.

she desperately endured it and looked at his back ...

‘Qin Anlan, you idiot. You don’t even know who you love!’

In fact, you fell in love with me a long time ago, but you kept stubbornly telling yourself that you can’t have feelings for the goods.

You stupid, pitiful worm!

Is it true that you don’t force her when you’re living with her because of love?

If he didn’t love, he wouldn’t force her!

idiot, idiot!

Was it really a good idea to waste time like this?

silly girl, i hate you. she sobbed and slowly squatted down. a drizzle began to fall between the cracks in the wall.

She didn’t care and just squatted there crying.

She hated him. She hated him for being with someone else so easily.

did he ever ask her if she was willing to do it? did he ever give her a chance? Never.

A figure stood in front of her and said in a gentle voice, ” “You’re already so big and you’re still crying.”

She suddenly raised her eyes and looked at the person in front of her in shock.

alright, don't cry. Go and wash your face! He pulled her up and reached out to gently wipe her tears. it's a little cold outside. Go and take a shower. I'll go in and order a cup of hot coffee for you.

ye liangqiu closed her eyes, her fingers gently resting on his waist. she rested her face on his shoulder. "xingyuan, thank you. ' at this moment, she needed some comfort and a shoulder.

A handsome man and a beautiful woman were hugging each other. Qin Anlan, who had turned around, saw this scene..

Chapter 1294: Who is he in love with?(5)

he looked at her and 'her husband' embracing each other. she was so soft in another man's arms, and his heart ached slightly.

she used to belong to him.

She had also been like this before, crying and laughing in his arms.

she had also once called him an Ian and stayed with him from dawn until dawn.

Qin Anlan watched quietly as they hugged each other and as she cried in someone else's arms.

At that moment, Qin Anlan heard the sound of his heart breaking. However, he did not know whether it was hers or his.

he didn't know how long he had been looking at her. he saw her sitting back in the coffee shop. the man had ordered the coffee for her and delivered it to her personally. he sat beside her and even placed his fingers on the back of her hand.

She didn't refuse.

Yes, how could she refuse?

She and that person were clearly together, Yingluo.

qin anlan pursed his lips. as he looked on, he felt that it was meaningless.

he was the one who didn't want her first.

he slowly retreated and finally left.

when they got into the car, old Zhang asked softly, " "young master, are you going to the airport?"

the private plane was already prepared, and young master had already been delayed for a long time.

Qin Anlan pursed his lips. After a long time, he responded with a soft " hmm.

old Zhang immediately started the car. as he started the car, he said, " "did you just see miss ye?" other than KIME, old Zhang was probably the only one who knew about qin anlan and ye liangqiu's relationship.

although he didn't say it explicitly, old Zhang knew that ye liangqiu had lived with his young master. he had originally thought that his young master's life had been settled, because there really hadn't been any women at that time.

However, he didn't expect that even a beautiful girl like miss ye couldn't keep young master's heart.

in the end, they still dispersed.

he saw that miss ye was with someone else.

old Zhang didn't know about pei qiqi's matter. at that moment, he looked at his young master's expression and thought to himself, " The young master must have been touched. He didn't take the little girl seriously in the past, but now she's no longer clinging to him. Yingluo must be feeling bad, right?

Qin Anlan did not say anything throughout the journey. Old Zhang could not help but speak up, " "Young master, if you really like her, as long as the man and woman are not married, it's not impossible."

He spoke for a long time, but he didn't get a response.

thus, old Zhang muttered again, "actually, there's nothing much about men and women. it's fine if miss ye has something with someone else. young master is also embarrassed. " the words after that were not very pleasant to hear.

qin anlan knew what uncle Zhang wanted to say even if he did not want to listen. he opened his half-closed eyes and glared at uncle Zhang.

old Zhang didn't dare to make a sound.

He seemed to have said something incredible. Wanwan probably meant that young master couldn't accept miss ye belonging to someone else.

however, he was the one who didn't want the girl. why would the movie queen wait for him?

In your dreams!

uncle Zhang shut up, but qin anlan's heart did not calm down.

As long as she closed her eyes, her mind was filled with the scene of ye

Liangqiu falling into Lin Xingyuan's arms.

she had acted in a lot of emotional scenes, many of which were about throwing herself into someone's arms, and even real kissing scenes. however, no matter how real those scenes were, they were still acting.

This time, it was the real thing that appeared in front of him. He was shocked. qin anlan's lips were tightly pursed. when they arrived at the airport, he got out of the car and instructed uncle zhang, " don't talk too much, especially in front of the old madam. Did you hear that?"

"don't worry, young master. i won't say anything." old Zhang nodded quickly..

Chapter 1295: The child is exposed (1)

qin anlan glanced at him again and boarded the private plane without saying anything.

in the café, ye liangqiu sipped on the hot coffee.

However, her body was still cold, because the hot coffee could not warm her up.

“are you feeling better?” Lin Xingyuan’s voice was gentle as he reached out to hold her hand.”If you feel better, go home. Mu Yun is still waiting for you.”

ye liangqiu looked up at him and said in a low voice, ” lin xingyuan, i, wanwan, don’t want to have another child. ”

He looked at her for a long time before he picked up his cup of coffee. Are you sure? ”

“yes!” She smiled faintly. Xingyuan, I’m still a mortal. I can’t do it.

lin xingyuan didn’t ask much. he just smiled and said, “it’s good that you’ve thought about it. it’s just that mu yun will have a harder time.”

“I’ll be with him,” ye Liangqiu said, lowering her eyes.

Lin Xingyuan finished his cup of coffee and picked up his car keys. “let’s go! I’ll send you home.”

She raised her eyes and looked into his eyes. “he’s married.”

“i know, ” he was still smiling gently as he held her hand and walked out.

It was late at night, and the dew was cold.

This time, she did not let go of his hand and just let him hold her hand. at this moment, what he gave her was not comfort, but peace.

lin xingyuan drove her home, but he didn’t stay. instead, he drove back. Ye Liangqiu stood by the car. Xingyuan, give me a call when you get home.

he sat in the car and looked at her with a burning gaze. “Ye Liangqiu, are you willing to try it out with me?”

he placed his long and slender fingers on the steering wheel and smiled gently at her. ” ye liangqiu, i’m just a doctor with an annual salary of 500000 yuan. are you sure? ”

He was not only talking about money, but also fame and status.

lin xingyuan was born into a family of doctors. with his ancestral wealth, he could feed her five children, and all of them would be fat. however, he could not give her fame and status.

She was the most dazzling star in the film and television industry, and he could not give her such a position.

that was why he had to ask her again because he did not want her to regret it.

they were no longer impulsive children!

ye liangqiu's hands were behind her back. she shook her head at him, then nodded again. she was like a ten-year-old girl, not making any decisions, but also like she was frightened.

in fact, she had never been in love before!

lin xingyuan sighed. " liangqiu, tell me, are you willing to do it? "

"I don't lack money! And I think it's good to be in the cold storage." she said briskly.

lin xingyuan smiled. she understood him and what he meant.

He didn't say much, and he didn't ask her for anything more. He just said goodbye to her and drove out of her villa.

Lin Xingyuan felt like he was taking advantage of her, but he knew that if he didn't do this, he would regret it in the future.

ye liangqiu watched for a long time under the moonlight, then entered the main hall and slowly went upstairs.

There were only two or three servants in the villa, and they were all used to it.

Late at night, she walked into the children's room on the second floor. Mu Yun was actually awake.

the little guy sat at the head of the bed and saw his mother come in. he asked softly, " "Mom, are you going to be with Uncle Lin?"

ye liangqiu went over and sat down. she reached out to stroke her son's soft hair and smiled.."Doesn't mu Yun like Uncle Lin a lot?"

Chapter 1296: the child is exposed (2)

ye muyun's little face was a little tense. he sat there for a while before saying, "I see dad." ye liangqiu was a little startled.

she had never mentioned qin anlan to mu yun before. how did mu yun recognize him?

ye muyun's voice was very soft. " i saw him at the airport. he looked at mom and mom looked at him.

Ye Liangqiu didn't know how to explain it to her son. After a long silence, she said, " but I can't bring mu Yun to see him for the time being.

"I like Uncle Lin too," Xiao mu Yun nodded obediently.

However, it would be even better if that person was her father.

If children didn't say anything, adults could usually guess.

Ye Liangqiu didn't want to say too many cruel words to him, so she reached out and patted his head. alright, go to sleep!

Oh, " Xiao mu Yun replied and lay down obediently.

ye liangqiu didn't go anywhere. she just lay down beside her little body.

He was half-hugging his son.

she had never mentioned that she had insomnia gu.

she could only fall asleep when she was hugging mu yun.

Insomnia was contagious, but why couldn't love?

Xiao mu yun was already in a daze from sleep. he asked softly, "Mom, do you like Uncle Lin?"  
"Muyun, do you like it?" "i like it."

"Then mommy will like it."

Xiao mu Yun still wanted to ask something, but a child was still a child and always fell asleep easily. She had just finished speaking when there was no more sound.

ye liangqiu covered him with the blanket and lay down beside him.

mu yun, i'm sorry, wanwan. i can't give father to you.

he had someone else. he was married.

ye liangqiu didn't sleep for the whole night and felt a little dizzy the next day.

fortunately, aunt Zhang had taken care of mu yun for the whole day, so mu yun listened to her.

in the evening, auntie Zhang brought Xiao mu yun to a nearby plaza to play. this was a high-end villa district, so the security was very good. ye liangqiu didn't have to worry about it.

Xiao mu Yun was six years old. He had not gone to school yet, but he liked to play ball games recently.

He didn't do it for fun, but because he liked to count as he did it.

when she counted to a thousand, the middle-aged lady sitting beside her laughed."what a smart child." aunt Zhang quickly smiled.

Sitting there was old Madam Qin, the previous head of King Entertainment. She looked at the pretty little guy and then at Auntie Zhang. your grandson? "

auntie Zhang wasn't too guarded and blurted out, "not my family's, my employer's child."

Mrs. Qin looked at the little guy again and asked casually, "What's your employer's name?"

There were more than ten households living here, and Mrs. Qin knew most of the people who could afford it.

"miss ye." auntie Zhang thought for a while and said. "miss ye?" mrs. qin thought for a moment. " ye liangqiu? " aunt Zhang said yes.

How would she have known that the person sitting here was Xiao Muyun's biological grandmother? otherwise, she would never have said anything.

mrs. qin looked at the child. the more she looked at him, the more she felt that he resembled someone.

her face slowly turned ashen.

she liked the child, but she was not satisfied with the child's mother.

She had a poor background, a crazy mother, and a broken family. It was uncomfortable to hear about it.

Mrs. Qin didn't show it, but smiled."Of course, miss ye's child is different."

aunt Zhang noticed that something was wrong with the old lady. it seemed like she knew miss ye.

"do you know miss ye?" he asked.

"she's quite famous, and my daughter likes her movies," mrs. qin said. i can't believe they're actually living together!" what was even more unexpected was that she had given birth to an lan's child!

Chapter 1297: The child is exposed (3)

mrs. qin looked at mu yun and waved her hand. " child, come here and let me see you, " she said affectionately.

Xiao mu Yun looked at Auntie Zhang. Auntie Zhang was not on guard and smiled. "let's go take a look at that granny."

Aunt Zhang really did not think much about it. She only felt that the old Madam and Xiao mu Yun had an affinity.

Xiao mu yun hesitated for a moment, but she still went and stood in front of mrs. qin.

mrs. qin reached out to stroke his little head and said in a gentle voice, " "why haven't you started school yet?"

Xiao mu Yun looked up and did not tell the truth. She only said, " "he didn't play today."

Mrs. Qin didn't think too much about it and just smiled gently. When her hand left, Xiao Muyun felt a pain in her head. She looked at the old man who was still smiling lovingly in front of her, and her eyes glistened.

He's really good looking! No matter how Mrs. Qin looked at her, she looked like an LAN when she was young. Although they weren't exactly the same, they were 80% similar, so she dared to make such a conclusion.

"next time, i'll give you a gift." Mrs. Qin touched his small bag again. Xiao mu Yun looked at her and suddenly said, " "i like custard buns the most."

mrs. qin was a little surprised. the little person in front of her clearly looked cold and didn't like to talk, but ran ran was not shy with strangers!

thinking of this, mrs. qin's eyes became even more loving.

When they got home, aunt Zhang told ye Liangqiu that she had seen an old lady in the square who liked mu Yun.

she felt that saying this would make miss ye feel better.

but after aunt Zhang said that, ye liangqiu's expression changed.

She looked at Auntie Zhang. your surname is Qin? ‘

“Yes, his surname is Qin.” Auntie Zhang nodded.

Ye Liangqiu pursed her lips. don't take mu Yun out for the next few days.

Oh, ” Auntie Zhang replied, but she didn't take it to heart.

it was an old lady with a distinguished appearance. she seemed to be quite good to mu yun.

Ye Liangqiu had been uneasy for a few days. She had guessed that it was Qin Anlan's mother, but if she asked, it would only expose her guilty conscience.

A week later, he finally received a call from an unknown number.

“Miss ye, our Madam would like to see you.” the voice on the other end of the phone sounded very reserved.

Ye Liangqiu held the phone and said in a calm tone, “I don't know your Madam. I've got the wrong person.”

“Let me talk to her!” a slightly stern voice came from the other side. it was somewhat old, but it was full of vigor.

Ye Liangqiu was silent for a while. okay. Where? ”

“Let's go to the top-class restaurant for a cup of coffee.” mrs. qin's voice was calm.

“Four o 'clock, okay?” ye Liangqiu nodded.

After she settled down, she put down the phone and said to Auntie Zhang, “aunt Zhang, take care of mu yun at home. i'm going out for a while.” auntie Zhang nodded. ” miss ye, don't worry. i will.

only then did ye liangqiu drive out. in a white bentley, it took about half an hour to reach the high-grade restaurant that mrs. qin had mentioned.

This was an English teahouse, a place that the older ladies loved to kill time in. Moreover, the private rooms were very suitable for discussing private matters.

ye liangqiu was wearing a pair of black trousers with a simple white shirt on top. she followed the waiter and walked straight in.

The waiter opened the wooden door. In the English-style private room, there was only a middle-aged lady. She looked kind, but there was a sense of authority in her expression.

Ye Liangqiu recognized her. She was Qin Anlan's mother, the former president of King Entertainment..

Chapter 1298: the child is exposed (4)

“you may leave, i’ll be here,” she said to the waiter.

The waiter also recognized her and smiled. “Miss ye, I’ll go down first.”

He bent over and left.

Ye Liangqiu gently closed the door, slowly walked forward, and knelt down in front of Madam Qin.

there was a cup of black tea and two bone china cups in front of her. ye liangqiu looked at them-it seemed that they were alone today.

She thought that Qin Anlan probably did not know about this.

ye liangqiu poured a cup of black tea for mrs. qin and herself and gently stirred it. ” mrs. qin, the temperature is just right. you can drink it now. ”

Mrs. Qin looked at the girl in front of her. She was tall, thin, and good-looking. When she came to see her, she didn’t have a gorgeously dressed Wanwan.

“Just now, that waiter recognized you. Why? did you come here often in the past? how come i’ve never seen you before?” Mrs. Qin said slowly.

Ye Liangqiu laughed for a while before saying, “he’s not coming over!”

“so she knows you because of your fame? I’ve seen your movies?” mrs. qin’s eyes were filled with authority as she looked at ye liangqiu with burning eyes.

ye liangqiu lowered her eyes and smiled. ” mrs. qin, are you trying to remind me that everything i have was given to me by KING entertainment? ” Mrs. Qin nodded and finally took a small sip of tea.”You’re very smart.”

ye liangqiu laughed. ” but madam, you’ve forgotten that i’m now a female artiste that KING entertainment has frozen, so i don’t feel too grateful towards KING entertainment. i can even tell myself and others that everything i have today was because of my own efforts. ”

mrs. qin’s expression wasn’t as gentle as before. she sneered, “you’re sharp- tongued, ”

ye liangqiu smiled lightly. ” madam is not looking for a daughter-in-law. as an artist who has been frozen, there is no need to ask for madam’s permission.

naturally, i can say whatever i want. ‘

“You’re always like this. Do you only want to live freely?” Mrs. Qin’s tone was a lot calmer.

ye liangqiu laughed again. ” i would like to, but it’s unlikely. ‘

She looked at Mrs. Qin. it’s just like how I want to be free now, but I’m afraid you won’t let me be free.

“I haven’t told an LAN about this yet!” Mrs. Qin nodded.

as she spoke, she pushed a DNA report in front of ye liangqiu. ” you should know what to do. hand the child over to me, or zhenzhen will wait for an Ian to come back and file a lawsuit against you? ‘

Ye Liangqiu’s eyes fell on the report and he didn’t say anything for a long time. mrs. qin continued, ” i know that anlan and the female artistes in the company have some unclear relationships. if you started dating anlan with your current status, i wouldn’t be able to say anything. however, your child is already so big.

you just entered the company at that time, right? at that time, what kind of thoughts did you have when you got together with anlan? ”

“Five hundred thousand!” ye liangqiu looked at madam qin and sneered, “Madam, you should be clear about President Qin’s matters. Why are you asking me?”

mrs. qin was born into a prestigious family, so she had never heard such vulgar words before. she couldn’t stand it anymore, and her body trembled a little.

however, she had good self-control and quickly calmed down. she said sternly, “Is this something that miss ye can say with her status?”

“Identity?” ye liangqiu smiled playfully. ” if madam acknowledged my identity, you wouldn’t have used this method to meet me, would you? ”

“women who are too smart will not have a good ending.” mrs. qin squinted her old eyes..

Chapter 1299: The child is exposed (5)

“Women who are too smart will not have a good ending.” Mrs. Qin squinted her old eyes.

there’s still a long, long time before the day of his death. It’s too early to talk about this. But Madam, you can think about it. She didn’t stand on ceremony with Mrs. Qin.

At this moment, it was not a conversation between two women, but between two mothers.

They all protected their children like Mother beasts, and to ye Liangqiu, Mrs. Qin’s actions were akin to snatching her child away.

She was way past The Age of Innocence. Mrs. Qin talked to her about mu Yun alone without informing Qin Anlan. Even if mu Yun returned to the Qin family, he would only have One Identity- an illegitimate child.

she would not let that happen.

mrs. qin was KING entertainment’s big BOSS indeed. she didn’t even care about a little flower like ye liangqiu.

She pursed her lips and said calmly, ” miss ye, everything can be clearly priced with money. Just like how miss ye’s first time was priced at 500000 Yuan. How much are you selling my grandson, Muyun, for? ” this was the deepest insult.

instead of getting angry, ye liangqiu laughed. ” mrs. qin, do you think i’d sell my child? ”

“you’ve even sold yourself, haven’t you?”

“To be honest, selling one’s body is a quick thing. There’s only pain in selling children.” Ye Liangqiu smiled coldly. so, I’m not selling it.

she spoke even more rudely than before, and mrs. qin almost passed out from anger. she pointed at her. ” you’re shameless! You’re a disgrace to us women.”

“You’re the shameless one! madam!” Ye Liangqiu slowly stood up and looked down at him.”furen has lived alone for so many years, could it be that she is very fast?I you can’t even tell pain from feeling!”

She didn’t want to bother with him and was ready to leave.

“wait a minute,” mrs. qin called out to her.

“is there anything else?” ye liangqiu looked up at her.

‘ no, i’m not. where are your children? ” Mrs. Qin’s voice was cold.

Fortunately, she had made preparations. Su Xiu had said that ye Liangqiu was very difficult to deal with and was not like an ordinary woman. Fortunately, she had made preparations.

“where did you take mu yun?” ye liangqiu’s fingers clenched.

“a safe place.” mrs. qin’s eyes were filled with contempt. “Where he should be.” ye liangqiu narrowed his eyes. ” return him to me. ”

Mrs. Qin was still sitting, dressed luxuriously. name a price and he will be a child of the Qin family in the future.

“Qin Anlan is married.” Ye Liangqiu looked directly at Madam Qin,”with PEI Qiqi!” how is it? exciting, right?”

She walked forward, step by step, ” you want mu Yun to call PEI Qiqi ‘mom’, right? ”

mrs. qin’s eyes widened as she looked at ye liangqiu in disbelief. she pointed at her and shrieked,”no, this is impossible.”

How was this possible?

it was impossible! An LAN didn’t have such a muddleheaded Wushuang.

“Whether it’s true or not, you’ll know when you ask him.” “You’ll have your own grandson in the future, so return mu Yun to me,” ye Liangqiu’s voice grew even colder.

Mrs. Qin was still mumbling, ” this is absolutely impossible, absolutely impossible!

After he finished speaking, he fell to the ground with a thud.

Mrs. Qin has heart disease!

In the midst of the chaos, ye Liangqiu dialed 120 and Mrs. Qin was sent to the hospital for emergency treatment.

Ye Liangqiu was waiting in the hospital corridor.

No matter what, she was the one who angered Mrs. Qin to this extent. No matter how long it took, she had to wait outside.

Madam Qin's personal servant, su Xiu, had already informed Qin Anlan. At this time, su Xiu and ye Liangqiu were together in the corridor..

Chapter 1300: Love-hate relationship (1)

"put mu yun back," Ye Liangqiu leaned against the cold wall and muttered, "something happened to her, so i'll compensate her."

Su Xiu's eyes were slightly red. old Madam has never been treated like this. Miss ye, you have to respect yourself.

"how else do you want me to respect myself?" ye liangqiu laughed lightly. "when a person gives birth, has he ever gone to the qin family to ask for a penny?"

you've already gained enough from KING entertainment. you can't be too greedy. " su xiu had been with mrs. qin for a long time, and her tone was that of an ancient family, suppressing others in every way.

ye liangqiu laughed coldly. " i used my life and blood to earn that money. i didn't sell mu yun for it. " su xiu was speechless for a long time before saying, "We'll talk about it when the old lady wakes up." at this moment, a maid from the qin family rushed over in a panic. " not good, not good. " su xiu looked at her and chided, " nonsense. the old lady is in the operating room now. why are you shouting about this? "

"Yingluo's little friend knocked into it, and she's bleeding non-stop now." "it's so scary," the maid said in a trembling voice.

"What did you say?" ye Liangqiu grabbed her.

The maid was even more afraid, and her voice was a little unstable. it keeps bleeding. It's so scary.

"Where are they?" ye liangqiu's voice was shrill and hoarse. " where? "

"he's been sent to the hospital." The maid gulped. he needs a blood transfusion, but he's Rh-negative, so the blood bank doesn't have it.

would that child die?

She had pushed him. She didn't do it on purpose. She really didn't.

Ye Liangqiu dialed doctor Lin's number with trembling hands. Xingyuan, bring the two men here. They're at the First People's Hospital of the city. Hurry up. Muyun is bleeding.

"I know! don't panic, it'll be fine. I'll be there immediately." lin xingyuan was on duty last night. he didn't even change his clothes. he drove out in his home clothes and brought his men back in less than 20 minutes. When ye Liangqiu put down her phone, su Xiu looked at her in a daze.

When ye Liangqiu put down her phone, su Xiu looked at her in a daze.

rh-negative.

the young master too.

this wasn't strange, but why would ye liangqiu always have two people with RH negative blood to help her?

There's something wrong with Yingluo's body!

su xiu put her hands together and silently thought, old lady, it's not worth it for you to do this for a sick child.

this child is sick, we can't keep him.

two operating theaters, one in the east and one in the west, were in a daze.

The two blood-related people were both in the operating theater.

fortunately, they're all fine.

it was already late at night when qin anlan rushed back.

he walked to mrs. qin's ward and looked at her pale face for a long time before carefully putting her slightly cold hands under the blanket. he asked in a deep voice, " "why did my mother suddenly collapse from anger?" If it wasn't for the timely treatment, he might have been gone.

Su Xiu's heart skipped a beat.

old mrs. han forbade her from talking about little young master, and it was obvious that there was something wrong with the child. whether old mrs. han wanted him in the future was another matter.

At this moment, it was really not appropriate to say it.

Hence, she thought for a moment before saying, " the old Madam met miss ye by chance. They lived in the same neighborhood, so they had tea together. Unexpectedly, miss ye told her about young master Wanwan getting married in new York, and the old Madam collapsed.

Qin Anlan narrowed his eyes. she said that? "

Only ye Liangqiu knew of this matter, so he had no suspicions.

su xiu nodded slightly. " when the old lady pushed him in, she even clutched her chest and said that young master was too muddleheaded..
