Chapter 1301: Love-hate relationship (2)

qin anlan let out a long breath. ” “i know.” su xiu looked at him and sighed again. ” the old madam’s health is not good to begin with. miss ye really should not have provoked her. ”

After she finished speaking, she also looked at Qin Anlan with a reproachful look. Qin Anlan naturally knew what she meant.

after the old lady wakes up, young master, don’t agitate her anymore. The old lady’s life hasn’t been easy! as su xiu said this, her eyes turned red.

Qin Anlan sat there without saying anything and reached out to caress Mrs.

Qin’s face.

su xiu looked on and didn’t say anything. young master xuxu still had deep feelings for old madam, so this was easy to handle.

The doctor came over and checked the situation. He said in a low voice, ” the old lady has only taken good care of herself in the past few years. If it were a few years ago, she would probably have passed away.

qin anlan’s eyes were a little red, and he felt a little guilty.

Dr. Zhao was also familiar with him, and could be considered to have a personal relationship with the Qin family.

he patted his shoulder and said, “there’s always no problem.” be careful in the future and don’t make the old lady angry again.” qin anlan nodded. ” i know. ”

“It’s not a major surgery. He can go back to recuperate after staying for about a week.” Dr. Zhao pursed his lips and smiled. don’t worry, the old lady’s body is very strong.

Qin Anlan still had lingering fears and forced a smile.

He saw Dr. Zhao off and smoked outside.

he was a little upset as he leaned there, holding a cigarette in one hand and his phone in the other.

after looking down for a long time, he still dialed ye liangqiu’s number.

it was a man who answered the call. his voice was gentle and elegant.”Are you looking for Liangqiu?

Qin Anlan was stunned for a moment. He immediately recalled that it was the man he had seen the other day.

“where is she?” he asked in a cold voice.

Lin Xingyuan paused for a moment and then said softly, ” “she just went out. i’ll

tell her when she comes back.”

Qin Anlan narrowed his eyes and was about to say something, but his gaze froze.

then, he lowered his hands and stared at the woman in front of him.

Ye Liangqiu.

it's so late at night. did you come here because you feel guilty? ” qin anlan's voice was very cold.

Ye Liangqiu looked in that direction and said indifferently,”i just wanted to see how she's doing,”

“It was almost gone. Are you satisfied now?” Qin Anlan walked closer and grabbed her neck. ye Liangqiu, do you hate me that much? ” he asked.

“I don't understand what you're talking about, President Qin.” ye liangqiu's face was calm.

“You don't understand?” qin anlan rudely pulled her into his arms and pinned her down. he held her down with one hand, making it impossible for her to escape.

you ... his pupils contracted sharply. you know how big of a blow this is to her!

“Then why did you still cook?” “president qin,” ye liangqiu coldly said,”you should be willing to bear the consequences of your actions.”

He looked at her beautiful face, stared into her eyes, and suddenly pushed her away.

Ye Liangqiu crashed into the opposite wall. Her shoulder blade was in pain, but she still smiled. aren't you going to ask me why I told her? ”

“i don't want to know!” “If nothing happens to my mother, then I'll let it go. But if something happens to her, then I'll make ye Liangqiu regret ever being born in this world,” he said in a cold voice.

Her body was pressed against the wall behind her. She closed her eyes slightly and said, ” Qin Anlan, I understand.

when she opened her eyes again, she smiled faintly.”I don't regret it.”

She thought that Mrs. Qin would never take a sick child seriously. After she woke up, she would never tell Qin Anlan about mu Yun's existence.

this was good too.

this was good..

Chapter 1302: love-hate relationship (3)

However, when she looked into his eyes, she still felt a little pain.

he still felt a little disappointed.

The person she used to like did not believe her at all.

because his mother had fallen ill because of her anger, he felt that she was doing it on purpose to take revenge on him.

She should have given up. Qin Anlan was not the one who understood her.

ye liangqiu's words made him even angrier.

He walked over step by step and finally landed in front of her.

“are you looking for me?” she asked, raising her hand.

the sound was very soft, but it was very clear in the night.

was she going to hit her?

he wanted to hit her!

Tears welled up in her eyes, and they refused to fall.

at that moment, qin anlan had a feeling that ye liangqiu and qiqi's images overlapped. he thought that he saw pei qiqi in a daze.

His thin lips moved, and his Adam's apple rolled rapidly ...

but in the end, he put his hand down, stared into her eyes, and said one word, ‘ “Get lost! ” ye liangqiu's lips trembled as she slowly straightened her body.

her back was in excruciating pain, as if her bones had been crushed.

she slowly stood up straight and turned to walk towards the elevator without looking at him again.

At the elevator, Lin Xingyuan was standing there with his phone in his hand.

She didn't know how long he had been standing there, but perhaps he had seen her in a sorry state from the beginning.

she seemed to be unable to move and could only look at him in a daze.

At this moment, he was her salvation.

lin xingyuan walked over slowly and placed her phone in her palm. he said in a deep voice, ” i forgot to bring my phone. ”

She lowered her head and hummed in agreement.

Her long hair covered her eyes, so Qin Anlan could not see that a hot tear fell on Lin Xingyuan's palm.

He was scalded, but he was not surprised.

it was no surprise that she would cry.

actually, she's only in her twenties and has been alone for so long, hanhan.

she was still a child.

Perhaps, Lin Xingyuan had watched her grow up from a child, and he felt pity for her.

most of the time, when he looked at her, he still felt that she was the helpless girl from five or six years ago.

Her forehead was covered in sweat. She told him that she wanted the child in her stomach.

At that time, she was already red to the sky.

She knew very well what this meant to her.

lin xingyuan's hand held her hand gently but firmly, "let's go, mu yun is waiting for you. "

Ye Liangqiu looked at his hand for a long time, then finally put her hand in his.

Lin Xingyuan clenched his fist. alright, let's go!

Qin Anlan stood on the spot and watched as she was taken away by others.

he nerce1Y smoKea a cigarette.

Actually, he had wanted to hit her just now, but he couldn't bring himself to do it.

it wasn't because she was a woman, nor was it because he had a principle of not hitting women. because she was ye liangqiu, because she was the girl he had hugged to sleep many years ago.

he was sure that if it was anyone else, he would not let them off so easily. The elevator opposite them opened, and she walked in with the man. The elevator door opposite him closed, and he could not see her.

qin anlan threw down the cigarette in his hand and stomped on it.

He looked into the distance, and the sense of powerlessness he had lost surged up again.

however, he chose to ignore it again.

After all, she had hurt his mother.

in the elevator, ye liangqiu's legs were weak. her fingers dug into lin xingyuan's arm.

"Xingyuan, he doesn't know, does he?" she asked, her voice still trembling..

Chapter 1303: infuriating the old man to death!(l)

with qin anlan's power, she could not compete with mu yun.

"i don't think so," lin xingyuan nodded.

He caressed her face gently with his fingers. Liangqiu, let me take you away, okay? Go abroad or to the South."

She looked at him with a dazed expression.

my uncle's private hospital is short of a chief surgeon. He asked me to go over to H city. The medical conditions there are no worse than B city. Liangqiu, come with me, okay? " he cupped her face. " as for the blood, we can keep it in cold storage. also, i'll take good care of him in the future and won't let him get hurt easily. "

ye liangqiu paused for a moment, and after a long time, she softly said, "Xingyuan, let me think about it."

she buried her face in his arms and cried because his arms were wet and hot. it was very uncomfortable.

but he couldn't bear to let her go.

he reached out and touched her hair gently. "if you want to come back in the future, you can come back. "

She shook her head desperately, trying to suppress herself.

after a long, long time, she buried her face in his arms and said very softly, "

"Xingyuan, I'll go to city H with you."

Lin Xingyuan was ecstatic. He wanted to kiss her, but he didn't dare to.

in his heart, she was like a goddess, and he could not offend her easily.

when he returned to the ward, mu yun had already fallen asleep with aunt

Zhang accompanying her.

seeing that ye liangqiu had returned, aunt Zhang felt a little guilty. in a small voice, she said, "miss ye, i'm sorry. i didn't expect this to happen. "

"It's fine." ye liangqiu lowered her eyes. "but we'll be going to city H in a few days. " aunt Zhang was stunned and didn't say anything for a long time.

Miss ye had treated her well, but she still didn't listen to miss ye. This afternoon, she took mu Yun out, which caused trouble and almost caused her to regret.

"I understand, miss ye. I'll pack my things later," Auntie Zhang said in a low voice.

Ye Liangqiu didn't blame her, because it was of no use.

"I'll pay you three months of your salary." after ye liangqiu finished speaking, she looked out the window in a daze.

It was time to leave.

For the next few days, she did not see Qin Anlan. However, when mu Yun was discharged from the hospital, su Xiu, who was by Mrs. Qin's side, came over and said that Mrs. Qin wanted to see her.

ye liangqiu thought that qin anlan wouldn't be around, so it didn't matter if they met.

Su Xiu pushed open the door of the ward. Mrs. Qin was half-lying down, and her face looked more tired than before.

"old madam, miss ye is here." she gently placed a pillow behind mrs. qin's waist.

Ye Liangqiu stood there, his expression indifferent. Mrs. Qin looked up from her half-sitting position and gave Ye Liangqiu a sharp look. "I thought you would at least try to please me."

"Crying and begging for your forgiveness, begging for you to let me in?" Ye Liangqiu chuckled. "I don't want to agitate you, so let's talk about a more gentle topic, okay?"

"An Ian, did he go to find you?" Mrs. Qin's eyes were like torches as she looked at the girl in front of her and spoke in an aggressive tone.

Ye Liangqiu nodded slightly. Yes!

"He warned me not to provoke you again. He said that if I dared to offend you again, he would make me regret living in this world." Ye Liangqiu looked at Mrs. Qin. "Are you satisfied with this?" Mrs. Qin's voice was flustered. "I won't let you in." What an unlikable character.

"What a coincidence. I don't want to enter the Qin family's gate either." Ye Liangqiu's voice was cold.

Mrs. Qin's eyes were wide open, and she clutched her chest..

Chapter 1304: infuriating the old man to death!(2)

Su Xiu hurriedly stepped forward and gently patted her chest. She reprimanded Ye Liangqiu, "Miss Ye, please stop talking. Old Madam's health isn't good. No one will have a good life if she's angry."

"That's what I was thinking too." Ye Liangqiu took something out of her pocket and placed it in front of Mrs. Qin. "I think after reading this, we won't have to have such an unpleasant conversation anymore."

Mrs. Qin had already heard from Su Xiu about Mu Yun's condition. However, after reading the report, she frowned. This child is indeed sick.

Moreover, it was really hard to say whether he could inherit the Qin family's business or not.

In Mrs. Qin's life, the thing she hated the most was taking risks.

Not to mention that this risk also involved Ye Liangqiu, the Ye Liangqiu she didn't like.

After weighing the pros and cons, she also made a decision. "I'll give you a sum of money. Never tell an Ian that this child is his, and it's best if you never come back."

Mrs. Qin sounded so heartless that Ye Liangqiu only smiled. "I can still afford to raise my own child."

"I heard that you're dating a doctor?" Mrs. Qin paused for a long time before saying.

"Yes!" "I'll go to H city with him," Ye Liangqiu said without hiding anything.

mrs. qin was a little disappointed. she had thought that the qin family had an heir and that the child was really good.

However, she did not expect him to be sick.

And now, an LAN was messing around in new York.

She had to stop him.

Cheng Cheng was the only candidate for a wife in her heart. she was smart, beautiful, likable, and of pure blood.

“Let’s go!” Mrs. Qin sighed. Just pretend I didn’t know about this.”

Ye Liangqiu had always known that the human heart was cold, but at this moment, he also felt a bit sad.

Mu Yun, there was no one else other than her.

Perhaps leaving was the best choice.

After she left, Mrs. Qin looked at the list for a long time and said to her confidant, ” “if this child wasn’t sick, and ye liangqiu’s body was a little soft, she might’ve slipped away.”

Su Xiu took the pillow down for her and lightly advised, ” “Old lady, don’t think too much. Young master is still young. He will have plenty of opportunities in the future.”

“He’s in new York now and he’s completely smitten by that Little Vixen. He doesn’t even think about having children! ” Mrs. Qin snorted.

from what she knew, pei qiqi’s health wasn’t good and she couldn’t give birth a long time ago!

Su Xiu came over and said a few words. After that, Mrs. Qin was shocked and angry.”really?”

“yes.” su xiu nodded.

mrs. qin thought for a moment and said, ” don’t tell anyone about this first. not many people know about it! ” Even if Tang Yu noticed, he probably didn’t want to alert the enemy.”

She sighed in her heart. an LAN can have any woman she wants. Why must she keep her eyes on other people’s wives? ”

su xiu chuckled. ” i’ve seen that pei qiqi. the old lady should have seen her a few times too. don’t you think she looks like someone? ‘

Mrs. Qin thought for a long time before her eyes lit up. She looked at her personal maid and said, ” “you mean ye liangqiu?

su xiu nodded. ” old madam, think about it again. who did young master get to know first? ”

of course it’s Ye Liangqiu. She joined King Entertainment when she was 19. I know that. Mrs. Qin said without hesitation.

“Old lady, don’t you think that young master treats ye Liangqiu very differently?”
su Xiu nodded again.

He was so special that he tolerated her time and time again. He was so special that even when ye Liangqiu angered the old lady, he didn't do anything to ye Liangqiu. If it were an ordinary person, he would have killed them long ago..

Chapter 1305: Infuriating the old man to death (3)

“you're saying that the person an lan truly likes is ye liangqiu?” Mrs. Qin frowned.

Su Xiu sighed. it's not a guess. I saw the way young master looked at ye Liangqiu. There were emotions hidden in his eyes that he didn't know about.

“This Rascal!” Mrs. Qin closed her eyes.

Su Xiu forced a smile, ” it's probably because of Shen Lian that young master doesn't trust women anymore. He always feels that they have a motive for being with him. Maybe it's because PEI Qiqi resembles miss ye, or maybe it's because he feels that PEI Qiqi doesn't need anything from him. That's why he's so persistent.

“He's just messing around.” “is there happiness in this?” mrs. qin was a little agitated.

su xiu didn't say anything.

She secretly saw that young master wanted to hit miss ye. At that time, young master's expression was unspeakably lonely.

She also saw that after ye Liangqiu and the others left, the young master clenched his fists and looked up as if he was trying his best to endure something.

if this wasn't love, then what was it?

however, she didn't want to provoke the old lady with such details. otherwise, she would be finished if she couldn't make it.

after all, mrs. qin was a good person. after talking for a while, she was tired and lay down.

Su Xiu tidied up the blanket for her and put the report aside.

When Qin Anlan came over, he sat down and asked a few questions. After a while, he saw a list on the table and picked it up to take a look.

it's a folk prescription. the old lady won't let the young master see it. otherwise, the young master will say that it's unscientific. ” su xiu smiled and snatched the list, folded it flat and put it in his pocket.

su xiu had been with the old lady for decades and had a high status in the qin family. qin anlan had always respected her.

At this moment, she did not feel that there was anything wrong with this. She smiled and said, ” aunt Xiu, do as you see fit! Some of the recipes might not be bad. ”

“young master has indeed changed after he got married,” su xiu teased.

Qin Anlan was stunned for a moment before he forced a smile.

his marriage was not a marriage at all. it was as if he had raised a child at home.

when he wanted to kiss qiqi, qiqi would block his lips and say, ” an Ian, you haven’t brushed your teeth yet. ‘

He had finished brushing his teeth, and she had shamelessly said that his toothpaste did not smell good.

He had used more than 20 different flavors of toothpaste, but none of them was the Yingluo she liked.

she was the one who didn’t like him kissing her!

a year had passed, and he had stopped forcing her.

Marriage was like a person drinking water, one only knew whether it was cold or not.

He didn’t know why he was still holding on to these feelings that didn’t belong to him, but he just vaguely didn’t want to give up.

perhaps it was because he felt like he had given up on something, so he was extra persistent this time.

Su Xiu looked at his expression. young master, if you want to make the old lady happy, then marry su Cheng.

Qin Anlan glanced at Mrs. Qin and did not say anything.

After he left, Mrs. Qin lay down and sighed.”Su Xiu, you saw it, he’s so stubborn.”

Mrs. Qin sat up slowly. After a long time, she said softly, ” “give him some more time.”

Su Xiu nodded and teased,

another year had passed. qin anlan was still mainly in new York and rarely came back.

Mrs. Qin was trimming the peach flowers in the courtyard. the flowers have already fallen, and she hasn’t returned yet.

he paused for a moment before continuing, ” recently, KING entertainment has been suppressed by boyi. it’s obvious that tang yu also knows that pei qiqi is with an Ian. ‘ su xiu smiled slightly. ” young master can handle it. ”

“what can we handle? Wouldn’t it be a lose-lose situation?” mrs. qin sneered.. ” oh, how’s ye liangqiu doing recently? “

Chapter 1306: infuriating the old man to death (4)

when mrs. qin asked this, su xiu thought for a while before saying, “she’s still in city H. she’s living a peaceful life,”

after hearing this, Mrs. Qin was silent for a while before sighing. "She's rather quiet and can keep her cool,"

"Su Xiu, do you think she doesn't have any intention of marrying into a rich family?" Mrs. Qin felt that she was getting old and couldn't understand these young people.

Su Xiu laughed along. How could that be? She saw that the old lady didn't like her, so she backed off. That's good too.

"It's just a pity for that child." Mrs. Qin sighed. It would be great if she wasn't sick.

It was early summer, but Madam Qin was still dressed thickly. She was pushed into the courtyard by her soft sleeves. Looking at the hundred flowers that were in full bloom in the courtyard, she pursed her lips. "I met Mrs. Su yesterday. The Su family's youngest daughter is already 25 years old. She can't keep waiting for an Ian."

Su Xiu's heart skipped a beat when she heard that. She thought to herself, young master is already married. He has no chance with Su Cheng. Why did the old lady say that? "Did Yingying have a plan in mind?"

Sure enough, her guess was right. Mrs. Qin slowly stood up, walked to a flower bush, and picked the most beautiful flower. She then slowly said, "Su Xiu, come with me to the south. I heard that the scenery there is quite good during this season."

Su Xiu nodded and said, "Okay!" Old lady, let's just go and enjoy the scenery. As for the person who asked old lady and Mr. Mo to come, let's not meet him!" Old Madam Qin looked at her for a while before smiling. "You know me well."

"I just can't figure it out. The old Madam clearly doesn't like Miss Ye, so why did she still go to see her?" Su Xiu asked after hesitating for a while.

Old Madam Qin was very clear in her heart. How could Su Xiu not have guessed

She just smiled and said, "I'm not looking at her. I'm looking at my grandson."

Su Xiu just pursed her lips and smiled, not saying much about Yingluo.

A week later, Mrs. Qin and Su Xiu arrived in City H. The black RV stopped in front of a small villa in City H.

The white European-style villa was quite unique. Although it was small, it was very warm. From the outside, the small garden inside was well taken care of.

It was early in the morning.

Xiao Mu Yun was sitting in the garden, digging for something. Ye Liangqiu walked over and pulled him up. She wiped his hands and the two of them stood together.

One big and one small, they looked very heartwarming.

mrs. qin sat in the rv and looked at her. her voice was faint. ” i can’t tell that there’s something wrong with this child. she’s so good-looking. ”

Mrs. Qin thought about the relatives in the Qin family’s side branches. None of them were as good-looking as ye Muyun.

It was a pity.

Su Xiu accompanied by her side and patted Mrs. Qin’s hand, “if old Madam feels that it’s a pity, then ran ran.”

“there’s nothing to feel pity about! the qin family’s heir must have a good body.” Mrs. Qin’s tone was firm.

su xiu’s heart skipped a beat, and she did not dare to say anything.

She could not tell what the old lady was thinking.

At this time, Lin Xingyuan also came out of the living room. He was dressed neatly and leaned over to kiss Xiao Muyun. Then, he touched ye Liangqiu’s arm. After that, he got into the car, started the engine, and slowly drove out of the small villa.

Lin Xingyuan didn’t notice when his car passed by Mrs. Qin’s.

“They’re a good match,” Mrs. Qin sighed.

Su Xiu’s heart softened a little, and she couldn’t help but say, “yeah, they’re quite compatible! Old Madam, why don’t you fulfill their wishes? miss ye seems to be well-behaved in city H and doesn’t seem like someone who has improper thoughts..”

Chapter 1307: (in Anlan, he i s your son (1)

“why? do you feel bad for that girl?” Mrs. Qin turned her head and gave a faint smile.

Su Xiu immediately lowered her head. how could that be! my heart aches for the old lady the most.”

Mrs. Qin’s eyes were filled with authority. “it’s good that you can understand the severity of this.”

“Old lady?” “if we do this, young master will also blame old lady in the future!” su xiu could not help but exclaim.

Mrs. Qin’s gaze was still on the adult and child in the courtyard. After a while, she chuckled softly. as expected, you know what I’m thinking.

su xiu didn’t dare to say another word. she wanted to persuade him but didn’t dare to.

the old lady’s actions would hurt the young master. she clearly knew that the person the young master truly liked was ye liangqiu, but she still did it. when the young master couldn’t extricate himself, she didn’t dare to think further.

Mrs. Qin glanced at su Xiu. you know me. I never change my mind once I've decided on something. go and invite miss ye over for a chat." "miss ye might not be willing." su xiu said in a low voice.

however, she still got out of the car.

Mrs. Qin watched as ye Liangqiu walked to the front of the villa. After ye Liangqiu let the child in first, she walked out, opened the car door, and sat down beside Mrs. Qin.

"it's been a long time, miss ye," mrs. qin's voice was a little stiff.

"It's been a long time indeed, Mrs. Qin," ye Liangqiu replied indifferently.

"Aren't you curious as to why I've come to find you?" mrs. qin waited for a long time, but she didn't say anything, so she said unhappily, " Ye Liangqiu laughed. you're not here to see me and my son, are you? " Mrs. Qin was stunned, and she almost burst out laughing.

Ye Liangqiu paused for a moment before continuing, " mrs. qin, mu yun's health isn't very good, and my focus is on him. if mrs. qin needs any help, i'm afraid i can't help. ' after she finished speaking, mrs. qin frowned, while su xiu had some approval.

even though ye liangqiu was promoted by king entertainment, she was still very smart.

It was no wonder that the young master liked her so much that she didn't dare to admit it.

Mrs. Qin's heart was filled with bitterness. She looked at ye Liangqiu and said,

"How can you be so sure that I have a plan?"

' because i don't see a trace of warmth in your eyes. " "Mrs. Qin, I just want to live a peaceful life," ye Liangqiu said in a low voice."I'm sure you won't even give me this chance, right?"

Mrs. Qin narrowed her eyes. what if I say that I'm willing to accept you as the Qin family's daughter-in-law? " ye liangqiu smiled faintly. " then should i accept it? "

Mrs. Qin's expression changed drastically."Miss ye, don't push your luck."

"you're the one who's insatiable!" ye liangqiu's voice was also filled with coldness. " muyun is qin anlan's child, but back then, he made me take morning-after pills. "

"then why are there still children?" Mrs. Qin's voice was stern.

"It was the first time I had a child," ye Liangqiu replied indifferently."I didn't understand."

there was a distant look in her eyes. if it wasn't for the medicine, mu yun might not have lived so painfully.

"Have you ever regretted it?" Mrs. Qin squinted at her.

Ye Liangqiu lowered her eyes. I'm doing well now, but if Madam Qin insists on making things difficult for me, I'm afraid that one day I'll regret it. When that time comes, Madam will probably regret it as well.

Yingluo, you hurt my son, so I'll hurt your son in return.

Her tone was very light, but it contained a power that was enough to shock

Mrs. Qin..

Chapter 1308: Qin Anlan, he is your son (2)

Mrs. Qin was stunned and only came back to her senses after a long time.

you're very bold.

"madam is a mother, i am also a mother." Ye Liangqiu's lips were tightly pursed, but then she smiled faintly. I hope you won't make things difficult for me, Madam.

When she pushed the door open and got out of the car, her legs were weak.

She clenched her fists and was furious.

She knew very well that Mrs. Qin just wanted to use her to get rid of PEI Qiqi so that the position of Mrs. Qin would belong to su Cheng.

She, ye Liangqiu, was just a stepping stone.

she felt a little sad. people would force things on her that she didn't want.

mrs. qin didn't stop her. after the car door closed, mrs. qin said indifferently, " she's just too smart. She's not as simple as su Cheng.

"It's good that young master likes it," su Xiu said carefully.

Mrs. Qin glared at her. an LAN likes to mess around. Are we going to let him do as he wishes? " su xiu didn't say anything. mrs. qin looked in the direction of the villa again, her face cold. " it seems like she's not willing to do it. '

No one would be willing to! Su Xiu didn't dare to say this.

"Drive!" mrs. qin said in a low voice as the black rv slowly drove away.

After the car drove away, a red sports car drove by slowly. A young girl was sitting in the driver's seat, wearing sunglasses.

When she drove past, her gaze fell on the direction of the villa.

Long time no see, Yingluo.

the car slowly chased after the black rv. the car drove very fast and barely

The old hag won't crash you to death.

The fiery red sports car sped away, leaving Mrs. Qin in shock. these young people are too outrageous.

Su Xiu massaged her arm for her. old lady, do you want to go to the hospital for a checkup? ”

“i’m fine!” “Let’s go to the airport!” Mrs. Qin said unhappily.

Su Xiu heaved a sigh of relief. In her heart, she was willing to let ye Liangqiu live a simple life.

The young master did like her, but he had let her down. Moreover, ye Liangqiu had found a good man.

however, peace did not come.

With the arrival of Mrs. Qin, ye Liangqiu’s peaceful life was completely disrupted.

Lin Xingyuan didn’t return that night because of a medical incident.

It was a simple surgery, and Lin Xingyuan was the chief surgeon. However, the patient died on the operating table. the patient’s death was caused by a great deviation between the position where the scalpel was used and the image.

the patient’s family immediately locked down the hospital.

Because the hospital was a private hospital, and the patient’s family was also well-known in the local area, this matter would not be easily resolved.

moreover, the husband of the female victim had threatened to send lin xingyuan to prison.

the hospital was run by lin xingyuan’s uncle. although he wanted to save him, he was powerless.

after ye liangqiu received the call, she rushed to the hospital, but lin xingyuan had already been detained.

ye liangqiu met with lin xingyuan’s uncle, lin hengshu.

all the men in the lin family looked refined, and lin xingyuan’s shadow could be seen in him.

“it’s not that i don’t want to protect xingyuan! This time, he was maliciously framed by someone. I went to investigate the mistakes in the middle, but I couldn’t find anything.” Lin hengshu sighed, ” Liangqiu, I’m afraid I can’t protect him this time.

“Uncle Lin, Xingyuan would never make such a mistake.” Ye bingqiu looked at Lin hengshu.

lin hengshu looked at her and hesitated.

“You’re the only one who can save him,” she said softly after a long while.

If it was an ordinary medical malpractice, he could even privately help Xingyuan. At most, he would just have to spend more money..

Chapter 1309: Qin Anlan, he’s your son (3)

however, it was different this time. it was obvious that the other party did not care about human lives. they only cared about whether or not they could kill xingyuan.

Ye Liangqiu was stunned. me? ”

“right!” “Think about it. Who do you know that can solve this problem?” Lin hengshu said tactfully.

Did ye Liangqiu think of Madam Qin? could she have been the one who had made the Wanwan?

She didn’t want to go to Mrs. Qin, but she didn’t ask for it. She might have to go to jail for ten years if she went far.

“don’t worry, uncle. i’ll think of a way.” Ye Liangqiu smiled bitterly.

She understood what Lin hengshu meant. Xingyuan was so good to her. If she had no choice, it seemed that she should sacrifice herself once.

Ye Liangqiu quietly went downstairs. She sat in the car, feeling a little tiredwas his peaceful life about to end?

She took out her phone and was about to call Mrs. Qin.

She didn’t hesitate, because she was afraid that if she hesitated, she would lose her courage.

before he could make the call, the car door was pulled open. She looked up at the people outside the window in a daze.

it was meng qingcheng. she had seen him once.

“Our President wants to see miss ye.” meng qingcheng’s tone was calm.

ye liangqiu looked at him, then slowly put down her phone and got out of the car.

A handsome man stood next to the car in front with his hands behind his back.

He looked especially noble in the night.

it was just that she looked a little lonely.

Ye Liangqiu slowly walked over and stood in front of him. Mr. Tang.

I’ll help you save Lin Xingyuan. Qianqian, call Qin Anlan and tell him about ye Muyun’s existence. Delay him for three months. Tang Yu was direct.

ye liangqiu looked at the unfathomable man in front of her and pursed her lips. ” were you the one behind xingyuan’s incident? ”

“no.” Tang Yu didn’t get angry. He just calmly answered her question.

she believed him when he said that.

tang yu didn’t look like someone who would use such underhanded methods.

She pursed her lips. what's in it for me to work with you? "

you don't need to be controlled by others. You can even anger the person you want to anger to death. tang yu laughed.

Ye Liangqiu lowered her eyes. it seems that Mr. Tang knows everything.

"I'm looking for my wife, so I'll pay more attention to miss ye. I hope you don't mind." Tang Yu smiled, " trust me. If you work with me, it'll be easier for you to escape. Or rather, you'll be more respectful.

Ye Liangqiu's eyes narrowed.

"Also, I can get people to protect you and your child." tang yu's tone was calm, " at least i can guarantee that after this, you can choose whether you want to stay or leave. "

ye liangqiu looked at the calm man in front of him. it was hard to imagine that he could still be so calm after losing his wife.

he seemed to have read her mind and smiled gently. he lowered his head and looked up at the endless night sky. after a long time, he said, " "Ye Liangqiu, if you've been waiting for someone all this time, you'll get used to it. As long as she's fine, she'll come back to you one day." she was stunned for a moment.

"This is 100 million. i think you should know what to do." He placed the check in her palm. "as for how to use it, that's up to you."

"his private plane will arrive in B city tonight." Tang Yu's tone was still calm,"PEI Qiqi came back with him." &Nbsp; after he finished speaking, he turned around and left. She looked at the check in her hand and chuckled.

That's right, a more respectful way.

Finally, she picked up her phone and dialed Kime's number.

when kie picked up her call, he was extremely surprised..

Chapter 1310: (Mn Anlan, he is your son (4)

"miss ye?" kie was on his way to B city's airport when he received ye liangqiu's call.

"It's me!" Ye Liangqiu's voice was as cold as the night. "can you tell president qin? His son is in city H and he fell down. We need his Rh-negative blood."

" what? " kim was stunned.

what? " Kim trembled. Son?

President Qin's son?

ye liangqiu's?

He held the phone in his hand and could not make a sound for a long time.

About a minute later, Kie found his voice. I'll talk to President Qin later. Don't worry, miss ye.

From the bottom of his heart, Kie had some feelings for ye Liangqiu. After all, he had watched her grow from a little girl to a diva. He also knew that she had lived with President Qin for a while.

however, he didn't expect that it would kill him.

Kime slid his hand down and laughed. This time, he had played a big one. President Qin brought PEI Qiqi back and ye Liangqiu said she had a child.

'Let's put our children first!' Kime sighed.

After ye Liangqiu finished her call, she went to the detention center.

Just as Tang Yu said, the victim's family dropped the lawsuit and Lin Xingyuan was released.

In addition, Meng Qingcheng was also there. He gave ye Liangqiu a set of information, which contained some of Madam Qin's Secret transactions.

Ye Liangqiu didn't show it to Lin Xingyuan, but he could guess it.

Meng Qingcheng quickly left. Before he left, he said, "Just don't forget about the deal you made with Mr. Tang." ye liangqiu nodded.

After she left, Lin Xingyuan got into the car and sat beside her. He slowly put on his seat belt.

She was also silent.

"liangqiu, are you going to leave?" He finally asked with great difficulty.

Even though he knew that she would never belong to him, he still kept her for a year.

This year, they had a good time together. He did not force her to do anything, and she also treated him as her closest relative.

he helped her take care of mu yun. sometimes, she would wait for him to come back from his shift in the middle of the night and cook for him.

Lin Xingyuan wasn't a person with strong emotions. He only wanted faint feelings. This was enough.

He sat there, knowing that she was leaving.

However, he wanted to ask her something that he had been wanting to ask for a long time."If this continues, will you like me?" even if it was just a little.

ye liangqiu's hand was on the steering wheel. after a long time, she smiled. ' xingyuan, of course. ' lin xingyuan laughed as well. he covered his face with his hand and let out a long breath."Liangqiu, you should leave! i can't protect you."

He wasn't afraid, he wasn't afraid. It was just that when he realized that he would become her burden and her weakness, he had no right to say he liked her.

He wasn't such a naive person.

"if there's a chance, i'll give mu yun a younger brother or sister, you know," he said in a low voice.

Ye Liangqiu slowly turned her head and looked into his pained and helpless eyes.

"I know," she said softly after a long time.

"liangqiu, do you blame me?" It was his fault for giving up on her so easily.

she shook her head and placed her finger on his lips. "xingyuan, i understand you, and you understand me! You don't need to say this."

There was no heartwrenching pain in their separation, only a faint sense of regret.

They had many friends, but not many lovers. This was their current state.

"Alright, I'll stop." his voice was a little hoarse as he suddenly reached into his pocket and took out a small, exquisite box..
