

Thank you 1311

Chapter 1311: qin anlan, he's your son (5)

Lin Xingyuan opened it slowly. There was a plain white gold ring inside. It had a simple ring, but it was very elegant and beautiful.

"It's my mother's," "liangqiu, this is for you as a memento," he said with a smile.

ye liangqiu looked at it and took it. she took off the chain around her neck, slipped the ring in, and put it back on. she touched it with her fingers and said, i like it a lot. '

Lin Xingyuan smiled bitterly and did not say anything else.

He could not give out what he really wanted to.

I'll always be here. If you're tired one day, come back. he reached out and caressed her long hair. "liangqiu, can i kiss you? "

It had been a year, and he had not kissed her even once. Now, he wanted to kiss her.

Ye Liangqiu didn't say anything.

lin xingyuan leaned over and gave her a light kiss on the lips.

In just one second, what he felt was not sweetness, but heartbreak.

"Liangqiu, I'm sorry. I can't protect you." He held her gently.

Ye Liangqiu rested her chin on his shoulder and said lightly, "Xingyuan, be my brother! " he was stunned for a moment before he quickly reacted. "alright," he said.

he reached out and ruffled her hair. " you have to be well. "

From that night on, Lin Xingyuan knew that ye Liangqiu would never fall in love with him.

She drove her back, and that night, she moved to the hotel with mu Yun.

late at night.

At B city's airport.

pei qiqi avoided qin anlan's gaze and ran to the washroom.

She ran to the wrong place. At this time, she saw a clear back view in the bathroom.

"Have you seen enough?" the man's movements were still slow, without the slightest uneasiness of being seen, and his voice was a little lazy. pei qiqi's mouth opened so wide that an egg could be stuffed in.

tang mo pulled up his zipper and turned sideways, his noble face expressionless.

However, there was a burning passion in his eyes that she couldn't see.

Two whole years, and there was no news of her at all.

Even if he guessed that she was still alive, he could not find her.

Finally, he found her.

as for pei qiqi, she stared at the part where he zipped up and then looked at his nose.

Her face was slightly red, and her body was a little hot .

she actually, actually felt embarrassed towards a strange man. it was the kind of feeling that made her want to pounce on him.

she even wanted to rip his clothes off and pat him. she wanted to pat his body.

The kind that didn't hang anything.

it was so embarrassing.

she cupped her face and took a step back. " i'm in the wrong place. " the man took a step forward and walked towards her. in the end, she was forced between the wall and his body.

"What were you looking at just now?" His voice was deep and hoarse, making her face redder.

She bit her lips and looked at him helplessly. After a long time, she said softly, i didn't."

"You're lying." Tang Yu's face was next to her ear, " let me count your heart. Did it beat a lot faster? " her heart was beating fast, but his was even faster.

Because his Qiqi had forgotten about him, Hanhan.

she could not remember him, but she remembered his body.

pei qiqi suddenly turned her head, " i'm not counting. "

However, she turned around too quickly and accidentally brushed her lips against his Kasaya.

tang yu looked at her with burning eyes-

PEI Qiqi backed off. There was nowhere to go but her head hit the wall.

There was a loud and painful thump..

Chapter 1312: Qin Anlan, he's your son (6)

PEI Qiqi's eyes were filled with tears as she looked at the man in front of her.

"It hurts." She pouted and wanted to touch the wound on the back of her head, but a large palm was faster than her and pressed on the back of her head. The voice was gentle. here? "

mn.she only felt that his massage was quite comfortable. She was just short of saying thanks.

Only when it wasn't painful did she remember that she was almost a stranger to this man.

Tang Yu saw her alert eyes and couldn't help but laugh, " what? are you afraid I'll do something to you? "

He looked left and right. that's true. There's no one here. If Yingluo .

"There's no" if "!" PEI Qiqi spoke quickly, " I'm leaving. Let me go.

Tang Yu didn't let go of her. He looked at her, " "i'll send you?"

"no need, " She broke free from him and jumped away from the Kasaya, looking like a little girl in her twenties.

she was already 25 years old at that time.

Tang Yu's eyes had a trace of a smile. He didn't say anything and just held her hand.

At that moment, PEI Qiqi's heart was beating wildly. Why was she unable to resist?

She was done for. She had an affair. She had climbed over a wall.

His palm was a little dry, and he held her small palm that was a little sweaty.

PEI Qiqi wanted to break free, but after she struggled, he held her tightly again. "Be honest," his voice was a little low. " otherwise, i'll lock you in the men's room. " she glared at him-

He was clearly noble, but he was so shameless.

He, on the other hand, was calm and natural as he held her hand and walked out for a walk.

the moment she went out, she saw qin anlan waiting for her.

PEI Qiqi immediately shook off Tang Yu's hand and stuck out her tongue, " My husband."

Tang Yu and Oin Anlan's eyes met.

when qin anlan saw pei qiqi shake off tang yu's hand, he wasn't happy. instead, his eyes dimmed.

She had never allowed him to hold her hand for more than two minutes, saying that it was like holding a child's hand.

so it wasn't that she didn't like him, but that he wasn't the one she wanted to hold hands with.

he just looked at her like that. when she was in front of him, he reached out and ruffled her hair."i'll get old Zhang to send you back to your apartment. be good and get some sleep."

"How about you?" PEI Qiqi took the keys and blinked her cute eyes at her. "I have to go back to the company for a meeting." Qin Anlan smiled faintly.

Oh, " PEI Qiqi replied. Then, she hopped towards the exit.

tang yu and qin anlan didn't follow.

The two of them stayed behind and started fighting.

“She is my wife now.” qin anlan’s voice was mocking. ” tang yu, she lost her memory. if you provoke her, you’ll only make her suffer more. ” tang yu’s pupils contracted as he stared at qin anlan.

in the end, he still left.

So what if she had lost her memory? Qin Anlan could not care about Qiqi anymore. He had plenty of opportunities!

Qin Anlan also got into the car and prepared to go to the company.

However, Kie rushed over and stood outside the car window. His breathing was a little erratic as he said, ” “president qin, we have to make a trip to city H.” qin anlan’s fingers gripped the steering wheel tightly.

if i’m not mistaken, the ye liangqiu of city H is currently living there.

He squinted his eyes and looked at Kime.

ye Liangqiu’s child is seven years old. He’s boss Qin’s son, ” Kie replied without hesitation.

Qin Anlan’s eyes narrowed even more. He looked at Kime and said in a gloomy voice, ” “did she tell you?”

“yes.” the child’s name is ye Muyun, ” Kime continued. she’s Rh-negative.

Chapter 1313: this is his son (part one)

at this point, qin anlan had a rough idea of what had happened, ran ran.

He opened the car door and got out immediately. He walked quickly in the direction of the airport and said as he walked, ” “prepare a private plane to H city.”

KIME was stunned for a moment before he followed closely behind.

At that moment, Qin Anlan’s phone rang. It was old Zhang. He sounded very flustered. young master, miss PEI is missing.

Qin Anlan pursed his lips and clenched his fists. He looked at Kime.”go and find her and send her back to my apartment.

kie nodded and quickly got off the plane.

However, just as Qin Anlan’s private plane flew away, Kime was blocked by Meng Qingcheng.

Meng Qingcheng was leaning on a black Bentley. He looked at Kime and smiled. are you sure you want to go and look for him? ” what? ” Kie was stunned and looked at Meng Qingcheng.

meng qingcheng stood up straight and walked towards KIME, ” you should know that qin anlan is playing with fire. pei qiqi doesn’t belong to him! KIME, i believe that you’re a smart person. you should know which side you should stand on. ‘

He then handed over a check. It was enough for Kime to live a life of luxury without working for the rest of his life.

kim looked down for a while before he said in a low voice, ” “Mr. Tang has given me too much.”

Meng Qingcheng was serious, “in Mr. Tang’s heart, PEI Qiqi is priceless.”

&Nbsp;

he paused, ” please, in your heart, do you really think that qin anlan loves pei qiqi?

if it was love, she wouldn’t have left B city and would have gone to H city instead.

KIME didn’t say anything. meng qingcheng patted his shoulder. ” “this isn’t betrayal. this is to help president qin find his true self.”

Then, Meng Qingcheng left.

Kie stood there for a long time. He knew that PEI Qiqi was probably with Tang

Yu and was having fun.

he looked at the check and thought about how president qin and pei qiqi’s relationship hadn’t broken through in the past two years.

Meng Qingcheng was right. This wasn’t betrayal. This was for President Qin’s good.

meng qingcheng got into the car and looked at KIME standing there. his lips curved up and he smiled.

He picked up the phone and looked at the number on the screen. His eyes were gentle. “It’s all done.” Yunzhi RUO he had kissed her today.

However, he wasn’t sure of his feelings for her, so it could be considered a rejection.

However, when he received her call, the night was no longer so lonely.

qin anlan’s private plane arrived in city H at two o ‘clock in the morning. he rushed to the hotel ye liangqiu was staying in, the presidential suite on the top floor.

late at night, ye muyun had already fallen asleep. only a small yellow light was turned on in the suite.

ye liangqiu came over to open the door.

both of their gazes were fixed on her.

he was travel-worn, while she was wearing a snow-white bathrobe. her long hair was slightly wet and scattered behind her like seaweed.

Her beauty had always been breathtaking on screen, but at this moment, it was peaceful, like an ordinary wife waiting for her husband to return late.

qin anlan looked at her for a long time before he walked in. ” where is he? ” his tone was as calm as he could be, but he was not.

ye liangqiu walked toward the secondary bedroom with qin anlan following behind.

then, he saw ye mu yun, who was like a little angel.

She was so cute and so fragile.

his face was a little pale, as if he had been ill for a long time.

Ye Liangqiu handed a document to Qin Anlan. He didn't look at it immediately. Instead, he walked over and sat beside ye Muyun. He raised his hand and hesitated for a moment before gently placing it on his soft, cloud-like hair.

Qin Anlan clenched his eyes This was his

Qin Anlan's son..

Chapter 1314: That's his son (2)

qin anlan closed his eyes. this was his son.

Qin Anlan's son.

he let out a long breath and said in a suppressed voice, " ye liangqiu, you really deserve to die.

She did not make a sound.

His fingers gently caressed his son's face. did he have a blood transfusion? "

Ye Liangqiu nodded. yes! But I don't know when Xuanji's blood bank will run out of Rh-negative blood."

"so, what i'm taking on is the role of a blood bank, right?" Qin Anlan's voice was a little low and hoarse, 'is it because I won't know of his existence for the rest of my life without blood? hmm?"

"yes." She spoke bluntly and deliberately provoked him.

Qin Anlan sat there without moving. After a long time, he said in a soft voice, ' ye Liangqiu, you're really daring.

"president qin doesn't like to be lied to." she leaned against the door and looked at him.

He touched Xiao mu Yun's slightly cold face with his fingers and closed his eyes. why didn't you say so earlier? "

This time, she did not answer.

"why did you come to me this time?" he continued to ask, then stood up and slowly walked to her.

Her back was against the door. He raised his hand and pinched her cheek.

"Ye Liangqiu, what are you thinking?" he lowered his head and looked into her eyes, his gaze burning.

She didn't back down. She looked into his eyes and sneered, "Qin Anlan, what am I thinking? don't you know?"

"don't play any tricks with me." he pinched her face with half of his strength.

tears welled up in her eyes, but she stubbornly didn't say a word and just looked up at him.

if you think that I'm despicable and that I'm plotting something, Qin Anlan, you can leave immediately. "I've already played all my tricks a few years ago. Now, I don't think I need to play any more tricks on you, President Qin," she said coldly.

"you don't care anymore, so you don't want to play anymore, right?" He suddenly let go of her face and pursed his lips tightly.

At that moment, he noticed that there was an exquisite platinum ring hanging on her collarbone.

Unfamiliar. He was sure that he had never seen her before.

Qin Anlan narrowed his eyes and looked at Ye Liangqiu. "who sent this?"

"It has nothing to do with President Qin," she tried to avoid him, but he grabbed her shoulder with one hand and the ring with the other, pulling it off with force.

the excessive force left a long red mark on her neck, and the skin was slightly torn.

the ring fell into his palm.

He looked at her carefully and asked, "is it from Lin Xingyuan?"

Although he did not have much contact with her in the past two years, he knew that she had always been with Lin Xingyuan.

And now that he had just returned to B city, she found out that he could not help but suspect that she was playing tricks.

Ye Liangqiu wanted to take it, but he couldn't. He pressed down on her shoulder with one hand and firmly nailed her to the door. He played with the ring with his other hand and said in a cold voice, "you love him?"

He was furious when he thought about how this damned woman was living with Lin Xingyuan with his child, and how she even allowed that man to carry her.

He stared into her eyes, not letting go of any of her expressions.

"It has nothing to do with President Qin," Ye Liangqiu lowered her eyes and smiled. President Qin, you're not thinking too highly of yourself. Do you think I want to tie you up?

"You, don't you have one?" He let go of her a little. She wanted to straighten her body, but he suddenly pressed her down again.

she hit her head against the door with a loud thud..

Chapter 1315: That's his son (3)

“ye liangqiu, it’s best if you obediently don’t move. Otherwise, I can’t guarantee that mu Yun won’t see something she shouldn’t.” he warned her in a deep voice, then took her hand and led her to the living room outside, closing the door of the guest room.

Children shouldn’t be allowed to hear adults quarreling. She was thrown onto the sofa like a piece of rag.

in this world, only he would dare to treat her like this.

ye liangqiu had just propped herself up when he pushed her down again. he pressed her body down with one leg, preventing her from moving.

“Qin Anlan, are you crazy?” her long hair spread out helplessly, but her bare face was still breathtakingly beautiful. he pinched her chin with his fingers. ” you’re so beautiful even when you’re angry. is he particularly fascinated? ”

by the end, his voice was already extremely hoarse as he stroked her red lips with his fingers.

The ye Liangqiu of today was completely different from the ye Liangqiu of five or six years ago. Compared to the young and inexperienced ye Liangqiu of the past, she now exuded the aura of a mature woman.

her entire body made men go crazy.

she was 1.72 meters tall, and her bathrobe was rolled up. her legs were straight and white, which made people’s imagination run wild.

Did she once wrap her legs around Lin Xingyuan’s waist? did she also enjoy Lin Xingyuan’s body?

Qin Anlan’s eyes seemed to be on fire. He was angry and jealous.

“right!” ye liangqiu raised her chin and laughed instead of getting angry. her smile was extremely soft and delicate. she reached out and wrapped her slender arms around his neck. ” qin anlan, xingyuan likes my body. ‘ “What about you?” there was a storm in his eyes. ” do you like him? ” before she could say anything, he had already lowered his body and pressed his body against hers tightly. she could feel his eagerness.

his face was very close to hers, and his eyes were deep.”He’s as good as my Yingluo, okay? can it also make you feel pain and happiness like that?”

“i don’t remember!” Ye Liangqiu couldn’t struggle. She felt too ashamed and turned her face to the side.

qin anlan inched closer to her. ” then, will you remember something like this? ”

her eyes widened in disbelief. she could not believe that he would do such a thing to her.

he had actually done such an embarrassing thing to her through her clothes.

her bathrobe was completely undone, and his coat was thrown to the side. his belt was also hanging messily around his waist.

“qin anlan, are you crazy?” she avoided his kiss and resisted him with all her might.

However, compared to his strength, she was so fragile and soft. The power between men and women was clearly divided at this time.

He pressed her down like a hot knife through butter and looked down at her with a cold gaze. “Ye Liangqiu, why do you have to be like this? you already have a child. If you play this kind of game too many times, it won’t be fun anymore.” he leaned over and was about to continue kissing her.

a slap landed on his face. ye liangqiu panted and glared at him. “Qin Anlan, I love Xingyuan.” his gaze became somewhat shocked and disdainful.

she had said that he loved lin xingyuan.

“yes, i love him.” “Does your pride allow you to have a woman like her?” she asked, looking straight at him.

Qin Anlan, I’m no longer the ye Liangqiu I used to be. I’ve long since stopped waiting for you to turn around and look at me. I’ve long given up hope. She said in a cold voice, ” now, I’m in love with someone else.

He maintained his posture for a while before slowly letting go of her.

his face was still burning, but he didn’t care..

Chapter 1316: That’s his son (4)

His face was still burning, but he didn’t care.

He narrowed his eyes and looked at her. ye Liangqiu, you’re really good! “The same! compared to president qin, i think i’m loyal enough.” She sneered.

he looked at her. ” i hope that your love for lin xingyuan will continue. ”

“It’s none of President Qin’s business. No matter who I love, I won’t foolishly love you again.” She also raised her chin.

however, qin anlan caught the meaning in her words.

she had loved him?

was it because of love that she gave birth to mu yun?

However, Qin Anlan did not ask. If he did, everything would be different.

At this moment, a timid voice came from the door, ” “mom.” ye liangqiu turned her head and saw her son standing at the door.

She froze for a moment.

Qin Anlan moved quickly and blocked ye Liangqiu's body. He said in a deep voice, "Button up your clothes."

damn it, her bathrobe had come apart. mu yunquan had seen what he should have seen and what he shouldn't have.

Ye Liangqiu bit her lip and quickly buttoned up her clothes.

qin anlan waved his hand and called mu yun over.

The little fellow was a little hesitant, but he still walked over slowly.

the little one was wearing snow-white pajamas, the one-piece kind. there was a small tail at the back, and she looked very cute.

Qin Anlan's cold heart softened. He looked at the little guy and reached out to pull him into his arms. I'm daddy.

This child was very good-looking, and he had inherited both his and ye minqiu's strengths.

his fingers gently rubbed his soft hair, and he finally knew why he was called mu yun.

her hair was really like soft clouds.

Mu Yun threw herself into her father's arms shyly. She rested her face on his shoulder and said softly, "Daddy, you don't like mommy, do you?" qin anlan's body stiffened, but he quickly denied it. "why would i?"

"daddy didn't even hug mommy, and he's bullying her." mu yun's voice was very soft, but it was also filled with frustration.

qin anlan glanced at ye lianglai and pulled her over to sit on his lap.

it was rare for him to be around 18 pm, so ye liangqiu, who was in room 172, was sitting on his lap.

"look, mom and dad are very close." he smiled, trying to make his son's broken childhood a little happier.

he was willing to do something to make mu yun happy.

Mu Yun's small face blushed as she had never seen such a scene before.

He wasn't the only one. Ye Liangqiu wasn't used to it either. She turned to the side and said in a low voice, "Qin Anlan, what are you doing?"

"Do you really want to do something with me in front of your son?" His voice was also very low, with a hint of mockery, "i'd be happy to."

"how long have you been hungry for? are you so desperate that you don't know what to eat?" she gritted her teeth.

to her surprise, he actually answered, and in a very serious and serious manner, It's been more than two years. miss ye, do you want to be a good person and satisfy me this once?"

He was shameless and shameless.

she hit him subconsciously.

He didn't Dodge, and in the end, she slapped him on the face.

"Mu Yun, did you see that? it's your mother who's bullying me. " qin anlan's tone was calm, as if he had not just slapped her in the face, but rather a candied date.

mu yun was stunned.

Mother is so fierce!

Daddy seems to be a Big Shot, and mommy can hit Yingluo whenever she wants to.

He could not understand their relationship..

Chapter 1317: that's his son (5)

Qin Anlan chuckled and said in a calm voice, " Muyun, mommy is a woman, so daddy will give in to her.

Ye Muyun glanced at her mother's bathrobe and didn't say anything.

ye liangqiu stepped forward and picked up her son. her voice was gentle and calm. " mu yun, why don't you continue sleeping? " Mommy will carry you to sleep."

she was carrying a seven-year-old child and was actually loosening her grip. qin anlan looked at her quietly and did not say anything. he only went forward and took Xiao muyun from her. "i'll carry him."

Hence, Xiao mu Yun was hugged by her father for the first time.

Her little face was slightly red from shyness and excitement. She leaned on Qin Anlan's shoulder and looked obedient.

Ye Liangqiu's hands were empty. She looked at the father and son in front of her, a little dazed.

It seemed that Qin Anlan had accepted mu Yun's existence very quickly. Mu Yun was the same. She did not have any resistance to this father who had suddenly appeared.

She seemed to be the only one who could not accept it.

She was against Qin Anlan's appearance from the bottom of her heart.

She pursed her lips and followed him in for a stroll.

qin anlan carried Xiao muyun to the bed and covered the little fellow with the blanket. his voice was gentle as he said, " sleep early. "

"dad, it's almost dawn." Xiao mu yun's eyes were filled with reluctance."Daddy, I don't want to sleep. I'm afraid that after I wake up, daddy will be gone." qin anlan felt a little sad when he heard that.

He put his face close to Xiao mu Yun's and said in a low voice, "it won't happen again. I can guarantee that our mu Yun will wake up to see her father every day.

"What about mom?" Xiao mu yun tugged at his sleeve and asked in a low voice. Qin Anlan was stunned. He did not know how to answer him.

the seven-year-old boy looked at him with such desire that he found it hard to refuse.

Hence, she forced a smile. of course, there's also mom.

"Will you two get married?" Xiao mu Yun seemed to be very careful. Not only Qin Anlan, but even ye Liangqiu couldn't handle such a question ...

He and she had no intention of being together at all.

in this silence, Xiao mu yun's face clearly showed that she was hurt.

He looked at his father and then at his mother. He pursed his lips and buried his face in the pillow. He was obviously angry.

Qin Anlan looked at ye Liangqiu.

his eyes were expressing, "you're angry just like that?" how do you usually educate them?

ye liangqiu glared back-

The look in his eyes said, "I inherited your genes!"

Qin Anlan did not bother to argue with her. He reached out and touched Xiao Muiyun's hair before he replied ambiguously, "mom and dad need to cultivate their relationship. marriage is not a game." ye liangqiu stood to the side and said mockingly, "Yes, marriage is not a game." He glared at her for a while before he continued to coax Xiao mu Yun to sleep.

he found it unbelievable that he had accepted this child so easily.

He had even forgotten about Qi Qi's existence.

Xiao mu Yun looked up and pursed her pretty lips. She hesitated for a while before asking, "Then, do Daddy and Mommy Sleep together at night?" "yes, yingluo is." qin anlan smiled calmly. "then we'll go to bed. "

Ye Liangqiu was stunned by his words.

what was he saying?

Sleep together?

How could this be!

However, Qin Anlan had already given mu Yun a good night kiss. He pulled her, who was dumbfounded, out of the room.

when they reached the master bedroom and closed the door, ye liangqiu flung his hand away.. "qin anlan, what are you doing? "

Chapter 1318: that's his son (6)

He had already unbuckled his belt and was unbuttoning his shirt, one button at a time. Then, he threw the belt and shirt at the end of the bed, and ye Liangqiu stared at them for a long time.

He just stood there and looked at her. ‘Ye Liangqiu, didn’t you use all your schemes to get me here just to do it?’

she pursed her lips and suddenly picked up his shirt and stuffed it into his arms. she said softly, ” “get lost!” qin anlan pursed his lips and smiled faintly. ” are you sure? ” she didn’t speak, her expression cold.

He slowly put on his clothes again, and the neatly dressed Yingying seemed to be leaving.

Ye Liangqiu stopped him, her voice somewhat angry.”qin anlan.”

“I thought you wanted me to leave.” His voice was a little soft, but there was an indescribable power in it.

“i think, for mu yun’s sake, we should call a truce.” she pursed her lips and spoke with difficulty.

‘ what if i say, for muyun’s sake, i want qianqian. will you agree? ” He said lightly without turning his head, so she couldn’t see his expression.

ye liangqiu paused for a moment. ” don’t forget, you’re married. ”

“What, you want to leave your body to Lin Xingyuan?” He asked mockingly.

ye liangqiu didn’t respond. it would be unwise to say anything at this time.

The more she didn’t speak, the angrier he got. He didn’t know what he was angry about.

“come here, hug me!” she said coldly, pursing her lips.

“what?” Ye Liangqiu was surprised. She looked up at his back, not daring to believe what she had just heard.

“you didn’t hear wrong, come and hug me! Make love with me. ” “ye liangqiu, these are my conditions,” he said in an even colder voice.

As he spoke, he slowly turned around and looked at her.

her face was pale, and he looked straight into her eyes, as if he was looking for something.

after staring at each other for a long time, she finally walked towards him slowly.

she placed her hand on his belt and gently undid the kasaya.

Qin Anlan did not move. He only looked down at her from above, watching her do such a submissive thing. In his memory, she was not used to this.

But she still did it.

When her fingers gently unbuttoned his shirt, his Adam's apple rolled uncontrollably.

as he said, he had not touched a woman for more than two years.

her body had always been the desire he yearned for. it was impossible for him not to be moved.

however, a strong hand still grabbed her hand. qin anlan's eyes were burning."ye liangqiu, just what do you want for you to be willing to suffer such a grievance?"

He raised her hand and looked at her with his dark eyes."mrs. qin?"

Her fair hand was held by him, but she did not struggle. She just looked up at him."It's your blood," qin anlan narrowed his eyes and pushed her away forcefully after a long time."That's the best!"

He walked straight into the bathroom, and after a while, she heard the sound of water.

he was taking a shower.

ye liangqiu remembered that he didn't have a change of clothes, so she found a bathrobe in the cabinet and walked to the bathroom door. she was about to call him yingluo.

but then, she heard some strange sounds.

was that what he was doing?

She wanted to move away, but at this moment, the bathroom door was suddenly pulled open. Her arm was caught, and then she fell into a hot, moist chest.

her face was wet, but she could still feel the warmth.

ye liangqiu looked up and was immediately sucked in by two hot lips.

the bathroom was wet, and so was his lips. it was hot and wet everywhere..

Chapter 1319: That's his son (7)

her body was uncomfortably folded in his arms, unable to move.

"Qin Anlan, what are you doing?" ye Liangqiu struggled in anger.

he kissed her, and no matter where her head was, he could still hold her lips.

What was even more outrageous was that while he was kissing her, he had finished what he had not finished earlier.

everything calmed down.

his face was on her neck as he panted. his hot breath on her neck was hot and uncomfortable.

And she would be afraid.

"Ye Liangqiu, this is marriage. You need to do this kind of thing at any time." his low voice rang in her ears. "are you sure? "

"you're hungry." she pressed her back against the cold wall and gritted her teeth.

however, only she knew that her heart was trembling and her legs were weak.

She would also be seduced by him. She would also fall in love and feel pain.

“Ye Liangqiu, this isn’t fun!” “We can still be the same as before, can’t we?” he bit her neck.

Her body turned cold, and her voice was even worse. you mean Yingluo? ”

“we can give mu yun a relatively happy childhood.” His fingers gently caressed her face. mu Yun will be much happier if she is less calculative.

Her gaze fell on his face and did not move away.

‘ an unhappy marriage can’t give him a complete family. i think you know this better than anyone else. ” he squinted at her.

is your marriage with PEI Qiqi happy? ” She suddenly laughed and leaned her head against the wall.

He stared at her little face for a long time before he said softly, ” “i like her.”

Ye Liangqiu was stunned.

Did he like her?

“Yes, you can give up a lot of things if you like someone.” she laughed softly. ‘ qin anlan, it’s not that i didn’t fulfill your wish.

she turned around. ” i’ll do as you said. i’ll give muyun a relatively happy childhood. ‘

He looked at her suspiciously. ye Liangqiu, this doesn’t seem like you.

“Then what do I have to do to make you look like me?” “force you to get a divorce?” she laughed coldly.

He did not reply.

Qin Anlan, I don’t think we want to have anything to do with each other. So, we just have to put on a good show in front of Muyun. She seemed to have lost her patience.

At that moment, Qin Anlan felt a sense of emptiness, an indescribable emptiness.

He narrowed his eyes and looked at the woman in front of him.

he could not see through her.

He couldn’t see what she wanted. Yingluo was definitely not mu Yun’s happiness.

At the thought of this, he could not help but say coldly, ” I will. I hope you will too.

ye liangqiu opened the bathroom door and walked out. ” “Also, I hope that what happened today will never happen again.”

“I promise there will be more.” He said shamelessly.

ye liangqiu bit her lip. ” qin anlan, you’re shameless. ”

he only looked at her in a daze.

At that moment, they suddenly thought of the past and the short two to three months they had lived together.

At that time, they were the most intimate and most unfamiliar people in the world.

He allowed her to enter his world, but he would not allow her to enter his heart.

Ye Liangqiu hated this feeling to the core. She supported her head with her hand and retreated.

Qin Anlan did not hold her hand to tease her. His gaze was a little unfathomable as he looked in the direction she left.

He could feel that she was treating him differently from before. In her eyes, he couldn’t see the vigor that she used to have.

he couldn’t even remember when he lost that spirit..

Chapter 1320: pretending to be in love (part one)

After she was done, she lay on the bed with her back facing him.

Even if it was the side of her back, her curves were still so beautiful that it could not be ignored.

He laid down beside her and felt her body stiffen in an instant.

Qin Anlan lay flat and placed one hand under his head. His tone was indifferent.”i’m very tired, and i don’t have the heart or energy to do anything to you. there’s no need to act like this.” ye liangqiu pursed her lips, not saying a word.

she was still in a daze and did not move.

Qin Anlan’s gaze fell on her back and he smiled. “If I sleep like this, I’ll probably be stiff by tomorrow morning. Don’t worry, I’m not interested in wood.” he closed his eyes and went to sleep.

She waited for a long time until his breathing evened out before she closed her eyes.

half an hour later, qin anlan opened his eyes. he was sleepy, but he held on until she fell asleep.

he was already used to sleeping at this hour.

But he wanted to see her cry.

qin anlan turned her over gently and looked at her with his chin on his hand.

his black eyes were dark.

his fingers gently caressed her face, and a strand of hair covered half of her face. it was scattered naughtily on the white bathrobe on her shoulder.

he gently lifted the kasaya.

her appearance was very different from before, and she was now close to perfection.

Qin Anlan looked on, and his heart softened.

After a long time, he retracted his hand, closed his eyes, and entered the dream world.

In the dream, she was wearing an apron and cooking for him in the kitchen of her apartment. The morning sun shone on her side profile. Her side profile was very gentle and more beautiful than any movie she had acted in.

Ye Liangqiu was still asleep when Qin Anlan woke up.

he remembered that dream, and his heart couldn't help but soften a little. the way he looked at her was also gentle.

he turned his body sideways and looked at her face. He reached out his hand and his fingers went down her collar.

as the bathrobe spread open, his gaze fell on her lower abdomen.

it was flat and smooth, without a trace.

then she naturally gave birth to mu yun qianqian.

at that moment, qin anlan had the urge to go and feel the place where mu yun was born.

He thought about it and did it.

when ye liangqiu woke up, she was trapped in his arms, his fingers doing something indescribable.

She was shocked and tried to move back, but she almost fell off the bed.

Qin Anlan reached out and caught her. The scene froze.

She had her bathrobe open while his clothes were neat.

Ye Liangqiu covered her clothes with one hand and glared at him. "Qin Anlan, what are you doing?"

"I just wanted to feel the path that mu Yun has walked." He lowered his eyes and said coldly.

Ye Liangqiu was speechless. She moved over and buttoned her clothes. "Oh." He only smiled faintly and did not say anything.

When she got out of bed and went to the bathroom, he said faintly, "you seemed to have a reaction to Hanhan just now. You should take a good shower."

Ye Liangqiu suddenly turned her head. you're overthinking it.

He slowly raised his finger at her-(evil)

she slammed the bathroom door shut and pressed her body against it. Her legs were trembling.

She bit her lip and took a shower before going out.

when she returned to the bedroom, qin anlan was not there. she heard some noise from the dining room outside, so she changed her clothes and went out.

Mu Yun had already woken up. She was dressed neatly and sat opposite Qin Anlan at the dining table. Breakfast was already on the table..
