

## Thank you 1321

Chapter 1321: Pretending to be in love (part two)

“I haven’t eaten for nearly 24 hours.” Qin Anlan’s voice was a little faint. do you mind if I eat first? ” even though he said that, he had taken good care of Xiao mu yun.

Ye Liangqiu pursed her lips, sat down, and quietly ate her breakfast.

In the silence, Qin Anlan raised his eyes and looked at her.

Today, she had tied her long hair into a ponytail and was wearing a thin, short knitted sweater and white casual pants. This made her figure even more perfect, especially revealing a small part of her charming waist.

he didn’t remember that she liked to wear this.

However, his gaze lingered on it for a while longer before he said, ” “After breakfast, bring mu Yun to the hospital for a checkup.” ye liangqiu suddenly raised his eyes and looked at him. “you don’t believe me?”

‘ i’m the child’s father. is there a problem with me showing him some concern? ‘ his gaze fell on her face, then he lowered his head and continued cutting the bread in his hand. his voice was even fainter. “Also. Liangaiu. are you sure you want to say such things in front of the child?” ye liangqiu was stunned.

he called her cool autumn!

he had once called her that, but that was a long, long time ago.

even if he called her that for mu yun, her heart still throbbed.

she remained silent.

Xiao mu yun looked at this, then at that, and pursed her lips.

After Xiao Muyun returned to her bedroom, Qin Anlan took a cigarette and placed it in his hand. the child is very sensitive. Liangqiu, don’t make him unhappy.

she didn’t say anything and just sneered.

“i know you blame me.” “But ye Liangqiu, you never told me that you had a child. you’ve caused qianqian to be without a father for so long.”

He had not smoked. It was not that he did not want to smoke, but because mu Yun was here, he did not want his son to take in second-hand smoke, so he had been restraining himself.

He had fallen in love with the little guy when he first saw him.

“If you had known that I was pregnant, would you have allowed me to give birth to it?” ye Liangqiu asked, her eyes drooping.

He looked up, and so did she. They looked into each other's eyes.

he didn't answer, and she was stunned to hear the sound of flowers blooming and falling.

He laughed softly and said in a self-deprecating manner, "i knew this would happen."

"How much do you know about me?" there was a hint of pain in qin anlan's eyes. "how did you know that i don't want him?" ye liangqiu's eyes shrank.

qin anlan slowly walked over and gently pulled her into his arms. The warm breath enveloped her body. In such a warm embrace, she actually felt like crying.

"liangqiu, i think you should know what to do! I don't want to hurt mu Yun." he whispered in her ear.

however, that gentle voice seemed to have thrown her into an icy valley.

after he finished speaking, he released her in a daze.

that warmth also disappeared.

half an hour later, he was in his white sports car. ye liangqiu pursed her lips. "why do you have to go to the hospital where lin xingyuan is?" He was clearly doing it on purpose.

qin anlan slowly fastened his seat belt and said in a calm voice, "muyun was originally examined at his place. i believe that lin xingyuan will be the best doctor for muyun. ' he made it sound grand, but ye liangqiu didn't believe his reason.

Qin Anlan glanced at her again and started the car. I've already spoken to Lin Xingyuan on the phone.

She did not want to say a word to him..

Chapter 1322: Pretending to be in love (part three)

"What, you can't bear to?" His tone was a little strange.

ye liangqiu couldn't be bothered to say anything to him, so she just hugged mu yun.

Xiao Muyun looked at Qin Anlan who was in front of her and then at her mother. Her expression was filled with curiosity."is daddy jealous of uncle lin?"

Ye Liangqiu fell silent.

qin anlan was also stunned for a moment. after a while, he smiled."Mu Yun is so smart."

Ye Liangqiu glared at his back.

qin anlan saw it in the rearview mirror. when his eyes met hers, he smiled.

it had to be said that qin anlan's white teeth were quite good-looking, which made ye liangqiu even angrier.

The car arrived at the hospital where Lin Xingyuan was. Qin Anlan got out of the car first and carried Xiao Muyun.

Actually, a seven-year-old child would usually leave on their own. However, he had been absent from Xiao Muyun's growth for a long time, so he felt that it was fine to be a little pampered.

it was ye liangqiu who said in a low voice, "You don't have to spoil him like this."

Qin Anlan glanced at her, but he was still hugging Xiao Muyun. are you unhappy?

"No, I didn't," She didn't object anymore, as it was useless to object.

They went all the way to the fourth floor, to Lin Xingyuan's office. Lin Xingyuan had already gone to work and was waiting for him.

When they entered the room, only Lin Xingyuan and a nurse were talking. Lin Xingyuan told the nurse to leave.

qin anlan saw half a cigarette butt in the ashtray on lin xingyuan's table.

He pursed his lips almost imperceptibly, then placed mu Yun on the examination table at the side. doctor Lin, please help me check my son.

"you should be very clear about his condition," he said, lowering his eyes.

Lin Xingyuan's gaze fell on ye Liangqiu. After a while, he looked at Xiao Muyun.

From the beginning to the end, he did not even look at Qin Anlan.

he smiled faintly and said, " of course. "

when he was checking on Xiao mu yun, the little one looked up at him with tears in her eyes and called him uncle lin softly.

Qin Anlan did not know how Lin Xingyuan felt at that time. He only knew that he wanted to cry.

His son looked at Lin Xingyuan with a look of absolute trust. Lin Xingyuan had accompanied ye Liangqiu and mu Yun for so many years.

He had even moved from the South to B city before bringing her back to the South.

He had an indescribable feeling in his heart.

after lin xingyuan checked, he smiled faintly. "Our mu Yun seems to have gotten a little stronger." qin anlan lowered his gaze and looked at his son.

mu yun looked more like cool autumn, and he was familiar with her facial features.

it was also what he, wanwan, liked.

he couldn't help but reach out to stroke his little head, but his words were directed at lin xingyuan, " is there no way to cure it? "

he didn't mind being a blood bank, but the future was so long. there would be times when he would be negligent or not be by mu yun's side. also, such a pamtill process woulC1 arrect mu yun?s ruture.

Mu Yun can't go to school like this, Yingluo.

Therefore, he still hoped that he could get better soon, because he had already decided to hand King Entertainment over to mu Yun.

This child was very smart, and he liked it very much.

Perhaps he was a little selfish. Because he and Qiqi did not have sex life, they might not have the chance to have a child in this life. So, a ready-made heir was naturally the best.

lin xingyuan looked at ye liangqiu and slowly shook his head. " there's no other way! when he grows up, he will naturally get better."

To put it bluntly, it was a rich man's illness, and it would be better after he was raised..

Chapter 1323: crazy jealousy (1)

qin anlan's fingers caressed his son's soft black hair and he did not say anything else.

his heart ached a little.

he brought Xiao muyun to get a blood sample. Xiao muyun stretched out her small arms. there were needle marks all over her arms. some of them were new, while some were old. he felt his heart ache just looking at them.

"Daddy, it doesn't hurt." A faint smile appeared on Xiao mu Yun's little face. She was very pretty and looked very much like ye Liangqiu.

qin anlan thought back to the time when ye liangqiu was filming a commercial film. it was a fight scene, and she was hung on wire. most of her back was bruised. at that time, they lived together, and he asked her if it hurt. ye liangqiu was lying on her stomach with her face buried in the pillow, but she said she was not in pain.

Silly girl, how could it not hurt!

The corners of Qin Anlan's lips curled up slightly, and his voice was soft. Muyun, daddy will accompany you in the future, okay? if it hurts, daddy will hug you.

the little girl's face blushed and she buried her face in her father's arms shyly.

Xiao mu Yun was very vexed.

although his father didn't know him in the past, he was very good to him. when he gave him acupuncture, his father would hold him.

But Uncle Lin is good to me. He's been good to me for many years, Yingying.

which one should he choose?

it was difficult for him to choose, so it must be even more difficult for his mother!

The two of them walked up the stairs to the fourth floor. Lin Xingyuan and ye Liangqiu were not there.

qin anlan asked the nurse to look after Xiao muyun while he went outside to look for her.

he could have waited, but he couldn't wait for yingying.

In front of the elevator, ye Liangqiu and Lin Xingyuan were standing face to face.

“Xingyuan, don't wait for me,” She raised her head and looked at him.

Lin Xingyuan's fingers touched her hair gently and he smiled bitterly, ” I can wait.

qin anlan watched from afar and could not hear what she said. he only saw their eyes looking at each other affectionately.

He had a feeling that he had been deceived. She, Yingluo, had fallen in love with someone else.

He had returned the ring to her, and he had seen her wearing it again this morning.

in her heart, she loved lin xingyuan!

This discovery made him feel an indescribable pain in his heart. He told himself that it was because they had a child, so he hoped that she was clean and did not belong to another man.

He convinced himself that this was for mu Yun's physical and mental health.

In the end, he still walked over to her and said lightly, ” “liangqiu, let's go back.”

His tone was very calm, but his heart was burning with jealousy as if he had caught his cheating wife.

ye liangqiu grunted and looked at lin xingyuan. ” xingyuan, i'll take my leave. ‘ lin xingyuan didn't say anything. he just put his hands in his pockets and watched them.

“ye liangqiu, are you feeling very uncomfortable?” qin anlan's hand suddenly grabbed her finger and he stared at her with an unfathomable gaze.

She also stopped in her tracks and turned to look at him. After a long time, she said lightly, ” I thought you were a jealous husband. Qin Anlan, don't do things that will cause me to misunderstand.

“there's only hope for misunderstandings, isn't that so?” He said ambiguously.

ye liangqiu pursed her lips and didn't say anything.

He went to carry Xiao mu Yun and got into the car. After they sat down, he said, ” “i'll come over in the afternoon to get the report.” ye liangqiu didn't speak to him. she didn't want to talk to him.

“are you thinking of him?” As he drove, he glanced at the rearview mirror and spoke in an unfriendly tone.

Ye Liangqiu pursed her lips and couldn't take it anymore. “Qin Anlan, you've said Zhenzhen yourself.” even if she didn't say what she wanted to say, he knew..

Chapter 1324: Crazy jealousy (2)

In fact, he was the one who lost control, and he knew it clearly.

In this silence, he gripped the steering wheel tightly and drove.

at this moment, the phone on the central control rang, and he answered the call.

the voice on the other end was muffled, and ye liangqiu couldn't quite understand.

However, she could see that Qin Anlan's expression had turned ugly. He even glanced at her through the rearview mirror.

after that, he hung up the phone.

The atmosphere in the car seemed to have frozen.

ye liangqiu's heart sank to the bottom. she guessed that he must have found out something.

however, he kept acting up. when the car arrived at the hotel, he still carried mu yun out of the car. when he looked at mu yun, his eyes were still warm. only when he looked at her could she feel the bone-piercing coldness.

ye liangqiu thought that they really weren't a good couple. no matter what she did, he wouldn't take her seriously.

When they arrived at the hotel, they had lunch in the VIP area on the second floor.

He carried mu Yun back to the room and coaxed the child to sleep.

ye liangqiu had to admit that he was very good to mu yun.

when he returned to the master bedroom, she stood in front of the floor-to-ceiling window and looked at him. her voice was a little calm. "qin anlan, if you have something to say, just say it. "

why don't we start from the 100 million that Tang Yu gave you? " Qin Anlan closed the door, took off his coat, and threw it on the sofa. His eyes were locked on her as he did this.

Ye Liangqiu pursed her lips and looked at him. After a long while, she said, "This wasn't my intention."

"Then what is?" he looked at her. " he has two rh-negative blood banks? It's been seven years. You've never told me, but now you're telling me you have a child. Ye Liangqiu, is this your deal with Tang Yu?"

"Yes!" "100 million. I'll sell you out for 100 million." She looked at him. She looked straight at him and did not flinch.

Qin Anlan's eyes were bloodshot.

he walked toward her step by step and finally stopped in front of her. he reached out and pinched her cheek. "have you thought about mu yun? for a hundred million, you made mu yun carry so much?"

Ye Liangqiu laughed softly, tears flowing from her eyes.”Yes, I did it for money. For money, I don’t even care about my own son.”

His face turned livid.

“ye liangqiu, even if you say that you’re doing this for yourself or for your son, it’s still better than doing it for money.

He was so angry that he reached out and pulled her over, holding her in his arms.

his dark eyes locked onto her. ” you heartless woman! ”

“Yes, I don’t have a heart!” she looked at him. ” qin anlan, ” she said. ” how much better are you than me? ”

she looked at him without flinching, and he was so angry that he could burn her.

In the end, when his anger reached a certain point, he lost control and tore off her clothes.

There was a tearing sound, followed by her broken scream, and she was thrown onto the bed.

he pressed her down tightly, his body against hers, his face against hers.

Their eyes were so close that she was trembling.

suddenly, he bit her lips, making her feel pain. she wanted to break free, but his fingers quickly pinched her cheek and she was forced to open her mouth.

He had invaded her, from inside out, completely.

one by one, the clothes fell to the floor to look at her necklace, and then he threw it out the window.

She screamed, struggled, and cried, but none of them could stop him!

every time she struggled, he would treat her more roughly.

he sank again and again, from the resistance at the beginning to the final welcoming and warm feeling..

Chapter 1325: Crazy jealousy (3)

“ye liangqiu, does it hurt?” he looked at the tears at the corner of her eyes and lowered his head to kiss her, but he tortured her even more wantonly.

ye liangqiu, because i’m in painbecause even though i hate you for lying to me, i can’t bear to leave mu yun.

In this hopeless entanglement, Qin Anlan was forced to make a choice.

he knew what the outcome would be, but he could not choose.

Between emotions and kinship, he would choose kinship.

no matter how much love or hate there was between him and ye liangqiu, mu yun was innocent. he couldn’t give up on qianqian.

during this long period of torture, she was in pain, and so was he. he could even feel that she had never had any other man besides him.

She was as young and inexperienced as the last two times, because her expression only seemed to be in pain and not joy.

and he deliberately didn't want her to be happy, so in this six-hour game, he successfully made her break down and suffer, making her lie in his arms and beg hanhan.

his body, which had been empty for more than two years, was greatly satisfied, but his heart was even more empty.

He was lost.

He did not intend to love her, but he fell in love with her body.

when everything calmed down, he turned to the side and leaned against the head of the bed. he took out a cigarette, lit it, and slowly took a puff. after a while, he lowered his head and looked at her.

Ye Liangqiu was lying on her stomach. Her back was covered in the bruises he had made. It was a ghastly sight.

He knew how hard she had hit him and how crazy she had been. Not only on her back, but also there, he had injured her.

“Can you still get up?” His voice was hoarse and full of desire.

In his heart, he also despised himself a little, just like a male dog with its eyes fixed on him.

she had met countless people in the past, but she was unwilling to get up now.

ye liangqiu moved slightly and gasped.

“You're injured?” He finished smoking the cigarette in his hand and put it out.

Then, he sat up and gently turned her over.

looking at her body, even he was a little shocked by his own rudeness.

he had never been so rough to a woman.

However, her messy beauty had also reached the extreme.

In fact, he didn't even want to let her go. In the end, his rationality won over Yu

Wang.

her fingers touched it gently, and she trembled subconsciously. ” qin anlan. ‘

“Let me see if you're injured.” his voice was a little tense. then, he pressed her down with one hand and checked her with the other firmly.

it was already evening, and the light was yellow. he raised his hand and turned on the light.

the lights turned on, and she felt embarrassed. she turned her face away. “I'm fine,” she said.

He ignored her and went over to check-she was indeed injured.

when she opened her eyes, she was met with a pair of deep, dark eyes.

Their eyes met, and they stared at each other for a long time ...

He didn't look away. He raised his hand and dialed a number. send me a bottle of ointment for external injuries applied to a woman's private part.

Ye Liangqiu was stunned. She glared at him. Qin Anlan, do you still have any shame? "

"You're so shameless. Yingluo has already given birth to a child. Do you still want your face?" He didn't hang up and sneered at her.

she was furious and snatched his phone. " "bring a box of morning-after pills along the way."

The lady at the front desk was stunned.

This pair was really brutal.

however, as soon as she put down the phone, she immediately made arrangements to satisfy every customer's request..

Chapter 1326: morning after pill (1)

When the front desk lady came in trembling, it was the man who opened the door. He only had a small bath towel around his waist.

that figure was really great. his six abdominal muscles were evenly distributed.

it didn't make people feel that his muscles were tangled, but just right.

the lady at the front desk swallowed her saliva and handed over the medicine and morning-after pills. " sir, you called for room service. "

Qin Anlan looked at her and only took the ointment. He did not take the morning-after pill and said in a cold tone, " "Send me ten boxes of condoms." the front desk lady was so scared that she peed her pants. ten boxes?

"Send it over immediately! oh right, i want platinum 0.01, the super thin kind." he said indifferently, saying such embarrassing words as usual as talking about the weather.

The front desk lady was secretly scolding the scumbag in her heart, but she still maintained a smile on her face. yes, Mr. Qin.

Qin Anlan did not look at her again and directly closed the door.

the door almost hit the beautiful front desk lady's nose. she stood there for a long time and said hatefully, " "So what if you have a lot of money! If you have the ability, then throw money at me!"

Qin Anlan entered the master bedroom with the medicine. Ye Liangqiu was no longer on the bed.

He heard the sound of water in the bathroom, so he slowly walked over.

She was taking a bath.

Qin Anlan leaned against the door and watched for a while before he walked in.

He sat on the edge of the bathtub and handed her the medicine. apply it yourself.

Ye Liangqiu took it, but didn't wipe it. Instead, she washed her body with water. He had to admit that this was the most alluring scene he had ever seen.

she was slender and fair, and her body was slender to the right. every inch of her body was perfect.

After a long time, she looked up at him and said, "don't you hate me?" you don't need to care so much."

He stared at her body and said slowly, " "ye liangqiu, i've asked the front desk to prepare ten boxes of condoms. So I advise you to apply some medicine."

"You're shameless!" she covered her body and glared at him.

However, he grabbed her hand and raised it high to tease her.

he squinted at her with his dark eyes and a cold smile appeared on his face."ye liangqiu, you didn't think this would be the result? Why did we break up back then? wasn't it because we couldn't control ourselves and slept with each other?" she was stunned after he finished speaking.

He too, was stunned.

it took a long time for him to digest his own words. perhaps it was more instinctive for him to say those words in anger.

They looked at each other for a long time before he coldly said, " ye Liangqiu, do you think that we won't sleep together? " "i can!" She said firmly.

"but i can't do it," he said with a smile.

She stood up from the water and slowly wiped her body clean with a bath towel without any intention of covering herself. She then applied medicine.

her movements were very soothing, very elegant, and pleasing to the eye.

Qin Anlan had seen many women act coquettishly and ask for benefits or cry that it was their first time. However, ye Liangqiu had always been different.

His eyes were a little hot as he looked at her in a daze.

Qin Anlan, what do you think is the most important thing in marriage? " She lowered her eyes and asked softly.

He pursed his lips. feelings.

"you don't have to be afraid of provoking me! You want to talk about love, right?" after she finished applying the medicine, she put it aside and put on a thin bathrobe. she closed it and tied it up, looking at him.. " what about you and pei qiqi? if you love her, why did you sleep with someone else? "

## Chapter 1327: morning after pill (2)

He was speechless.

“because you’re not horny.” Ye Liangqiu laughed. a marriage without sex is an incomplete marriage. Qin Anlan, how long are you going to lie to yourself? ”

“ye liangqiu, don’t interfere in my life.” He unhappily said, “don’t think that Yingluo”

Before he could finish his sentence, she coldly interjected, ” “Don’t think that you’re being spoiled just because I climbed into your bed, right?” she laughed coldly. ” qin anlan, you’ve overestimated yourself! ”

She slowly walked into the bedroom, and he actually followed her.

ye liangqiu took out a box of medicine from the bedside table. it was morning after pill.

she swallowed one and drank some water.

the entire process didn’t have the slightest bit of difficulty.

Qin Anlan’s heart tightened. you don’t want to have my child just like that? ” “i’m scared, qin anlan.” “you’re not the only victim,” she said, sounding a little tired.

Where were her feelings? she had been pregnant with his child for four months and had endured the pain to film.

She had to finish the shoot before she could safely give birth to the child.

she knew that if she didn’t keep a few works, KING entertainment wouldn’t pay attention to her if she wanted to make a comeback in the future.

He had no idea how many sacrifices she had made to achieve her success. He had no idea how much pain she was in.

Perhaps he did like her, but his love was shallow and selfish.

he dominated everything and did not allow her to have her own thoughts.

when he was happy, she was his little cool autumn, his pillow and sleeping pill.

if he wasn’t that happy after he did it with her, he could tell her to leave and say that they would never be together.

it had been so many years, when had she ever hoped for that?

Not even once!

the way she looked at him was a little unfamiliar.

‘ if you like him, ” qin anlan suddenly said, ” why did you come back to me? ”

“because i can’t choose.” She threw him a document. Qin Anlan, go and ask what your mother did to me. go and ask her why she had a heart attack a year ago. go and ask her if she already knew about mu yun’s existence.” qin anlan was stunned.

he couldn’t believe it.

Did his mother know about mu Yun’s existence?

“why didn’t she tell me?” his voice was a little tense.

Ye Liangqiu looked into his eyes and smiled faintly. Her voice was also calm. ‘ because mu yun is a sick child. she’s not worth telling you. ‘ that’s why you told her that I got married in new York? ” he closed his eyes.

She didn’t answer directly but said something else, ” ” qin anlan, when your mother was hospitalized, mu yun was also hospitalized. the reason was that your mother forcefully took mu yun away, causing mu yun to be injured. ”

Qin Anlan looked at her for a long time before he said bitterly, ” ‘You hate me, don’t you?’”

“a little.” she spoke bluntly and looked into his eyes. ” qin anlan, we’re even. ‘ he looked at the unfamiliarity in her eyes. he looked at those emotionless eyes and suddenly missed the her from the past. he missed her soft appearance in his apartment.

It was only then that Qin Anlan realized that the ye Liangqiu of the past was no longer there.

He was the one who chased her away.

His voice was almost trembling, ” “Do you love him?”

“i like him.” She answered him very seriously. There were some words that she had never said to Lin Xingyuan before, “if you didn’t appear, i think i would have married him and lived a peaceful life.”

“you’re willing to live a plain life?” qin anlan clenched his fists..

Chapter 1328: morning after pill (3)

she was standing so high up, could she bear to give up everything?

when he had frozen her in the past, he had only wanted to dampen her spirit. he had never thought that she would give up.

She was a natural superstar and deserved to stand in the most dazzling place.

Ye Liangqiu’s eyes became a little fanatical.

He didn’t understand her, but she knew him very well.

“qin anlan, do you think that’s important to me?” she laughed softly.

“I think that’s the place you should be standing.” He said calmly.

She had no idea how dazzling she was on the big screen. He had watched countless of her films, collected them all, and even endorsed her in every commercial.

Ye Liangqiu raised her head, tears streaming down her face. She tilted her head and looked at him.”what do i want fame and fortune for? I’ve never wanted these things.” she almost growled out the last sentence.

And he was stunned.

She wiped her tears. you won’t understand.

To her, the entertainment industry was just for survival. When there was no pressure to survive, she didn’t want to stay in the colorful industry anymore. The more prosperous it was, the lonelier she would be.

she didn’t love lin xingyuan, but she liked him. she felt that she would be happy with him.

Qin Anlan, you don’t have to be on guard against me. You dont have to worry that I’ll get between you two because I’m not interested in ran ran. She smiled bitterly. if your heart dies, you won’t be able to live.

Her love had long been ruined that year. He made her take morning-after pills and made her leave.

He didn’t want her.

qin anlan looked at her intently. at this moment, the doorbell rang.

He glanced at her and went to open the door.

It was the front desk lady who had sent the morning-after pill, Qianqian. mr. qin, the 0.01 platinum kamamoto you asked for is in ten boxes of ten. ‘ The receptionist was smiling, but she was thinking, ” use it, i’ll use you to death!

Qin Anlan reached out and took it, then closed the door expressionlessly.

the front desk lady’s nose was almost hit again.

her face was dark as she thought that she was rich. so what?

qin anlan took the ten boxes and threw them on the bedside table.

ye liangqiu pretended not to see wufu.

Qin Anlan stood in front of the floor-to-ceiling window and smoked. After a long time, he said softly, ” “Ye Liangqiu, did you ever like me?” she looked at his back, lowered her eyes, and smiled.”i don’t like it anymore.”

“You’re lying.” “If you don’t like me, why do you still want to sleep with me?” he asked.

“can’t you have other purposes?” She retorted.

he didn't say a word.

ye liangqiu slowly lay down on the bed and said, " qin anlan, i'm just an ordinary person. just treat it as a physiological need and treat it as a show. "

She said it nonchalantly, but he was burning with anger.

putting on an act?

"If it wasn't for me, would you have looked for someone else when you had a physiological need?" After he finished speaking, he took a deep puff of his cigarette.

Ye Liangqiu chuckled. Zhenzhen probably will.

"Ye Liangqiu, you dare?" he asked, his body frozen.

"Qin Anlan, if I get married one day, do you think I'll be like you and get married without sex? You think that kind of marriage is normal?" She said mockingly, deliberately provoking him and sprinkling salt on his wound.

qin anlan narrowed his eyes. however, he really did not seem to be able to do anything to her. at this moment, his phone rang.

Qin Anlan picked up the call, and his expression turned ugly. I have to go back to B city..

Chapter 1329: His choice (1)

ye liangqiu's gaze fell on his face. after a long time, he smiled.

Qin Anlan felt a stab of pain in his heart. He kept feeling that her gaze was mocking him.

However, he didn't have time. After taking a look at her, he started to get dressed.

Ye Liangqiu was a little tired. She lay flat and closed her eyes.

from the beginning to the end, she did not even look at him.

When Qin Anlan left, his gaze was a little complicated. He looked at her as if she was asleep.

but in the end, he still left xuanji.

Before he left, he went to see mu Yun. He ruffled his hair and asked him to take care of his mother.

mu yunduan sat on the sofa. " what's wrong with mom? "

Qin Anlan paused for a moment. mommy is a little tired.

Xiao mu yun jumped down from the sofa and walked to the door of the master bedroom. she saw that the room was in a mess.

He was a mature child and knew that his mother had been bullied by his father.

She raised her head and looked at Qin Anlan. Her little expression was a little uneasy. will daddy come back? "

Qin Anlan's heart softened. This child was real. He was very sensible and sensitive.

he squatted down. he hugged mu yun and said patiently, "i will definitely come back! father will be back tonight."

Xiao muyun's little arms were wrapped around his neck as she hugged him tightly. her slightly cold little face was pressed against qin anlan's face as she said in a soft voice, "will daddy not want mommy?"

Qin Anlan's body trembled. He lifted his son's little face and looked at him seriously-

A seven-year-old child knew far more than they could imagine.

he had already struggled with it before. now that Xiao mu yun had asked this question, he already had an answer in his heart.

hence, he rubbed the little guy's head. "of course not. "

the little person in his arms hugged him even tighter and hugged him even more tightly. after that, she even kissed him on the cheek.

after the kiss, Xiao muyun's face turned slightly red. she refused to let qin anlan look at her and hugged him. her voice was extremely shy as she said, "daddy, i've only kissed you before. " in other words, she had never even kissed uncle lin!

Qin Anlan's heart was filled with sweetness and an indescribable comfort.

This little guy was as awkward as ye Liangqiu, but he was quite cute.

At this moment, he even did not want to stay in B city anymore.

To help others and to help oneself.

However, he was always worried about Qiqi. She had no money on her. Would something happen to her?

She reached out to take the little guy off her arms and pressed him down.

daddy will be back soon.

Xiao muyun nodded her head gently. her eyes were filled with tears. that little look of hers made qin anlan's heart melt.

(Ye Liangqiu doesn't know how to act coquettishly, but ye Muyun's skill ignited the rhythm of Qianqian's ability to grab Qin Anlan in her hands at any moment.)

He touched his son's head again before leaving.

The door closed and ye mu Yun walked into the bedroom.

the little one carefully picked up her mother's clothes one by one and folded them (although they were a little tattered). sigh, she was so sensible. she was worried for the adults.

Ye Liangqiu hadn't fallen asleep, and his voice was very soft."mu yun, he left?"

Xiao mu yun climbed onto the bed and lay beside her mother. she hugged her mother with her small hands.

That soft little hand made one feel very, very comfortable. There was a kind of warm feeling.

The little guy looked up. daddy? ”

ye liangqiu sometimes felt a headache when it came to this son of his. he matured so early that he didn't seem like a seven-year-old child, and his mind was enough to communicate with adults. he was unwilling, but he still nodded. Xiao mu yun nodded. ” yes, but daddy said he would be back tonight.. “

Chapter 1330: His choice (2)

He called her father so quickly that ye Liangqiu couldn't help but ask,”Muyun, if one day, mommy leaves daddy, Wanwan ...”

Xiao mu Yun raised her little face and looked at her intently.

ye liangqiu couldn't continue asking. she pursed her lips and said, ” forget it, mom won't ask. ‘

Xiao mu yun lay back down and patted her back with her little hand. she coaxed her like a little adult. “Mommy, go to sleep. I'll watch mommy Sleep.” Ye Liangqiu laughed, but her heart was filled with an indescribable warmth.

after a long while, she smiled gently. ” our mu yun is a little warm man. ”

Xiao mu Yun's little face was a little red. He was not warm at all!

he was cold to everyone, and he only wanted to protect his mother, yingluo.

However, the little warm iceberg man did not expect that he would encounter his little custard bun later on.

as long as she looked at the custard bun, her heart would melt, and she would be willing to give her everything she liked.

Ye Liangqiu had fallen asleep.

She was in a deep sleep and ye mu Yun kept watching the time.

at nine o 'clock in the evening, he secretly picked up his mother's phone and sent a message to his father.

‘Mu Yun is not feeling well. Come back soon.’ Cool autumn.

The little guy waited for ye Liangqiu's message, but it didn't come. He was a little hungry, so he found some food and fell asleep next to ye Liangqiu.

meanwhile, in B city.

Qin Anlan found PEI Qiqi on the streets of B city.

Originally, he was going to take her to the apartment before leaving, but he received a message.

He lowered his head and looked at the message for a long time. When he looked up at PEI Qiqi again, his gaze was complicated.

after a long time, he looked at KIME and said, " please send Qiqi to her apartment. Call me when you're there.

Kime's body trembled and he subconsciously looked at Qin Anlan's phone.

he seemed to have realized something, but he couldn't believe that boss qin would really give up on pei qiqi for ye liangqiu.

"i will," he nodded after a moment of hesitation.

qin anlan slowly walked in front of pei qiqi. her long hair was a little messy from the night wind.

He stretched out his hand, straightened her hair, and pressed on it.

At this moment, PEI Qiqi also saw the Hickey on his neck.

she stared at him. his voice was a little hoarse. " qiqi, stop looking. "

he let go awkwardly. " give me a call when you reach the apartment! Pay attention to your own safety and don't run around."

"i'll be back soon," he said after a pause.

PEI Qiqi looked up at him. Her eyes were especially bright in the dark, so he didn't dare to look.

he lowered his eyes. " get in the car. i'll watch you leave. '

' oh, " pei qiqi replied and took two steps back.

They looked at each other in the night wind. They both knew that this was probably the last time they would be so close to each other.

He had a woman, and she had also met a man who made her lose control.

she didn't want to think about her past with an Ian, because he had been her family for the past two years.

She didn't want to add all those unbearable things to their relationship.

She wanted him to be well, and she wanted her to be well.

"an Ian, i'm fine." she looked at him and smiled faintly under the moonlight. " i'm fine. '

She even turned around in a circle, looking relaxed and happy.

Qin Anlan's gaze deepened. Did you know that the happier you are, the less I'm in your heart?

You care about me, but you care about whether I'm living well or not, whether I'm happy or not. But you've always felt that you don't have the ability to make me happy..
