Chapter 1341: the person he truly loves (part three)

Seeing him like this, Kim stopped talking.

Qin Anlan closed his eyes to rest. At this time, they were on the way to B city's airport.

At five in the afternoon, the road was a little congested, and the car stopped.

suddenly, the chauffeur's voice turned serious."president qin, the brakes don't seem to be working."

Qin Anlan opened his eyes in a daze.

the car wasn't driving very fast, but they were on the road and could be in danger at any time.

"I just sent it for maintenance two days ago." The driver's fingers gripped the steering wheel tightly, his eyes focused on the road ahead, his entire body tense.

Qin Anlan frowned and pursed his lips into a straight line. drive out and try not to bump into other cars. Pick a Green Belt and stop the car.

the driver was a little hesitant. at this time, his forehead was covered in fine sweat, and so was his back.

Even if the car stopped at this speed, no one could say for sure if they would get hurt.

but there was no other way!

looking around, he finally picked a direction and drove straight in that direction.

She subconsciously stepped on the brakes, but the brakes collapsed .

the car lost control and crashed into the green belt.

the car tilted forward, then lifted up, and finally reversed. the wheels spun a few times before it came to a stop. the front hood was smoking, and the car was badly damaged.

qin anlan's body also leaned forward violently. after a violent collision, he finally stabilized himself.

he took a deep breath and moved his body around. feeling that there was nothing serious, he said slowly, " just say that i'm injured. "

yes, I understand, " Kim nodded.

qin anlan touched his forehead. " this is definitely related to mr. su. " That was why he had never thought that marrying su Cheng would change anything. An hour later, Qin Anlan arrived at Sheng Yuan hospital for emergency treatment.

Meanwhile, the media swarmed over like sharks that had smelled blood. They surrounded Shengyuan hospital and reported on the car accident that had happened to King Entertainment's CEO, Qin Anlan.

KIME stood in the vip ward and said in a serious tone, " " president qin, i've indeed found out that mr. su has been secretly buying KING entertainment's shares. but from the looks of it, KING entertainment's foundation hasn't been touched, so he can only do small things and can't change anything. '

Qin Anlan narrowed his eyes and his gaze fell on an unknown place in front of him. He sneered. he finally can't hold it in anymore.

President Qin, Mr. Su used to be conservative. After all, Asia TV is enough for him to gain a foothold in the entertainment industry and he has always been on good terms with the Qin family, " Kie said.

Qin Anlan looked at him and said slowly, " do you know why my father abandoned his wife and child back then? " I'm done.

su? " kie was stunned for a moment. he didn't expect president qin to have such a private conversation with him. did this have anything to do with mr. su? qin anlan continued, " that woman back then was my father's first love. she left for so many years and suddenly returned. could it be a coincidence? " He had checked and everything was arranged by Mr. Su.

he didn't tell his mother about this. the past couldn't be changed, so why should he be sad?

that year, when his father left and took away a large amount of money, mr. su helped ming to acquire KING entertainment, but his mother didn't agree and held on.

After all these years, teacher su had never given up.

qin anlan had to settle this score with him.

Late, early, let's do it together, Yingluo.

KIME was a little stunned. he said with some difficulty, " President Qin, are you saying that all these years, Mr.. Su has been the one who has been going against King Entertainment? "

Chapter 1342: the person he truly loves (part four)

Qin Anlan nodded.

He paused for a moment before saying, 'go and spread the news that I have a concussion. I might need to stay in the hospital for a week.' &Nbsp;

KIME was a little surprised. after a long while, he said hesitantly, " " but president qin, this will definitely cause KING entertainment's shares to fall. '

then buy back in bulk. " qin anlan's gaze was a little far-reaching. " do it discreetly. don't let mr. su find out. also, find a breakthrough point for normal asia television. ' he would not just sit and wait. he would definitely fight back.

yes. Kime nodded.

“mr. su will definitely propose a marriage again.” qin anlan’s gaze was unfathomable. he picked up the documents at the side. ” this is for my mother.

KIME took it, but before he left, he added, ” “President Qin, do you want to inform miss ye about your injury?”

In fact, there wasn’t any injury. It was just a slight sprain in his arm. However, Kime felt that this was the best time to improve his feelings.

qin anlan glanced at him and said in a deep voice, ” “Do you think it’s appropriate for her to come at this time?” KIME was rebuffed and did not say anything.

qin anlan’s voice softened. ” give me the phone. ‘

‘ okay. ” KIME nodded and passed the phone to him.

Qin Anlan wanted to make a call, but he realized that Kime was still standing there.

“what are you still standing there for?” he asked with a smile.

KIME touched his nose and left.

when qin anlan was alone in the ward, he looked at his phone and swiped his finger, but he did not make a call for a long time.

five minutes later, he called ran ran.

Ye Liangqiu answered the phone. Her voice was warm and soothing.

Qin Anlan’s impetuous mood calmed down a lot. His voice was low and slow. I won’t be back tonight.

“oh!” She only threw him one word.

Qin Anlan snorted, ‘you’re really a man of few words! ye liangqiu, are you also like this when you’re facing lin xingyuan?” president qin, when you face pei qiqi, you’re also much gentler than when you face me! ” She suddenly became very mean.

qin anlan reached for the glass of water beside him and was about to drink it, but he spat it all out!

He frowned and looked at her. ye Liangqiu, can you be gentler? ”

“i can’t remember these two words when i’m with president qin.” Her tone was a little awkward.

Qin Anlan looked out of the window. As he watched the dark night slowly descend and listened to her awkward little feelings, his heart softened.

her voice softened as she said, ” liangqiu, i’ll be back in a few days! ‘ in a few days?

she caught the meaning behind his words and bit her lip. after a long time, she asked, ” “qin anlan, did something happen to you?”

“you care about me?” He naturally continued.

ye liangqiu snorted. ” in your dreams. ‘

“Ye Liangqiu, I’m fine. It’s just that there are a few new people in the company.”

He suddenly said.

however, after he said that, the other side didn’t say anything.

he waited for a long time, but other than hearing her light breathing, she did not say a word.

Qin Anlan’s heart actually beat faster. He coughed lightly. “I was just joking.” this was probably ran coaxing her, right?

after he finished speaking, he felt his heart beat even faster as he waited for her reaction.

After a long time, she finally said,”do as you wish.” &Nbsp; he hung up the phone after saying that.

qin anlan looked at his phone. he was angry just like that?

However, he still called back shamelessly. It didn’t pick up once, so he called a few times.

she seemed to have finally reached the end of her patience.. ” qin anlan, what are you trying to do? ‘

Chapter 1343: Ye Liangqiu’s past (1)

! You should know what I want to do with Yingluo! “He replied seriously!

this liul buzzzzzz!

ye liangqiu admitted that her face was red.

she covered her face and tried to sound as cold as possible.”aren’t there a few new people?”

i have a wife and a child now, ” he coughed lightly. ” of course i can’t be casual anymore. ”

“Yes, you still have PEI Qiqi.” she was constantly reminding him of his stupid actions. qin anlan endured it and said in a gentle voice, ” “Where’s mu Yun? I’m talking to him.”

ye liangqiu glanced at lin xingyuan and Xiao muyun, then cleared her throat. he’s playing with building blocks with xingyuan. he might not have time to answer your call. ‘ qin anlan was mad with anger ...

He was thinking about the mother and son, but she was fine. The moment he left, Lin Xingyuan came to the door.

“ye liangqiu, don’t forget your status.” He pretended to be cold, his fingers holding the phone.

“I’m sorry, President Qin. I don’t think I’m married,” ye Liangqiu said coldly.

qin anlan’s voice was deep and carried an unknown anger. ” we have a child. ”

‘ qin anlan, i gave birth to him. it has nothing to do with you! ” She was probably muddled with anger, and her words were like his, incoherent.

“without me, would you have given birth to mu yun? Do you want me to use your fingers?” He asked shamelessly.

Ye Liangqiu slammed the phone down. as soon as she looked up, she saw lin xingyuan’s thoughtful gaze. her face was a little hot. ” what are you looking at? ”

“Liangqiu, you’ve put on some weight recently,” Lin Xingyuan smiled.

She touched her face and was a little suspicious. did I? ”

His gaze was deep, but he did not say ...

‘liangqiu, did you know that even when you’re arguing with qin anlan, your entire body and face will be glowing? your eyes will be especially bright. you’ll be the real you then.’ you’ve always had him in your heart, but you just don’t want to admit it.

Perhaps, it’s something I’ve never wanted to admit.

Lin Xingyuan smiled faintly, ” yes, I’ve gained weight.

he looked at her warmly and said,”liangqiu, if yingluo still likes him, why don’t you go with yingluo?”

He didn’t finish his sentence, but she understood.

Ye Liangqiu’s heart was a little sad for Lin Xingyuan.

She touched her neck with her fingers. The ring that Lin Xingyuan gave her was there.

She had to admit that she was a coward.

she did not dare to love anymore. she would rather live a peaceful life. lin xingyuan could give her that peace.

Lin Xingyuan looked at her dazed eyes and smiled bitterly. He slowly walked over and reached out to untie the chain around her neck. He said lightly, ” “liangqiu, i regret it! i think i should give this to another girl. you have to understand yingluo’s pain as a doctor with a low income.” Ye Liangqiu snatched it away. Lin Xingyuan, do you have to do this? ”

She put it on childishly. “Since you gave it to me, it’s mine.”

“he was in a car accident.” lin xingyuan looked at her and suddenly said, ye liangqiu raised her eyes and looked at him.

“you might not have seen the news this afternoon.” lin xingyuan smiled bitterly. ” he can’t come back because he’s in the hospital. ‘

ye liangqiu stared at him for a few seconds, then searched on her phone. as expected, the entertainment headlines were about qin anlan’s hospitalization

A concussion?

she was stunned.

“Let’s go and take a look!” lin xingyuan carried Xiao mu yun. ” the little one misses her daddy too.. ‘

Chapter 1344: ye liangqiu ‘s past (2)

Ye Liangqiu’s eyes were still fixed on the phone screen, and her fingers clenched tightly around the phone.

After a long time, she carried Xiao Muyun and hugged her tightly.

lin xingyuan took the child from her. ” i’ll send you to the airport. ”

she was a little surprised. lin xingyuan smiled and said, ” i’ve already booked the plane tickets. ” ye liangqiu looked at him for a long time before softly saying, ”xingyuan, thank you.”

Lin Xingyuan carried Xiao mu Yun with one hand and hugged her with the other. He was also full of boyfriend power.

at night, the car was driving on the highway. he looked at the person behind him through the rearview mirror.

Xiao mu Yun had already fallen asleep. Her little face was tilted on her mother’s shoulder. Ye Liangqiu was looking out the window, deep in thought.

lin xingyuan’s fingers gripped the steering wheel tightly, and his lips were pursed into a straight line.

He drove all the way to city H’s airport.

he had bought some food for Xiao mu yun and placed it in the trunk of the car.

he then passed it to ye liangqiu.”Give him some when he wakes up.”

Ye Liangqiu had many things he wanted to say to him, but he couldn’t say a single word.

lin xingyuan sighed, ” go quickly! No matter if it’s for mu Yun or for myself.” “i’m doing this for mu yun.” she looked at him and then lowered her head.

it was rare for her to be like this. lin xingyuan smiled and said, ” “Liangqiu, when you lie, you don’t even dare to look people in the eye, do you know that?”

she immediately looked up at him.

Lin Xingyuan laughed again. He reached out and ruffled mu Yun’s hair. ‘ alright, go quickly. we’ll be in B city soon.

“Xingyuan,” She called his name.

He had already turned around, but he slowly turned around and smiled warmly. Liangqiu, I’m still there! if you’re not happy in B city, then go back. Do you know that?”

He reached out and patted her head, as gentle as an older brother. "go!" he ordered her to withdraw her hand and to leave.

He told himself that she still liked Qin Anlan, and Qin Anlan obviously liked her too.

He loved Liang Qiu, not because he wanted her, but because he wanted her to be happy.

the only person who could make her happy was qin anlan.

In the airport late at night, in the crowded waiting room, Lin Xingyuan gradually walked further and further away.

ye liangqiu's hand gently lifted, but in the end, it fell again.

Xiao mu Yun looked at Lin Xingyuan's back in confusion and asked in a daze, "Mom, Uncle Lin isn't coming with us?"

Ye Liangqiu didn't answer. She hugged her son and said, "go in!

at the shengyuan hospital in B city.

late at night, an uninvited guest came to qin anlan's ward.

It was su Cheng.

Su Cheng carried her backpack and was dressed in bright clothes.

She asked her assistant to stand outside and walked in. She bent down and kissed Qin Anlan on the cheek. Her voice was crisp and clear."brother an Ian." Qin Anlan opened his eyes and looked at su Cheng. it's you!

he sat up halfway and supported his forehead with his hand. "why did you come so late?"

su Cheng sat on the small sofa beside his bed and played with her nails. "Dad told me to come and see you. He said Yingluo."

She kept him in suspense.

qin anlan laughed lazily. "chengcheng, if you're smart, you'd have married yourself off earlier. you wouldn't have to force yourself. 'in the past, the two elders of the su family had forced him to drink strong alcohol in order to force su Cheng to marry him. however, to him, this was just child's play.. besides, the two elders of the su family probably did not expect that su Cheng, who they had raised painstakingly, was actually the same

person!

Chapter 1345: Ye Liangqiu's past (3)

su Cheng peeled a fruit for herself and stuffed it into her mouth. "i'm not getting married!" she said, smiling. i want to keep brother an Ian tied up.

brother an Ian, you don't even know how useful you are."

Qin Anlan's face darkened. He looked at her for a while before he smiled. really?

he paused for a moment. ” then why did you go and provoke ye ling in the past?

su cheng’s expression changed. she looked at qin anlan and asked carefully, ‘

“so many years have passed, why are you suddenly asking this?”

in the past, brother an lan had never asked about it. now, was he suspecting something?

Qin Anlan smiled faintly. you should know about my relationship with ye Liangqiu. Ye Rou is her younger brother. Chengcheng, or do you think I shouldn’t ask? ”

su Cheng was a little restless. she looked at qin anlan for a long time before she said softly, ” ”
brother an lan, are you in love with her? ”

“chengcheng, i’m asking about you and ye zhi.” He answered her very seriously.

su Cheng looked at him, her eyes wide open. there was a hint of hurt in her eyes.

However, Qin Anlan was unmoved.

“because he was the most handsome boy at that time!” su Cheng was being unreasonable and her voice became louder. ” i like him, but i didn’t expect him to rape me! ” she lowered her head and played with her fingers, not saying a word.

“Is that really the case?” qin anlan’s voice was deep. ” why did you humiliate him after that? ‘

su cheng’s voice was soft and she protested, ” brother an lan, how can i remember something that happened so far away? ‘ she hugged his arm and acted coquettishly. there was no warmth in qin anlan’s eyes.

he had a feeling that it was not that simple. su Cheng was gay, and he had only found out about it recently.

In that case, why did she still express her feelings for ye Xiao back then?

shouldn’t it be indifference?

he pursed his thin lips and looked at su cheng. just as he was about to say something, the door was pushed open.

he raised his eyes and his gaze froze for a moment.

Ye Liangqiu was standing at the door.

she hugged mu yun and looked at su Cheng holding qin anlan. su cheng’s face was filled with the shyness of a young girl.

And now, it was late at night.

Ye Liangqiu looked at him and su Cheng and gave-faint smile.

It seemed that she had come at the wrong time, or rather, she should not have come.

just as he was about to leave, su Cheng let go of qin anlan's arm and said in a sweet voice, sister liangqiu, you're here."

she walked over and looked at mu yun in ye liangqiu's arms. her voice softened.

mu yun is here too? "

"Big brother an LAN, I'll be leaving first."

she paused for a moment and said, "you should stay here longer. otherwise, my dad will find you and discuss our marriage again."

Qin Anlan's gaze fell on ye Liangqiu's face, but his words were directed at su

Cheng. "you should worry about yourself!"

Su Cheng smiled, a little slyly.

however, he left without hesitation.

she left, but ye liangqiu was still standing there. qin anlan frowned. " "isn't it tiring to hold mu yun like this?"

seeing that she was not moving, he simply lifted the blanket and walked over to carry Xiao mu yun and placed her on his bed. he then went into the bathroom to wash his face.

after dealing with so many people for half a day, he was also a little annoyed.

Ye Liangqiu followed him in and sized him up."It looks fine!"

He hummed in agreement.

"And I came at the wrong time. With a beauty by your side, President Qin must be very comfortable in this hospital.' qin anlan washed his face and looked up at the woman behind him in the mirror..

Chapter 1346: Ye Liangqiu's past (4)

she was dressed simply, but it could not hide her beauty. moreover, she was sulking at him, which was rare, and she looked a little cute.

qin anlan smiled and reached behind her to pull her over.

She was placed in his arms. She was a little embarrassed and angry. Qin Anlan, what are you doing? "

"I miss you a little." He hugged her with both hands, holding her in his arms.

He lowered his head and kissed her neck, leaving a kiss behind her ear.

qin anlan, this is the ward! " Her voice was trembling. mu Yun is still outside. "Then lower your voice." He said shamelessly as his fingers undid her shirt one by one.

He held her and began to tease her slowly. Ye Liangqiu bit her lip and said in a trembling voice, " Qin Anlan, Zhenzhen, let me go.

At this time, he had already gotten his way. He leaned on her back and nibbled on her small neck. His voice was extremely hoarse. "You're the one who won't let me go, do you feel it?"

He was shameless!

Ye Liangqiu struggled with all his might, but in the end, he was no match for him, and his body fell limply to the ground.

he reached out to scoop her up and kissed her, smiling like a spring breeze.

no matter how fierce she was usually, she would be as soft as water at this time.

His voice was low and hoarse. Liangqiu, you missed me too, didn't you? "

"no, i didn't!" She gritted her teeth and did not allow herself to make such embarrassing sounds, but he deliberately tortured her until she completely let go of him.

On the other hand, Qin Anlan seemed to have endured it for a long time. He did it four times in a row and was too lazy to even change his posture.

in the end, he bit her delicate neck lazily and slowly. " liangqiu, we'll go back to city H tomorrow. " although his voice was lazy, it carried a hint of command.

ye liangqiu woke up, her body frozen. "Are you afraid that I'll ruin your plans?"

He was a little annoyed and ended it hastily.

he leaned on her back and waited for a long time before he said gently " the situation is unstable now. i'm more at ease with you and muyun in city H. " he picked her up and brought her to the shower to take a shower.

at this time, she had already gone soft and fell on his shoulder, her body still trembling.

Qin Anlan could not help but kiss her and smile. how useless.

she came back to her senses. " i'm not here to sleep with you. "

we didn't have sex, " he said, picking on her words. Liangqiu, we were just having sex.

She reached out to hit him, but he dodged and looked at her with a burning gaze. "didn't you come here because you were worried about me?"

"You're thinking too much," At this time, she had already recovered her strength. She pushed him away and went to the changing room to put on a bathrobe. Then, she slowly turned back and looked at him. "Seeing you like this,

I don't think I should have come."

is it because i'm not injured or because of su Cheng? " He leaned against the door, his eyes focused.

His body had never been full before. He was a little lazy and wanted to sleep. Of course, it would be best if he slept with her in his arms.

ye liangqiu awkwardly turned his head away and ignored him.

He slowly walked over and lifted her chin. is it because of su Cheng? ‘

“No.” it was just that she had answered too quickly, so there was more or less a feeling of trying to cover it up.

Qin Anlan looked at her small face and did not ask any further. Instead, he smiled gently.

“you’ve been busy all day, go to sleep.” he released her.

she was unwilling. ” mu yun will wake up later.. “

Chapter 1347: ye liangqiu ‘s past (5)

Qin Anlan looked at her and coughed lightly. “I’ll coax him later.”

Right now, he really wanted to hug her and sleep. After so many years, he was also a little tired.

in the end, she was dragged to the bed by him. the poor Xiao mu yun was carried to the sofa at the side. the big bed was occupied by her frivolous father. her mother was also occupied by her father.

qin anlan lay flat and watched ye liangqiu take the medicine. when he saw what medicine it was, his face darkened. “Why are you still eating this? aren’t you afraid of hurting your body?”

he smacked away the medicine in her hand, but ye liangqiu picked it up and swallowed it.

Qin Anlan’s face darkened as he looked at her. I’ve already given birth to one.

What’s the difference between giving birth to two and one? ”

‘ of course there is. if you have one, you’re young and ignorant. if you have two, you’re stupid. ” her face was a little bitter as she took a sip of water.

qin anlan’s initial romantic thoughts were completely destroyed by her. he looked at her and said, ” “You already look stupid enough now.” he lay down with his back facing her, a little upset.

ye liangqiu also lay flat on the bed. ” aren’t you stupid? ‘

His back stiffened, and he waited for a long time, but she did not say anything.

He simply turned his body and hugged her, using his legs to hold her. His arms also wranned around her. hugging her tightlv. ves. I’m verv stunid right now.

she opened her eyes and looked at him. ” qin anlan, i can’t afford to play your game. ‘

“then, what is this now? What about the four times we did in the washroom just now? was it just your biological needs?” he stared into her eyes, a little aggressive.

“what about you?” ye liangqiu asked.

“Because I want you,” he said as he held her face with one hand.

she gave him a kick.

qin anlan finally sobered up a little. he had lost control just now.

He clearly didn't want her to come, he clearly didn't want her to be involved.

He still wanted to send her away the next day, so he pursed his lips and said, ' I'll get Kime to send you guys away tomorrow.

"Qin Anlan, in your heart, Muyun and I can only stay in city H, right?" her body was a little cold.

She said it tactfully, but the meaning was clear.

Would she never be ye Liangqiu in his spouse column? mu yun will always be an illegitimate child?

Qin Anlan looked at her. for the time being, it's better for you guys to stay in city H.

because you're going to marry su Cheng, right? " She was not completely clueless ...

Xuxu looked at Mrs. Qin's attitude and sister Ying's news. She always Imew that the SU and Qin families were preparing for a marriage alliance. However, no one thought that PEI Qiqi would appear in the middle.

Qin Anlan sat up and looked down at her. Liangqiu, if you want something, you can just tell me. I'll give you whatever I can."

"I don't want anything. Even if I do, you can't afford it." she smiled. " do you think i want to get married? no, i never wanted to. " she sat up and looked at the night sky outside.

What she wanted was just respect, not to be ordered around like a kitten or puppy. When he needed her, he could give her what he could. When he didn't want her, she had to leave obediently. the two of them were separated by a wall of a wealthy family. she couldn't enter, and he didn't come out for her.

Such a relationship is too fragile, Yingluo.

He looked at her and knew that she didn't trust him. However, he couldn't say that much to her now.

he would rather she leave, leave the place of trouble ...

for the first time, he wanted to protect her.

Not for mu Yun, but for her. Because she was his one cool autumn Kasaya..

Chapter 1348: Ye Liangqiu's past (6)

su Cheng was sitting in a white sports car parked outside the hospital.

she leaned back in her seat and looked at the cigarette between her fingers.

She's back, Yingluo.

Su Cheng raised her head, gently blew out a ring of smoke, and came back.

“Sister Cool autumn, what can I do to you?” Su Cheng put out her cigarette and said in a devilish tone, “you forced me to do this.

In this world, we should have been able to co-exist, but why do you keep appearing?

You’re forcing me again and again?

This was not cute at all. Su Cheng’s smile was a little strange.

She made a call, and the call went through. It took a long time before someone picked up.

The voice on the other end sounded tired. what’s the matter? ”

su Cheng narrowed her eyes and asked coldly, ” “Why did she appear in B city?

Didn’t you say that you’d stay by her side?”

The person on the other end was silent for a moment before saying softly, ‘ “she’s an adult, and i think you know who she loves!”

“I don’t want to hear this!” Su Cheng’s voice was a little excited and crazy. I just want to ask, why didn’t you stop her? aren’t you the best at acting with your deep love? ”

“If I get together with her, will you let us go?” the person on the other end of the line asked after a long time.

Su Cheng chuckled. “you’re so greedy. am i not enough for you?”

The person on the other end hung up the phone gently. Su Cheng was a little startled. Damn it, how dare he hang up on her!

the phone slipped from her fingers and fell on the seat. su Cheng laughed softly.

Disobedient, huh? there was only one end to disobedient people.

she couldn’t let ye liangqiu stay. if she stayed, her dear parents would find out her little secret sooner or later, and that wasn’t what she wanted.

Sister Liangqiu, I’m sorry, but you can’t stay in B city. It won’t be fun if you do.

Su Cheng laughed a little crazily and started the car.

Late at night, at the SU family’s mansion.

Mr. Su was still awake. He was reading the newspaper on the sofa and seemed to be waiting for her.

Seeing su Cheng come in, Mr. Su closed the newspaper in his hand and looked at his younger daughter. “chengcheng, how’s an Ian?”

Su Cheng stuck out her tongue, threw her bag aside, and walked over to massage Mr. SU’s shoulders. She said in a coquettish voice, ” dad, I’m going crazy from the crash, ran ran.

“Our Cheng Cheng doesn’t want to get married if she’s stupid, right?” Mr. Su patted her hand. don’t worry about this. Your mother and I will take care of it for you.

“I heard that someone went to look for him today, is that true?”

Su Cheng turned around and sat on the sofa’s armrest. She played with her delicate nails, showing off her girlish charm. dad, you know the answer but you’re still asking!

su couldn’t help but smile. ” why did you hide this from dad? you should’ve told me earlier so i could help you vent your anger. “

su Cheng stuck out her tongue. Brother an LAN only has PEI Qiqi in his heart.

Ye Liangqiu is nothing to be afraid of.”

“chengcheng, do you really think so?” mr. su asked, looking at her.

su cheng’s eyes were a little timid. after a while, she said softly, ” “Of course it is, dad. Is there a problem?” he asked.

Mr. Su looked at his daughter for a long time before he said softly, ” Chengcheng, dad doesn’t have much hope for you. I only hope that you’ll marry an LAN. At least, we have a successor in the future, so dad doesn’t have to worry even if he passes away one day..

Chapter 1349: ye liangqiu ‘s past (7)

a strange look appeared in su cheng’s eyes. she forced a smile and looked at her father. she coughed lightly. ” dad, can’t i inherit ya shi? ‘ mr. su glanced at her, his eyes full of love. he smiled slightly. ” i don’t want you to worry. ‘ he patted the back of su cheng’s hand. ” alright, go to bed early! ” didn’t you always complain that sleeping late is bad for your skin?”

Su Cheng wanted to say something, but Mr. Su had already stood up and was walking upstairs.

she looked at his back and gritted her teeth. this old thing was clearly on guard against her. he clearly didn’t treat her as his own daughter and even said that he was afraid that she would be too tired.

did that old thing think that she didn’t know that they hadn’t given up on finding their biological daughter?

they wanted her to be a sacrifice and marry qin anlan as cannon fodder so that their biological daughter could inherit the family business?

they had underestimated her. not only did she find it before them, but she also found it.

She was so close to ye Liangqiu that even her mother had seen her before, but she didn’t know her. Instead, she felt that ye Liangqiu was an indecent woman. It was ironic.

su Cheng pursed her lips and slowly sat up straight.

for so many years, she looked like she lived like a princess, but in fact, she was not a substitute. at most, she was just a dog raised by the su family. when her master gave her some food, she had to wagging her tail.

How could she be willing to be a dog for the rest of her life?

and that princess was the ye liangqiu that ye liangqiu had disdained the most.

Mr. Su went upstairs. Mrs. Su had just finished her shower and was sitting in front of the dressing mirror, applying some skincare products. Hearing Mr.

SU's footsteps, she looked up. Chengcheng is back? ”

Mr. Su nodded and sat on the bed. The bed was deeply sunken.

he looked at mrs. su and said in a light tone, “In the future, you should properly discipline Cheng Cheng. As a girl, don't go crazy outside all day and only come home in the middle of the night. What kind of behavior is that!” Mrs. Su glanced at him. didn't you ask her to go see an LAN? ”

Mr. Su was stunned for a moment, then he said, ” you're too kind!

His slightly cold attitude made Mrs. Su a little unhappy. She threw down the care products in her hands and asked, ” who was the one who wanted to carry Chengcheng back? Now, su, do you think I don't know what you're thinking? yes, it's naturally different if she's your biological daughter. however, it's been so many years. if you could have found her, you would have done so long ago. why should you give up on Cheng Cheng for the sake of a slim chance?”

As Mrs. Su spoke, she couldn't help but cry out, “Right now, you are pushing Cheng Cheng into a pit of fire.”

su felt a little embarrassed and sat up immediately. ” what are you saying?

you've watched an Ian grow up since she was young. although she's a little flirtatious, there's nothing wrong with it. ”

“yes, i didn't know what you were thinking in the past! It's different now. You have the ambition of a Wolf. You're already so old, but you're still thinking about conspiracy. Aren't you tired?” mrs. su said angrily.

Mr. Su looked at Mrs. Su with a serious expression. women should not interfere in men's Affairs.

Mrs. Su was not to be trifled with. She snorted coldly. in that case, don't even think about getting Chengcheng to marry that man, Qin Anlan. If you force her, I'll take Chengcheng and run away from home.

“You!” Teacher su was furious. what a woman's opinion.

“you have foresight,” mrs. su said sarcastically.”if you had foresight, you wouldn't have let chengcheng be a mistress!” “what kind of person is qin anlan? he stole someone else's wife and even had a child with a female celebrity under his

company. he's so capable.. su, is it because you two share the same bad taste that you want chengcheng to marry him?"

Chapter 1350: His confession (1)

Mr. Su didn't want to argue with her too much, so he picked up the bathrobe and walked into the bathroom.

However, Mrs. Su obviously did not want to let him go. She followed him in. if she was our biological child, would you bear to let her marry a bastard like Qin Anlan? "

su wiped the water off his face and squinted at his wife. his voice was a little suppressed. " don't you miss her at all? "

Tears streamed down Mrs. SU's face. She came up to Mr. Su and gave him a

beating, crying as she hit him. " why wouldn't i? i've been dreaming about it. but what's the use of thinking about it? she can't be found. "

su let his wife hit him as he squinted his eyes, as if he was thinking about something.

he also felt a little guilty towards his wife. after all, he had even schemed against his own wife.

Also, his daughter, the daughter he missed so much.

Everything was in his hands, including su Cheng. She was just an insignificant chess piece in his hands.

after a long time, mr. su finally coaxed mrs. su. he had feelings for mrs. su. she was always his first wife. moreover, he had always felt sorry for her and their biological daughter in this matter.

In the hospital early in the morning, Qin Anlan quietly got up and looked at ye Liangqiu, who was fast asleep.

He took her medicine bottle, which contained contraceptives.

he walked over to the nurse on duty in the pharmacy and asked, " can you open a bottle of vitamins for me? "

the nurse looked at him and smiled. " mr. qin, you probably haven't prescribed your own medicine before. the doctors prescribe medicine in the hospital, but the vitamins can be bought from the pharmacy, so you don't have to go through so much trouble. "

Qin Anlan nodded and asked the nurse to help her buy some vitamins that looked similar.

The vouru nurse opened his medicine bottle, took a look, and smiled even

more happily."Mr. Qin, there's no need for that. It's just vitamin C inside, not some birth control pill." qin anlan was in disbelief. he looked at the nurse. " you're not mistaken? " The nurse smiled. of course not. I eat it every day. It can't be wrong. Qin Anlan clenched the medicine bottle in his hand and did not say anything.

ye liangqiu was clearly taking vitamin C, so why did she tell him that it was a birth control pill?

in that case, there was only one reason. yingying wanted to get pregnant.

did she want to trap him? That's why she wanted to have another child?

Qin Anlan's heart was filled with an indescribable feeling. However, he was certain that the most urgent thing he had to do now was to get a divorce between Qianqian and Qiqi to end this preposterous situation.

Back in the ward, he didn't say anything and put the bottle back.

he called KIME and asked him to send the documents he prepared to pei qiqi.

However, only Kime and him knew about this because PEI Qiqi and Tang Yan would be very good shields. No matter what Mr. Su did, he wouldn't dare to touch PEI Qiqi.

After hanging up, he sat back on the bed and pinched ye Liangqiu's face. His voice was cold."Time to get up and make breakfast."

ye liangqiu woke up. she opened her eyes and looked at him for a while, then covered her head and went back to sleep.

"Ye Liangqiu, I said I was hungry." He lifted the blanket and shamelessly whispered into her ear, "I fed you last night, shouldn't you feed me now?"

She couldn't stand him anymore and finally sat up. She glanced at him and said, "I don't want to do it.

he wasn't angry. instead, he smiled faintly. "then, tell me when you want to do it. ' ye liangqiu was angry, but what could he do?

Qin Anlan held her down and said in a low and hoarse voice, "if you want to sleep, then sleep a little longer. i'll go make breakfast.."
