

Thank you 1371

Chapter 1371: who cares about you? don't flatter yourself (2)

When she got into the car and saw him driving, she looked at him and asked, "Qin Anlan, why are you driving?"

He slowly fastened his seat belt. you've recovered. Why can't you drive?"

'Ye Liangqiu, are you concerned about me?" she asked, smiling.

ye liangqiu snorted, but didn't say anything.

He placed his hands on the steering wheel and looked at her for a long time before he finally laughed. "Your face is red."

"i won't blush," She rolled down the car window and let the wind blow on her face to cool down.

qin anlan only glanced at her indifferently. he held the steering wheel with one hand, and after starting the car, he held her hand with the other.

qin anlan? " she was a little shy.

"shouldn't an engaged couple be like this?" He smiled slightly, his smile like a spring breeze.

Ye Liangqiu pursed her lips and weakly said, "No."

However, his fingers clenched even tighter, and he held onto the Kasaya until his palms were a little sweaty.

She could not tell if it was hers or his.

qin anlan felt that he had never been so pure before. it was as if he had the kind of ignorant feelings he had when he was young, an emotion that was not based on his body and jade-like desires.

she was his little girl. qin anlan reached out and pressed the button. soft music started playing in the car. it was mo xiaoqi.

He immediately wanted to change, but ye Liangqiu looked at him and said, "feeling guilty?"

"what do i have to be guilty about?" qin anlan retracted his finger. " liangqiu, there's nothing going on between us. "

"Yeah, every woman who climbed out of President Qin's bed has nothing to do with him anymore." she snorted and decided to ignore him.

qin anlan laughed bitterly. he was already thinking about whether he should completely freeze mo xiaoqi so that she would not come out and make liang qiu unhappy.

he cleared his throat. " you're an exception. "

Seeing that she didn't say anything, he coaxed her, which was rare. "I'm serious! Liangqiu, I've never compared you to them. You're one of a kind." she continued to ignore him.

he smiled and decided not to say anything.

Sometimes, a woman's body was more honest than her little mouth.

When the car stopped at the apartment building, she turned her head and asked, "where's mu Yun?"

"It's with my mother. I'll pick it up tomorrow." He said very indifferently.

ye liangqiu's eyes were filled with confusion. "it's only morning." he unbuckled his seat belt. "i know. ' she sat there without moving, her eyes locked on his face.

qin anlan sat down and propped his chin on his slender fingers. he looked at her and smiled. "liangqiu, i want to spend some alone time with you. is that a problem?" of course not!

However, wasn't it a little weird to describe them as two-person world? In other words, ye Liangqiu hadn't yet entered their normal relationship.

she had been stuck in the past, while he had already gotten into character.

she didn't make a sound, and her expression was a little dazed, which was rare.

He smiled and reached out to pinch her face. silly girl.

As he spoke, he got out of the car and walked over to her side to open the door. He bent his body slightly and got closer to her. His voice was low and pleasant."let's get off the car."

Ye Liangqiu looked at him and knew that he wasn't thinking about anything good, so he stayed in the car and refused to get out.

qin anlan looked at her and laughed softly. he reached out and carried her in his arms.

it was a princess carry, the kind that he doted on very, very much..

Chapter 1372: who's concerned about you? don 't flatter yourself (3)

She was stunned for a moment, then struggled to kick him, her voice a little angry. Qin Anlan, let me go, you pervert.

Qin Anlan chuckled softly. He leaned close to her ear and said warmly, " "It seems like you know what I'm trying to do!"

he kicked the door shut and carried her to the elevator. with every step he took, she could feel the changes in his body more clearly.

"Shameless!" He turned away, his face a little hot.

He bit her ear. Liangqiu, don't you miss me? "

as he said this, he was probably a little moved. he had never been unable to control his emotions before. he sucked on her little mouth and said in a low and hoarse voice, " little qiuqiu, tell me. you missed me too, huh? " it was so mushy.

However, her body felt like it had been electrocuted, and she couldn't describe it.

ye liangqiu bit her lip and looked at him with watery eyes.

qin anlan heaved a long sigh of relief. this was simply too much!

He kissed her on the lips again and murmured, " Liangqiu, don't look at me like that. Otherwise, I'm afraid I'll take you in the elevator.

her face was flushed red as she looked at him with wide eyes.

"Silly girl." He kissed her again and again.

To be honest, ye Liangqiu had a cold and aloof temperament. Otherwise, there wouldn't be so many fans calling her husband. However, in Qin Anlan's eyes, she was a cute little fool.

She was still a 19 -year-old girl.

She was still in his arms, and he kissed her all over. Ye Liangqiu couldn't take it anymore and turned her face away. "Qin Anlan, are you a dog?" He licked her face until it was covered in saliva. however, he did not hold back at all and laughed in a low voice."Is the dog better at licking, or am I better?"

She glared at him. It was hard to believe that the scoundrel in front of her was King Entertainment's Qin Anlan, who had been able to turn the tides.

as they kissed, the elevator reached the top floor. he carried her and swiped the door open. he didn't leave, but stuck his body to the door handle and went in for a stroll.

He kicked the door shut, and then she was pressed against the door and kissed.

She wanted to struggle, but one of his long legs quickly caught her. She couldn't move, which was equivalent to sitting on one of his legs.

Through the thin fabric, she felt a burning heat. Her body trembled and she couldn't help but raise her neck.

His hot thin lips were pressed against her neck, and his voice was low and hoarse. Liangqiu, say you want me!

she lowered her head in anger and bit him on the ear.

Qin Anlan chuckled softly. He held her waist with one hand and firmly pushed his other hand down. a few actions made her cry out in pain.

They were a little messy, the rhythm was a little messy, it was very messy, it was a little painful.

in this position, he carried her into the bedroom and fell onto the bed.

He propped his body up and looked at her carefully, watching her fall into the charm of love.

He was the only one who could see her in this state.

Later on, he was too ruthless, and she was almost in pain. She also remembered that he had just recovered from his first injury, so she hugged his shoulder and bit it. Qin Anlan, rest for a while.

but he seemed to have gone crazy, and she couldn't hold back. there were many times when she didn't know if she was dead or alive.

in the end, he pressed against her and gently coaxed her by her ear, liangqiu, call me an Ian." ye liangqiu opened her eyes. her usually cold eyes were now filled with emotion. she looked at him, her red lips trembling. she was indescribably attractive.

She refused to call him, so he tortured her even more. In the past, they were just normal couples, and he had never used any excessive tricks on her. But today, it was as if he had been injected with stimulants. He had her all to himself, and he was doing it in all ways shameful..

Chapter 1373: Who cares about you? don't flatter yourself (4)

after all, she didn't know much about sex, so how could she stand him like this? in less than half an hour, she cried in a low voice and begged him to let her go.

However, the more she acted this way, the more he found it interesting.

He tortured her without a care in the world, using all kinds of outrageous methods.

In the end, he couldn't help but hold her in his hands and coaxed her softly."Liangqiu, call me an LAN and I'll let you go." she couldn't take it anymore, so she covered her face and screamed.

Her voice was as soft as a mosquito's, but he heard it.

The man who had said that he would let her go did not let her go. Instead, his eyes turned red and he went all out to torture her.

He had gone too far in making her call him hubby, and she was not willing, so he came to scold her ruthlessly.

From the morning until nightfall, she had called him 'hubby' so many times that her voice had gone hoarse before he was willing to let her go.

ye liangqiu lay limply on the ground, her body devoid of strength.

She looked at the sadness in his eyes and said in a low voice, " I don't want to get married.

These words more or less had an element of pique, but he only felt that it was cute.

He bent down and kissed her,"be good." I'll carry you to take a bath."

he paused for a moment, and his handsome face revealed a rare hint of haughtiness. " i'll help you apply some medicine after i'm done soaking. "

In fact, he had not been so indulgent for a long time. In the past, even if he had a woman, he would not have indulged in women like this.

of course, he wouldn't tell her that. it would only make her angry.

qin anlan felt that he was gradually starting to care about her feelings. he also knew what she did not like to hear and what she liked to hear.

he was willing to make her happy.

ye liangqiu was lying on her stomach. her slender and fair body was really alluring. qin anlan stood at the side and looked at her. his adam's apple rolled up and down. he bent down and whispered in her ear, " liangqiu, has anyone ever told you that your body is beautiful? " she seemed to be stunned for a moment before she said softly, " "there are! he's the male lead of a previous movie." qin anlan felt as if he had shot himself in the foot. he did not say anything else and secretly thought to himself that he would not be allowed to shoot any kissing or bed scenes in the future.

If she was willing, she could leave the industry indefinitely.

she only needed him to know her beauty.

he reached out and picked her up, walking straight into the bathroom and soaking in the bathtub together.

Perhaps the warm water was too comfortable. She sighed softly and leaned on his shoulder, nibbling on him.

"Is your back okay?" he asked in a low voice.

qin anlan turned her face and kissed her. after a long while, his voice was low and hoarse with a hint of a smile. " little qiuqiu, in the future, you can show more of your concern for me. ' she hit him with her fist. " i'm not concerned about you. "

He groaned, his expression pained.

ye liangqiu immediately became nervous. " does your back hurt? " he restrained his expression and looked at her with clear eyes.

No matter how stupid she was, she could understand that he was doing it on purpose. She snorted. "you deserve the pain."

He cupped her and kissed her closely, from her eyes to her red lips. He murmured, " "How can I bear to die? my little qiuqiu makes me want to die." "shameless!" she glared at him.

He chuckled softly. if I had a sense of shame, would you be so comfortable? "

Later, she applied the ointment alone and shared it with him.

he did not leave her body for the entire day.

A passionate love was probably like this, Yingluo.

at night, she was extremely tired. he had made dinner and pushed it over with a cart. there were candles on it..

Chapter 1374: Who cares about you? don't flatter yourself

(5)

Ye Liangqiu was wearing a white bathrobe. She leaned against the bed and looked at him.”You did this?”

Qin Anlan pushed the trolley to the sofa in front of the French window and raised his handsome brows slightly. do you think that I only know how to make love? ”

Qin Anlan, can’t you be more shameless?! when she got down from the bed and stepped on the carpet, her legs shrank.

He looked at her, his eyes bright and clear, with a faint smile.

“It’s all your fault,” she glared at him, a little annoyed.

“yes, it’s my fault!” He walked over, picked her up, and gently placed her on the sofa.

He leaned forward and placed his hands on both sides of the sofa. He looked at her and said, ” Liangqiu, you’re getting more and more used to acting coquettishly. That’s good.

she glared at him with a fierce look in her eyes.

qin anlan smiled and reached out to pinch her face. ” try this red wine steak. ‘

She didn’t have the strength to argue with him, and she was really hungry after being tortured by him for a day.

the food he made was surprisingly delicious, and she couldn’t stop eating after two bites.

after finishing the steak, she looked at the food on his plate ...

qin anlan moved a serving of salad in front of her.

“If I gain weight, will you dislike me?” She was actually self-disciplined as well, and she glanced at him.

qin anlan took a sip of iced lemon water and smiled faintly. ” i thought that after marriage, most of the relationship should still be in bed. maintaining a figure is a form of respect for each other, so that the other party can maintain a moderate sense of freshness and will be long-lasting. ”

ye liangqiu couldn’t bear to listen to this and looked at him.”why don’t you say you’ll pay?l worthy? I’m not surprised.”

“You’re saying that we’ve been paying just now, or perhaps the entire day today.l are you worthy?” He raised an eyebrow. Liangqiu, I didn’t expect Yingluo to have such a strong taste.

qin anlan, you’re a b tch. do you know that? ” after she finished eating, she wiped her lips with a look of disgust.

he laughed. ” i’m only cheap to you! ”

although she would get angry, he still said, ” “Liangqiu, I’ve never forced Qiqi in the two years we were together! She doesn’t have me in her heart. Although I feel sad, I can accept it. However, it’s different for you. Even if you like Lin Xingyuan, even if you don’t want to have sex with me, I think I will still force myself on you.” as he spoke, he smiled slightly.”my love for you is unscrupulous.”

This was probably his most direct confession, and also an indirect way to clear his name!

ye liangqiu was a little stunned.

After a long time, he pinched her face.

“no, i didn’t,” she just never thought that one day, qin anlan would also have such strong feelings.

Perhaps she didn’t want to admit it, and she didn’t dare to believe that he really liked her.

it was because he had been disappointed for too long.

qin anlan smiled and walked over to pick her up. he placed her on his lap and looked at the dark night outside with her.

his voice was low and hoarse. ” liangqiu, look at the night sky. have you not seen it for a long time? ”

She did not say anything, but her heart softened a little.

“from now on, i can accompany you every night, hanhan.” he pressed his face against hers.”there won’t be anyone else. ”

ye liangqiu bit her lip and wanted to say something, but he firmly held her in his arms.”liangqiu, let’s just say it like this.”

He lowered his head and looked at her seriously.”This isn’t making do. You know, I’m not a person who makes do.”

She looked at him, a little dumbfounded. After a long time, she whispered, ‘

“but i’m just making do with you.”

“it’s good if you’re just making do, or if you’re serious! “we’ll just live like this for the rest of our lives, ” he hugged her and knew that she had finally let go.

Chapter 1375: A full load of dog food (1)

ye liangqiu looked up at him. he leaned forward and kissed her on the lips. he chuckled and said, ” liangqiu, you must close your eyes when you kiss. ” However, she still opened her eyes and looked at him in a daze innocently. He sucked on her lips, leaned forward, and kissed her gently.

the glass of the floor-to-ceiling window reflected their figures, overlapping and crisscrossing. it was very beautiful.

she placed her hand on his shoulder, her long and fair fingers pressing on his shoulder. she slowly slid down until she hugged his waist.

qin anlan was a little excited and kissed her even deeper. in the end, he knelt down in front of her.

“Cool autumn.” he called her name softly and kissed her brows, her nose, her lips, and then the back of her ear.

ne Kissed ner like tms, Witnout any emotion or desire. ne Just wanted to cnensn her.

in the end, she was held in his arms. both of them were wearing bathrobes and they kissed and danced in the living room on the top floor.

there were french windows on all four sides, and outside was B city’s busiest night view. in this night view, they finally walked towards each other, finally completing what they couldn’t do six years ago.

When ye Liangqiu woke up, she was lying in Qin Anlan’s arms.

she opened her eyes and looked at his magnified handsome face. she reached out her fingers and gently stroked his handsome features.

He knew that she wanted to leave, right?

that’s why he said that and kept pestering her!

cheap man!

however, the corners of her mouth curled up slightly, and then she had a rare playful mood.

She pinched his face with both hands and pulled him to both sides ...

Coffee Cat!

Then, he lowered his eyes and raised his nose ...

Bulldog!

“What else is there?” with a low and hoarse voice, he opened his black eyes and looked at her intently.

That gaze was enough to make a woman pregnant.

Ye Liangqiu couldn’t help but lower her fingers, but he was faster. He quickly locked her fingers and trapped her, placing her on his face.

“Why did you stop playing? Hmm?” he placed his palm on her hand and teased her on purpose.

He was at the best age in a man’s life, and so was she.

The two perfect bodies lay casually, full of the collision of hormones.

he remembered a book saying that when two people first fell in love, they were willing to stay in bed all day.

qin anlan believed this sentence now.

ye liangqiu pulled her hand away and looked at him in a daze.

If she didn't come, then it was his turn to play.

Qin Anlan's fingers pinched her small face and mimicked her as he pulled her to the sides.

"It hurts, it hurts, it hurts." There were tears in her eyes as she looked at him pitifully. Qin Anlan, let me go.

not only did he not let go, but he continued to rub her and smiled happily. "it's quite cute like this! Little QiuQiu, if you smile again, you'll look like a

Pomeranian."

her eyes were wide open, and her face was pinched into a meat bun by him. in an instant, she had changed from a cold goddess to a cute pet.

"Qin Wanwan, an zhizhizhilan." Her voice was muffled as well. She glared at him, but there was no killing power.

"our little piggy is angry." qin anlan changed his tone.

she struggled in his arms, trying to get out of his anger.

she didn't know when, but his eyes had darkened, and the way he looked at her had become dangerous.

He let go of her and cupped her face instead, kissing her bit by bit."liangqiu, do you know how cute you are?" her hands hit him on the back, but he only laughed and held her in his arms..

Chapter 1376: a full load of dog food (2)

He lowered his head and sucked on her lips, his voice hoarse."liangqiu, i want you."

her face turned slightly red, and her body was held so she couldn't move. she could only kick him, and he let her kick as she pleased. anyway, her little tricks couldn't do anything to him.

he indulged her for a while, but she didn't know that there was a storm in his eyes.

he lowered his head to kiss her and firmly pulled her bathrobe off.

When he covered her, he bit her earlobe and said a little naughtily, "i wonder what little Piggie tastes like."

"you're perverted and shameless." ye liangqiu tried to kick him again, but this time, he easily trapped her with his four limbs. his eyes were filled with a smile.

"You were the one who provoked me first,"

He sniffed her neck with his tall nose, which was slightly cold. from here, huh?

she was completely trapped, and he ate her from head to toe.

in the end, she clutched the sheets tightly and bit her lip. "is it dirty?" he laughed deeply. "liangqiu, do you want to try?"

She didn't want to try Yingluo.

qin anlan did not force him. there would be plenty of opportunities in the future anyway. moreover, they had just gotten together, so he could not bear to let go.

So, he moved closer to her ear and said a few shameless words. Her face suddenly turned red and she struggled, while he groaned and laughed like a spring breeze.

When she woke up again, it was already afternoon.

she sat up and smelled a very fragrant scent. a little person pounced into her arms and said in a soft voice, "mom."

"Mu Yun?" She reached out to stroke her son's hair, her expression gentle. how did you get here?"

Xiao mu Yun stayed in her mother's arms obediently and looked up. it was daddy who brought me here.

as they were talking, qin anlan came in from outside. he was dressed simply, a pair of beige trousers with a white shirt on top. he did not tuck it in and let it down casually. even so, he looked crazily good.

"It's time to get up and have lunch." He walked over and reached out to touch her long hair. it's two O 'clock in the afternoon now.

Only then did ye Liangqiu remember that they hadn't woken up since the morning, and she had fallen asleep again.

When Xiao mu Yun saw her parents like this, she ran away with her little face blushing.

Qin Anlan turned to look at his son and smiled faintly. "this child is quite mature."

As he spoke, he leaned closer to her and used a tone that only she could hear.

actually, mu Yun is quite good with my mother.

"Yeah, it's best if you don't need to work." She gave him a kick and got out of bed to change.

she wasn't a girl who liked to act coquettishly. only in bed, only when he loved her, she couldn't resist it. all her coldness disappeared.

qin anlan looked at her back view and smiled. he then went out to take care of Xiao muyun.

she went out and was surprised to find that it was chinese food today.

his cooking skills were unexpectedly good. it was simple and tasted good.

as if he knew what she was thinking, qin anlan's gaze fell on her face and he smiled faintly. " after you left, no one cooked. i could only cook by myself. " she did not believe him. " where's auntie? " his gaze paused, and there was a hint of a smile in his eyes, a very gentle smile. I often can't sleep at night, " he said after a long time. there's nothing to do, so I get up to cook. I got used to it later.

he learned from her and repeated what she had done..

Chapter 1377: Full of dog food (3)

At that time, he was shocked that he actually remembered every bit of her being here.

He refused to accept this fact. He didn't want to admit it, but he couldn't.

Ye Liangqiu took a bite and slowly savored it. To her surprise, she found that the taste was very similar to the one she had made.

Qin Anlan's expression was a little subtle. He seemed a little nervous, but also a little relieved. After a long time, he said softly, " "not bad, right?"

she raised her eyes and looked at him. " it's more than just 'not bad'. you've surpassed your master. '

Xiao mu yun was not around, so he could not help but tease her.

"Then I look forward to seeing you surpass your master in bed," he said in a low voice.

she almost spat out a mouthful of rice.

&Nbsp; Qin Anlan immediately handed him a glass of water. drink some to suppress it.

she looked at him with tears in her eyes.

Qin Anlan sat up straight and looked at her with an unfathomable gaze.

Liangqiu, if you want to get pregnant, you might have to take the initiative.

Her body was a little stiff. Did he know that she wanted to get pregnant?

"also, you don't need to eat vitamin C anymore! you should take folic acid!" He said it casually, but it was like a bomb blasting by her ear.

ye liangqiu stared at him for a long time, unable to come to her senses.

"I've asked the doctor," he placed his hand on the back of her hand. " folic acid is better for the child. '

"this time, i won't let you suffer anymore." his voice was a little hoarse.

In fact, he didn't want to think about how she looked like when she was pregnant, because his heart would hurt when he thought about it.

however, in the dead of the night, when she was asleep, he would look at her face and involuntarily think of her.

At that time, he was really heartbroken .

The suffering he had suffered for her! The more bitter she was, the more muddled he was!

ye liangqiu pursed her lips, unable to speak for a long time.

“what, you don’t want to have children?” He laughed and pinched her face. then I’ll use a t-shirt tonight? ”

“i’m afraid i won’t be able to wear a formal dress when i get married,” she said softly after a long time.

“Besides, the early stages of pregnancy will be very tiring, Yingluo.”

before she could finish, he interrupted her. he got up and walked over to her side. without saying anything, he hugged her and pressed her face against his heart. his large palm gently caressed the back of her head.

he was a little excited because she said she was getting married.

He suppressed his emotions and did not lose control ...

He didn’t want to be too embarrassed with the child at home.

“liangqiu, i won’t!” His heart almost jumped out of his chest. He had never been so full and excited before. I promise, this time, it won’t happen again. Her face was almost deformed by him, and she had difficulty breathing.

qin anlan did not seem to notice and continued to speak affectionately, ”

“Liangqiu, Do You Feel My Love?”

She twisted her face a few times in his arms, then gritted her teeth. ” qin anlan, if you continue like this, i’m probably going to die. ” He was a little surprised. He looked down and saw her twisted face.

it was really a little unexpected, but also a little cute.

“I’m sorry,” he said after he rubbed her head a few times.

“I don’t hear any sincerity in your tone.” she continued to eat and did not realize that she had eaten the dishes she usually did not eat.

Qin Anlan noticed it, and his gaze carried a gentle smile. “Liangqiu, I’ll show my sincerity tonight. Hmm?”

“i think i’d be happier if you were more shameless.” She glared at him. also, I don’t need your sincerity.

this was because his sincerity and shamelessness were directly proportional..

Chapter 1378: A full load of dog food (4)

qin anlan smiled and pinched her little face. " i need you.

"Can't you just let me eat properly?" She simply threw a tantrum at him. As for the man who disdained women, he immediately lowered his eyes and placed food on her plate. He coaxed her, " eat more.

she couldn't help but soften when he was like this. she didn't say anything more and ate with all her might.

"be careful of your figure," he reminded. His voice was careful, as if he was afraid that she would be angry.

she looked at him with a look of contemplation in her eyes. after a long time, she finally spat out four words, carnivorous animals." qin anlan took some more food for her and said with a smile, " "then our little piggy has to eat more. it'll be better when you're fat." ye liangqiu didn't make a sound. she had unknowingly eaten a lot.

He smiled and reached out to wipe her mouth. He didn't ask her to wash the dishes and washed them himself.

ye liangqiu looked at him, thinking that he had changed.

qin anlan smiled. " i'm going to try on wedding dresses in the afternoon. " i m going to my mom's place for dinner tonight. she wants to see you." she became nervous all of a sudden, and her heart resisted.

she and mrs. qin didn't really like each other.

"Are you afraid of her?" qin anlan washed the dishes and cleaned his hands. he walked over and sat beside her, wrapping his arms around her body naturally. he squinted at her. " my mother is not easy to get along with, but we won't be living together in the future! Liangqiu, just treat it as a social event." he was very straightforward!

she also looked at him and said, "you're not asking me to get along with her?" think of a way to make her like me?"

"it's fine as long as i like it." He pinched her face with his fingers. what do you want her to like? "

as long as his mother didn't object, it would be fine. after all, he was the one who would spend the rest of his life with liang qiu, not his mother.

ye liangqiu was surprised and looked at him for a long time.

He smiled, his fingers playing with the soft flesh on her face. have you discovered another benefit of marrying me, Mrs. Qin? " she blushed and said, " i'm not mrs. qin.

he sighed and held her in his arms, his chin resting on the center of her hair. ‘ “Liangqiu, I promise you that you’ll like me more and more.” it might sound shameless, but it was his promise.

she seemed to have understood. she buried her face in his arms and her heart throbbed.

To be honest, she didn’t trust him at first, but now she believed that if they got married, she would be married to love.

Xiao mu yun peeked from the side, her little face expressionless.

he looked at his father and mother hugging each other, then at his own hands.

He didn’t seem to like anything in particular. The only thing he wanted to see in his father’s arms was the custard bun. It was soft and fragrant, and it must be delicious to bite.

in the afternoon, qin anlan brought ye liangqiu and Xiao muyun to take some photos.

What a coincidence that she ran into Tang Yu and PEI Qiqi again.

ye liangqiu looked at his face and sighed.”this world is so small.”

“Are you jealous?” he asked.

“how can this be? pei qiqi is mr. tang’s wife, why should i be jealous?” She was making sarcastic remarks, but he could not flare up.

Tang Yu was rather gentlemanly. He came over and smoked a cigarette with Qin Anlan.

When men were together, women would naturally be together.

ye liangqiu’s personality was cold, but she didn’t hate pei qiqi. that little girl was about the same age as her, but she was pampered by tang yan into a twenty-year-old girl.

She was wearing a white t-shirt with hot pants and her long hair was braided. Looking at the technique, it should have been done by Tang mo.

She was so careful, like a little stepmother..

Chapter 1379: A crooked upper beam will have a crooked lower beam (1)

Ye Liangqiu looked at herself. In fact, Qin Anlan doted on her a lot, but perhaps it was because she was too tall?

so, she couldn’t hang onto him like pei qiqi?

she wanted to laugh at the thought of that.

forget it, forget it!

They chatted casually and didn’t notice that ye Muyun was staring at Xiao Xinxin like she was food.

Little Xinxin stepped back, tears in her eyes.

little Xin Xin was going to be eaten.

he burst into tears.

Ye mu Yun looked at little Xin in confusion. Why was she so scared and crying?

however, he soon thought of his own parents. it seemed that when his father pressed his mother down and bullied her, her mother would cry too. he had asked his father before, and he said that his mother would only cry when she was happy.

So now, this custard was happy?

His eyes lit up even more, and the little cutie pie cried even harder.

so this was how the words ‘tears of joy’ came about.

ye muyun was even more certain of his own thoughts and finally put his heart on the wall.

Xiao xinxin looked up at him with her big teary eyes and blinked.

she wasn’t afraid of anything since she was young, but she was afraid of ye muyun.

Ye Muyun always thought that she liked it and that she would cry because she was happy.

his fingers gently touched her tear-stained face, touched the tear stains, and then put his finger in his mouth.

It was salty.

how could it be salty?

he narrowed his eyes and pursed his lips for a while as he looked at the soft little bun in front of him.

Salty?

He wanted to have a taste and see what it tasted like.

hence, she leaned forward and kissed the little bun’s lips.

It was red and moist, as tender as a baby bird.

it was a little salty. But later on, it was a little sweet, soft and fragrant with a hint of milk.

as expected, it was the smell of custard buns.

ye mu yun was still a child. he only knew how to kiss and lick her.

It tasted really good.

Little Xin was frightened, her eyes wide open as she looked at the little Big brother in front of her.

her eyes were dark, bright, and beautiful.

ye mu yun stared at her eyes and couldn’t bear to look away.

At this moment, Xiao Xinxin finally couldn't overcome the fear in her heart and bit his lips hard.
he bit his teeth so hard that it bled.

after that, it became a little difficult to explain. Xiao mu yun's body constitution made it so that the bleeding could not be stopped immediately.

In the end, a kiss caused the parents of the two families to be unable to take photos properly.
Instead, they went to the hospital directly.

Qin Anlan, who had been indulging in his sexual desires for an entire day and night, even contributed 200 milliliters of blood. When he came out, his face was a little pale.

Ye Liangqiu glanced at him. He knew that he had just lost so much blood last week that he couldn't take it all of a sudden.

she wanted to say something, but he held her hand and said in a low voice, ‘
“He's my son.”

However, after Xiao mu Yun's bleeding had stopped, she had to face a problem. Why did little Xinxin bite his lips?

Little Xin leaned on her father's shoulder, tears still in her eyes. he'll eat mine first.
this was called self-defense. her father had taught her that.

A child's words didn't count, so in the end, she had to check the surveillance camera.

after reading it, qin anlan and ye liangqiu were so embarrassed

it was their precious son who had provoked her, kissed and licked her. they really didn't want to see this scene.

Ye Liangqiu pinched his arm. a Crooked Stick will have a crooked shadow.

“hey, i have half of your genes.” he had lost face, but he only shouted and did not fight back.

She glared at him, and he didn't dare to say another word..

pei qiqi and tang yu looked at each other. in their hearts, they were cursing.

their cute little hearts had been kissed by someone. yingying, yingying, yingying.

especially tang yu, who was kissed by his love rival's son.

And now, that little pervert was lying weakly. At such a young age, he already had a weak and beautiful beard. Now that he had grown up, he was even more of a demon.

Meeting his gaze, ye Muyun wasn't afraid and said very calmly, “I just think she's like a custard, and I want to try her.”

The four adults looked at each other, and then the little cutie pie was about to cry again.

“being careful is not a custard!” The little guy clenched his fists and looked fierce.

Ye mu Yun looked at the small one and a faint smile appeared on his lips. but I’ve tried it. It’s the taste of custard buns.

The little girl looked at Tang Yu with her eyes full of worry. Then, she ran into Tang Yu’s arms.

“daddy.” Little Xin’s chubby little body hugged Tang Yu tightly and she cried her heart out.

when she was the saddest, her father’s embrace was the warmest.

tang yu looked at her and found it funny. after a while, he chuckled, ” little xin, don’t cry. daddy’s here. ”

Little Xin Xin turned her head. I want to eat him.

A hint of fanaticism appeared in ye mu Yun’s eyes. He just looked at little Xin and didn’t move.

Xiao xinxin was frightened again and stayed silent in her father’s arms.

tang yu smiled and looked at ye muyun, ” he’s not a custard bun. why are you eating him? ”

“i bit him. it’s salty.” Little Xin leaned against her father’s neck and said in a soft and tender voice, ” little Xin Xin likes to eat salty things.

Sigh, it was really bloody.

tang yu looked at qin anlan and his wife and sighed, ” we’re still young. let’s just forget about this. ” one shed tears while the other shed blood. it was hard to tell who was at a disadvantage.

Qin Anlan was actually quite clear in his heart that his youngest son liked her.

what little custard bun? wasn’t it just that the little girl was cute and had a milky smell on her, which just suited his appetite?

They all knew Xiao mu Yun’s personality. She was not very enthusiastic about anything. Until now, she had only taken a fancy to this little cutie pie.

from the bottom of his heart, qin anlan did not reject it.

The little bun that Qi Qi gave birth to?

However, he wasn’t stupid enough to agree, especially in front of Liang Qiu. Otherwise, he probably wouldn’t have a good life and this marriage wouldn’t be possible.

After Tang Yu and PEI Qiqi left with little Xinxin, Mrs. Qin somehow found out about Xiao Muyun’s bleeding and rushed over. It was clear that Xiao Muyun had gained some weight in Mrs. Qin’s heart.

mrs. qin was cold on the outside but warm on the inside. however, other than Xiao muyun, mrs. qin looked at the little fellow lying on the bed so weakly that she coaxed him for a long time.

at this moment, Xiao mu yun was lying in mrs. qin's arms, displaying her weak beauty to the extreme.

if qin anlan and ye liangqiu hadn't seen him kabedon and being careful, they would have thought that he was a shy child. but after seeing him, qin anlan looked at ye liangqiu and touched his nose."a natural-born best actor." Ye Liangqiu glanced at him.

Mrs. Qin saw this small action and roared at the two big ones, " "You guys are still in the mood to flirt!"

She was really infuriated!

Her precious grandson was injured to this extent..
