

Thank you 1401

Chapter 1401: you 've become arrogant from being pampered (3)

she looked at him with watery eyes, which was really terrible.

Qin Anlan lowered his head and kissed her earlobe. He said in a low voice, ' quick, say that you miss me.

ye liangqiu looked at him and refused to admit it. " i don't want to. '

she wanted to kick him again, but he held her down firmly. his eyes were so bright that they looked like they were going to eat her up.

After a long time, he said in a hoarse voice, " "so disobedient, how should i punish you?"

after a long time, her pajamas rolled up to the base of her legs, looking extremely seductive.l
Confusion.

Qin Anlan supported his body and slowly moved down.

And she just lay there in a sorry state, watching him do whatever he wanted to her.

The saying 'absence makes the heart grow fonder' was not wrong at all. Qin Anlan was more excited than ever. He was even willing to die on her.

when he was at his hottest, he let out sexy moans.

she closed her eyes slightly and listened. she never knew that a man could call her that.

The door opened quietly. Xiao Muyun, who was wearing a one-piece, sneaked in. She climbed onto the bed and hugged Qin Anlan's waist from behind. daddy.

Qin Anlan's entire body froze, and he was in a daze.

She cursed under her breath and suppressed her anger. She covered ye Liangqiu with the blanket and turned around to look at her son.

he wanted to cry and wonder if he still wanted a younger brother or sister.

she let out a deep breath and calmed herself down. she forced a smile. " mu yun is awake? "

Xiao mu yun looked at her father's face and felt that it was a little twisted.

did he interrupt something?

ye liangqiu was covered under the blanket and couldn't move her hands. she was really stuffy and could only weakly say, " "qin anlan, let me go." he took a look and immediately released her hand.

Xiao mu yun looked at her father's tie and asked curiously, " why did you tie
mommy up? "

ye liangqiu was wrapped in the blanket. her body was still trembling slightly as she glared at qin anlan. she wanted him to explain such an embarrassing thing himself.

Qin Anlan tugged at the blanket. She was still wrapped tightly around him and would not give him a single piece of fig leaf.

“ye liangqiu,” The Father was annoyed and glared at her. The main thing was that he had not vented his anger yet, so he would not be in a good mood.

Ye Liangqiu ignored him and returned to the master bedroom, wrapping herself in the blanket. He was left alone to face his precocious son with difficulty. Education.

Xiao mu yun’s gaze was attracted to something and she stared at it for a long time.

Qin Anlan found it difficult to say. He did not know how to explain it to his son. He thought about it and coughed lightly. ” mommy’s back hurts. daddy’s loosening her muscles and bones. ”

Xiao mu yun looked at a certain spot again and asked slowly, ” “Do I need to take off my clothes?”

Uh, this ...

Qin Anlan touched his nose. it’s not easy to massage with clothes in between!

Why don’t I come and give you a massage?”

ye mu yun looked at him as if he was a pervert and said with a look of disgust, ‘

“i don’t want to.”

Her initial excitement at seeing her father was completely dispelled after seeing that overly terrifying object.

Xiao mu Yun went down disinterestedly and left Qin Anlan, who had rushed back from Hong Kong early in the morning, behind.

when the people were gone, he looked down at his own messy state. he didn’t want to do anything during the day. he resigned himself to his fate and got up to take a shower.

with a look of dissatisfaction, she walked into the kitchen and saw that ye liangqiu was already cooking breakfast.

she was only wearing a white shirt, and her legs were long and slender..

Chapter 1402: You I ve become arrogant from being pampered (4)

Qin Anlan felt that his heart had been reignited. He walked over and hugged her from behind. He put his face on her shoulder shamelessly and held her hand. what are you doing? ”

“Mu Yun likes to eat a type of pancake these past two days.” She had just finished speaking when she felt an itch on her neck. She turned her head and patted him. “Be honest, mu Yun will be here again.”

His hand moved down from his arm and became a little unruly. I’m not doing anything.

Why are you so close to me when you’re not doing anything?

ye liangqiu glanced at him and continued to make breakfast.

qin anlan had no choice but to stop. however, when he saw the faint bruise on her arm, his heart ached. ” why are you still injured? ”

Ye Liangqiu turned her face and glanced at him, speechless. what do you think?

With such a lovely wife, what more could a husband ask for?

he held her waist and whispered in her ear,? I really want the shirt back.”

He nudged her unhappily and whispered, ” ” we’ll continue tonight, or maybe you can coax him to sleep in the afternoon, hmm? ”

“i’m not coaxing you.” her voice was as sweet as honey, and his heart melted.

he nibbled on her jade-like neck for a while before chuckling softly. ” i’ll coax you then. ”

“I’ve already promised mu Yun that I’ll take him out to play today.” She turned her head and played with his good-looking chin with her fingers, smiling a little naughtily.

Qin Anlan grabbed her hand and narrowed his eyes. you know that I’m coming back today, yet you still brought him out. What are you up to? ‘

She only smiled and did not speak.

qin anlan pinched her face. ” watch how i’m going to deal with you tonight. ”

As soon as he finished speaking, he wrapped an arm around her waist. the cake is going to burn.

She was brought into his arms, and he quickly took over her work.

it felt very heartwarming to make breakfast together like this.

qin anlan was a carnivore, but before eating meat, he was still willing to let his little animal out for some fresh air. hence, he accompanied the mother and son out the entire day.

Xiao mu Yun did not like to go to the amusement park like other children. He liked to read in the study room.

He would usually spend the entire morning reading.

in the end, Xiao mu yun was reading a book, his mother was looking at him, and his father was looking at his mother like an idiot. it was a very intoxicating scene.

However, this family of three’s peace was soon disturbed. A gentle voice sounded, ” President Qin.

qin anlan looked up and saw that it was Xia mian.

he nodded lightly. ” miss xia.

Xia Mian’s face was slightly red, as if she was excited from a chance encounter, but also a little uneasy.

she looked at ye liangqiu, who was sitting beside qin anlan's knees. her expression was a little strange, but she did not ask.

The magnetic field between women was very subtle. Ye Liangqiu wasn't a fool and could naturally feel that the little girl in front of her wasn't interested in her.

She raised her head and looked at Qin Anlan. do you need to leave? ” “why are you avoiding me? We only know each other.” Qin Anlan pinched her face.

in his heart, however, he had a mischievous thought. he thought that little qiuqiu seemed to be jealous.

With her intelligence, she must've guessed Xia Mian's identity. However, he was also curious. Xia Mian managed to hack her way back to B city so quickly, and it was such a coincidence that they met each other. Was it a coincidence?

Xia mian raised her hand to look at the time and smiled. “president qin, thank you for sending me back to the hotel last night and letting my ran ran stay. let me treat you to a meal.”

There was a hint of ambiguity in her words that could not be explained clearly.

qin anlan lowered his head and looked at his little qiuqiu qianqian..

Chapter 1403: I like it when she's jealous (part one)

Her expression had already changed, and she still said that she wasn't jealous?

he smiled in his heart and placed a hand on ye liangqiu's shoulder. he said very indifferently, “we just met by chance, let's forget about it!”

Back in Hong Kong, he was only giving Mr. Du face. In B city, if it wasn't for the fact that he wanted to build up a friendly image in front of little Liangqiu, he wouldn't even look at Xia Mian.

Of course, he also had other dark thoughts to make his lovely little Liangqiu jealous. His mood was particularly good when he saw her jealous look.

Xia Mian was a little embarrassed after being rejected. Her face froze for a while before she said, “miss ye can come too.” &Nbsp;

qin anlan's arms wrapped around ye liangqiu's neck. ” “She's not miss ye, she's my wife. ”

Xia mian forced a smile. “hello, mrs. qin.” ye liangqiu only smiled indifferently.

she didn't need to be nice to a woman who had designs on her man.

Xia Mian felt a little embarrassed and turned around to look for the books she wanted.

ye liangqiu noticed that the book she had picked out was called ” an actor's self-cultivation. ” she smiled and helped qin anlan up by holding his arm. ” i'm going to the washroom. ‘

qin anlan nodded and patted the back of her hand. ” “We'll go eat when you're back.”

there was a hint of ridicule in her eyes, and qin anlan immediately understood. He patted her on the thigh.

Naughty!

only then did ye liangqiu walk to the bathroom. she stood in front of the sink and washed her hands, slowly rubbing the kasaya.

she thought about the person just now indifferently, but as she thought about it, that person was already standing beside her.

“miss xia.” Ye Liangqiu smiled.

“miss ye, i know you,” Xia mian called out.

ye liangqiu heard the way she addressed Xia mian, and naturally, she could feel the sharpness in Xia mian’s voice. she smiled nonchalantly, ” an Ian introduced me to you just now, didn’t she? ”

Xia mian raised her chin. the miss ye i know is an actress, and in the future, i’ll be an actress just like you.”

Ye Liangqiu calmly continued to wash his hands. He lowered his eyes and chuckled. miss Xia, I want you to stand beside me and talk to me now not because I’m an actress, but because I’m Qin Anlan’s wife, isn’t that right? ”

“But he hasn’t married you yet.” Xia Mian’s voice was low.

there are plenty of people who want to replace him. do you think he’s not married in his early thirties because he’s waiting for you to appear? ” Ye Liangqiu smiled, “do you know how many trainees King Entertainment has every year?” it’s not like there aren’t any younger and better looking ones than you, yingluo.”

“Didn’t miss ye climb into President Qin’s bed like this back then?” Xia Mian’s tone was a little stubborn and aggressive.

ye liangqiu laughed lightly. ” so that’s how it is! “how about this, i’ll help you ask an Ian if he’s willing. is that okay, miss xia?” She was polite, gentle, and without any aggression.

however, Xia mian was being beaten back.

no matter how one looked at it, her current situation and character were immoral. ye liangqiu stood on the moral high ground.

Xia mian pursed her lips and left in the end.

ye liangqiu stared blankly at the direction she had left.

with qin anlan’s wealth, status, and appearance, girls like Xia mian would come after him in the future. it was impossible to stop them, but it all depended on what qin anlan thought.

she wasn’t afraid because she had lost a lot of things before. If he didn’t cherish her, why should she force him?

Chapter 1404: i like it when she’s jealous (part two)

when she walked out and saw him, she couldn't help but feel a little angry. in an empty corner, she leaned on his shoulder and bit him a little hard.

“are you a puppy?” he let out a muffled groan, pulled her hair, and pulled her little face closer to his, kissing her lips in an instant.

Ye Liangqiu fiercely bit his lips. Even though he could taste a trace of blood, he did not let go of her and continued to kiss her.

when he left her lips, he licked his lips in satisfaction. ” what lipstick did you put on today? it's quite sweet!” ye liangqiu glared at him. ” qin anlan! ”

“Alright, I know you're angry! but i promise i didn't touch a single hair on her, and i didn't go to her room. KIME can be my witness.” he jokingly raised his finger.

ye liangqiu couldn't be bothered with him. she reached out and picked up Xiao mu yun.”Let's go eat,”

He couldn't bear to see her work so hard. He took his son and the two of them walked out side by side.

He carried his son with one hand and opened the car door for her to get in first. Then, he carried his son to her.

his movements were very careful, afraid that mu yun would get hurt.

Ye Liangqiu could tell that he treated both her and mu Yun extremely well.

Other than liking her, it was probably to compensate Yingying.

Her heart had wavered a little at first, but as she watched him get into the car, she had never felt so calm before.

this person seemed to really love her.

qin anlan closed the car door and glanced at her. he smiled. ” what's wrong? ‘

‘ nothing, i just think that your back is very handsome. ” after she finished speaking, she stuck out her tongue. she was disgusted by herself.

qin anlan started the car. when he bent his arms, his muscles bulged slightly, and it was very, very attractive.

she started to get a little distracted as she looked at it.

“liangqiu, it's not embarrassing to be captivated by your husband. i think you should be loyal to your feelings and desires.”

“mr. qin, it's not him yet.” she reminded him.

He smiled and turned the steering wheel with one hand. you'll be able to do it soon.

They would be married in half a month. After marriage, they would still be living in the apartment for the time being. However, he was already looking for a villa garden and would have to wait for half a year before moving in.

The location had been chosen, and he would take Liang Qiu there in two days.

Qin Anlan had never yearned for a married life so much. He could not imagine what it would be like for a woman to invade his space.

however, cool autumn was different. she had already invaded his life.

the first time, he had rejected her. the second time, when she was with mu yun, he felt that it was so natural.

It was as if they were his wives and his children.

Qin Anlan's heart softened, and he looked at her through the rearview mirror.

Xiao mu yun lay on ye liangqiu's lap and closed her eyes as if she was tired. he was very good-looking and looked like a little angel.

when they reached the intersection, he stopped the car and passed his coat to the back. "cover him. be careful not to catch a cold.

Ye Liangqiu was stunned for a moment. She looked up at him, stunned.

For the first time, she felt that a man could be so sexy when he became a father.

he took it gently and covered Xiao mu yun with the blanket.

Soft music played in the car, and Qin Anlan's voice was gentle. "Liangqiu, shall we have another child?"

she hummed in agreement. whether it was for mu yun or for their marriage, she was willing to have another child.

let that child grow up in the love of a father and a mother. let Xiao muyun have a younger brother or sister.

Chapter 1405:-see you again

lin xingyuan's call came a week later. it was the second day after qin anlan's return.

he went to the company, and mu yun was picked up by mrs. qin.

When it was almost noon, Qin Anlan called and asked his wife to send him a lunchbox.

qin anlan usually felt a little bored during the two-hour lunch break.

Ye Liangqiu didn't believe that she was going to send him a lunchbox. He wanted her to send him to his office.

she even suspected that he was the one who arranged for mrs. qin to take mu yun away!

&Nbsp; she usually ignored Mr. Qin's shameless behavior and his unrestrained behavior.

he wasn't tired, but she was!

after hanging up, lin xingyuan called.

Ye Liangqiu looked at the number, his fingers moving slightly. In the end, he picked it up and said in a hoarse voice, "Xingyuan,"

On the other side, Lin Xingyuan was a little bitter. Liangqiu, let's have a meal together! I'm going back to city H in the afternoon."

She couldn't refuse him, no matter what.

"let's have lunch at the shelter. is twelve okay?" ye liangqiu muttered.

"alright," lin xingyuan nodded.

when she put down her phone, ye liangqiu's heart sank and she didn't come back to her senses for a long time.

After a long time, he smiled, looked at the time, changed his clothes, and prepared to go out.

She had wanted to report to Qin Anlan, but she decided against it when she thought about how jealous he was.

She drove her white BMW and arrived at the restaurant. Lin Xingyuan had already arrived.

at first glance, she felt that he seemed to have lost weight.

ye liangqiu smiled and sat down. the waiter immediately poured her a glass of water.

"you've been here for a long time?" she took a sip of water to hide her uneasiness. emotionally, she owed him.

lin xingyuan smiled and turned his cup gently. "i just arrived." he looked up at the waiter and said, "Serve the dishes!"

After the waiter left, ye Liangqiu whispered, "you're not staying for a few more days?"

Lin Xingyuan looked at her deeply and chuckled, "i didn't find a reason for myself. " ye liangqiu looked at him, his voice a little soft. " xingyuan? "

"let's not talk about that! let's have a good meal as a farewell." His tone was a little desolate. Liangqiu, love is selfish. You don't need to feel guilty.

the atmosphere was a little stiff, which was what she had expected.

Slowly, she took off the necklace around her neck. Xingyuan, I might not be able to accept this.

lin xingyuan looked down for a long time and forced a smile. " keep it, liangqiu. just treat it as a memory, a memory of the days we lived. "

she looked at him and gently placed the necklace in his palm. " xingyuan, i hope you can forget and let go. "

“In everyone’s heart, there’s an emotion that can’t be erased! xingyuan, i hope that one day, you’ll also meet your ‘lin xingyuan’. when that time comes, don’t wait for ye liangqiu anymore and be with her. ” she felt that it was cruel to say these words, but she would rather he let it go and forget it. it was better than suffering all the time.

she really could not hold him up any longer.

she had tried to love him, but their relationship had stopped at a very close friend.

lin xingyuan’s gaze was deep. he slowly reached out and placed his hand on the back of her hand. his voice was very soft. ” liangqiu, i will remember the two years we were together. ”

Even if it was just an ordinary relationship, even if she only treated him as family, he was enough..

Chapter 1406: -see you again

There was a dark part of his heart that she didn’t know about. That part had long since rotted away. when he looked at her, he would feel inferior because he had an ulterior motive when he first got close to her.

how could someone like him deserve her love?

the waiter served the dishes. he drank ice water and served her food from time to time, but he ate very little.

He looked up and watched as ye Liangqiu drank the water from the cup. His eyes became deeper. ye liangqiu only felt that something was wrong after lunch. her eyes drooped, and she felt a little sleepy. she slowly laid her head on the table.

lin xingyuan looked at her for a long time before he picked her up and walked out.

The people around him looked at him, his expression indifferent.

this was the last time he would hug her!

liangqiu, you’ll have to walk your own path in the future.

my desire for you, my love for you, and those unspeakable darkness will all go with the wind.

Seeing how much you love him, I woke up and realized that wanting you was just a dream.

How am I worthy of this?

in a high-class suite of a hotel, he lowered his eyes and looked at her sleeping face.

she was sleeping soundly because of the half sleeping pill.

liangqiu, go to sleep! after a good night’s sleep, everything would be perfect when he woke up.

those who want to deal with you will always leave you in darkness.

he caressed her face with his fair fingers and smiled. ” liangqiu, i liked you from the first time i saw you. ‘

She was in a deep sleep and couldn’t hear a single word he said.

Lin Xingyuan lowered his head longingly and kissed her forehead.”Liangqiu, I’m going to leave.”

She smiled bitterly. you said you wanted to let go and forget Yingluo, but I hope that you will always remember that in your life, there was a person called

Lin Xingyuan.

i can’t hurt you, i can’t face being exposed by su Cheng. so, liangqiu, i can only help you find happiness.

he looked at her with a heavy gaze for a long time before he finally got up.

His phone rang. He picked it up. I’ll be done soon. I’ll come over to look for you in a while.

The person on the other side laughed strangely, and then asked in an even weirder voice, ” “you didn’t really touch her, did you?”

“of course not!” “Cheng Cheng, you’re the only one in my heart,” lin xingyuan said, his face expressionless.

Su Cheng chuckled. I’m downstairs at the hotel.

lin xingyuan put down his phone and looked at ye liangqiu quietly for a few seconds. in the end, he made up his mind and walked out.

The elevator went down, floor by floor.

He dialed Qin Anlan’s number. Liangqiu is in room 1212 of the Li Jing hotel.

with that, he hung up the phone.

this place was very close to qin anlan’s company. after qin anlan rushed over, the reporters that su Cheng had hired would rush over to take pictures of ye liangqiu ‘eating secretly’.

this was what su Cheng wanted, and he, lin xingyuan, had changed the outcome.

when he arrived at the hotel, he didn’t see su Cheng. his heart sank. he opened the door and saw her sitting in the front passenger seat of his car.

su Cheng had a pair of sunglasses on her palm-sized face. she looked at lin xingyuan and opened her palm. ” “where’s the thing?”

lin xingyuan placed the phone in her hand and said indifferently, ” we did as you requested. She’s not wearing any clothes now.

su Cheng was calmly playing with her phone. she glanced at lin xingyuan. ” so you’ve seen her body? ”

Lin Xingyuan started the car and didn’t answer her.

Su Cheng’s expression suddenly became fierce.. “are you moved by her? You want her?”

“No, I didn’t,” lin xingyuan clenched the steering wheel.

Su Cheng’s gaze fell on his hand. The veins were popping and there was a slight sweat.

“big brother xingyuan, tell me, what did you do?” Su Cheng’s voice was sweet, but it made people’s hair stand on end.

lin xingyuan squinted his eyes and stepped on the accelerator. he said calmly, ‘ “If I tell you that I’ve cut off the brakes of this car, Cheng Cheng, will you be afraid?”

su Cheng let out a long ” oh ” so, you like her that much. you’re willing to die for her and betray me? ”

Su Cheng put her hand on his shoulder and breathed into his ear. when you hugged my naked body, you said that I was the person you loved the most in your life.

“That’s why, Cheng Cheng, we’ll die together.” lin xingyuan tilted his head and smiled at her.

he was still gentle and elegant, still the lin xingyuan she knew in the past.

however, she seemed to have never seen him clearly or understood him.

su Cheng also smiled. ” brother xingyuan, if you want to die, i can help you. ‘

At this time, the car had already deviated from the runway and was rolling down the suburbs slope. There was no sign of people around.

a knife appeared in su cheng’s hand. she forcefully stabbed it into lin xingyuan’s abdomen.

blood stained his white shirt, but his face was pale.

In that extreme speed, the murderer in the car, his frightened expression, seemed to become a long shot in a movie that was stretched out, stretched out, and finally stopped.

“you want to kill me? You’re not qualified. ” Su Cheng’s hand moved forward again and tightened around the Kasaya.

Lin Xingyuan’s fingers gripped the steering wheel tightly. The car had already lost control. A faint smile appeared at the corner of his lips.”You’re also dying.”

Su Cheng’s foot slammed on the brakes.

The car came to a screeching stop after a series of wheels.

‘ brother xingyuan, ” su cheng’s hands twisted crazily. ” your skills are not enough for me, huh? ”

Lin Xingyuan groaned in pain, but that didn’t stop su Cheng.

“Why did you betray me?” she asked. do you know that those who betray me will not have a good ending?”

Her hands and body were covered in blood, but she was not afraid.

she felt an indescribable pleasure.

She had killed someone. Yes, she had killed someone. He deserved to die.

he said he loved her, so why did he give up and love someone else?

he should die!

su Cheng wiped the blood off the knife and got out of the car. she used a barrel to draw oil from the car and poured it on the car.

Lin Xingyuan was sitting there, covered in blood. He did not move and his fingers were hanging down.

Su Cheng threw his phone into the car. She was about five meters away from the car, so she threw the lighter beside it.

The gasoline started to burn, and the flames shot up into the sky and exploded into pieces.

as for lin xingyuan, he had completely disappeared from this world.

qin anlan rushed to li jing hotel. when he kicked the door open, his heart almost stopped.

He walked over step by step. His cool autumn was lying down properly, and there was nothing wrong with her body.

“Liangqiu,” he said, shaking her awake. ye liangqiu slowly opened her eyes. she was still a little dizzy, and the person in front of her made her feel a little dazed.

“an lan?” she shook her head. ” i’m having dinner with xingyuan. ”

Why was he here?

qin anlan hugged her and said in a low and hoarse voice, It’s good that you’re fine.’

He didn’t say that it was Lin Xingyuan who called him to come, but there was a diary on the bed..

Chapter 1408: see you again

ye liangqiu reached out and took it. after flipping through a few pages, her face changed. she looked up at qin anlan and her lips moved. ” “i’m going to call lin xingyuan,”

it was probably because she had lived with lin xingyuan for two years and she understood him very well. his actions now made her feel a sense of farewell in her heart.

she made the call in a flurry while qin anlan flipped through his diary.

the contents were obscure. most of it recorded lin xingyuan and ye liangqiu’s life for the past two years. even breakfast was written in detail.

that sweet and sour, sour with a tinge of astringency, could be felt just by looking at it.
He flipped to the last page, and there was only one linedo you know, a cool autumn leaf!
Ye Liangqiu desperately tried to call him, but he couldn't get through.
She was on the verge of tears, and her heart was cold.
Lin Xingyuan, what stupid thing did you do?
I won't allow you to do this.
However, his phone was turned off and she could not contact him.
at that moment, the door of the suite was broken down, and a large number of reporters came in.

they wanted to capture the scene of ye liangqiu climbing over the wall, but the person sitting by the bed was qin anlan.

the scene went out of control. qin anlan's anger, the reporters 'excitement

Ye Liangqiu desperately tried to walk out. She wanted to find Lin Xingyuan. Her intuition told her that something had happened.

However, the reporters blocked her way and frantically asked her questions.

Qin Anlan protected her and led her out. However, there were too many reporters and he was powerless.

In the end, the manager of the hotel came forward and asked the reporters to

ye liangqiu held the diary in her hands. " an Ian, i beg you to find him.

qin anlan put an arm around her shoulder and nodded. " "I will."

she didn't look too good, and he was also worried. in the end, he called sister Ying to take care of her.

He would then arrange for people to search for Lin Xingyuan.

There were no records of Lin Xingyuan returning to city H on the high-speed rail or the airport, which meant that he was still in the city.

if the reporter incident had not happened, qin anlan would have thought that liang qiu was overthinking things. however, after the reporter incident, the matter was not as simple as it seemed.

behind him, there was a hand that they could not see.

All the mainstream media were reporting the same news until three in the afternoon.

An Audi Q5 had exploded on a highway, and there was an adult man in the car. From the license plate number, he deduced the man's identity. It was Lin Xingyuan, a doctor from city H.

Ye Liangqiu was sitting on the sofa in the apartment. The moment she saw Lin Xingyuan, her face was covered in tears.

xingyuan died of awkwardness?

How could that burnt body be Lin Xingyuan?

How could it be the Lin Xingyuan who bought her breakfast every day and came home early after work?

He was such a good person, how could he just disappear like that?

she didn't believe wanwan.

qin anlan hugged her from behind, his voice a little hoarse. "Liangqiu, just cry if you want to! just cry it out."

she buried her face in his arms and said in a hoarse voice, "it can't be xingyuan! Qin Anlan, tell me, it can't be him. Xingyuan won't die."

They had agreed that he would find a good woman to marry, Yingluo.

how could he die? how could he die?

she cried like a child. she had lost someone important in her life again.

there was nothing he could do. while she was sleeping, he had walked into another world.

Qin Anlan hugged her tightly, not allowing her to hurt herself.

his face was pressed against her cold little face. it was cold and wet, and there were tears everywhere. it was her heart that was broken.

he could understand.

The person in his arms slowly softened, and her face slanted in his arms.

Chapter 1409: see you again

qin anlan was shocked. he hugged her and called her name.

She was still unconscious.

In the end, he still carried her and drove to the hospital.

He was both surprised and happy. Cool autumn was pregnant.

He reached out and gently stroked her lower abdomen.

this child came at the right time, but it was not the right time to soothe the pain in her heart. it was not the right time because he was afraid that she would be too sad and hurt the child and herself.

Qin Anlan's heart was conflicted. It was sweet and sour at the same time. He did not know how to treat her well to make her a little happier.

He had asked Kie to deal with Lin Xingyuan. No matter what, Lin Xingyuan was an important person to cool autumn. He had taken care of them for so many years.

Kime came over. it's him! But they couldn't find the murderer! The killer was too cunning and chose to burn the car. All the clues were destroyed, and we only know that the weapon was a fruit knife."

qin anlan stood with him in the corridor of the hospital. he looked at kime for a while, then took out a cigarette and lit it. ” where’s lin xingyuan? ”

Kime pursed his lips and sighed. “It’s beyond recognition! He’s quite pitiful.” qin anlan looked out of the window, his gaze a little distant and dazed. There must be a story behind Lin Xingyuan. There must be a person.

That story, that person, what was it, who was it?

When they returned to the ward, he continued to watch over her while Kie continued to gather information.

When ye Liangqiu woke up, it was already dark.

she slowly opened her eyes, and qin anlan immediately leaned over. ” “Are you feeling better? Are you hungry? mom asked aunt Xiu to send some soup over.” ye liangqiu felt that her lips were a little dry. she licked them and looked at qin anlan, who was in front of her. she said with difficulty, ” “An LAN, I want to go look for Xingyuan. ”

She was worried about Xingyuan.

however, as soon as she finished speaking, she remembered the news from before and her face turned pale again.

she struggled to get up but was stopped by qin anlan.

He looked into her eyes and said in a serious tone, ” Liangqiu, I won’t stop you if you want to go crazy or make a fuss. I won’t be jealous either! but, protect our child.” his large palm caressed her lower abdomen, and ye liangqiu was stunned.

She looked at Qin Anlan for a long time before she asked with difficulty, ” the child? ”

“Yes!” He held her in his arms and said in a gentle voice, ” “Yes, Liangqiu. We have another child.”

She placed her fingers on her lower abdomen hesitantly.

She had another child so quickly?

Her gaze slowly met his. an LAN, can you let me see Xingyuan? ”

He hugged her, letting her feel the warmth of his body. After a long time, he finally nodded.”Alright,” he said.

he knew that not allowing her to see him would be the greatest regret of her life.

Although it was not appropriate for her to see such things when she was pregnant, she was carrying Qin Anlan’s child, ran ran.

His child was not afraid of these things.

he did not need to be afraid of lin xingyuan’s teasing. lin xingyuan was the person who loved liang qiu with his life.

There was no need to be afraid.

He took ye Liangqiu to that cold place and stayed by her side.

when she saw lin xingyuan, an extremely uncomfortable liquid rose in her stomach and she immediately covered her mouth with her hand.

She ran out and vomited so much that she almost vomited her bile. It was too scary, too scary.

Xingyuan did not have a good ending.

That scene had been entrenched in her mind, becoming a nightmare for her. because of this, mrs. qin blamed qin anlan and chided, ” “liangqiu is pregnant. how could you bring her to such a gloomy place? what if she gets a shock?” Mrs. Qin wanted to hire a sorcerer to perform a ritual. She believed in that..

Chapter 1410: revelation of one’s past (1)

“mom, please ask the wizard to help me cross over!” Ye Liangqiu said softly, her arms folded.

In the past, she did not believe it. But now, she would rather believe it. She believed that it would help Xingyuan live a better life in the other world. “alright.” mrs. qin sighed. I’ll make the arrangements.”

She could empathize with him. She was the same as Lin Xingyuan. She had once loved someone deeply.

however, liang qiu still missed lin xingyuan, while the person she loved was yingluo.

mrs. qin shook her head and smiled gently. her smile was a little helpless and sad.

The ritual was held on the seventh day after Lin Xingyuan left. Ye Liangqiu was dressed in black and had been praying for the entire morning.

qin anlan looked at her. although his heart ached, he could only let her be. If he didn’t let her do it, she wouldn’t be at ease for the rest of her life.

at night, qin anlan woke up and touched his body. there was no one beside him.

He sat up, turned on the bedside lamp, and looked at the empty room. She was not there.

He casually put on some clothes and went out. When he walked into the living room, he saw her sitting on the sofa in front of the floor-to-ceiling window. she sat in the dark room, looking at the night view outside.

“cool autumn.” His voice rang out softly as he reached out to turn on a small night light.

The soft light seemed to be afraid of scaring her, and it surrounded her with a warm yellow light.

he looked at the diary on her knee and held his breath. then, he felt pain. ” liangqiu, are you still reading? ‘ she lowered her eyes and did not speak for a long time.

qin anlan sat down and stretched out his long arms, pulling her into his embrace.

her face was pressed against his neck, and he could feel the coldness. she was crying again.

“Cool autumn.” His heart ached as he called out her name, his voice low. “go to sleep, okay?”

she pressed her face against the side of his neck, and after a while, she said softly, ” ” an Ian, i feel a little sorry for him. ‘

Lin Xingyuan didn’t say anything, but she could feel that he died because of her.

She wanted to find out the truth, but Qin Anlan couldn’t find ran ran.

Was she going to let him leave just like that?

She couldn’t accept this, she really couldn’t accept this.

“i know you’re upset, but i think lin xingyuan wants you to be happy.” he patted her back and comforted her gently.

She closed her eyes and tightened her arms around his waist.

qin anlan picked her up horizontally and carried her back to the bedroom. he placed her on the bed and reached out to stroke her head. if you’re not in the mood now, we can push back our wedding by three months.

She looked up in surprise. Her eyes were still moist, and her entire person looked indescribably soft.

She was a little touched because Qin Anlan was not a man who would give in and compromise easily. However, he had taken her feelings into consideration and was willing to postpone the wedding. This was not only his decision, but he had also convinced his mother.

after all, she was doing this for lin xingyuan.

she didn’t reject him. just as he said, she wasn’t in the mood. even if they were to get married, it would be rushed.

Qin Anlan pinched her face and tried to take the diary away from her hand. He carefully placed it on the bedside table.

his heart was also a little bitter. his wife was now holding another man’s diary all day long, treating it like a treasure. he felt like he was being ignored, but as a man, he could understand her.

she laid down with her eyes wide open. he coaxed her to sleep like she was a baby..
