

Thank you 1561

Chapter 1561 - 1561: Why don't you go to heaven?(1)

Qin Anlan could not help but laugh. this is the first time I'm feeling this.

he loved Xiao mu yun, but he seemed to like the little one in her stomach more.

he had a feeling that it would be a little girl.

He had been envious of Tang Zheng's little Xinxin for a long time. Such a chubby little thing must be very fun to hold.

as he thought about it, he couldn't stop touching her lower abdomen. he felt more and more confident. I Cross.

Tang Yu couldn't make PEI Qiqi's stomach bigger again. At this moment, Qin

Anlan felt like he was about to ascend to heaven.

he chuckled and pinched his wife's face. " isn't my husband amazing? "

Ye Liangqiu looked at him. shameless.

at this moment, qin anlan was full of pride again. he trapped her in his arms and chuckled. " "Tell me, isn't my husband amazing?

ye liangqiu was speechless. she also pinched his cheeks with both hands and pulled them to the sides. " oh, hubby, you're so amazing. why are there so many women who are not pregnant? "

qin anlan was a little dumbfounded. no matter how he replied, it was not appropriate!

She reached out and pinched it back. did I? Other than you, where else would I find another woman?"

"Still not going to admit it?" She bit the tip of his nose, her eyes sparkling. he looked at her in a daze. after a long time, he leaned over and kissed her eyelids. his voice was gentle as he said, " liangqiu, you don't know how much i love you.

"that's not what we were talking about," ye liangqiu said, glaring at him.

"But I only want to talk about this topic with you." Qin Anlan looked at her. you don't even know how cute you are.

she wasn't actually an adorable girl. she was tall and had a strong aura, but in private, she had a kind of contrasting cuteness.

ye liangqiu glanced at him. " how can they be as cute as your harem? "

He laughed. He especially liked it when she was jealous. He ruffled her hair as if he was ruffling a small animal. they don't match me, so I can't get pregnant.

he had just said it when she gave him a kick.

Ye Liangqiu ruthlessly kicked him. you still dare to talk? ” he laughed in a deep voice. ” i like it when you’re jealous. ‘ she remained silent. qin anlan looked at her. ” are you angry? ‘ She turned her small face and looked out of the window. you’re angry.

he laughed. ” how do you want me to coax you? ”

Even though he said that, he still looked at her affectionately. She was wearing a loose white dress, and her long hair was let down. She looked unspeakably otherworldly.

Her beauty needed to be savored slowly.

ye liangqiu turned her head and looked at him. ” do a hundred push-ups. ”

qin anlan laughed and jumped down from the bay window. he then lay on the ground and stammered.

He looked at her and said, ” Liangqiu, come up.

Ye Liangqiu looked at him, but still went over and sat on his back.

qin anlan started doing push- ups, and ye liangqiu finally understood what electricity was. I moved A small motor.

However, he was so bad that he deliberately made that kind of embarrassing panting sound as if he was doing that kind of thing.

She simply covered her ears and whined,

He finished 100 in a short while. After he was done, he carefully removed her from the blanket and turned over to look at her. Liangqiu, are you happy?

ye liangqiu squatted down. ” i’m happy to see you tired. ” he gave her a kiss. ” after giving birth, i’ll make you tired every day. ”

“shameless!” She bit his lips. I a wolf.”

he hugged her, and because of the exercise, his breath was hot. his burning gaze stared at her in a daze for a long time before she said softly, ” an lan, i’m very happy.”

Chapter 1562 - 1562: Why don’t you go to heaven?(2)

she didn’t need to wait until the baby was born. she was already tired of being pestered by him every day.

after they returned to b city, qin anlan brought her and Xiao muyun to stay in the villa. naturally, he had also arranged for security guards to be stationed around the villa to ensure her safety.

if she didn’t need to use any large instruments for her prenatal check-up, she would do it almost at home.

Every time Qin Anlan sent a car to invite Dr. Mei over, he would send her back after the incident.

this time was no exception. when he came back, ye liangqiu looked at him and hugged her knees. ” you’ve never seen me off like this. ‘

qin anlan sat down, looked at her, and smiled. " should i bring the little kid out to zimo? " his little friend, however, was proud. " i don't want to go out. ' ever since she came back from the south, she had always been lazy and did not like to go out.

He wanted to take her out for a walk. At least, it would be easier for her to have a baby after some exercise.

However, she was really blessed by the heavens. Even though she ate so much and did not exercise, she still had slender hands and feet. She was a natural clothes hanger. If she wore loose clothes, no one would be able to tell that she was pregnant.

Qin Anlan had no choice but to drag her out of the room.

It was an early autumn evening. The sunset was beautiful, and the scenery in the park was pleasant.

qin anlan held his little girl's hand with a pampering expression on his face.

At first, ye Liangqiu was unwilling to go out, but now she was in high spirits and sat by the lake with Qin Anlan to feed the fish.

she was wearing a pair of white cropped pants with qin anlan's light blue shirt on top. she was tall and looked surprisingly good in it, especially when her long hair was tied into a ponytail.

Qin Anlan reached out and pulled her into his arms. He hugged her and accompanied her.

seeing her happy face, he felt happy.

after she got married, she would think of su Cheng more or less. when she thought of her lonely friend, she could not let go.

That was why he wanted her to be happy.

the marriage he had given her was not to say how much happiness he had gained from her, but because he wanted his cool autumn to feel happy because of him.

qin anlan smiled and pulled her into his arms.

his heart softened. he hugged her and pressed his lips against the side of her neck. " look at that big fish over there. "

' yes, he looks quite stupid. an lan, he looks a little like you. " she chuckled.

he glanced at her and reached out to pat her head. " nonsense. "

"If I were that fish, I'd be pretty stupid. Otherwise, I wouldn't have fallen for your trick."

Ye Liangqiu looked at him and teased him, He laughed softly and coaxed her, "Alright, I'm a stupid fish!"

She was rarely happy, and he didn't want to dampen her spirits. Only then did she happily continue to throw bread to the fish.

suddenly, a figure appeared in front of her, blocking her view.

she looked up at the person in front of her.

To her surprise, it was su Shicheng, supported by a nanny.

the current su shicheng was completely different from the su shicheng from two months ago. his face was yellow and his body was much thinner.

he looked at the two of them embracing each other and a faint smile appeared on his face. his voice was also light and gentle.”cool autumn.” ye liangqiu’s eyes were fixed on the man in front of her. she knew that he was sick, and it looked like he was really sick.

She felt a little sad, but she wasn’t sad.

after staring at it for a while, he said softly, ” “mr. su. what a coincidence..”

Chapter 1563 - 1563: A conspiracy and an open one (1)

“I’ve been waiting for you here.” although su shicheng’s face was haggard, his expression was one of unprecedented kindness as he slowly said, ” you didn’t invite me to your wedding with anlan. ”

his gaze fell on her stomach, and after a while, he said softly, ” the child is almost four months old!
”

he smiled bitterly and coughed violently. ” i haven’t prepared anything for her as her grandfather. i’ll make up for it together with your wedding. ‘ “i don’t need it,” ye liangqiu replied, her voice a little hard.

Su Shicheng’s face was a little pale and he looked a little embarrassed. His facial muscles trembled a few times before he said in a low voice, ” it’s just a token of my appreciation.

with that, she gestured to the nanny beside her. the simple middle-aged woman took out a document bag from her bag and handed it to ye liangqiu.

Ye Liangqiu refused to take it.

“take it, it’s my atonement.” su shicheng’s voice was calm as if he had seen through everything, ” i’ve already brought your mother home. i’ll take good care of her, hanhan.

“you can take care of her when i’m not around in the future!” he said after a pause.

ye liangqiu was in qin anlan’s arms. her lips were pursed and she could not say a word.

Qin Anlan let go of her gently and bent down to pick up the document.

President su, you should take it back! Liangqiu’s ambitions are not in this.”

He didn’t need to think to guess what was in the document.

he was a hot potato.

As expected, it was the shares of Asia Vision.

what was su shicheng up to this time?

Su Shicheng looked at Qin Anlan and smiled. an LAN, she's my daughter. How do you know that her ambitions aren't in this? ”

“an lan is right!” ye liangqiu's voice was cold. ” i have no interest in asia vision at all. ‘

Su Shicheng looked at her face and did not seem to be angry. He only lightly said, “liangqiu, it's time to go home.”

His words would cause a misunderstanding, especially Qin Anlan's.

ye liangqiu looked at qin anlan and saw that his expression was normal. only then did she feel at ease. she picked up the document and handed it to su shicheng. ” give up. i won't go back. ” she would never go back to that dark place again.

su shicheng chuckled. ” you don't want your mother anymore?

ye liangqiu looked at the person in front of her. he was so invulnerable. family, marriage, none of these could become his weakness. if he could do it, so could she. if her heart softened because of mrs. su, then she would have fallen into his trap.

as for mrs. su, she would settle the matter through the su family. su shicheng could not afford to offend the su family now.

“I never had the chance to choose,” she said firmly.

Su Shicheng was stunned for a moment before he chuckled lightly and coughed,”liangqiu, you're just as decisive and ruthless as daddy's yingluo.”

after he finished speaking, he looked at her deeply, took the bag, and slowly left.

He walked slowly, coughing from time to time, like a dying old man.

Ye Liangqiu stood there and watched for a long time.

“Let's go back!” qin anlan hugged her, then said with a relaxed expression, “the air here isn't very good. i won't come here in the future.” ye liangqiu grunted in agreement. she really did not want to see su shicheng. She had only seen her once, and after she went back, she wasn't very well. She even had a low fever at night.

Qin Anlan busied himself the entire night before she finally settled down.

when the sun rose, he leaned against the headboard and touched her forehead with his. he only felt at ease when he felt that her temperature was not hot anymore..

Chapter 1564 - 1564: a conspiracy and an open one (2)

she was covered in sweat. he gently wiped it off for her and finally held her in his arms. "liangqiu, i'll find a way to get your mother out." ye liangqiu was taken aback.

He ruffled her hair. How could he not know what she was thinking?

She was always cold on the outside but warm on the inside. Mrs. Su was not good to her, but she could not be heartless.

ye liangqiu looked at him, her long hair stuck to her face with sweat. after a long while, she softly said, "I dreamed of her."

Qin Anlan reached out and gently pulled her into his embrace. He stroked her long hair and said, "I will help her bring her out."

she leaned on his shoulder, her fingers quietly wrapping around his waist. she bit his shoulder with her small mouth. "an lan, i feel like it's just a dream."

from the ye family to the su family, they were all so heartbreaking.

Qin Anlan understood how fragile she was. He reached out to caress her little face and said quietly, "Liangqiu, you have me in the future."

they don't want me. no one cares about me. an lan, i'm an extra ran ran. " she still cried.

She had once yearned for kinship, for Wang Caiyun to love her, for her biological mother, Mrs. Su, and even for su Shicheng's admiration. However, her fantasies were so easily shattered.

To them, she was either a burden and dispensable, or a chess piece to be used.

She admitted that she was being a little unreasonable, but she still couldn't help but feel sad.

Qin Anlan cupped her face in his hands and kissed away the tears at the corner of her eyes. His actions were extremely gentle and filled with endless tenderness.

"liangqiu, it's not like this!" he coaxed her. "because they don't know how to cherish it. they have too many private things. I Desire, they don't know love."

Just like him, it was only after a thousand twists and turns that he realized how good she was and that he could never leave her again.

she cried like a child in his arms. he coaxed her for a long time. "liangqiu, i've kissed you. don't cry anymore!"

for the first time, she was so at ease to give herself to someone else. she was at ease to give all her weaknesses to someone else.

Under Qin Anlan's hard work, Mrs. Su was finally brought back to the SU family. She had a good home.

this was also because su shicheng was under pressure from the public and had some ulterior motives.

Mrs. Su wasn't his target. Besides, he couldn't threaten Ye Liangqiu with her.

When the Su family picked up Mrs. Su, especially Mrs. Su's mother, they slapped Su Shicheng across the face and forced him to write the divorce papers.

Ye Liangqiu was clear that the Su family's appearance was most likely Qin Anlan's negotiation. He must have used something in exchange.

That day, she was sitting in the car with Qin Anlan by her side.

She watched Mrs. Su walk out of the Su residence. Her figure was thin, and her expression was dazed.

When they reached the door and the driver opened it for Mrs. Su, she suddenly looked in Ye Liangqiu's direction.

Ye Liangqiu sat in the car, her body stiff and unmoving.

Qin Anlan sighed softly and placed his hand on the back of her hand. He said in a low voice, "Liangqiu, if you want to meet, just meet. You may not have the chance to do so in the future."

Ye Liangqiu looked at him, her eyes somewhat warm.

"An Lan." She called out to him and suddenly said, "I think you're especially forgiving now."

She smiled. "So you know about it too."

He got out of the car and helped her out.

There was a touch of fanaticism in Mrs. Su's eyes. She just looked at her and walked straight towards her.

Chapter 1565 - 1565: a conspiracy and an open one (3)

Ye Liangqiu didn't move until Mrs. Su came over.

Mrs. Su's surname was Chen, and Old Mrs. Chen also came over. Although she was already in her eighties, her eyes were still full of light.

He looked at Ye Liangqiu up and down, then asked, "You're that child?"

Old Madam Chen was in politics, and her voice was naturally dignified. Everyone in the Chen family was afraid of her.

This time, they were able to take Mrs. Su away successfully because of Old Madam Chen.

Old Madam Chen was very dissatisfied with this daughter of hers. She had originally given up and let her be, but Qin Anlan had found the Chen family.

Ye Liangqiu looked back at the old man in front of her and smiled. "Yes."

Old Madam Chen's face was still old-fashioned and stern. In terms of seniority, you should call me grandma.

“if we’re talking about seniority, i’ll still call you mayor Chen,” ye liangqiu said with a smile.

but no one had ever dared to disobey the old lady like this. she was so angry that she glared at ye liangqiu. ” you’re so rebellious. no wonder your mother doesn’t like you and likes that weird su Cheng.

As she spoke, she looked at ye Liangqiu with a pair of sharp eyes, as if she wanted to see through her true thoughts.

ye liangqiu remained unmoved. ” family ties are nothing. just like mayor Chen, we are blood-related, but what’s the difference? ”

Old Madam Chen was furious. you don’t know what’s good for you.

she turned back to look in the direction of the su residence and sneered. ” do you think he’ll let you off? you’re the su family’s only heir. su shicheng is a madman who won’t give up so easily.”

you knew he was crazy, so why did you agree to their marriage? ” ye liangqiu looked at old madam Chen, who was covered in blue and gray. The old lady’s expression darkened. will stopping him help? ‘

She looked at Mrs. Su.

Mrs. Su was still in a daze. She held ye Liangqiu’s hand and called out carefully, chengcheng?” qin anlan held ye liangqiu’s hand and gave her some warmth.

he knew that she would definitely be sad.

However, she was not angry. Instead, she thought of su Cheng.

ye liangqiu wasn’t a pretentious person. even if she was unhappy, she still had an Ian’s comfort, yingluo.

but su Cheng had nothing. all she could give her was the four corners of the sky.

At that moment, she understood Mrs. SU’s love for su Cheng.

su Cheng was a little crazy, but she could not deny that she was cute. She pursed her lips and allowed Mrs. Su to hug her without resistance.

” mom, ” she said in a low voice.

even if it was right at first and wrong now, when she buried her head in mrs.

su’s shoulder, she really felt the warmth of her childhood.

her mother called her susu and her little darling yueyue.

it had been a long time since he had felt warmth, but the price he had to pay was too great.

she closed her eyes, and they were a little hot, so hot that tears were about to fall.

mrs. su coaxed her and called her Cheng Cheng. she told her not to be afraid and that her mother was here.

ye liangqiu closed her eyes, an indescribable feeling in her heart.

she called out for her mother in a low voice. this might be the last time.

This is my only chance, Yingluo.

an LAN is very good. Chengcheng, listen to him in the future. Mrs. Su said incoherently.

Old Madam Chen's voice was majestic. alright, let's go.

Mrs. Su seemed to be afraid of her. After saying that, she let go of ye Liangqiu's hand..

Chapter 1566 - 1566: do you want to save them?(l)

"Mommy has to go. Chengcheng, you can visit mommy in the future." tears fell from mrs. su's eyes. she was still in a daze and couldn't tell who the person in front of her was.

ye liangqiu watched as she was taken away. from the beginning to the end, old madam chen's face was stiff, and she didn't give her daughter any warmth.

" an lan, she's the same as me. she didn't feel any warmth, so she loved su shicheng so passionately, right? " she rested her head on his shoulder and asked softly.

qin anlan was with her. he watched as the black rv drove away slowly before he said, " the Chen family has been in politics for generations and has been indifferent to human emotions. There are many things that are no longer within their control.

he lowered his head to look at her. " as for your mother, zhenzhen, she's an anomaly in the chen family. when she fell in love with su shicheng and insisted on marrying him, she didn't think well of him. "

What he didn't say was that the Chen family didn't think highly of Mrs. Su, and they didn't think highly of ye Liangqiu either.

if mrs. su went back, she might not be able to do as she wished, but at least her life would be safe.

Perhaps in the future, after Liang Qiu gave birth, he could bring Mrs. Su out and live somewhere not far from them. If Liang Qiu wanted to see her, she could.

Su Shicheng did not have many years left to live. What Qin Anlan had to do now was to wait for him to die.

emotionally, he did not want to hurt liang qiu. he always wanted to give her the best of everything.

Anlan, thank you. She pursed her lips and looked up at him.

qin anlan smiled and held her hand. " liangqiu, let's go home. " She hummed in agreement and was helped into the car by him.

on the second floor of the su residence.

su shicheng stood there and watched as qin anlan's car slowly drove away.

"why don't you do something to the car?" the person standing behind him asked in a low voice.

su shicheng slowly turned his head and glanced at him, "do you think i'd let my own daughter die with me?" that person didn't say anything, because in his heart, there was nothing that teacher su couldn't give up.

Su Shicheng's gaze turned into the distance again, and he said with a melancholy tone, "if i'm not here in the future, who will witness the glory of asia tv?"

He didn't have much time left. Originally, he had frozen his virginity, but he didn't have many years left. Even if he found a woman and had a child with her, he couldn't control it. What was the point?

"Mr. Su, I was wrong," the person behind him said in a deep voice.

Su Shicheng quietly gazed into the distance for a long time before saying, "are you all ready?"

The man nodded. Yes, I'm ready.

Su Shicheng chuckled lightly, "then send it out tomorrow.

as he spoke, he coughed a few more times, and the man exclaimed, "let's just call the doctor."

"i don't need to!" "MO Nan, there's no cure for my illness," su Shicheng said in a calm voice.

he was just taking medicine to maintain his life, so what if he was unwilling to accept the fact that his illness was so fierce?

MO Nan was a trusted aide he had personally trained, so he fell silent upon hearing su Shicheng's words.

The next day, when ye Liangqiu was alone at home in the afternoon, the maid at home delivered a package to her. young Madam, this is your parcel. It's an urgent package.

she took it and was a little surprised that yingying still opened it. It was a CD.

Ye Liangqiu was a little curious, so she opened the Kasaya.

Ten seconds later, her face was drained of blood.

at the same time, her phone rang. the sound was like a rustling sound, touching her heart. it was as if something was pinching it, making it hard for her to breathe.

Chapter 1567 - 1567: Do you want to save them?(2)

"Did you see cool autumn Qianqian? if you want to save them, don't hang up. Otherwise, I'll destroy her immediately." The voice on the other end was like a ghost, "you don't have the heart to do it either, do you? think about how much qin anlan loves you."

Ye Liangqiu looked at the computer. After a long time, she gently took out the CD and broke it into two.

After that, she held her phone and only hesitated for a few seconds before leaving.

She was four months pregnant, but she still drove.

when the servants asked, she only said that she was going to qin anlan's company to deliver some documents.

Sitting in the car with her phone on, she saw a heartbreaking scene.

she had no choice but to drive to the place su shicheng had specified.

When she arrived at an abandoned factory, her car door was pulled open. Two

Men in Black came in and quickly covered her eyes.

she then got into another car.

The car drove, stopped, and made countless turns before coming to a stop about an hour later.

the cloth covering ye liangqiu's face was removed. he opened his eyes and saw gray and rusty buildings all around him.

she held her phone and looked around.

There was a large pool in the middle of the warehouse. There was dirty water floating in it, as well as white floating objects, which made people look like they were doing evil.

At this moment, a voice rang out. Liangqiu, you're still here.

ye liangqiu looked up and saw su shicheng.

he was already sick, and his appearance in such a place made his body seem even more fragile.

“are you crazy?” Ye Liangqiu's body trembled, and her voice was a little shrill. where is she? where is she? ”

She ignored herself and quickly walked up the iron-marked stairs.

Su Shicheng was wearing a white shirt with two buttons unbuttoned at the collar and a scratch mark on his neck.

It was scratched by a woman's nails.

Ye Liangqiu's eyes were hot. where is she? ” What do you say?” su shicheng looked at her almost hysterical appearance and smiled faintly. ” you care a lot about her? ”

When she got close to him, she could smell a faint scent of a man and a woman who had just had sex.

it was faint, but she could smell it.

ye liangqiu's body swayed slightly. she almost couldn't accept this blow.

“are you crazy?” her face was covered in tears. ” how could you do such a thing? that’s an lan’s mother. ”

Su Shicheng sneered, ” she was willing to do it. I didn’t force her.

he gently raised his hand, and a strange sound came from the pool below.

A wooden prison slowly rose from the inside. A curtain of water fell down, revealing the person inside.

It was a legless man whose original appearance had long been unrecognizable. His long hair was draped over his shoulders, and it was tangled.

Su Shicheng placed his hands on the railing and smiled faintly. do you know who he is? ”

Ye Liangqiu’s face was frozen, and so was his body.

she kept looking at the people in the wooden cell, and a premonition rose in her heart.

“You’ve already guessed it.” Su Shicheng’s fingers gently caressed his lips. he’s Qin PEI. Qin Anlan’s father, Zhenzhen, is a man who abandoned his wife and child.

His expression suddenly became a little dazed. but Hongke is still willing to give herself to me for his life.

he turned his head and looked at ye liangqiu. ” did you know? all these years, she’s never had any other man.

And old age, her chastity! She was still clean for that heartless man..

Chapter 1568 - 1568: do you want to save them?(3)

The man in the wooden cell slowly raised his head when he heard su Shicheng and ye Liangqiu’s voice. A trace of sorrow and grief appeared in his eyes. Just an hour ago, he had witnessed his wife being pressed under su Shicheng’s body and madly doing those things.

He had been married to Hong Ke for so many years, but he did not love her that much. Otherwise, he would not have left her so easily.

But after so many years of not seeing each other, she was old. On the day they reunited, she cried so hard that she was beyond recognition.

she didn’t scold him for being heartless, but her heart ached for his encounter. hong ke was dragged away, but su shicheng, that bastard, actually asked her to make her own choice. if she didn’t want him to die, she would have to do that kind of thing with su shicheng.

Hong Ke was over 50 years old and had always looked down on her. She was such a proud woman. When he left that year, she did not cry, nor did she ask him to stay.

But now, she already had silver hair, but she had given herself to su Shicheng for him.

When her silver hair fell, he seemed to see how beautiful she was when they were newly married. on their wedding night, she also had her hair down like that as she lay in his arms.

the overlapping of memories turned out to be the most tragic pain in the world.

This kind of pain had surpassed all the pain his body had suffered all these years.

he called her name again and again ...

hongke zhenzhen, why are you doing this?

Why care about me, why care about my life and death, a person like me doesn't deserve to die.

she was not a little girl anymore. she was in pain, she was in pain. she let out a painful cry, and every sound was a torture to him.

at that moment, he wanted to die.

he desperately hit his head, desperately trying to kill himself.

in the abandoned warehouse, his shrill cries could be heard.

Hong Ke lay on the ground, a tear falling from the corner of her eye.

what he did not know was that she had liked him since they were young. she had liked him for a very, very long time ...

she had done so much for him, but he didn't know and left just like that.

She wanted to hate him, and she had hated him for so many years, but in the end, her heart still ached for him.

She had said that she was three years older than him and that no matter what mistakes he had made, she would forgive him once.

Qin PEI, you're back. Ran ran has become like this.

her heart ached.

That tear almost corroded Qin PEI's heart. For so many years, he felt guilty towards her, but he didn't regret it that much because he felt that he didn't love her and it would be better for him to leave her.

but now, he wanted to love her. he wanted to start over.

he thought about that morning when he woke up and she wanted him to hug her and tell him that she was pregnant.

how good would it be if he didn't leave?

they would have a daughter and be very happy.

he was the one who destroyed the kasaya.

Qin PEI's eyes were firmly fixed on su Shicheng, while ye Liangqiu's face was pale.

Suddenly, Qin PEI made a strange sound and called Hong Ke's name.

ye liangqiu froze for a moment and ran in the opposite direction.

she ran as fast as she could, not caring that she was pregnant. she was afraid that if she ran any later, she would be slower.

However, when she ran into an abandoned house, she was still too slow.

Mrs. Qin was leaning against the wall with only a jacket covering her body. Her hair was let down, and a few strands of silver hair could be seen.

Her face seemed to have aged a lot in an instant, but she also seemed like a little girl.

She was holding an iron rod tightly in her hand, and a stream of blood slowly flowed down from her forehead.

“Mom!” Ye Liangqiu ran over, knelt down, and quickly pulled off her coat to wrap it around Mrs. Qin’s head. mom, mom, hold on. I’ll take you to the hospital..

Chapter 1569 - 1569: now, it hurts (1)

her tears fell. she wanted to carry mrs. qin, but she couldn’t.

“mom!” she patted mrs. qin’s face, her voice urgent. ” mom, don’t sleep. ran ran, don’t sleep. ‘ mrs. qin lay in her arms. her eyes opened slightly, then closed weakly.

After such a long time, Madam Qin finally spoke with difficulty, ” “cool autumn qianqian, let’s go, qianqian.”

“Let’s go, Zhenzhen, let’s go!” The blood on her forehead flowed down her face, and ye Liangqiu’s line of sight was dyed red.

mrs. qin’s face twitched, and a tear fell from the corner of her eye.”i can’t let him go, yingluo clearly knows yingluo”

His eyes fell on ye Liangqiu’s face, and there was a touch of sadness in his eyeshe clearly knew that it would implicate her and an Ian, but she still held on to a glimmer of hope that su shicheng would let qin pei off.

However, when she heard that cool autumn was coming, she knew that she should die.

This last trace of life should not be left .

She was an Lan’s disgrace, and she couldn’t live anymore.

Her fingers clutched ye Liangqiu’s hand tightly, and with the last of her strength, she said,”Liangqiu, don’t tell an LAN.”

she had raised him, so how could she not know his personality? even if she killed su shicheng or chopped him into pieces, an Ian would suffer for the rest of her life. he would feel guilty.

However, all of this was not an Lan’s fault. It was her. She was the one who could not let go of that person.

Su Shicheng stood at the door and stared in shock at the wound on Mrs. Qin's forehead.

Ye Liangqiu hated him to the core, but she didn't want Mrs. Qin to die. She couldn't die, Yingluo.

If she died, what would happen to an LAN?

"Send her to the hospital!" she looked at su shicheng, her voice shrill.

su shicheng quickly walked over and half-knelt beside madam qin. his fingers trembled as he touched her wound, and his voice trembled as he said, "Hongke, why do you have to do this? Do you really hate me that much?"

He was really unwilling. In what way was he inferior to Qin PEI?

Back then, when Qin PEI left, if it wasn't for Hong Ke, King Entertainment wouldn't have the glory it had today.

His fingers dug deep into her flesh, and his heart ached.

mrs. qin's eyes opened slightly and she looked at su shicheng.

this man liked her. he had liked her for a lifetime. she knew that, but her heart could not hold anyone else.

let him go, zhenzhen! " mrs. qin's fingers gripped su shicheng's arm and her voice was a little urgent. " let him go. "

She had already lived for so many years, and Qin PEI had been living a life worse than death for so many years. She wanted him to go back and take a look.

the house they used to live in was still there. the silver candlestick that was lit on their wedding night was still in the same state as when he left. it had been placed on her dressing table.

She had waited for so long and hoped for so long. Every day, she would light it and take a look at it before she went to bed, hoping that he would come back! Now, knowing that he was still alive, but living in such a way made her heart ache ...

Hopefully, they would still be husband and wife in the next life.

qin pei, are you willing to compensate me for waiting for this life?

but she couldn't ask him anymore, yingluo.

red filled her aged eyes, and that trace of dark red climbed onto the last trace of her face.

qin pei urged me to wait until i'm a little tired and want to rest.

i'll go back, go back to our home, go back and wait for you.

she let out her last sigh and said, " "Let him go,"

However, he could not say the last word.

"Mom, mom, mom!" ye liangqiu knelt down and looked at mrs. qin.

Why was it that in the end, she still couldn't let go of that person? if she had loved him less, this wouldn't have happened..

Chapter 1570 - 1570: now, it hurts (2)

Her fingers trembled as she touched Qin Fu's face. She called her name again and again, but the strange-tempered lady who had just met her would never wake up again.

She seemed to have lived a life of wealth, but she was actually lonelier than anyone else.

She had dedicated her entire life to the Qin family, and her last breath was given to Qin PEI.

ye liangqiu hugged madam qin, tears falling like rain. she let out a sorrowful cry.

mommy, mommy, mommy. she pressed her face against Mrs. Qin's and refused to let go. Warm tears brushed across Mrs. Qin's face, but they could no longer warm her.

"Mom, are you still in pain?" she mumbled .

It must be very painful to bear the humiliation that he was unwilling to bear!

Mom, it won't hurt very soon.

i'll send you off on an Ian's behalf, alright? i can't let anyone check your body and let your last trace of dignity be trampled on.

Mom, don't worry, Yingluo. I'll keep 'him' alive. I'll protect an LAN.

i will. i will take revenge for you.

'mom, it'll hurt later, and an lan won't be able to see you one last time.' if he will hate me, then so be it!

ye liangqiu chuckled. "mom, we're actually the same kind of people. once you love someone, you won't give them up." she would love to the end even if she risked her life, using her last breath. "If only one person can be happy, mom, I hope that person is an LAN.

yes, it was an Ian.

Ye Liangqiu slowly stood up, her expression somewhat dazed, her eyes somewhat dazed.

su shicheng was also immersed in his own griefhongke, how could you be so stupid? it's not worth it for that man!

however, no matter how much it wasn't worth, it couldn't exchange for her life.

at this moment, su shicheng couldn't help but feel regret.

"do you have gasoline?" ye liangqiu turned to look at su shicheng, her voice very soft.

Su Shicheng's old eyes appeared somewhat listless at this moment. Hearing her words, he turned to look at his daughter in shock.

Obviously, she was calmer than he was.

do you want Qin Anlan to know how you treated his mother? ” ye liangqiu’s voice was cold, as if frozen.

su shicheng’s heart skipped a beat. after all, he was a shrewd man.

he immediately understood what she meant-his daughter was making a deal with him.

Qin PEI was in his hands. It was obvious that Liang Qiu did not want an LAN to know about him and Qin Anlan’s mother.

In that case, someone had to be the scapegoat for Hong Ke’s death.

In his heart, he was sad for Hong Ke’s death, but at the same time, there was a touch of excitement in his blood-cool autumn was finally coming back.

“i think we both know what kind of person you are.” ye liangqiu looked at him. ‘ my condition is to let qin pei go. ‘ this was an lan’s mother’s last wish, and she wanted to fulfill it.

su shicheng coldly laughed, ” if you let him go, you’ll probably immediately turn your spear against me! ”

His sadness would only last for a moment. Ye Liangqiu had already seen through him, so how could he not understand?

she had already lost this fight.

Not only an Lan’s mother and Qin PEI, but also the child in her stomach, Yingluo.

“i will do as you wish and stay in the su family.” She compromised. but, you have to let Qin PEI live.

One day, she would make su Shicheng pay for everything he had done.

Her mother, an Lan’s mother, su Cheng, everyone.

Perhaps she shouldn’t have returned to an Lan’s side. If she had stayed in the SU family, she wouldn’t have ended up like this..
