

Thank you 1641

Chapter 1641 - 1641: the white lotus has been slapped in the face

Qin Anlan gave sister Ying a warning look, but sister Ying's face was full of innocence. She did not back down or feel afraid.

"You're getting less and less afraid of me." "in the future, don't get together with her to plot against me," qin anlan said in a very calm tone.

Elder sister Ying's expression became a little uncomfortable. She coughed lightly and said,"How is this a scheme? I'm just drinking, Yingluo. Besides, I can't drive when I'm drunk."

Qin Anlan still gave her face and did not say much.

however, sister Ying still asked qin anlan, " president qin, you haven't answered the question just now? "

qin anlan looked at her for a long time before he said indifferently, " that's not important. "

"President Qin probably didn't think about it properly!" Sister Ying smiled. then, President Qin can think about it carefully. You might have a clearer idea of Xia Mian's future plans.

After she finished speaking, she left.

qin anlan's gaze was fixed on the door as he fell into deep thought.

when elder sister Ying walked out, she saw that Xia mian was still there. her eyes were a little swollen, as if she had cried.

"why are you crying?" sister Ying's voice was very calm.

"MMH," Xia Mian replied. She then pulled on sister Ying's arm and said in a low voice, "sister Ying, can you help me?"

sister Ying looked at Xia mian with a serious expression. " Xia mian, you're a newbie. you're KING entertainment's newbie, and president qin is trying his best to promote you. "

she paused for a moment. " it's Xia mian. don't forget that you're an employee. ran ran shouldn't have any improper thoughts about president qin. ' Xia mian was stunned. her lips trembled, but she quickly retorted, " but ye liangqiu was like this too. "

"president qin was single at that time, and he was the one who initiated their relationship." sister Ying's tone became even more serious. " Xia mian, i think if something were to happen between you and president qin, it would greatly affect your career. ran ran, do you think ye liangqiu would let you off for doing something like this today? "

“I’m not afraid,” Xia Mian immediately replied, as she was still young and full of vigor.

“do you think it’s possible that president qin will protect you if you’re not afraid?” sister Ying sent the last spy.

“why is that not possible?” Xia mian was unconvinced.

sister Ying was quite angry. ” you won’t shed tears until you see the coffin! ” “it’s better to reflect on yourself at home,” she said after a pause.

With that, elder sister Ying walked towards the elevator. Xia Mian was stunned for a moment before she quickly followed her. elder sister Ying.

she called him pitifully. sister Ying turned her head. ” take care of yourself. ‘

She wasn’t a soft-hearted person. It was better for her to get rid of Xia Mian’s thoughts. Otherwise, she would suffer in the future.

Xia Mian stood there as she watched the elevator open and close. Tears welled up in her eyes as she clenched her fists.

“ye liangqiu, i don’t believe that i’m inferior to you.” she mumbled. She had to shine and be above everyone else to become a real diva.

top floor office of asia vision.

Linda was standing in front of ye Liangqiu’s desk, reporting.

ye liangqiu raised his eyes. ” frozen? ‘

“1 tmnK 1 can’t have any work ror a montn.” Linaa smuea, “tor a mower 11Ke Nia Mian, this is simply killing her.”

If King Entertainment could make such a decision, they could have fired Xia Mian at any time and promoted someone else.

ye liangqiu pursed her lips and said indifferently, “So she really did it.”

“Boss ye, what?” Linda asked.

“it’s nothing,” ye liangqiu replied with a smile..

Chapter 1642: the white lotus has been slapped in the face(4)

but linda was still worried. “if Xia mian is really frozen, then wouldn’t the 150 million we spent on the series all go down the drain?”

“why would i?” Ye Liangqiu lowered her eyes. don’t underestimate this girl. She’ll stop before she completely offends Qin Anlan.

this was what Xia mian had always done.

however, she was curious. would su shicheng use his usual tricks on Xia mian? ye liangqiu felt that she was quite cold-blooded, but she didn't need to feel guilty for meddling between her and Xia mian. in the end, one of them would definitely get hurt, and it would be either her or Xia mian.

she wasn't a saint, so Xia mian was destined to be cannon fodder.

Ye Liangqiu flipped through the documents in her hands and said in a deep and slow voice, " set the broadcast date, around Christmas.

Linda made a sound, indicating that she didn't understand.

"I'll give Qin Anlan three months. If Xia Mian doesn't become popular, then she won't have a chance to become popular." ye liangqiu smiled.

linda still didn't understand. if Xia mian didn't become popular at that time, would they still be able to sell the advertisements for the series?

ye liangqiu's eyes fell on linda's face. she didn't say anything, but it made linda shiver.

Mr. Ye's expression at this time was a bit like Mr. SU's! two days after asia tv announced the release date for [summer solstice summer sleep J, Xia mian went to look for ye liangqiu.

At first, she came to Asia Vision to see him, but Linda blocked her. miss Xia, CEO ye is in a meeting.

"i can wait." Xia Mian's tone was a little reserved. She had recently been named one of the new 'four starlets', and it was also promoted by King Entertainment, so she was quite proud of herself.

Linda smiled slightly, " I'll go and report and see if CEO ye has time to see you.

linda walked into the meeting room and came out after a while. " i'm sorry, miss xia. ceo ye's meeting might last until noon. you'd better make an appointment another day! "

Xia Mian pursed her lips and said unhappily,"I'm just going to say a few words. Is she not free?"

"miss xia, you need to make an appointment if you want to see ceo ye." linda was also a bit unhappy. "what's wrong with this woman? she's not even famous yet, but she dares to provoke us. she doesn't even know where she is."

Xia Mian's voice was cold, "ye Liangqiu is deliberately suppressing me!" Can't I even say a few words?"

linda sneered,"suppress?" miss xia, do you think our boss ye needs to suppress you? why do i have to suppress you?"

"it's because of me and president qin," Xia mian lightly snorted. Linda complained in her heart, "he really thinks he's the best."

Her and President Qin?

Just as he was about to mock her, ye Liangqiu came out and teased her.

When he looked at Xia Mian, his gaze paused for a moment, and his expression seemed a little surprised.

Behind her, there were more than ten higher-ups, like a myriad of stars surrounding the moon.

Xia mian looked at linda and said in an aggressive tone, “didn’t you say that the meeting wouldn’t end until noon?”

“It’s me who doesn’t want to see you,” Ye Liangqiu spoke up for Linda.

she stopped in her tracks, and the people behind her stopped as well. they all looked at Xia mian.

ye liangqiu smiled faintly. ” miss Xia said she had something to do with an Ian? can you tell me what it is?”

Her directness made Xia Mian feel embarrassed.

“i’d like to hear what happened between my husband and another woman, miss xia!” Ye Liangqiu rolled up the documents in her hand and lightly patted her leg, her expression relaxed.

Xia Mian, on the other hand, didn’t have an easy time..

Chapter 1643: The White Lotus has been slapped in the face (5)

Ye Liangqiu smiled. don’t you think so, miss Xia? ”

Xia Mian was embarrassed and in a sorry state. A group of people were laughing at her, and their gazes were obviously unfriendly.

Her lips trembled but she didn’t say anything. Ye Liangqiu smiled. let’s talk in my office. It’s a private matter, after all.

Linda made a gesture, ” miss Xia, please.

After he finished speaking, he secretly sighed in his heart. CEO ye was really amazing. He clearly knew Xia Mian’s purpose for coming, but he didn’t say anything. Wouldn’t Xia Mian be worried to death?

Xia mian followed linda, and ye liangqiu turned around and said a few more words to the higher-ups before entering the office.

linda poured a glass of water for Xia mian, but she didn’t leave. she stood guard like a door god.

“ye liangqiu, i’d like to speak with you in private,” Xia Mian’s voice was a little stiff.

ye liangqiu looked at linda, and then back at Xia mian. she said, “there’s no need to avoid her, linda is my secretary.”

Xia mian was about to say something, but ye liangqiu smiled and said, “miss xia, please make it short. i have something to do later.”

Xia Mian pursed her lips.”What I want to ask is, why did you put my film on such a long schedule for Christmas?”

Linda poured a cup of tea for ye Liangqiu. Ye Liangqiu took a sip and looked at

Xia Mian. did Qin Anlan ask you to come? ”

“i asked myself.” Xia mian’s little face was a little tense, and ye liangqiu was familiar with the stubbornness on her face.

Ye Liangqiu’s gaze fell on her face, and after a long time, she smiled.”Since you’re the one who asked, then please leave.”

“Why?” Xia mian wasn’t willing to give up, so her tone was naturally not good.

however, she had forgotten that she was currently in asia vision.

“miss xia, in what capacity are you questioning me?” ye liangqiu sneered.

Xia mian was stunned. after a long time, she said softly, “I’m the person

President Qin likes.”

Linda couldn’t stand it anymore. She had seen shameless people before, but she had never seen one as shameless as this. So Linda snorted,”if president qin likes you, then why didn’t he stand up for you? you’re the one who came to our door. you’re so shameless. you’re not a joke.”

Ye Liangqiu stopped her. Linda, please show some respect to miss Xia. After all, she’s the one that boss Qin likes.

linda, on the other hand, stopped being impatient.l ” yes, ” he said and stepped back. ” i know. ”

Then, she apologized to Xia Mian in a serious tone,”miss xia, i’m sorry!”

However, to Xia Mian’s ears, these words were sarcastic, but she couldn’t do anything about it. Her face was red with anger.

Ye Liangqiu glanced at Linda and smiled.

Xia Mian was even angrier. Her face turned red and she pursed her lips. Mr. Ye, you haven’t answered my question.

does miss Xia also want to know about the confidential information of asia vision? ” ye liangqiu’s tone was very calm, and her gaze fell on Xia mian’s face. ” as for miss Xia and an Ian, i don’t think there’s a need for you to specifically come and tell me! Miss Xia is very clear that Qin Anlan is a married man. In the future, you have to respect your words and actions.”

Xia mian was really angry. ye liangqiu’s words were like a slap to her face. “The film is mine. I have the right to know why.” She said stubbornly.

ye liangqiu didn’t want to waste any more time with her, so he said in an annoyed and impatient tone,”linda, see the guest out.” Linda had never seen such an insensible person.

he felt great as he walked in front of Xia mian,"miss xia, please!"

Chapter 1644 - 1644: the white lotus has been slapped in the face(6)

Xia mian's eyes widened."no, i'm not done yet."

Ye Liangqiu dialed a number. After the call went through, she calmly said,"qin anlan, your woman, Xia mian, is making a scene in my office. come and take her away."

Xia Mian was shocked.

President Qin?

She opened her big, watery eyes, and her face was full of shock. She really looked very pitiful.

"don't be a coward!" Xia mian bit her lip and said in a hoarse voice,"ye liangqiu, you're so despicable."

"i'm just helping you." ye liangqiu sat upright. " whether you want to leave or leave first, it's your decision. "

"Ye Liangqiu, you won't have a good ending," Xia Mian said, biting her lip in anger.

"is that so?" Ye Liangqiu looked at her indignant expression and smiled. miss Xia, if you have the ability, you should pray for yourself.

Xia Mian still wanted to say something, but she couldn't get the upper hand. In the end, she could only leave in anger.

As soon as she left, Linda said unhappily, " Chairman ye, you're too polite to her. If it were me, I would have asked the security guards to drive her away.

ye liangqiu smiled. " no need! " Xia mian isn't up to the mark right now."

"you really called president qin just now?" linda laughed. " look at Xia mian's frightened face. she's obviously lying. if something happened to president qin and her, why would she come here herself? she's so stupid." Ye Liangqiu laughed. "Why would I? I'm just Yingluo."

He paused for a moment. I only called 10086.

Linda was stunned at first before she burst out into laughter, " that's great. I don't think she would dare to come here again.

"We'll have plenty of chances to meet in the future." Ye QiuQiu lowered her eyes. just wait and see. Yingluo and Xia Mian aren't easy to get rid of.

Indeed, Xia Mian realized that she had fallen into ye Liangqiu's trap as soon as she arrived downstairs.

However, Xia Mian didn't dare to go up again. She stayed there for a month before she went to beg sister Ying.

Even though sister Ying didn't like her, she was a fair manager. King Entertainment had invested a lot in Xia Mian. It was unrealistic and willful to let her go just like that.

Whether or not she could become famous at work would depend on Xia Mian's luck.

Xia mian became even more hardworking, and she didn't dare to be rash anymore. just as she was overestimating herself and getting hurt, she understood what it meant to wait for the right opportunity.

she was already a little famous, and with the appearance of a large-scale reality show, her image was very good. she was the national goddess, so she seemed to have become popular all of a sudden.

for a time, she became a popular starlet. she appeared on the news from time to time for all kinds of airport shows. the hype was quite successful. later, at a fashion week, she overshadowed a popular starlet. she was the only one in the world.

Ye Liangqiu put down the magazine in her hand and looked at Linda. how's the advertisement for 'summer sleep' coming along? ”

the title sponsorship hasn't been decided yet, but the other advertisements have been decided. President ye will be satisfied with the price. Linda smiled.

this was not only a visible benefit, but the invisible benefits for asia vision were not limited to this. ye liangqiu nodded. ” give it to that sanitary pad! ‘

Linda was stunned for a moment, then understood. She held back her laughter and said, ” okay, I'll go arrange for the signing of the contract.

ye must've deliberately teased Xia mian for wearing a three-in-three in the advertisement.l hornl The appearance of the pants was indeed tempting.l He was a good person and helped with the viewership ratings.

“Good things should be shared.” ye liangqiu laughed and said lightly..

Chapter 1645 - 1645: cross-cupped wine (1)

She reached out to flip the calendar and sighed. it's Christmas, Yingluo. It's Christmas Eve tonight.

It was almost the new year again. Yingluo was most afraid of the new year now.

If Momo wasn't by her side, it might have been even more difficult for her to endure. However, with Momo by her side, she felt uneasy.

Linda also agreed. yeah, I'm so busy at the end of the year. I'm busy with all kinds of parties, New Year's Eve, and even the last teeth.

after that, linda's spirits were lifted. ” in the second half of the year, the situation at asia vision has reversed so much. we should celebrate. ‘

ye liangqiu smiled. "invite Xia mian over for new year's. you can give her an appearance fee as you see fit." linda nodded, "i know!"

"if it's suitable, then please. if it's not suitable, don't force yourself." ye liangqiu added.

linda didn't understand, but ye liangqiu didn't say anything.

after work, she didn't go home directly because she had a social event that night.

It was the end of the year and he was very busy. In addition to the matters on the Asian Television, there were also many matters regarding human relations that he had to deal with.

linda had booked a private room at GM hotel and invited a few bosses of important brands to a banquet. the boss of the sanitary napkin company was also there, and could be considered as the most recent financial backer of asia vision.

At night, the lanterns were just lit, and the private room was quite lively, so naturally, drinking was inevitable.

The sanitary pad boss Xu was in high spirits. He raised his glass and gave a toast. CEO ye, Wanwan, I heard from my Secretary that there's no confirmed sponsorship for the New Year's Eve event. Does CEO ye have any interest in my

Wanwan?"

As soon as he said that, everyone laughed, and their laughter was somewhat ambiguous.

boss xu, you're really good with your words. let's have a drink first. later, you and boss ye can have a cross-cupped drink to liven up the atmosphere. "

He popped out of nowhere and toasted with boss Xu.

men were the most interested in this kind of topic. once the atmosphere was good, it became even more interesting.

especially work like boss ye's. i colorl soundl a fragrant beauty. one had to know how difficult it was to treat ye liang to a meal in the past. he had tried to flatter her thousands of times, but he couldn't even see her face.

now that ye liangqiu had become the president of asia vision, everyone was able to get close to each other, so they were a little carried away.

this was something he couldn't even imagine back then.

With these people making a scene, Linda couldn't sit still anymore. Yingluo, this is too improper. Besides, CEO ye still has a husband now, what's the point of drinking cross-cupped wine with them?

However, Linda was still aware of the big picture, and she could not offend any of these investors.

hence, she stood up and smiled sweetly. "then i'll drink with the ceos. i can drink one by one without a problem. "

When boss Xu heard this, he laughed out loud. our Linda is quite ambitious, but with so many men, can she take it? ” her words were a little ambiguous, almost like it flowed.

linda’s expression didn’t change, and she bashfully knocked her cup, ” so, all the bosses must have tender feelings for her. ‘

She used to follow su Shicheng and had encountered this kind of situation many times, so it was no big deal.

Linda was willing to sacrifice herself, but ye Liangqiu wouldn’t just sit and watch.

She stood up and smiled faintly. no need for the toast! All the bosses have families, it’s not convenient!”

She had an air of authority around her, and the others still had to give her face.

The main point was that when she thought about the tigress at home, she became a lot more timid.

however, boss xu was all smiles. ” i’ve just returned to being single. ‘

The scene froze.

“forget about linda, boss ye, how about we have a drink?” Boss Xu walked over and personally poured a cup for ye Liangqiu. I’m already here. You won’t let me down, will you? ”

Just as ye Liangqiu was caught in a dilemma, a sinister voice rang out from the door. my wife might not be able to drink. If President Xu wants to drink, I can accompany you..

Chapter 1646 - 1646: Cross-cupped wine (2)

When the sanitary pad boss Xu heard this voice, his body stiffened and he peed his pants in fear ...

he turned around slowly and saw qin anlan standing at the door of the private room with an ugly expression.

President Xu’s hand that was holding the wine glass trembled, and the wine almost spilled. His expression was a little unnatural. President Qin.

qin anlan nodded and walked in with KIME behind him. KIME glanced at ye liangqiu worriedly.

Qin Anlan walked in front of the sanitary pad director Xu and smiled faintly.

director Xu, if you want to drink cross-cupped wine, I can accompany you.

The muscles on Chairman Xu’s face trembled unnaturally. After a while, he squeezed out a smile. Chairman Qin, this isn’t very good!

Why would two men drink cross-cupped wine?

Qin Anlan put on a fake smile. isn’t that good? ”

He turned to look at ye Liangqiu, then wrapped his arm around her, holding her in his arms.

This sudden display of affection stunned the onlookers. Qin Anlan and ye Liangqiu were now enemies. Even though they had sex a few months ago, they didn't have much interaction after that. Most people thought that it was just hearsay. Unexpectedly, it seemed that CEO Qin still cared about CEO ye.

Everyone present couldn't help but worry if they had been impetuous just now.

Qin Anlan smiled and looked at ye Liangqiu before turning back to President

Xu. it's even more inappropriate for my wife to drink with boss Xu, isn't it? ”

Boss Xu was shocked and sobered up. His back was covered in cold sweat as he said, ” “I drank too much and deserve to be punished. I hope President Qin and President ye don't take offense.”

The people around them were watching, and under Qin Anlan's slightly cold gaze, President Xu drank five glasses in one go.

after the last glass, she ran outside and vomited.

No one spoke during the entire process, and the huge private room was completely silent.

Qin Anlan tilted his head and looked at ye Liangqiu with an indifferent expression. aren't you going back? ”

“I still have business to discuss.” She gently pushed him away, not grateful at all.

qin anlan scanned his surroundings. the ceos all said that it was christmas eve and that they wanted to go home to accompany their wives and children. In an instant, only the two of them, Kime, and Linda were left in the room.

Linda, let me send you back!

Linda understood, ” I'm alone. Let's go for a drink together? ” kime laughed and agreed.

although they each served their own masters, they were all lonely tonight, so it was better to keep each other company.

the private room was empty, and the male and female leads were staring at each other.

“do you always talk business like this?” Qin Anlan picked up the wine beside her table and took a small sip. Very good, it was actually white.

he looked at her with a sharp gaze. ” tell me, do you want to give yourself to these people when you're drunk? ”

ye liangqiu's eyes were calm as she smiled. ” what kind of status does president qin have to restrain me? ”

He glared at her and did not say a word.

Ye Liangqiu smiled. husband and wife? i don't dare to think that president qin still has feelings for me!”

If last time, her special hook! if it was just a test, then over the past few months, he had truly been ruthless and had never stopped his attacks on asia vision.

now, she even thought that he had sent Xia mian's drama to asia tv to air because he wanted to disgust her.

qin anlan's gaze was deep. "whether we have feelings for each other or not, we're still husband and wife. i don't want my reputation to be ruined because of you, chairman ye. "

Hearing this, ye Liangqiu laughed. She raised her eyes and tilted her head to look at him.. when did President Qin have a reputation? "

Chapter 1647 - 1647: Come home with me on Christmas Eve (part one)

he was a little annoyed, and his voice was stern. " ye liangqiu! "

"President Qin, you're too excited! this is not good." She smiled faintly, her beautiful and slender fingers touching her forehead.

in contrast to his tension, she was relaxed, even a little lazy. probably because she had drunk some wine, her whole face was covered with a beautiful layer of redness.

beautiful and detestable!

Qin Anlan squinted his eyes and suddenly pulled her in front of him. She bumped into his body, which was extremely hard.

She leaned on his shoulder and wrapped her arms around his neck. an LAN, I want to see Muyun and Mumu.

Her body was soft and warm. When she leaned on his shoulder and spoke, her hot air blew on the side of his neck, whether intentionally or unintentionally. Qin Anlan was a little reluctant to admit that he was aroused by her.

he was angry, but he could not do anything.

He placed his hand on her waist and said in a warm voice, " come home with me tonight. You'll be able to see them.

His words were very secretive, but she understood that going back with him meant that he was urging him to want her.

this was the condition of the exchange! they didn't say it out loud, but they knew it in their hearts.

Ye Liangqiu's fingers tightened and she wrapped her arms around his neck.

sure! she said tipsy.

after a while, she bit his neck and said, " "i'll go back after i'm done at the hotel. "

Qin Anlan had only said it in a fit of anger, but he did not expect her to agree. For a moment, he was actually a little stunned.

However, he quickly reacted. He clasped her hand and walked towards the door of the private room. He quickly crossed the aisle and entered the lobby. When the front desk lady saw him, she smiled and handed him the key card. " boss qin, our little boss pei prepared this for you. "

PEI Qiqi again!

Qin Anlan's eyebrows twitched. He felt a headache coming on. Why did he feel like PEI Qiqi was just pulling that thing?

at this moment, he had a kind of red fruit. It was indeed the feeling of being surrounded by people.

Not only that, but the front desk lady also said, "we have a box of Platinum in the suite. President Qin, we wish you a pleasant night."

Ye Liangqiu leaned on his shoulder and chuckled. She tilted her head and asked, "how many are we using tonight?"

seeing the color on his neck, she knew that he had been living like a monk for the past few months.

She was so detestable that Qin Anlan angrily patted her waist and dragged her away.

The front desk ladies whispered to each other. the one that used nine condoms last night.

Her voice was neither loud nor soft, just enough for Qin Anlan to hear.

His face darkened, but ye Liangqiu laughed even more happily. "do you want to go to another shop?"

He was already very anxious. How could a man who had been single for nearly four months be sent away so easily? no matter how hateful she was, the moment she entered the room, her eyes shuddered and he pressed her against the door and kissed her ruthlessly.

she trembled again and again, but he didn't let her go. she was as fierce as a primitive beast.

after an unknown amount of time, when he finally let go of her, ye liangqiu felt as if her legs were no longer hers, and a layer of skin on her back had been scraped off.

if she thought that it would end like this, she was too naive.

In short, the box of books was almost used up by him, and he kept it up until two o'clock in the middle of the night.

however, after venting his anger, he felt empty mentally. he turned his head to look at her. she was not asleep. she was just lying on her side.

"Do you want to sleep with me or do you want to see the child?" he lit a cigarette and slowly took a puff..

Chapter 1648 - 1648: come home with me on christmas eve (2)

not only did she not resist, but she was also very cooperative.

of course, he was also satisfied with her body because he could feel that there was no one else before him.

Her reaction could not lie!

Both sides were satisfied, but they were too proud to say it!

ye liangqiu slowly sat up and smiled. ” i do. ‘

He also looked at her, and after a while, he said indifferently, ” “go take a shower.

She did not move.

“Didn’t you say you wanted to see the child?” He squinted his eyes, took a long drag of the cigarette, and put it out.

However, he was just about to get up when she hugged him and buried her face in his chest. an LAN, I can’t walk anymore.

his body stiffened for a moment, and after a long time, he said, ” “what’s wrong?”

“My leg hurts.” Her entire body was in his arms, and her voice was low.

qin anlan’s body became even more stiff. he turned on the light to check and found that he was indeed injured.

Only then did he remember how rough and uncaring he had been before. He remembered how she had cried and said she didn’t want him anymore, but he had still pressed her down and done it to his heart’s content. “i’ll help you apply the medicine.” his voice was slightly hoarse.

It seemed that he would hurt her every time now.

Qin Anlan’s medicine was delivered by the front desk. The front desk silently remembered that in the future, in addition to the compendium, she had to prepare external injury medicine for President Qin, ran ran.

qin anlan carefully helped ye liangqiu apply it, but then he remembered that she had not taken a bath yet. he paused for a moment, then carried her to the bathroom to wash up and apply it again.

After all, he hadn’t been in contact with her for a long time. Even when she applied the medicine like this, he looked at it carefully. As he looked, his eyes seemed to be on fire.

Ye Liangqiu lay down and uncomfortably turned her face away.

He looked at her and finally couldn’t bear to see her walking back and forth. He got up and put on his clothes. “I’ll bring the child over!”

she was surprised, surprised that he was so easy to talk to.

Qin Anlan quickly left Xuanji.

as she lay down, she fell asleep. his scent was all over her pillow.

tonight is christmas eve!

A faint smile appeared on her lips as she slowly fell asleep.

When she woke up in a daze, it was about an hour later. She only felt a warm little thing in her arms, and his two small hands were holding something. she woke up slowly. under the dim yellow

light, a chubby little guy was nestled in her arms. his little hands were busy, as if he was looking for something.

The little guy was worried to death because he couldn't find him. At this moment, his father began to take action. His big palm nimbly untied him for her, and then he stuffed little fatty into her arms.

the little girl's natural instinct made her eat like this. ye liangqiu's body was cut off, so although she didn't eat much, little mumu still enjoyed it. as a father, he also watched with interest.

he had thought of that scene many times, and it would finally come true one day.

His wife and daughter were sleeping next to him, so no matter how many grudges he had, he would put them aside.

Qin Anlan quietly lay beside her and looked down at her gentle expression. Then, they looked at little Mumu in her arms.

this child is not bad compared to little xinxin. he's chubby too. " in the middle of the night, his voice was extremely alluring, especially at this time when it was so gentle. it made her feel like crying.

More than once, she had thought that tonight was Christmas Eve.

he was actually willing to flirt with her.

"where's mu yun?" She sniffed and looked up, pretending that nothing had happened.

Qin Anlan did not reply to her immediately. Instead, he first switched to the other side for little Mumu. Only then did he have the time to answer her. I've brought Momo here. Mu Yun will take care of him tonight..

Chapter 1649 - 1649: Come home with me on Christmas Eve (3)

what he meant was that the boys could be independent, and little mumu, the little baby, could sleep with her parents.

ye liangqiu was surprised. " momo is here too? "

"yes," his voice was faint. " i went to pick her up.

ye liangqiu did not speak for a long time. qin anlan spoke softly, " "su shicheng isn't here, is he?"

she did not hide it from him. " most of the time, i'm not around. i come back occasionally. ' he snorted coldly and did not say anything.

After a while, he suddenly looked at her with a burning gaze. "How could su Shicheng allow you to sleep with me?" her heart skipped a beat.

He stared into her eyes, not letting go of any of her expressions.

she didn't say anything, so he said self-deprecatingly, " you want to use your beauty to trick me, right? "

Ye Liangqiu looked at little Mumu in her arms, her eyes almost unable to move away. The little guy was so cute and soft that he could melt her heart at any time.

“not tonight,” she raised her head and looked at him. “an lan, i missed you guys tonight.”

She said “you guys”. His heart twitched violently, and there was an indescribable feeling in his heart.

Perhaps, he could also use this Christmas Eve, a night like this, to let go of his hatred.

that’s right. since they were together, he should let it go. he didn’t care about her motives. he just had to enjoy himself.

she looked at the little guy in her arms with a gentle gaze, and he looked back at her. at this moment, everything was quiet.

He lifted the blanket and got out of bed. Under her surprised gaze, he walked to the door of the bedroom.

ye liangqiu softly called out to him, “An LAN.”

her voice was natural and intimate, just like when they were together in the past.

he turned around. the fragrant and soft little fellow was still in her arms. she was half supporting her body, and she looked indescribably moving.

she looked at him, and he did the same. their eyes met in the middle of the night.

“Where are you going?” she asked, slightly embarrassed.

Qin Anlan lowered his eyes. I’m going to make some supper.

She half-leaned and her long eyelashes trembled slightly, as if she didn’t believe it.

His gaze was fixed on her face for a long time before he finally went out.

ye liangqiu buried her face in little mumu’s little body and sniffed the little girl’s fragrance. she said in a light voice, “daddy still likes mommy, doesn’t

naturally, little mumu could not speak, she could only babble.

the little guy had been woken up in the middle of the night, and he had not eaten for a long time, so his little temper was rising ...

she frowned and started to cry. fortunately, she was not loud, but she still needed to be coaxed.

She had given birth to three children, so she naturally knew how to coax them. Hence, she buttoned her clothes and carried the little fellow with one hand towards the small kitchen.

Qin Anlan was still making supper. There were ready-made things in the refrigerator, so he only needed to fry them.

Ye Liangqiu stood at the door with the child in her arms, looking at him in a daze.

Qin Anlan was dressed in black pants and a white sweater. He stood there clean and his movements were practiced.

there was a long-lost calmness in his eyes.

As she looked at him, she felt nostalgic, and for a moment, she forgot about little Mumu in her arms.

“why are you up? Didn’t your leg hurt?” He was still looking at the Golden cake in the pot and asked indifferently without raising his head.

Ye Liangqiu was startled, but then she seemed to wake up from a dream and looked at the little guy in her arms.

little mumu probably smelled the fragrance, she licked her lips and looked straight at the food that daddy was frying, then fiercely swallowed a large mouthful of saliva..

Chapter 1650: come home with me on christmas eve (4)

“She’s drooling,” ye liangqiu gasped in disbelief. she weighed the food in her hand and asked, “ what did you give her? ” He had raised a body of meat.

qin anlan looked at her a little unhappily, then pursed his lips. “ she can only eat some supplementary food. she can’t eat these. ” with that said, he walked over, picked up little mumu with one hand, and kissed her. “ baby, are you hungry?

his eyes were full of adoration, and even when he was the best to ye liangqiu, he hadn’t been so intense.

There was nothing wrong with the saying that a daughter was her father’s little eye in her previous life.

ye liangqiu’s eyes were a little hot. right now, she felt like little mumu, who could only look at this “golden cake” of his, but could not eat it.

Qin Anlan directed ye Liangqiu. turn off the fire. You can put the food on the plate. You can eat first.

after that, she asked a very stupid question, “ “how about you?

qin anlan looked at her for a long time before he said, “ i’ll feed mumu first. ” holding little mumu in one hand, he opened a square bag with the other hand and deftly took out a can of milk powder, mixed it with water, and shook it evenly. little mumu took a bite and was reluctant to put it down, greedily drinking it.

“It’s so delicious.” Ye Liangqiu sat at the dining table, reluctant to look away. She also wanted to hold little Mumu and eat. Just looking at her made her feel happy. however, she was still afraid and did not dare to make any requests.

qin anlan sat opposite her and looked at her. ” “Why aren’t you eating?

‘ oh, ” she replied and lowered her head to start eating. he was very good at cooking. the food was golden and crispy.

“mu yun really likes to eat it now, and he’s been growing taller recently.” Qin Anlan’s voice was low and slow.

ye liangqiu looked up at him, stunned.

He laughed. also, mu Yun would sometimes go to Tang Yu’s house to tease her.

“i guess it’s considered staying over,” he paused.

was there such a thing?

Ye Liangqiu didn’t know what to say. Although she had a good relationship with PEI Qiqi and they would see each other occasionally, she had never heard

PEI Qiqi mention Wanwan about mu Yun.

she remembered mu yun’s attitude towards little xinxin and smiled. ” what are your plans?

Qin Anlan allowed little Mumu to eat by herself. His gaze fell on ye Liangqiu’s face. are you planning for Muyun’s future?

ye liangqiu lowered her eyes. ” i was just asking. ” qin anlan’s tone was forceful. ” i don’t believe that you can’t tell that muyun has feelings for that little girl in tang zheng’s family. ” So what if he could see it?

“an lan, mu yun is still young!” She exclaimed.

qin anlan laughed mockingly. ” really? Last time at Tang Yu’s house, little Xinxin lost her temper because she didn’t want to learn and was punished. Do you know what mu Yun said when she came back?”

She looked at him in surprise.

mu Yun told me that he’s not going to inherit King Entertainment anymore, ‘ Qin Anlan said slowly. he’s going to go to Boyi when he grows up.

if these words were said by a child from an ordinary family, the adults would feel that it was very promising. however, when it was said by qin anlan’s son, it was not the same.

This little fellow’s heart was clearly filled with a little heartache.

She already knew how to feel sorry for others at such a young age, but she still put on a very cold appearance.

After Qin Anlan finished speaking, ye Liangqiu was also surprised that Qianqian and Muyun had such ambition!

a conversation between adults was definitely not about a child’s feelings.

“you should understand mu yun’s meaning. he is preparing to inherit bo yi! Do you think this is a welcome thought for Tang Yu?” qin anlan’s voice was slightly cold..
