

## Thank you 1671

Chapter 1671: he also needs comfort (2)

Ye Liangqiu laughed and took some water to feed him.

But he still pursed his lips tightly and didn't want to feed her the medicine,

Yingluo.

Ye Liangqiu laughed. how bitter!

She brought the glass of water closer to him. be good and take your medicine.

He continued to ignore her.

she immediately understood. she took a sip and crawled to his side. she knelt and pressed her lips against his.

She really couldn't do that, so Xuxu just stood there.

He stared at her with his dark eyes for a long time. Then, he reached out and pressed the back of her head, slowly pulling her towards him. At the same time, he opened her lips and sucked the water in her mouth.

she, too, tasted the bitter medicine, and her eyes widened in shock.

however, he still put the medicine in her mouth. ye liangqiu was a little confused, but she had no choice but to put it back in her mouth. they moved back and forth, sharing the two pills.

when their lips parted, her eyes were already in a daze.

“you've learned it?” he asked coldly.

What?

she looked at him in confusion, still sitting on her knees in a sorry state. that fragile situation made him want to bully her ruthlessly.

However, she was really powerless.

this was the first time that he felt a lofty sentiment in his heart, but he was powerless to do anything.

He hated her in his heart, so he turned his face away and ignored her.

Ye Liangqiu looked at him, feeling both angry and amused. Why was he acting like a child now?

she didn't say anything and just looked at him.

Qin Anlan pursed his lips and said impatiently, ” ‘kiss!’”

She thought about it for a long time before she finally understood. Didn't she know how to kiss before?

Qin Anlan's eyes were fixed on her. His voice was indifferent. you know how to do it now? ‘

He wanted her to please him!

A sick man was so difficult to deal with!

But ye Liangqiu was willing to satisfy him, so she moved her lips and gently kissed him.

He didn't move. At most, he moved his lips to make it easier for her to kiss

Huahua.

For the first time, she took the initiative and completed a Deep French Kiss.

When she pressed on his shoulder and did that to him, it felt strange. He felt like he was being forced.

At this time, he was sick. His eyes and long eyelashes were drooping, and he unexpectedly felt weak.

she retreated and looked at him with tears in her eyes. she asked softly, " "Is this enough?"

"Not enough!" his tone was still indifferent, but she still felt a little awkward and bored.

Ye Liangqiu smiled and kissed him on the forehead. it's contagious, " she said. She had just said that when he pressed her down and kissed her roughly.

the kiss was so deep that it ignited the fire in her body.

ye liangqiu clasped her hands on his shoulders. she wanted to stop him, but she couldn't.

however, just as she was about to touch him, he let go of her, his expression slightly uncomfortable.

She was sitting in his arms, and her eyes were dazed as she waited for her to come back to her senses. Only then did she feel his state.

he was startled.

Ye Liangqiu leaned on his shoulder and couldn't help but laugh.

" an lan, it's fine, wanwan. actually, i don't really think so either! " she chuckled softly and leaned into his ear. it sounded like she was comforting him, but it was actually teasing him.

qin anlan grabbed her long hair and kissed her again. he really had no energy left.

She lay back down on the bed and looked at the ceiling. ye Liangqiu, if you dare to laugh again, I promise I'll kill you later.

But he couldn't threaten her. She obediently lay beside his ear and accompanied him for a while, her ten fingers clasping his. then, an LAN, I'll wait..

Chapter 1672: He also needs comfort (3)

he turned his head and glared at her.

although he was fierce, she could see the warmth in his eyes.

she smiled and kissed his tall nose.”are you hungry?” he glanced at her.

“i’ll go cook.” she got out of bed and went to wash up. she even threw a phone to relieve his boredom.

after she left, qin anlan lay down and stared at the door in a daze.

He knew that he had indulged her too much. He clearly knew her intentions, but he still indulged her.

he yearned for every minute and second that they could spend together. even if he hated her when he turned around, when she smiled at him, when she kissed him and coaxed him, he would feel that she loved him.

she still had him in her heart.

qin anlan lifted the blanket and put on his pajamas. he was a little dizzy, but he was much better.

she went to the kitchen, tied her hair into a ponytail, and started cooking in front of the counter.

the soft sunlight poured in through the window and shone on the side of her face, so clear that every pore on her face could be seen.

her skin was fair, and her expression looked gentler after the layer of soft light was applied on her skin. she was like all the little girls who cooked for their husbands.l like a wife.

Qin Anlan leaned against the door and looked for a while before asking softly, ” “How long more?” mm, ” she replied with a smile. I’ll be done in half an hour.

“i mean, how long before you leave?” his eyes were burning.

the vegetables in her hands fell to the ground. she was shocked and slowly bent down to pick them up.

After washing it under the tap, she started to cut it again. Halfway through, she stopped and said in a soft voice, ” I’ll leave after I’m done cooking!

his eyes were full of exploration as he looked at her and laughed mockingly. ‘ aren’t you going to stay and continue to confuse me? or it should be called hookl Lead, boss ye!”

ye liangqiu’s movements were much faster, and her voice was much faster, as if she didn’t want to hear him.

However, it was too fast, and his finger accidentally cut it.

she was a little lost in thought as she looked at the blood. she didn’t say anything and continued cutting.

she finished the dishes mechanically, and he kept saying something, but she chose not to listen.

finally, four dishes and one soup were ready.

The dishes were still as good as ever, and there were two of them.

but it was different.

She removed her apron, looked up, and smiled bitterly. I'll be leaving first!

He sat at the dining table and did not say a word.

She understood the conflict in his heart.

Love and hate were often separated by only a piece of paper.

she understood that not blaming him was something she wanted to do. she still had to do it, even if he would hate her more.

She walked past him and was about to go to the bedroom to change her clothes when he grabbed her hand. eat with me before you leave!

however, when he held her like this, she cried out softly, "it hurts."

He loosened his hand a little, then pulled it up and looked at the wound on her finger in a daze. His face was livid. "Why didn't you tell me you were injured?"

"it's just a small injury. i'm fine." She played it down, and under his intense gaze, she turned her face away uncomfortably.

However, he was obviously angry. really? if you don't need to say it, then what do you need to say?" he raised her hand. "ye liangqiu, can you tell me?"

He used a little force and she cried out softly, but it didn't stop him from being stunned. It wasn't until her fingers bled again that he realized how rough he had been.

He changed his strength to a light one, and the expression on his face was also not at ease. "i'll help you bandage it." he half-forced her into the bedroom, took the first aid kit, and made her sit on his lap.

ye liangqiu didn't move.. was there a need for this kasaya?

Chapter 1673: They think that President Qin doesn't care!

(1)

He tilted his head and said in a soft voice, "I'll definitely kill you.

She chuckled and moved her lips closer. I'll wait.

qin anlan's eyes darkened as he looked at her deeply. after a long time, he pulled her over and touched the place where she had endured him with his fingers. he was neither fast nor slow.

"are you sure?" her breathing was a little messy, but her eyes were bright.

qin anlan glared at her and retracted his hand. he laid down and calmed down a little. "let's go eat."

"my hand is injured." she said softly and looked up at him.

his gaze became even more unkind as he spoke in a vicious tone, "I'll feed you!"

When he sat up, she sat on top of him and wrapped her arms around his neck. Her intention was obvious.

Qin Anlan glared at her. ye Liangqiu, you only hurt your finger.

yet, she was served by a man who indulged in women too much!

However, she refused to come down. She buried her face in his neck and was like a little kitten, licking and nibbling.

His life was about to be taken away by her.

“i’m in pain too,” In the end, she pressed against his hot neck, her voice low and hoarse, and looked up at him again.

At this time, her long hair had long been spread out helplessly and draped over her snow-white bathrobe. In addition, her innocent and fragile expression made her look like she had returned to her early twenties, which made him want to kill her.

however, he probably died before he could kill her!

qin anlan grabbed her waist, his dark eyes flashing with a glint that seemed like he wanted to eat someone up. his voice was extremely hoarse. ” be good. ‘

she probably saw his embarrassment, so she laughed as if she had returned to the past.

he and she were both shocked, and their expressions were somewhat thought-provoking. after a long time, he got up and carried her to the dining room. so what if he doted on her once?

she was also silent, probably because she realized that this kind of love might not happen again in the future, so the atmosphere was a little subtle and uncomfortable.

ye liangqiu sat down, and he gave her some food. seeing that she wasn’t eating, he asked, “do you really need me to feed you?” She lowered her head. no need. his voice was a little muffled.

however, he ate his food calmly. ” are you unhappy?

“Do you still care?” she was the same as him, indifferent.

This time, he didn’t answer, and they all knew the reason for his silence. There was no need to say it again.

He had not fully recovered from his illness, but he had no reason to stay.

over time, it became cruel.

When he left, he was dressed neatly and hid his sickly face. He looked at her seriously.”Let’s make an appointment to have a meal with the children during the new year.”

She nodded and walked out together.

just as he had expected, the newspapers reported on his night with ye liangqiu. this time, the front desk lady also gave him some vague information, such as two large boxes of books and some medicine for external injuries.

Qin Anlan finished reading the newspaper and threw it down. He looked up at Kime. ‘What about the public relations department? Aren’t you going to do anything?’ they think you don’t care!

Qin Anlan pursed his thin lips as if he was about to get angry, but in the end, he just leaned back on the chair and said nothing.

kie knew that boss qin had given in.

In fact, when it came to boss ye, boss Qin had really compromised time and time again, criticizing boss ye for being too ruthless.

ye liangqiu was in the recording center of asia tv while qin anlan was raging.

the recording was held at a large event venue in b city, and the host was the top beauty of asia tv. in the past, she had been making a fuss about wanting to jump ship, but recently, she had stopped making a fuss and was very well-behaved..

Chapter 1674 - 1674: they think ceo qin doesn ‘t care (2)

ye liangqiu and linda were watching from the side of the stage. linda’s voice was full of surprise, “chairman ye, why do you think li qi has changed so much? I’ve heard that she’s been secretly in contact with Mango TV a few times, but she’s been quiet recently.”

ye liangqiu looked at li qi, who was hosting on the stage, and smiled. “You think she’s stupid? She’s a pillar in Asia TV, but on Mango TV, what do you think she’ll be ranked with her qualifications?”

Linda immediately sucked up to him. that’s because she saw hope and felt that Asia Vision had a chance to rise again.

ye liangqiu nodded. ” pay attention and see if there’s any better kasaya down there. ‘ linda understood, “yes, we have to train more people!” Otherwise, when the contract expires, it’ll be hard to deal with. ”

“it’s good that you understand,” Ye Liangqiu slowly sat down.

In this Vanity Fair, there were no absolute true feelings between companies and artists, only interests!

She wanted the artiste to rely on the company and not be led by the nose by the artiste. That would be sad.

Linda nodded and then called out, ” it’s RAN.

at the same time, the entire stadium was in an uproar. the female fans were all shouting ran’s name, holding up signs and crying out of excitement.

on the side, Xia mian, who was the backup dancer for the ran, had a very beautiful style, but the ran’s presence was too strong. beside the ran, Xia mian didn’t have any sense of existence.

pitifully weak, so weak that no one noticed that the person accompanying her was the currently popular young female star Xia mian.

This made Xia Mian feel both happy and angry.

When she reached backstage, she was also angry and urged her assistant to comfort her for a long time, but she was not successful.

after that, a phone call from Che Tai Xian made Xia mian feel a little better.

when she was about to leave, the assistant stopped her and hesitantly said, ‘ “Isn’t it too risky? if others find out, it will damage our image.”

Xia mian sneered, “this kind of thing happens too often in this industry!” as long as you don’t say it, who would know?”

she was very clear in her heart that King Entertainment seemed to be supporting her, but they had positioned her as a small flower in the country. if she wanted to go out of the country, she had to work with a heavenly king like Ran.

Che Tai Xian was the only person who could help her now, how could she let him go?

In the end, Xia Mian left with her bag without hesitation and threw herself into the arms of the Korean, Che Tai Xian. She served him all sorts of things and tried to please the middle-aged man, hoping that he would give her the role of the second female lead in a big film.

the male lead wasn’t Ran, but he was still a heavenly king level character.

Xia mian was very satisfied. after serving Yingluo with all her heart that night, she finally understood that the unspoken rules were the only way out.

Xia mian left with red marks all over her body.

five minutes later, Ye Liangqiu stood at the door and pushed it open. inside the bedroom, there was a choking smell of love jade that lingered for a long time.

As he slowly walked in, Che Tai Xian’s expression was a little flustered, he hurriedly put on his bathrobe and laughed, ” “chairman Ye.”

A pure Beijing accent was not something that Koreans could learn.

She sat on the sofa and Che Tai Xian immediately followed her, pouring her a cup of tea, ” “i’m satisfied! It’s been a long time since I’ve had such a fresh taste in Korea.”

“it’s good that you’re satisfied!” Ye Liangqiu smiled, then took out a

ten-million-dollar check from her bag. “Let her have a good time in Korea..”

Chapter 1675 - 1675: They think that CEO Qin doesn’t care (part three)

Che Tai Xian understood and smiled, ” how could I take Miss Ye’s money? if Miss Ye hadn’t recommended me to the RAN back then, I wouldn’t be where I am today. then, she pushed the check back.

Since he didn't want it, Ye Liangqiu didn't refuse and took it back.

Che Taixian thought for a moment and continued, "after all these years, no one can remember the song Ren of the past. Miss Ye is my benefactor for the rest of my life."

Ye Liangqiu was very polite, "you did well!" That's how he has a place in Korea." Che Taixian, also known as Song Ren, had a scandal in the entertainment industry and could not survive.

However, he was a very capable manager and a friend of Sister Ying's. Xia Mian had no way of knowing this.

At that time, RAN needed an agent, and Song Ren knew Korean and had connections in Korea. Ye Liangqiu had recommended him. In a flash, almost ten years had passed.

That time was after Ye Liangqiu's famous work *Late Autumn*.

Che Taixian and Ye Liangqiu both recalled the past and couldn't help sighing, "CEO Ye, what a coincidence. This time, we're filming a Korea version of *Late Autumn*. Xia Mian wants to compete with Miss Ye."

"No wonder she doesn't mind being the second female lead." Ye Liangqiu smiled nonchalantly and raised her head. I was also the second female lead that time. Che Tai Xian still remembered the scene back then. Ye Liangqiu had shot an intense scene, but she couldn't do it well. In the end, Qin Anlan had taken her away. After that, things had changed.

As time passed, the people of B City had long forgotten what he looked like. He grew a small beard and became Che Taixian, while Ye Liangqiu became President Ye. They were in love and hated each other.

"I will do anything that boss Ye needs me to do," Che Taixian sighed.

He then said in a low voice, "don't worry, CEO Ye!" I won't be stupid again because of women. Women are nothing, the wealth in my hands is the real thing."

Ye Liangqiu pursed her lips and didn't say anything else.

That night, Che Tai Xian sat there for half the night as he thought of the woman from back then.

The woman who had betrayed her husband and him had convinced him that she would give up everything for him and leave with him.

However, after the matter was exposed, she insisted that he was the one who lured her. She even wanted to sue him.

After running to Korea in such a sorry state, to him, women were just playthings and toys. Especially for a woman like Xia Mian.

When Ye Liangqiu left, she was holding a disc that Che Taixian had given her.

He and Xia Mian's exciting video!

12 gb.

her eyes were as deep as the night.

Her body was exhausted, but her eyes were cold.

When she walked out of the hotel, the lights were already off. On the empty streets, she actually felt homeless.

at the end of the road, there was a slender figure dressed in black, blending into the night.

he stood there leisurely, and the faint light from the sky shone on his side, forming a long shadow.

ye liangqiu gave up on the idea of driving and walked towards the people fifty meters away.

The strong night wind brushed against her face, cutting her soft and thin face. The pain was like that of the mayfly that day.

The familiar pain and the familiar temperature.

By the time she came back to her senses, she had already fallen into his arms. Her face was buried in his shoulder, and her skin was rubbing against his coat of good quality.

Even though they had a few nights of absurdity, it was not as touching as this.

## Chapter 1676 - 1676: Sweet as honey (1)

“what are you doing here?” She rested her face on his shoulder and did not dare to move. She was afraid that if she moved and looked at him, all of this would be an illusion, and he would disappear.

There was a cool feeling on his shoulder, but it soon became warm again.

she buried her face in his and wrapped her arms around his neck, refusing to let go.

He patted her back and asked in a hoarse voice, ” how did you know I was here to look for you? ”

ye liangqiu suddenly let go of him, took a step back, and stood in the middle of the night, staring at him.

under the streetlights, her skin was almost transparent, and her facial features looked fresh.

“isn't it?” she smiled faintly, and the light that glided through her eyes seemed to contain the stars of the entire universe.

She turned around as if she was about to leave, but her hand was caught by him. Then, he hugged her from behind. The hug through the thick clothes was exceptionally warm.

he lowered his head and placed her small face on his neck. his voice was slightly hoarse as he asked, ” are you cold? ”

after he finished speaking, he looked at her car that was parked by the side of the road and asked deliberately, ” “why aren’t you driving?”

ye liangqiu looked at her own car and then realized that she hadn’t seen his car. she couldn’t help but look up. ” how did you get here? ” Qin Anlan suddenly grabbed her hand. take the subway. train?

she looked at him suspiciously, but his eyes were deep.

as he walked forward, he held her hand and said slowly, ” “some people even use men to sleep with them, so why can’t i take the subway?”

Ye Liangqiu turned to look at him and slowly said, “But I don’t want to take the subway.”

“i want to!” He stopped in his tracks and looked at her with his bright eyes. CEO ye, let’s go have some skewers!

skewers?

Once again, she was shocked. In her impression, Qin Anlan was the kind of animal that lived at night. However, it was only limited to high-end clubs, such as drinking in bars or karaoke in private rooms. He had nothing to do with eating skewers and having fun.

“What, you can bring Korea, but you can’t bring me?” his tone was unhappy and his eyes were burning.

ye liangqiu cried out in surprise, ” an Ian, you’re not jealous, are you? ”

she was dressed in a serious manner, but her expression was too innocent, making her look cute.

Qin Anlan glared at her before pulling her into the subway station.

standing at the ticket office, qin anlan crossed his arms and looked at her. ‘

“you buy it.”

“you were the one who wanted to take the subway.” “I don’t have change,” she snorted and ignored him.

Qin Anlan laughed coldly. when you’re with RAN, do you also throw tantrums like this? ” i saw that you served him well.” qin anlan, it’s embarrassing for you to be so jealous. ” she also sneered.

“are you jealous? how come i didn’t know about it?” He looked at the girl who was passing by and whispered a few words. The good-looking young girl immediately took out ten Yuan from her wallet and gave it to him. She waved her hand and left with her companions, laughing and laughing. Qin Anlan studied the tickets for a while before buying two tickets.

He tilted his head and looked at her proudly.

ye liangqiu snorted. ” beauty trap! ”

“Thank you for complimenting my appearance, CEO ye.” he smiled slightly, his eyes bright and dazzling.

he was dressed in a black coat, which made him look even more handsome. even in the crowded subway, he still looked dazzling.

“Shameless,” ye Liangqiu pouted.

As she spoke, she walked toward the security check at the subway entrance. Qin Anlan followed her slowly, neither too fast nor too slow..

Chapter 1677 - 1677: sweet as honey (2)

When she reached there, she reached out her fair hand to him. “bring it over.”

He placed one in her palm and smiled. this is for selling your husband. After she finished speaking, the two of them were stunned.

the word ‘husband’ seemed to have not been used again after they broke up.

When he said it now, it was natural, but it was unfamiliar.

ye liangqiu was the first to come back to her senses. she smiled, took it, and passed the security check.

He followed behind her, his tall figure covering her Kasaya. The atmosphere between the two of them was already a little strange.

It was like a twenty-year-old young man and young woman were having an argument, and no one paid attention to each other.

when line 5 arrived, he walked in front of her. she was stunned for a moment, and then someone held her hand.

She looked up and only saw his back.

at ten o ‘clock in the evening, the subway was crowded and she was almost lying on his back after she squeezed in.

The temperature on the train was high, and her back was sweating after a while.

Qin Anlan was probably feeling hot as well. He reached out to take off his coat and placed it across his arm. He slowly held her back with one hand, trying to pull her forward.

Ye Liangqiu dodged, but as a result, he managed to grab a young girl. However, her looks were a little ugly, which made people sigh.

the young girl looked at qin anlan’s handsome face. her face flushed red and she was so excited that she almost fainted.

oh my god, he was exactly the same as the prince charming of her dreams. she was about to faint. someone pinch her and tell her that this was real and not a

dream.

Qin Anlan's face was ashen in contrast to the beautiful fantasy of a young girl.

His expression was fierce as he glared at the ugly girl in front of him and then turned his head.

the person who started all this actually dared to laugh secretly.

"ye liangqiu," He called her name unhappily, but he had forgotten that they were on the subway and most of the people there were young. He hadn't noticed ye Liangqiu's presence at first, but now everyone was looking at her.

"It's Ye Liangqiu!" Someone cried out in alarm, and the surroundings became even more chaotic.

qin anlan was the first to realize it. he stretched out his long arm and pulled her into his embrace. her face was buried in his arms. other than her long hair, he could not see her face.

All aroundl soon, many people had gathered, and all of them had little red hearts in their eyes.

Qin Anlan narrowed his eyes and held ye Liangqiu tightly in his arms.

i don't know who took a video with their mobile phone and did a live broadcast on their wechat moments ...

qin anlan stared coldly at that person. not only did that person not restrain himself, but he also continued to shoot even more arrogantly. he even dubbed his own voice. " the heavenly queen ye liangqiu is actually on the same subway line as us, with an unknown man. this is what that man looks like! " At the end of the video, he even made a victory gesture.

One person started, and the others around him started to take photos. Ye Liangqiu's face was buried, so no one took a picture. But from the side of his face, everyone could see that it was ye Liangqiu.

qin anlan, on the other hand, was the one who filmed it thoroughly!

that night, the social media in b city exploded with news of ye liangqiu having a secret date with an unknown man. however, it was later confirmed that the man was qin anlan.

It was even more explosive after that because their relationship had been dug out by the paparazzi. It was fake, but now they were in such a civilian place and hugging so intimately. It was clear that Qin Anlan loved ye Liangqiu very much.

More and more people filled the train, and the train was about to explode..

Chapter 1678 - 1678: Sweet as honey (3)

qin anlan hugged her indifferently and refused to answer any questions. he only sent a message to KIME, asking him to bring someone to protect her at a subway entrance.

After another ten stops, he walked towards the subway entrance with ye Liangqiu in his arms. The crowd surged, and every step he took was difficult. In the end, he put his coat over her shoulders and covered her face.

many crazy fans got off the train with them, but they were stopped by the security guards.

Ye Liangqiu finally let out a breath. She took off her coat and revealed her face, allowing the fans to see her face clearly. It was indeed ye Liangqiu.

At the entrance of the subway, there was a burst of shrieking.

Ye Liangqiu waved her hand and smiled. She then took the initiative to hold Qin Anlan's hand.

he lowered his gaze and looked at her. after a while, he asked in a low voice, ‘ what do you mean? ’

“i’m trying to maintain my image!” she smiled sweetly at him, looking like a lovely wife.

He had no choice but to take her hand and walk away quickly. Ye Liangqiu followed behind him, shaking the clothes in her hands. “put it on!” He turned his head and looked at her. He took it and slowly put it on.

in front was the place where she hosted ran, the famous holy land of skewers.

qin anlan pulled her over to find a stall and sat down. the night wind mixed with the smoke from the barbecue was very choking.

he had just been sick, but he was sitting by the wind vent and blocking the wind for her.

after a while, she would choke non-stop. she covered her nose with her hands and looked a little embarrassed.

Ye Liangqiu turned her face sideways and handed him a ball of tissue. stubborn! she said in a disdainful tone.

it was laughable!

however, it was very cute!

She thought to herself.

qin anlan looked at her and snorted after a long while. ” “Is that so?” “If you don’t have a wild man, why would I be so calculative with you?” ye liangqiu was confused. what wild man?

“drunk and sleeping in the same room. do you dare to say that there’s nothing?” His fingers were slightly cold, and he pinched her chin with two fingers. His expression was not very good.

ye liangqiu looked at him in shock, not knowing what to say. Was this considered settling scores after autumn? He didn’t have such a big reaction back then!

qin anlan tightened his grip. ” hmm? ” now, he was giving her a chance to confess!

It was only then that she realized that he wasn’t jealous. He was here to settle scores and wanted her to give him an explanation.

After that incident, he had slept with her, but he could actually hold on until now to settle the score with her.

ye liangqiu snorted and glared at him. ” qin anlan, don’t go too far. ‘

“You’re the one who crossed the line!” he moved closer to her, and his breath was hot on the street in the middle of the night. “Tell me, did you kiss her?” He knew very well what it was like to be drunk.

He didn’t want to think about it, he didn’t want to pursue it, but he just couldn’t let it go.

this was probably a man’s deep-rooted bad nature!

ye liangqiu stared at him for a long time, then pursed her lips. after a long time, she softly said, “No, I didn’t!”

“Really?” his eyes were sharp and focused on her face, not letting go of any expression she made.

At this moment, he was like interrogating a criminal.

Ye Liangqiu’s eyes fell on his face, and after a while, she suddenly laughed. it’s fake.

He tightened his grip, and she cried out in pain, ” “It hurts!”

But he didn’t let her go. He pursed his thin lips tightly. Ye Liangqiu couldn’t stand the pain and put her hand on the back of his. I was lying. There’s no

Qianqian.

Her voice was actually aggrieved and had a hint of coquetry..

Chapter 1679 - 1679: sweet as honey (4)

qin anlan squinted at her. he grabbed her hand and finally let go.

At this moment, the boss brought the menu over. Sir and miss, please order something.

coincidentally, this stall was the same boss as the one that had come last time. ye liangqiu had left a deep impression on him. not every 172 year old girl could be so good looking. what was important was her temperament.

The boss laughed and took the bill. miss, there’s a new Sir today!

Ye Liangqiu pursed her lips and looked at Qin Anlan cautiously.

Qin Anlan glared at her, then calmly ordered his meal. He did not even look up as he calmly said to the boss, ” “There’s only been one! The Yingluo from a few days ago.” he sneered, ” i don’t like women. ‘

The boss was stunned. If he didn’t like women, did that mean Yingluo liked men?

However, it didn’t look like it. He looked so mighty, handsome, and cool, but even if he liked men, he would definitely be number one and definitely not number zero.

thinking of this, the boss's mood became better.

after qin anlan finished ordering, he handed the list to the boss and added, "two more bottles of beer." the boss smiled. "i'll be done in a minute."

"Aren't you sick? why are you drinking beer?" ye Liangqiu asked after they left. "That day when you were with RAN, did you drink?" his voice was faint.

ye liangqiu didn't know whether to laugh or cry. "how can you compare?" "Are you saying that I can't compare to him?" he said childishly. "yes, we can't compare!" ye liangqiu deliberately said to anger him.

She glanced at him. He understood.

She thought that he would be angry, but he didn't. He just glanced at her indifferently and smiled. "i'll let you know whether i can compete or not tonight."

The boss sent beer over, and PO ao opened the bottle for her and poured it, just like how he served Empress Dowager Cixi.

Ye Liangqiu took a sip and laughed. you're so sick, you should be more honest!

He didn't say anything and took a sip of wine.

She was stunned. After a while, she said softly, "no! never!"

Qin Anlan glanced at her and did not say anything else. He just drank his wine indifferently.

she wanted to advise him not to drink, but in the end, she didn't say anything. instead, she finished her bottle and took his bottle of kasaya.

Qin Anlan held the cup in his hand, his gaze deep. "Ye Liangqiu, What is this?" his fingers tightened and held hers, causing her to feel pain.

The Starlight from the roadside shone into her eyes, and it seemed to flow smoothly.

After a long time, ye Liangqiu pursed her lips. an LAN, no matter what happens between us, I hope you'll be well.

he laughed coldly. "will you be fine?"

She lowered her eyes and did not say anything else. She looked like she had been wronged.

he was a little annoyed and wanted to vent his anger, but he suppressed it. he pushed all the skewers in front of her and said in a stiff voice, "eat!" it was very heavy.

ye liangqiu was envious, but he still ate in silence.

he watched her eat. probably because she was obedient, his mood improved a little. he made an exception and peeled the shrimp for her, but his voice was still firm. "aren't you afraid of swallowing it if you eat so quickly?" So stupid!" she stopped and looked at him for a while before saying, "yeah, only an idiot would like you."

Chapter 1680 - 1680: Sweet as honey (5)

This time, he was the one who was stunned.

He didn't speak for half a minute. When he came back to his senses, his voice was hoarse. "let's eat."

Her eyes welled up. I can't eat anymore.

his eyes were burning.

"my stomach hurts," She pursed her lips. an LAN, I think it's gastroenteritis.

She said it calmly, but his eyes were filled with horror and his face was livid.

"why didn't you say so earlier?" his voice was so deep that water was about to drip out. he reached out to take the food from her hand and shouted at her, " ye Liangqiu, how stupid are you to drink cold beer when you're sick and eat this garbage food!!!

His tone was harsh, and his expression was even worse. He could be said to be fierce, but she felt a little warm.

because he was concerned about her.

He had her in his heart.

Ye Liangqiu laughed lightly and said in a relaxed manner, "because you're going to eat it!"

Although she was relaxed, her forehead was already covered in sweat, and her eyes were full of pain.

But she, this fool, was still smiling.

Qin Anlan raised his hand and slapped her face lightly.

He had really slapped her, but it was a light one.

But this time, it was because of her.

ye liangqiu was still smiling, her eyes glistening with tears.

"still not leaving?" his voice became even deeper.

without waiting for her reply, he stood up and took her hand, walking out.

"Where to?" she turned her face to look at him.

"the hospital!" qin anlan's voice was a little tense.

she was about to say something when the boss stopped them. " you haven't paid yet! "

Really, he looked so decent, but he actually wanted to eat the Overlord meal.

Fortunately, he had good eyes.

qin anlan searched for a long time, but he couldn't find any cash. in the end, ye liangqiu gave him the money.

the boss took it, counted it, and muttered, " the handsome guy from last time is still the most straightforward. Miss, you have to choose well, especially a miser who doesn't even have a single hair plucked. You can't marry him!

"Thank you, boss," ye Liangqiu replied with a smile.

"Good, good!" The boss went back to work.

qin anlan looked at ye liangqiu and glared at her. " "Still not leaving?" i don't want to go to the hospital, " she said.

"i thought you weren't afraid of pain." However, he dragged her to the road and stopped a taxi without any explanation.

sitting in the back seat, she wanted to say something, but in the end, she did not say it directly.

an LAN, I don't think we can do it tonight. he didn't finish his sentence, but he understood.

" I know, " Qin Anlan said magnanimously, " I'm not as brutal as you think.

Ye Liangqiu pursed her lips and clutched her stomach."actually, i'm yingying."

"don't speak anymore." He opened his coat and carried her inside, covering her carefully.

He rested his chin on her hair and murmured, " "Liangqiu, it's my fault! I shouldn't have brought you out to drink beer and eat those junk food, Yingluo.

But you're always making me angry."

His voice was unbelievably gentle, and she felt like she was in a dream.

was this an Ian?

she thought that she was dreaming.

she reached out and pinched herself secretly. if this was a dream, then it would be great if she never woke up from this dream.

ye liangqiu lay in his arms. his embrace was very warm, and she couldn't bear to leave.

Hence, when she was about to explain herself, she stopped. She looked at him in a daze as he was so anxious. Because she ... Her heart had never been full..

Chapter 1681 - 1681: sweet as honey (6)

seeing him so anxious because of her, her heart had never been full.

The emptiness of these days seemed to have been filled.

She laid down softly, her fingers clasped around his waist, slowly moving down to touch his heart. His anger was about to burst out because of her, but she asked softly, " " an lan, if i die one day, will you be sad? "

Before he could say anything, she continued with a light smile. I'm so detestable. You must hate me to the core!

He wanted to say something, but he was stopped by her words, so he said in a bad tone, "Yeah, I hate him to death!" she didn't say anything else. after a while, she smiled lightly. "i should." She hugged him tightly. but I'm still very happy that you're so good to me now.

qin anlan's heart started to feel sad. this kind of sadness surpassed anything

She had always been detestable and had never been so submissive. Moreover, she looked so sick. No matter how hard-hearted she was, she softened and reached out to touch her head. how could you die from pulling it? " he felt conflicted. he could not bear to see her, but he also hated her. he blamed her for being sad, and this made him feel very uncomfortable.

they snuggled up to each other and sat in the back seat of the taxi.

the taxi driver endured for a long time before he coughed lightly."Where to?" Was the movie 'Blue love for life' going to be played later?

The male and female leads were indeed very beautiful, but from the rearview mirror, it was obvious that the male lead had been tricked.

although the female protagonist had feelings, she was obviously calculative. he had seen too many women saying sweet words to deceive men, each one more brilliant than the other.

At this moment, the woman behind him was one of them.

no man would be able to resist such sweet words.l He was so bewitched that he was willing to give her his heart.

with his interruption, ye liangqiu calmly said, "the first people's hospital of the city."

The driver thought to himself, 'we've already passed the First People's Hospital of Yun Hua city. Now that we're on a one-way road and there's a traffic jam, it'll take about an hour to go back.'

however, these two didn't seem to be short of money. even if they were short of money, they wouldn't be able to act in a blue love of life and death. let's just go in circles. they were playing with romance!

can't you be a little slower!

So the driver got the order and drove slowly. Anyway, the money was on time.

Qin Anlan did not notice it. Just as the driver thought, he seemed to have been drugged.

they finally arrived at the hospital after more than an hour. The chauffeur was overjoyed to receive a tip of 1000 Yuan.

five minutes later, qin anlan looked at the department in front of him-gynecology?

didn't she say it was gastroenteritis?

ye liangqiu smiled. " my monthly allowance is here. " he glared at her.

“it hurts a little, prescribe some medicine!” she was still calm, but her eyes were curved in a smile, and she was a little mischievous.

qin anlan gritted his teeth and said, ” “You said you have a stomach problem?”

I said ‘probably’. Then I felt uncomfortable, probably because of my monthly allowance. She was a little rascally.

qin anlan looked at the department in front of him. it was dark, where were the doctors?

“There’s no one here. Forget it, I’ll go out and buy some sanitary pads.” “It’s an old illness anyway!” She said nonchalantly.

She said it so easily, but he did not let her go. With a cold face, he said, ” I’ll call the doctor over and give you a good examination.

Chapter 1682 - 1682: Let your husband buy it (part one)

The male doctor opened the door and glanced at ye Liangqiu. come in! ye liangqiu looked at qin anlan and pursed her lips. ” i’m going in. ‘ he pulled her back with one hand, his eyes burning. “I’ll go in with you.” with that said, she followed him in without a care, shamelessly.

The male doctor was in his early thirties. He was a rather cold doctor. After being in the maternity ward for a long time, he would become cold.

“where do you feel uncomfortable?” he asked ye liangqiu.

“period pain.” “But what I need the most right now is sanitary pads,” ye

Liangqiu said honestly.

the male doctor was married and had been dragged out of his home. his temper wasn’t very good, especially when he saw a beauty like ye liangqiu. he wasn’t very moved.

He raised his eyebrows and glared at Qin Anlan. ask your husband to buy it!

ye liangqiu meowed at qin anlan and glared at her.

The male doctor was unhappy. what’s wrong with buying some feminine products for your wife? ”

Ye Liangqiu looked at Qin Anlan, her eyes sparkling. He glared at her for a while, then walked towards the door.

after a while, he turned back. ” my wallet. ” ye liangqiu handed it to him and watched him leave, her expression not looking too good.

After they left, the male doctor said indifferently, ” “You must have taken medicine before! With your body, it’s best not to take birth control pills, especially morning after pills.” ye liangqiu didn’t deny it. ” i know. ”

“If you know, why are you still eating!” the doctor’s voice was cold. ” use condoms next time! it’s safe and hygienic, and it’s not easy to get sick.” ye liangqiu secretly wondered if this male doctor didn’t mock her.

however, this person had some moral integrity. it was only when qin anlan returned and ye liangqiu dealt with him that he checked and repeated his words to qin anlan.

qin anlan’s attitude was much better. ” i’ll definitely take note. ‘

The male doctor meowed at him, but didn’t say anything in the end. He waved his hand and chased him away.

it was almost midnight when they left the hospital.

The air was thin, and it was frighteningly cold.

standing on an empty street, ye liangqiu shivered in the cold as she tried to get a taxi.

“ask the driver to drive the car over!” she took out her phone and was about to dial, but he stopped her.

he reached out to hold her hand and put the phone into his pocket. then, he took off his coat and draped it over her shoulders.

He buttoned her up one button at a time until he reached the top button.

His eyes were focused as he did all this.

ye liangqiu’s breathing also became light as she looked at him.

“it’s done,” He let out a breath. let’s go!

As he spoke, he held her hand and walked on the empty street.

the moonlight shone on his side profile, making him look even more handsome and charming.

his palm was warm and strong.

She was reluctant to leave, but she was also worried. She struggled a little. an LAN, you’re the one who’s sick.

he continued to walk forward. ” if you were worried about me, you wouldn’t have said that you had a stomachache. ‘

after he finished speaking, he turned his head and glanced at her. that gaze was like he was looking at an insensible child.

Ye Liangqiu was in the wrong, so she followed him.

“i think i’d better return the coat to you,” she said softly after a while.

she wanted to take it off, but her hand was held down by him. then, he put his big palm in his coat pocket and said in a deep voice, If you want to do it, then do it again in your designated area.” his tone was a little stern, and he even gave her a final look.

“Oh,” ye Liangqiu replied, but didn’t dare to say anything else. She walked side by side with him towards an unknown place..

Chapter 1683 - 1683: Let your husband buy it (2)

after that, she leaned on his shoulder and wrapped her arms around his waist like an old couple, leaning on each other.

‘An LAN, if we can continue like this, how wonderful would it be?’

Even if I had countless expectations in my heart, even thinking that we would walk to the end, but when that time comes, would it still be so simple, calm, and beautiful?

She was a little scared and buried her face in his shoulder.

the two of them walked for about two hours down the street, and they finally arrived in front of the su residence.

He sent her home but did not bring her back.

standing face to face with her, he gathered her coat for her and smiled. ‘ “liangqiu, i can only send you off here!”

There was a deeper meaning to his words. She wasn’t a fool, so it was impossible for her not to understand.

“tomorrow will be a new day.” he hugged her and whispered in her ear, I like you and admire you, Yingluo. You’re the best lover and the best opponent.”

In the past, he had always underestimated her. He had underestimated her ability and her ruthlessness.

He was a little curious and puzzled. What kind of mood did she feel to be able to be so reluctant to part with him and attack King Entertainment at the same time?

She thought that he didn’t know what she had done to Xia Mian.

He knew everything, including the fact that Xia Mian had slept with che taixian.

He just felt that it was a pity. Xia Mian could’ve achieved a little if she wasn’t so ambitious.

However, the fact that ye Liangqiu had easily killed her sister, Xia Mian, was an explosive point. and he had to wait for her to detonate it.

He looked at her with a burning gaze. Liangqiu, take care.

He lifted his chin slightly and motioned for her to go in.

At that moment, their parting had crushed her. She almost wanted to throw herself into his arms and tell him that she couldn’t hold on any longer.

she didn’t want to go against him. to her, asia vision wasn’t important. the most important thing to her was him.

her lips trembled slightly. after a long time, she lowered her eyes. ” an Ian, can you not leave? ” qin anlan raised his head and looked at the luxurious mansion in front of him.

this was the place where they used to play together when they were young. but now, this house was a source of hatred for him.

“Liangqiu, you should understand that I will never be able to enter this place!” he reached out and ruffled her hair, giving her one last gentleness. ” go in! ” i’ll be waiting for you.”

She looked at him and suddenly felt pain in her breathing.

she couldn’t bear to, she couldn’t.

As he turned around, he heartlessly wanted to leave, but she hugged him from behind.

an LAN, are these two days not important to you? ” She leaned against his back and rubbed her face against his back as she muttered.

he stopped and looked down at her hand. after a long time, he smiled bitterly. ‘ liangqiu, i can’t figure out which one is the real you and which one is the act!

Can you even tell the difference yourself?”

she slowly let go of the kasaya for a while and took a step back. she breathed in the air of the late night and the pain reached her soul.

he said that she was acting. then, qin anlan, were you just playing along with my act?

you said you didn’t know which was true and which was false because you didn’t want to believe me anymore.

“yes!” She smiled lightly. Qin Anlan, I was too greedy! I wanted everything but forgot about you. You’re not someone I can have.” she walked in front of him and undid the buttons one by one. her fingers caressed the fabric of the coat lovingly. in the end, she steeled her heart and put it in his hand. ” be careful when you go back. ”

Chapter 1684 - 1684: using unscrupulous means (1)

he looked at her, at the coat in her hand, and said lightly, ” “you can wear it!” ye liangqiu shook her head. ” no need. ‘ she stuffed it into his hands and turned to leave. she walked away very quickly.

However, her arm was caught by him again. When she turned around, her long hair fluttered in the wind, forming a beautiful arc in the night sky. Her fair face was shockingly beautiful.

he looked at her for a long time before he said softly, ” i’m wei ya from king entertainment. i’ll go and pick you up. ‘ in fact, it was tomorrow.

she was in a daze for a moment before she realized that she had been too busy and had forgotten.

after a while, she nodded. " i'll get off work at five tomorrow. " mm. he didn't put on his coat. Instead, he put it on his arm and turned around to walk down the street.

she stood on the spot and looked at him for a long time. her feet were sore and she could not see him anymore.

The black carved door beside him slowly moved away, making a harsh and heavy sound.

ye liangqiu slowly turned around and saw su shicheng standing in front of the main residence.

why was he here?

She adjusted her clothes and walked in. The ear-piercing and heavy sound came from behind her again.

"This late?" Su Shicheng coughed lightly. it looks like your relationship with an LAN has warmed up pretty well.

ye liangqiu walked inside. when he passed su shicheng, he sneered, " as long as that day is still there, he will never treat me the same way he did in the past. "

"Just like how I treated him, he would not show mercy when necessary." ye liangqiu turned her face to the side, her expression cold. " so, don't hold any hopes of getting lucky. "

"then stay away from him." Su Shicheng emotionlessly said.

Ye Liangqiu laughed, ignored him, and walked into the hall.

It was late at night, and Momo had already fallen asleep.

she knew that su shicheng would not easily leave after coming here, so she had already made plans to deal with him.

she slowly sat down on the sofa and ordered the servant to make a cup of tea to warm her stomach.

Her stomach was starting to hurt from the wind outside, but she endured it and did not let su Shicheng find out.

su shicheng gripped his walking stick and clasped his hands together as he stared at her with burning eyes.

because he was thin, his eyes were deeply sunken. in the middle of the night, it was a little scary.

ye liangqiu's tone was indifferent. " whether i leave or not, it's my own decision. " su shicheng was about to explode when she indifferently glanced at him,"You were the one who said that he was my prize."

This time, su Shicheng's complexion improved greatly. He coldly laughed, " yes, the Qin family can only be used as prizes.

he thought for a moment, but he was still worried, so he continued, " "You have to know what's important."

the servant brought the tea over. ye liangqiu took two sips and smiled faintly. ‘ of course. ‘

“Is Qin PEI alright?” she looked at him and suddenly asked.

Su Shicheng’s expression became extremely unnatural as soon as she asked this, ” the same old. Don’t worry, I won’t kill him. I broke my promise to you. As long as you take King Entertainment under Ya Shi’s name, I’ll let him go.

let him go?

ye liangqiu really didn’t know whether su shicheng was insulting her intelligence or her.

at that time, the first thing he did was to kill qin pei, causing the fact that she and qin anlan could never turn back.

She knew exactly what he was thinking.

seeing that she was silent, su shicheng changed the subject. ” you’ve been doing well recently! “the shareholders of asia tv have regained their trust in asia tv, and several heavyweight scripts want to premiere on asia tv..”

Chapter 1685 - 1685: using unscrupulous means (2)

Ye Liangqiu laughed. it’s because dad used to run it well.

her sudden display of goodwill surprised su shicheng, but he soon sighed, ‘ liangqiu, no matter how unhappy we are, we’re still father and daughter. we’re blood-related in this world. no one else can compare to us. ‘ When he said this, his heart was filled with emotion.

he was already old, and his daughter was at the peak of her life.

although she was a woman and was an artiste, he had observed these days that she was very capable and could compete with qin anlan. perhaps even when he was in his prime, she would not give in.

Because she was ruthless enough!

Perhaps his worries were unnecessary.

Ye Liangqiu only smiled and didn’t say anything.

Su Shicheng’s heart was a little anxious. He did not have much time left, and he wanted to see the situation of Asia Vision unifying the world as soon as possible.

“Dad is old, and my only hope is you.” his voice was old, and he unconsciously showed weakness.

Ye Liangqiu finally raised his eyes and looked at him with a burning gaze.”dad, i won’t let you down.”

Su Shicheng’s heart was consoled by this much more respectful gesture.

After their relationship had improved, they started to chat. it’s going to be the new year in a few days. How are you planning to spend it, Momo? ”

before ye liangqiu could say anything, su shicheng's eyes flashed with desire, "I'll take you to Hokkaido skiing, okay?"

ye liangqiu pursed her lips and smiled. "an Ian said that she wanted to let the children spend the new year together." she lied without a change in her expression.

she really did not want to be with su shicheng on a new year's day. it would only disgust her and fill her with hatred.

she didn't want to see him in a daze, let alone spend the new year together.

a trace of disappointment flashed across su shicheng's eyes and his old face froze, but he quickly recovered and forced a smile. "i see! "that's good too. the children have to spend the new year together. it's also good for qin anlan to let his guard down."

ye liangqiu didn't say anything else. she swiped on her phone a few times, as if she was reading the news.

su shicheng's mouth was dry, but he still hadn't managed to drink a single drop of water. yingying's heart was a little stifled, and she felt a little wronged.

This was his home!

At this moment, a silent cry came from upstairs, as if she had woken up from a dream.

ye liangqiu immediately got up, but then clutched her stomach and sat back down.

"You sit here, I'll go take a look." Su Shicheng's heart was hanging high in the sky. He truly loved Momo.

Hence, she went upstairs with her walking stick and waved her bodyguard, ah Xing, away. wait for me downstairs. Get the driver to prepare it. I'll leave after Momo falls asleep.

her tone was still a little aggrieved. if she didn't leave, she would be a nuisance if she stayed.

upstairs, momo had indeed woken up and was crying badly. the nanny was trying her best to comfort him, but it was to no avail.

su shicheng immediately stepped forward and obediently pampered her, coaxing her into a silent embrace.

Momo soon stopped crying and chuckled, her small hands holding su Shicheng and refusing to let go.

Su Shicheng's withered old soul bloomed like a flower. He kissed the little fellow and was moved, which was rare. our Momo is still the best. She's not like your mother, who's so cold and lifeless! It's not good for Grampy either." he knew that liangqiu hated him.

Downstairs, ye Liangqiu slowly sipped her tea and didn't say anything for a long time.

su shicheng's bodyguard, ah Xing, came in from outside and bowed his head, " "Young miss." After he finished speaking, he stood to the side and didn't say anything..

Chapter 1686 - 1686: using unscrupulous means (3)

ye liangqiu glanced at him and smiled.”xing, how long have you been with mr.

Ah Xing was an honest man who was not even 30 years old. When he heard this, his square face turned red. After a long time, he finally managed to squeeze out a sentence, ” young miss, I’ve been with master for five years.

“does teacher treat you well?” Ye Liangqiu smiled slightly, lowered her head to drink her tea, and then looked up at ah Xing.

Ah Xing was a rough man. He had never been so close to a fairy-like lady. Besides, Lady Zhao used to be a big star. She was the Queen of stars, and he had always admired her. He never thought that he would be able to talk to her one day.

Xing’s heart was about to float, but he did not dare to show it on his face. he said honestly, ” it’s pretty good! i even bought a house in B city, and my mom also brought me here from the countryside.”

ye liangqiu knew what was going on, so he asked casually, “Do you have a target?”

This time, it was as if she had stepped on ah Xing’s tail, but it also felt like she had rubbed his heart. It was painful, numb, and itchy.

fangzheng’s face turned the color of a pig’s liver, and he could not squeeze out a word for a long time.

Ye Liangqiu stood up and patted him on the back, smiling.”don’t be bored to death. ”

This time, ah Xing was really depressed. His face was even redder, as if it was filled with blood. his breathing was very hot, and his eyes seemed to be on fire as he looked at the fairy-like eldest miss.

Ye Liangqiu smiled and sat back down.

on the other hand, ah Xing lost his composure and only came back to his senses after about two minutes. he whispered, ” “not yet,”

As he said this, he sneaked a glance at the fairy-like eldest miss.

ye liangqiu smiled. ” if there’s a suitable candidate, i’ll help you look for one. ‘

Xing’s face turned red again. he said thank you in a low voice and then went silent.

he thought to himself that it would be great if he could have a fairy-like appearance like the young miss. however, he could only think about it, only think about it. for a person like the young miss, just looking at him for one more time was enough to make him completely satisfied.

at this moment, su shicheng slowly came down from upstairs. looking at ah Xing’s red face, he said in a deep voice, “What is this? Xing, did you make the young miss unhappy?

Xing said he didn’t dare.

Ye Liangqiu stood up and glanced at a 'Xing before smiling at su Shicheng, " i'm talking about introducing a girlfriend to Xing. he seems to be shy! "

su shicheng glanced sideways at ah Xing and immediately smiled, " i see! It's time to find a wife, otherwise you'll be almost 30, Yingluo. But after you get married, you can't have weak legs."

Xing was also a pure and rough man, so how could he listen to these words? his face became like a pig's liver again, and he was speechless for a long time. "dad, stop teasing him." Ye Liangqiu smiled. I'll send you out!

su shicheng's mood brightened a little. he turned around and said, " you don't have to send me off. your body is weak. it's fine as long as ah Xing is here. " Xing also promised that he would take good care of Mr. Su.

Ye Liangqiu nodded and walked them to the door. She patted ah Xing's arm and said, " thank you.

Ah Xing suddenly felt like he was floating. He couldn't even speak for a long time.

su shicheng and ah Xing got into the car, and after a while, ah Xing suddenly said, " "Sir, the young miss is actually very concerned about you."

Su Shicheng faintly grunted, " Liangqiu is my daughter, after all. That's only natural..

Chapter 1687 - 1687: using unscrupulous means (4)

su shicheng was no longer the same as before. even if a bodyguard spoke a little more to him, he felt that it was enough to get rid of his loneliness. However, Xing didn't talk much in the past. Why was he like this today?

su shicheng's eyes were old but sharp. " why did you put in a good word for her?

as Xing drove, beads of sweat broke out on his forehead. he sneaked a glance at the rearview mirror and said anxiously, " "the young miss is a good person." Su Shicheng closed his eyes again. Liangqiu is not mean to her servants.

A 'Xing's body relaxed, but he was extremely nervous.

he didn't dare to let mr. su find out about his feelings for the miss, otherwise, he probably wouldn't be able to live.

"sir, what's going on between the young miss and mr. qin?" he asked.

although a 'Xing was su shicheng's follower, he had a pure and innocent personality, so he was unaware of the dark side of su shicheng.

As soon as he finished asking, su Shicheng's gaze suddenly became dangerous, " ah Xing, there are some things that you shouldn't ask about. I only kept you by my side because you're steady and quiet. Don't let down my trust in you.

Xing didn't dare to speak again and focused on driving. However, ye Liangqiu's face kept flashing through his mind.

after that, she followed su shicheng back and lay down in his single room. the moment she closed her eyes, she was like a fairy-like young lady.

then, that night, a 'Xing's dream ended.

When he woke up, he was in a sorry state. He was gasping for air, and his hair was wet with sweat. the darkness covered his sorry state, but it was also like an invisible hand that could reach out from the dark at any time and grab his lifeline.

he found it hard to breathe, and every time he thought of the young miss, his body would hurt again.

Ah Xing was still a Virgin and had never done anything between a man and a woman, so this was out of control.

He looked down for a long time, but in the end, he still went to the bathroom, turned on the water, and instinctively, he did something bad for the first time.

his mind was filled with thoughts of the fairy-like eldest miss. in the end, he muttered her name.

After everything had passed, it was very empty. The water had turned cold, and the air was slightly chilly.

Xing's body leaned against the wall and slowly slid down. finally, he covered his face with his hands and rubbed it vigorously.

late at night, at the su residence.

ye liangqiu held a glass of wine in her hand and gently swirled it.

It had been more than a year, but she had not found Qin PEI. If she could find Qin PEI, she would immediately kill su Shicheng. all those sins had disappeared.

She had never thought of letting an LAN know about those things.

however, she had not found a breakthrough until today when she saw ah Xing secretly look at her.

she admitted that she was despicable. she had used ah Xing, or perhaps she would use him in the future, to make use of his little perverted heart, or to put it in another way, his admiration for her.

perhaps ah Xing would die in embarrassment if he worked for her, but she would still do it.

Perhaps su Shicheng's blood was in her as well, and she was just like him, equally unscrupulous.

just now, momo had cried because she had asked the nanny to do it. su shicheng loved momo dearly, so he went up to her and gave her the opportunity to flirt with ah Xing.

She slowly took a sip of red wine, and a light flashed across her long and beautiful eyes.

Su Shicheng had taught her one thing: on the road to victory, she needed to use stepping stones. If she was soft-hearted, she would not succeed..

Chapter 1688 - 1688: Who is the real owner of King Entertainment (1)

King Entertainment's annual banquet was always Grand and held in the largest ballroom in GM.

When ye Liangqiu came over, Kie drove to pick her up. He said that Qin Anlan could not leave, but he sent his trusted aide, which was enough to show that he valued her.

However, ye Liangqiu quickly realized that this was just wishful thinking.

if everything that had happened before was her scheme against qin anlan, then from now on, it was qin anlan's counterattack.

or rather, this whole affair was a carefully planned scheme.

at least, ye liangqiu stood on the red carpet and looked at qin anlan and Xia mian standing side by side in the distance. they looked like a golden couple. she laughed bitterly. it was only then that she realized what he had said last

night. he was really declaring war on her, and she was still in his gentleness.

he was too naive.

Xia mian was wearing a light purple strapless dress that accentuated her cleavage. she was fair, and her entire body looked valuable. the diamond necklace on her neck was extremely expensive. Xia mian could not afford it on her own, so the only person who could afford it was qin anlan.

her gaze fell deeply on qin anlan's face. she smiled faintly, but there was a hint of mockery in her smile.

then, she reached out her hand and caught him.

Kime was shocked. He leaned against ye Liangqiu and forced a smile as he posed for the reporters to take pictures.

He felt a chill run down his back. He could already feel boss Qin's gaze piercing him like two knives.

he laughed bitterly and said in a low voice, "mr. ye, that's enough. i'm afraid i won't live to see tomorrow's sun.

"i'm still alive to wait for the child's mother," he said after a pause.

ye liangqiu smiled and said in a low voice,"then cooperate. don't worry, i won't die. at worst, i'll just break my arms and legs."

In fact, they both knew how much Qin Anlan cared about her. However, the person he wanted to deal with was not her, but Ya Shi.

at tonight's event, he was obviously going to embarrass her and ya shi.

What he used was to give them a taste of their own medicine.

When ye Liangqiu was almost done taking photos, she walked in Qin Anlan's direction.

the night wind was strong, and she felt as if she had been walking for a century on the ten-meter carpet.

‘an lan, you’re here, but even though i’m getting closer, i feel like i’m getting further and further away.

finally, she walked to his side and held his arm.

I’m sorry, ” thought Kie as he looked at Qin Anlan with a bitter face. He did not dare to look at Qin Anlan.

qin anlan and Xia mian stood side by side, as if they were accepting the interview, but ye liangqiu knew that he was waiting for her to come over so that he could give her a fatal blow.

“Looks like I’m not CEO Qin’s dance partner tonight!” She smiled.

qin anlan retracted his gaze from the reporters and looked directly at ye liangqiu’s hand that was holding onto kie’s.

His gaze was so intense that it could burn a hole through Kime’s arm.

ahem! Kim coughed and tried to pull his hand back but failed.

Qin Anlan’s gaze finally shifted to ye Liangqiu’s face and he smiled faintly. yes, Xia Mian is King Entertainment’s new Star. She’ll be my female companion tonight.

Ye Liangqiu nodded, still smiling. you’re quite creative, President Qin.

she looked at kime, who immediately waved his hand. ” mr. ye, i’m very busy tonight. i might not have the time to dance with you. ”

“i see!” she looked at qin anlan and smiled. ” then i’ll call ran over. he hasn’t left yet. ”

As soon as she finished speaking, Qin Anlan grabbed her arm. He did not look too good. if I remember correctly, I’m the owner of King Entertainment..

Entertainment (2)

“Right!” she laughed softly. ” but president qin, you forgot that if it wasn’t for our personal relationship, i wouldn’t have to attend the banquet and i wouldn’t have to be humiliated by you for no reason. ”

“President Qin, don’t forget that our honor and disgrace are one.” It’s not good for you to have too many scandals.”

He muttered, ” for example, the light of che taixian. I a pan?”

His voice was a bit low, and ye Liangqiu’s eyes turned cold. So he knew! On the other hand, Xia Mian’s blood had frozen che taixian.

what was the relationship between ye liangqiu and che taixian?

could it be that her sleeping with yingying was a conspiracy?

And the mastermind was ye Liangqiu?

Xia Mian's face was completely pale as she looked straight at ye Liangqiu.

Ye Liangqiu quickly recovered from her shock. She looked at Xia Mian and smiled, "Miss Xia, don't you pay attention to your facial expressions? it won't be pretty if the reporters take a picture of you like this."

Xia Mian was stunned for a moment, then immediately put on a sweet expression. However, her gaze was still as if she wanted to eat ye Liangqiu up. qin anlan extended his hand. "let's go! "

His arm was right in front of him, and there were two women in front of him.

Ye Liangqiu wouldn't think that he was talking to her, but it would be ridiculous if he were to say it to Xia Mian.

Wasn't he tired of playing such clumsy tricks all the time?

Xia Mian also hesitated for a moment before she carefully placed her hand on Qin Anlan's arm.

A sense of joy slowly rose in her heart when he did not object to her teasing.

he didn't break free, which meant that she really was his female companion, not ye liangqiu.

no matter what the reason was, she was the one standing in front of boss qin.

Xia Mian's disbelief turned into overconfidence, and she smiled triumphantly at ye Liangqiu.

There was a hint of provocation in her eyes.

so what if ye liangqiu was mrs. qin? didn't president qin publicly slap her in the face now?

this historic moment was captured by the reporters. compared to Xia mian's smugness, ye liangqiu stood to the side, looking a little lonely.

in her heart, she was even more clear that qin anlan was not just showing off in such a boring way.

He definitely had something more important to announce to the reporters. If he was not mistaken, it would be to officially announce his plan to acquire Asia Vision.

she pursed her lips tightly. under her elegant exterior, her fingers were clenched into fists, and her insides were already drenched in sweat.

as expected, qin anlan faced the media and smiled calmly. he said calmly, "thank you all for coming, and thank you, chairman ye of asia tv, for coming to KING entertainment's weiya. however, i'm still sorry to announce that KING entertainment will carry out a comprehensive acquisition plan for asia tv after the new year. ' the entertainment reporters were in an uproar. just a few days ago, president qin was still publicly showing off his love for Xia mian, but now, he was holding Xia mian's hand and openly declaring war on his wife.

then, all the love from before was fake?

entertainment reporters weren't too interested in business. they were more interested in qin chu's relationship and whether he had really hooked up with a b-list female celebrity and abandoned the diva ye liangqiu!

when they were frantically asking questions, qin anlan only smiled and did not answer.

this is where he's brilliant, xuxu.

Such a scene was embarrassing enough for ye Liangqiu.

It was only then that she realized that he could really be ruthless when necessary.

at the side, KIME was secretly sweating. boss ye's face was really ugly.

And boss Qin, if you go too far, what if boss ye really makes you a cuckold? it'll be too late to regret it!

ye liangqiu took a deep breath and said in a low voice, " please catch me when i fall to the ground. "

KIME was stunned, but the person beside him had already fallen. he was caught off guard and staggered..

Chapter 1690 - 1690: Who is the real owner of King Entertainment (3)

Kie was stunned, but his instinct allowed him to catch ye Liangqiu in time.

However, he only managed to catch it before Qin Anlan carried him over.

"cool autumn?" president qin, who was originally hugging Xia mian's beauty, looked at his wife anxiously.

The imposing manner of wanting to acquire Ya Shi was instantly gone.

Ye Liangqiu's face was pale, and his lips were almost colorless.

On the light-colored evening gown she was wearing, there was a touch of bright red that was glaring under the light.

"ah, could it be a miscarriage?" A female reporter covered her mouth and screamed with red eyes.

it was really too tragic for xuxu to be so agitated after witnessing such an embarrassing incident on the red carpet between her husband and a small artiste under her. she was really pitiful.

The reporters all aimed at the bloodied part of ye Liangqiu's body and believed the female reporter's words. The woman knew this the best. President ye was pregnant and it was very likely that he had a miscarriage.

in fact, even if it was impossible, the reporters still hoped that it was possible.

after all, the more gossip there was, the more money they could earn.

qin anlan was holding ye liangqiu in his arms. his face was ashen and a little pale, but it was even uglier than ye liangqiu's unconscious face.

A miscarriage?

Of course, he knew that it was impossible, because she was on her period.

however, he naturally wouldn't explain such a private matter to others, so he picked it up and walked towards the carriage at the door.

in his heart, there was a touch of panic and fear.

Xia Mian stood rooted to the ground, still in a daze. She muttered, "how can i be pregnant? it's impossible."

when she opened her eyes, the piercing glare of the cameras kept hitting her face. it was as if she was standing on an empty stage. those malicious and mocking gazes were all directed at her. she stood there like a clown.

She felt lonely. At this moment, she felt like she had returned to her original state.

the lights were very hot. her face was hot and she felt extremely uncomfortable. her entire body felt like it was bound by something, and even breathing was painful.

She screamed at the people who were mocking and looking down on her, " "she didn't have a miscarriage. yingluo, she didn't. she was pretending. She's despicable and shameless!" the surroundings instantly fell silent.

it was so quiet that even the sound of a needle falling could be heard.

All eyes fell on Xia Mian again, and their gazes were filled with disdain ...

Xia Mian was a pure and innocent girl, but right now, she had completely ruined her image. No matter how she looked at it, she was just a scheming b \* tch who wanted to destroy someone else's family.

Xia Shu's Red lips parted slightly as she looked at the cameras silently. She suddenly covered her face-

It was so glaring, so glaring.

She had lost. She was utterly defeated.

she had thought that she had won, but ye liangqiu's little scheme had turned the tide.

She turned around abruptly. Her light blue clothes looked particularly cold in the night wind. Her eyes were bloodshot as she looked in the direction that Qin Anlan had left in. She did not have a trace of nostalgia, never.

It was her wishful thinking.

Qin Anlan carried ye Liangqiu and got into the car. Kie had also come back to his senses. Although he knew that Chairman ye was acting, he had to act enough, right?

Kime started the car and asked in a deep voice, " "President Qin, which hospital are we going to?"

"Sheng Yuan!" Qin Anlan's voice was a little hoarse.

his heart was a little heavy. she had been exposed to the wind last night and the night before, and she was on her period. however, she fainted just like that. her health was not very good. he should take advantage of this time and ask doctor mei to check if there was anything wrong with her..
