

Thank you 1871

Chapter 1871: an Ian, i want to kiss you (3)

she buried herself in his arms like a little girl, crying and refusing to speak.

he was a little embarrassed, but he couldn't do anything about her, so he could only keep coaxing her.

she wondered if she had had too many children. wasn't it said that one pregnancy would make one stupid for three years? she had given birth to three and five children. how stupid would she be?

However, he thought that he was selfish. He would rather she continue to be foolish so that he could selfishly have her.

after crying for a long time, he finally coaxed her. he even decided to let her kiss him however she wanted. she could kiss him or even bite him. as long as she was happy, she could do whatever she wanted.

however, the little girl refused to let him touch her after that. she cried and made a fuss.

qin anlan waited for her to fall asleep. he rubbed his forehead and felt a slight headache.

did all women love to cry like this?

she didn't remember crying like this before. even when he took her for the first time, she didn't cry like this. however, it was quite interesting.

Qin Anlan laid down beside her. He could not bear to sleep as he looked at her delicate face.

the next day, ye liangqiu woke up at ten o'clock. he was no longer in bed.

She turned around and bit her fingers. It was already past the time to feed the child, so she might as well go back after lunch.

Lying down, she looked sideways. There was no breakfast of love, nor were there roses on the bed.

She was unhappy, but then she remembered that Yingluo had actually cheated on her last night.

when he was angry, she could only cry. this trick was quite effective. in the past, he only thought that qin anlan hated women crying, but last night, his heart ached when he saw it.

thinking of this, ye liangqiu's mood became better. she changed her clothes and was about to go downstairs when she heard a woman's voice coming from downstairs. it was Zhang yuanyuan.

she gave up the clothes in her hands and put on her bathrobe. her collar was loose, showing off to her former love rival.

Zhang yuanyuan was holding a report to qin anlan. he was not wearing a mask, so half of his face was exposed.

the wound on his face was slowly healing, and he did not look as ridiculous as before. inadvertently, he could still find a trace of qin anlan.

Zhang Yuanyuan's eyes would occasionally fall on her BOSS's face. She was a little confused. It was actually Wanwan's first surgery, so she wouldn't change much. However, she wasn't scary anymore and was much more pleasing to the eye.

furthermore, qin anlan had always been a loyal and capable man who was very attractive to women.

At least, Zhang Yuanyuan's heart was moved again, and she looked at him a few more times.

qin anlan was a man, so he wasn't that meticulous. however, ye liangqiu could see through his thoughts.

"Miss Zhang," he coughed as he stood on the stairs.

Zhang yuanyuan looked up at ye liangqiu, who was wearing a bathrobe. she was stunned. ran ran, she lived here?

"Business?" Ye Liangqiu's voice was a little soft. Of course, she was looking at Qin Anlan as she said, " I'm so hungry. Can you cook for me first? " qin anlan closed the document without a second thought and stood up. "boss, it'll be over in a bit," Zhang yuanyuan immediately said. otherwise, i'll ..." before she could finish, ye liangqiu's fingers pressed against qin anlan's back and she said with a slight smile, " miss zhang, this is not the office! Your boss isn't a machine, he has his own private life too." she was qin anlan's private life.

ye liangqiu had always been polite, but there was also a warning between women in his words. if Zhang yuanyuan was smart enough, she would know not to provoke ye liangqiu's man..

Chapter 1872: he doted on her because he loved her (1)

In the past, Xia Mian used to pester her like that. Didn't she get rid of her in the end even though she used despicable methods?

Zhang Yuanyuan was obviously a pampered girl who had never been hurt in a relationship. She couldn't hide the things in her heart.

Ye Liangqiu had treated her like a toy.

However, if people don't offend her, she won't offend Xuxu. If Zhang Yuanyuan had just been an assistant, she wouldn't have made things difficult for her!

Zhang Yuanyuan looked at ye Liangqiu, a hint of anger rising in her heart. This woman had actually seen through her thoughts and didn't give her any leeway. besides finance, Zhang yuanyuan had also studied law. in her heart, she always felt that ye liangqiu and qin anlan were no longer husband and wife. so what if they had a child? they were not husband and wife.

Before they remarried, she would still have the same chance to compete for Qin Anlan.

Zhang Yuanyuan chuckled and closed the document. I wonder if I'll have the chance to try boss's cooking.

ye liangqiu was stunned. she didn't expect Zhang yuanyuan to be so thick-skinned.

Did she not understand such an obvious warning?

however, she immediately understood that Zhang yuanyuan's attitude was clearly that she would not give in and would not give in.

Ye Liangqiu narrowed her eyes and looked at Qin Anlan. He was the one who had called in the sisters-in-law. It used to be Xia Mian, and now it was Zhang

Yuanyuan.

Qin Anlan shrugged his shoulders and laughed at her pettiness.

he still dared to laugh at her!

ye liangqiu was angry. she didn't know why she was so petty. she wasn't like this in the past.

she returned to her villa in her bathrobe, leaving the man and woman alone in a daze.

qin anlan did not stop her when she left. he looked at her back with a deep gaze.

He didn't want to aggravate the conflict. In reality, Liang Qiu's emotions were a little too extreme. He knew that she was thinking about Xia Mian and the uncomfortable past.

However, Zhang Yuanyuan was different from Xia Mian. Zhang Yuanyuan was a girl with integrity. She was a little willful, but she wasn't as crazy as Xia Mian.

once a person had a lot of things, they were afraid of losing them.

compared to Xia mian, Zhang yuanyuan's conditions were much better. she wouldn't easily give up what she had to pursue something that was not real.

The reason why he did not stop Liang Qiu was that he was prepared to deal with Zhang Yuanyuan himself.

"boss, there's a misunderstanding between you and miss ye. why didn't you go after her?" Zhang yuanyuan's voice was very considerate as she observed qin anlan's expression.

she had to admit that she had been testing him. it would be good if ye liangqiu continued to misunderstand her.

This was also what she hoped for.

qin anlan retracted his gaze and looked at her indifferently. then, he said softly, " i think miss Zhang knows best why my wife is angry.

Zhang Yuanyuan's face turned pale. She did not understand what Qin Anlan meant.

it was clear that ye liangqiu didn't know the big picture and was throwing a tantrum, but why wasn't he angry?

because she's the one I love, so no matter how outrageous she is, I can tolerate it. Qin Anlan held his forehead. Secretary Zhang, I remember telling you before that in this life, I will not love anyone other than her.

“What if she doesn't love you anymore?” Zhang Yuanyuan's voice was trembling.

she waited uneasily for his answer.

Qin Anlan smiled. she doesn't love me, but I love her, ran ran.

Zhang Yuanyuan covered her face. is she really that good? ” She was clearly such a petty woman.

however, she knew that this kind of disturbance was called ‘fun’!

Chapter 1873: doting on her because i love her (2)

After Qin Anlan finished speaking, Zhang Yuanyuan's heart gave up. Even if ye Liangqiu didn't love him, he could still act as he always did.

she could not understand why a man like him would be so infatuated with a woman.

She had heard that he had been injured because of ye Liangqiu. That woman was so willful that she didn't care how much he had sacrificed!

“is she really that good?” Zhang yuanyuan's voice was bitter, with a hint of unwillingness at the end of the road.

Qin Anlan's tone was very calm. not that good, but I like her.

that's right. if she liked him, it didn't matter if he was good or not.

Zhang yuanyuan didn't understand. her thinking was too one-sided. she always thought too simply. she only saw qin anlan's sacrifice for ye liangqiu, but she didn't see ye liangqiu's unwavering loyalty.

While she was still in a daze, Qin Anlan's tone was already very calm. don't come over for the time being. If there's anything, wait for me to go to the office.

“But boss, you won't be going to the company these days.” Zhang yuanyuan quickly replied. she knew that he was probably doing this for ye liangqiu.

qin anlan's tone became even more indifferent. ” then, don't bother about the company for the time being. i'll give you half a year's leave. ” half a year of leave?

Zhang yuanyuan was even more stunned.

Did the boss not want his career anymore?

Had he given up everything just because of ye Liangqiu's mood?

after a long time, Zhang yuanyuan asked carefully, ” “are you going back to B
Qin Anlan’s gaze fell on her face. yes.

In fact, he was also prepared to place his focus on B city. King Entertainment was the Qin family’s business and he was very assured of Liang Qiu’s management.

in public, he was already a non-existent person. he could handle his own affairs at home and take care of the child at the same time.

This was Qin Anlan’s plan for himself, but he would not tell an outsider like Zhang Yuanyuan easily.

Moreover, her thoughts were not pure, and it was not suitable to keep her by his side.

Zhang yuanyuan could more or less guess what he was thinking from his affirmative answer. her eyes dimmed.

She thought that she would have a chance, although she hadn’t thought it through yet.

“miss zhang, you don’t like me as much as you think.” Qin Anlan’s tone was very calm. don’t make things difficult for others. You’ll also make things difficult for yourself. You’ll make a mess of your own life.

He looked at her with a gentle gaze, not making her look too bad. After all, she used to work with him and was a very good partner. She was quite capable.

Zhang yuanyuan’s heart trembled, and she felt embarrassed as if she had been seen through. that was indeed what she was thinking.

She gave a weak smile and looked up at him. am I too unkind? ”

qin anlan did not answer her question directly. he only smiled faintly.”sometimes, it’s better to be selfish! At least, treat yourself better.”

she was not like his silly liangqiu, who had silently done so much for him and endured so much for him. on the other hand, she would feel extremely distressed when he suffered a little injury (are you sure it was just a little injury?)

Zhang Yuan’s heart was a little sour. He didn’t love her, not even a little bit, but he still gave her a trace of gentleness. She knew that it was because she was his subordinate.

tears welled up in her eyes. she told herself that she really had to let it go.

“Boss, if you need an assistant in B city, you must find me! No one is more suitable than me. ‘

Qin Anlan smiled warmly. sure.

she was a smart woman and understood everything. in the face of uncertain love and wealth, she would not choose the former..

Chapter 1874: Doting on her because I love her (3)

Zhang yuanyuan was finally sure that she should give up.

even if there was a little desire, it would seem ridiculous.

He smiled lightly and said, " then I'll go first! You, coax miss ye and apologize on my behalf." qin anlan's voice was a little hoarse. he laughed and said, " she's not angry at you. she's angry at me. "

Zhang yuanyuan squeezed out a smile. after all, she had just fallen in love. " then i'll take my leave first. we agreed on half a year's leave. boss, do i get paid?

qin anlan's slender fingers fell on the documents. he said calmly, " you can use the company's liquid funds yourself.

Zhang Yuanyuan was stunned. Wasn't this too generous?

there was still more than 100 million us dollars on the book. was she really going to use her investment?

However, this was a good opportunity that others couldn't get even if they begged for it. She should cherish it.

He took a deep breath and suppressed the ecstasy in his heart. thank you, boss.

Qin Anlan raised his hand and motioned for her to leave first. Zhang Yuanyuan naturally would not stay and be a third wheel.

after she left, the villa was quiet, but qin anlan had a headache because the little woman was obviously angry. he had to coax her.

it was obviously not a good idea to go to her villa like this.

qin anlan pondered for a while and decided to call her. he called her cell phone and the call went through, but she did not pick up.

If she didn't pick up, he would call her again and again until she did.

ye liangqiu's voice was lazy and slightly hoarse."Mr. King, what brings you here? I thought you were going to entertain your beautiful secretary."

He laughed and unbuttoned his shirt. His voice was gentle."should i get an ugly secretary in the future?"

Ye Liangqiu snorted. I don't care if you find an ugly or pretty one. Mr. King, we're done here.

She was acting very petty and willful, not at all like ye Liangqiu.

qin anlan chuckled. " really? No regrets?"

She said in a fit of pique, " I'll bring the child back to B city tomorrow. I won't be an eyesore.

Back to B city?

he frowned. she didn't say it would be so fast, but he didn't ask further.

” i’ll go make dinner, ” he said softly. ” i’ll come back in an hour to have dinner with you, okay? ”

“not good.” She was extremely willful and even hung up on him.

after hanging up, a faint smile appeared on her lips. it seemed that she had never lost her temper with him before. she had never been so girly before.

would an Ian think that she was too pretentious?

Or should he call back now to test it out?

But she was only thinking about it. After all, she was ye Liangqiu. She wouldn’t do such a lowly thing.

hence, she was busy with her own matters in peace.

qin anlan stared at his phone for a long time before he burst out laughing. her temper was getting worse, but she was still cute.

in a good mood, she went to make a table full of her favorite dishes. it was already twelve o’clock when she was done.

Qin Anlan called her phone again, but it was turned off!

She dropped her phone and stood beside the sofa, rubbing her hands. She was secretly laughing.

The two of them had quarreled even more intensely before, but they had never had such a small argument.

cool autumn had become smaller!

she threw a tantrum not only because of Zhang yuan, but also because of what he didn’t want her to do last night, even though she might not have realized it herself..

Chapter 1875: doting on her because i love her (4)

qin anlan knew her and the children’s schedule. usually, at this time, she would feed the children first, then eat by herself and take an afternoon nap. he knew it all.

she walked to the second floor and looked at the passage next door. there was a door closed and usually couldn’t be opened, so it had to be locked.

He took the key and held it in his hand. He didn’t eat and stayed up until one in the afternoon.

The children should be asleep, and she should be by their side.

He held the key and walked to the door in the corridor. He opened the door carefully, afraid that he would wake up the children from their afternoon nap.

just as he had expected, momo, mumu, an, an, and Ian Ian were all sleeping soundly. he was so envious of them.

ye liangqiu closed her eyes and felt a little drowsy. at this moment, the soft sound of footsteps woke her up.

when she opened her eyes, she saw qin anlan standing by the bed and looking at her with a burning gaze.

Because she had fed the child, her clothes were not buttoned up, and she looked very disheveled. the sight of four little soft buns sleeping by her side softened his heart.

Qin Anlan narrowed his eyes and looked at her with a burning gaze. When he opened his mouth, his voice was extremely hoarse. "come over and have dinner with me." ye liangqiu reached out and slowly buttoned up her shirt. "i've eaten." "didn't Zhang yuanyuan eat with you?" she asked on purpose.

He wasn't angry. He gently got onto the bed and crawled towards her. He supported himself with both hands and hung above her.

"she left first." Then, he laughed again, "What do I need her to do?" ye liangqiu was afraid that he would do something rash, so she lay straight and looked at the half of her face that looked like a patch. she laughed naughtily. "she's the one who doesn't want to accompany you, huh?" her fingers were playing with the buttons of his shirt, and her gaze was mischievous.

qin anlan looked at her with a burning gaze. he knew in his heart that liang qiu really did not care about his appearance. did she not look at him, or did she not care?

Actually, it's not important, Yingluo. The most important thing is, damn

Yingluo.

he had gone for a check-up. he had been injured there and needed surgery. As a man, he didn't want her to accompany him during the surgery.

because it was too embarrassing!

Qin Anlan's fingers pinched her face gently. At first, it was gentle, but later, he felt that she was really detestable and used a little more force to tease her.

She let out a soft cry of pain ...

he was happy. he lowered his head and bit her earlobe. "liangqiu, why do you call me like a virgin?"

After teasing her, he released his fingers.

Ye Liangqiu glanced at him, her eyes glistening with tears. She raised her hand and gently pushed him. "Quickly leave! Don't wake the child up."

Not only did he not leave, but he also lowered his body and hugged her shamelessly.

Ye Liangqiu looked around. an LAN, you'll wake them up.

his large palm was already unruly. he even kissed her beautiful neck and slowly moved up. his voice was extremely seductive. "so, you have to be quiet."

Ye Liangqiu's voice trembled, and her fingers grabbed his shoulder. "An LAN, don't mess around."

“then i’ll do it properly, okay?” As he kissed her, he mumbled, ” you’re making a scene with me because you want me to coax you. Are you satisfied now? ‘

She glared at him with tears in her eyes. Satisfied my ass!

she desperately endured it and didn’t make a sound. xuxu clenched her fists and pounded his shoulders. it was really hateful!

Ye Liangqiu lay there, thinking miserably that she was going back to B city!

Chapter 1876: he doted on her because he loved her (5)

qin anlan had taken quite a bit of advantage, but it was clearly not enough.

When she fell to the ground, he reached out to pick her up and walked straight toward him.

“the child.” her forehead was covered in sweat, and her fingers tugged on his sleeve gently. her eyes were slightly closed, and her voice was weak.

qin anlan lowered his head and kissed her. ” i’ll get KIME to come over and take care of her. ‘

she glared at him. usually, KIME stayed at his place, but he often caught her there, so KIME stayed there more often.

She clenched her fingers, lifted her body slightly, and bit his neck unwillingly.

qin anlan was in pain.

She bit his wound. Although it was painful, his heart was indescribably soft.

His Liang Qiu really did not mind his ugliness.

“good baby, big brother will feed you again later.” he said shamelessly and lowered his head to kiss her affectionately.

Ye Liangqiu’s face turned red. He had never said such mushy words before, so she wasn’t used to it.

seeing her burying her face in his arms, he probably knew what she was thinking, so he chuckled and said, ” because our liangqiu has become smaller now, so she should be loved by the little baby. ” he had many contradictions in his heart.

He was clearly incomplete and could not give her everything, but he was greedy and wanted to have her all.

Ye Liangqiu’s face turned even redder. She moved to the side and chided, ” shameless.”

Her expression was a little shy and extremely touching. He held her in his arms and could not bear to let go. He kissed her again and again and kept calling her ” little darling ” and ” little darling.

she simply couldn’t bear to listen anymore. she covered her ears, not willing to listen.

However, the more she acted like this, the more he teased her.

when he returned to his villa, he did not eat immediately. instead, he pressed her down on the sofa and kept kissing her.

She lowered her eyes and looked at his black head, feeling a little helpless. an

LAN, an an LAN ate it all just now.

he was still busy with his head buried, and his voice was a little muffled. ” then you can leave some for me in the future. ‘

she grabbed his black hair and tried to pull him up, but her scalp almost fell off. he was still buried there, still desperately eating non-existent things.

ye liangqiu felt helpless. she really didn’t know why he had such an obsession.

when he said that she had become smaller, it was clearly him who had become smaller.

qin anlan finally gave up and crawled over to kiss her neck. he chuckled and said, ” ” then the an an lanlan will be cut off at six months. ‘

ye liangqiu softly nodded. ” that’s true. there won’t be much nutrition later on.

it’ll save me the pain of bloating sometimes. ”

she had really talked to him about the child, but she had underestimated the man’s deep-rooted bad habits.

She and Qin Anlan were not on the same channel at all.

He continued in a low and hoarse voice, with a deep smile, “I can help you when the time comes.”

Her eyes widened, and she immediately understood what he meant!

He was too shameless! she glared at him, and he was in a particularly good mood. ” our cool autumn is actually very sweet! ” her face was completely red. he really had no moral integrity.

Qin Anlan kissed her deeply for a while before he pinched her little face. alright, eat with me.

she slapped his hand away. ” your hand is so dirty! ” just now, he had touched it with his hands and had not washed it.

qin anlan smiled, and there was a deep meaning in his eyes. ” it’s very sweet. ” as he said that, he really tasted yingluo..

Chapter 1877: He doted on her because he loved her (6)

it was embarrassing for him to do this in broad daylight. even though they had done it countless times, she was still not used to it.

she pursed her lips and gritted her teeth. ” qin anlan. ”

He hugged her and kissed her. yes, I’m here!

She didn’t dare to provoke him anymore and obediently accompanied him to eat.

although she had eaten and was still fed a lot of food by him, saying that it was to nourish her body, how could she not know about his dark thoughts?

“i’ve finished my meal. i want to go back to sleep.” she made a fuss about leaving after eating. Her fingers played with the buttons of her pajamas and she flipped her long hair.

Qin Anlan’s fingers were wrapped around her waist. sleep with me. “Qin Anlan, you’re very clingy now. Do you know that?” she looked at him.

ye Liangqiu, ” he said, ” you chased me all the way from B city to new York. If I don’t stick to you, who should I stick to? ‘

“Your little Secretary, B city’s harem.” she snorted in jealousy.

qin anlan chuckled and caressed her red lips with his fingers. ” you’re so jealous! However, didn’t you chase them away?”

Besides, what else could he do other than hug her, kiss her, and satisfy his cravings?

However, Qin Anlan was still quite happy that his woman had expressed her concern for him.

he kissed her and said, ” since there’s no other woman, i’ll reluctantly accept you. ”

She glared at him and pinched his face. thick-skinned.

However, he didn’t control his strength well, and he called out in a low voice. Ye Liangqiu was also shocked and immediately asked, “Did I hurt you, an LAN?” hurt?

He wasn’t a Virgin!

But he acted well. yes, I pinched my wound.

She felt extremely guilty and immediately struggled to get off, but he held on to her and did not let go.

She had no choice but to lay in his arms and check for him, carefully looking for any patches that had cracked.

After looking at it for a long time, it’s still okay, Yingluo.

“he might be injured inside.” He remained calm and said, ” help me blow on it. It might get better if it’s hot.

she really just lay there and breathed gently, trying to make him feel more comfortable.

As he blew, he said worriedly, ” “If it still hurts, I’ll accompany you to the hospital later.

She was always worried. This patch hurt just by looking at it.

after she finished speaking, she felt a burning gaze on her.

she looked up and saw that he was looking at her with a murderous gaze. her heart trembled and she asked carefully, ” “an Ian, does it still hurt?” He suddenly grabbed her hand and placed it on his chest. “yes, it still hurts.” she was about to cry from heartache.

qin anlan’s gaze became deeper. ” be good. blow on it a little more. ”

She obediently knelt in front of him and blew on his face.

Her pajamas had a low collar, and from his direction, he could see the endless Spring, but she didn’t notice it.

qin anlan’s heart was burning. if it was any hotter, he would not be able to contain any more.

He grabbed her hand and pulled her into his arms again. He pressed his chin against her hair and said in a hoarse voice, “Alright, Liangqiu, it doesn’t hurt anymore!”

“really?” she quietly wrapped her hands around his waist, guessing that he was just acting.

but now, he was not in pain, and she could not get angry.

because she would be happier than anything if he was not in pain.

She pressed her face against his chest and said in a low voice, ” an LAN, don’t scare me anymore in the future..

Chapter 1878: doting on her because i love her (7)

He hummed in agreement.

She looked up at his patched face and said seriously, ” “alright, an Ian?” Qin Anlan smiled and answered her seriously, ” “Alright,” he said.

she hugged him again and lowered her voice, with a hint of crying. ” “An LAN, you don’t know how scared I am.” he didn’t make a sound and hugged her. she finally cried. she finally cried so weakly.

He had always known that she had been in so much pain. When he was lying down, he had heard her heart-wrenching cries in the corridor of the hospital. At that time, she must have gone crazy!

However, when they reunited, she appeared very calm, but he felt uneasy instead.

now, she had finally let go of everything and admitted her fear.

“Liangqiu, I’m here! Don’t be afraid, I’ll live well.” He consoled her and patted her back.

you’re so mean, ” she choked. you’re scaring me again.

“You don’t know how scared I was at that time. If it wasn’t for the child, I don’t think I would have been able to live.” She didn’t tell him that she was pregnant and that she had to deal with his funeral.

At that time, she was in a very bad condition and almost lost the child.

She couldn't eat anything and would spit it out after every bite. But with tears in her eyes, she endured her heartache and would crawl back to the table to continue eating every bite of food Yingying ate. It was all for the sake of survival and the child in her stomach.

Otherwise, she didn't know how to hold on.

qin anlan hugged her tightly. " i know, cool autumn darling. don't cry anymore! i'm still here, alive and well."

"but you're different!" she said shamelessly as she hugged him tightly. You suffered such heavy injuries all for me. "

This was another layer of heartache for her. She was too full of herself.

Qin Anlan's heart ached when he heard her heartache. It ached because of her.

"Alright, stop crying. I'm not blaming you!" he kissed her eyes and said, ' liangqiu, the past is the past. sometimes, the truth is not that important.

what's important is that i'm by your side. " he kept kissing her to convince her and himself.

there had always been a secret between the two of them, and it was related to his mother's death.

only cool autumn knew the truth.

however, he also knew.

When he was locked up with Qin PEI, Qin PEI told him about ran ran.

at that time, he had been shocked. it was only then that he had realized that liang qiu had done all of this to protect him.

Not only his life, but also his pride.

he knew that she was too stupid, but he pretended not to know.

only in this way could they live well and make her feel better.

Look, Qin Anlan loved ye Liangqiu, no less than ye Liangqiu loved Qin Anlan.

He hoped that when she was old, she would think that he was a good husband when she thought of their past.

an LAN, don't scare me like this in the future. her voice was like that of a child.

actually, she knew that she was a little pretentious, but he pampered her so much that she would not be considered cooperative if she did not act a little.

moreover, she was really sad at that moment.

He coaxed her for a long time before she stopped crying. However, the two of them were talking so passionately that he couldn't hold it in for a moment. He pressed her down on the sofa and kissed her. He wanted to do some more outrageous things to her.

For the first time, she obediently lay in his arms and helped him unbutton his shirt. “an Ian, i want to kiss you.” she’s making such a request again. she’s really asking for it!

It was so sweet!

Chapter 1879: Fulfilling a husband’s duties (1)

qin anlan kept her until the evening and let her go home to feed the child. then, he ordered her to come over.

Although they had a patched-up face and were an old couple, they still looked like they were in love.

Or rather, it was more than that.

Only those who had experienced separation and loss would understand the beauty of being together. the night was long.

she was wearing the same bathrobe as he was, and her face was on his chest, listening to his heart beat.

she was a little sleeDv. but she didn’t want to sleeD because she wanted to feel his presence.

She had not slept for a long time, and Qin Anlan could naturally feel it. He muted his voice. “Why aren’t you sleeping?”

“anlan, i can’t sleep.” She hugged him tightly and nudged her face against his chest like a lazy cat.

qin anlan smiled slightly. ” do you want me to tell you a story, then? ” she laughed and mumbled, ” “An LAN, I’m not a child anymore.”

“in my heart, you’re just a little cool autumn,” He kissed her on the forehead, his face full of love.

her heart trembled as she buried her in his arms. after a while, she said in a low voice, ” Anlan, let’s not separate in this lifetime, alright? ‘

he lowered his head while she looked up at him carefully. her eyes were so fragile that they broke his heart.

His Liangqiu was brave and fragile.

“i won’t. how can i bear to let go of you and the child?” He pulled her up and pressed his face against hers, his voice deep.

Ye Liangqiu was pressed flat against him, her entire body pressed tightly against his, as if her soul had been embedded into his, never to be separated again.

“an Ian, don’t lose me again.” She leaned close to his ear and whispered, ” I’m afraid of the dark too.

Qin Anlan's heart ached. He thought about how fragile she was tonight and hugged her tightly, using the entire night to comfort her.

Ye Liangqiu had returned to B city at the beginning of winter. She would be back in new York a month later to accompany Qin Anlan for his second surgery.

After she left, Qin Anlan quietly entered the hospital and performed a small operation on his sponge body.

The operation was very successful. One morning after a week, Qin Anlan woke up and saw the reaction he should have.

He was in a very good mood. He looked at it for a long time, even though it was not as good looking as before and had some scars.

however, would she feel more comfortable like this?

Qin Anlan removed the stitches without telling ye Liangqiu that he would fly back to B city one night.

His face looked much better now. He didn't look out of place with a mask on. Instead, his slender body and long legs were very eye-catching.

when he set foot on the land of B city, his eyes were a little hot.

he had been gone for far too long. finally, he had returned.

She held the suitcase in her hand and got into the taxi.

he knew that liang qiu and the children were living in the villa. he told the driver the address of the apartment.

When they arrived, everything was the same as before. There was even a faint fragrance in the air that belonged to her.

qin anlan put down his luggage and took a deep breath. he spoke softly to the air, i m back,”

He had returned without a sound and did not intend to disturb her in the middle of the night, but he always missed her.

Hence, he dialed her number. It was 10 0 'clock at night, so she would not be in a deep sleep.

Sure enough, she picked up not long after the call went through, and her voice was soft.”An LAN?”

the corners of qin anlan's lips curled up slightly. ” liangqiu, what are you doing? ”

“Yes, I'm going to take a shower.” her voice became even softer.

Sensing that she was about to hang up, he quickly called out to her, ” let's have a video chat for the whole day!

Chapter 1880: fulfilling a husband's duties (2)

It took ye Liangqiu two seconds to realize what he meant, and she screamed, “you're shameless.”

He smiled faintly. when have I ever cared about my face, huh? ”

Her heart was a little warm. Although she couldn't see, she could hear his voice and her eyes moved.

She wanted to hug him.

Anlan, I'm starting to regret it. I shouldn't have returned to B city so early. She softened her voice. why don't I go back to new York? ” anyway, he had to undergo surgery in half a month's time, so it was good for her to go ahead of time.

she thought that after being apart for so long, a small separation was nothing. however, she did not expect that she would miss him so much after only being apart for a week.

qin anlan smiled faintly. ” no need! ”

She was a little disappointed. Did he not want to see her that much?

“Liangqiu, can I come over?” he quickly asked.

She was pleasantly surprised, but she couldn't say it out loud. She only hummed and said, ” an LAN, I'm going to take a shower.

The word 'shower' must have triggered his nerves. After he put down the phone, Qin Anlan's expression was very dark.

he pursed his lips tightly and was at war with himself!

In the end, he still decided to go see her.

liang qiu had waited for him for so long and walked so far to see him. now, it was his turn to see her.

He took the car keys from the drawer of the apartment. Everything here was the same as before, and he could easily find what he wanted.

He drove a white Porsche and headed straight to the apartment they had lived in after their marriage.

the night was like a curtain.

Although his body was a little tired from the long-distance flight, his spirit was extremely excited.

Because he was about to see her teasing his wife.

His heart was boiling, and he wanted to give her everything.

all those dark struggles were solved with a small operation. it was a surprise he never expected.

he would give her everything tonight.

when he arrived at the villa, he told the security guard not to alert anyone, and he stopped the car, opened the door, and got out.

It was early winter, and the air was filled with the fragrance of the early-bloomed plum. It was cold and refreshing, but it smelled very good.

it was just like the feeling of a cool autumn.

the corners of qin anlan's lips curled up slightly. he walked up the stairs and headed to the second floor.

su xiu stayed on the first floor, but the old lady had already fallen asleep.

qin anlan walked straight to the master bedroom on the second floor. when he pushed the door open, his fingertips were trembling.

Now that he was back here, he felt as if he was really alive.

the door was pushed open gently. the bedroom was mostly dark except for the bedside lamp.

However, the lights in the bathroom were on, but Yingying didn't make any sound.

qin anlan slowly closed the door and took a closer look. he realized that the living room in the master bedroom had been replaced with a baby's room. the four babies should be placed inside. she could rest well and take good care of the children.

He went to the baby's room to see the children. They were all pink and sleeping soundly.

afraid of waking them up, she closed the door after a while and took off her coat as she walked.

When he opened the bathroom door, he found Liang Qiu sleeping in the bathtub under the crystal lamp. Her skin was fair, and her face was pink from the bath.

his body suddenly tensed up. he walked over to the edge of the bathtub and tested the water temperature with his hand. it was already a little cold. he silently counted in his heart that it had taken about an hour to get here from the apartment. she had been soaking here for an hour?

frowning slightly, he reached out to pick her up and hugged her with a bath towel.

ye liangqiu woke up in his arms and was surprised to see him in a daze.

at this time, he was still wearing a mask, but she recognized him at a glance and reached out to wrap her arms around his neck..
