

## Thank you 1901

Chapter 1901: Bastard, does it hurt?(3)

He looked at her for a few seconds and said, "I'll come back tomorrow."

He turned around and was about to leave, but when he put his hand on the door handle, Linda's cold voice came from behind, "you don't have to come, Mr. Dean. We have nothing to talk about."

He suddenly turned around and looked at her with a face of determination.

"Mr. Du, don't worry. I won't take a single cent from you and I won't cause you any trouble. I won't tell anyone that this child is yours. This child's existence won't hinder your marriage at all." she closed her eyes. "As long as you don't appear in front of me again, I promise that I will never look for you."

At this time, she was wearing her pajamas, her long hair let down, and because of her pregnancy, her body was slightly thin, very delicate and moving.

The warm yellow light shone on her delicate young face. Du Yuesheng just stood there and looked at her. As she looked at her, she thought of the touching night they had spent together.

Even when she woke up the next day, she was still a very likable little girl, but now she was looking at him like an enemy.

In her eyes, he was despicable.

Du Yuesheng also felt that she was uninteresting. However, she could not possibly let her raise her child in such a rough manner.

"I'll give you one billion," he said after a pause.

He looked into her eyes and slowly said, "If I don't have an heir in ten years, I'll take this child as my heir."

This was the biggest concession he could make.

"Mr. Dean, you should keep the money and get a few more concubines. Maybe you can have a son." Linda smiled.

Her words were not pleasant to the ears. Du Yuesheng was originally a noble person. After suffering for half a day, and with a wound on her forehead, there was a limit to her tolerance. Hence, she pursed her thin lips and said, "Think about it carefully."

This time, she didn't say anything and let him leave.

Du Yuesheng walked to the bottom of the apartment building. The black RV was parked there.

When the driver saw him, he immediately got out of the car to help him open the car door. When he saw him under the moonlight, he exclaimed in shock, "Mr. Dean, what happened to your head? Do you need to send him to the hospital immediately?"

Du Yuesheng originally wanted to say that there was no need, but she felt dizzy and fell straight down.

Before he passed out, he thought to himself, 'am I so old that I can't even handle a little girl?'

The driver quickly helped him into the back seat of the car. Mr. Du, please bear with it. We will reach the hospital in a while.

Fortunately, the location was good. They arrived at the hospital in five minutes and were sent to the emergency department.

The external injuries and concussions were enough to keep him in the hospital for a week.

the driver took the x-ray and mumbled to the doctor, " who is this? how dare he treat Mr. Du like this? I'll Sue him to death!

The wound on his forehead was caused by someone. Was Mr. Du unconscious? he must call the police when he woke up.

it's nothing serious, " the doctor nodded. but he still needs to be observed.

the chauffeur took the x-ray to the high-class ward. at this moment, du yuesheng had already woken up. she was leaning against the bed and smoking.

"mr. dean, how come you're smoking when you're sick?" The chauffeur stepped forward, took out the cigarette in his hand, and emphasized, " "he has a concussion, he needs more rest."

du yuesheng wanted to smoke again, but the driver wouldn't let her.

du yuesheng had no choice but to lie down. after a while, she opened her eyes again. " i heard that you called the police? "

"yup,"

"Let's retreat!" "I bumped into it by accident," Du Yuesheng replied indifferently.

the driver knew clearly that mr. du was the one who hit the car. if mr. du insisted that he hit it, it must be a woman, a vicious woman!

Chapter 1902: aren't you cheap?(1)

when du yuesheng said that, the driver was also a little stunned ...

mr. du seemed to like that little evil woman a lot! Otherwise, why would he say that?

However, he still had to listen to Mr. Du, so he went outside to dismiss the police.

When they returned to the Ward, Mr. Du was smoking again. The driver sighed."Sir, are you troubled by women's matters?"

du yuesheng leaned back and looked at the driver, who was usually honest, and smiled."Why do you ask?"

the chauffeur smiled and said in a calm voice, ” “Because only women can make teacher so annoyed.”

he had been with mr. du for so many years and had never seen mr. du in such a sorry state. what else could he be if not a woman?

du yuesheng laughed in a self-deprecating manner. she took a deep puff of her cigarette and said, ” if a girl is pregnant with my child, what do you think i should do, old zhao? ”

driver old zhao was stunned.

she looked at du yuesheng with a dumbfounded expression for a long time before she stuttered,”how could that be? mr. du, this matter is ...”

“why is it impossible? I’m a man too, and I’ll sleep with a woman too.” Du Yuesheng’s smile grew wider. isn’t it normal to have a child after an accidental fire? ”

old zhao knew that sleeping with a woman would make one pregnant. but mr. du was too careless. wasn’t he just engaged?

if hong kong were to know about this scandal, would mr. du still want his reputation and status?

“this girl is not willing to abort the child?” old zhao stuttered.

abort the child?

du yuesheng was in a daze for a moment. did old zhao think this way?

Should he get rid of all the children that were not expected?

no, he had never thought of it this way. other than the fact that they were his flesh and blood, he would not be so low-class to let a young girl abort his child.

No matter how he and Linda ended up, he would never make such a request.

Du Yuesheng didn’t say anything. Old Zhao said in a rough voice, ” “if it’s not an important woman, mr. du, leave this to me. i, old zhao, will step in. i don’t believe she won’t be afraid.”

du yuesheng had been involved in the underworld in her early years, and old zhao had been following her all the time. even now, there was still the aura of a bandit, so he wanted to use the underworld’s methods to get rid of linda.

du yuesheng glared at him. ” since when are you in charge of my business? Hmm?”

Old Zhao immediately stopped talking and lowered his head.”I was too impudent.”

du yuesheng was still looking at him. ” watch your mouth. if this matter gets out, you’ll have a hard time. ”

“what if there are rumors in hong kong?” old zhao’s mouth was agape.

du yuesheng thought of his gentle fiancée. if he got married and this matter was exposed, he thought that his wife would also try her best to cover it up for him.

he didn't know why his responsible wife, yingluo, felt unhappy just thinking about it.

this was not a difficult thing to do, because linda did not ask him for anything. he could also see that this young lady was a woman of her word. if she said she did not want it, she would not want it. she really did not want to be mrs. du.

it was obviously an easy problem to solve, but he was the only one struggling here. it was ridiculous to think about it ...

He was probably old and didn't have the courage he had before.

du yuesheng was a little lost in her thoughts. old zhao did not dare to say anything more and went out to prepare some food. mr. du had not eaten since the afternoon. he must be famished!

Chapter 1903: Aren't you cheap?(2)

The chauffeur had prepared a sumptuous meal for her, but Du Yuesheng only took a few bites and stopped eating. It was obvious that she was in a bad mood.

Old Zhao was a boorish man. After consoling him with a few words, Du Yuesheng almost wanted to throw all the plates at him.

in the end, he couldn't eat anymore. he only smoked two cigarettes before he fell asleep. before he could fall asleep, his dignified fiancée called and asked him about the dinner date tomorrow.

Du Yuesheng had actually forgotten about this matter. Previously, it was his Secretary who had asked her out. Now, she probably wanted to confirm it or deliberately cultivate their relationship.

he apologized to her absent-mindedly, saying that he had gone on a business trip at the last minute and would only be back in two days.

there was a moment of silence on the other end. in the end, his future wife appropriately did not ask him anything, but said goodbye to him and goodnight.

she was a woman who knew her place and gave men a lot of face. she was also beautiful enough. he had nothing to be dissatisfied with.

however, such a gentle woman could not stir up any waves in his heart, because beautiful women were too easy to get. all these years, which woman had not been gentle in front of him?

When Du Yuesheng put down her phone, she convinced herself that she was different. She had a good family background and was very capable. She was gentle to him because he was her future husband and not because she was trying to please him.

He felt much better thinking about it.

however, after he laid down and fell asleep, he had a nightmare.

he dreamed that his future wife had come to B city and slapped linda, saying that she had seduced a man.

Du Yuesheng woke up. When she woke up, the hospital ward was cold and quiet. Only old Zhao was snoring as he slept at the side.

after lying down again, she could not fall asleep again.

finally, the sky turned white. he couldn't lie down anymore, so he got up and put on his clothes. he didn't disturb old zhao and went downstairs alone.

In the morning, the weather was very cold. Usually, Du Yuesheng would either be in a luxury car or a hotel, and she always had air conditioning. At this moment, she was only wearing a suit made of raw material and was a little cold. She called a taxi to where Linda was staying.

He always felt that he should talk to her calmly. She was still young and didn't know how hard life was. Of course, he knew that Liang Qiu would take care of her, but that was not the same. He was the child's father.

when he reached her door, he did not dare to knock and just stood guard outside.

it wasn't until the nurse came over and looked at him from the aisle that she asked hesitantly, "who are you looking for, sir?"

Du Yuesheng looked at her as she opened the door. Her voice was very calm, "I'm Linda's boyfriend."

The Auntie smiled, " Oh.

She added, 'it's that scumbag.' That's what Linda said."

du yuesheng's face turned black. is this how she talks about her child's father to others?

"Since you're already here, let's go in. We've said everything we need to, so it'll be easier for everyone in the future." this aunty was also quite ruthless. every word she said was jabbing at du yuesheng's heart.

Moreover, Du Yuesheng was the one paying her this month.

Du Yuesheng naturally did not care about this. He only wanted to enter.

as soon as he entered the door, he heard linda's soft voice, "auntie, what are we having for breakfast?"

The softness that belonged to a girl was completely different from the dignity of his future wife last night.

Even when she saw Linda walking out in her cotton pajamas with her hair in a mess, Du Yuesheng was a little excited. She wanted to possess her, or to be more precise, possess her body.

Chapter 1904: Aren't you cheap?(3)

when she saw him, she instinctively backed away and asked in a bad tone, " what are you doing here? "

After she finished speaking, she ran towards the bedroom and wanted to close the door. However, he moved very quickly and they both squeezed in.

After the door closed, he put one hand around her waist and gently pushed her to the bed.

Linda was lying on her back while he knelt on his knees, his hands holding her firmly, his movements were still considered gentle.

” du yuesheng, you’re a b \* tch. so what if you’re pregnant? if you’re willing, you can spread a bunch of seeds and a lot of women can get pregnant. ” Her face was red as she glared at him.

du yuesheng gently trapped her. her gaze was also gentle. when a man wanted a woman, he would not be too rough, especially when she was pregnant.

however, his gaze was so obvious that even a fool would know what he was thinking.

Excited?

He bent his knees and pushed the two du brothers to the ground.

du yuesheng let out a muffled groan and rolled to the side in pain. this woman was really detestable.

Linda wanted to escape, but he pulled her down, and she fell into his arms.

Du Yuesheng gritted her teeth. are you still a woman? ”

“If you’re not a woman, why do you want to hit me?” linda’s words were getting more and more rough, she didn’t care about him at all, he was nobody to her anyway.

“Help me massage it a few times,” Du Yuesheng pulled her hand.

she refused. he glared at her. ” i’m almost out of energy. ”

linda was forced, but she still tried to forgive him, “He deserves it!”

After he finished hastily, she curled up at the side and didn’t say a word. Du Yuesheng’s pain also eased a lot. Seeing that she didn’t want to leave, he turned his head to look at her back and said in a hoarse voice, ” “You don’t like me?”

In terms of looks and achievements, he was a man who made women fall for him, not to mention his skills in bed. He felt that she had enjoyed it that night, but why was she so determined now?

“I don’t like it.” “Old man du, you should be glad that I don’t like you. Otherwise, your future wife would be on her way already,” Linda said in a muffled voice.

Her words made Du Yuesheng speechless. Old du? His future wife?

It was really the temperament of the little girl Yingluo.

however, he was starting to like it.

yes, he and his mother were really cheap. just like what she had said, she clearly didn't like him, but he still didn't stop.

Du Yuesheng was silent for a while before she asked, " "if you liked me, what would you do?"

linda thought for a while before she said, "If I like you, I won't give up!"

she turned around and looked up at him. " i'll ask you if you like me. if you like me, i'll be with you regardless of everything. even if that old woman of yours is richer and prettier than me, the one you like is me. "

She looked at him and said softly, " but you don't like me. Why should I like you? Du Yuesheng, tell me. If I do that, wouldn't I be cheap? "

He was speechless for a moment.

After a long time, he said, " Linda, you don't have to say anymore. I know what you mean. You probably mean that giving birth to my child is the limit, and you're forcing you to be my mistress. You're such a bastard, right? "

He raised his head. I'm probably used to it. I thought that no woman would ever leave me! actually, yingluo "

He looked at her. I've never thought about Hanhan before. Forget it. I won't talk about it.

Chapter 1905: he wanted to see her (part one)

Du Yuesheng's heart turned cold. He seemed to have fallen for a young lady and she hated him to death.

The more he thought about it, the colder his heart became. Finally, he turned her little face and said very seriously, " " if it was in the past, i could like you. but now, yingluo, i can't only think for myself. "

linda looked at him and calmed down, "So, Du Yuesheng, for yourself and for the family behind you, don't come here anymore. It won't do you any good."

du yuesheng was stunned. after a long time, he closed his eyes and said softly, " that's it then. "

he left her a business card and said, "this is my phone number, yingluo."

After a pause, she bent down and wrote down a series of numbers. this is my Secretary's phone number. If you change your mind, Yingluo.

"I won't force you to do anything you don't want to do, Linda. I just want to make it up to the child."

"You're looking for me, or my Secretary." He gently placed the business card in her palm. do you know? "

linda sat by the bed and looked up at him. she suddenly felt pain.

Originally, she did not like old man du. He was very annoying and would not admit to what he had done.

But now, she felt that she had gone too far. If she had said that the child was his in the beginning, if she had said that she liked him, would it have been different if he had not been engaged?

however, there were no 'if's. he was engaged. he could not afford to be willful, and neither could she.

It was not her style to force a man to break off the marriage and be with her.

she could only watch him leave.

Even at this moment, she knew that their hearts had already been moved a little. Perhaps it was because the child in her stomach was their child.

Du Yuesheng looked at her and reached out to stroke her head. Then, she walked to the door.

Just as her fingers were on the doorknob, he suddenly came back and hugged her tightly. He pressed her face into his arms and kissed her forehead."It won't be like this in the future. Let me hug you one last time,"

his emotions were overflowing in his chest, so hot.

He had thought that besides ye Liangqiu, he would not have such fanatical feelings for her. In fact, he had started to like her because she looked so much like his ex-wife. It was probably a kind of nostalgia.

But Linda was different, she was not the type of woman he appreciated, and he would not have the impulse to fall in love at first sight.

However, he had a certain kind of heartache for her. She was younger than him by more than ten years, and the heartache was almost like fatherly love.

However, it was different because he wanted her.

Du Yuesheng kissed her forehead and said in a low and hoarse voice, "i'm leaving, don't hate me."

Linda shook her head in his arms,"I don't know how to ..."

she was actually extremely sad. this man finally stopped pestering her. actually, he had only been here for a day and gave up very quickly, but she was still sad. she could feel his sadness and his faint love for her.

It was enough. This was enough.

"I'll be fine. The child will be fine too." She said softly,"if you want to see him, I can send you a photo. I'll send it once a year on his birthday, but it's just that ..."

"you must remember to delete it." she smiled and lowered her eyes.

After she finished speaking, Du Yuesheng hugged her even tighter. Shanshan, you're making my heart hurt.

“how did you know my name?” She asked carefully.

Chapter 1906: He wanted to see her (part two)

du yuesheng reached out and stroked her long hair. ” i saw her in the hospital. ”

Oh, ” she replied and stayed quietly in his arms. She was so obedient that it almost killed him.

“Shanshan.” He wanted to say something, but in the end, he did not say anything.

Blank’s promise made him feel a little flustered.

“mr. dean, you should go.” linda smiled and turned her head.

His body froze for a long time before he said softly, ” in the future, just call me old man du.

That’s more amiable.

linda was dazed for a moment, and then she smiled, ” do we still have a future? ”

He sighed and let go of her. take good care of yourself.

“I will.” “let’s go,” she said, as if she couldn’t take it.

Du Yuesheng closed her eyes and finally left.

the door closed. linda looked at the door, and her eyes slowly became hot. finally, hot tears fell down and stained the business card, and it became blurred.

she threw the business card away. she had said that she would not ask him to take responsibility, so she would not look for him again.

she said that she was just coaxing him by sending him the child’s photo.

If that was the case, it would be unfair to the other woman. If he wanted to break up, he should do it cleanly.

When Du Yuesheng walked out, she still instructed the nurse on many things. He gave her a check for 500000 Yuan and asked her to take care of Linda for three years.

the nurse looked at the wound on his forehead and his despondent expression. she didn’t understand. he looked like he cared a lot about her, so why couldn’t he be with miss ning?

when du yuesheng walked out, she leaned against the wall and smoked for a long time. he had given up on her and the child.

he was a man of his word. this child would not belong to him in the future, regardless of whether she accepted his gift or not.

After returning to Hong Kong, Du Yuesheng asked his Secretary to handle this matter. She secretly transferred 100 million Yuan from her private account to Linda. She did not give her the shares.

Instead, she chose two houses in B city, a villa and a bungalow with a large platform for her and her child.

Sometimes, he would stand in his office on the top floor and look in the direction of B city, thinking that she finally had some security in the future. At least, he had taken care of her.

However, he had been looking forward to her call every day, even if it was just to thank him for his money.

However, there was no news. He had not received any news from her. actually, he did have her phone number, but he had no right to call her and disturb her life. he had promised her. could he buy it with money now?

Du Yuesheng stood at the top and felt endless loneliness. Day by day, her Secretary realized that her boss had a habit. And it was getting worse day by day. He just looked North and kept looking.

du yuesheng also knew that, but he ignored this feeling. he still went on dates with his fiancée occasionally, had a meal with her, and went to a concert. it was not boring, but it was dull.

he did not have any sexual thoughts about his future wife. she had hinted a few times and invited him to her house, but he had only taken a short sip of tea and left.

day by day, after about three months, when there was only one month left until his wedding, du yuesheng felt that she couldn't bear it anymore. he wanted to see linda. just one look, and he felt that he would give up and come back to get married!

hence, he quietly came to B city and waited for her outside her neighborhood one morning.

it's almost the spring festival, so she should be going out to buy something.

Chapter 1907: Du Yuesheng, leave (1)

Du Yuesheng was waiting outside the neighborhood. He smoked his cigarette and wondered why she did not move into the villa he had arranged for her.

it was not until ten o'clock that he saw linda come out accompanied by aunt zhao, as if she wanted to take a walk and bask in the sun.

The moment she saw her, Du Yuesheng's eyes narrowed slightly. Her eyes were a little hot as she looked at her.

her stomach had gotten a lot bigger. she was almost six months pregnant, and she seemed to have difficulty walking.

Linda talked and laughed with aunt Zhao as she walked. With the sunlight shining on her petite face, she looked much more beautiful. She looked like the happiest mother-to-be in the world.

Du Yuesheng looked on helplessly and felt a little upset.

If ... If he wasn't engaged, would he have been able to appear in the open and accompany her?

His heart was filled with an unspeakable sense of loss and pain.

he looked at her longingly, until Linda noticed his presence.

The air became thin in an instant and she felt as if her throat was blocked. She stood still and looked at Du Yuesheng. Her lips moved but she could not say a word.

Du Yuesheng also stood there and looked straight at her. Aunt Zhao, who was beside her, coughed lightly. "I'll go get some groceries first. you guys continue chatting."

Just as Aunt Zhao was about to leave, Linda pulled on her sleeve and said in a low voice, "Aunt Zhao, don't go!"

Aunt Zhao sighed. "It's better to talk it out."

Aunt Zhao had also heard that Mr. Du was going to get married in a month's time. Now she came here and didn't want to solve the problem. What was Miss Linda thinking?

She deliberately avoided them and let them have a private chat.

Du Yuesheng took two steps forward and looked up at the sky. She coughed lightly, "The weather's pretty good,"

Linda replied with a "hmm." She held her stomach and walked towards a long bench. Du Yuesheng quickly went forward to help her.

But Linda refused and gently broke away from him. Her voice was indifferent. Mr. Du, don't worry. Since you didn't take it seriously before, don't take it seriously in the future.

She paused. I'm afraid that I'll get used to it and can't change it. Wouldn't that be too difficult for Mr. Du?"

Du Yuesheng still forced her to sit down. Her heart was really stabbed with a thousand holes.

Her little mouth was very fierce, and she knew how to hit the vital parts.

"I don't have any other intentions. I just want to see the child," he said after a moment of silence.

"The child hasn't made a sound, you can't see him." Her fingers caressed her stomach, her voice soft.

Du Yuesheng felt a little embarrassed. After a while, she said, "Look at you. You're the same."

Linda slightly raised her head and looked up at the blue sky and white clouds. After a long time, she said in a low voice, "Du Yuesheng, I really don't need your concern anymore. Of course, I'm very grateful for what you've given me."

She had thought it through. She would accept whatever he was willing to give her. If it could be exchanged for peace, she would not reject him on a clear basis.

However, she wouldn't have an ambiguous relationship with him anymore. That would be degrading herself.

She turned her head to look at him and said very seriously, Du Yuesheng, maybe you miss me a little now because I'm pregnant with your child. But if you can forget and harden your heart, it's actually nothing, right? "

She spoke softly, and he stared at her for a long time before saying, "that's not right."

she didn't say anything and just looked at the blue sky.

du yuesheng's face was suddenly buried in her neck. he looked so fragile and weak.

Chapter 1908: Du Yuesheng, leave (2)

he had never been weak towards a woman, and now he was.

If he wanted to beg her, she would give him the whole morning. Even if they were just sitting together under the sun, it would be good.

"Linda, I regret it." he said.

her body trembled and she lowered her head to look at him silently. her voice was also soft."What do you regret?"

du yuesheng raised her eyes and looked at her seriously. "shanshan, i regret giving you too much freedom. "

her heart immediately sank. as expected, she still had a hint of desire.

It turned out that she had never given up on him. It had been so long, and this man was about to get married. When he said that, she actually felt a sense of anticipation in her heart.

Even if it was for the sake of the child, he was willing to give up the benefits behind marriage.

so, it wasn't.

he had never thought about it.

However, Du Yuesheng had thought about it.

However, in the end, he still decided to continue this marriage, so there was no need to tell Linda such a tasteless thing, Yingluo.

that way, she would only look down on him even more.

Even though he was doing and saying things that she looked down on.

Linda was stunned for a full minute. She looked at him for a long time before she smiled gently, "Du Yuesheng, what do you want to do? "

"Are you going to take care of me?" she smiled brightly.

In fact, the money he gave her was enough to support her for the rest of her life. It was enough to buy ten Linda's, but she just didn't want to.

how could du yuesheng not know? he only said in a low voice,"shanshan, let me see you once a month. even if i don't go in, can i just sit here for a while?" he asked.

Linda lowered her head and smiled, "you're forcing me to move, right?"

du yuesheng held her hand. "no, i just wanted to see you."

He already knew that he couldn't let go of her. Perhaps he was despicable and wanted to see her now. He might not be satisfied with this in the future.

however, he couldn't say those dark thoughts out loud, and now wasn't the time.

"Mr. Dean, it's not suitable." Linda smiled.

"mr. du, you're looking down on yourself. you're also degrading me and my child."

Du Yuesheng wanted to say something, but she had already opened her mouth again, "Mr. Dean, if you regret it, you can take back the money and real estate at any time."

Du Yuesheng's throat seemed to be blocked and she couldn't say a word.

"I shouldn't have come today, but Shanshan, I really want to see you," he sighed.

"i know." she smiled, her smile light and shallow."I've already seen him. Mr. Du, you should go back to Hong Kong. It's only bad for you to come here."

she was very understanding, but he felt even more disappointed and empty.

Seeing her was more dejected and uncomfortable than not seeing her.

However, he couldn't bear to leave. He was unwilling.

Du Yuesheng hugged her waist from behind and buried her face in the back of her neck. He could feel the warm body temperature of a young girl. He placed his palm on her small stomach. There was a small bump.

that was their child.

du yuesheng's eyes were a little hot. her voice was also low and even sounded like she was pleading,"shanshan, do you have the heart to chase me away?"

"Do you have the heart to separate me from the child?" He had used a tender attack. If it was a little girl who didn't know the world, she would definitely be deceived by him.

Chapter 1909: du yuesheng, leave (3)

Linda lowered her eyes. Mr. Du, you will have your own children after you get married. There is no need to be so persistent, really.

du yuesheng hugged her and refused to let go. she buried her face in her neck and refused to let go.

“Du Yuesheng, are you going to let go or not?” Linda made up her mind and struggled.

“I won’t.” He hugged her and said shamelessly, ” “I’ll just hug you for a while.”

linda closed her eyes, there was an unknown anger in her heart, and she suppressed her voice,”aren’t you afraid of being photographed?”

Du Yuesheng closed her eyes. no one will take any photos of this. Even if they do, I will suppress the news.

Linda sneered. That’s right, he had money. He wasn’t afraid even if it was photographed. At most, he could use money to suppress it, as long as his fiancée in Hong Kong didn’t know about it!

then, what about her?

Should she be pointed at by thousands of people?

“du yuesheng, if you continue to pester me like this, i’ll abort the child.” She threatened him with a cold voice.

however, this threat was nothing to him. he even laughed softly.”shanshan, you can try! i’m guessing you can’t bear to.”

His fingers pinched her little belly. Feeling the child slowly moving, he smiled happily.

after that, he turned around and squatted down beside her, putting his ear close to the child’s movements.

linda looked down at him, and saw that he was as happy as a child.

however, he did not know that his happiness was built on her pain.

she had already fallen for him, or rather, she had fallen for him and had to give up. it was already very cruel. now that he had appeared, wasn’t it even crueler to her?

the man she loved, the father of her child, had appeared. and he was someone else’s husband.

If he had even considered her a little, he would not have done this.

“Isn’t it good to be safe with each other?” there was a faint coldness in her eyes.

But he didn’t see it.

at this moment, du yuesheng was immersed in a little happiness. he was really very happy.

he had no idea that his happiness had put her in a difficult position and made her suffer. he didn’t know how cruel his happiness was to her.

someone else’s husband asked her to be nice to him and to see him once a month.

She sneered in her heart and said in a soft voice, ” “shouldn’t mr dean leave?”

Du Yuesheng raised her eyes and looked at her in shock. He thought that she would want him to stay a little longer. No woman didn't need a man's warmth at this time.

However, his Shanshan had a heart of stone. She smiled and asked, "yes, i have. mr. dean should have left, right?"

Finally, he slowly stood up and let out a long breath. "i'll come back next month."

"mr. du should be on his honeymoon at that time. did mr. du bring his wife to b city for a honeymoon and tell her that there was a woman who had given birth to a child for mr. du?"

Her words were full of sarcasm. How could he not hear it?

He just rubbed her long hair and said, "i'll be there a week before the wedding."

she sneered. she sneered. yes, he came a week before the wedding because he would be very busy after that. he would be busy getting married, busy with his honeymoon, busy making love with his wife, and busy making children.

then why was he still looking at her? why was he looking at her child?

Thinking about it, it was all sarcastic. He would never know how cruel these words were to her.

He said he liked her. What a joke.

Did he like her like this?

she looked at him. " du yuesheng, don't come again. i can't guarantee what i'll do. "

Chapter 1910: tricking old du (1)

Du Yuesheng looked at her deeply and reached out to pinch her cheek. Her tone was a little gentle, "be good, wait for me."

Wait for him?

Wait for him to come to B city once a month?

Was there any difference between her and those women who were mistreated?

she sneered in her heart and took a step back. her voice was very soft."Du Yuesheng, do you really like me?"

"of course, shanshan," he said with a frown. He thought that he had made it very obvious.

He was getting married, and he had taken a huge risk to come see her. Wasn't this enough to show his sincerity?

Linda looked at him and smiled as she listened to him.

he said that he liked her, but du yuesheng, do you know what it means to like someone?

If you like someone, why would you push the other party into such an embarrassing situation?

he liked her, but she didn't have the fortune to enjoy his love.

Alright, since he said he liked her, she should like him too!

A woman who didn't fight for anything was the cutest. In that case, a woman who fought for something was probably the most detestable!

If this was what he wanted, then she would fulfill his wish.

There was a touch of coldness in Linda's eyes, and the little bit of love she had for him had disappeared completely.

A man like him was not worthy of her love.

when he left her and said that he had to leave, she really liked him.

now, the man in front of her was nothing but despicable and shameless.

after du yuesheng left, linda sat on the bench and looked at his back.

he seemed to be very happy because he had solved a problem and could have a home outside of home in the future.

linda laughed lightly, sarcastically.

After a while, she picked up her phone and dialed ye Liangqiu's number. sister Liangqiu, I want to see you.

An hour later, ye Liangqiu's car stopped outside the apartment.

Ye Liangqiu had put down hundreds of millions of Yuan in business and had come to take care of the pregnant woman's feelings.

In fact, Linda was a strong girl. This must have something to do with Du Yuesheng.

Ye Liangqiu thought to himself, "hasn't that old thing disappeared for several months? why did she come to B city instead of getting married?"

Women understood women, and ye Liangqiu knew Linda's mind like the back of her hand.

he sat beside linda and asked in a low voice, "what's wrong?" i've asked aunt zhao, but she only said that du yuesheng was here."

linda hugged her shoulder and put her face on it. she said in a low and hoarse voice, " "Sister Cool autumn, am I really that cheap?"

"what nonsense are you spouting?" Ye Liangqiu gently stroked Linda's hair and said in a low voice, "you're a good girl. i don't blame you for this." however, linda was soft-hearted, and she was reluctant to give up this child.

otherwise, linda would have a good future.

In fact, ye Liangqiu could tell that Du Yuesheng liked Linda, but he was not willing to give up on his family.

She could understand, but what she couldn't understand was why he had to make things difficult for her after giving up.

"He's been here," Linda's voice carried a trace of crying, "Sister Cool autumn, I hate him to death! He's so despicable, he even destroyed the only thing I have in my heart."

He made her feel embarrassed.

ye liangqiu smiled faintly and continued to comfort her. "Be good, just ignore him. Let's move to my place. I'll protect you. Let's see if he still dares to come."

linda cried quietly for a while. suddenly, she raised her eyes and looked at ye liangqiu.
