Chapter 191

191 all men are quite petty (part two)

At this moment, she didn't care where he drove.

“Are you tired?” Tang Yu asked softly. His voice was especially hoarse in the dark.

pei qiqi acknowledged him and took the initiative to place her face on his arm.

tang yu looked at her distractedly then patted her head, ” sleep when we get back. if you sleep now, you'll catch a cold when you get out of the car. ”

She obediently let out an ‘Oh’ and half-closed her eyes. As he drove, he talked to her half-heartedly. PEI Qiqi pursed her lips and half-lowered her head.

The car did not return to Xia city. Instead, it went to a top hotel owned by Sheng Yuan. It was the GM, the one where Lin jinrong and PEI Huan got engaged.

tang yu unbuckled his seat belt. seeing that she was almost asleep, he sighed and walked over to open the car door. he carefully carried her out.

PEI Qiqi woke up. She looked at the luxurious hotel lobby and felt uneasy. She nestled in his arms, ” where? ”

“we'll stay in a hotel tonight.” He comforted her.

PEI Qiqi pursed her lips and buried her face in his arms.

tang yu laughed, ” i just have a breakfast meeting here tomorrow. pei qiqi, are you overthinking? ”

She buried her little face deeper.

tang yu laughed. when he carried her into the elevator, he put her down and let her rest in his arms.

however, how could he not do anything on a night like this?

When the elevator door opened, he half-hugged and half-hugged her to the room.

tang yu casually placed his bag at the entrance and carried her like a child towards the bedroom. as he kissed her, he asked in a low voice, ” “Do you want to go first or take a shower?”

she knew it!

pei qiqi leaned on his shoulder and bit his shoulder angrily.

He gave her a Pat. Qiqi!

“I knew that you've been thinking about this!” she clenched her small fists and pounded his shoulders.

then, his body was pushed against the wall. he still didn't get to wait for the bathroom. pei qiqi was afraid that she would fall so she could only hug his neck tightly. she hit him and bit her little mouth, " bad guy. "

"Oh, really? then, qi qi, do you want to help me check?"

pei qiqi closed her eyes and screamed,"no!"

but he still got what he wanted. he laughed happily, as if teasing her was the most enjoyable thing in the world.

pei qiqi leaned on his shoulder and was very obedient.

Tang Yu's heart softened. He kissed her and his voice was so hoarse, " Qiqi? "

he held her small face and looked at her with his dark eyes, as if he was looking into her soul.

she trembled and offered her little mouth for him to kiss yingluo.

tang yu patted her back. he felt that her fragile look was especially cute. at this moment, she was like a little beast lying in his arms, teasing him.

"Do you want to take a shower?" he lowered his head and asked her.

PEI Qiqi shook her head and hugged him tightly.

right now, she just wanted to hug him, just like this ...

pei huan felt that pei qiqi had become even more beautiful.

In the past, she was already so beautiful that she was envious and wanted to disfigure her. Now, she was even more fair and translucent. That was a kind of beauty that was unique to those who had been nourished by love for a long time.

Chapter 192

192 Chapter 192-infuriating the old woman to death

pei huan stood on the stairs and looked at pei qiqi and pei minghe as they spoke.

pei minghe was sitting in a wheelchair. although he couldn't move, he was actually smiling.

now, the only person who could make pei minghe smile was pei qiqi!

PEI Qiqi stole her father and Lin jinrong away. Now, even her mother was on her side. Wasn't PEI Qiqi just relying on Tang Yu's love?

pei huan raised her head and her eyes were cold. she walked down slowly, " pei qiqi, why are you so kind to come back to see daddy today? aren't you yueyue? "

he probably thought of something and didn't say it out loud.

pei qiqi smiled, " you said it yourself. he's my father. "

as she spoke, she squatted down and continued to feed pei minghe the apple.

She carefully scraped the Apple, making sure that PEI Minghe didn't need to use too much strength to eat it.

PEI Qiqi told Tang Yu that she wouldn't go for her internship every day. She would come here after school in the afternoon and wait for him to get off work to pick her up.

because tang yu came over every day, zhou meilin didn't dare to make pei qiqi lose a single hair. at most, pei huan would just say a few cold words.

so, pei qiqi felt like a fox using a tiger's might. she was like the little fox hiding behind tang yu.

PEI Minghe couldn't move freely, but his mind was still clear. When he heard PEI Huan's words, he shook his head in a daze.

PEI Qiqi gently pressed him down, "dad, it's not like you don't know that PEI Huan and I have been quarreling for a long time. It's nothing! besides, she's pregnant now, so i'll give in to her!"

she coaxed pei ming and yingluo like she was coaxing children.

PEI Minghe shook his head again and finally calmed down.

PEI Huan only looked on coldly.

pei qiqi continued to dig into the apple and comforted her gently, "our mr. pei minghe will be able to stand up again soon, wanwan."

dad, when you're better, let's go for a walk in the park. You said that what you want the most is not to be so busy and to spend more time with your family! pei qiqi pulled the blanket for him, "auntie and pei huan will also go for a walk."

"PEI Qiqi, stop thinking too much!" PEI Huan walked out and did not look at them again.

she couldn't stand it. she couldn't stand pei qiqi's filial piety.

He was clearly her father. PEI Qiqi was clearly not her rightful father. Why did she make herself look like a wild child?

pei qiqi saw the disappointment in pei minghe's eyes and patted the back of his hand, "PEI Huan is pregnant. Pregnant women are emotionally unstable, just like Auntie was in the past, right?"

pei minghe seemed to have thought of something and actually smiled slightly.

Although her smile was a little crooked, she still smiled.

pei qiqi stayed with him for a while longer. when she saw that it was getting late, she pushed pei minghe back into the bedroom and helped him to the bed to rest.

When she was around, Zhou Meilin usually avoided her, but when she left, she forced a smile and greeted her.

it wasn't that pei qiqi didn't hate him, but yueyue's father needed someone to take care of him.

she, pei qiqi, was still an outsider.

when he left, zhou meilin followed him with an unnatural expression.

“Auntie, what’s the matter?” pei qiqi asked indifferently.

zhou meilin wiped her tears, ” qiqi, i’m so happy to hear you call me aunt! ” I’m sorry for what happened in the past, but fortunately, you found Mr. Tang, and he’s sincere to you! auntie, i really want to make it up to you now, yingluo.”

PEI Qiqi didn’t move. She just smiled, ” “it’s about pei huan, right?”

Chapter 193

193 Infuriating the old woman to death (2)

zhou meilin felt embarrassed when she said it out loud. she hesitated for a while and said, ” qiqi, auntie doesn’t have anything else to say. it’s just that hanhan has been staying at home for a few days, and jinrong hasn’t come to pick hanhan up. ”

before she could finish, pei qiqi interrupted her, ” auntie, you don’t want me to persuade lin jinrong, do you?! ”

“Of course not!” zhou meilin reached out to hold her hand, but pei qiqi gently pulled her hand away.

zhou meilin was a little upset, but she didn’t lose her temper. she coughed lightly, ” of course i won’t make things difficult for you. it’s just that zhenzhen is jinrong’s closest relative. whatever he says, jinrong will always listen. ”

PEI Qiqi lowered her eyes and suddenly laughed. She looked up at Zhou Meilin, ” Auntie, do you think love can be forced? it’s just like how you don’t like me. will you suddenly find me cute one day and like me from the bottom of your heart?”

Zhou Meilin was stunned for a moment, and then her face turned red.

She knew very well how she treated PEI Qiqi. Right now, she was just being thick-skinned and begging her.

She still wanted to say something but PEI Qiqi continued coldly, ” Auntie knows very well what you’ve done to me and Daddy. I call you Auntie because of daddy.

zhou meilin couldn’t help but say, ” pei qiqi, if it wasn’t for me, you wouldn’t have met mr. tang! ”

“Then I should thank you, Auntie!” PEI Qiqi said softly,”if I have the chance, I will definitely repay you!” &Nbsp;

This sentence made Zhou Meilin’s hair stand on end.

She had never dared to look down on PEI Qiqi. But now, it seemed like she was a wolf in sheep’s clothing!

Zhou Meilin didn’t get any benefits and was instead checkmated by this d * mn girl. She was so angry that her face turned red, but she could only endure it and clench her teeth.”I will wait.”

pei qiqi walked out and saw pei huan.

pei huan's child was only two months old and she was very thin. it was hard to tell, but she seemed to be showing off as she held her stomach.

she looked at pei qiqi and her eyes were filled with a sense of viciousness.

they were both 20 years old, but pei qiqi was too different from her.

At this moment, PEI Qiqi was wearing her school uniform. She wore a white silk shirt with a black pleated skirt and a windbreaker of the same color. PEI Huan had done a lot of research on fashion magazines and could recognize that it was a new model from a certain brand. This windbreaker was worth about 56000 Yuan.

As for herself, she was wearing pajamas and an ordinary white knitted shirt. Her face was not as beautiful as before.

clearly, she, pei huan, was the one who married into a rich family. but why was pei qiqi the one living such a good life?

PEI Huan looked at PEI Qiqi and said coldly, " don't be happy so soon!

"i don't think i have anything to be proud of!" PEI Qiqi walked forward and suddenly stopped, " PEI Huan, you always feel that I've stolen your things but I've never stolen anything from you. You don't even know if it's yours or your Hanhan. What you have is something that I can never get in my life.

PEI Huan was born out of wedlock. Even though Zhou Meilin was a selfish mother, she gave all her motherly love to PEI Huan.

When she was young, she heard Zhou Meilin coaxing PEI Huan to sleep and calling her 'little goody'. At that time, PEI Qiqi was lying outside the door, not even willing to blink. She really hoped that Zhou Meilin could hug her one day and call her ' little goody'.

Chapter 194

194 You're in love with him (1)

Later on, when she went to sleep, she would always be very obedient. She would pull the quilt over her and turn the light to the dimmest.

she knew that if she didn't turn off the light, zhou meilin would come in and turn it off.

She tried her best to look as cute as she could, like she was sleeping soundly. She felt that she was cuter than PEI Huan, but that was it. The Auntie turned off the lights and did not kiss her.

Sometimes, she would stand by the bed and look at her for a while, muttering to herself, " you look exactly like that b * tch!

The first time PEI Qiqi heard it, she didn't know what a b * tch was. Then, she found out about Wanwan.

Her little face grew colder and colder, and she slowly stopped smiling. She also wouldn't leave the light on for Zhou Meilin to turn off.

because she knew that zhou meilin would never call her 'little sweetheart' again.

PEI Huan laughed coldly. really? "

She squinted her eyes at PEI Qiqi and suddenly said evilly, ” ” pei qiqi, i thought you would be a sentimental person. it turns out you’re nothing more than this. ”

pei qiqi didn’t reply to her. pei huan moved closer and said in a low voice, ” ” do you dare to say you’re not in love with tang yu? ”

“It has nothing to do with you!” PEI Qiqi walked out.

PEI Huan said she fell in love with Tang Yu but she didn’t even know!

After waiting outside for a while, Tang Yu’s car slowly drove over. The window rolled down and Tang Yu said in a short voice, ” “Get in the car.”

PEI Qiqi sat in the car and didn’t say anything for a long time.

what’s wrong? ” Tang Yu asked as he drove.

pei qiqi tilted her head and looked at him. she hesitated for a while, ” zhou meilin told me about pei huan and lin jinrong. ”

As soon as she finished, the sports car with good performance floated on the road. Tang Yu snorted, ” “You want me to manage it?”

His intelligence was really ...

“i didn’t! i didn’t agree to it!” PEI Qiqi sighed, ” why would I!

After a while, Tang Yu suddenly said, ” Qiqi, I hope more than you that they can make up Hanhan.

His words were very meaningful. PEI Qiqi thought about it and understood.

However, she didn’t continue to say anything. If she did, she would fall into his trap again.

Tang Zheng looked at her. She had taken off her windbreaker in the car and was wearing B University’s uniform.

This was the first time he had seen her in a Kasaya.

she was very pretty and looked very pure, especially when her hair was tied up into a princess’s hair today. a small section of her neck was like cream.

tang yu admitted that he was a little distracted and couldn’t drive properly. he would look at her from time to time.

PEI Qiqi was only thinking about herself. She bit her little finger and leaned her head on the seat.

The car stopped and Tang Yu’s voice was a little hoarse, ” “get out of the car.”

only then did pei qiqi realize that they had arrived at her apartment in xia city. mr. tang restrained his desire to kill her in the car and opened the door to get out with her.

he was holding her in one arm and carrying his briefcase in the other. he restrained himself in the elevator and did not kiss her.

When they reached home, he put the things in his hands aside and pressed her against the door to kiss her.

His body was tightly pressed against hers, and she could feel his urgency.

His large palm cupped her small face and kissed her gently, but his hand was not very gentle. It could even be considered a rough kiss.

pei qiqi couldn't break free so she could only raise her head and remind her with difficulty, "i haven't eaten yet!"

he pressed his lips against her neck and bit her. he chuckled. "i'm going to eat you up right now!"

she remembered the last time he wanted her behind the door, and her body trembled a little.

her small hands quickly wrapped around his neck. "go to the bedroom to take a walk."

Chapter 195

195 you're in love with him (2)

Tang Mo's heart was full of excitement. He lowered his head to kiss her and was about to carry her back to the bedroom when Auntie li came out of the kitchen and looked at them in surprise.

These two little ones were already urging him to do that kind of thing by the door?

Auntie Li's old face was so angry that she didn't know what to do with the plate.

after a long while, she coughed and said, "mr. tang, the meal is ready. i'll go back first!"

Tang Yu's body froze for a moment. Then, he looked down at the girl in his arms.

her face was extremely red, and she was half-leaning on his shoulder, urging him to pat her. she straightened her body and turned her head. "okay! be careful on the road."

auntie li felt that mr. tang was unbelievably gentle today. she sighed, put the plate on the table, and took off her apron. when she left, she almost forgot about her bag.

that old face was so impatient!

tang yan let go of pei qiqi and calmly walked to the dining table. pei qiqi said goodbye to auntie li.

she closed the door and walked over to scoop rice for him. he had been very good to her these days, but their way of getting along was still the same as before. most of the family matters were still handled by her.

While eating, Tang Yu didn't talk much. After dinner, he simply said, "after washing the dishes, make a cup of coffee and take a walk in my study room."

pei qiqi acknowledged him and sneaked a glance at him.

She heaved a sigh of relief when he didn't mention the past again, but she was still too naive!

tang yu was a decent man and also an old-school man. he looked like a forbidden piece of jade.

However, he was still a man, and he would not lose the deep-rooted bad habits of men.

PEI Qiqi served her coffee and opened the study room. He was sitting and the laptop in front of him wasn't turned on, Qian Qian.

she carefully placed the coffee on the table. tang yu looked up, " come here. "

PEI Qiqi stood there and didn't move.

he stretched out his long arm and pulled her over. he did not hold her in his arms, but sat her down on the desk and began to daze.

he was still sitting there, admiring her helpless look. the uniform on her looked particularly attractive.

tang yu never thought of himself as a perverted man, but he felt that he was now!

His Adam's apple bobbed as he stared at her neckline. He said in a hoarse voice, " "take off your shirt!"

PEI Qiqi bit her lip and her voice trembled, " Tang Yu's Xuanji "

She raised her eyes and looked at him helplessly. She wanted to hug him, but he moved away.

"Not here!" because it was a disgrace to the study.

Tang Yan coaxed her. Qiqi, be good, Qianqian.

He finally stood up and held her waist with one hand as he kissed her.

He was going to do it in the holiest place!

When he was done, he could no longer look at the desk, and his laptop fell to the ground ...

pei qiqi lay in his arms, still trembling.

tang yu looked up and saw the marks he left on her shoulders. she looked like a little beast.

Her long hair had been let down helplessly, and the big hand that was entangled with them slowly straightened her hair. His lips were close to her ear, and he said in a hoarse voice, " "Does it hurt?"

pei qiqi turned her face to the side and ignored him.

tang yu's heart was filled with satisfaction. he didn't argue with the little girl and carried her to the bathroom attached to the study.

Tonight, he was simply too shameless. He wouldn't let go of her.

When she was about to fall asleep, Tang Yu bit her ear and chuckled, " " qiqi, you should wear that uniform again tomorrow. it looks good! "

Chapter 196

196 i've never lost a fight (1)

PEI Qiqi swore that she would never wear that set of clothes again.

at 5 pm, pei qiqi finished accompanying pei minghe and received a call from tang yu.

he had a meeting at the last minute and couldn't leave, so he asked the driver to take her to sheng yuan. pei qiqi stood there and bit her lip, " we can just go home! "

However, she was in a good mood today. Later, she wanted to tell Tang Yu that elambro's Medicine and Rehabilitation method were really good.

she tidied up her bag. a white sports car slowly pulled up in front of her. it was the one that tang yu often drove.

PEI Qiqi was about to get in the car when the window rolled down. The person sitting inside wasn't the driver but the person she saw-

shen lian!

pei qiqi had heard of a saying before: in this world, exes are scarier than mistresses.

However, she did not particularly mind Shen Lian.

She stood up and smiled. miss Shen, what's the matter? "

Shen Lian looked like a strong woman. She dressed appropriately and her appearance was always meticulous.

She had always been proud of herself. She was the only daughter of the Shen family and would inherit the family business worth tens of billions in the future.

in her eyes, a young girl like pei qiqi should be considered a low-class being.

If it wasn't for Tang Yu, she wouldn't have had any interactions with PEI Qiqi.

Shen Lian looked up at the small villa behind PEI Qiqi-
unbearably vulgar!

"Get in the car!" She raised her hand and put on her sunglasses.

pei qiqi thought for a moment but still opened the door and got in.

after she got in the car, she took out her phone and called tang yu, " "tell the driver not to pick me up, i'll take a taxi there!"

"what's wrong?" On the other side, Tang Yu was in a meeting. He picked up the phone but wasn't prepared to have a long talk.

pei qiqi laughed, " i'm with shen lian! "

tang yu was silent for a while and then responded, " don't talk for too long! "

after that, he hung up the phone and continued with the meeting.

he wasn't worried about pei qiqi at all. his little friend looked weak, but she wasn't a girl who was easy to bully. he had seen her hit pei huan before. even zhou meilin was slapped by her.

shen lian and qianqian used to have a place in his life, but it had faded with time.

The reason why she looked for PEI Qiqi now was because she didn't want to give up. Tang Yan thought that maybe he should let Shen Lian know that what happened between them was over.

we will never be together again, yingluo.

it wasn't that she had slept with an lan, but that he no longer had any feelings for her.

pei qiqi hung up the phone and shen lian sneered, " are you calling me because you're afraid that i'll do something to you? "

"No, I didn't! I think that Shen young lady's life is much more valuable than mine so why would she take the risk to do such an uneconomical thing!" PEI Qiqi looked ahead and said calmly, " " now is the time. if i want to die with you, i just need to grab your steering wheel! "

"I'm telling you, I've never lost a fight!"

Shen Lian gritted her teeth, " why would Tang Yu find a wild girl like you!

"i don't know either!" PEI Qiqi suddenly leaned over and whispered into Shen Lian's ear, " "Maybe there's a beast living in his heart that you don't know about!"

shen lian's car suddenly stopped and she turned to look at pei qiqi in a daze.

this little face was extremely beautiful and young, and there was an inexplicable sense of familiarity.

Shen Lian let go of the steering wheel and rolled down the window on her side. She sat up straight and said in a cold voice with a sense of superiority, " do you know why tang yu broke up with me? "

Chapter 197

197 I've never lost a fight (2)

PEI Qiqi didn't reply.

shen lian continued, " or should i say, do you know why he is with you? "

"We should ask him about this!" PEI Qiqi spoke very slowly.

shen lian narrowed her eyes. she had underestimated pei qiqi.

she had always been proud and didn't want to argue with a low-class creature like pei qiqi.

shen lian glanced at pei qiqi and her voice was soft, " because he can't touch me! "

" pei qiqi, you're the first woman he's touched! " shen lian's eyes were filled with mockery, " i don't believe that you have a normal relationship with him. there's only a physical relationship between the two of you! "

PEI Qiqi laughed, " what does my relationship with him have to do with you? "

Shen Lian's face was filled with anger. I'm his girlfriend!

PEI Qiqi's fingers held onto the car door, " ex-girlfriend! Miss Shen, don't waste such a high IQ!"

then, she opened the door and got out. but when she opened the door, shen lian was flustered and wanted to lock the door. in the end, she caught pei qiqi's hand.

PEI Qiqi groaned. Shen Lian unlocked the car door but PEI Qiqi's hand already had a red mark.

I won't apologize because I didn't allow you to leave! shen lian was the heiress of the shen family. she was raised like a princess since she was young and her family wasn't like tang yu's. it wasn't an exaggeration to say that she was a princess.

PEI Qiqi's fingers hurt but she endured it. She didn't want to show weakness in front of Shen Lian. she got out of the car and turned around. then, she looked straight into shen lian's eyes, " miss shen, did you tell tang yu that you didn't allow him to break up? "

shen lian was stunned.

how was that possible?

In front of Tang Yu, she didn't act tough at all because Tang Yu didn't buy it.

tang yu wasn't a man who would make do with a girl. when he was with her, he was always calm.

when she realized that there was something wrong with him, it was also because she wanted him to cry after dating him for two years.

once, after drinking, she had taken the initiative, but after kissing and touching him for so long, he had no reaction at all.

he was not interested in her!

this was the greatest insult to shen lian. if it was any other man, she would have humiliated him ruthlessly.

But this person was Tang Yu.

that noble tang yu was bashful.

they tried many times, and in the end, he was the one who took the initiative. this was probably a very important thing for a man, yingluo.

about half a year later, he gave up on her body. she knew that he had been looking for clean women to experiment with.

on a weekend night, he no longer belonged to her. he was no longer her boyfriend. instead, he was with all sorts of girls.

he would look at those young and beautiful bodies and try to possess them.

from then on, shen lian knew that tang yu didn't love her anymore.

No man would look for someone else while he loved a woman.

Besides, did he ever love her?

if he loved her, then why could he do the things he couldn't do with her with pei qiqi?

shen lian laughed coldly. she sat in the driver's seat with her back straight and her usual arrogance, "pei qiqi, with you, there will be others. with your family background, do you think tang yan will marry you? "

"i've never thought of it!" PEI Qiqi held onto her injured hand and suddenly laughed, " miss Shen, when you two get married, I will leave him!

shen lian flicked her long hair and rolled down the car window. the car sped off like an arrow that had left the bow!

this girl was extremely perverted. she was not a little lamb at all.

Tang Yu must have misjudged!

Chapter 198

198 I've never lost a fight (3)

pei qiqi watched as the white sports car drove away. only then did she feel the pain in her palm.

She pursed her lips and snorted. It was all his fault for attracting these rotten peach blossoms.

However, she also knew that she had no right to blame Tang Yu.

She was nothing to him.

just like what shen lian said, how could he, yingluo, marry her?

People from two different worlds urged PEI Qiqi to slowly walk on the road. She felt a little cold.

A taxi stopped beside her, and she got into the car to go to Sheng Yuan.

Tang Yu was in a meeting. After she arrived, his second Secretary, Xiao Rong, invited her into the president's office and told her that Tang Yu's meeting would end at around 7 pm.

pei qiqi nodded and called out to xiao rong, " "Did you order food for his Hanhan?"

Xiao Rong was stunned for a moment, then smiled. Secretary Xiao can do these things. Miss PEI should be the one doing it as well, unless the president has other arrangements.

PEI Qiqi nodded and walked to the sofa to read a book.

Because her hand was in too much pain, she could only hold it with one hand. After a long time, it was extremely uncomfortable, so she shook it a few times.

However, Tang Yu ended the meeting early. He opened the door and saw PEI Qiqi swinging her arm.

"What happened to your hand?" he slowly closed the door and walked closer, then his expression changed.

Although her little hand wasn't full of scars, it was indeed injured.

PEI Qiqi looked at him and said in a small voice, " I accidentally pinched my hand.

Tang Yu's fingers held onto her injured hand. He stared at her for a while and then slowly said, "it's Shen Lian, right?"

pei qiqi didn't say anything.

She wasn't a Saint either. It was Shen Lian's fault, Yingluo.

plus, why would she say good things about shen lian in front of tang yu? no one would be grateful to her. they would only think that she was a white lotus and would come looking for her.

tang yu didn't look too good. he went to the secretary's office and asked for a first aid kit. when he came back, he held her hand, "can you move?" "Did you hurt your bones?"

pei qiqi shook her head, "i'm fine. it's just some external injuries. i'm fine inside!"

he glared at her fiercely. "if you're not careful, you won't be a child anymore!"

she suddenly felt aggrieved. she was clearly his ex-girlfriend yingluo, and how could she guard against such a thing!

pei qiqi didn't have the guts to talk back to him. she could only pout and sit there, her face slightly turned away from him.

This was already considered her protest!

tang yu looked at her and pinched her face, " "You're not convinced?"

"No, I didn't!" She lowered her eyes and remained silent.

tang yu looked at her and suddenly felt his heart ache.

She was with him, and he bought her, so it wasn't good for Hanhan to get angry at him now that she was wronged!

He sighed in his heart. After treating the wound, he sat beside her and half-forced her to his shoulder.

PEI Qiqi struggled with all her might but couldn't break free.

tang yu's voice was deep and slow, "qiqi, i told you, we're going to stay here for a while, hanhan."

On his shoulder, she mustered up her courage. "you also said that when you're tired of playing with yingluo"

"pei qiqi!" He scolded her in a deep voice.

She lowered her voice. you said it before!

I also said that I'll get married when I'm pregnant. Do you still remember that?" He turned his head and sneered at her.

PEI Qiqi buried her face and didn't say anything. Her head hung low.

she was obviously avoiding the fact that tang yu couldn't do anything to her. he wanted to expose her, but he couldn't bear to.

199 Bad kid (1)

obviously, she wasn't ready yet, but tang yu felt like she more or less liked him.

Whether a woman liked a man or not could be felt when they hugged.

although she did not take the initiative these days, she was very happy when he hugged her.

In the past, even if she did have that feeling, she was afraid of the things between men and women and just dealt with it. These days, he really felt the combination of love.

“Bad kid!” He patted her little head and didn't say anything.

He had already expressed his feelings in front of her, and it was up to her to think about it.

Perhaps, she hadn't really let go of jinrong Junjun. Tang Yu couldn't believe how he could be so indulgent towards a girl. His pride didn't allow her to have someone else in her heart.

however, he endured it.

in the past, he did not have any tolerance for shen lian.

It was probably because she was seven or seven years old, so he just let her have her way.

However, there was a voice in her heart that retorted. It was clear that Hanhan had fallen in love with him. It was just that you cared too much, so even if you did care about other things, you could only bear with it.

tang yu turned his head, ” time to go home! ”

he ruffled her hair. ” if she looks for you again in the future, just ignore her! ”

Oh, ” she said softly, then sat up straight.

Tang Yu looked at her. After a long time, he unwillingly called out, ” bad kid!

as he spoke, he pulled her into his arms and kissed pei qiqi's slightly red face.

Tang Yu, this is the office. someone could come in at any time.

but he didn't care and wanted to tease her. in the end, he lowered his head and kissed her little mouth, stumbling all the way to the desk.

Tang Yu waved his hand and all the documents on the table fell to the ground.

Then, she was carried to the office table. The cold touch made PEI Qiqi temporarily wake up.

there was a hidden warmth in his voice. ” be good, don't move, yingluo. ”

PEI Qiqi really didn't dare to move anymore. She was afraid that he would do something stupid. She could only hold his arm with one hand and weakly beg him to stop.

When Xiao ran opened the door of the president's office and saw that scene, he immediately retreated and closed the door.

Her face was a little hot because Yingying was too explosive.

the president had always been a cold person. she didn't expect him to be so eager to do such a thing.

It was true that they were kissing, but they weren't far from Yingluo.

No matter how soft Xiao ran's voice was, Tang Yu still heard it.

His body suddenly tensed up, and then he cursed in a low voice and let out a long breath.

he controlled himself and reached out to tidy her clothes. pei qiqi was still trembling and didn't dare to look up at him.

"it's been so long and you're still not used to it?" his voice was also extremely hoarse.

PEI Qiqi couldn't help but look up at him. She remembered Shen Lian's words and asked softly, "You really didn't have one before?"

tang yu glared at her, "pei qiqi, do you still have a complex?"

PEI Qiqi didn't dare to. She lowered her eyes and said in a lower voice, "no!"

How would she dare to?

so, tang yu immediately acted like he was in a position of power, "so you're saying that you don't want me to be clean?"

pei qiqi looked up at him with anger in her eyes!

It was clearly not like this!

"What?" He didn't put her down. He let her sit on his desk while he stood in front of her.

PEI Qiqi bit her lips and blushed as she turned to the side.

tang yu glared at her, "pei qiqi, do you still have a complex?"

pei qiqi didn't dare to. she lowered her eyes and said in a lower voice, "no!"

how would she dare to?

so, tang yu immediately acted like he was in a position of power, "so you're saying that you don't want it to be my first time?"

pei qiqi looked up at him with anger in her eyes!

It was clearly not like this!

"what?" he didn't put her down. he let her sit on his desk while he stood in front of her.

PEI Qiqi bit her lips and blushed as she turned to the side.

Tang Yu's long fingers pinched her chin, " Qiqi? "

pei qiqi's face was burning hot. then, she placed her face on his shoulder and hummed.

it was rare for tang yu to tease a young girl like this. he felt that being treated like this by him, she was indescribably cute and beautiful.

His Qi Qi was not a weak girl, but she was gentle and well-behaved in front of him.

but occasionally, he would be surprised.

Only now did Tang Yu realize that he wasn't too interested in a strong woman. He liked someone like Qiqi.

It was just right!

She was a little afraid of him, but sometimes she couldn't help but resist a little. The way she waved her little claws was embarrassing.

tang yu chuckled and half-hugged her, " qiqi, huh? "

he looked as if he was determined to get an answer. pei qiqi leaned on his shoulder and smelled the nice scent on his body. her face heated up again and finally, she said in a low voice, " hope! "

After she said that, she realized that she really didn't want him to have anyone else.

she didn't want him to do the things he had done to her to anyone else.

PEI Qiqi bit her lips and looked up at Tang Yu in a daze.

Tang Yu gently patted her and smiled, " Qiqi, me too!

She let out an "ah," but he had already lowered his head to kiss her again.

This time, it was a very gentle kiss.

Tang Zheng had kissed her so many times, but this time, it was rare to see him kiss her without emotion.

he only let go of her after a long time.

She didn't dare to look at him. Her small hands wrapped around his neck and she threw herself into his arms.

Her heart was beating very fast, and so was his.

She slowly raised her small hand and reached out to touch his heart.

Tang Yu! she raised her head and looked at him.

tang yu nodded and looked down at his little girl.

She didn't say anything and just hugged him in a daze.

at that moment, she knew that she would be consigned to eternal damnation.

She fell in love with Tang Yu!

He had fallen in love with Zhao Ke's stepson.

pei qiqi closed her eyes and wrapped her arms around his waist. she said softly, " tang yu, let's go home, okay? "

she was rarely this clingy and proactive. tang yu's heart softened. he carried her down and held her hand as they walked home.

When he returned home, Auntie li had already left, and the meal was on the table.

tang yu put down his briefcase, " wash your hands and eat first! "

He had never thought that he would One Day Like This kind of home life.

he ate and slept with a girl. when he was dealing with work, she would read a book by his side.

He was such a cold person, yet he had so many things in his mind that he wanted to do with her.

for example, if they had a child in the future, a child with qiqi would be as cute as tang xin.

just thinking about it made him smile.

As Tang Yu said this, PEI Qiqi's little hand grabbed his arm and her voice was like a little kitten, " tang yu!"
