

Thank you 1951

Chapter 1951: His y-might is deeply rooted (4)

She gently crawled over and placed her fair fingers on his shoulder. She closed her eyes helplessly and fearfully and pressed her lips against his.

when their lips touched, it was a little hot. she was so flustered that she instinctively wanted to escape.

she had just moved when his large palm pressed down on the back of her waist.

she wailed. other than their lips pressing against each other, there were other things she was too embarrassed to say.

she was already 18 years old, and she already knew some things that she should know about men and women.

it was obvious that he was in danger.

She opened her eyes wide and struggled to free herself.

He stopped, but his lips were still on hers. His voice was hoarse as if he had a mouthful of hot sand in his mouth.”you’ve thought it through, huh?”

she actually didn’t need to think about it to escape, but yingying gave up in the end.

She resigned herself to her fate and randomly pressed her lips onto him again. Her small body stuck to him and rubbed against him as if trying to please him.

This was the first time that she had used her body to please him in exchange for some Wanwan.

he knew her very well and knew that she was definitely not doing this for herself.

Because she knew that he would not easily interfere in her business. For her own business, she would usually pretend to be dead, act shamelessly, and let her kiss her like a little kitten.

it wasn’t until the fire in his body was ignited that he suddenly clasped her wrist. in the blink of an eye, they had already changed positions.

Her black hair was spread between the pillow, her small face was tender, and her eyebrows were deep.

his eyes seemed to be on fire. suddenly, he turned his face away and said in a deep voice, ” “Do you know what you’re doing?”

She bit her lips so hard that it seemed like blood was dripping out. She looked at him helplessly and did not realize that her pajamas had slipped under her small shoulders, revealing a small section of her smooth and moving small arm and a Kasaya.

The young man’s qi and blood churned. A moment later, he turned his head back, his eyes blazing.

her expression was innocent and she seemed to be unaware.

he had always had good self-control, but at this time, in the face of such a tender little person, he could not help but lower his head and intertwine their lips and teeth. his large palm did not hesitate to hold her, and she felt pain.

She vaguely knew what he wanted to do, but she was helpless and afraid. She clung to his shoulder and buried her face in his neck, calling him brother Xuxu warmly.

Ye mu Yunnan came back to his senses and let out a sigh of relief. He held the trembling little person in his arms.

she was probably scared out of her wits!

This was the first time he had treated her so badly, rubbing her until she was in pain. It was also the first time he had explored a woman's privacy.

Between his fingers, there was still the fragrance of a young girl. It was a very secretive aura.

he sighed slightly and helped her adjust her pajamas.

however, the moment his fingers moved, she snorted and hugged him tightly, including her arms. she rolled in his arms like a little beast and did not allow him to move.

“Are you afraid?” his voice was unspeakably hoarse.

xue ‘er nodded, and then shook her head randomly.

At this moment, it was quiet and beautiful.

She finally knew something.

he didn't dare to move anymore and patted her back to comfort her. when she calmed down, he turned her small face around and looked at her beautiful face.

Xue ‘er turned her face away uncomfortably, but he domineeringly did not allow it. He supported himself with one hand and pinched her small chin with the other, forcing her to look at him. His voice was hoarse.”In the future, this will be a common thing between a married couple, and there will be something even more profound than this, Hanhan.”

xue ‘er was dumbfounded. he said that they were a couple and that they were more intimate?

then, then, then, what was the deeper matter?

Chapter 1952: beg me (1)

xue ‘er was dumbfounded. he said that they were a couple and that they were more intimate?

then, then, then, what was the deeper matter?

She looked at him in a daze and called out, ” brother.

His fingers gently caressed her lips, and he slowly moved closer to her and whispered in her ear.

Xue ‘er's fingers clutched his bathrobe tightly, and her lips almost bled from biting them.

wouldn't that be strange?

Besides, was he not in pain?

Also, he would also like that kind of thing. Didn't he have mysophobia and didn't like to be too close to people?

The little girl looked at him pitifully and meowed like a kitten, "can I not?"

he laughed in a low voice and pressed his lips against hers. he said somewhat evilly, "But I like it."

His slightly cold nose touched hers, rubbing gently and affectionately. I still want to eat you up, bit by bit.

As he said this, he moved his hand to her neck. It was fragrant and warm, and just a whiff of it was enough to intoxicate his soul.

He couldn't help but take a bite, and she immediately trembled. He laughed deeply and propped himself up a little, looking at her pitiful face.

she opened her eyes wide and looked into the eyes of the little girl. she felt a little wronged and her eyes quickly became moist.

it was too scary. he was going to eat her again!

her little hand trembled as she touched the piece of soft meat, which was still stained with his saliva.

It was so dirty!

but she didn't have the courage to erase it, only daring to glare at him.

"Didn't you say to hook| are you trying to lure me? It's only this little and you're already scared?" He laughed and flipped her over, pulling her small body into his arms.

he was 184, and she was only 162, so she looked very petite in his arms. he had long arms and legs, so it was easy to trap her.

because of the long period of rubbing, her pajamas had long been in disarray. his eyes became dark as if they were on fire, and his voice was hoarse. "tell me, what is it?"

Reaching out, he moved her and placed her in his arms.

he let out a long breath. he really didn't want to have her so early.

ye muyun had always liked to plan. at least, he had to wait until she was 20 years old.

At that time, she should also understand the feeling of love.

the two of them naturally got together. she was obedient and gentle in front of him, but sometimes, he still felt dissatisfied.

in the depths of his heart, he was still lonely.

he told himself that it was because she was still young and did not understand the matters of love.

It wasn't that he didn't want to, especially after he came back from his business trip. It was probably because he had touched her that all his suppressed and deep desires had been touched.

sometimes, he would wonder why he was still holding back.

but every time he kissed her, she would look confused, and he couldn't do it, so he didn't want to end it.

xue 'er looked at his face carefully. after a long while, she said softly, " i want to change my exam results to second place. "

Ye Muyun looked at her indifferently. He reached out his hand and habitually wanted to smoke a cigarette. This was also a long-term habit ...

"don't smoke." she hugged him shamelessly and rested her face on his shoulder. " it's too choking. "

he turned his head and stared at her, then slowly said, " "do you hate it when i smoke?"

her heart skipped a beat. she felt that there was a deeper meaning to his words, but she couldn't figure out what was wrong.

She didn't answer, and he didn't force her. He just put down the cigarette.

"What's going on?" he asked with his hands behind his head.

Chapter 1953: Beg me (2)

Xue 'er looked up and tugged at the belt of his bathrobe."That's right, I just don't want to be first."

"is that so?" his voice was still cold and indifferent. " so you want to be the last? "

she widened her eyes and shook her head violently. " no, i'm not. "

Ye Muyun's lips twitched. tell me the truth.

at this time, his voice was already very stern. if it were any other time, she would have already shrunk her small head back or probably returned to her own bedroom.

However, she really had something to ask of him tonight. How could she bear to leave?

She also had a temper. Seeing that his face had darkened and he was in a bad mood, she said awkwardly, " I just don't want to be the first.

Ye mu Yun's lips curved up slightly. you mean you don't need me to care about you anymore, right? "

He had the attitude of a superior out of habit, which she hated.

he was always high and mighty, looking at her as if she was a low-level creature, making her feel that she was useless.

Her small body struggled and wanted to get up, but he stopped her. don't move.

xue 'er lay there angrily, her little face buried in his arms. she opened her little mouth and bit his shoulder hard.

Ye Muyun's body stiffened. He looked at her little head with a deep gaze but didn't get angry. Instead, he laughed."you've become a puppy, huh?"

She ignored him and lay down on her stomach, looking like she would get angry if he didn't agree.

ye muyun naturally wouldn't take the initiative to agree. he looked at her and stammered,

Her little body was raised and she was lying on her stomach like a Rascal. That look was both angry and funny.

he reached out and tugged at her long hair, his tone displeased. " "you bite people when things don't go your way, huh?"

she raised her little face, pouted her little mouth, and tears welled up in her eyes.

His heart softened and he carried her over. He kissed her small lips and said, " beg me.

xue 'er's eyes widened and she bit her lip. " i did just now. "

Besides, he had kissed her and touched her. He couldn't be so shameless.

ye muyun's lips curved into a faint smile as he looked at her. " you think this matter is easy to deal with? "

"i don't own the school, and it's a public school," he added.

"i know you can do it, brother." The little girl sobbed seductively as she buried her face in his neck and rubbed against him desperately.

But her little body was also trembling slightly, afraid that he would be a Wolf again.| erupting.

Ye Muyun's large palm was on her back, fighting with her ...

This was difficult, but it wasn't impossible.

however, he was calculating how much he should get from her to be worthy of his sacrifice.

a moment later, he bit her little ear and said a few words.

The little girl clutched her pajamas tightly, her face full of hesitation. After a long while, she slowly said, " "Then, then I'll take off my clothes after the lights are off."

Ye Muyun sneered. if you turn off the lights, can you still see? "

the young girl stammered and bit her lip. she mocked him for being shameless and shameless. why did he have to look at her?

She still did as he asked with shame and anger. She didn't expect that not only did he see it, but he also bit Yingluo.

She sat in his arms, feeling scared and helpless. She lowered her head to look at him, her eyes full of moving tears. After a while, her voice sounded like she was crying."Are you done?"

how could he be fine?

he was just enduring it!

That night, he turned her over and over and saw her clearly. He also kissed her thoroughly. Every inch of her was branded with his marks.

It was only when she was extremely sleepy and closed her eyes that he moved his lips to the back of her ear. His voice was a little hoarse. Xue 'er, do you love me? “

Chapter 1954: Beg me (3)

She patted his face with her small claws and said in a soft voice, ” older brother, I want to sleep.

he looked at her in a daze with hatred. this was his ultimate goal.

However, the little girl fell into a deep sleep and drooled in his arms ...

He could not do anything to her.

Yes, ye Muyun's excellence was like air in front of Tang Xue 'er.

In her eyes, he wasn't even as attractive as a rock sugar pork trotter.

in the morning, when xue 'er opened her eyes, she did not see the great demon king.

she secretly lifted the blanket to take a look. fortunately, her pajamas were still on her body.

Actually, thinking about it, he was quite a gentleman, which was why she dared to sleep in the same bed as him.

she lazed around for another half an hour. she calculated the time and rushed to the bathroom to take a shower before he came back-she kept feeling that her body was covered in his saliva.

When ye Muyun returned, there was no one in the bedroom, so he thought she went back to her room.

The corners of his mouth curled up. As he walked, he took off his sportswear and casually threw it on the sofa.

She opened the bathroom door and was stunned ...

she was taking a bath inside!

With her back to the door, her long hair was dyed with water and draped over her back like seaweed. Her soft body was smooth and moving in the morning light.

his throat rolled uncontrollably. instead of going over to bathe with her, he leaned lazily against the door, his eyes a little deep.

When Xue 'er heard the sound of the door being pulled open, she was also shocked. She instinctively covered her body, but she couldn't care about anything else. Her voice was also flustered and exasperated. get out.

after she finished speaking, she widened her eyes-

Because ... Because she wanted to tidy up his clothes?

it was the first time she saw it and she was so frightened that she covered her eyes with her hands. however, he had seen it for nothing.

“If I remember correctly, this is my bedroom.” his tone was calm, but there was a hint of tension.

Then, he walked towards her. She covered her eyes but could still hear his footsteps. She was frightened and leaned against the wall behind her.

She turned her face away and covered herself with her small hands. Her voice was trembling.”Don’t come over!”

her hand was taken away and caught in his hand. she was forced to look at him.

She had never been like this before. Under such clear light, she had never looked at him.

the little girl’s face was flushed, and she refused to look at him.

suddenly, her hand was raised high and pinned to the wall. he took a step forward and held her body firmly.

The young man had been suppressing his emotions for a long time. At this moment, how could he hold it in? he lowered his head and kissed her.

He wasn’t gentle at all. From his body to his heart, he was filled with the desire to plunder.

She was so scared that he didn’t seem to want to endure it anymore!

Was he going to want her?

The little girl struggled helplessly and called him ” brother “. However, the more she cried, the more he found her attractive.

Until she ran out of strength, her little face drooped, her little body trembled slightly, and she could not stand still.

he carried her to the shower, took a quick shower, and walked towards the bedroom.

older brother. her small hand grabbed his shoulder and she buried her face in his neck. No.

He didn’t stop. He carried her over and laid her down.

He took a large towel and wiped her clean. After wrapping her up, he said in a hoarse voice, ” “Go back to your room and change your clothes. Wait for me downstairs for breakfast.”

After he finished speaking, he leaned over and kissed her on the lips with infinite restraint.

He didn’t leave immediately. Instead, he pressed his lips against hers and looked at her frightened face. He smiled gently, rubbed her little head, and scolded her in a low voice, ” “idiot.”

Chapter 1955: Beg me (4)

She looked at him in tears.

ye mu yun got up and walked to the bathroom.

she stared at his back and silently swallowed.

Although there was no way to compare, she knew that in some aspects, he should be equally blessed with his outside world.

She suddenly covered her face. It was so scary!

she listened to the sound of water in the bathroom in a daze. after a while, she jumped up and ran back to her bedroom.

in the bathroom, ye muyun leaned against the bathroom wall after a round of indulgence, a faint smile appearing on his face.

she must have been frightened just now.

When he went downstairs after changing his clothes, the young girl was already downstairs. She looked at him with a timid gaze.

He looked at her attentively, walked to her side, pulled out a chair, and sat down. His tone was very calm.”hurry up and eat.”

She lowered her head, but after a while, she thought of something. She looked up and glared at him. didn’t you say that you were on a business trip this morning? ”

that was why she had given him her kiss in such a hurry, and he was still at home.

ye muyun ate elegantly and took the time to glance at her. ” did i say that last night? ”

“you do.” Little Xin was angry and clenched her fists.

Ye mu Yun’s lips had obvious traces of a smile. then I might have remembered wrong.

shameless!

she bit her lip. she was angry, but no matter how angry she was, she still needed his help.

From eating to him sending her to school, she had been obedient and did not dare to provoke him.

When they reached the school gate, he stopped the car and opened the door for her. I’ll pick you up at 5:30 p.m. Don’t run around.

Xue ‘er didn’t get out of the car immediately. She looked at him and asked, ” “Aren’t you supposed to go in with me?”

” why? ” he asked with a smile.

Before she could say anything, he seemed to have remembered something. I forgot that you crawled into my bed last night and begged for a long time. The second thing? ”

She was a little embarrassed! Her small hands clenched into fists as she endured.

In fact, to her, Zheng Xinyi’s 5000 Yuan was nothing, but she could not give this 5000 Yuan. It was a girl’s pride.

she would rather lose her self-esteem in front of the devil. after all, she had been living like this for so many years.

she lowered her eyes and grunted in grievance.

he chuckled, took out his phone, and made a call.

Xue 'er wanted to hear it, so she leaned over and hugged his arm with her small hands, looking at him eagerly.

Ye Muyun glanced at her and waited for the call to go through. He said, " "Change Tang Xue 'er's results to Zhenzhen's second place."

When he spoke, he looked at Xue 'er with a mocking gaze. If it wasn't for the fact that she was asking him to do something, she would definitely be furious.

the other party said something and he hung up. " i'm done. "

It's that simple!

she stared at it for a while and felt that she had lost out last night and this morning.

Ye Muyun saw that she didn't leave and guessed her thoughts. He leaned over and kissed her lips. He chuckled. in the future, you can always ask me for such a request.

she glared at him, pushed him away quickly, and ran out with some shame and anger.

behind her, she could hear his low laughter.

she swore that she would never beg him for anything again.| Embryo!

when she reached the classroom, her face was still red, and it was very hot.

She was afraid that someone would see through her, because ... Because although Wanwan didn't do it to the end last night, she had done something bad.

as soon as she went to the classroom, countless strange gazes swept over her. she lowered her head and sat in her seat. zheng xinyi's slightly hesitant voice came from beside her. " did you do it? "

do it?

xue 'er jumped in shock. did other people know that she and ye muyun were already in the middle of it?

"no, i didn't do it," she denied instinctively.

After she said that, she came back to her senses.

Chapter 1956: Our relationship (1)

After she finished speaking, Xue 'er came back to her senses and knew that Zheng Xinyi was not talking about that.

she coughed lightly and said, " i don't know what you're talking about. "

She originally had a pure face, and if she did it on purpose, she would look especially innocent.

Zheng Xinyi's gaze fell on her face for a long time before she forced a smile. it's nothing!

At this moment, the students at the side came over to congratulate her. Xinyi, the first place will get a few thousand more scholarship. You have to treat us.

"I will." Zheng Xinyi was a little reserved. She pushed up her glasses and looked at Xue 'er. you should go after school too!

Xue 'er smiled. I don't think I can make it. My family will pick me up.

zheng xinyi let out an " oh " and sighed a little long, as if she was quite regretful.

He paused for a moment. next time, then!

xue 'er nodded.

In fact, there wouldn't be a next time, because the devil wouldn't let her eat anything outside as it was unhygienic.

she sat down quietly, took out her book, and covered her face as she prepared to sleep.

Spring, so sleepy!

little xinxin needs to grow up, so yingying needs to sleep a little more.

however, those who came out to sleep would always return.

during the optional course, the white-bearded teacher called out names on the stage. " " yes, the sleeping child over there will answer this question. "

The classroom burst into laughter.

However, the sleeping child was still sleeping soundly. She dreamed of chicken thighs, shifted her little face, and drooled.

The teacher with the White beard stood in front of her, still smiling. little friend, get up and answer this question.

Zheng Xinyi had also chosen biology. She sat beside Xue 'er, her face a little red, and pushed her. "tangxue, the teacher is calling for you."

The little girl finally opened her misty eyes and looked around with a confused expression.

Because she had just woken up, her fair little face was slightly red. Her long eyelashes blinked, and the corners of her eyes seemed to be flashing with light and color.

her beauty was soul-stirring, and the moment she entered B university, she pushed the original school belle to the horizon.

She stood up haphazardly and looked around. Biting her lip, she asked, " teacher, you called me? "

A teacher with a white beard wasn't angry. It was normal for a pretty girl to like to sleep in.

"Did the chicken or the egg come first? can you answer me?"

it was silent below.

the little girl looked around for a while, but didn't find any backup. then she stared at the teacher and slowly said, " "chicken,"

"why?" His teacher's voice was trembling with excitement, because he had a feeling that the answer would be very interesting.

Sure enough, the young girl didn't disappoint him. She said confidently, " because I like to eat chicken legs!

The classroom was silent again, then burst into laughter.

The teacher raised his hand to cover his eyes and couldn't stop laughing. Oh my, he wanted to laugh too.

This is really interesting!

The teacher, who had no moral integrity, smiled and motioned for her to sit down. this answer is quite unique.

Xue 'er looked at him. teacher, is that right? "

"You're right." Out of love, the white-bearded teacher reached out and ruffled his beloved disciple's long hair.

The little girl was really good looking and had a cute personality!

he coughed lightly and said, " alright, sit down. "

After he finished speaking, his beloved disciple had already sat down, laid down, and continued to sleep.

Everyone was silent. They had never seen such an arrogant student who did not respect his teacher!

There was a gaze that was especially bright, and his black eyes stared at the side of his face for a long time ...

There aren't many girls like this who are so innocent (really stupid).

Chapter 1957: Our relationship (2)

The bell signaling the end of class rang. The person beside her called out and patted her shoulder, " "Chongguang, are you going to play basketball after school?"

Zhou chongguang turned his face to the side, and there was a faint smile on his young and handsome face. no, there are a lot of things to do at the meeting today.

I heard that there are a few girls from the new year who want to join the Student Union! Zhao Ziyi smiled, his chin raised in a certain direction. the new grade's first and second place are all there. It just depends on whether you like someone with talent or someone with looks.

The beautiful girl who had fallen from the first altar could tell with one look that Yingluo's results were probably fake unless she was a genius.

Oh, the little genius had just packed up and left the classroom.

Zhao Ziyi looked at Zhou chongguang and coughed lightly. are you dazed? ”

He then muttered to himself,”she’s indeed very good looking.” But I heard she has a boyfriend.”

“Nonsense, she’s only 18 years old.” She had thought that Zhou chongguang would not answer, but he did.

after saying this, he stood up and walked to the empty space. he picked up a piece of white paper from the ground.

there was a sketch of a young man on it. he had a cold temperament and a noble feeling.

and beside the painting, the words ‘great demon king’ were written in small round characters, which looked quite childish.

zhou chongguang looked at it for a long time, a slight smile on his lips. then, he put it in his bag and turned back to look at zhao ziyi. ” let’s go. ”

“hey, what did you take?” Zhao Ziyi called out from behind. Zhou chongguang turned around and smiled. take a guess.

after he walked out of the classroom, he saw that beautiful figure.

He quickly caught up to her and walked side by side with her.

xue ‘er stopped. ” what’s the matter? ”

Zhou chongguang coughed lightly. is this yours? ”

He handed the sketch to her.

xue ‘er acknowledged him, folded it, and stuffed it into her bag.

Zhou chongguang’s gaze was focused on her fair and slender hand, but he did not leave immediately. can you tell me who this is? ”

xue ‘er gave him a strange look, feeling that there was no need to say so much to a stranger. ” he’s my brother. ”

zhou chongguang didn’t suspect anything, because she was good-looking, and so was her brother. people who looked good were all similar.

he put his hand in the bag and paused for a moment. he said hesitantly, ” the new student Council needs members. Are you interested? ”

“i’m not interested, and i don’t have the time.” the young girl directly rejected him, ignoring his status as a top student and school hunk, and walked towards the school gate.

Zhou chongguang followed behind her. you don’t know me? ”

“Should I know you?” xue ‘er did not stop.

“My name is Zhou chongguang. third-year major, piano.” He said briefly.

xue ‘er only gave a faint ‘en ‘and then nothing else.

she had already arrived at the school gate, but ye muyun’s car hadn’t arrived yet. she raised her hand and looked at the time. it was 5:25.

this was the first time she looked forward to ye muyun’s arrival.

Zhou chongguang was also a proud man. There was no way he wouldn’t have known such an obvious rejection.

Sighing in her heart, she was about to leave when a white Ferrari stopped in front of her. The window rolled down, and a familiar face turned to the side.

It was the person in the painting!

ye muyun’s gaze indifferently looked at xue ‘er and then at zhou chongguang.

Zhou chongguang felt a chill sweep across his entire body after being looked at.

The man was the same age as him, but he had a cold aura.

also, the smell that didn’t belong to a boy of this age was awkward. the person in front of her was already a man.

Chapter 1958: our relationship (3)

“Big brother,” the young girl called out softly.

her soft and coy voice made ye muyun’s expression look a little better. his voice was a little lazy.”Get in the car.”

he reached out and opened the car door for her. when she got in, he took her bag and threw it to the back seat.

Then, the car door closed, and the car started at a speed of 0.01 seconds, quickly leaving the school gate.

Zhou chongguang looked on. He had heard her call him ‘brother’ just now.

He smiled slightly. It was really his brother.

in the expensive sports car, xue ‘er looked at him. ” why did you change your car? ”

ye muyun gave a faint “en.” he didn’t say that it was because someone had taken that car today that he changed it.

After a while, he turned to look at her. who was that just now? ”

Xue ‘er’s expression was a little dazed. It took her a while to remember who he was asking about. ah, I don’t know him. He gave me something.

After saying that, she unbuckled her seat belt and slipped to the back to flip through the pages. She then handed them to him.

ye mu yun also took the time to glance over and said seriously, " sit properly. " however, the corners of his mouth revealed a faint smile.

xue 'er made an "oh" sound and did not say anything else. she sat up straight.

ye muyun started the car and said calmly, " draw me another one when we get back. "

He thought that she would be happy, but she only gave a dejected " Oh " and did not say anything else.

however, after she went home for dinner and took a shower, she was stunned for a moment.

because ye muyun was in her bedroom, wearing a bathrobe and sitting on the pink sofa with a stack of picture books in his hands.

the little girl walked over, and with a hook of his hand, she fell onto his lap.

"When did you draw it?" he hugged her and placed her in front of his chest. he rested his face on his thin shoulder and took in the young girl's fragrance.

they were only separated by a thin layer of clothing, and she felt very uncomfortable.

She bit her lip and said in a low voice, " I drew it when I was bored. I've been drawing it for a few years.

He held her in one hand and flipped through the pages casually with the other. The two thick scrolls were all about him.

She probably felt uncomfortable and explained, " actually, you're quite in line with the model's appearance in my heart.

"hmm, what do you want to design?" he chuckled and nibbled on her shoulder. his voice was quite happy.

xue 'er didn't think too much and quickly said, " "The wedding dress and accessories, something else."

only then did he take a closer look and find many things that didn't belong to him, such as clothes, watches, and even shoes.

He smiled faintly. that's not bad. Where's the wedding gown? I don't see it. "

Xue 'er didn't say anything.

"Bring it over," he said as he looked at her.

The little girl curled up in his arms and reached out to grab another book from the shelf at the side.

Ye mu Yun turned a page and his face darkened.

He was still the male lead, but the female lead was a very fat woman, a woman as fat as a pig.

He looked at her for a while before shifting his gaze back to her face.

"big brother, don't you think they're a good match?" she squeezed out a smile, her skin tightening.

Ye Muyun's face darkened even more. She put it down heavily and her heart also jumped.

then, he looked at her and a cold smile appeared on the corner of his mouth. "from today onwards, you'll be the pig. otherwise, you'll eat until you become a pig!"

Her face fell, but that was not all. He got up and carried her to his bedroom. "Help me draw."

under the warm light, he took off his bathrobe and casually leaned against the bed, his eyes cold.

Chapter 1959: she had always been afraid of him (part one)

her watery eyes were wide open.

everything she could see was too shocking. in front of her eyes, it was a piece of art. looking at it under the bright light, she almost drooled.

she had always known that he was born with good looks. not only were his facial features beautiful, but even his skin was naturally noble. one look and she could tell that he was born in a rich family. his whole body was exquisite. although this word was a little inappropriate to describe a man, she could not think of another word other than exquisite.

The little girl stared at him fixedly at first, then lowered her eyes, and accidentally looked at places that she shouldn't be looking at.

Fortunately, he still had some moral integrity and left a piece of clothing.

however, he could clearly see that he, he was stunned.

xue 'er was already half-aware of love and relationships. at this moment, her face was hot, and she was unspeakably shy.

She bit her small mouth and half-closed her eyes. She reached over, grabbed his bathrobe, and threw it to him. Her voice was also a little trembling. put on your clothes first.

with the clothes in his arms, she did not dare to be presumptuous anymore.

In the end, she was no match for him.

ye muyun's eyes were deep. "how do i draw when i'm wearing clothes?"

He placed his hand on the undergarments. or, I have to be complete. | Take it off? hmm?"

"No need!" the young girl immediately covered her eyes and screamed.

That fragile state was like a little beast, and he was in a good mood.

his fingertips grazed her small face, and his long legs trembled. "don't play dead. come down."

Not only did she not get up, but she also continued to lie down and hug him shamelessly.

However, as her face slid down, an accident happened and she got stuck in the place where she should be stuck.

It was warm, then boiling hot, and then scalding ...

let go of me! she wailed again.

“you were the one who hugged me.” his voice was pleasant yet a little evil. his large palm pressed down on her thin shoulder, making her feel like pressing down on xuxu.

” wu wu wu wu. ” she called out in a muffled voice, her voice trembling with a touch of gentleness.

he couldn’t take it anymore. tormenting her was actually tormenting himself.

He let go of her and she immediately retreated. She wanted to escape, but his leg hooked her and she fell to the side.

she looked at him with teary eyes, her eyes filled with accusation.

Ye Muyun didn’t have much of an expression on his face. He reached out and touched her little face, his voice carrying a hint of teasing.”Be good. I’ll let you go once you’re done.”

“really?” she bit her lip out of habit, her face full of fear.

He didn’t make a sound and just looked at her.

After all, they had known each other for so many years, and she knew his temper. If she didn’t draw tonight, she probably wouldn’t want to sleep, so she got out of bed barefooted, took a brush wash, and sat on the pink sofa opposite the bed to start drawing.

Ye Muyun’s posture was relaxed and his gaze was unpredictable. She felt very pressured looking at him like this.

However, he was patient. He just half-leaned there and didn’t move.

She was also forced to look at him wearing only a thin piece of clothing. After staring at him for about an hour, she felt like she was going to grow a needle’s eye.

In order to take revenge, she had deliberately flattened a certain part of her body to make her look less arrogant.

“it’s done,” Her voice was soft and sweet. do you want to take a look? ”

his gaze was still deep, and he only hummed in agreement.

Xue ‘er didn’t dare to hope for him to come over, so she could only send him over herself.

she crawled over in her pajamas and leaned on his shoulder softly, handing him the painting in her hand.

ye mu yun took it. his eyes were indifferent but he looked carefully.

Chapter 1960: She had always been afraid of him (2)

After a moment, he looked up at her seriously. “Are you afraid of me?”

She didn't understand what he was saying. It wasn't the first time she was afraid of him. Why did he suddenly ask this?

his gaze deepened as he stretched out his arms and pulled her into his embrace.

After that, her face turned red and she struggled but couldn't break free. He seemed to be rubbing against her on purpose, and her heart trembled.

"I'm afraid." Her voice trembled and she pleaded, "Put me down."

After all, she was still young, and he couldn't bear to let her know more about men's bad side. He put her down and picked up the sketch again, his tone indifferent. "Since you're afraid, you still dare to provoke me like this, huh?"

She lowered her head, her long hair scattered over her shoulders. She knelt and whispered, "I won't dare to do it again in the future."

he glanced at her and suddenly reached out to pull her into his arms again. this time, he did not do anything impetuous. instead, he just held her in his arms. his good-looking chin was against the center of her hair, and his slightly hoarse voice sounded above her head. "Xinxin, we will get married in the future! get used to it, yingluo. also, when we get married, i'll get someone to take a photo of us, okay?"

Shoot a set? wedding photos?

Her heart trembled as she looked at him with puppy eyes.

he smiled and kissed her between her eyebrows. "take a set of photos and put them in the master bedroom. "

not wearing clothes?

She was embarrassed and angry, but she did not dare to refute him, unless she wanted to be naked right now!

Ye Muyun probably felt that it was about time. After giving her a goodnight kiss, he got up, picked up his bathrobe, and put it on. Before he left the bedroom, he looked at her and said quite calmly, "I'm going on a business trip for half a month. During this time, be good! Uncle Zhao will send you to school, and so will Yingying after school. don't turn off your phone, i'll call you in the morning, call me at noon, and tell me what you had for lunch. also, get home before 6:30 p.m. and ask auntie li to tell me. i'll call you at 9 p.m. Do you understand?"

he said a long string of things, and she was stunned.

in fact, she was already used to it.

He had been controlling her like this ever since he went abroad for business when he was 18 years old. Even when her parents were at home, he did the same. No one had ever criticized him.

Just like that, his good treatment of her and his control over her were all natural.

Her surname was Tang, and his surname was Ye Wanwan, but ever since he came to the Tang family when he was ten years old, she seemed to have followed his surname.

she lowered her little face and nodded as usual."Yes."

He looked at her with a deep gaze. In the end, for some reason, he actually sighed.

Only after the door closed did she relax and lay on the bed in a daze.

This kind of love was something many girls dreamed of, but she felt a little suffocated.

sometimes, his love was like a cage. she was trapped inside and could not breathe.

even so, she couldn't resist xuxu's dominance. she never dared to disobey him.

It was just like how he wanted to kiss her, take off her clothes by force, and kiss her there. She didn't dare to say no.

she clearly knew that he shouldn't have done that.

xue 'er closed her eyes. she couldn't tell if she was enduring it because she really liked him or because she was afraid of him.

But in the end, he had been on a business trip for half a month. Although he would check his breakfast, at least she would not have to see him at night.

recently, he seemed to like hugging her, and their actions were getting more and more intimate.

she had no doubt that on her birthday, he would do it until the end.
