Chapter 201

201 Bad kid (3)

Tang mo turned his head and looked at her with a puzzled look!

PEI Qiqi leaned on his shoulder. Her face was burning. Tang Yu was a man. How could he not understand what she meant ... However, other than that time when she had a fever after being caught in the rain, she had never taken the initiative.

Tang Yu exhaled with difficulty. He lowered his head and asked in a hoarse voice, ” “Are you sure?”

He wouldn't let go of such good luck, so he grabbed her small hand.

PEI Qiqi couldn't avoid him. No matter where she turned her head. he would stick to her. In the end. she fell on his shoulder. panting. ” Tang Yu ...

After that, she lay in his arms like a little beast, her small hands gently hugging him, as if she had fallen asleep.

Tang Yu lowered his head and looked at her. His voice was especially alluring in the dark, ” “Qi Qi?”

PEI Qiqi's little hands hugged him shamelessly. Tang Yu smiled. He knew she was going to sleep.

He was in the prime of his life, and Qiqi was so fragile that it seemed like she would break at the touch. Sometimes, he couldn't bear to leave her!

She was actually still a young girl and could not be considered a woman at all, even though she had been with him for so long.

Tang Yu's heart was filled with pity. He lifted his head and kissed her, ” do you want to take a shower? ”

She mumbled an “mm” in a daze and still looked like she was going to sleep.

Tang Yu carried her to the shower and then they ate together. PEI Qiqi was exhausted and fell asleep.

Tang Yu sat beside her and watched. He reached out and gently brushed her hair away. His movements were gentle. Then, he held her injured hand ... His eyes dimmed.

He should have a talk with Shen Lian.

He leaned forward and kissed PEI Qiqi. When he lifted his head, his eyes were still filled with love.

In this world, only this little thing made him willing to do everything for her.

Tang Yu walked into the changing room and changed his clothes ...

Sitting in the car, he picked up his phone and dialed a number-

“I’ll see you in an hour!” He said briefly and hung up the phone.

‘Ting Feng’ was a bar in B city. Tang Yu would come here occasionally.

He had been sitting in the corner for ten minutes, a cigarette between his slender fingers, slowly smoking ...

Shen Lian silently sat across from him. Tonight, she wore a black dress with a thin shoulder. It showed off her good figure and made her look charming.

“Tang Yu!” She sat opposite him, took out a long and thin lady’s cigarette, leaned her head slightly over, lit it with the spark on his cigarette, and then elegantly took a puff ...

Tang Yu looked at her and his gaze was unpredictable, ” when did you learn to smoke? ”

“The day you don’t want me!” Shen Lian laughed. Her fingers that were holding the cigarette drooped, ” that day, I learned a lot. Tang Yu, do you want to know? ”

She raised her head slightly, and there was a hint of provocation in her eyes, and ... Lure!

Tang Yu’s face was still calm and he didn’t have much of an expression. He just stubbed out the cigarette, ” I’m not interested. I just wanted to see you today to tell you ... Shen Lian, let’s go. We won’t have any more interactions!”

Chapter 202

202 Do you love her?

Shen Lian’s expression changed, ” PEI Qiqi told you? ”

“She’s my girlfriend. Is there anything wrong with that?” tang yu looked into shen lian’s eyes, ” don’t go looking for her in the future. her hanhan is still young! ”

shen lian squinted her eyes and looked at tang yu.

He remained indifferent. our little thing happened a long time ago. Shen Lian, let it go!

“Put it down?” shen lian tilted her head and looked at her, ” tang yu, you’ve let it go, but i can’t! ”

she was so upset that she wanted to smoke again, but tang yu snatched it away from her, ” smoke less! ”

chen lian’s hand quickly covered the back of his hand, her eyes somewhat blurred under the light. Tang Yu’s Xuanji ”

he wanted to pull away, but she stubbornly refused.

“why her? Is she more outstanding than me?” shen lian’s eyes were filled with hurt. ” i can accept you finding a lady from a prestigious family. but why is it such an unremarkable girl? is it because she’s young and pretty? ”

Tang Yu looked at her for a long time. Then, he chuckled, ” I guess so!

at this moment, he pulled his hand back and said very seriously, ” we’re done. shen lian, an lan has been waiting for you. ”

“i don’t love him!” Shen Lian seemed to have lost her temper and she could not bear it anymore.

However, she immediately realized that she had lost her composure. She had always paid attention to etiquette and would not lose her composure like this in public, so she immediately kept quiet.

Tang Yu didn’t say anything. He just looked at her.

Shen Lian eased up a little and muttered, you were with her for the past two years when I was away? ”

Tang Yu didn’t say anything. He didn’t need to tell anyone about him and Qiqi.

He looked at Shen Lian. did you drive? ” I’ll send you back.”

Shen Lian would not act like a Shrew. She quietly stood up.”i did drive.”

They walked to the parking lot and the cars were parked side by side. When Shen Lian opened the car door, she turned around and looked at Tang Yu, ” “Xuxu loves her?”

tang mo paused and turned to look at shen lian.

this answer was a little cruel to an ex-girlfriend, especially one who hadn’t given up yet. however, it would be crueler if she didn’t say it-

“Yes!” He nodded.

“what do you like about her?” Shen Lian raised her eyebrows and asked mockingly.

tang mo lowered his eyes. in the dim light, a touch of gentleness flashed in his eyes. “It’s probably because she’s still young and disobedient.”

tang yu wouldn't be moved by the fact that he could touch her and that she was pretty.

Of course, the noodles she cooked also caught his stomach.

It should be said that Tang Yu liked PEI Qiqi the most. He felt very comfortable around her.

shen lian caught the gentleness in his eyes and forced a smile. "who didn't have a younger time?"

When she was with him, she was also very young, and she had never seen him take such pity on her.

However, Shen Lian miscalculated one thing. When PEI Qiqi was with Tang Yu, Tang Yu was already mature enough. Naturally, he would treat young girls differently.

tang yan smiled slightly. before he got into the car, he said lightly, "qiqi is not like you. she has nothing, so don't bully her, zhenzhen."

Shen Lian smiled faintly, "really? but tang yu, what do you think i have? the shen family's property? or what?"

tang yu was calm and didn't say anything.

Tang Yu, I have nothing. I never got what I wanted the most! Shen Lian wasn't someone who would easily fall in love. At this moment, there were tears in her eyes as she looked at Tang Yu, "Tang Yu, is it really impossible between us?"

Chapter 203

203 do you love her?(2)

Tang Yu didn't answer directly. He only said two words, "sorry!"

he quickly opened the car door and got in. shen lian just looked at him and watched his car leave. before her tears fell, she raised her head in a daze.

In fact, she knew in her heart that with Tang Yu's personality, just based on the fact that she had slept with Qin Anlan, he would not want her anymore.

he's such an arrogant man, yingluo.

Tang Yu returned to his apartment in Xia city. PEI Qiqi was still sleeping.

She was curled up in the blanket, leaving only her small head outside.

Tang mo quietly looked at her, sat down, and reached out to touch her hand.

He knew in his heart that the reason why Shen Lian looked for her was because Shen Lian wanted to see him.

And he needed to make things clear to her. He knew Shen Lian's personality and he did not want Qiqi to be wronged.

He reached out and touched her little face gently, wondering when she would grow up Yingluo.

he almost couldn't wait to propose to her, but she was too young. would he scare her?

tang yu smiled slightly. he actually felt a sense of happiness.

shen lian asked him if he loved qi qi. he probably did. all he knew was that he had never liked a little girl so much. he wanted to give her everything he had.

seeing her smile, he would feel a sense of accomplishment. seeing her happy because of pei ming, he would feel that everything was worth it.

Tang Yu took a shower and returned to his bed. It was already 12 am.

Probably because she felt his warmth, PEI Qiqi automatically snuggled into his arms.

tang yu sighed and kissed her. her entire body felt warm.

“Tang Yu?” she woke up in a daze and opened her eyes to look up at him.

“I went out for a while. Be good and go to sleep!” He said.

” oh, ” pei qiqi replied and snuggled in his arms again. after a while, she seemed to have remembered something, ” daddy can say simple things today. ”

she wanted to share it with him. although he was busy every day and might not take it seriously, she still wanted to tell him yingluo.

Tang Yu was already an important person to PEI Qiqi.

Tang Yu heard this and lowered his head. He searched for her little mouth and gave it a light kiss, ” that’s good. Are you happy? ”

even a small thing like her was a big deal to tang yu.

“en!” she nodded heavily and looked up at tang yu, ” i’m so happy that i’m going crazy. ”

He laughed and ruffled her hair, his voice a little hoarse. as long as you’re happy!

her little face snuggled messily in his arms, like a little lunatic.

Even though it had happened two or three times today, Tang Yu was still a bit aroused.

“Qiqi, don’t think of sleeping anymore if you keep doing this!” He said with a deep gaze.

pei qiqi leaned on his chest and deliberately bit a certain place. tang yan groaned.

He grabbed her hair and carried her to his body.

PEI Qiqi lay in his arms and pressed her lips against his neck. Her voice was unclear, ” “it doesn’t matter if you don’t sleep!”

This was a mess. He pinched her little chin and dragged her over. He looked at her deeply and said in a flirtatious tone, ” “PEI Qiqi, you do it.”

she bit her small mouth and looked at his good-looking smooth chin. she mustered up the courage to press her small mouth against his lips.

they had been together so many times, but it was obvious that she still wouldn’t let it go.

Chapter 204

204 You love her (3)

After a while, she wrapped her arms around his neck and said in a low voice, "Tang Yu, I don't know how to whine.

"should i teach you?" he cupped her little face. "little girl, what do you want to learn today?"

She was so embarrassed that she turned her face away. However, she still couldn't escape. Tang Yu still tormented her for a long time.

Early in the morning, when PEI Qiqi woke up, Tang Yu was putting on his tie by her bed. When he saw her open her eyes, he smiled, "you're awake?"

PEI Qiqi grunted and looked at her watch. It was nine O'clock.

"It's Saturday today!" mr. tang slowly opened his mouth.

PEI Qiqi replied with an 'Oh', "what about you?"

tang yu smiled, "there's an important meeting today. it'll end around 3 p.m. qiqi, do you want to go visit uncle wanwan?"

PEI Qiqi's sharp senses picked up the way he called her. She sat there helplessly.

but in tang yu's eyes, she was extremely cute.

His long black hair was messily draped over his shoulders, and his pajamas slipped off. His teeth marks were left on his thin snow-covered shoulders when he was in love.

at this moment, she bit her small mouth and looked at him pitifully. "yes."

"then i'll pick you up at 3:30 in the afternoon. let's have dinner outside later!" he leaned over and kissed her. "i have to go to a meeting. get up and eat something, okay?"

As he spoke, he rubbed her a few more times, making PEI Qiqi's face turn red.

Tang Yu laughed in a low voice. He rubbed her little nose and walked out.

pei qiqi got up and walked to the bathroom to brush her teeth in front of the mirror. but when she looked up, she was stunned.

was the person in the mirror her?

her face was ruddy and her eyes were blurred, as if she had been loved.

She was stunned for a moment, and her brushing of teeth slowed down.

she remembered what pei huan said to her. pei huan said, "pei qiqi, you're in love with tang yu, yingluo."

PEI Qiqi brushed her teeth for a full ten minutes and almost forgot to take a sip of water.

when she went out, her legs were a little wobbly. on one hand, it was because he had had too much last night. on the other hand, she was also a little dazed.

pei qiqi took a taxi to qingshui road. the moment she entered, she saw pei huan watering the flowers with a watering can.

Her belly was not big, but she was holding it exaggeratedly.

Seeing PEI Qiqi enter, PEI Huan sneered, " PEI Qiqi, you still have time to come over today? why aren't you looking after tang yu?"

PEI Qiqi ignored her, but PEI Huan stopped her, " "Aren't you curious about what happened?"

her face was full of malice.

"I'm not!" PEI Qiqi's voice was a little cold. She really felt that PEI Huan was having a mental breakdown.

PEI Huan chuckled, " PEI Qiqi, you probably didn't know, Qianqian. Actually, men are all the same. What's more, she's talented and beautiful. She's the only daughter of the Shen family. You're probably just Tang Yu's substitute.

she took a newspaper from the chair and showed it to pei qiqi, " look, PEI Qiqi. Cinderella will always be Cinderella. Once midnight passes, she will reveal her true colors.

PEI Qiqi lowered her head and looked at the headline. There was a photo.

they could clearly see that it was tang yu and shen lian.

They stood in the parking lot and stared at each other. The angle was very good, and they looked at each other.

pei qiqi's eyes were fixed on him while pei huan was gloating, " Shen Lian, I don't need to say more. Look at this aura. How can you, PEI Qiqi, compare to her? they have been together for many years. Your good days are over!

Chapter 205

205 I don't have a father anymore

pei huan felt that today's weather was especially good, and it was especially satisfying.

Because PEI Qiqi was about to be the wife of the second wife. Shen Lian's background couldn't accommodate PEI Qiqi's status.

pei qiqi lowered her head and smiled. she put the newspaper aside, " i'm happy to make you so happy. pei huan, you have to keep it up. it's good for the baby. "

pei huan was so angry that she glared at pei qiqi, " "Just you wait to cry!"

She just couldn't see PEI Qiqi occupying everything. Jinrong liked her so much that even PEI Minghe couldn't move at home. Sometimes, he would even secretly take PEI Qiqi's photo and look at Qianqian.

Was she not his daughter?

Now that she was carrying a child in her arms, shouldn't she treasure him even more?

Last night, PEI Huan snatched the photo from PEI Minghe's hands and cried in anger.

pei minghe only looked at pei huan, his body trembling, unable to say a word.

His appearance was a little scary. Later on, PEI Huan ran out and ran away.

She didn't see that PEI Minghe's body was tilted on the bed, moving with difficulty. He wanted to get off the bed to pick up the photo, but his legs couldn't move. He moved and moved like this, and finally fell off the bed.

At this moment, PEI Huan was blaming everything on PEI Qiqi.

She was incomparably happy. She felt that PEI Qiqi was about to reach her end, but even so, her mouth was still so clean.

"don't be smug. i'll wait for the day you get kicked out by tang yu. let me tell you, the pei family will never take you in." pei huan laughed coldly and ignored pei qiqi.

pei qiqi couldn't be bothered with her. she didn't trust tang yu and shen lian qianqian, but she knew that tang yu wasn't the kind of man who would flirt with his ex-girlfriend in the middle of the night.

if he wanted to, he could have just chased him away. there was no need for him to do this.

she walked into pei minghe's bedroom. pei minghe was sitting by the bed, his expression a little lonely, and he was holding a few shards in his hand.

"daddy." pei qiqi could tell that it was her photo and guessed what had happened.

Her heart ached and she gently stroked his head. next time, I'll take a better picture of Xuxu's father. Throw this away!

she gently pulled it away, but pei minghe immediately held it tightly and refused to let go.

"Dad!" PEI Qiqi squatted down and hugged him.

suddenly, she said, "dad, can we move out?"

PEI Minghe heard it and looked up at PEI Qiqi in a daze.

"It's my fault, Yueyue." PEI Qiqi stroked his fingers that were swollen and mumbled, "I always felt that I should give you a good home, but I was wrong. They didn't treat you well.

She owed Tang Yu and she would never be able to pay him back in this lifetime.

Then she would owe him even more. She had sold her body, but she could also sell her heart.

didn't tang yu want her heart? then, she'll give him some.

PEI Qiqi closed her eyes. This was the last thing she wanted ...

how could a person's heart be sold?

she owed pei minghe. if she wasn't so naive at that time and believed zhou meilin so easily, how would her father have become like this?

She had always been too weak.

pei minghe's lips trembled, and his finger gently pointed in the direction of the door.

pei qiqi followed his finger and saw zhou meilin standing at the door with a pale face.

zhou meilin was almost screaming, "pei minghe, how can you do this to me!"

she held a stack of documents in her hand, and her fingers trembled.

She finally opened PEI Minghe's safe, and inside it was his will ...

Chapter 206

206 i don't have a father anymore (part two)

But look at what she saw. He gave the company to that/tch PEI Qiqi!

And she only had this house.

there was also a photo of that b * tch in the safe.

It had been so many years, but that woman was still lingering around.

zhou meilin's heart felt like it had been splashed with a basin of cold water. no matter what, she was still pei minghe's wife.

however, he gave his heart to that b * tch and his company to pei qiqi. what about her? what did she have?

she had nothing!

Zhou Meilin stared at PEI Qiqi like a dead fish, "you're Qianqian, the one who came to collect debts.

PEI Qiqi looked at the thing in her hand and then at PEI Minghe.

pei minghe's fingers trembled, and so did his body. his eyes were staring straight at zhou meilin.

PEI Minghe, do you really treasure the child that that b * tch gave birth to for you? all these years, have you been unable to forget her? " Zhou Meilin was almost screaming.

She ran over and threw the will at him. She cried out, "how could you do this to me! PEI Minghe, you bastard!"

PEI Minghe could only look at him from the corner of his eyes, unable to say anything.

Zhou Meilin played around for a while, then suddenly reached out and grabbed PEI Minghe's throat, "Say something, say something, you bastard!"

pei qiqi tried her best to pull her back, but zhou meilin's strength was shocking. she pushed pei qiqi down.

how could pei minghe say anything? zhou meilin pointed at pei qiqi again and pulled her hair, " you b * tch, why didn't you die back then? Why do you want to live in this world and torture me?"

pei qiqi was in so much pain that she felt like her skin was about to fall off. she pushed zhou meilin away with all her might and her entire scalp was numb, " auntie, are you crazy? daddy needs to rest! "

why should I be worried about him? he doesn't have Huanhuan and me in his heart! zhou meilin's face looked like she was about to die. she sneered at the man who had been weak for his entire life. she really didn't expect him to trick her like this even when he was about to die.

PEI Minghe was really good. He secretly gave the company to PEI Qiqi.

She shouted like a mad woman, " PEI Minghe, you think PEI Qiqi is good? you gave the company to her, but let me tell you, Hanhan.

She began to laugh crazily, laughing so hard that tears fell.

PEI Qiqi's voice was stern, " Auntie! Her heart was beating fast. She knew what Zhou Meilin was going to say. At this time, she even wanted to kill Zhou Meilin.

However, Zhou Meilin gave up completely. She screamed hysterically, " PEI Minghe, do you think PEI Qiqi is still your good daughter? stop dreaming. the first time you were hospitalized, i sold pei qiqi out. now, she's sleeping with men every day!"

With tears streaming down her face, she had a strange smile on her face. think about it. Your baby is being pressed down by a man every day and doing all kinds of things. Isn't it very painful? isn't it very uncomfortable? "

PEI Minghe's finger stood up and pointed at Zhou Meilin, frozen in a daze.

his neck was also stiff, and his eyes were staring straight at her in disbelief. his eyes were getting bigger and bigger.

If he could do it now, he would strangle her to death!

How could she treat Qiqi like that, my baby?

"Dad, it's not like that. Auntie is lying to you!" pei qiqi knelt in front of him and desperately grabbed his fingers, " dad, auntie did it to anger you. no, it's not like that. i'm fine, yueyue didn't. yueyue wasn't sold. "

Chapter 207

207 i don't have a father anymore (3)

She looked at PEI Minghe and cried out, " dad, believe me just this once. No, I don't have Hanhan.

PEI Minghe's finger was still pointing at Zhou Meilin. His finger didn't move at all, and his eyes were dazed.

she just froze like this, and then she dispersed.

pei qiqi's tears didn't stop. her hands trembled as she dialed 120 and quickly called for an ambulance. then, she pounced on pei minghe and stretched out her hands to help him smooth out the wrinkles on his face. however, he still didn't move.

She looked into his eyes anxiously, her small hands tugging at his clothes, her fingernails almost turning red.

However, PEI Minghe could no longer respond to her!

he maintained his original position, not moving, and just stared at zhou meilin, making her hair stand on end.

At the door, PEI Huan's screams could be heard.

PEI Qiqi's mind was in a daze. She looked at PEI Minghe's slowly falling body. Her vision was a blur.

PEI Minghe died from cerebral hemorrhage-

in the chaos, pei qiqi felt herself being pushed around. she fell to the ground and finally fell into a warm embrace. she looked up and saw tang yu.

She looked straight into his eyes and said in a soft voice, " Tang Yu, dad doesn't have Hanhan anymore. I don't have a dad anymore. From now on, I'll have nothing, Hanhan.

as she spoke, tears fell from her eyes. she was in a daze, as if her entire being had been sucked out.

the emergency doctor gave the death sentence, and the pei family immediately arranged for a funeral.

Zhou Meilin was also stunned. She only wanted to get what she deserved, but she didn't expect that it would anger PEI Minghe to death.

that night, pei qiqi sat there burning incense for pei minghe. she was no longer unconscious as she mumbled, " dad, i wonder if there's a doctor down there. can he take care of your leg? "

she sniffed as she spoke. " what will qiqi do if you leave? "

But what she didn't know was that even when she didn't know that she wasn't PEI Minghe's child, that man had selflessly given his love to her.

Tang Zheng stood not far away and watched her kneel for half the night. She didn't seem tired and just knelt there without eating or drinking.

suddenly, he was a little envious that there was someone who could make pei qiqi's heart ache so much.

He went forward and carried her gently. Qiqi, take a rest. You have something to do tomorrow.

PEI Qiqi was stunned for a moment before she realized it was Tang Yu.

She pursed her lips and said in a soft voice, " I don't want to rest. I want to be with my father. He's very lonely when he's alone.

She looked at PEI Minghe's coffin, " Tang Yu, even if I want to see him in the future, I won't be able to see him!

"You still have me!" he rested his chin on the top of her head, giving her a little warmth.

her body was small and thin, but she had endured so much.

He wanted to give her everything, but he found that sometimes he didn't know where to start.

her dependence on him was so limited that she was willing to accept it.

when pei qiqi heard his words, she was in a daze. she turned her head and looked at him under the cold light.

Even in such a place, he was still noble, and nothing could hide his elegance.

PEI Qiqi laughed in a daze, " Tang Yu, Did you know? in this world, the last person I can like is you, Hanhan.

She silently muttered these words in her heart, and then her body fell softly.

Tang Yu reached out to catch her. He looked down at her pale face and felt his heart ache.

when he looked up, he saw lin jinrong standing in front of him.

Chapter 208

208 counterattack, torture the old woman to death (1)

Their eyes met and Tang Yan nodded slightly. I'll take Qiqi away first.

lin jinrong didn't say a word and just stood there in a daze.

Tang Yu carried PEI Qiqi back to Xia city. She woke up in a daze but she was too sad to speak!

in the dark, she cried hoarsely in his arms. her tears soaked his shirt, and it was wet and hot, making him feel very uncomfortable.

However, he could not let her go.

That night, he held her in his arms and never let go!

.....

The next day, Zhou Meilin recovered. She actually didn't allow PEI Qiqi to attend PEI Minghe's funeral. However, with Tang Yu around, she couldn't hold on until the end.

PEI Qiqi held PEI Minghe's photo and looked at his smiling face. She was in so much pain that she wanted to die.

on the day of the burial, the weather was gloomy, and the cemetery was deserted, which made people feel heavy in their hearts.

pei qiqi stood there and whispered to pei minghe, " dad, i will complete your last wish for you! "

in the past, she was too weak, so she let zhou meilin harm her and her father step by step.

After PEI Minghe passed away, she thought a lot. It was because she wanted to give her father a perfect family that it ended up like this, Yingluo.

she wouldn't do it again in the future. yingluo, she wanted zhou meilin to pay the price!

her heart was filled with hatred.

zhou meilin heard it and clenched her fists tightly. she said to pei huan, " " see, your father's corpse has yet to turn cold, and this b * stard is already trying to snatch our pei family's assets. "

PEI Huan placed her fingers on the back of Zhou Meilin's hand. mom, I'm here. She can forget about it!

The moment she finished speaking, she met PEI Qiqi's gaze. PEI Huan's heart turned cold, and so did Zhou Meilin.

This b * stard's gaze was already uncomfortable in the past, and now, it made people shiver even more.

pei qiqi ignored them and closed her eyes. then, she bowed respectfully to pei minghe three times.

father, i will definitely protect the pei family and everything you have won.

she would take away everything that zhou meilin wanted!

A week later, in the PEI family's conference room, the PEI family's higher-ups were seated. Most of them were the founding members who had fought with PEI Minghe in the past!

Zhou Meilin sat at the head of the table, wiping her tears and sighing, " old PEI left early, and you guys have been with them for many years. I don't know much, so I'll need your help in the future!

although the pei family was not doing well now, they were still alive. besides, they could not give up this piece of land no matter what.

zhou meilin wasn't stupid. many big companies were now eyeing the pei family. no, it was this piece of land.

she was only waiting for the right opportunity and the right price to sell the company.

Then, she would take the money and run far away.

The directors were touched by her emotional performance and nodded in agreement. yes, yes. Old master PEI used to treat us well. We will definitely support the company now!

zhou meilin was comforted and forced a smile, " then i'll leave it to you guys! "

This idea was PEI Huan's.

the company couldn't be delayed for too long. he had to first stabilize these people and secretly find a buyer. once he had the chance, he would sell the company so that pei qiqi, that little b * tch, wouldn't cause trouble.

Just as Zhou Meilin was daydreaming, the door to the meeting room suddenly opened.

pei qiqi and two lawyers entered.

zhou meilin's expression immediately changed.

Chapter 209

209 counterattack, torture the old woman to death (2)

PEI Qiqi looked at the people in the meeting room. In the end, her gaze landed on Zhou Meilin and she said lightly, "Auntie, I think you don't know dad's will!

Zhou Meilin's expression changed, but a moment later, she sneered, "your father passed away, so I should be the one taking over the company. Is that wrong?"

PEI Qiqi inched closer to her and looked into her eyes. Then, she said word by word, "so you angered dad to death so that you can get dad's company!

"PEI Qiqi, you're spouting nonsense!" zhou meilin couldn't sit still anymore. she raised her voice, "get the security guards to drive her away!"

PEI Qiqi's eyes were cold as she threw a stack of photos on the meeting table. With a "pa" sound, the photos scattered everywhere.

"aunty, after looking at this, let's discuss if it's you who's leaving the company or me!" pei qiqi sat at the back and looked at zhou meilin coldly.

zhou meilin looked at the photos scattered all over the table and was stunned. then, she saw a photo of herself and rong lei.

Her fingers trembled. this isn't real. These are synthesized! PEI Qiqi, you ungrateful thing, you colluded with outsiders to harm me!"

"really, auntie? Do you need your gigolo, Yingluo, to come over personally for you to admit it?" pei qiqi took out a recording pen from her pocket and pressed it. suddenly, a voice came from inside.

that voice, even if turned to ashes, could be heard. it was zhou meilin's ...

"That dead man is at home, he can't go anywhere Yingluo, don't stay in the car, let's go drive.| In the room!

then, there was the sound of a man and a woman doing it, and a hoarse male voice,'what are you afraid of? this is the exciting part, Yingluo.'

she couldn't bear to listen to the rest of the story. what good could an old woman and a pretty boy do?

Zhou Meilin's face turned red and white, and she couldn't speak for a long time.

As for the elders, they looked at each other and did not say anything.

Poor old man PEI, a good man all his life, was actually taken away by a cheap woman. the person was trampling like this!

pei qiqi looked to the side, " lawyer zhang, can we announce dad's will now? "

No one objected. PEI Qiqi became the successor of the PEI family, Wanwan.

zhou meilin cried and screamed for a long time before she was thrown out by the security guards.

an hour later, pei qiqi was sitting in pei minghe's office. she reached out and touched the things that belonged to him.

a girl knocked on the door. " boss pei, i'm old mr. pei's secretary. you can just call me xiaowen. "

pei qiqi forced a smile, " okay. little wen, bring me the documents from the company. "

xiaowen thought for a while before saying, " boss pei, you're still very young. wanwan's situation in the company isn't too good now. should we hire a professional manager to manage the company? mr. pei had intended to do this in the past. "

pei qiqi knew she meant well. xiaowen was a few years older than her, but wanwan ...

please manage the company. The company will never be able to grow. In less than a year, those people will persuade me to sell PEI corporation's PEI Ge Ge. PEI Qiqi knew that many of those management companies were independent from big companies. Sometimes, as she managed, she would swallow up PEI Ge Ge Ge.

Xiaowen nodded. that's good, but there's a lot of rustling.

in the end, she brought over a stack of documents that was about half the height of a person. pei qiqi couldn't understand it at all. but even so, she still forced herself to continue reading.

it was already 10:30 pm when she returned to xia city.

As soon as she entered, she saw Tang Yu sitting on the sofa in the living room with a Business Magazine in his hand.

PEI Qiqi slowly closed the door. Tang Yu raised his head and looked at her. Then, he asked calmly, " I heard that you became the CEO of the PEI Corporation? "

Chapter 210

210 Do you love me?(1)

PEI Qiqi stood there and didn't move for a long time. Then, she slowly said, " do you object? "

Tang Yu was still sitting. He just raised his eyebrows, " what about your studies? "

in fact, he did not agree with her taking over the company directly. she was still young and inexperienced, so she could not manage a company well.

moreover, he couldn't bear to see her suffer so much.

PEI Qiqi lowered her eyes, " I want to drop out of school!

Tang Yu's brows furrowed even more. He looked at her and didn't say anything for a long time.

PEI Qiqi bit her lip, "it's just a year off. When the company is on track, I'll go and finish it, okay?"

Seeing that he didn't say anything, PEI Qiqi walked over and knelt down. She took the initiative to lie in his arms and said in a low voice, "Tang Yu, I can't let dad's life's work go to waste.

Her small hand hung around his neck, and her voice became even softer. I know you're doing this for my own good. I hope Hanhan is fine, but I have no choice!

she even lifted her head and kissed his chin. "okay?"

tang yu lowered his head and looked at her. he didn't show much of an expression on his face, but she was a little nervous inside ...

pei qiqi didn't know what she was feeling right now. she had nothing left. all she could do now was hold on to tang yu. the only man who could give her warmth.

she was like an injured little beast, despairing and lonely.

Tang Yu's fingers gently caressed her long hair. Then, he bent down and placed his handsome face on her cold little face. His voice was hoarse, "Qiqi, why don't you let me help you?"

she froze for a moment, then her small hands tightened a little, and she pressed her face closer to his arms.

then, she said in a very soft voice, "because i'm afraid to get used to it!"

tang yu didn't make a sound. these past few nights, she didn't sleep well at all. or rather, she didn't sleep at all.

sometimes, when he woke up and found that she was not in his arms, he would put on his clothes and go to find her.

often, she would curl up in the bathroom, squatting there and doing nothing, holding the music box in her hand.

He remembered that it was a gift from PEI Minghe.

She could just sit there all night, holding that thing in a daze.

he didn't force her because he could understand the feeling. he just picked her up and said, "qiqi, time to sleep."

pei qiqi had developed a habit. when she was sleeping, she would hug him and call him 'dad'. this was a huge test for tang yu.

he was a mature man and also had jade-like desires. she was buried in his arms like this, and he would inevitably want her, but she was so sad and called him father ...

How could he continue?

He was often the one who kissed her and then ordered her to sleep.

She had lost a lot of weight in just one week.

Tang Zheng caressed the little person in his arms. why are you afraid? ”

PEI Qiqi closed her eyes and didn't say a word. She just hugged him tightly. Tang Yu didn't know, he didn't know anything!

She did not dare to let him know!

she was full of sins, and every moment she was with him, she was in shock and fear.

She had nothing to lose anymore. She was afraid of having it, because the feeling of losing it was too despairing.

PEI Qiqi moved her little face to his neck and bit it, ” Tang Yu, don't treat me so well. Really, don't treat me so well. I can't afford it!

she had said this many times, but this time, she was in utter despair.

” i didn't ask you to return it, pei qiqi, ” he cupped her face and looked at her carefully and seriously. he said word by word, ” when you're 22, we'll get married! ”
