

Thank you 2021

Chapter 2021: This is your brother's good deed (3)

” look, this is the aura of a wealthy family. zheng xinyi is far from it. ” There were also people who secretly said this, and many people also agreed.

However, Xue ‘er didn’t care about this. She quickly disappeared into the teaching block’s corridor. zhou chongguang’s expression was unsightly as he left slowly. zheng xinyi, on the other hand, stood on the spot in a daze, embarrassed.

it turned out that she had returned to first place because tang xue ‘er had backed down, not because the school valued her. how ridiculous was that?

At this moment, Zheng Xinyi knew the importance of power. One day, she would also climb to the top of power.

xue ‘er walked out of the school, hailed a taxi, and arrived at boyi’s headquarters half an hour later.

All of Bo Yi’s employees knew her, so they naturally sent her up personally.

When Gu ze saw her, he was a little surprised. Then, he smiled and said, ” “Chairman ye is in a meeting. Do you want to wait in the office?”

xue ‘er looked at him and her voice was a little stiff. ” i want to see him now. ”

with that, she walked to the door of the meeting room and pushed it open.

Gu ze did not stop her because the consequences would be even worse if he did. It was obvious that the Tang family’s little ancestor was about to get angry.

xue ‘er pushed the door open. ye muyun was in the middle of a meeting. when he saw the little person at the door, he was clearly stunned.

after that, boss ye was in a daze. his secretary reminded him softly, ” “chairman ye?”

Then, her strict and impartial CEO ye stood up and said lightly, ” “Manager Fang, please continue with the meeting.”

With that, he walked towards the door, pulled her over with one hand, closed the door with the other, and closed the gossip eyes in the room.

“Why are you here?” The young CEO ye held his future wife in his arms and walked leisurely to his office. They met many people along the way and could see how gentle CEO ye’s expression was. This was completely different from CEO ye’s Iron Fist in the company.

xue ‘er’s face was tense until he brought her into his office and let her go. she couldn’t help but say, ” “what’s going on with glory enterprises?”

Ye Muyun was pouring tea. Hearing her words, he smiled slightly.”Why are you asking this?”

he still poured the water unhurriedly and handed it to her with a deep gaze, ” “You seem to have rushed over. You’re not even going to class?”

yes. he suddenly nodded in understanding. there’s no need to attend this class, indeed.

Xue ‘er’s heart heaved up and down. She looked at him and said slowly, ” “I’m not talking about this.”

“It sounds like you’re different from before.” Ye Muyun looked at the cup in her hand and said in an indifferent tone, ” “drink the water in the cup first.”

It was rare that Xue ‘er did not listen to him. She still looked at him directly. I don’t want to drink.

” what i want to know now is, are you acquiring glory enterprises? ” xue ‘er pursed her lips and asked in a low voice.

ye muyun held a cup in his hand and looked straight at her. his voice was calm. ” yes, gu ze was busy with this. what’s wrong? ”

Xue ‘er’s eyes widened when she saw how casual he was. She stared at him and asked, ” why do you want to deal with him? ”

“him?” Ye mu Yun smiled lightly. He sat on the sofa and looked at Xue ‘er with a smile.”Why should I deal with him?”

xue ‘er’s face was still tense. ” you know it in your heart. ”

“i don’t understand,” ye muyun’s voice was calm. ” acquiring rongguang was my decision, but this isn’t a personal decision. i’m considering it from the group’s strategic perspective, hm? “

Chapter 2022: The little thing is easy to coax (1)

Xue ‘er couldn’t find any fault with what he said. She bit her lip. can you not take it? ”

“you don’t want to buy it?” He smiled faintly. of course I can, but for the sake of the company’s interests, I’m not allowed to do that.

Xue ‘er’s attitude softened. She slowly walked to his side and reached out to hug his arm. brother, just think of it as doing this for me, okay? ”

Ye Muyun looked at her deeply, but his voice was very soft. do you think it’s appropriate to beg me for someone else? ”

as he said that, he pinched her little face lightly, but he did not show any signs of anger.

xue ‘er turned her face away. ” you clearly know that it’s not like that. ”

“then what is it?” There was a tension in his voice that made her afraid. “Is it because of a guilty conscience?”

She turned her head again and looked at him with wide eyes.

she was no match for him. he had caught her weakness and coaxed her with a few words. "be good. this isn't child's play. i didn't make the decision to acquire rongguang alone."

Xue 'er had a look of disbelief.

ye mu yun looked at her and smiled. he suddenly walked to the desk and pressed the internal line."gu ze, come over for a moment."

In less than two minutes, Gu ze came over.

"explain to her the process of the company's decision to acquire rongguang." ye mu yun's voice was faint.

Gu ze smiled. I suggested it. Then, Gu ze came up with a story. In short, it was flawless. Even ye Muyun couldn't help but look at him again-it was Gu ze's loss not to go to the Chinese film Academy.

Xue 'er was stunned. Did she blame him wrongly? it wasn't her brother's idea to buy Rongguang?

Her little face was a little stunned, and she did not come back to her senses for a long time.

Ye Muyun motioned for Gu ze to leave first. After the door closed, he got up and pulled the little girl into his arms. are you not angry anymore? "

Xue 'er's expression was still a little dazed, and she only spoke after a long while, " "Then can Yingluo?"

She was not confident enough, so her voice was soft.

"Baby, I can't," he sighed.

he rubbed her long hair and said in a hoarse voice, " "Be obedient, okay? this has nothing to do with you. The business world is cruel, the strong eat the weak."

she didn't have any more room to say anything. she couldn't make a fuss in the company because of this. although she was young, she knew this.

She had wanted to leave. She didn't care where she was going. She just wanted to leave.

However, since she was already here, how could he bear to let her leave?

"let's have lunch together. i'll send you to school in the afternoon. Hmm?" he pinched her little nose. " so angry. "

xue 'er was not too happy about going to school. she snorted."I've offended someone in school."

he naturally had to ask. after she said it, ye muyun smiled lightly. " if you don't want to see anyone, tell brother. "

"It's not that serious. It's just that I'm a little too arrogant, aren't I?" She looked up and asked him eagerly.

“it’s only right for our xue ‘er to be arrogant.” he stroked her long hair and chuckled.

As he spoke, he held her little face and kissed her. It was a gentle kiss at first, but then it became a little fierce. She stumbled and fell on the sofa, and his body quickly covered her.

He was only wearing a shirt, and when he was pressed against her, his body was so hot that she wanted to jump up. What happened just now made Xue ‘er really not in the mood to kiss him, but no matter how she resisted, she could not resist his dominance!

Chapter 2023: the little thing is easy to coax (2)

This kiss slowly changed its flavor.

at first, xue ‘er resisted, but later, her delicate white arms hooked around his neck, and her little feet curled up in embarrassment. it was tender and extremely alluring.

“Xue ‘er, I can’t take it anymore.” At this moment, other than his desire for her, there was also a lot of darkness in his heart.

He was afraid that one day, she would realize that he was not as perfect as he looked. At this moment, he wanted to have her like crazy. He wanted to have her. She would be his in this generation.

however, she was still too young, and he couldn’t bear to let hanhan go. it was just that they didn’t make it to the end. they were just one step away from it, and they were just on the sofa in this office.

the coffee-colored sofa was a mess, and it was almost unsightly.

xue ‘er closed her eyes and panted, not daring to look at him and her.

Ye mu Yun wasn’t any better off. His breathing was chaotic as he exhaled with difficulty. He carefully held her in his arms and buttoned her buttons one by one.

Xue ‘er was nestled in his arms, biting her little mouth. When she called him, it was a little seductive. brother.

he knew that she wanted to beg him again, so he smiled. ” “other than this, i can agree to anything else.”

Xue ‘er lowered her head and said after a while, ” “i know.”

he didn’t agree, so the little girl didn’t feel happy at lunch either, but she didn’t beg anymore.

In the afternoon, he personally sent her to school. She didn’t know that while she was going to the classroom, ye Muyun went to Wanwan’s office.

When Xue ‘er went to the classroom, everyone’s eyes were a little strange. She walked to her seat without care. She would draw when she needed to draw and sleep when she needed to sleep, just like before.

“No one else has such mental strength.”

this is a natural tsundere. Zheng Xinyi is still far away. one of the female classmates laughed at zheng xinyi's wishful thinking. why couldn't she just let it go and go against tang xue 'er for zhou chongguang?

no matter how outstanding zhou chongguang was, he would not marry someone like zheng xinyi. men were still visual animals, and someone like zheng xinyi was not even worth looking at.

now that she had offended tang xue 'er, they guessed that zheng xinyi would probably not be able to survive in school.

zheng xinyi was called to the teacher's office. when she came back, she was furious.

Because the school's leaders actually wanted her to stay a grade. The point was that she was only in the first grade, where could she stay?

to put it bluntly, he wanted her to avoid tang xue 'er and not make her feel uncomfortable.

Repeating a year was the gentlest way. If she didn't want to, she would face expulsion.

Zheng Xinyi had been angry before and had made a fuss in the office, but it was all useless. No one listened to her.

when she saw tang xue 'er lying there and drawing, she was furious. she walked over and said coldly, "are you satisfied now?"

Xue 'er raised her eyes and looked at her.

Zheng Xinyi sneered. I'll keep one grade. Are you satisfied?"

xue 'er roughly understood, but she didn't express her goodwill towards zheng xinyi. instead, she chuckled. "i've never liked zhou chongguang. i really don't know where your hostility towards me comes from. "

“If you don't like him, why did you send him to the infirmary?” zheng xinyi asked a little aggressively.

xue 'er lowered her eyes. "have you forgotten? you were the one who dragged me to watch the ball. otherwise, i wouldn't have been hit by the ball. "

the people around them looked at zheng xinyi with a strange gaze and whispered.

Zheng Xinyi's lips were trembling.

Chapter 2024: The little thing is easy to coax (3)

“If you want to make use of others, you have to pay the price.” xue 'er looked at her. "you didn't take all the advantages and still cry for injustice, right?"

zheng xinyi glared at her fiercely. "so, this is your true colors. "

“What true face?” Xue ‘er mocked, ” do you think that I’ll count your money after you’ve sold me? is that what you call pure and kind? ”

as she spoke, xue ‘er packed her books and went out with her bag.

She walked straight to Zhou chongguang’s classroom. She wanted to find Zhou chongguang, not for any reason, but just to clear things up with him.

There had never been anything between them. She would bear the burden of what should be borne, but she would not admit what should not be.

But Zhou chongguang had resentfully dropped out of school.

When Xue ‘er received the news, she was a little surprised. She stood in the corridor for a long time.

She knew that if Boyi made a move, Rongguang wouldn’t be able to protect Yingluo.

Although her brother had said that this matter had nothing to do with her, she still felt uneasy and guilty.

Zhao Ziyi looked at Xue ‘er, his voice slightly cold. don’t go looking for him. You’ll only bring him harm.

xue ‘er was stunned for a long time before she looked up. ” he doesn’t want to learn the piano anymore? ”

“If I can’t keep Rongguang now, I won’t be able to go to New York to learn the piano.” Zhao Ziyi sneered.

“i know.” “Thank you for telling me all this,” Xue ‘er said in a calm voice.

zhao ziyi looked at her back and pursed his lips, but he still didn’t tell her the truth.

Beside him, a figure appeared. It was Zhou chongguang, who had disappeared, and he was holding a paper box in his hand.

“Thank you, Ziyi.” zhou chongguang’s voice was a little faint, and his gaze fell on the young girl in the distance.

Zhao Ziyi looked at him, his voice tense,”are you still thinking about her? Why didn’t you tell her that you went to new York? that’s why Rongguang is being suppressed.”

“Is there any use in telling me?” Zhou chongguang laughed helplessly. Ziyi, you don’t know how ye Muyun handles things. If you continue to pester her now, Rongguang’s death will only be worse.

zhao ziyi gritted his teeth and said word by word,”tell her that there’s another situation where she can stop ye mu yun.”

“I can’t stop it, including her!” Zhou chongguang laughed. the plan to acquire Rongguang has already been implemented. The starting capital should be in the billions. Even ye Muyun himself can’t treat it as child’s play and stop the acquisition just because he said no.

That man, if he wasn’t ambitious, how could he stand at such a height at the age of 20?

zhao ziyi was silent.

zhou chongguang patted his shoulder and said, “thank you for today.” In the future, don’t say anything in front of her. It’s me who caused this.”

“chongguang, you?” Zhao Ziyi didn’t know what to say.

Zhou chongguang closed his eyes. Ziyi, look at how sunny it is outside. It can’t be that there’s no other way out.

He opened his eyes and looked at Zhao Ziyi, “I will have a way.”

Even if he had to sacrifice everything, even if he had to destroy the dream in his heart, he would not be able to give up on his family.

he couldn’t care about anything else now. if he stood at the same peak as that man, would he not be forced to give up his dream and the girl he liked?

zhao ziyi looked at him and forced a smile, chongguang, I hope that you can play the zither again one day.

“I will.” zhou chongguang laughed softly. ” i will, ziyi. ”

after he finished speaking, he walked towards the other side. his direction was completely different from xue ‘er’s, and he walked further and further away!

Chapter 2025: The little thing is easy to coax (4)

In the top floor office of Boyi, ye Muyun sat behind his desk. He raised his hand and looked at his watch. He said to the Secretary in a calm voice, “Let’s get off work.”

the secretary was smart and smiled. ” “CEO ye, you can buy a bouquet of flowers. Little girls like flowers.”

Ye mu Yun looked at her and didn’t say anything.

the secretary took out his phone and shook it. ” i know a florist that has a pretty good bouquet. i’ll order it. can you take it when you get off work? ”

Ye mu Yun didn’t think and directly said, “Alright,” he said.

However, he still personally chose a bunch of lily of the valley. The Secretary placed the order. it’ll be ready in half an hour. It’s just nice that CEO ye is driving over now.

ye muyun took his coat and went out of the yun nation. the secretary followed him out and closed the door. hearing that president ye was on the phone with the little girl, he went into the elevator on the other side.

Ye Muyun dialed Xue 'er's number and the other side picked up very quickly. brother.

“Where are you? i'll go pick you up.” his voice was very gentle, and there was a faint smile on his face.

Xue 'er lay on the bed and ate an Apple. She slowly hummed in agreement, and her voice did not sound strange.

ye muyun hung up the phone with a faint smile and walked out of the elevator.

When the car arrived at the flower shop, the shop assistant had already wrapped the flowers and handed them to ye Muyun. She smiled and said, ” “Lily of the valley is very suitable for young girls.”

These words probably pleased ye Muyun. He smiled faintly and put the flowers in the front passenger seat. When he started the car, he turned his head and looked at it for a while, the corners of his mouth curved up.

the sports car drove back to pei garden, and he got out of the car with the flowers. aunt li came over and said softly, ” “You came back so early in the morning. What happened?”

auntie li was usually very concerned about the couple's affairs, so she couldn't help but be a little worried ...

they were about to get engaged, would there be any more trouble?

“I'm fine.” he comforted auntie li with a faint smile and went upstairs. when he reached the door of her room, he looked at her two little feet swaying in the air.

the little person was lying on his stomach and reading a comic. on the bed sheet, there was a freshly gnawed apple core.

he laughed and walked over to lie down. he directly covered her from behind and kissed her ear. ” what are you looking at? ”

“it's nothing!” The young girl immediately moved the comic book in her hand down and pressed her body against it, not letting him read it.

ye muyun smiled. he held her down with one hand and reached for her book with the other. her book was under her body, so the process was hard to explain.

in the end, she gave in and begged with a red face, ” “Big brother Yingluo”

she took the comic over for him to read.

ye mu yun sat up and placed the flowers in her arms. he flipped through the comic with an indifferent expression and asked indifferently,”Do you like it?”

Xue 'er looked at the flowers in her hand and was a little dazed. In the past, he would always give her food, small cakes, desserts, and so on. She did like them.

when she was eating, he would always be by her side watching. this was the first time he had given her flowers like this.

She couldn't tell if she liked it or not, but she felt that their relationship was different.

They had lived together for more than ten years. A long time ago, she was like his possession. Now that they had suddenly become fiancé and fiancée, she had not adapted to it, but he seemed to be adapting well.

xue 'er held the flowers and sat on the bed. he was right beside her, holding the comic in one hand and placing his other hand on her shoulder. he tightened his grip and she fell on his shoulder.

Chapter 2026: His proposal (part one)

“you like to watch this?” he asked softly, ” men and men? ”

Xue 'er hummed in acknowledgment. She didn't think about anything else and didn't notice that the man's eyes had become Wolf-like.

“then can you tell me what's going on between a man and a woman?” he asked her with the attitude of a superior.

xue 'er was a little dumbfounded. she looked on, unable to say a word for a long time.

“you can't even understand men and women, and you're still looking at men and men, huh?” He suddenly put down the comic in his hand and looked at her.

Xue 'er was not convinced. She pouted and hummed softly, ” “Then how did you know?”

“Of course I know.” he lowered his head and looked at her. ” do you want to try?
”

the voice was very light, but it had a tension. xue 'er was a little scared and stuttered, ” “I don't want to.”

She knew that he had done his best by giving it a try.

although they used to sleep on the same bed and he liked to kiss and gnaw at her, they didn't do it to the end. she heard that the first time would be very painful.

xue 'er's face suddenly turned pale. she bit her lip and looked up at him for a long time before asking in a low voice, ” “Brother, will you accept our engagement?”

she couldn't finish her sentence because it was too embarrassing.

Ye mu Yun was also stunned for a moment. He didn't expect her to ask so directly.

after a moment, he lowered his head and kissed her small lips. his voice was slightly hoarse. ” baby, don't you want me to do this? ”

she didn't say that she didn't dare to. she lay in his arms for a long time before asking, "Will it hurt a lot?"

Ye Muyun was stunned again, then smiled lightly. the first time will probably be very painful! but i'll be gentle."

Xue 'er looked up, her little mouth almost bleeding from biting. you don't know how to either? "

Ye mu Yun's gaze became unfathomable. He held her little face, not allowing her to escape.

He looked into her eyes and asked softly,"baby, do you want me to do this with someone else?" i'll teach you when i'm more experienced, okay?"

she shook her head without thinking, desperately shaking her head. she hugged his waist and said in a low voice, " that's so dirty. "

He laughed happily and coaxed her naughtily. so if I'm not dirty, does that mean that the baby is willing to do anything? "

Xue 'er looked at him in a daze, not understanding what he was saying.

then, president ye leaned into his future wife's ear and naughtily taught her. the little fool listened for a while before covering her ears and refusing to listen. he was too bad.

Ye Muyun smiled even more happily. He rubbed her hair and called her little fool. He couldn't help but press her down and kiss her for a while.

In the end, he still took into account that she was too young and did not touch her. When the two of them lay on their sides, he rubbed her small head and said in a gentle voice, " let's go out to eat later. I've booked dinner.

His fingers gently rubbed her little hand. let's go pick a pair of rings together, okay? "

Xue 'er's heart was beating a little fast, and she looked up at him in a daze.

she still felt a little unreal. mom and dad weren't around, and he was the one who decided all these things.

However, she couldn't refute him. Perhaps, she was still a little happy.

In the midst of her happiness, she still felt a little uneasy. She asked in a small voice, " "Is there any hope of returning to Rongguang's matter?"

she even coquettishly hugged his arm and shook it gently. " "Big brother."

Ye Muyun's eyes were deep as he looked at her small face and smiled. if it's possible, I'm willing to make you happy too. But this matter isn't something I can decide on my own.

Chapter 2027: his proposal (2)

He pressed her small head into his arms and kissed it. be good.

"Then what will happen to Zhou chongguang if Rongguang is acquired?" Xue 'er buried herself in his arms and asked with some difficulty.

actually, she knew that she shouldn't have asked. if she did, zhou chongguang's life would be even worse, but she still couldn't help but ask.

After asking, she looked at his handsome face in a daze.

ye mu thought for a moment before answering her. his tone softened. "it won't affect him too much. if rongguang is acquired, he'll naturally get a sum of money. the zhou family will also be able to live a carefree life. "

Xue 'er let out a long breath. If that was the case, she would feel less guilty.

She wasn't very familiar with Zhou chongguang, but she was always involved in it. She still didn't want him to be too miserable.

"really?" She was still worried, so she asked.

"when have i ever lied to you?" he smiled and asked her in return.

"oh," xue 'er replied, and did not say anything else.

he pulled her up. " alright, let's go out and eat. "

the clothes she was wearing were also suitable, so he didn't waste any time and directly carried her into the car.

Xue 'er thought that he would take her around first, but she didn't expect him to go straight to the restaurant.

Sitting in the empty dining room and having a candlelit French meal, no matter how stupid she was, she knew that he had carefully prepared this. Her little heart started to beat a little faster.

"Do you like it?" He placed a red rose near her nose and leaned against her back. He covered her eyes with his palm. guess what I'm going to give you now?
"

Xue 'er's heart was beating very fast. She had probably guessed what he wanted to do tonight, but, but he didn't say anything about Yingluo. Furthermore, she had just experienced those things during the day, so she was feeling a little complicated now.

Her entire body was curled up in his arms. She couldn't see anything in front of her, only the warm breath on his palm. It was as if there was only ye mu Yun left in the whole world.

At least, in her world, it was.

"i don't know." her voice trembled slightly, and he immediately guessed that she actually knew.

his baby had never been stupid.

ye mu yun smiled. one hand was still covering her eyes while the other had already opened the brocade box. he took out a plain white gold ring from inside and slowly put it on her hand.

he did all this without asking her if she was okay, but he did it directly, just like how he usually did to her.

xue 'er didn't struggle. when that cold ring was held between her fingers, even at her young age, her heart was slightly stirred.

“Baby, I'm proposing.” He didn't let go of her eyes. He only held her small hand and whispered in her ear.

xue 'er bit her lip and said in a flirtatious voice, ” “You didn't ask for anything at all!”

there was an accusation in his voice.

ye muyun chuckled and let go of her eyes. he leaned on the table and looked down at her. ” baby, do you want me to beg you again? ”

a pair of figures could be seen in the dim light, accompanied by the soft piano music. it was extremely moving.

Xue 'er looked into his eyes and suddenly did not want to struggle anymore. She slowly held his fingers and placed her small face on his knee. Just like that, they quietly and beautifully snuggled together.

At that moment, she seemed to understand a lot. She understood his love, understood his long-term company, and understood his persistence for her.

“where's your ring?” she asked in a soft voice.

Chapter 2028: his proposal (3)

ye muyun's eyes were deep. after a long while, he took out a male ring from his pocket. it looked like a pair with hers.

he gently placed it in her small palm, as if he was giving his life to her.

Xue 'er looked down for a while, then looked up at him again, and then put it on for him very seriously.

after putting it on, she said in a low and messy voice, ” “In the future, you have to treat me better and not bully me! Also, I'm afraid of pain Yingluo.”

The young girl stood up and stood in the middle of his body. He leaned against her, so they were much closer. As she spoke, she tiptoed and kissed his chin. Finally, she moved to his lips and said in a very low voice, ” older brother, will we be like this forever? ”

it was rare for her to be enlightened and to express her love for him.

ye mu yun's heart was boiling hot. he couldn't describe this feeling.

After a long time, he cupped her small face and kissed her deeply. He kissed her until her small body softened in his arms and she looked obedient.

the kiss finally stopped, but he continued to peck her little mouth and answered her question in a hoarse voice, " i will always be good to you, i will bully you, and i will be gentle and loving in the beginning. "

his idiot wasn't stupid at this time and joked with him, " "you said you bullied me. you said you were gentle at first, but will you become fierce later on?"

Her small hand hugged his arm as she said hatefully.

As her older brother, he coaxed her for a long time. However, he was also very satisfied with teasing her like this.

in the end, the candlelight dinner was completely ruined. she was carried to the table by him, nibbling and kissing yingluo until she couldn't take it anymore.

as for the pianist, he had already left the room.

Tonight, he seemed to want to give her a good memory. They didn't eat French food. He took her to have skewers, but he didn't give her too much wine. It was only a small glass, but he drank a lot.

after drinking, he took off his coat and only wore a black shirt and casual pants of the same color. he was so handsome that the young girls around him couldn't help but look at him, and after looking at him, they blushed and their hearts beat faster.

Xue 'er drank some wine and felt uncomfortable, so she sat on his lap and ate, enjoying her brother's care. Actually, it wasn't usually a good scene for a girl to stick to him at such an age, but when they were together, it was extremely pleasing to the eye.

of course, he knew that she was like this because she had been drinking. usually, she would avoid him like the back of her hand, but the feeling of being cared for and liked by her ... he really liked it when yueyue let her do this, carefully serving her as if no one else was around.

When they left the barbecue restaurant, he had carried her on his back. The little girl had had some wine and liked to act coquettishly and cutely. It was as if she had no legs, but she was jealous.

ye muyun carried her and walked for half an hour to sober her up. then, he took her to play video games and watch movies.

He was very good at playing the game console. She put on his coat and watched from the side, asking him how long he had played.

it was the first time that boss ye had answered him like this!

xue 'er deeply felt that her intelligence had been insulted, and the people around her were all stunned.

She stood there obediently and pouted. brother, you won't have any friends like this.

he smiled and got down from above, leaning on her side. " i only need you. "

The power of these words was too great, and Xue 'er could not come back to her senses for a moment.

Chapter 2029: his proposal (4)

His words were so powerful that Xue 'er could not come back to her senses for a while. She wanted to ask him something, but he had already dragged her out of the gaming room and walked forward with her in his arms. "Let's go watch a movie."

Xue 'er bit her lips in his arms. "i didn't even get to have a candlelight dinner. i played a few places and i'm so tired, yingluo."

He smiled and looked down at her. did you not have fun? "

xue 'er shook her head and said in a muffled voice, " no, i just feel that something is missing. "

at this time, he was already under the ferris wheel of the amusement park, and she was standing beside him.

After that, the crowd and lights around them seemed to have decreased. The Ferris wheel's lights suddenly lit up.

it was as if such fairy tales were the only things that existed in the world.

the night wind brushed past her small face, and the faint tipsy feeling was blown away. or rather, she had never been drunk that night. she just wanted to get drunk in his arms.

it wasn't that she wasn't happy. she just hoped for more.

And now, he was prepared to give it to her?

with the neon lights behind her and his bright eyes in front of her, xue 'er felt that the whole world was nothing more than this.

" i don't know what it's like for other girls to be proposed to, but i think that because you're my baby, my custard, it should be more grand than others. because no one else can love you as much as i do. " Ye Muyun said something she had never heard before. Then, he slowly knelt down on one leg in front of her.

star moon instantly paled.

he had presented his entire world to her. it should be his entire heart, his entire soul. he had finally given it to her in its complete form. in this dark night, it was just the two of them.

He insisted that she was the only one who needed to know about this.

xue 'er's eyes drooped, her body almost trembling slightly.

They had been together for so many years, but he had never said that he loved her!

she knew that he liked her, that he doted on her, and that he was strict with her, but he didn't know that he loved her hanhan.

She thought that he had already given her what she felt was lacking.

so it wasn't that she didn't care, she really cared about this wanwan.

"Xue 'er, please let me give you everything." He opened his mouth slowly and lowered his head to kiss her slender white finger that was wearing the engagement ring. He kissed her gently, even with a hint of humbleness.

Between them, he had always been the weaker one, and she had never known.

All this while, she only needed to stand there and he would come over and walk to her side.

xue 'er slowly placed herself in his arms and wrapped her fingers around his waist. her voice was a little soft as she said, " i only want you. i don't want everything. i don't want anything else. "

Because, with him, there would be the whole world.

Her words were the best words of love. Ye Muyun trembled and kissed her. Under the Ferris wheel, he kissed her again and again.

The huge Ferris wheel behind him turned slowly, freezing time on this beautiful night.

he kissed the love of his life in the night wind.

in the end, he didn't watch the movie. instead, he brought her to the presidential suite of the GM hotel. at the front desk, everyone saw that president ye had brought the tang family's little princess to the hotel. everyone was a little embarrassed. how old was xue 'er? there were still more than ten days before her birthday, and now boss ye was going to start eating?

however, no one dared to say anything, because mr. tang had already acquiesced to it. it was just that it was still too small, too small ...

Chapter 2030: Her proposal (5)

Xue 'er was afraid. After he carried her into the Presidential Suite, he pressed her against the door and kissed her.

This kind of kiss was different from before. It was urgent and carried a man's desire.

she trembled in fear, but she could not resist him. the kiss became deeper and deeper, and the night became darker.

he kissed her again and again, testing her again and again, just behind the door. except for the last one, he had made her kiss him every time.

it was still not enough. he carried her to the bathroom and wrapped himself around her again. he kissed her thoroughly and forced her to kiss him and do embarrassing things to him.

the young man was about to go crazy. this was far from enough, but he could only do this much. for the last step, he held back and planned to save it for the engagement night.

it was already midnight by the time the crazy party ended.

She put on her bathrobe and lay in his arms. Her body was covered in hickeys that he had left behind, and it hurt a little when she moved.

ye muyun settled it himself. at this moment, he was holding her peacefully and didn't want to sleep. thus, he dimmed the lights and stared at her small face under the warm yellow light.

she slept uneasily and was awoken by his kiss. he bit her little ear and coaxed her gently. " under the ferris wheel, say what you just said again, hmm? "

she was sleepy and uncooperative, but he was really listening, so he tortured her and did not let her sleep.

xue 'er took a small bite on his shoulder. " "You said you'd be gentle, but you were in so much pain."

Ye mu Yun laughed and kissed her little mouth."Baby, I'm not really here yet."

she blushed and buried her head in his neck. " "shameless."

In fact, they were only one step away. They had already done everything else.

her fingers were wrapped around his bathrobe, and she obediently said what he wanted to hear, and even said those three words.

In fact, she didn't know if she felt love for him, but she really didn't want anyone else to tease her. So, this should be love!

she thought that he would let her go after hearing what she said, but instead, she felt her blood boil. he pressed her down and kissed her for a long time, then forced her to go to the bathroom with him again.

Xue 'er was exhausted, crying and shouting that she didn't want to get engaged anymore. Getting engaged was too tiring, Yingluo.

"In the future, I'm the one who's tired, okay? you can just lie down." ye muyun's voice was filled with joy. he said a lot of nice things in her ear and smiled like a spring breeze.

But she couldn't hear him. She only knew how to snuggle in his arms like a little boy, humming and rubbing against him.

that night, he was satisfied. he had the whole world.

she didn't know that he wanted to give the whole world to her and not just him, ye muyun wanwan.

xue 'er slept until 10 am before she woke up. when she woke up, ye muyun was still there. he didn't leave the bed but was just sitting at the head of the bed and using a laptop to deal with work.

She looked at him for a while and wondered if he would feel bored. In his life, other than work, it seemed like she was the only one wasting time.

brother is so pitiful!

Thinking of this, she stuck out her tongue, her expression a little mischievous.

Ye Muyun turned his head to look at her. He closed the laptop with one hand and put it to the side. He carried her to his body with the other hand and kissed her. "What do you want to eat?"

xue 'er bit her lip and leaned on his neck. her little mouth was also behind his ear, and she said softly, " "i want to eat big brother."

What she said was actually just a kiss, but boss ye's mind went elsewhere.

His gaze was completely frozen as he stared at her small mouth. Then, he touched it with his fingers and rubbed it gently. do you really want to eat it? "
