

Thank you 2071

Chapter 2071: Mu Yun, don't be rash (2)

Ye mu Yun looked at her without any expression on his face. In just a moment, he was shocked.

His fingers held onto Xue 'er's hand until she was in extreme pain, but she did not make a sound and let him hold on.

after a long time, ye mu's face was filled with killing intent.

Xue 'er walked over and hugged him from behind. She only hugged him and buried her face in the back of his neck.

“xue 'er, did you take pity on me last night?” His voice was low.

xue 'er shook her head behind him, her voice soft, ” “No, no.”

She tightened her arms and muttered, ” “that's because i want to be with you.”

or rather, qin mu's incident had dealt her a huge blow. she was in the same boat as him.

mumu was his younger sister, and also her younger sister. furthermore, this person was zhou chongguang, so she had no reason not to worry.

hugging each other like this, ye muyun calmed down. naturally, he had already thought of a hundred ways to kill zhou chongguang.

However, Xue 'er hugged him and said in a low voice, ” think about Mumu! Can Mumu withstand such a blow?”

even if he didn't say it, she already knew that he wouldn't be able to tolerate zhou chongguang. the methods he used were probably not honorable either. xue 'er didn't care about these things at this moment. she only cared about qin mu.

“Mu Yun! I'm not helping Zhou chongguang to convince him not to die!” She made it very clear, ” you can't take the risk.

ye muyun's voice had never been so helpless and fragile before. he let her hug him ...

how many times had she relied on him? how many times had he used all sorts of strength on her? but right now, they were equal, and he needed her comfort.

“Mu Yun, you talk to him and see what he wants!” Xue 'er pressed her face against his, ” “i also don't approve of mumu being with him.”

If Zhou chongguang was sincere, then no one would have any reason to object. But now, no one could hand Mumu over to him.

Ye Muyun heard her speak and reached out to pull her into his arms. After a while, he softly said, ” “alright, i'll talk to him!”

at this moment, he had already given up on purchasing glory.

Right now, Zhou chongguang had indeed won. No one dared to take Mumu's life as a joke.

Xue 'er nodded and called for the waiter to order two nutritious meals, the kind that was quite healthy.

ye muyun reached out and ruffled her hair. " my little cutie pie is more sensible now. "

In the past, she would have protested a little, but today, she did not. She kept hugging him.

After a long time, ye Muyun laughed. Xue 'er, I'm not that fragile. hurry up and eat."

Oh, " she replied and sat down to eat in silence. The atmosphere was quite dull. After eating, he sent her home first and drove back.

he was always worried about mumu, who was his biological sister.

The taxi at that restaurant closed at ten O 'clock, and Qin Mu stayed there all the time. Ye Muyun was annoyed when she saw this. No wonder Mumu's tuition class ended so late. It turned out that she came here.

in that case, qin mo would be an accomplice.

however, no matter how angry he was, he had to hold it in as he watched qin mu get into zhou chongguang's car.

he followed her all the way. fortunately, zhou chongguang directly sent mumu to the qin residence's entrance. this also meant that he wasn't avoiding idle time.

Ye Muyun's car was parked a little far away. After seeing Qin Mu get out of the car and walk into the Qin residence, he opened the car door and got out. He waved his fist and walked towards Zhou chongguang."bastard!"

zhou chongguang retreated a few meters before he managed to stand.

Chapter 2072: mu yun, don't be rash (3)

in the dark night, zhou chongguang revealed a slightly evil smile. " ceo ye is also doing stalking. "

his tone was indifferent as he reached out to wipe the blood from the corner of his lips.

Ye Muyun's fingers were clenched into fists. He controlled himself and didn't make any more moves. He leaned on the front of his sports car and looked at Zhou chongguang. what conditions do you want for you to leave Qin Mu? "

Zhou chongguang slowly wiped the corners of his mouth. He had a faint smile on his face. CEO ye is still so high and mighty.

I don't like to beat around the bush. I don't mind not buying Rongguang. I can even make Rongguang better than it was before. Ye Muyun squinted at Zhou chongguang. you leave Qin Mu. I'll send her overseas.

He had already thought it through. He didn't have anyone he could be at ease with, except for Xue 'er.

At this moment, in his heart, Xue 'er was not a child who was fooling around, but a little wife who could help him.

zhou chongguang laughed coldly. " what about my father? Can boss ye resurrect him?"

In the dark night, his handsome face was tainted with evil. he died of a heart attack. Yes, his psychological endurance was too weak. He was no match for Chairman ye, who was 30 years younger than him. But his life was gone just like that. Chairman ye, if it were you, would you let the other party off so easily? "

Ye mu Yun's eyes narrowed even more. then what do you want? "

CEO ye has 40% of King Entertainment's shares. zhou chongguang laughed. " i wonder if qin mu is worth this price in your heart, ceo ye? "

"impossible." ye muyun's voice was tense. " zhou chongguang, give up on this idea. "

"Of course, boss ye has another choice." zhou chongguang smiled slightly. " let me have your fiancée. i'll take her overseas. we won't be coming back again. "

he added, " as for everything about boyi, i'm not interested because i've already taken away the most precious thing of ceo ye. "

Zhou chongguang's every word was like a knife, and every blade was fatal. He used the thing that ye Muyun cared about the most to make a deal.

ye mu yun's eyes narrowed and his voice was as cold as ice. "you know i can make you disappear at any time."

Zhou chongguang looked at him and smiled faintly. CEO ye can give it a try.

With that, he opened the car door and drove away.

Ye Muyun didn't stop him. He had listened to Xue 'er's words. At this moment, he really couldn't act rashly, even though he really wanted to kill Zhou chongguang right now.

now, he was in a dilemma as to whether he should tell his parents about this.

he got into the car and drove into the qin residence. ye liangqiu and qin anlan were a little surprised, while qin mu and qin mo were having their supper.

Ye Muyun glared at little Qin mo. Qin mo was a little dumbfounded. He didn't know how he had offended his own brother.

"why did you come back so late?" Ye Liangqiu asked, puzzled.

Ye Muyun smiled and sat beside Qin Mu. He reached out and ruffled Qin MU's hair and said lightly, " "i just happened to pass by."

"where's xue 'er? He didn't come out with you?" ye liangqiu asked. she had already gone to order the servants to prepare a midnight snack for the young master.

When ye Muyun was eating, he was silent and dazed.

no one knew a son better than a mother. ye liangqiu saw his abnormal expression and guessed that he had something on his mind. she thought that he had argued with xue 'er and thought that she would have to explain it to him later, but it wasn't the case.

ye mu yun quietly finished his supper and silently watched the two little ones go upstairs to sleep.

Chapter 2073: I won't leave you (1)

ye mu yun quietly finished his supper and silently watched the two little ones go upstairs to sleep.

he and the qin couple were still sitting on the sofa downstairs, and the servants left after serving tea.

“What's wrong? it's rare for you to look so uneasy.” “xue 'er is young, so you should try to coax her,” ye liangqiu said with concern.

Ye mu Yun shook his head. mom, it's not about Xue 'er.

ye liangqiu felt it was a bit strange. if it wasn't for xue 'er, why would his son be so worried?

She glanced at Qin Anlan and smiled. could it be that our son met another Zhang Xue 'er or Wang Xue' er? then we'll have to trouble you, Zhenzhen.

Qin Anlan smiled as well. After a while, he stopped joking. Muyun, just say what you have to say.

Ye Muyun looked at his parents and took out a cigarette from his pocket. He lit it and took a deep puff.

Mr. And Mrs. Qin looked at each other and knew that this was a serious matter. Their son had never smoked at home.

” dad, mom, mumu is together with zhou chongguang. ” Ye Muyun tried to speak in a calm tone, although his fingers were slightly trembling when he spoke about the details.

Qin Anlan and ye Liangqiu were both stunned.

Qin Mu had always been very obedient. Other than having that illness, he had always made people worry-free. Now that he was actually in a relationship, of all people, it was Zhou chongguang.

The Father immediately gritted his teeth and said, ” it was Zhou chongguang who seduced Mumu, wasn't it? ”

Ye Liangqiu looked at ye Muyun. He didn't deny it.

the three of them were silent.

No one saw Qin Mu, who was standing at the top of the stairs on the second floor. She was listening quietly, and there was a hint of deep thought on her clear and faint little face.

The matter was put on hold because no one dared to take the risk.

when ye mu yun returned to pei garden, it was already late at night.

He slowly walked upstairs. Xue 'er had already fallen asleep, but she didn't seem to be sleeping well, and her brows were furrowed.

he reached out and gently caressed her little face, mumbling, "I won't let you leave me."

Even if he had to lose everything, he would still want to be with her.

After looking at him for a while, he went to the bathroom to take a shower. After he came out, he smoked two cigarettes on the balcony.

he lifted the blanket and lay down beside her. probably because she felt the coldness of his body, she resisted.

however, she was quickly pulled into his arms, and after hugging for a while, they did it again in a soothing manner.

When she woke up, she did not resist and obediently stayed in his arms.

Under the warm yellow light, her eyebrows were delicate, and her eyes were full of deep affection for him.

He couldn't be moved, so he couldn't be gentle anymore. He was so rough that he made her cry.

After that, she cried out that it hurt, and he finally recovered. He lowered his head to look at her and kiss her. For a moment, they felt extremely good.

After they were done, she was so tired that she fell asleep. She laid in his arms, but ye Muyun didn't fall asleep. He half-leaned and his fingers gently stroked her long, fluffy hair.

In the middle of the night, she woke up and looked up at him. older brother, you're still not sleeping? "

I can't sleep, " he said softly.

she buried her face in his neck and hugged his waist with her small hands, looking very dependent.

"xue 'er, i've never felt like i've done anything wrong, but this time, am i wrong?" ye muyun's voice was a little low.

he wasn't a conflicted person, and he never regretted it. but now that it was related to mumu, he really reflected on it. was he wrong?

His mistake, was it because he did not trust Xue 'er, that's why he went against Zhou chongguang?

Chapter 2074: I won't leave you (2)

"It's not your fault!" She hugged him. it's my fault. If I didn't want my freedom, I wouldn't have provoked Zhou chongguang.

Ye mu Yun reached out to hug her and sighed. "Xue 'er, how can you be blamed for this!"

"don't let your thoughts run wild, okay?" he rubbed her.

Xue 'er obediently stayed in his arms. After a while, she looked up at him and said in a soft voice, "you too.

These three words were salvation to him.

He looked at his little cutie, who was so sensible, and soothed the anxiety in his heart.

in the end, he hugged her and coaxed her to sleep. he didn't sleep the whole night.

when the sun rose, xue 'er opened her eyes and didn't see anyone. she immediately lifted the blanket and grabbed the alarm clock to check. it was already nine o' clock.

She ran down in her pajamas and asked Auntie li, " "brother, did you go to the company?"

auntie li smiled. " he went early in the morning. he didn't want to disturb your sleep. he'll wake you up later. "

"Oh," Xue 'er replied and did not say anything else. She slowly walked up the stairs.

Actually, she really wanted to ask ye Muyun what his plans were, but she didn't dare to. After staying at home for a long time, she still called Qin Mu.

it was noon now, and qin mu was eating. however, he didn't sound like he was in school.

"Mumu, where are you?" Xue 'er asked a little sensitively. Right now, she was a little resistant to Qin Mu and Zhou chongguang being together.

she really couldn't accept it. mumu was so small, but she already had a whiny.

qin mu's voice was still gentle. " i'm with zhou chongguang. xue 'er, do you want to come? "

her voice was very light. " by the way, you can get zhou chongguang to play a song for alice for your engagement with brother. He's very good at playing this song!"

xue 'er was speechless for a moment. she was thinking in her heart, did zhou chongguang use this song to deceive mumu? it was as if her throat was blocked, and her heart was also stuffed.

She thought about it and decided to go. She didn't ask the driver to send her, but took a taxi herself.

Fortunately, Zhou chongguang did not bring Mumu to a messy place, but to an elegant restaurant.

Xue 'er walked to the door and walked in slowly. Qin Mu noticed her and beckoned her over.

Her expression was very happy. It was The Look of Love.

xue 'er was a little dazed. qin mu was very healthy like this. it reminded her of qin mu's thin body back then. he refused to eat because of depression. he was on his last breath, and she didn't let go of herself back then.

xue 'er would never forget that blood.

She sat down. Zhou chongguang's gaze was clear and bright, just like the Ray of sunlight that Gu Mei and Qin Mu liked.

sometimes, xue 'er couldn't even be sure if what happened was real or fake!

Was Zhou chongguang sunny or dark?

"i've told chongguang about it. he'll play a song for you when you get married. " qin mu was young, but he was already gentle and sweet-tempered.

xue 'er chuckled and said,"it's still too early to get married. i'm only 18." ""

Her words were meant for Zhou chongguang to hear, which was equivalent to telling him that Mumu was only 14 years old.

She didn't know if he felt guilty or not. She only knew that Zhou chongguang would not let go.

He was like a drowning man grabbing onto a piece of driftwood. How could he let go? the moment he let go, he would be crushed to pieces.

zhou chongguang smiled, then looked at qin mu. " 18 years old is indeed a little early to get married. "

qin mu smiled lightly and stuck out his tongue mischievously. " "i remembered it wrong!"

She was probably embarrassed, so she got up. "You guys chat for a while, I'm going to the washroom."

Chapter 2075: i won't leave you (3)

zhou chongguang nodded at her, looking like he loved her very much.

after they left, xue 'er's face turned cold, and her voice was a little excited. " zhou chongguang, did you know that qin mu is only 14 years old? "

Zhou chongguang smiled and picked up the appetizer on the table. of course! But her body is already like an 18-year-old girl's, isn't it? in fact, she's not inferior to you."

Xue 'er was in a daze for a moment. She looked at the man in front of her. Yes, it was a man, even though he was the boy who carried her to the infirmary two months ago. She said softly, " "You beast!"

Zhou chongguang laughed mockingly,"are you talking about that matter?" Then what about ye Muyun, isn't he a beast? if he isn't a beast, then why are there so many hickeys on your neck?"

He suddenly got up, crossed half the table, bent down to look at her at eye level, and said word by word, " don't tell me that ran ran didn't do it.

xue 'er's little face was very cold, and her voice was even colder, " "It has nothing to do with you!"

zhou chongguang's hand suddenly grabbed her. " tang xue 'er, we'll still be relatives in the future. yingluo, i'll still have to follow qin mu and call you sister-in-law! if qin mu knew that i've always liked the sister-in-law that she respected, what do you think she would think? would she be unable to withstand such a blow?"

"i don't know if she can take it, but i know you're despicable!" xue 'er broke free from his grasp and sneered. " zhou chongguang, don't you know how you look? with the way you are now, do you think mumu will always love you? "

“as long as i want to, i can.” zhou chongguang laughed softly.

xue ‘er’s little face was tense, and her coldness became even colder, ” “then you’d better keep your tail between your legs,”

At this moment, Zhou chongguang suddenly sat down. His face was no longer as evil as before. Instead, he had a faint smile on his face, looking as gentle as Jade.

Xue ‘er’s heart was filled with curses. In the past, she really couldn’t tell that Zhou chongguang not only knew how to play the zither, but also had great acting skills.

she also sat up straight because she knew that qin mu had returned.

“what are you guys talking about?” Qin Mu sat down, propped up his little chin, and looked around. “Xue ‘er, your meal hasn’t arrived yet.”

she looked at the time. ” i probably have to go to class. why don’t i get chongguang to eat with you?
”

“No, let him send you to class.” xue ‘er squeezed out a smile.

Zhou chongguang was noncommittal. He helped Qin Mu up and said goodbye to Xue ‘er, leaving together.

The waiter just happened to send her food over. Xue ‘er was originally not in the mood to eat, but she angrily finished the set meal, and her stomach was full.

Then, she called ye Muyun. brother, I want to go to school.

Ye mu Yun nodded. no one’s stopping you!

“I mean, I want to be in the same school and class as Mumu.” the young girl emphasized.

The other side was silent for a long time before ye mu Yun softly said, ” “Xue ‘er, Are you sure? mumu is only in the second year of junior high.”

Qin Mu didn’t strive to improve in his studies, but he was doing well in the interest classes in every corner. That was why he was still in the second year of middle school. His little wife, on the other hand, had already entered University. How could she go back to the second year of middle school now?

however, since she had said so, he also told her his plan. ” ” xue ‘er, after we get engaged, can i send you and mumu to the United States? can you take care of her for me? ”

Especially before Qin Mu laid his cards on the table with his family, he had to send her away.

xue ‘er was stunned at first, but then she understood, because he would have more work in new York later.

She nodded. alright.

Chapter 2076: Dad is so violent (1)

“very well-behaved.” Ye mu Yun gave a small compliment. if only Mumu was as obedient as you.

xue ‘er recalled something and said softly, ” “Mumu said that Zhou chongguang will play the zither when we get engaged.”

“He’s dreaming!” Ye Muyun spat out these three words. At this moment, Gu ze called him for a meeting, so he said goodbye and told her to go home early.

Xue ‘er obediently hung up the phone and caressed her stomach. She suddenly felt that things were not that bad.

At this time, it was less than a week away from her and ye Muyun’s engagement ceremony. He came back very late every day as if he had been working overtime for a long time. She didn’t ask but she knew that he came back because of Rongguang.

It was easy to go up the mountain but hard to go down. They had made so much in the early stages of the acquisition of Rongguang, but now they had to restore it. They had to spend more energy and money than before.

even if he had not reached an agreement with zhou chongguang, he had indeed returned the glory to zhou chongguang.

After that, ye Muyun made an appointment with Zhou chongguang on her father’s behalf in a private room of a club.

Ye Muyun himself didn’t attend the interview this time because he was afraid that he wouldn’t be able to control himself and beat Zhou chongguang up. He just kept watch outside and smoked about half a pack of cigarettes.

However, he did not expect that his father was even more violent than him. Not only was Zhou chongguang looking for his teeth, but he was also almost looking for his kidneys.

Qin Anlan was really ruthless when he got physical. As a father, he had raised his younger daughter to such an age. No one would want to do it if a beast suddenly appeared.

inside the door, there was a huge commotion. ye mu yun raised his eyes and didn’t pay attention.

He knew that Zhou chongguang did not dare to fight back. That man had the Qin family’s lifeblood in his hands, but he still had to endure this kind of pain.

He knew that as long as he was not beaten to death, Qin Mu would still be his. He could even use his own body to trick him.

ye muyun laughed mockingly. his father couldn’t remain calm. no one could remain calm about this matter.

The door was suddenly pulled open, and Qin Anlan walked out. Muyun, take him away. I’ll teach him a good lesson later.

“you don’t care about mumu’s feelings anymore?” ye muyun laughed.

“That girl doesn’t know anything,” Qin Anlan’s voice was cold. if I don’t kill him today, my last name isn’t Qin! he touched my daughter, let’s see how many lives he has.”

“Dad, you’re becoming more and more like Grandpa!” Ye Muyun sighed.

“You mean that old bastard su Shicheng?” qin anlan frowned, ‘he’s scum! don’t ever mention this person in front of your mother again!”

This hatred was huge!

however, ye muyun didn’t agree with his actions and smiled. ” when mumu finds out, she’ll hate you. why don’t you kill him now? ”

Qin Anlan looked at his son and patted his shoulder. “In truth, you’re more like su Shicheng.”

“i said i won’t mention it.” ye muyun frowned. then, he personally walked into the private room and covered his nose as soon as he entered ...

what a strong smell of blood!

zhou chongguang was lying on the ground, his face covered in blood. his heart was also heaving up and down. ” or you can just kill me now. it’s useless to scare me like that. ”

ye muyun stepped on zhou chongguang’s heart and sneered, ” “Can’t scare you?”

zhou chongguang coughed out a mouthful of blood.”ye muyun, i already have nothing to lose. i don’t have any scruples like you, wanwan!”

Ye Muyun’s foot lightly twisted a few times and Zhou chongguang spat out a few mouthfuls of blood. He looked like he was hanging on to his last breath.

Chapter 2077: Old man, so violent!(2)

Ye Muyun’s voice was very calm. you still have one last chance to choose.

zhou chongguang bent over and spat out mouthfuls of blood. his body was also twitching slightly.

“zhou chongguang, you should have some understanding of me. even if i were to kill you now, it wouldn’t be a big deal.” Ye Muyun squatted down and reached out to Pat Zhou chongguang’s face.

zhou chongguang lifted his eyes. his gaze was a little weak. he looked for a long time and laughed lightly. he tried hard to turn his body over and lie flat. he turned his head and looked at ye muyun. ” you can try. try and see if your baby sister can survive. ”

The veins on ye mu Yun’s forehead were popping out. He slowly stood up. At this moment, he really wanted to kick this scourge to death.

He really did kick him, and he kicked him so hard that Zhou chongguang spat out a mouthful of blood. The entire private room was filled with the smell of blood.

in the end, it was qin anlan who came in and pulled ye muyun. ” “alright! this kid is sure that you won’t dare to kill him, and he also calculated that pestering mumu is his only way out.”

Otherwise, once Mumu was fine, the first thing ye Muyun would do would be to chop Zhou chongguang up to vent his hatred.

Ye Muyun stopped and looked at Zhou chongguang, who was lying on the ground. At this moment, Zhou chongguang had already fallen unconscious. Even if he didn’t die, he only had one last breath left.

“call the ambulance!” Qin Anlan shook his head. he’s really a tough nut to crack. He’s not letting go even after so many beatings!

Ye Muyun was also very annoyed. He scratched his head but still listened to Qin Anlan and made the call.

At this time, it didn’t matter if Zhou chongguang died, but the key was that if he disappeared, Mumu would probably not be able to stand it.

mumu was mocking the only weakness of the qin family!

If Mumu didn’t have that illness, just based on what Zhou chongguang did, ye Muyun would have chopped him up.

the ambulance drove over grandly and carried zhou chongguang to the hospital. the xuanji club knew that it was ceo ye’s doing, and no one dared to make a sound.

qin anlan and ye muyun didn’t leave immediately. instead, they smoked two cigarettes on the spot to calm down.

Qin Anlan patted ye Muyun’s shoulder and advised in a calm voice, ” “slowly! Muyun, why don’t we do this? we’ll send Mumu abroad first, and we’ll teach this kid a good lesson. Do you think Mumu will still like him if he loses a leg or an arm?”

Ye Muyun leaned against the wall and breathed out smoke. Hearing his father’s words, he glanced sideways.”Don’t you understand your daughter’s personality?”

not to mention losing an arm or a leg, even if all the parts of the body were gone, as long as the main body was called zhou chongguang, mumu would still be stubborn!

qin anlan was at a loss for words. after a while, he thought of something and said, ” why don’t we organize a party for mumu and find some young pianists to come over? we’ll find someone like zhou chongguang. ”

Ye Muyun looked at his father. He clearly felt that as he grew older, his IQ was getting worse and worse.

She pursed her lips. Zhou chongguang isn’t dead yet. Why would she like someone else? ”

“It’s a last resort!” Qin Anlan’s eyes lit up. He felt that this plan was feasible.

However, he suddenly thought of something and coughed lightly. do you think Zhou chongguang will tell Mumu that we almost killed him? ”

“i won’t,” Ye Muyun sneered, “ his pride won’t allow him to do that.

Only then did Qin Anlan relax. Ye Muyun couldn’t help but ask his father, ” “Dad, ran ran, have you had a physical examination recently?”

qin anlan still did not understand what was going on. he looked at his son. ” what’s wrong?

Chapter 2078: boss ye’s new hobby (1)

qin anlan still did not understand what was going on. he looked at his son. ” what’s wrong? ”

“let mom accompany you to do a brain CT scan when you’re free! your health is mom’s happiness!” ye mu yun spoke very tactfully.

“you rascal!” qin anlan snorted.

However, he didn’t say anything and just let ye Muyun confirm the engagement.

ye muyun returned to the company and called the company’s public relations manager, lin. she was a beauty.

Manager Lin was a little uneasy. President ye was not easy to get along with, and it would not be good to call him over.

However, she stood in CEO ye’s office for a long time, but CEO ye didn’t say anything. He just rubbed his beautiful chin with one hand and looked at CEO ye’s face. Many young girls in the company were attracted to him, but CEO ye was too cold and was a few years younger than them, who had graduated from specialized courses, so no one in the company dared to have any ideas about CEO ye.

ye mu yun thought for a long time before asking, “Recently, which pianists in the country have been urging me to look younger, no more than 25 years old?”

manager lin was stunned. was boss ye interested in men? and all professions had preferences?

she couldn’t tell and didn’t reply.

“Doesn’t your public relations department always plan events? This should be very clear.” ye mu yun’s voice already had a hint of displeasure.

yes, there are a few who are quite famous, ” manager Lin replied immediately. but, boss ye, do you have any special requirements regarding their looks? ”

ye muyun finally knew that manager lin had misunderstood. he looked at her and said indifferently, ” ” at my engagement party, xue ‘er specifically asked for someone to impeach alice. as for her looks, it depends on her mood. send the photo to my email. ”

Manager Lin understood that this matter had to be done well.

this pianist had to be handsome, but he couldn’t be more handsome than boss ye. actually, how many people could be more handsome than boss ye?

Manager Lin left and sent the list to ye Muyun’s email in less than half an hour.

Ye mu Yun opened it and glanced at it. He still left the decision to his wife.

Xue 'er was also a young lady, so she should know more about her preferences.

After work, he returned to PEI garden. After dinner, he went into the study room for a while, and Xue 'er stayed in bed playing with her tablet.

After he had taken a shower, she was still in the same position.

“won’t your eyes get sore if you keep looking at me like this?” he was wearing a bathrobe and sat beside her. he took the thing in her hand and looked at her. she was playing a game. she was playing until it was a mess, but she still looked like she was enjoying it.

“I’m not done yet,” Xue 'er snorted.

he chose to step back and caught her with one hand. he pressed her into his arms and said with a gentler voice, ” xue 'er, i’m talking to you about serious matters. ”

” ah! ” she exclaimed. did he still have something important to talk to her about? However, thinking about it, it should be related to Mumu, so the little girl sat up in his arms.

he glanced at her, then opened his email. there were photos of several young musicians.

“which one is the best looking?” he looked at her and asked.

“All of them play the piano?” Xue 'er looked through the list.

ye mu yun smiled.

xue 'er bit her lower lip. ” but none of them are as good looking as zhou chongguang. i don’t think mumu will like them. ”

she felt that there was nothing wrong with what she said, but after she finished speaking, ye mu yun’s dangerous voice rang out, ” “you think zhou chongguang is good looking?”

“Yup!” xue 'er’s gaze fell on the photos, and she was still comparing them. she did not realize that the man beside her had already turned into a wolf.

Chapter 2079: boss ye’s new hobby (2)

In the end, she was pressed down. Ye Muyun’s fingers gently caressed her red lips and his voice became more dangerous. is he better looking than me? ”

Xue 'er’s back hurt from the collision, and she glared at him with teary eyes. “If you keep doing this, I’ll say yes.”

“Did I hurt you?” his expression was unfathomable.

she pouted and snorted softly.

ye mu yun narrowed his eyes and looked at her. ” then i’ll be gentler, okay? ”

Probably because of Mumu's matter, although they did have some intimate moments, they did not really indulge in it later on. It was probably because Zhou chongguang was beaten up so badly today that he was happy and interested.

however, xue 'er had been tortured to the point where she would rather die than live. she had been begging him for mercy.

when it ended, it was already a few hours later. she lay in his arms, drenched in sweat, and pointed at a photo. "He will do! he looks a little like huang xuan."

ye mu yun took a look but didn't say anything.

the two of them didn't have the energy to wash up and fell asleep.

in the morning, xue 'er woke up to a kiss.

he opened his eyes and saw ye muyun tying his tie. she turned over and looked at him, her small hand gently hooking his tie. he bent down and kissed her lightly on the lips. "help me tie it, huh?"

As he said this, he pulled her small body out of the blanket and strolled around.

as soon as xue 'er got out of the blanket, she felt that he did it on purpose ...

because she was only wearing a white silk spaghetti strap top, and it was the kind that was very close-fitting, the kind that was very seductive on the body, especially under the morning light, the material was a little transparent.

she knelt down and raised her small face. her long black hair was scattered behind her back, and her small curves rose and fell.

ye muyun's hand held her waist and his voice was extremely hoarse. "you're such a torturous little thing!"

xue 'er bit her lip and suddenly gave up on the tie and hugged him instead. her little hands and feet were wrapped around him, and her soul was gone.

"This is what I call torture." she kissed his chin. her voice was soft and tender, with a hint of pure temptation.

Ye Muyun raised his hand to look at his watch and bit her little ear. "We have to leave in half an hour."

"But if I hurry, I should be able to make it." his voice was a little devilish. then, he picked her up and walked straight to the floor-to-ceiling window.

The White curtains were beautiful, and in a corner, there was a brown sofa. The morning sun shone on it, making it look particularly warm.

Xue 'er was placed on top, and the tie that he had just put on was loosened again.

"Brother, you're never late." She moved her small body in fear and shrank into the sofa.

but the more she acted like this, the more he wanted to bully her, yingluo.

this time, not only did he indulge himself, but he also had a great time.

when it ended, he was naturally late.

ye carried his little girl back to the bed and kissed her forehead. he smiled and comforted her, " you can sleep more. in the afternoon, you can discuss the engagement with mom. as for the piano player, you can decide. i'll ask manager lin to contact him. "

Xue 'er was still angry at his lack of restraint. She snorted softly, her little face turned to the side, not saying a word.

Ye Muyun smiled and reached out to ruffle her hair. Then, he went to work and went downstairs in a daze. He couldn't help but say a few words to Auntie li.

auntie li had seen that the young master had been unhappy for the past few days. today, he seemed to be in a good mood and she was happy.

Chapter 2080: mr. ye's new hobby (3)

auntie li was also happy. when she saw that the young girl didn't come downstairs for breakfast, she more or less understood that the young couple had slept a little late last night.

It wasn't that Auntie li was praising her family, but the young master's physical strength and fitness were really amazing!

it's, it's the legendary seven times a night!

auntie li thought happily, miss is really lucky. what's the use of a man just being good-looking? he's good looking but he's also useful. look at young master's heavenly appearance, his nose is straight, and one look and you can tell he's powerful. he's a man among men.

The consumption was too great, and he had to replenish it!

auntie li happily brought the soup over. although ye muyun felt that it wasn't scientific for breakfast to be so nutritious, it was still a kind gesture from the old man. he couldn't bear to reject her and drank it all in one go.

auntie li was very satisfied and sent the young master away happily. she felt that she already had little young master and little miss in front of her. it would be best if they could have two at once!

when ye muyun went to the company, he first summoned manager lin. president ye summoned him twice in one go, so manager lin's face brightened up. he walked into president ye's office in high heels in high spirits.

Don't think that President ye is only a Vice President now. You should know that there are only two people above President ye. One is President Zhao, Zhao Yi. Who are they? He was president Tang's stepfather, and who was president ye? he was president Tang's son-in-law and the future successor of Boyi.

Who in the company didn't want to curry favor with CEO ye? manager Lin didn't have the chance before, but now that he had the opportunity, he had to use all his strength to curry favor with him.

However, she knew that no matter how handsome or capable CEO ye was, she couldn't seduce him- after all, Boyi was a Tang!

"this one!" ye muyun casually pointed and manager lin looked at it from half a meter away. he nodded. " okay, I'll contact CEO ye. I just don't know if the appearance fee will come from the company or from the private? "

"give me a number and i'll write you a personal check later," ye muyun said indifferently.

Manager Lin acknowledged that and was about to leave when he noticed a small Hickey on CEO ye's neck. If one didn't pay attention, they wouldn't have noticed it. But when they looked closely, it was still fresh.

she thought to herself, no wonder ceo ye is late. ran ran was already running early in the morning.

ye muyun reached out and touched it. thinking about how he and xue 'er were in love, he wanted it so badly. xue' er seemed to have bitten his neck a few times. at that time, he was still warm and didn't care, but now he remembered.

the young man naturally couldn't completely let go of this kind of thing, especially when he was reminding a member of the opposite sex he wasn't familiar with. so, the young ceo ye nodded and said in a particularly reserved manner, " "I know, you can leave first."

manager lin understood in his heart,"it seems that boss ye is still a novice!"

she went out and thoughtfully closed the door.

Ye Muyun had already gotten up and quickly walked to the bathroom. He carefully checked his neck in front of the mirror.

He reached out and pulled at his shirt, but it still couldn't cover it.

She frowned and squinted her eyes.

At this moment, Gu ze came in and said, " "chairman ye, the meeting is about to start."

ye mu yun looked at the mirror for a while more before standing up straight. " alright, i'll be there in a while. "

he thought, not everyone is as meticulous as manager lin, right?

however, he had underestimated the speed at which women spread the news. in just a short while, the whole company knew about the hickey on his neck. he had enough meetings!
