

Thank you 2191

Chapter 2191: i want to pursue you again (2)

qin mu fled in panic.

behind her, the smile on zhou chongguang's face grew even wider.

A moment later, he called the producer over and gave him a few instructions.

The producer was shocked and hesitated for a long time. director Zhou, you've invested hundreds of millions in this show. If it goes as you say, I'm afraid it's all going to go down the drain.

he still had to invest in the later stages, so all this money was just for fun.

the producer didn't understand. had the way these rich people wooed women changed?

however, he still had to cooperate with his sugar daddy, so he immediately went back and rewrote the script.

If general manager Zhou likes to be alone, then let them be alone, Yingluo.

And this round of the competition was almost void, because boss Zhou didn't finish at all, and boss ye's dishes were all finished. There were other couples left, but they were just supporting characters and weren't important, okay?

at noon, the festival team announced that they would take a break in the afternoon and that there would be a seaside party in the evening. the female guests were required to wear formal dresses, while the male guests were free to wear whatever they wanted.

zhou chongguang's outdated lin xue looked at the table full of food and gritted her teeth. "is this show just for them to date?"

She had noticed that Zhao Yan and Gu ze had disappeared. Ye Muyun had changed to share a room with Tang Xue 'er, while Zhou chongguang and Qin Mu had been living together.

Only now did she realize that she and song keren were all cannon fodder.

no one had invited them here, and even if they did, they would be invited away sooner or later.

xue lin's face turned red and white. she was very unwilling, but she had no choice. she didn't want to leave.

She could feel that if she left now, she would probably never have the chance to get close to Zhou chongguang again.

.....

ye muyun sat on the sofa in the bedroom and looked at xue 'er packing her things. he frowned."What's wrong?"

xue 'er zipped up her luggage and sneered. "My little uncle has already left, what am I still staying here for?"

could it be that she was staying here to be bullied by him?

ye muyun smiled and looked at her. his voice was a little slow.”i don’t remember you being in love with your uncle.”

“It seems like you used to like sticking to me!”

Xue ‘er pulled the lever and glared at him. Mr. Ye also said that it was in the past, but it’s different now!

She emphasized her words and childishly rolled the suitcase over his feet. Naturally, she did not hurt him.

Ye Muyun reached out to hold her hand. She couldn’t walk and almost fell.

As for him, with just a light pull, she fell onto his lap and was buried in a rather sorry state.

“you’re all grown up now, but you still like to throw tantrums.” He chuckled and reached out to stroke her soft long hair. “what, you don’t dare to stay any longer, afraid that i’ll eat you? hmm?”

Xue ‘er snorted. no way.

He whispered into her ear, ” if you don’t allow me to touch it, I won’t touch it, okay? ”

“I don’t want to.” she said a little willfully.

Ye Muyun laughed and pinched her little face. just a few days. You’re afraid that you’ll waver and fall in love with me again, huh? ”

xue ‘er raised her eyes and looked at him,”arrogant.”

“i’m not big?” his voice was even softer, and he just blew into her ear.

xue ‘er glared at him.

he chuckled.

” just a week. xin xin, aren’t you the most courageous? ” he had called her by her nickname, and it was very intimate.

His face was extremely handsome and very charming.

xue ‘er just looked at him like that, pursing her lips and not saying anything for a long time.

Chapter 2192: i want to pursue you again (3)

She didn’t say anything, which was actually a tacit agreement.

ye mu yun sighed in his heart. this little guy was still the same as when he was young. he couldn’t stand being provoked and fell for it.

however, he really couldn’t touch her casually anymore. once he touched her, he would probably explode and make a fuss about going home.

looking at her now, she was so promising that she thought she had grown up. in fact, she was still a little kid.

as he thought of this, his heart was filled with an indescribable warmth. he wanted to hold her in his arms and kiss her, just like when she was young.

however, he didn't dare to act rashly. he had to take it slow.

xue 'er looked at him and pursed her lips. then, she threw the suitcase on him and said shamelessly, " " help me pack. i want to take a nap. "

He grabbed her hand to stop her from running away. He asked slowly, "Are you sure? I remember that there are some of your private clothes inside."

and now, he was a stranger to her.

He just reminded her that in her heart, he, ye Muyun, was still very important. It was just that she didn't realize this.

She was stunned for a moment, then she broke free. She ignored him and lay on the bed, covering her head with the blanket.

he laughed. was she angry and throwing a tantrum?

She stared at the strand of black hair on the pillow for a long time before she picked up her luggage, opened it, and arranged it in the closet.

He used to do these things often because she was too young to take care of herself.

no matter how busy he was, he was the one who tidied up some of her clothes. at this time, he was doing these things, and his heart was filled with unspeakable satisfaction.

ye muyun smiled helplessly and his large palm gently stroked the lace. in the past, she didn't wear these and would always wear girly undergarments because he helped her pick them.

In the past few years, she had fallen in love with these feminine clothes. To be honest, he seemed to have accepted them easily.

His little Xin was already 26 years old. She was at the age where she could be a mother.

His gaze became gentle. He thought that perhaps after they got married, they could have a child.

A little Xinxin!

ye muyun tidied up his things and looked at his and her entangled clothes in the cabinet. his mood became much better.

when he walked out, his little pig had actually fallen asleep.

he half-leaned on her side, freeing her small face from the blanket. he murmured in a low voice, " you're afraid of me touching you again, and you're sleeping like this again. "

He could have taken advantage of her, but he didn't want to do that.

He pressed his face against her little face and said in a low voice, " Xue 'er, be good, okay? "

she had fallen asleep, lying obediently in his arms, listening to the sound of his heart beating.

After a long time, their heartbeats merged into one and calmed down.

when xue 'er woke up, it was already four in the afternoon. there wasn't only her and ye muyun in the suite.

she heard the sound of him talking to someone in the living room. she listened and thought it was the stylist.

Xue 'er sat up and leaned against the head of the bed. This was clearly Zhou chongguang's prank, and he thought it was real?

after sitting for a while, ye muyun came in. "you're awake?"

she hummed in acknowledgment and looked up at him. "Just pick a random piece of clothing, I don't want to waste my time."

if she wanted to do this, it would take hours. she had been used to simplicity over the years and didn't like it to be so complicated.

ye muyun smiled faintly and looked at her. he reached out and pinched her little face. "it's just a simple fix, it won't take long."

Chapter 2193: she took the initiative to kiss him (part one)

"zhou chongguang!" when xue 'er stood up, she suddenly said, "have you ever thought that maybe it's not qin mu who is helping us, but us who are helping zhou chongguang?"

ye mu yun's eyes were focused on her.

it was because she had used the word 'we' to strangely appease him.

"xue 'er, this is not important."

it didn't matter who helped who. what was important was that he was with her now.

Xue 'er looked at him, but she couldn't see what he was thinking, so she decided not to think about it.

when she reached the living room, she was stunned.

the two stylists were fine, but what was with the row of gowns?

She was used to the world and could recognize that those were not ordinary big brands, but high-end brands among big brands.

How did he transport dozens of haute couture items here in such a short time?

"Pick one, and then style it." He walked to the floor-to-ceiling window and opened it.

he stood by the window and smoked, maintaining a standing posture.

xue 'er looked at his handsome side profile and thought to herself, is he accompanying me?

she understood what he was thinking, but she could only pretend not to.

If it wasn't for that incident, she would have thrown herself into his arms without hesitation. So what if she was selfish once?

However, she had too many concerns. Her identity could not accept him, and her heart sank. when she looked up again, she met his deep eyes.

actually, over the years, she wasn't the only one who had changed. he had changed as well.

he had become even more unfathomable, just like the matter of him working with zhou chongguang. in the past, xue 'er didn't even dare to think about it, but this time, he really did it.

She thought to herself and was a little absent-minded when choosing her gown. She casually picked a long white chiffon gown. It looked quite conservative. At least, it would cover her arms, so she wouldn't feel too cold wearing it outside at night.

however, when she put it on, she gasped. her back was completely empty, and her cream-like beautiful back could be seen at a glance, making people's thoughts run wild.

in the bathroom, she mewled like a kitten. " help me change. "

she didn't want to go out and let others see her like this.

however, she meowed like a kitten, and no one could hear her.

After about five times, ye Muyun walked over and raised his eyebrows. let me see.

she refused to come out, so he leaned in and closed the bathroom door.

"People will think too much if you do this!" She pushed him away, her voice soft and sweet.

ye mu yun leaned against the door and looked at her quietly.

suddenly, he reached out and pulled her, turning her around.

Behind him was the boundless spring.

He took a deep breath and looked at her with narrowed eyes.

xue 'er was a little uneasy, and her small body was pressed into his arms again ...

She moved and her voice was light. brother.

It was because of her fear that she called out, but she regretted it the moment she did so.

she bit her lip helplessly, not knowing what to do.

ye muyun's big palm pressed her entire body on his shoulder. his voice was especially hot and even had a bit of coaxing."what did you call me just now, huh?"

her small body only knew how to tremble in his arms, and she could not say a word.

His heart was filled with something, so he moved his lips and bit her little ear.

Chapter 2194: She took the initiative to kiss him (2)

He bit her little ear and said in a low voice, " "you little liar, you clearly didn't forget me!"

His large palm gently touched his back. At this moment, he felt that the design of this dress was damn good. It was too convenient, but he couldn't let her wear it out.

he acted so recklessly and xue 'er was extremely afraid. she was afraid that he would do something.

However, she was dressed like a Vixen and called him 'brother'. How could he hold back?

he lowered his head and kissed her little mouth. at the same time, he tightened his arms and pressed her into his arms.

Xue 'er bit her lip and said, " you said you wouldn't touch me.

however, he swallowed those words again and again, as if he wanted to eat her whole into his stomach.

she was afraid, but she also looked forward to huahua.

Her nose was filled with the pleasant smell of a man, intoxicating her.

she struggled with all her might, but she couldn't break free from yingying.

he always knew her body's weakness. not only did he not let her escape, but he also ignited a small flame in her.

The kiss became more and more alluring. He did not kiss her deeply, but he had successfully seduced her.

That feeling of wanting to get it but not completely made Xue 'er almost go crazy.

she tiptoed and wanted to touch his lips, but he moved away.

After a few failed kisses, the little guy got angry and wanted to push him away, but at this time, he smiled and kissed her, gently giving her what she wanted.

their lips were entangled as they challenged each other again and again. her little heart was beating extremely fast. at this time, she forgot everything, forgot that she had no choice but to kiss him based on her instinct.

there were always people outside, so he had to be careful of what he wanted to do.

The kiss finally ended.

when it ended, xue 'er's little hand was hanging around his neck, and that small tender part almost drove him crazy.

"do you like it?" he asked hoarsely.

her eyes were still glistening with tears, making her look extremely alluring.

he looked at her and couldn't help but lower his head to kiss her again, feeling that it wasn't enough.

as he kissed her, he thought of the past eight years and his heart felt a little wet.

She let him kiss her, but she lowered her eyes and her rationality returned little by little.

she was very clear about how much she had invested and taken the initiative in the kiss just now. now that she was sober, it was obviously irrational to give him a slap.

While she was being kissed by him, Xue 'er was thinking of a reason to escape.

She admitted defeat. She was just charmed by him just now.

She despised herself countless times in her heart. It's not like she's never seen a man before, how could she fall for his trick?

"can you help me change into another dress and try it on?" she coughed after a long while.

he lowered his head to look into her eyes. she turned her small face to the side and refused to communicate with him.

you can keep this too. It's quite convenient to wear at home. His voice was a little hoarse, revealing a dangerous tension, and his words had a strong hint.

What a shameless hint!

if it was in the past, xue 'er would have retorted and said that he was shameless. but now, she had learned her lesson. she would let him do whatever he wanted and definitely not ask for trouble!

she hummed in acknowledgment and looked up."help me pick one."

He looked at her blushing face and his heart skipped a beat. He hugged her again and said in a hoarse voice,"I really don't want anyone to see you like this.

"What should I do, baby? I want to lock you up at home." He pressed his forehead against hers and murmured in a low voice. It was an indescribable kiss.

she turned her face away and bit her lip."go quickly

Chapter 2195: she took the initiative to kiss him (3)

Xue 'er turned her face to the side and pursed her lips. ye mu Yun, don't call me that.

They were no longer in that kind of relationship, and she couldn't bear it.

ye muyun's eyes were burning as he looked at her little face. after a while, he chuckled. " indeed, you've grown up. you won't be called baby in the future. baby? " Hmm?"

"I'm not your baby." She mumbled softly and pushed him. "hurry up and pick your clothes."

however, he did not move and kept locking her body.

Xue 'er glared at him. Ye mu Yun chuckled."tell me, i'm begging you."

In the past, when he did not give her what she wanted, she would always beg him like this.

Xue 'er pursed her lips and refused.

Ye Muyun didn't force her. He only kissed her and left.

after he left, xue 'er's legs were trembling.

It had been eight years, but she still couldn't control herself when she was with him.

His kiss and gaze were enough to stir her and make her unable to control her emotions.

About five minutes later, he came back in again with a short white dress in his hand.

“change into this!” he said indifferently.

Xue 'er took it and pursed her lips. you can go out first.

ye mu yun smiled and went out first.

Xue 'er changed into her gown and looked at herself in the mirror.

the design of the nude-colored skirt was knee-length, and the very simple style of the kasaya was indeed suitable for an open-air banquet.

She walked out and matched it with a pair of silver high heels. Finally, the stylist helped her tie her hair up and pinned it with small diamonds.

the person in the mirror was fresh and beautiful.

as xue 'er looked at him, she had to admit that he had good taste and knew what she was wearing.

in the mirror, his figure appeared. he was still wearing a white shirt and black trousers, but the shirt was not tucked in at the waist, but it still could not hide his temperament.

ye mu yun stood behind her and looked at the person in the mirror with her. a necklace had appeared in his hand.

Xue 'er only came back to her senses when she felt the cold touch on her neck.

it was an ice-blue diamond necklace. the entire necklace was made up of 108 water-blue diamonds and 1008 colorless fine diamonds. when she wore it on her neck, it was as if an entire ocean was worn on her fair neck.

“dazzling.” He said in a low voice.

xue 'er looked up at him. ” this is too valuable. ”

it was then that she remembered that the necklace had been auctioned off last week by a mysterious buyer who had sold it for more than eight hundred million dollars.

Ye Muyun's voice was very calm. it's not expensive if it's worthy of you.

As he spoke, he straightened his body and held her hand.”Let's go!”

xue 'er kept looking at him, not moving for a long time.

“We won't make it if we're late,” he said in a hoarse voice.

slowly, she finally placed her hand on his palm.

she told herself that this was just a reality show and that everything was like an illusion. after a few days, everything would return to normal.

She would return to United States and he would continue to be the president of Bo Yi. He might find a girlfriend like song keren.

As she thought about it, she looked up at his back, and her eyes welled up.

ye muyun held her little hand and led her out of the hotel.

this hotel was a famous six-star resort hotel. many famous people would come here for a vacation. there were also several famous reality shows that were filmed here, so it was quite famous in china.

Chapter 2196: She took the initiative to kiss him (4)

The hotel had a large central garden, which was very suitable for holding a banquet. Behind it was a gorgeous building that was brightly lit at night, and in front of it was a large ocean that was mysterious and unpredictable. The two different feelings mixed together, and it was especially artistic.

at this moment, the huge fountain in the garden of the open-air banquet opened. unlike other places, the water that sprayed out here was light blue and glowed faintly. the statue of the saintess in the middle seemed to be smiling under the music.

Xue 'er's hand was held by ye mu Yun as they walked around the banquet. She was surprised to find that there were many famous people tonight.

although she came from a good family, it was still a little strange to see so many celebrities at once.

" KING entertainment is temporarily under my control. " ye mu yun indifferently explained.

xue 'er responded with an "oh" and did not ask further.

in fact, she knew that he had already become the vice president of boyi when he was qin mo's age ...

that kind of hardship was something she could not imagine.

she looked up and took a few more glances at him.

Ye Muyun pulled her hand closer and let her hold his.

She didn't reject him because the theme of tonight's party was this kind of two-person party. She had no reason to embarrass him in such an occasion.

Her thin fingers grabbed his arm, and she could feel his muscles bulging.

was he very nervous?

she could not help but look up at him again.

" tang xue 'er, if you keep looking at me like that, we will probably be in the papers again tomorrow. the title will not be what you want to see. " his voice was faint, and there was a hint of a smile.

Xue 'er pursed her lips and did not say anything else.

He smiled and walked over to greet the people he was familiar with. At this moment, Xue 'er realized that not only were there celebrities, but there were also many people from the business world. Most of them were young, so she did not notice them just now.

She quickly realized that this was a gathering for business.

It was very likely that he had a schedule to begin with, so he took part in a reality show.

She finally understood why he was so free. Thinking this way, the guilt in her heart lessened a little.

ye muyun took out a cocktail and handed it to her. he smiled. ” “What are you thinking about?”

Xue 'er looked around, and after a long while, she turned her gaze back to his face. She pursed her lips and said, ” I want to know the relationship between these people.

her heart was beating very fast, and her face was a little hot.

she cared about this. she didn't want him to be the kind of person who would make the female stars under him sacrifice their bodies for benefits.

regardless of whether they were together or not, she hoped that he would respect women.

Or rather, in her heart, he had always been noble.

ye mu yun smiled lightly. ” xue 'er, why do you care so much? Do you care about their situation, or do you care about what kind of person I am?”

She gently shook her head.

he was too powerful and understood her too well. she could not hide anything from him.

In front of the powerful ye mu Yun, she was almost transparent.

She hesitated for a moment before saying, ” you clearly know.

His smile deepened, and he clinked his glass with hers. “I'll tell you after you drink this.”

She looked at him with tears in her eyes.

He had always bullied her like this since they were young!

she refused to drink it and even said a little angrily,”It has nothing to do with me, anyway.”

with that, she turned her face away.

He looked at her side profile, and his smile deepened.

Chapter 2197: i won't let her know how perverted i am (1)

His fingers gently pinched her soft little face.

it had been eight years, but she was still as soft as before, and there was a milky fragrance on her body.

On a night like this, he couldn't help but reach out and pull her into his arms.

She was so petite, and he just happened to place her in his arms. He kissed her forehead little by little, and his voice was hoarse. you're already so big, but you still have the smell of milk on you.

He closed his eyes and rubbed his face against her hair. I feel like I'm carrying a child.

She couldn't break free, and in such an occasion, she had to give him face.

She leaned on his shoulder and said in a low voice, "but you have the smell of a stinky man on you."

He chuckled softly and bit her on the back of her ear.

"you're a dog!" xue 'er wailed.

with so many people around, they could be photographed at any moment. in fact, their kiss just now had already been filmed. it was a beautiful scene!

xue 'er struggled a little, but she couldn't break free. she said softly, "let me go!"

instead, he used more force and rubbed her in his arms. one of his large palms was actually a little unruly.

Xue 'er's face was a little red. ye mu Yun, so many people are watching.

He was already dancing with her in his arms. Although his movements were not easily discovered, she still felt psychological pressure under the watchful eyes of the crowd.

"Look around you." He pressed his thin lips against her ear and said in a low voice, "have you never been to such an occasion before?"

Xue 'er was a little suspicious. Then, she turned her head and saw that the people around them were all hugging each other like them.

She dared to say that these people were not all couples or lovers.

She was stunned.

His thin lips covered her ear and his voice was very light."This is Hai Tian Sheng Yan."

xue 'er's expression was especially surprised. she raised her little face and glared at him.

at this moment, her expression was really cute. her eyes were wide open and her mouth was o-shaped. she was just short of two pointed ears.

as he looked at it, he felt an unspeakable satisfaction in his heart. he scolded with a smile, "idiot!"

"Where has your intelligence gone all these years, huh?" he kissed her ear passionately as he spoke.

xue 'er couldn't avoid it. she said hatefully, "i don't want to participate. "

she had always been pure and didn't want to attend such a bad party.

besides, it was supposed to be a reality show. why did they come to a place like this?

she struggled, and he had no choice but to hold her small body in place. he said very softly, "it was organized by zhou chongguang. he has been hosting it for four years. "

xue 'er was stunned, then she gritted her teeth, " " aren't you going to do anything about it? he's been messing around all these years. are you going to just watch as he let qin mu down? then, what about my departure back then? "

he didn't answer her after she finished speaking, and she felt a little regretful.

she seemed to have said something she shouldn't have. with their current relationship, she had said too much.

After a long time, he held her slender waist with one hand and held her small face with the other, forcing her to raise her head.

Xue 'er pursed her lips, and the expression on her little face was a little stubborn, as if she didn't want to talk to him anymore.

he knew that the reason she could say so much was probably because she had drunk a little too much.

He chuckled and took another glass of wine from the waiter, taking a sip.

Chapter 2198: Don't let her know about his perversion (2)

Xue 'er looked at him, not understanding what he was going to do.

But immediately, he bent down and took her little mouth in his. After kissing for a long time, he slowly fed her all the wine.

Tears welled up in her eyes. Because the alcohol content was a little high, the spicy taste in her mouth did not feel good.

However, he deliberately wanted to get her drunk. He fed her mouthful by mouthful, and after one glass of wine, she was already slightly drunk.

In fact, she had a good tolerance for alcohol, but with his kiss, she became the most intoxicating thing in the world.

Her body started to heat up and go soft. She stayed in his arms and could not move for a moment.

ye muyun's voice was low. " do you want to come again? "

she shook her head. her legs were a little weak, so she could only hang her thin little arms around his neck and lean on his body to support herself.

She knew in her heart that he wanted to force it on her, but she could not refuse.

After drinking too much, she started to act like a drunkard. She opened her mouth and bit his shoulder.

He was only wearing a shirt, so she bit his easily and firmly. Soon, she tasted the sweet blood.

Ye Muyun let her be and treated her like a child.

Xue 'er finally let go of him. She looked at the faint pink on his white shirt. He was bleeding.

"does it hurt?" she asked him softly. her eyes were also flowing with light, like the brightest stars in the sky.

it was only when she was drunk that she dared to care about her like this and dare to make trouble so brazenly.

perhaps she had been even more depressed than he was in the past eight years.

Ye Muyun kept looking at her and smiled faintly. you can help me.

as soon as he finished speaking, the kitten really lowered its head and licked his wound very gently and lightly.

She looked especially focused, as if she had a lifetime's worth of time.

At this moment, there was no one else. Only ye mu Yun and Tang Xue 'er were left in the entire Galaxy.

his voice was soft and gentle. " xue 'er, these are things that both of us are willing to do. there are too many dark things like this in this world, and i can't stop them. "

He paused for a moment before continuing, " as for Zhou chongguang, I used to hope that the worse he was, the better. At that time, Qin Mu would be able to wake up. But now, looking at them like that, I'm a little hesitant. I wasn't a hesitant person in the past.

It was probably because of their reunion that his heart softened a little.

or perhaps it was because of her, that was why he had allowed zhou chongguang to do whatever he wanted all these years.

he was conflicted and didn't even know what he was really thinking.

xue 'er pursed her lips and looked up at him with a dazed expression. " "you don't have to explain to me."

"then who should i explain to? hmm?" "My girlfriend was driven away by you," he said naughtily.

xue 'er was supposed to help him heal, but she was angry and bit him again. " it's clearly you who's not responsible. "

he smiled bitterly and lowered his head, pressing his face against her little face."i only want to be responsible for one person in this world."

Xue 'er did not say anything. She was drunk and knew that she could not continue this sentence.

After a long pause, he looked at her.

"Actually, song keren isn't bad either." "Do you want to consider getting Yingluo back to you?" she said slowly.

As soon as she finished speaking, her little mouth was kissed.

it was a very fierce kiss. not only was it a kiss, but her body was also pushed back by him. she kept moving back, and the feeling of losing control made her afraid.

Chapter 2199: Don't let her know about his perversion (3)

finally, her back was pressed against a wall. the cold wall woke her up temporarily. she opened her eyes and looked at his slightly twisted face.

he was angry!

was it because she mentioned song keren?

she was his own girlfriend, so why was he angry now?

so, she bit him unceremoniously. he retreated in pain, but his fingers were still holding her shoulder, unwilling to let go.

xue 'er's heart was beating rapidly as she pursed her lips and glared at him ...

Then, he slapped her.

The atmosphere was a little tense.

he did not expect her to hit him in such a situation. what gave her the courage to do this all these years?

ye mu yun's expression was very ugly, but he only glared at her and didn't do anything to her.

"i'm no longer the little girl you used to be. you can't kiss me whenever you want." "Also, what happened between you and song keren has nothing to do with me," she said coldly.

Since he had said that he had not touched her, it meant that there was a problem between them. She would not take the blame for breaking up.

Ye Muyun kept looking at her. Then, he chuckled and leaned to the side."Are you angry?"

He knew what she was thinking.

She still cared about him finding a girlfriend. She said that she didn't care, but her anger was all because of that slap just now.

"i'm not angry." She bit her lip. I want to go back to my room.

"Accompany me to the banquet, or go back to my room to make love, choose one." Once again, he pressed her small face into his chest, shamelessly pressing it against her small neck, and kindly gave her a choice.

xue 'er was a little irritated. " is there a difference? "

looking at him now, he wouldn't let her go even after the banquet.

just like now, his body had already expressed that.

ye mu yun smiled, his smile was full of satisfaction."Good girl."

After that, he held her hand and walked to the center of the banquet hall again, giving her a reprieve.

He fed her a lot of wine until she was drunk.

in fact, he was also shocked. in the past, xue 'er didn't have much alcohol tolerance, but now she could drink a few glasses of hard liquor.

Although he was reluctant to do so, he had ruthlessly told her to have a plan in her heart.

he knew that she wouldn't easily stay, so a child was the fastest and most direct way for him.

In the past, he had always thought that she was still young and had to wait a few years. Now, he regretted it a little. If they had killed each other back then, they might not have to be separated for these eight years!

qin mu and zhou chongguang stood far away. qin mu's face was filled with worry.

She turned her face to the side and looked at Zhou chongguang. brother, you forced Xue 'er to drink like this. She seems to have drunk a lot. Is she really alright? ”

Zhou chongguang's gaze was deep. He looked into the distance for a while before he retracted his gaze and smiled faintly. your brother would never hurt her.

zhou chongguang was a man. he knew a thing or two about men's thoughts. ye muyun probably had the same thoughts as him right now. he wanted to use a child to hold tang xue 'er down, while he wanted qin mu to get pregnant.

His mentality had quietly changed. At that moment, he thought to himself that it didn't seem that difficult to stay by a woman's side for the rest of his life.

If Tang Xue 'er was a sad dream of his when he was young, Qin Mu was a cup of tea in his life that was safe and stable.

Qin Mu didn't know that he had already replaced her birth control pills with vitamin C. He believed that with the frequency of them making love, she would be able to get pregnant very soon.

Chapter 2200: don't let her know about his perversion (4)

now, he thought that the reason why she hadn't gotten pregnant all these years must have been because she had been using contraception, but he hadn't noticed.

it was him who had neglected her!

She must have wanted to leave him a long time ago, but she couldn't find an explosive point and had dragged it on until now.

In other words, for the past eight years, she had not experienced a single bit of happiness. This was a huge blow to a man like Zhou chongguang.

at this moment, ye muyun had already brought xue 'er away. qin mu's fingers were tightly gripping zhou chongguang's arm, and his voice was a little nervous. ” “will there be any problems?”

Zhou chongguang could not help but laugh. He lowered his head and looked at his little wife, feeling a little helpless.”mumu, do you wish for them to reconcile or not?”

Then, he shared a man's opinion. “actually, sometimes feelings come from sleeping.”

“oh, really? did you develop feelings for gu mei, xue lin, zhao xue, and li xue after sleeping together?” Qin Mu sneered.

Zhou chongguang touched his nose and knew that he had poked the hornet's nest.

He chuckled and looked at her. but the one I sleep the most is still Mrs. Zhou.

He immediately added, " only you in the future.

he reached out and hugged her, taking in the pleasant scent on her body.

there was a faint chrysanthemum smell on qin mu's body. it might be the smell of the shower gel she liked to use. she rarely used perfume, but this smell was even better than perfume.

He had never thought that he would fall in love with his wife.

The excitement of these nights was not only because he wanted to keep her, but because he really yearned for her body.

he was way past the age of a young boy. he had had countless women, but recently, he couldn't control himself at all. he always did it with her a few times, every night!

Qin Mu was naturally unwilling, but she couldn't struggle. She could only give in, but she didn't want to give him a reaction.

Zhou chongguang was a man. The more unwilling she was, the more he would force her. Under all kinds of torture, she would always surrender and even beg him.

after a long time, he began to have fun. every time he teased her like this, he felt an unspeakable satisfaction in his heart.

this was an extreme feeling that exceeded the state of being one with the body. he felt that he was already addicted to it.

Zhou chongguang would sometimes sigh that he had wasted eight years and had lost so much fun. he even thought that if she was like yueyue before she turned 18, would she cry so hard?

he couldn't think about it. just thinking about it made his blood boil. he felt that he was abnormal. however, qin mu didn't know about this.

he didn't dare to let her know. he only showed what he was willing to let her know. as for the obsession ...

It was good that he knew.

He was a man who liked to take things slowly.

therefore, he was not attracted to women outside at all.

as he said this, qin mu glared at him, his gaze somewhat profound. " you're a pervert. "

he smiled helplessly and put his hand in his pocket. " "mrs. zhou, would you like to dance with this pervert?"

ye mu yun left. this place still needed someone to hold it up.

qin mu looked at him with suspicion in his eyes. however, he still danced with him.

she didn't really care anymore. she wouldn't reject him if he wanted to do it at night. she would just treat it as if she was bitten by a dog, and she treated him as a free gigolo.

in any case, they still had to get a divorce!

in qin mu's heart, he was thinking of yingluo rather happily.
