

Thank you 2201

Chapter 2201: he made her cry (1)

however, zhou chongguang didn't think so. in his eyes, qin mu was just a little lamb. he was harmless and had such weak resistance.

she must be thinking that she had slept with him for nothing and that it was fine, right?

but after so many years as husband and wife, she didn't know that he, zhou chongguang, had never done anything for nothing.

After spending so much effort on her, he would not accept the result of separation.

His little Mumu did not know about this!

qin mu placed his hand in his palm and followed his strength to slide onto the dance floor. this was the first time the couple appeared in public.

Zhou chongguang's dance was very good. Qin Mu was led by him, but in his heart, he was silently thinking, which woman taught him all these dancing skills?

However, she could only think about it and smile bitterly.

She didn't need to care too much about a man who didn't belong to her.

qin mu spun around in his arms, smelling the nice smell on his body. he was-little drunk-

Dancing under the blue night sky and the stars was supposed to be the most romantic thing, but everything was unreal now.

qin mu's voice was very low. "zhou chongguang, we've never been real, have we?"

He suddenly hugged Qin Mu tightly and closed his eyes. His voice carried a hint of pain. "no, mumu. when i hugged you, it was real, and it's also real now."

he tightened his arms so that she could feel his strength and his emotions. "now, do you feel anything?"

qin mu's face was buried in his arms, and his voice was light and shallow. "zhou chongguang, it's a little too late."

his palm gently caressed her long hair, and he said in a hoarse voice, "mumu, we're still young. it won't be too late."

he pressed his face against her small face, in an intimate position that he had never done before.

It was as if he had laid himself out in front of her, but he didn't care.

He had never been so eager to share, to share everything with his wife.

He pressed his forehead against hers, and his voice was also very low. Mumu, are you willing?"

his fingers slowly moved around her small palm and became ten fingers intertwined.

this kind of gesture made qin mu slightly resistant. he pursed his little mouth. ” no. ”

“why not?” His voice was hoarse. Mumu, are you afraid? Hmm?”

At the end of his sentence, his own voice was a little shaky.

How could Qin Mu stand him like this? when they were together, he had always been gentle to her. At that time, she thought that they were in love, but in fact, she was just being hot-headed.

however, when a man like zhou chongguang deliberately exuded his charm towards you, a young lady like qin mu would find it hard to resist.

Qin Mu shook his head desperately, but he couldn’t win against him.

he had been holding her down and looking at her a little naughtily. how could she be his opponent? she was easily defeated.

her slender body trembled in his arms.

zhou chongguang lowered his head and looked at his little wife in his arms.

She was very beautiful tonight. She was wearing a long, ice-blue dress that highlighted her figure very well. There was a sapphire named ” Heart of the Ocean ” in her neck. From his direction, one could vaguely see some spring light.

at this time, he already couldn’t hold back. he regretted it. he should have taken her away earlier and not stayed here to hold the stage.

“mumu, let’s go back to our room, okay?” his voice was low and hoarse, and she couldn’t help but shiver when the thin hot air blew into her ears.

Chapter 2202: He made her cry (2)

qin mu raised his eyes and looked at him eagerly. after a while, he resisted weakly. ” no. ”

but Mumu, I want Yingluo. his voice was hoarse and sexy. His fingers clasped her hands and he began to kiss her lightly.

it was a really light kiss, like the spring breeze.

qin mu’s lips were tightly pursed, afraid that he would kiss her deeply. she was nervous. she was a very orthodox little girl since she was young and had never been so intimate outside.

his words also made her blush, so she uncomfortably turned her small face to the side.

Zhou chongguang’s gaze was a little deep, and his thin lips covered her ears. He said in a low voice, ” “mumu, you don’t know how mesmerizing you are.”

“Zhou chongguang.” she pursed her lips and glared at him.

zhou chongguang laughed lightly and reached out to caress her little face. ” silly girl. ”

She lowered her head and said weakly, ” “Don’t be like this.”

“What? Are you saying that you’re charming, or that I want you, hmm?” He teased her and bullied her to his heart’s content.

qin mu could only raise his eyes and stare at him with great effort.

he was overjoyed and felt that his little wife was really adorable.

he reached out to rub her and said in a particularly seductive voice, " silly girl. "

he caught her and suddenly lifted her up horizontally.

there were cheers all around, and qin mu was screaming. however, her screams were drowned out.

She could only punch him and struggle desperately. "zhou chongguang, what are you doing?"

He hugged her effortlessly and said in a warm voice, " I just want to f * ck you, Yiyi!

He had never said such rough words to her before. He couldn't bear to say them to her.

But now that he had told her, her reaction made him feel excited. He had never felt this way before.

It was as if he had never done it with her before, and he couldn't wait to have sex with her.

Clearly, they had already done it countless times, but now he wanted to please her. He wanted to please her thoroughly, make her happy, and make her feel that this was such a wonderful thing.

it must be said that zhou chongguang had been quite shameless all these years. he had been involved in alcohol and women, and he was quite good at dealing with women.

However, he had never served a woman before, and he did not need to do so.

Qin Mu had become the subject of his experiment, ran ran.

for the entire night, qin mu was better off dead!

would he!

Why did he always torment her like this?

Also, didn't he find it dirty?

However, Zhou chongguang was as excited as if something was wrong and couldn't stop at all. He only let her go at two O 'clock in the middle of the night. Qin Mu was so tired that he couldn't be bothered to argue with him. He fell asleep the moment he closed his eyes.

zhou chongguang lay down beside her and calmed himself down for a while. only then did he prop his body up and look at her quietly.

She had never experienced this before. Yingluo was probably exhausted.

He reached out and touched her blushing little face, smiling faintly.

qin mu's little face had always been a little pale, without much color. after this match, his face was surprisingly good.

He shamelessly thought to himself that it was good for her to be exercising like this.

after staring at her for a long time, he got out of bed, went to the bathroom, wrung a hot towel, and carefully wiped her clean.

as he wiped, his breathing became chaotic again, and he actually felt a little aroused.

Zhou chongguang secretly scolded himself a few times, then focused on cleaning up the mess for her.

He knew that she would definitely take her medicine when she woke up the next morning. Probably because she had accepted the fact that she was a married couple, he had taken the medicine she prescribed to the doctor and asked about it. It was a long-term contraceptive and did not cause much damage to the body.

Chapter 2203: He made her cry (3)

he had asked the doctor about the medicine she prescribed. it was a long-term contraceptive and would not cause much damage to the body.

Of course, he had already changed the medicine.

his fingers gently caressed her delicate face. he was already secretly looking forward to her giving birth to a little girl as cute and awkward as her. he would definitely make up for these eight years on their child.

At that time, she would probably slowly forgive him!

after zhou chongguang lay down, he didn't feel too sleepy. he kept looking at qin mu's small face under the faint light.

it was as if he could never get tired of it.

Sometimes, people were like this. When they got something, they didn't know how to cherish it. Everything was taken for granted. When they lost it, they realized that it had become a habit of that person.

Luckily, they were not divorced yet. Luckily, she still had him in her heart.

otherwise, she wouldn't be willing to have sex with him. zhou chongguang had some confidence in this.

he kept watching and only fell asleep when it was almost dawn, hanhan.

She felt like she had only slept for a short while when she heard Qin Mu getting up.

her voice was very soft, as if she was afraid of waking him up, but he knew that she was not concerned about him. she was just secretly taking birth control pills.

She probably didn't want him to know because she didn't want to get into a conflict with him.

Zhou chongguang closed his eyes and did not say anything.

after she finished taking her medicine, she actually climbed back into bed.

The corners of his lips lifted slightly. She was probably really tired.

Qin Mu first laid flat to sleep, then carried her on his back to sleep.

After a long time, he seemed to inadvertently turn over and hugged her slender waist from behind. His voice was also low and hoarse. Mumu? ”

“what?” her voice was a little light, because his palm touched something he shouldn’t have.

the corners of zhou chongguang’s lips curled up, and his voice was extremely hoarse. ” sleep with me for a while longer. ”

As he said that, he buried his face in her neck and teased her.

qin mu’s body was a little stiff. how could she fall asleep when he was like this?

her body stiffened, and she didn’t dare to move until she felt that he didn’t have that intention. she slowly closed her eyes and fell asleep.

When her breathing became even, Zhou chongguang opened his eyes gently, and the corners of his lips curled up slightly-

their relationship was improving, but mumu probably didn’t dare to think about it.

he buried his face, took a deep breath of her scent, and fell asleep.

this time, there was only qin mu in his world. no one else was teasing him.

Just as they were sleeping soundly, Gu ze was standing by the sea. He was still standing at the spot where Qin Mu had sat last time.

He had stood there the whole night, but he had not actually left.

he knew that qin mu and zhou chongguang had signs of reconciling. he smiled bitterly. that’s right, how could she not be soft-hearted? she used to like zhou chongguang so passionately. once this man expressed his feelings for her, how could she escape?

Gu ze bitterly thought that this was also good. It would save his silly little sister from having to wait so long. Now that they had made up, Gu Mei should have given up.

Gu Mei had gone overseas under Zhou chongguang’s orders, but Gu ze knew that her heart had not died.

She wasn’t a person who was greedy for power. If she had given up, she would have left Glory Group, but she didn’t.

gu ze thought that he should fly to paris and have a good talk with gu mei.

Gu ze couldn’t stay here for long, so he walked towards ye Muyun’s bedroom to say goodbye. But just as he reached the door, he heard the sound of shards coming from inside.

it looked like an intense fight!

Gu ze paused, shook his head, and decided to skip the farewell.

Why were these two still acting like children?

Chapter 2204: shameless bastard, shameless!(1)

in the suite, xue ‘er smashed the things in the bedroom to pieces.

when a person was drunk and woke up, they would find that they could not look at their body anymore. there were red kiss marks everywhere.

when you stand in front of the mirror in a daze, and the culprit still dares to stand behind you and repeat what happened last night shamelessly, it's hard not to be angry.

No matter how much he struggled, it was useless. He had done it shamelessly and in many unspeakable ways.

Xue 'er remembered that he wasn't like this in the past. Perhaps it was because he was young and inexperienced, so he had always been rather traditional. Now, Yingluo was simply hard to explain in a few words.

xue 'er was so angry that she smashed the things in the suite. her face was so red that it looked like it could bleed.

Ye Muyun tried his best to hide, but he couldn't avoid Wanwan.

he looked at her, his gaze a little faint. " xue 'er, can you be more rational? "

"why didn't you be more rational when you were so horny?" she said resentfully, " how do you expect me to go out and meet people? "

ye muyun touched the wound on her forehead. it was bleeding, but her face wasn't red and her heart wasn't beating. she was really cruel!

he looked at her with a burning gaze. " we live in the same room. i won't touch you unless i'm a eunuch. why do you care about this? "

Xue 'er was furious, he was still in the right?

"i'll make sure your neck is covered in them. are you willing to do that?" he gritted his teeth.

he looked at her with a good temper. " if you're happy, i have no objections. "

snow glared at him. he was really shameless!

hence, she didn't hold back and pounced on him directly, biting his neck ruthlessly.

She couldn't be ambiguous with him, so she bit him like a puppy.

Ye Muyun's heart was warm. He gently called out to the little puppy, and the little puppy bit even more happily.

she wanted to bite him to death!

Shameless!

As they bit and bit, the taste changed. After all, they were two bodies wearing only bathrobes. It was hard not to create sparks when they hugged each other like this.

By the time Xue 'er realized the danger, it was already too late. Her body was carried up and placed on the countertop. Her back was against the cold mirror.

“ye mu yun!” she screamed in fear and reached out to hug his neck, not letting him touch her.

Her legs were still sore.

“call me big brother and i won’t touch you.” He coaxed her and kissed her hair.

her entire body was refreshing, and she had a milky fragrance. it was the smell he yearned for.

Xue ‘er refused, so she hugged him and didn’t give him a chance to move.

“Weren’t you very powerful just now?” His voice had some ill intentions.

Xue ‘er quickly hugged him tightly and snorted softly, ” “i apologize to you.”

it seems that you’ve learned to be flexible these years. Not bad! he chuckled. ” call me brother and i promise i won’t touch you. ”

she was really afraid of him, and in the end, she had no choice but to call out softly, her voice as soft as a kitten.”Brother, I’m begging you.”

There was a hint of a smile in his eyes, and his fingers hooked her small chin. be good, what do you want from me? ”

The way she was acting now, with the softness of a drunk, was simply the strongest dose of village medicine, stirring up his heart.

Xue ‘er looked at him pitifully, her eyes watery, but her heart was f * cking silly!

begging him?

Beg his Grandpa!

However, her face was still quite soft. Her small hands wrapped around his waist and she said obediently, ” “I’m begging brother not to touch me.”

Chapter 2205: shameless bastard, shameless (2)

“I’ve heard that sometimes, women don’t mean what they say.” His voice was hoarse. let me check.

amidst her screams, his wish was fulfilled.

How could she not miss him? they were in such a situation now, and she was a normal woman. Besides, she had liked him so, so, so much before.

In the end, it was a little crazy.

She was a little anxious because of him, and she was not that obedient ...

in the mirror, there was a lingering figure. again and again, the temperature rose, and the mirror became blurry and blurry.

After everything calmed down, he leaned on her shoulder and bit her. are you okay? ”

She turned her face away. No. his tone was somewhat bad and a little angry.

Ye Muyun chuckled and kissed her neck. I'll take you to shower.

At this moment, in his heart, they were already back together. He was willing to pamper her, however he wanted to.

when she first came back, he actually hated her and wanted to treat her cruelly to get back at her for all these years. however, hanhan was actually weaker than her and couldn't stand loneliness.

he had been lonely for so long, and he could not refuse her company.

she could scold him, hit him, or anything else, as long as she was by her side.

when he turned on the shower to wash her up, his heart was full, and he continued to kiss her.

xue 'er didn't want to bother with him, but after she couldn't take it anymore, she finally said, "ye mu Yun, we're just not that close. Don't be like this.

She could not accept his kindness.

He didn't stop and just glanced at her. do you think that doing it again will prove that we're not intimate? "

After a pause, he spoke in a tone that made one's hair stand on end, " "if you want to continue, i don't mind coming again."

Xue 'er covered her face and didn't say anything.

the water continued to flow down, and she was very close to him. slowly, she tasted the sweet taste of blood.

When he looked up, he was stunned.

His forehead was broken, and dark red blood was slowly flowing down.

"why didn't you say so earlier?" her voice was a little anxious as she reached out to cover his forehead. however, the more she covered it, the more red water poured down. she bit her lip."Ye mu Yun, are you an idiot? you're clearly injured, why do you still use hot water to wash it? This way, the wound will burst open, okay?"

He was unmoved. He even grabbed her small hand and looked at her with a burning gaze."Because you'll be anxious and nervous about me!"

he looked at her, his heart filled with bitterness.

xue 'er, no one has ever dared to call me an idiot, you're the first!

I'm only an idiot in front of you. I'm stupid because of love.

you were so angry and so bothered by my shamelessness last night, so i could only hurt myself. this way, you probably wouldn't be in the mood to be angry anymore.

he admitted that he was despicable and shameless, but it was okay to play some small tricks for the person he liked.

from the bottom of his heart, the current zhou chongguang was the same kind of person as him. he didn't mind if qin mu fell in love with zhou chongguang again, as long as zhou chongguang could treat qin mu well.

he was different from xue 'er. she seemed to have many secrets in her heart. she was unwilling to say them out and was unwilling to get close to him, so he could only force her.

he didn't care about his injuries, as he wouldn't die anyway.

But Xue 'er cared.

she hurriedly turned off the hot water and dragged him to the bedroom. there were broken pieces all over the floor.

finally, she struggled back to bed. with a pale face, she found the first aid box in the suite and came to help him apply the medicine without even putting on her clothes.

Chapter 2206: shameless bastard, shameless (3)

She struggled back to bed and found the first aid box in the suite with a pale face. She came over to help him apply the medicine without even putting on her clothes.

"Put on your clothes." He leaned against the head of the bed, his eyes unfathomable.

"i won't catch a cold," xue 'er glared at him.

with that, she carefully applied the medicine for him.

She was kneeling in front of him. To be honest, this posture was indeed a great test for him.

Ye mu Yun admired it for a while before saying, "I'm afraid I can't help it."

Xue 'er paused and looked at his face. He looked like he was forbidden from talking to anyone, but the words he said were extremely shameless.

she immediately covered herself and bit her lip. "it's already like this, and you're still thinking about this. "

"I won't die!" His voice became even softer. He grabbed her shoulder and asked softly, "Were you satisfied last night?"

xue 'er's face turned red. she wanted to escape, but she couldn't, so she could only pretend to carefully apply the medicine for him.

He despised him in his heart. He was no different from Zhou chongguang now.

although she despised him, she didn't want anything to happen just because they had a good time together. they came and left peacefully. that was what she thought. no one owed anyone anything.

Xue 'er's gaze fell on the rubbish bin beside the bed. There were five to six 0.01s in it, all of which they had used last night. There were still two in the bathroom!

she thought to herself, he really doesn't control himself. is he too hungry all these years?

"why did you do that?" she wanted to ask, but she was too embarrassed to say it.

Ye Muyun looked at her and touched the gauze on his forehead. He smiled. "Why do you need protection?"

xue 'er knelt in front of him, her eyes slightly moist as she nodded.

"because i don't want you to take the medicine!" "xue 'er, i promise i won't let you get pregnant before you're willing," he sighed.

when she heard this, she wasn't too touched. she only felt a little embarrassed.

What were they now? they were nothing.

Because she couldn't waste her time.

She lowered her eyes and said, "you rest for a while. I'll get someone to clean up.

He didn't lose too much blood, but he had just been rinsed with water. She was afraid that it would get infected, which would be troublesome.

she had only moved a little when he grabbed her arm. his voice was extremely hoarse."sleep with me for a while."

She did not come back to her senses. She was tightly held in his arms. He held her like how he used to hold a child. He placed her in his arms and rested his chin on her hair. He said in a low voice, "xue 'er, accompany me. i'm very sleepy, very tired, yingluo."

all these years, he had almost never had a good night's sleep. when he woke up, he would always feel that there was nothing beside him. later on, he developed the habit of only sleeping four hours a day.

He was afraid that he would forget her.

xue 'er stayed in his arms, feeling a little sad.

She did not know if it was for him or for herself.

she knew that her current state was unfair to him. she should make things clear to him, but she couldn't say it.

her thin arms hugged him. she told herself that she would just let hanhan go once and leave after this.

this time, he would probably hate her even more and forget her.

the two people who were hugging slowly fell asleep. their breathing also mixed together, strangely blending together.

when xue 'er woke up, she only felt that it was very hot. she was hugged by a warm body.

She was shocked. His wound was probably infected or he had a fever!

Chapter 2207: a ruse of self-injury (1)

Xue 'er pursed her lips tightly and was at a loss.

She knelt beside him for a long time before she reached out her hand and said in a trembling voice, "brother ~"

Ye Muyun slowly opened his eyes and saw her anxious expression. It seemed like he heard her call him brother.

It had been a long time since she had called him brother from the bottom of her heart. He had forced her to do so before, so it was naturally different from this.

"don't cry," he reached out and caressed her small face. "it's just a little fever. it's nothing."

Xue 'er's eyes were filled with tears, and her voice was a little low. then I'll help you call the doctor.

In such a big hotel, there would definitely be doctors on duty.

ye mu yun was really uncomfortable. he closed his eyes and hummed.

the voice from his throat was hoarse and unclear. it was obvious that he was not feeling well.

She got up and put on some clothes. After thinking about it, she helped him pull up his bathrobe. Ye Muyun opened his eyes and looked at her. Then, he chuckled. at this point, you still care about this.

"I'm not as thick-skinned as you." Xue 'er's voice was soft as she ran out.

Ye Muyun heard the door close and helplessly laughed.

He lay there quietly, feeling as if his body was being torn apart. It was very painful.

but last night, when he had sex with her, he was very happy, especially when he had her. she kept crying in his arms, which gave him a great sense of satisfaction.

The corners of his dry lips curled up into a faint smile.

After some time, the door opened again and the person came in quietly.

"xue 'er," he called out to her, his slender hands searching the bedside.

Xue 'er hesitated for a moment, but she still stepped forward and grabbed his hand. She said softly, " "i'm here,"

he pursed his lips and smiled. " is the doctor here? "

At this moment, an unfamiliar voice sounded from the side. Mr. Ye, let me help you take a look at your wound.

Ye Muyun nodded and slowly opened his eyes. He looked at the doctor but didn't let go of the little girl's hand.

The doctor looked at the situation and could roughly guess what was going on. After all, the couple was in a terrible state. He sighed in his heart that Yingying was really too unrestrained.

He stepped forward, removed the gauze, and carefully examined the wound. It was indeed a little inflamed, but it was really not possible for a small wound to be inflamed to this extent.

The doctor coughed lightly. Mr. Ye's injury still needs to be recuperated. It's not suitable for him to do vigorous exercise!

Ye Muyun propped himself up and leaned against the head of the bed. He looked at Xue 'er and smiled. you're young and love to mess around.

xue 'er was furious. he was clearly the one who was shameless, and he even put the blame on her. She expressed that she would not take the blame for this.

However, the doctor didn't think that way. His gaze landed on ye Muyun's neck and then he shook his head. it's not suitable for vigorous exercise! the family members should be more patient with the patient. there's still time."

Xue 'er was about to explode!

However, he couldn't deny it. How could he say such things out loud?

Her dark expression pleased Mr. Ye. His hand kept holding her hand and gently rubbed it.

The doctor took out his first aid kit and said as he prescribed some water, " I'll give you an injection to reduce the fever and an anti-inflammatory injection to see if it will get better. If it doesn't work, I'll have to go to the hospital for an intravenous drip.

Xue 'er nodded. I'll have to trouble you.

The doctor motioned for him to lift up his bathrobe, indicating that he wanted to hit a certain part of his lower body.

Ye mu Yun looked at Xue 'er.

Xue 'er pursed her lips and snorted softly, " "you do it yourself."

Chapter 2208: A ruse of self-injury (2)

Xue 'er pursed her lips and snorted softly, " "You do it yourself."

there was a deeper meaning in his eyes, but in the end, she couldn't help him. when she pulled, she closed her eyes and looked very cute.

just looking at him like this made him feel less uncomfortable.

During the injection, he frowned slightly. Xue 'er snorted, " "you're already so big, yet you're still afraid of pain!"

When she said that, she sounded a little angry.

ye muyun relaxed his brows and looked at her meaningfully. " Who was the one who kept screaming in pain last night?

as for his shamelessness, xue 'er could naturally tell. she did not say anything and only glared at him.

The doctor laughed. These two were quite interesting, but they were really a perfect match.
the doctor disinfected the wound again, then left a box of anti-inflammatory medicine and left.
Xue 'er saw the doctor off and saw that it was getting late. Just as she was about to call room service, ye mu Yun stopped her. "i don't want to eat anything else. make me some porridge."

She glared at him.

"it's been so many years. don't tell me you haven't even learned this?" there was a hint of mockery in his tone.

xue 'er snorted. " it's such a simple thing. do i need to learn it? "

he chuckled. " then try it. "

that little fool was tricked by him into becoming a wanwan, and her back view was really cute.

Ye Muyun quietly leaned against the head of the bed. His eyes were deep and the smile on his face deepened.

As he spent time with her like this, no matter how uncomfortable his body was, his heart slowly filled up.

she still wanted to escape, but he would not let her go.

He had lost her once and thought that he would wait for her to convince him that she couldn't leave him. Because she was so stupid, so stupid, what could Tang Xue 'er do without ye Muyun?

however, the long wait had slowly made him lose his patience. it wasn't until she appeared again that he realized that she was doing very well without him.

He really did not know if he should be happy or not.

just as she was thinking, the phone by the bed rang. she looked and saw that it was qin mu.

he picked it up and said in a hoarse voice, " "Mumu."

qin mu's voice was still as gentle as before. " brother, why didn't you and xue 'er come out? "

Ye Muyun was silent for a while. He looked in the direction of the small kitchen and then slowly said, " "I was slightly injured last night."

Qin Mu was stunned for a moment. He immediately asked worriedly, " "are you alright?"

"it's just a small injury." ye muyun said it indifferently, but qin mu still thought too much. after hanging up the phone, he looked at zhou chongguang."i'm going to my brother's place to take a look. i'm worried."

Zhou chongguang smiled lightly. I'll go with you. Otherwise, you'll probably feel a little uncomfortable in that situation.

indeed, men understood men the best.

Qin Mu wanted to reject her at first, but he didn't in the end and tacitly agreed.

on the other side, ye mu yun put down his phone. feeling much better, he lifted the blanket and got up, walking to the small kitchen.

In the morning light, the little person stood in front of the kitchen counter and was a little flustered.

He hugged her from behind and rested his face on her shoulder. He laughed in a low voice. "you're so busy cooking porridge."

xue 'er's body stiffened and she slowly turned her head. " "You can?"

"Of course I will," he smiled.

"then, yueyue, teach me!" she said unexpectedly.

He looked into her eyes and chuckled. "I'll teach you how to kiss first!"

Chapter 2209: Self-pity (3)

Xue 'er was stunned for a moment, and her little mouth was kissed by him.

she mumbled, "there's still porridge in the pot. it's going to be burnt."

But in ye Muyun's understanding, it's fine if it's a lie, Wanwan.

his kiss was a little deep, and xue 'er's neck was almost sprained. her little hand pushed him, but she couldn't push him away.

Really, did a patient need to be so strong?!

She only came to her senses when a burnt smell drifted past her nose. She gritted her teeth. "ye mu yun!"

The burnt smell became deeper. Ye Muyun laughed in a low voice and let go of her to turn off the fire.

at this moment, there was a knock on the door of the suite. he ordered her in a low voice, " "Go open the door."

Xue 'er really didn't think too much about it. She walked over and opened the door. The moment the door opened, she was a little stunned.

qin mu and zhou chongguang were standing at the door.

She scratched her head, unable to decide whether to let them in or let them in.

"I heard from my brother that he was injured, so I came to take a look." qin mu had always been lacking in confidence in front of xue 'er, so his voice was very soft.

Oh, " Xue 'er replied and opened the door wide. he's in the kitchen.

qin mu smelled a burning smell and frowned. " my brother is burnt? "

xue 'er's expression was a little uncomfortable. " something like that! "

Zhou chongguang, who was at the side, heard the conversation between the two girls and laughed in his heart.

however, he clearly knew that the distance between them was all because of him.

he didn't make a sound and just stood behind qin mu.

xue 'er's gaze landed on him and saw his eyes. she understood in her heart that zhou chongguang's heart should belong to qin mu, and it was not light.

she thought that this was pretty good. at least, she had made the right choice eight years ago.

she could tell that zhou chongguang and qin mu should have gotten back together again. even if qin mu did not admit it, this was the truth.

With this thought in mind, he smiled. come in!

qin mu was still a little hesitant, because he had seen the messy bed just now.

Her brother's illness was probably due to excessive sexual indulgence! As a younger sister, she was thinking a little immorally and even exchanged a look with Zhou chongguang.

Zhou chongguang's choice was to push her from behind. Qin Mu entered the door, and he followed.

Xue 'er closed the door and scratched her head. ye mu Yun is in the kitchen.

Qin Mu looked at Zhou chongguang and said very softly, "I'm going to see my brother. Zhou chongguang, chat with Xue 'er for a bit!"

Zhou chongguang's eyes looked at his wife very quietly, and he only nodded his head lightly after a while.

xue 'er was a little surprised-it could be like this?

also, when did qin mu become so generous? what was there to talk about between her and zhou chongguang?

but qin mu had already walked towards the kitchen, leaving zhou chongguang some space.

At the scene, there were still traces of the battle between Xue 'er and ye mu Yun. Their auras were also a little ambiguous.

Xue 'er could not think of it, but Zhou chongguang could guess his wife's thoughts. She let him see these to tell him that what had happened between Xue' er and her brother, and that he should not have any more thoughts.

he laughed in his heart. when did he show that he wanted tang xue 'er in this reunion?

wasn't his behavior at night obvious?

zhou chongguang looked at xue 'er and smiled faintly, "Are you alright?"

"Is ye mu Yun alright? I should be asking about this."

xue 'er pursed her lips and sat down on the sofa. she crossed her legs. "are you asking for yourself or for qin mu? "

Chapter 2210: A ruse of self-injury (4)

“I’m asking on behalf of Qin Mu.” Zhou chongguang slowly walked to the opposite side of her and sat down. ” “I don’t think ye Muyun would tell his sister about such an embarrassing thing.”

“I also won’t tell my enemies about embarrassing things.” Xue ‘er snorted, then bit her finger and ignored him.

Zhou chongguang could not help but laugh. Actually, he thought that he could somewhat understand why he liked Qin Mu now.

In some aspects, Qin Mu was a little like Tang Xue ‘er. He would be mischievous occasionally.

but she was her, not Tang Xue ‘er’s substitute. He was very clear about that.

Xue ‘er could naturally tell that he was a little distracted when he spoke to her like this, so she hit the nail on the head and said, ” “you’ve fallen for Qin Mu, right?”

Zhou chongguang laughed bitterly. ” am I that obvious? ”

“the word” infatuation “is written all over your body.” Xue ‘er said mockingly, “now that I think about it, wasn’t the decision I made back then stupid?” If you had forced Qin Mu to his death back then, you probably wouldn’t have been able to experience what true love feels like in this lifetime.”

True love sister-in-law Zhou chongguang’s heart was in turmoil. In Tang Xue ‘er’s heart, did he already have true love for Qin Mu?

Xue ‘er didn’t like him, so she didn’t say anything after saying this.

she said all these not because of Zhou chongguang, but because of Qin Mu.

she wanted to give Qin Mu another choice, a man who was dead set on him, a man she once loved. if she wanted to love, she could say, Yingluo,

Zhou chongguang was a smart person and understood it in a short while.

he had mixed feelings about it, then he said in a hoarse voice, ” ” Tang Xue ‘er, have you always been so astute in front of others? you only act cute in front of Ye Muyun, right? ”

Xue ‘er smiled faintly. ” it’s probably a habit. ”

She hugged her knees and looked in the direction of the kitchen. She said softly, ” Zhou chongguang, I know that you hope that I can reconcile with him. This way, you will have an explanation to Qin Mu. But it’s impossible for our Ran Ran to be together.

“but if you really like Qin Mu, please treat him well.” she looked at him and said in a calm voice.

“Why?” Zhou chongguang’s expression was rather solemn.

"i hope that you two will be together. actually, it's not that great. i just feel that yingluo left unwillingly back then. if you both break up in the end, i'll be even more unwilling. " she said in a low voice.

Without waiting for him to speak, she spoke softly, destroying Zhou chongguang's heart. in this life, you should return everything you owe me to Qin Mu!

Zhou chongguang closed his eyes.

Even now, he could still remember how he had seen her that day. She had fallen asleep on campus.

It was a dream hidden in his heart, and he would never forget it even in his old age.

however, the dream in his heart hated him. she said it tactfully, but she expressed it very clearly.

zhou chongguang was speechless.

After a long time, he sighed softly. "I will!"

He looked towards the kitchen and could only see his wife's back. She was talking to ye Muyun.

He could tell that her expression was very gentle when she turned her face to the side. She didn't look like she was in a daze when she was with him at all.

he had not seen her like this for a long time.

In the past, when she looked at him, her eyes were also filled with pink.

as zhou chongguang thought about it, he looked at xue 'er again, " "I will find her love."

Xue 'er didn't say anything ...

Zhou chongguang finally understood.

In the kitchen, Qin Mu watched as ye Muyun washed the burnt pot, put in new rice, and made porridge.

"Brother, what's with the wound on your forehead?" she asked worriedly.
