Chapter 2231: He can't let her go (3)

in the next few days, the public's comments became more and more intense. in addition to song keren's words, they were secretly hurt. annn's reputation changed from a new artist to a shameful plagiarist.

the reporters outside the GM hotel had been camping there for three days and three nights without any intention of leaving.

the security guards of the GM hotel had tried to drive them away many times, but to no avail.

Xue 'er had been in the hotel for three days and had not left the house. The moment she went out, she would be surrounded by reporters.

she was getting more and more flustered because she knew that in such a situation, only one person could make the mainstream media speak up.

They must be influential.

Song keren, on the other hand, did not have the ability or the courage to do so.

Xue 'er didn't look for her. Instead, she went to Bo Yi's headquarters.

She drove a black sports car out from the underground parking lot and went out smoothly.

The car stopped at the entrance of Boyi and saw that there were many reporters there.

no matter how good-tempered xue 'er was, she still cursed and opened the door to get out of the car.

before she came, she had already informed the security guards, so when she appeared, the reporters were blocked by them.

she didn't tell ye muyun that gu ze was the one who received her.

Gu ze was already different from the sorry state he was in the other day. He was dressed in proper handmade clothes and stood there like a human. He smiled."Chairman ye is not in the office right now."

Xue 'er pushed him away, her voice filled with anger, " "i don't believe you."

With that, he went straight into the elevator.

Gu ze was not annoyed. He slowly followed behind her and went upstairs together.

If he were to lose to a little girl, how could he climb up?

The moment they reached the top floor, Xue 'er kicked open ye Muyun's office. ye Muyun, come out.

However, the office was quiet, and there was a pile of documents on the table. It was obvious that he had not been in the office for a few days.

“i told you that ceo ye isn’t here, but you didn’t believe me.” Gu ze’s tone was gentle. how about this? I’ll ask my Secretary to make us a cup of coffee. We can rest here for a while. If anything happens, I can solve it.

xue ‘er looked at him with a cold gaze, ” “if ye mu yun doesn’t give you permission, do you dare to solve it?”

gu ze touched his nose. But President ye isn’t here, he’s at the hospital.”

Xue ‘er pursed her lips and quickly walked towards the elevator.

Gu ze touched his nose again and smiled. “the little girl’s temper has grown a lot over the years.”

sigh, my heart aches for the sick ceo ye. i wonder what he’ll do later?

Gu ze smiled and went downstairs with her. In the end, he still got into his car and personally sent her to the hospital.

vice president gu would never admit that he had gone there to watch the show.

Xue ‘er didn’t say a word as the car drove on.

gu ze wanted to tease her, but he couldn’t. in the end, he sighed. ” “Xue ‘er, when did we become so distant?”

Xue ‘er turned her face to the side and looked at him. She suddenly sneered, ” “gu ze, you’re pursuing me?”

Then, her smile became even colder and she said in a sinister tone, ” “How about this, let’s go to the hospital together and tell ye mu Yun that you like me and want to be with me. How about it?”

gu ze’s hand on the steering wheel drifted, and the sports car drifted on the road. he quickly steadied his grip and returned to the right path.

“this joke isn’t too funny,” he coughed lightly.

he would probably be skinned.

Xue ‘er’s smile turned even colder. then, was the joke you and your CEO ye made on me funny? ” she asked.

Chapter 2232: childish (1)

Gu ze didn’t say anything.

only boss ye would take the blame for this.

he sent xue ‘er to shengyuan hospital and went to park the car. xue’ er went up first.

She knew that he would definitely be staying in the VIP Ward, so she went there directly.

everyone in the hospital, from the director to the nurses, knew her. when they saw her, they naturally thought of president ye.

miss tang is here to visit president ye, right?

This should be the case, right?

however, miss tang's expression didn't seem like that.

So, no one dared to say a word. They all stepped aside and watched miss Tang open the VIP Ward like a vengeful goddess.

at that moment, everyone was praying for boss ye, hoping that he could get through it.

when xue 'er pushed open the door, ye mu yun was sitting on the bed. his arm was on an iv drip and his other hand was reading the original holy bible.

when he saw xue 'er, he smiled slightly. " what's the matter? you're here to visit a patient? shouldn't you bring something with you when you visit a patient? "

Xue 'er stood at the door, her little face tensed. Mr. Ye is reading the Bible. Has he done too many bad things, so he needs to be calm? "

ye muyun still looked at her calmly and smiled faintly. " mr. ye? i remember that we just had sex not long ago, and we did it several times a night. now, you're already being confiscated to the point where you call me mr. ye, huh?"

Xue 'er's little face tensed up even more. okay, ye mu Yun, does this show our relationship? "

he was still sitting and looking at her indifferently.

"You're the one who got the media to pursue the plagiarism of yuye's painting, aren't you?" her voice was cold.

ye muyun's eyes darkened and he looked at her calmly. after a long time, he smiled faintly."What do you think?"

she was stunned for a moment, not expecting such an answer from him.

However, she was used to messing around in front of him. Now that he had set her up again, she was extremely angry and reached out to pull out the drip.

instantly, beads of blood appeared on the back of his hand and seeped down one by one.

Xue 'er was a little frightened. Although she had been so fierce before, she was also frightened now. why couldn't the blood stop flowing?

She looked at it with a pale face and didn't react for a moment. She just looked at it in a daze.

After a long time, she remembered and immediately wanted to run away, but he reached out and caught her.

xue 'er bit her little mouth and struggled with all her might, but his grip was very tight. however, the more strength he used, the more the blood on the back of his hand seeped out.

“what, now you want to run away after doing something bad?” there was no trace of a smile in his eyes. he threw the bible into her arms.”You should take a look at this.”

xue ‘er bit her lip and lowered her head to look at the back of his hand that was bleeding. she said in a low voice, ” “I’ll go get the nurse.”

He suddenly raised his voice, ” “tang xue ‘er, do i still have a place in your heart?”

she was stunned and slowly looked up at him in a daze.

ye mu yun’s eyes were filled with bitterness.”If I didn’t ask you this, you wouldn’t have come to the hospital to see me?”

His face was pale. He held her hand and looked deeply into her eyes.

Xue ‘er bit her lip, unable to speak.

he had come over in an aggressive manner, but now he had lost all his aura because he was bleeding.

After a long time, she finally found her voice. “I’ll also need the nurse to bandage your hand.”

Chapter 2233: Childish (2)

“I don’t need to.” “my injury is not on my hand, but here,” he said with a burning gaze.

he pointed at his heart and said, ” “it’s here, but you can’t see it,”

she could not say a word and could only look at him like that.

“Tang Xue ‘er, don’t you have anything to say to me?” His voice carried a touch of desolation, which could penetrate her soul.

She suddenly panicked and felt that she had come to the wrong place.

Regardless of whether he was the one who did it or not, she should not have come.

but she couldn’t break free. his strength now seemed to have been waiting for her.

she was embarrassed and angry, and at this moment, she was sure that he was the one who did it. she said angrily, ” “Ye mu Yun, you’re too despicable.”

“Does loving you mean I’m despicable?” He said it weakly, but it was straightforward.

Xue ‘er pursed her lips. loving someone is granting them.

“to help you and someone else?” his voice became very cold, ” “Tang Xue ‘er, hehe.”

He reached out and pulled her into his arms. He didn’t care if his wound hurt or not. He said in a deep voice, ” “Tang Xue ‘er, don’t even think about it!”

Their eyes met, and his eyes were filled with unwillingness and anger, completely surpassing hers. her expression was extremely helpless, as if in front of him, she would always be that weak little girl.

It had never changed.

At this moment, Gu ze pushed the door open and entered. The moment he entered, he saw that the scene inside was rather bloody.

he held his forehead and smiled helplessly. finally, he turned around and called the nurse over.”Reattach the drip for CEO ye!”

In the ward, ye Muyun still didn’t let go of Xue ‘er, almost stubbornly.

When the nurse arrived, she also spoke carefully, ” “Chairman ye, please give me your right hand.” however, ye mu yun only gave her his left hand. his gaze was still on xue ‘er’s face and his voice was very calm.”hang on this hand.”

The nurse had no choice but to do as she was told. She hung her head and carefully put the IV drip on him.

Gu ze wanted to watch the show, but in the end, he didn’t come in. Instead, he chose to stand outside.

The nurse ran out immediately after she finished her work as if there was a ghost behind her.

in the ward, xue ‘er’s voice was clear and cold. ” chairman ye should be tired. i won’t disturb you any longer. ”

however, he held her in his arms with one hand and buried his face in her neck. he bit her hard as if he was venting his anger. ” tang xue ‘er, you want to escape again, don’t you? ”

“I didn’t!” She sighed,”I’ve never had one!” Ye mu Yun, I said I don’t owe you anything. I didn’t owe you anything in the past and I still do.”

He suddenly let go of her and stared at her blankly as if she were a stranger.

after a long time, he chuckled and said,”yes, you don’t owe me!” so you’re feeling at ease?”

She couldn’t answer him because her relationship with Lan Yu wasn’t what he thought it was. However, she didn’t want to explain, and she couldn’t explain.

she just lowered her little face and smiled faintly and helplessly. I don’t have a peace of mind. If you want an apology, I can say it.

“after you’re done, you can ask me to let you go, right?” His voice carried a hint of exasperation.

Xue ‘er’s lips trembled slightly. After a long time, she finally said, ” yes.

Ye mu Yun looked at her, his angry face had a trace of a smile. alright, I’ll let you go! but i really want to see how far you can go and how high you can fly.”

Chapter 2234: childish (3)

He leaned back and held a cigarette in his bloody hand. let's go! he said faintly.

he was leaning there, and xue 'er realized that the hospital gown on his chest was also stained with blood.

she still couldn't leave immediately. instead, she pursed her lips and said softly, "I'll get the nurse to come over."

"i won't die." "tang xue 'er, if you don't plan to turn back, don't act like you care about me," he said nonchalantly.

"You should care more about yourself, or Lan Yu," he said in a cold voice.

when she heard him say lan yu's name, her body trembled and her lips trembled. in the end, she stood up and walked out.

when she walked out of the ward, she heard a violent sound behind her, and even the sound of something heavy falling.

"Childish," she said, pursing her lips.

However, she felt like crying after saying those two words.

She bit her lips and held back her tears for a long time. Yingying patted her shoulders with her big hands, followed by Gu ze's gentle voice, "Quarreled?"

xue 'er's eyes were red as she looked up at gu ze.

He was still the same as before, gentle and warm. Time didn't seem to have changed him much, but she knew that he had changed. He was not like before.

In the past eight years, everyone had their own thoughts hidden in their hearts. There were many things that could not be changed and could only be accepted. Just like her and ye Muyun, just like how Gu Mei treated Zhou chongguang, and just like how Gu ze's heart had Mumu.

"take good care of him!" she shook her head and said in a soft voice.

"Don't you hate him?" Gu ze suddenly opened his mouth and said in a calm voice, "If he really did it."

"I don't hate you!" xue 'er looked up and smiled at gu ze, but her smile was paler than her tears.

gu ze walked to her side. for the first time, he reached out and gently stroked her little head. his voice was gentle. "there will always be a result. xue 'er, tell your heart. who do you like? is it still ceo ye?"

There was the sound of water in her eyes, but she couldn't say it.

gu ze laughed again. "wait for me at the parking lot. i'll send you back to the hotel after i'm done with the things here."

Xue 'er did not reject him, but she came back after taking two steps. She raised her head to look at Gu ze and asked hesitantly, "Will he be fine?"

Gu ze stroked his handsome chin and smiled. "it's probably because yingluo won't die! But no matter how much you anger him, you can't say for sure."

Xue 'er pursed her lips and glared at Gu ze with a strange expression before running away.

Gu ze smiled. Actually, Xue 'er had not changed.

it was just that she didn't change because of boss ye. deep down, she was already a mature woman, but subconsciously, she retained a sense of innocence, a memory that belonged to her and boss ye.

Even the current Lan Yu should be irreplaceable.

Gu ze watched her leave and then turned to walk into the ward.

The moment he entered, he sighed in his heart.

The two of them were really a good match!

fortunately, xue 'er had left first. otherwise, she might have fainted when she saw ceo ye like this.

at this moment, ye muyun's wound from the operation a few days ago had completely torn open. the hospital gown was covered in blood and the ward was in a mess. everything was broken.

The back of his hand was also covered in blood, which dripped onto the ground.

Gu ze frowned. Chairman ye, you're risking your life!

"If anything happens to you, alright, I'll bring her back to B city openly," he said half-jokingly and half-consoled.

Chapter 2235: xue 'er's main wife and mistress (1)

Ye Muyun glared at Gu ze in the blood light. That look was quite scary.

gu ze shrugged his shoulders. "i'm telling the truth. or is it that ceo ye feels that there's no hope and wants to give xue 'er to someone else? Oh, and the Empire you've built over the years, I remember Mr. Tang Yu already transferred 20% of his shares to you, right?"

Alright, now that I've died of anger, everything belongs to someone else.

Ye Muyun continued to stare at Gu ze.

gu ze said easily, "it's actually the same if i change owners. thinking about how xue 'er doesn't really know how to manage the company, perhaps i'll be able to rule the company in the future and then become the actual person in charge of bo yi."

of course, " Gu ze smiled. all of this is based on the fact that you're angry to death now, Chairman ye.

Ye Muyun almost spat out a mouthful of blood. Listen, did Gu ze really say that? these were the words of vice president gu, who he had promoted.

just these few words were enough to make him vomit blood, why would he still need xue 'er?

Gu ze saw that it was about time and immediately walked out. He ran into the nurse outside and quickly gave her a few instructions.

Just now, he seemed to be joking very easily, but he wasn't actually at ease in his heart. Chairman Ye's injury looked very serious, and if he didn't rescue him now, he was afraid that Wanwan would be in big trouble.

Gu ze's mental fortitude was very strong. After quickly giving instructions to the young nurse, he called the hospital director and asked for the best surgeon to come over.

When he entered the ward again, Ye Muyun couldn't hold on any longer.

He held him up and couldn't help but reprimand, " "You're clearly sick, but you're still angry with her. If you were a little softer, she wouldn't have left like that. "

These were the words from Gu ze's heart, and only now did he dare to say it out loud.

Because Ye Muyun was a proud person, he usually didn't really listen to her, or even if he did, he would get angry.

In his heart, Tang Xue 'er was his possession. She had been his possession since she was young. Even in these eight years that they had been apart, she had been his possession, both physically and mentally.

Now that this matter with Lan Yu had happened, although it was still unclear what their relationship was, it was enough to make Chairman Ye jealous.

Ye Muyun's face turned pale and he didn't say anything for a long time. After a long time, he gritted his teeth and said, " "Let's go into the operating room!"

Gu ze's heart relaxed. He immediately helped him to the bed and personally pushed him to the operating room.

When had their boss Ye ever been in such a sorry state?

Because the wound was torn quite badly, the operation took more than an hour. Fortunately, the inside was not injured.

After Ye Muyun was pushed out, Gu ze felt more at ease and also thought of Xue 'er in the parking lot.

However, just as he was about to go downstairs, he saw Xue 'er in the corridor outside the operating room.

She leaned against the wall, lost in thought.

Gu ze frowned and walked over. His voice was very soft. " "Why are you here?"

Xue 'er looked at him and pursed her lips. I heard from a nurse that I didn't leave.

"How is he?" she asked after a pause.

“aren’t you going to personally take a look?” Gu ze looked up at her as he took out a cigarette and took a light puff.

xue ‘er didn’t say anything, but her expression was a little deep.

Gu ze’s long fingers held the cigarette as he looked at her. “i was angered by you just now, so the wound was torn by five centimeters.”

as he spoke, he gestured and coughed lightly. ” it’s even bigger than the wound in the operating room. ”

Gu ze felt that he had an important responsibility, especially when Xue ‘er was feeling guilty. He still wanted to get some information out of her.

Chapter 2236: xue ‘er’s main wife and mistress (2)

xue ‘er’s lips were tightly pursed.

“are you still not going to take a look?” Gu ze’s voice was quite soft. the doctor said that tonight is the critical period. I’ll only be fine if I don’t have a fever tonight.

seeing that she was still as unmoving as a mountain, gu ze secretly took out his killer move. ” but ceo ye’s illness can’t be blamed on you. it fell behind during the reality show a few days ago. it didn’t recover and came back again. he didn’t even get to rest before he had a stomach perforation. ”

This time, it touched the deepest part of Xue ‘er’s heart.

She was very clear on why ye Muyun had a fever and why he even slept with her for a night.

She pursed her lips and said in a low voice after a long time, ” I’ll go and see him.

gu ze laughed. ” that’s right. even if we can’t be husband and wife, we’re still friends, right? ”

xue ‘er glared at him.

Gu ze touched his nose again. we’re still siblings, aren’t we? ”

when he said this, he thought to himself, we’ve slept together so many times, why are we still siblings?

After he finished speaking, he looked at Xue ‘er.

Xue ‘er silently followed him to the VIP Ward upstairs. The ward had been cleaned up, and it did not look like it had been broken.

ye muyun quietly lay there, his face pale.

xue ‘er stood by the bed and looked at him.

“i know you only like him, right?” gu ze said softly.

If she wasn’t, why would she be willing to sleep with boss ye?

Xue ‘er didn’t say anything and just stood there, quietly looking at ye mu Yun.

her heart ached, and her voice was very soft. ” “If I had known this would happen, I wouldn’t have come back.”

Sometimes, she felt that he was cruel. When she left back then, he had actually silently agreed to it. It was not that she had not hated him.

But she missed him more!

when she came back, she thought that she might run into him. she thought that they were both fine and would not be involved anymore, but she still pestered hanhan too much, causing him to lie here today.

“is it because i’m too full of myself that you’re in this state?” She said in a low voice and slowly sat down on the edge of the bed.

she seemed to be talking to gu ze, but it was more like she was mumbling to herself.”it’s been so many years. it turns out that you can’t let it go even more than i can.”

She could have let go of everything and left for new York, but now that he was like this, she couldn’t let go.

how could she not know what he was thinking?

he tormented himself and got himself covered in injuries. that was his pride that he couldn’t speak of.

Ye mu Yun would never beg a woman. He could only hurt himself to express his feelings.

When did he start acting like this? She was sad, but she could not stay for him.

“Gu ze, do you think I’m cruel?” she asked softly. she didn’t cry out loud because he was asleep.

Since they were young, he had always been firm and stood in front of her like a god. She had never seen him fall.

was this another way for him to show weakness?

” no, ” gu ze said in a low voice, ” never! ”

If he was cruel, he wouldn’t have been entangled with her for so long, Yingluo.

Her difficulties and uncertainties were probably because of the changes in the past eight years.

if she had known that things would turn out like this eight years later, she would not have been willing to do so.

Or rather, she couldn’t change the variables in between.

Gu ze sighed,’can’t you stay? you know he needs you.”

xue ‘er stared blankly for a long time before she slowly shook her head.”That’s just more cruel to him.”

she raised her head and smiled, but her eyes were filled with tears.”Gu ze, I’m leaving tomorrow.”

if she stayed, she would only get ye mu yun killed.

Chapter 2237: Xue 'er's main wife and mistress (3)

gu ze looked at her with a serious expression.

After a while, his gaze fell on ye Muyun and his voice softened. are you planning to give up on him? ”

Xue 'er pursed her lips and her body trembled uncontrollably. After a long time, she said in a low voice, ” “yes.”

gu ze's thin lips were tightly pursed, and his voice was very calm. ” “Before he finds out, let's go back to United States! maybe this is for the best for both of you!”

Xue 'er nodded heavily.

She finally looked at ye mu Yun.

He was lying there quietly, but he was still the most handsome man she had ever seen.

As she looked on, her eyes became a little wet. She couldn't help but cry. She said to Gu ze in a low voice, ” “Can I kiss him?”

Gu ze's heart suddenly felt extremely uncomfortable. What happened to her in the past that made her love so carefully and hide all her emotions? That's why she didn't dare to be with boss ye?

gu ze pursed his lips and closed his eyes. his voice was hoarse. ” of course. ”

then, xue 'er bent down and gently kissed ye muyun's lips.

His lips were a little dry and bitter, but her tears fell uncontrollably again and fell on his lips.

His lips moved slightly, like the first drop of water that Jiu Qian touched.

however, it wasn't water. it was salty.

Ye Muyun's eyelids moved and then opened, looking into her eyes.

Xue 'er's eyes widened, and she looked at him in disbelief.

She wanted to escape, but his hand quickly caught hers. Although he was weak, it was enough to catch her.

“Do you want to run away again? you want to run to his side?” his voice was hoarse and broken.

She struggled with all her might, but she didn't dare to use too much strength for fear of hurting him.

gu ze watched from the side and let out a long sigh. he quietly left and gave the two of them some space.

The ward was silent. Xue 'er lowered her eyes. let go.

A single tear from her fell on the back of his hand, shocking her and burning his heart.

“why did you cry?” He looked at her, his voice weak. He had used up all his strength to hold her.

but he didn’t allow himself to collapse, because if he did, she would probably leave.

Xue ‘er shook her head. I didn’t cry!

“You little liar!” he closed his eyes tiredly. ” you’re still so stupid. you can’t even lie. ”

When he opened his eyes again, his gaze was breathtaking. ” tang xue ‘er, if you don’t love me anymore, i will let you go. but you obviously can’t forget me, so why should i let you go? ”

Even though he was extremely jealous in his heart.

Xue ‘er bit her lip and looked at him helplessly.

his fingers slowly released her, and she immediately shrank back like a frightened rabbit.

He lay there weakly and said word by word, ” “i’ll see how you walk out of here.”

xue ‘er’s body was pressed against the door handle, her face covered in tears. ” why are you so persistent? ”

He closed his eyes and remained silent for a long time. ” then tell me, what was it when we were together the other day? ”

Xue ‘er couldn’t say it out loud, as it would be too cruel to him or her.

she didn’t say anything. ye muyun also smiled and said in a self-deprecating manner, ” “You can leave!”

her body relaxed, but she didn’t leave immediately.

ye mu yun looked at her. ” what? you can’t bear to leave? ”

xue ‘er bit her lip. ” no. “

Chapter 2238: Xue ‘er’s main wife and mistress (4)

xue ‘er bit her lip. ” no. ” her fair and slender fingers twisted together, showing her habit of lying.

All these years, she had not improved at all!

he sneered again,”let’s go!” Aren’t you afraid that I’ll pester you?”

Xue ‘er looked at him and suddenly felt a little sad. This was the man she loved the most in her life. She loved him in the past, and she still loved him now, but she did not choose to be with him.

She didn’t know if it was right or wrong. She didn’t know if it was fair to him or herself. Or perhaps she had never thought of turning back. She just wanted to know if he was doing well.

she took a deep breath and slowly walked toward him until she reached the bed.

she kissed his lips.

“what is this?” Ye Muyun’s gaze was stern. a last gift? ”

her lips trembled. ” no! ”

She closed her eyes and called out,”brother.”

he was stunned.

then, she took the kasaya from his palm.

the door to the ward opened and closed, but he could no longer see her.

ye mu yun quietly watched for a long time.

gu ze walked in and let out a long sigh. ” “Chairman ye?” it really wasn’t a good time for boss ye to hurt himself now.

Ye mu Yun closed his eyes and tiredly said, ” “arrange it now and don’t let her leave the country.”

gu ze was stunned.

ye muyun slowly opened his eyes. ” why else do you think qin mu can’t get away? ”

gu ze despised his boss ye deeply in his heart. how could he go after a woman with zhou chongguang?

however, when ye muyun mentioned qin mu just now, his heart still ached.

he smiled faintly. ” alright, i’ll do as you say. ”

However, he guessed that Lan Yu would definitely come to B city. This must be what CEO ye wanted!

why torture yourself!

just as ye muyun had arranged, xue ‘er didn’t manage to leave. her contract was rejected and she was still staying at the GM hotel.

In her heart, she knew why she couldn’t leave. Everything was arranged by ye mu Yun!

she went to look for gu ze, and gu ze did not deny it. he said that it was ceo ye’s arrangement.

On the third day of her stay at the GM hotel, the incident of her copying Lan Yu had reached a certain level.

xue ‘er found it difficult to move even an inch in the hotel.

sometimes, she would see ye muyun’s news on the news. however, on the third day, she saw him being discharged from the hospital and appearing at a summit.

with so much blood and such a big wound, was he going to be discharged?

through the screen, she could see the fatigue under his bright exterior. he was not made of iron, after all.

xue ‘er just looked on like that. she didn’t know why, but she felt extremely sad. she wanted to turn off the tv, but the next piece of news shocked her.

at the GM hotel, there was a live broadcast of a press conference. the scene was quite big, and all of B city's mainstream media had arrived. more importantly, it was to introduce the main character, ji xue'er.

that person was lan yu.

lan yu, who rarely appeared in the media, was tall and thin. he wore a simple white shirt and a set of black casual wear, which made him look handsome.

his facial features were deep and gentle, probably mixed with some foreign blood. at this time, he was very calm in front of the camera.

Xue 'er couldn't hear what he was saying, but she knew that it was related to her.

She was stunned.

lan yu had said that he would never set foot in B city again. why did he come back?

She bit her lip, her heart heaving up and down violently. Then, she ran out of the suite with all her might.

she pressed the elevator button hard, her expression anxious.

At this moment, she was not willing to let Lan Yu reveal everything and their relationship.

Chapter 2239: Xue 'er's main wife and mistress (5)

Even if ye Muyun had guessed it, she didn't want him to hear it. That would be too cruel to him.

The elevator finally opened. She ran in, looking a little crazy.

the elevator went down floor by floor until it reached the first floor. xue 'er ran out, only wearing indoor slippers. she grabbed a hotel staff and asked anxiously, "Which floor is the blue universe's press conference on?"

The hotel staff did not recognize her at first and was shocked. When they recognized her, they immediately said respectfully, "I'll bring miss Tang over."

Xue 'er followed her and walked to the reception room on the first floor.

The staff opened the door for her, and when the door slowly opened, she saw Lan Yu.

lan yu also saw her.

xue 'er stood there, her body almost unable to move. she just stood there and looked at him.

Lan Yu's gaze had been on her nonchalantly the entire time. After a long time, he finally spoke softly, "my wife, Tang Xue 'er. She's also an N.

the scene was in an uproar.

following that, the reporters followed lan yu's gaze and found xue 'er. they took a flurry of photos of her, capturing her shock and astonishment clearly.

her lips moved, but in the end, she could not say anything.

lan yu continued, " the rainy night is a painting that my little wife has drawn to pay her respects to me. she said that she wanted to draw it into the same series as yin tian. i don't think this can be considered plagiarism. "

as he spoke, he reached out his hand to xue 'er. " come here. "

xue 'er did not move. she only looked at him, unable to move.

Lan Yu still walked towards her slowly, a faint smile on his face. annn.

He walked to her side and hugged her.

this scene was captured on camera.

she was led to the stage by him in a daze. she didn't hear what lan yu said, and her gaze was fixed on the direction of the door.

because ye mu yun was standing there.

His face was still pale and expressionless. He looked at her deeply and watched her in Lan Yu's embrace.

she saw that his eyes were filled with disappointment.

suddenly, xue 'er wanted to cry.

Why did he come? he had clearly guessed it!

she didn't react at all, so she didn't know that lan yu had kissed her on the forehead.

then, a little carrot head appeared by her feet. it was yi shu, and she called out 'mommy' in a very cute way.

Xue 'er wanted to push Lan Yu's fingers away, but she clenched them tightly and pursed her lips tightly.

she could no longer push lan yu away in front of lan yishu.

lan yu reached out and picked up the pretty little boy. facing the camera, he said very generously, " "This is our son, LAN Yishu,"

xue 'er's heart trembled. when she looked up again, there was no one there.

ye muyun was no longer there. it was empty, just like her heart.

little yi shu was placed in her arms. that warm little person wrapped his arms around her neck, and he was especially soft and coquettish, " "Mommy,"

Xue 'er kissed his little face and hugged him tightly.

no one would doubt that they weren't a family of three, because they were very pleasing to the eye when put together. they looked like a family, yingluo.

family!

ye muyun sat in the rv, his thumb pressing against his thin lips, his face as calm as water.

“CEO ye, where do you want to go?” the driver asked as he started the car.

“back to pei garden.” ye mu yun closed his eyes.

The driver was a little surprised because President ye rarely went there. If he did, he would go to see Mr. Tang and Mrs. Tang, but Mr. Tang and Mrs. Tang were not in China.

“Are you going to get something?” the driver hesitated.

this time, ye mu yun didn’t reply.

Take something back? this time, could he get it back?

A family of three!

Chapter 2240: Husband and wife in name (1)

the black rv drove towards pei garden.

When the car stopped, ye mu Yun said in a very light tone,”You should leave first! i want to be alone for a while.”

the chauffeur nodded and quickly left.

Ye Muyun sat for a while more before opening the door and getting out.

it was already late autumn, and the trees in the pei garden were slightly withered and yellow, unlike before.

He took off his coat and held it horizontally in his hand as he walked along the path to the main house.

he remembered that there were many fireflies here when he was young, especially in the summer.

the chubby custard always wore a beautiful white dress and pouted his little mouth. ” “big brother, you can just catch two.”

She was very curious about the shiny thing, but if he really caught it for her, she would be scared to death and want him to show it to her.

She would always cover her round little finger and secretly take a look. She was extremely timid and especially useless.

ye mu yun stood there, his eyes warm.

he still remembered that in the middle of her round little fingers, her eyes were also round, with clear black and white, so cute.

the cuteness that ran ran had shown since she was young belonged to him.

ye muyun was so conceited that she never thought that there would be a day when another man would appear by her side, even in the years they had been separated.

however, not only did they have one, they even got married and had a five or six-year-old child.

that child was five or six years old. did she get together with lan yu after leaving him for more than a year?

Ye mu Yun smiled lightly, but bitterly.

he raised his hand to cover his eyes, not letting the sun shine on his pale face.

At this moment, his heart was filled with desolation. He couldn't even squeeze out a bitter smile.

he slowly walked into the main residence, waved the servants away, and walked up the stairs step by step.

the servant was a little worried, so he called gu ze.

Gu ze hesitated for a moment and told them to leave first.

At this time, he felt that ye mu Yun needed to calm down.

But this calm lasted for two days and two nights. Ye Muyun turned off his phone and disconnected all the tools he could contact. He locked himself in PEI garden. Other than eating something when he was hungry, he didn't even take a shower. He just lay there in the bedroom she slept in.

the place was still the same as when she left. he had people come in every day to tidy it up and put a fresh rose on it, never stopping.

When he missed her too much, he would come over to sleep for a night. No one knew about this secret.

but now, lying here, he couldn't smell her usual milky scent. instead, it was the faint fragrance of a softening agent.

ye muyun started to lose sleep. it was a serious case of insomnia. he lost a lot of weight after two days and two nights.

at the same time, everyone in the world was looking for bo yi's ceo, gu ze, but he had yet to appear. GM hotel.

xue 'er flipped through the picture book and accompanied lan yishu.

the five-year-old yi shu was very talented in painting. she thought that he must have inherited lan yu's genes!

She turned her face to the side and saw that Yingying looked a little like Lan Yu.

if the child she was pregnant with back then was still around, he would probably be two years older than yi shu and would be as obedient as him.

As she thought about it, Xue 'er's little face became a little lost in thought, and her eyes also became a little sad.

Little Yi Shu reached out and pinched her face. His little fingers were soft. annn, what are you thinking about? ”

xue 'er smiled. ” i was thinking that yishu is going to school soon. your daddy and i should bring you back to new York earlier. “
