

Thank you 2461

Chapter 2461: Baby, time to take your medicine (4)

He still did not speak.

She was a little flustered and carefully shook his arm. "Zhou chongguang."

he seemed to have just returned to his senses. he looked at qin mu, then leaned over and hugged her very gently."i'm the same. i won't leave you."

qin mu was thrown into his arms. his little face was on his shoulder, and he could feel his heartbeat.

after a long time, he finally let go of her. then, he stopped talking as much as he did before. it was a little quiet in the car until they arrived at the place she had chosen.

It was a very good location. It was located at the best part of B city and was a full 800 square meters. The annual rent would probably cost a few million, but Zhou chongguang did not care about that. As long as Qin Mu was happy, it did not matter whether he earned money or not.

...

Just as Qin Mu said, the male landlord was very young and handsome. He had the style of li zeyan in Love and Producer. In reality, he was the other male version of Qin Chen, a real man.

Zhou chongguang looked at his little wife dealing with other men, looking at her smiling as she discussed things with others. In general manager Zhou's eyes, the male landlord had successfully become a third party. Every smile, in general manager Zhou's eyes, was extremely hateful.

Qin Mu would occasionally see his husband's expression and thought that he was extremely cute.

however, she ignored him. if she was jealous of him, she would not be able to live with the things he had done in the past.

qin mu and the landlady discussed the rent very quickly. she first paid a deposit of 20 yuan, which was considered settled. the rest of the payment would be paid in two days when the contract was drafted.

from the beginning to the end, she had acted very independently and did not need zhou chongguang to step in. slowly, zhou chongguang also realized this.

Qin Mu had been staying at home all these years, but she was not at all unfamiliar with dealing with these matters of the outside world.

this actually made zhou chongguang feel a sense of crisis, which meant that qin mu could still live on well without him.

Suddenly, his back was covered in cold sweat.

After Qin Mu finished talking, he tilted his head and looked at him. He asked strangely, ” “zhou chongguang, what’s wrong?”

He forced a smile and opened the door for her to get in. After he got in, he smiled.”It’s nothing!”

Qin Mu sat beside him, his voice gentle. “Are you under a lot of pressure?”

“What?” his voice was hoarse as he looked at her with his head tilted.

Qin Mu smiled slightly. I’m saying that you’re pregnant. Yingluo, don’t compare yourself to your brother. i didn’t mean it that way.”

He was still looking at her with a strange expression.

In the end, Qin Mu stuck out his tongue and finally said, ” I’m saying that you’re already very powerful. You don’t need to feel inferior in this aspect.

zhou chongguang’s eyes had a hint of a smile, and his voice was light and hurried. ” “Silly girl.”

After he finished speaking, he pulled her into his arms and hugged her very tightly. Qin Mu could feel his concern from this hug.

her voice was soft and light. "zhou chongguang, if we can't have a child, then i'll be your child, okay? I can act cute every day, I'm not worse than Xue 'er."

"Why are you comparing yourself to her!" he gently patted her back. "you are you. you're not anyone else!" Hmm?"

His little fool nodded in a daze, and then quickly said, "I was just trying to comfort you seeing that you were down today!"

He rubbed his chin and laughed at himself."it's probably because menopause has come early?"

"yes!" qin mu understood and nodded his head vigorously."probably!"

Chapter 2462: be good and sleep first!(1)

Zhou chongguang smiled and started the car. As he drove, he asked casually, "are you going to go to your mother's place or go home first?"

Qin Mu glanced at him. I thought you would invite me to your office.

zhou chongguang basked in the sun, then looked at her with a meaningful look. "i want to check up on them!"

Qin Mu snorted softly. why do I have to check on my post when I'm with you? if I want to check, I should just go there suddenly!

zhou chongguang was silent for a while before he said in a low voice, "It won't happen again. That kind of thing won't happen again."

qin mu knew what he was talking about. he pursed his lips and said softly, "i don't have any intention of bringing up old scores,"

...

because if she continued to talk about these things, she would also be looking for unhappiness.

zhou chongguang laughed, "so obedient!"

qin mu's voice suddenly became fierce. "Throw that sofa away. I don't want to see it again."

I'll change to another office, "he said, trying to make her happy. that'll be the warehouse, okay?"

qin mu snorted coldly and didn't answer him.

she didn't believe him, he only knew how to coax her.

However, after a while, she still said, "I'll go to my mom's place. You seem to have a lot of work to do these days."

he held the steering wheel with one hand and pinched her little face with the other. "It sounds like he has a conscience."

Qin Mu just glared at him.

Zhou chongguang smiled and turned the car towards the direction of the Qin family. Half an hour later, he put her down.

when qin mu got out of the car, he was still a little dependent. "you, ran ran, get off work early."

He leaned over and kissed her little face. His voice was slightly hoarse. I'll pick you up tonight.

qin mu got out of the car, waved at him, and watched the car leave.

Behind her, a little person hugged her body and said in a soft and sweet voice, "aunt."

Qin Mu immediately knew it was little Yi Shu. He smiled and turned around, carrying the little guy in a circle.

she really had a big appetite. she had gained a little weight in just a few days. qin mu really liked her and kissed her. ” what delicious food did you eat? ”

she sniffed the milky fragrance and was as mesmerized as ye mu yun.

little yi shu’s chubby little hands were still holding her, and he pointed at ye liangqiu.”grandma, grandma, yingluo”

“It’s grandma,” Qin Mu corrected her with a smile.

little yi shu held her face in his hands and gave her a sweet kiss.

Ye Liangqiu walked over and took little Yi Shu into her arms. She smiled at her daughter,”She really likes you.”

ye liangqiu looked at little yi shu and was overjoyed. on one hand, little yi shu was really cute, and on the other hand, she looked very much like xue ‘er when she was young. ye liangqiu treated her well with little yi shu, as if it could slightly compensate xue’ er.

She knew that mu Yun and Xue ‘er had gotten married a long time ago. Xue’ er didn’t care, but ye Liangqiu still had a knot in her heart about what had happened eight years ago, so she had spoiled her granddaughter to the point of shamelessness.

At the very least, Qin Mu had never seen such a pampered child among the siblings. They were really afraid that it would melt if they kept it in their mouths.

She smiled and held little Yi Shu’s hand. it’s probably because we’re related by blood!

little yi shu was here, but brother and xue ‘er couldn’t go anywhere. yi shu’s body was here, and if they touched anything, would they have to draw lan yu’s blood again?

The newly-wedded couple had just found a resort in B city to enjoy their two-person world.

besides, xue 'er was only two months pregnant, so she couldn't be too tired.

Chapter 2463: Be good and sleep first (2)

Ye Liangqiu held the little darling in her arms, her eyes fixed on the little darling's tiny face. He looked exactly like Xue 'er when she was young. The more she looked at him, the cuter he looked. Ye Liangqiu had been so cold and distant in the past, but now she was like an ordinary grandmother, kissing her granddaughter again and again.

Little Yi Shu was embarrassed by the kiss and buried his face in ye Liangqiu's arms.

Qin Mu also knew that his mother had already brought the little fella to visit her relatives these few days and showed him off a few times. Both her body and mind were satisfied.

her father had called to complain, saying that he no longer had a sex life. when qin mu heard that, he almost spat out the water in his mouth.

That was why she wanted to come and have a look. At first glance, her mother was addicted to cats, just like those cat owners.

she could not help but say,"mom, let go of the past!" you don't have to worry about it anymore."

...

Ye Liangqiu carried little Yishu and looked at Qin Mu. She sighed. "I know, but I still feel sorry for Xue 'er! you don't have to say anything about your brother, but it's true that xue 'er was being unfair to her. "

"you've been feeling guilty for so many years, ran ran." qin mu went forward and hugged his mother's arm from the side. "mom, blame me if you want to blame someone. i was insensible."

ye liangqiu turned her head and looked at her. she didn't know if she should be glad or what. after all, qin mu and zhou chongguang were getting along well now. zhou chongguang was very concerned about qin mu, and there weren't many flowers and plants outside.

qin mu looked at his mother and smiled. in such a happy smile, ye liangqiu could be considered to have been redeemed.

the mother and daughter were playing little yi shu (what?). As they chatted, ye Liangqiu was most concerned about the relationship between Qin Mu and mother Zhou. After all, the Zhou and Qin families had some grudges in the past.

Qin Mu nodded, 'it's alright! It's Yingluo.'

"his mother seems to be in a hurry to have a grandson," she said, biting her lower lip.

As he spoke, Qin Mu told his mother the truth. "mom, didn't qin chen tell you?"

of course, qin chen wouldn't hide this from his mother. ye liangqiu hesitated for a moment before nodding. " i've heard about it from him. "

Qin MU's expression was a little dazed. After a long time, he said, " " mom, zhou chongguang said that if i can't get pregnant, i'll adopt a child. i'm afraid his mother will be unhappy. "

ye liangqiu reached out to stroke her long hair. " for this matter, the key is zhou chongguang's attitude. he must have thought it through before saying this. furthermore, you and his mother have not been together before. you'll just look at him coldly once in a while, and then you'll act coquettishly with zhou chongguang. of course, the most important thing for a married couple is to have some harmony, provided that you still want to live well with him. "

qin mu acknowledged and smiled. his mood was obviously much better.

she stayed at the qin family for a day and talked to her mother about the art gallery.

when ye liangqiu heard that she wanted to run the business with xue 'er, she laughed,"then you can be the shopkeeper yourself!"

"Mom!" "You can't say that in front of Xue 'er," Qin Mu said unhappily.

ye liangqiu pinched little yi shu's face and said,"it's not xue 'er's problem, it's your brother's problem."

" don't think that your brother is in a high position and has a lot of power now. he's actually still a weasel! " ye liangqiu didn't feel any pressure in mocking her son.

Qin Mu laughed. mom, brother will die of anger if he hears this!

"i'd rather die of anger!" Ye Liangqiu was still smiling. look at him. He can't wait to tie his wife to him 24 hours a day. Isn't this delaying Xue 'er? "

Chapter 2464: be good and sleep first (3)

ye liangqiu was still smiling. " look at him. he can't wait to tie his wife to him 24 hours a day. isn't this delaying xue 'er? "

Qin Mu laughed, but he still said something fair."xue 'er doesn't seem to have any great ambitions!"

the mother smiled and asked again, " then why did you ask her to work with you? "

alright, elder jiang was indeed the spiciest. her mother immediately saw through her!

qin mu finally confessed. " well, my brother has a lot of connections. in the future, let xue 'er draw a few paintings with a higher standard. brother will have to spend a lot of money to support his wife! "

ye liangqiu was both angry and amused,"you're thinking about your own family!" i didn't see you with such a heart before."

...

"i have many little tricks up my sleeve!" Qin Mu blinked.

Ye Liangqiu was satisfied to see her like this. The two of them chatted and laughed, and the day passed.

however, zhou chongguang called to say that he would be picking her up later.

Qin Mu said that there was no need. She took the chauffeur's car back.

when she got home, it was already eight o'clock. she looked at the parking lot and saw that zhou chongguang's car had not returned.

she took a shower and lay in bed to read for a while, but he had not returned.

when it was ten o'clock, qin mu couldn't help but make a call. " "Zhou chongguang, when are you coming back?"

the voice was entangled with a girl's coquettishness!

zhou chongguang's voice was gentle. " i'll be back soon. be good. go to sleep first. "

to be honest, qin mu was still a little disappointed.

she had thought that after they made up, he would have less to socialize with others. at least, he would be home at eight or nine o'clock. she didn't know what time it would be on the first day.

however, she couldn't tell him about her little temper and grievances, so she kept silent.

on the other end, his voice was low and hoarse. ” “you want me to come back earlier, right?”

Qin Mu hummed in agreement.

“alright, i’ll try to come back earlier!” his voice became gentler, revealing an unknown fatigue.

“It’s still going to take a long time.” Qin Mu was a little disappointed.

“Soon. Be good and sleep early!” he coaxed her without the slightest hint of impatience.

qin mu suddenly let it be. ” then, take a video for me now. i want to see the surroundings. ”

the person on the other end stopped breathing. after a while, she asked softly, ” “Mumu, you don’t believe me?”

“i just want to see it.” She said somewhat unreasonably.

At first, she thought that he would be angry, but he didn’t. Not only that, but he also took photos online for her to see.

he was indeed in his own office. there was no one else around, and he was the only one sitting at his desk. however, the set of sofas was still there. qin mu’s heart ached when he saw this, and he hung up the call very quickly.

after lying down, she couldn’t fall asleep for a while. she tossed and turned and then fell asleep in a daze.

By the time Zhou chongguang returned, it was already one o ‘clock at night.

When he walked into the master bedroom gently, Qin Mu was already asleep. He took off his coat and slowly walked to the side of the bed. He sat down and reached out to caress her small face.

she didn’t look like she had a good sleep, so he didn’t know if she had cried before she went to bed.

a pampered little wife was always somewhat sentimental, let alone his mumu.

he reached out to touch her small face and said in a low voice, ” “Mumu, I won’t hurt you.”

She woke up and looked at him with tears in her eyes. “you’re back?”

“I’m back!”

Chapter 2465: zhou chongguang, where are you?(1)

zhou chongguang was still caressing her little face, lowering his head to kiss her. ” “i’ll go take a shower first! hmm?”

however, qin mu didn’t let him leave. his small arms hooked around his neck, and his voice was soft.”i want to hug you for a while.”

“it became so small all of a sudden?” He chuckled softly, but he still fulfilled her little wish. He hugged her gently and coaxed her as if he was coaxing a baby.

Qin MU’s small face rested on his shoulder. His expression was a little dazed, and he hugged him for a long time without letting go.

zhou chongguang’s voice was a little hoarse. ” what’s wrong with mumu? are you angry? ”

He lowered his head to search for her lips and kissed them lightly.”i won’t be so late in the future.”

...

Qin Mu didn’t say anything. He just folded his small face on his chin and neck. That soft look made him unable to hold back any longer. He cupped her small face and kissed her deeply. However, he still cared about her feelings and asked, ” “Mumu, I want you.”

she didn’t make a sound, but she hugged him tighter.

zhou chongguang followed her direction, pressed her down, and kissed her deeply.

As they kissed, he changed his tone. He had never been so fierce and rough before.

Qin Mu was still engrossed in the beginning, but he couldn't take it anymore. He raised his head slightly and whispered in his ear, "zhou chongguang, be gentler."

only then did he come to a realization. then, he pressed his face against hers and let out a deep breath."i'm sorry, mumu, i lost control."

Later on, he became gentle, but he was a little distracted.

Luckily, Qin Mu was too tired and fell asleep.

after the match, the thin layer of sweat had already gone cold, but zhou chongguang's body was filled with endless emptiness.

he didn't take a shower immediately. instead, he held her in this position and felt her presence.

His eyes were fixed on her the entire time, not even blinking once, afraid that she would disappear.

it wasn't until his eyes were sore that he closed them and murmured her name, "Mumu."

He carried her to take a bath. Qin Mu had been sleeping the whole time and wasn't very cooperative, but he still insisted on giving her a bath. Later, when they returned to the bedroom and she fell asleep, he carried her and did it twice.

He wanted to give her a child. A child was too important to him.

A child should be able to keep her safe by his side. No matter what happened, she just had to stay behind him.

The child's love for Zhou chongguang was buried in her neck. He had never yearned for a child so much.

in the morning, when qin mu woke up, zhou chongguang was still there. his magnified handsome face was right in front of her.

qin mu blinked and said in a light voice, ” “when did you come back?”

“a little past one.” He laid on the pillow like her. we made love. Don’t you remember? ”

when he said this, qin mu’s face turned red. he looked at him.”in the future, if you come back late, don’t provoke me.”

“i’ve provoked him three times,” He leaned over and used his coolness and the tip of his nose to gently rub against hers. It was very intimate.

qin mu’s eyes widened slightly. ” you’re shameless. ”

she vaguely remembered that it had only happened once.

“I did it myself.” When she retreated, he came over and teased her. “i’m in the mood just by looking at your little face.”

Qin Mu bit his small mouth. He could no longer keep up with his rhythm.

Zhou chongguang laughed and didn’t make things difficult for her anymore. Instead, he reached out and pinched her small face, then laughed softly. I’ll go and brew the medicine for you.

qin mu reached out to grab him, his voice soft and uneasy. ” “zhou chongguang, will the medicine affect the child?”

Chapter 2466: zhou chongguang, where are you?(2)

She remembered that he didn’t use protection last night either, so she was a little worried.

Zhou chongguang patted her small hand. don't you trust that kid, Qin Chen? ”

“qin chen is a girl.” Qin Mu said unhappily.

Zhou chongguang laughed and ruffled her hair, ” but she doesn't think of herself as a woman. She's more handsome than most men.

qin mu didn't know whether to laugh or cry as he sat on the bed. he scratched his head.”i'm going to sleep a little longer. i'll ignore you if you're late next time.”

“I know.” His voice was unbelievably gentle. He changed his clothes and went downstairs.

...

Qin Mu laid down and fell asleep again because he was too tired. When he woke up, he was already in his arms.

He fed her the plums and then the medicine. Everything was so gentle.

after she finished the medicine, she obediently stayed in his arms and showed some concern for general manager zhou.”do you want to take a break this morning?”

zhou chongguang pursed his lips and smiled.

qin mu glanced at him. there was a meaningful look in his eyes.

“I'm only 28, Mrs. Zhou!” “I still have this much energy,” he said as he pinched her face.

Qin Mu covered his head with the blanket and refused to speak anymore.

and zhou chongguang's expression was a little dazed.

days passed like this. qin mu was a little busy. the art gallery over there had started to be renovated. just like her mother thought, they couldn't count on xue 'er. her brother was watching over it very closely. little yi shu was left to her grandmother, and her brother took his newly-wedded wife to work every day.

as for her brother, not only did he not feel embarrassed, he even enjoyed it.

Sometimes, Qin Mu would also hug Zhou chongguang and say, "why don't we stop building the Art Gallery and follow him to work every day?"

the next day, zhou chongguang really wanted to dig her up. qin mu smiled and hugged the blanket, saying that he didn't want it anymore. she didn't want to open the sky and leave early and return late. she was exhausted!

"so you were lying to me! you little liar!" zhou chongguang carried her along with the blanket. he raised his hand and looked at his watch. "there's still half an hour left, yingying. "

"what do you want to do?" qin mu pretended to scream.

"Make love!" He spat out these two words very flirtatiously. Then, he pulled away the blanket and pounced on her, hot-blooded.

Qin Mu struggled with all his might, and his pajamas also slid open, looking soft and fragrant.

He hadn't touched her for a few days, so half an hour might not be enough. He would probably be late.

Just as he was unable to control his eyes, Zhou chongguang's phone rang.

after a few sounds, he still pressed qin mu down. he was unwilling to stop, and he couldn't stop.

How could a man stop at this moment? if he stopped, he would not be a man.

Qin Mu was originally a little dazed, but he was also defeated by the ringtone. After a while, he came back to his senses and reached over to grab his phone.

zhou chongguang held her down with one hand and took the phone with the other. seeing that it was zhao ziyi, he picked it up, ” “i’ll be at the office in an hour.”

As he spoke, he threw the phone on the ground, far away.

“You won’t have any subordinates if you whine like this.” Qin MU’s voice was intermittent.

“I’ll be fine as long as I have you!” he was still warm, and he was whispering in her ear.

qin mu couldn’t do anything to him, and he spent a lot of time to ignite her body again.

After one round, Qin Mu had no more energy to lie down. Zhou chongguang still boiled medicine for her and made breakfast before going to the company.

for the entire month, he came back later and later, but he never missed a day of making medicine, making breakfast, and making love.

Chapter 2467: zhou chongguang, where are you?(3)

at first, qin mu had some complaints, but as time passed, he got used to it.

she went to bed early and would read a few books before going to bed. later, she slowly added some books on parenting to the bedside.

that night, zhou chongguang looked at the book and stared at it for a long time. then, he hugged her.

He didn’t do it. He just hugged her and told her that he would definitely have a child.

Qin Mu felt that he was a little strange and poked him with his little hand. “Zhou chongguang?”

He hummed in a deep voice.

...

“You seem to like children more than I do.” she said softly.

“i like it’s your child,” he said.

he wanted her to give birth to a little qin mu. since he was young, he had to dote on this child and make up for what he owed qin mu. he wanted to live well with her.

The absurdity of the past would not happen again.

Because he loved her so much now, and he would always love her in the future.

Qin Mu made an “Oh” sound and then said softly, ” “What if she can’t?”

“then i like you!” He kissed her forehead and said in a hoarse voice, ” mumu, we agreed on this. it won’t change, okay? ”

she felt more at ease and talked to him about her art gallery. although zhou chongguang was busy, he still listened to his wife’s words carefully. her expression was so happy, and he could see that qin mu was really happy now.

zhou chongguang thought, as long as she was happy.

When he went to work, Qin Mu couldn’t help but be childish again. In order to keep him, he even took the initiative for once.

Zhou chongguang’s soul was gone, and he had a good time before leaving.

qin mu slept alone at home until noon. after lunch, he drove to see the progress of the art gallery in the afternoon.

the designer was introduced by zhou chongguang. after looking at the drawing, qin mu was also very satisfied. he probably didn’t need to worry about anything.

she went to the shopping center to buy some tonics and wanted to visit xue 'er. she hadn't seen her for half a month and take a look at her precious paintings.

qin mu carried his things and placed them in the trunk. when he was about to open the car door, his lower abdomen hurt a little.

she bent over in pain and felt like she was on fire. she didn't even have the strength to open the car door, let alone drive.

her fingers trembled as she took out her phone and dialed zhou chongguang's number.

However, his phone was turned off.

then, she called his secretary. the secretary answered the phone and said that president zhou was in a meeting and would call mrs. zhou back later.

Qin MU's fingers were on the car door, and his forehead was full of cold sweat. ask Zhou chongguang to come over and answer the phone.

the secretary was so scared that she peed her pants. she was stunned for a long time before she told the truth. "director zhou is not in the office. "

"then did zhou chongguang ask you to say those words?" Qin Mu laughed coldly and then smashed his phone.

he had turned off his phone and lied to her that he was in the company to find out where he was.

why had he been so busy these days?

Qin Mu couldn't help but overthink. Only now did she know how difficult it was to maintain a so-called perfect marriage with a man with a criminal record. She had completely trusted him before.

She had never thought of anything else when he came back so late.

However, Qin Mu knew that there was definitely something wrong with this phone call.

if there was no problem, he would not turn off his phone, nor would he let the secretary tell him that he was in a meeting.

Qin MU's stomach was in great pain, but she still supported herself and took a taxi. to Rongguang.

This place was very close to his company. When he had first chosen the place, he had said that it was a ten-minute walk to his company to have lunch.

Chapter 2468: Zhou chongguang, where are you?(4)

The driver drove for two minutes and arrived at Rongguang's building.

Rongguang was very different from the past. Zhou chongguang used eight years to turn a traditional family business into a new technology upstart in B city.

The two Gemini Towers were both 68-story tall. Under the sunlight, they shone coldly and elegantly. Qin Mu stood downstairs, feeling dizzy.

The lady at the front desk recognized her, mainly because Qin Mu had come to make a scene last time. Moreover, she heard that President Zhou and Madam Zhou's relationship was especially good recently, and it was impossible for them to get a divorce. Thus, she didn't dare to neglect this time and immediately went forward with a smile."Madam, are you looking for President Zhou?"

She had just finished speaking when she was shocked because Qin MU's expression was too ugly.

qin mu pushed open the front desk. " i'll go up myself! "

...

the receptionist was shocked. she wanted to help him up but didn't dare to, so she immediately made a phone call to the secretary on the top floor.

The phone was smashed by Qin Mu. After Qin Mu smashed it, he said in a cold voice, "if you dare to move again, try it."

while she was doing all this, she felt an unspeakable pain in her lower abdomen. she didn't know how she was able to hold on, but she walked into the elevator and rushed to the top floor like a fierce woman.

Qin MU's mind was in a mess. He even thought about what she would do if she went up now and there was a woman in Zhou chongguang's office.

Did he turn around and leave, and even scratched his face on the spot?

She thought that she would do it.

However, when she pushed open the door to the office, it was empty. There was not even the scent of a human, let alone a woman's scent.

on the opposite side was a set of sofas. it was not the original set. he had replaced them these few days. everything in the office had been changed. he had done what he said.

But why did he lie to her?

Qin Mu stood there in a daze. Behind him stood Zhou chongguang's little Secretary, who said carefully, "director zhou is not in the office. he might have something urgent to attend to, ran ran."

she paused for a moment. "vice president zhao is here. "

Qin Mu suddenly turned around and looked at Zhao Ziyi, Zhou chongguang's good friend.

zhao ziyi's expression did not look too good either. his gaze was locked on qin mu's face as he called out to her, "Qin Mu, do you feel uncomfortable?"

Qin Mu took a step back and avoided his good intentions. His voice was even colder."Where is Zhou chongguang?"

“he went out to discuss business.” zhao ziyi replied without thinking, his expression natural.

qin mu was unmoved. ” why did his secretary say he was in a meeting? ”

” that’s for dealing with other women. the secretary is used to it and hasn’t come back to her senses yet. after all, chongguang wouldn’t mention his private life to a secretary. ” Zhao Ziyi’s reply was watertight.

Qin Mu was speechless for a moment.

the secretary beside him nodded vigorously. ” “yes, it’s like this, it’s like yingluo!”

At this moment, Zhao Ziyi stepped forward to support Qin Mu. ” i’ll send you to the hospital. qin mu, don’t be so stubborn. chongguang will be worried! ”

Qin Mu reached out to push him away, but she was too weak to do so.

“where is he?” he turned his head and looked at zhao ziyi.

Her woman’s intuition told her that Zhao Ziyi was helping Zhou chongguang to hide something.

zhao ziyi smiled. ” we’re discussing a collaboration. it’s not convenient for women to go there. qin mu, chongguang would at most hug you once at that place. there’s definitely no other place. ”

When he said this, Qin Mu naturally had nothing to say. Also, she was in so much pain that she couldn’t even stand.

the secretary trembled in fear and kept saying, ” “president zhao, let’s send madam to the hospital.”

Chapter 2469: He loves Qin Mu very much, so it’s impossible for them to break up (1)

zhao ziyi nodded and carried qin mu horizontally. qin mu struggled for a while before he lost all his strength, his face pale.

The elevator soon arrived at the lobby on the first floor. The little Secretary pressed the door for them but did not follow them in the end.

there were quite a few people in the lobby. they were all silent as they watched director zhao carry director zhou's wife out of the elevator.

New gossip quietly spread within Rongguang. Everyone was guessing whether Mrs. Zhou was here today for President Zhou or for jianjia's President Zhao.

zhao ziyi sat in the car and turned his head to look at qin mu, who was lying in the back seat. he said in a low voice, " " bear with it for a while longer. i'll go to the nearest hospital. "

As he said that, he started the car. The rearview mirror reflected his tense and handsome face, and his fingers that were holding the steering wheel were almost white. He had told Zhou chongguang before that he liked Qin Mu.

...

Although these words were a little provocative to Zhou chongguang, they were also the truth.

seeing qin mu like this, his heart would more or less ache.

while waiting at a red light, zhao ziyi gave zhou chongguang a call, but his phone was still turned off.

He cursed under his breath, hung up the phone, and focused on driving.

Ten minutes later, they arrived at the emergency department of the First People's Hospital in B city. Qin Mu was in so much pain that he could not walk. He could only hug her. Anyone who saw them would think that they were a couple.

"Bear with it a little longer." Zhao Ziyi quickly walked over, his voice a little low. I've pulled some strings, and I can see it immediately.

qin mu nodded. at this moment, she was still grateful to zhao ziyi because she really could not take it anymore.

Zhao Ziyi took the elevator and went directly to the emergency room on the fourth floor. After getting off the elevator, he quickly walked to the consultation room.

unexpectedly, he slowly stopped in his tracks and even turned around to leave.

however, qin mu had already seen it.

She saw Zhou chongguang.

He saw Gu Mei, who was four to five months pregnant.

Of course, there was also mother Zhou.

they were like a warm family.

she looked at zhou chongguang with a death stare. zhou chongguang did the same, looking straight at her.

the surroundings seemed to have suddenly quieted down. there was only him, her, gu mei, and gu mei's stomach left.

she looked at it for a very long time, until her eyes were sore. only then did she blink her teary eyes and softly asked zhao ziyi, " you said that he was discussing a contract with someone and that there might be a young lady sitting beside him. It would be inconvenient for me to go. But Zhao Ziyi, why didn't you tell me that he and Gu Mei had a child? "

Four to five months, that was when they were getting a divorce. Was it before or after?

Qin Mu tried his best to blink away the tears in his eyes, but the more he blinked, the more tears flowed. It was so much that he couldn't control his tears.

She buried her face in Zhao Ziyi's shoulder and whispered, " "take me away!"

However, Zhao Ziyi could not make the decision on this matter.

he liked her, but she was now chongguang's wife. chongguang had no love for gu mei.

Chongguang was only temporarily on the defensive.

he didn't move. qin mu's hand suddenly pounded on his shoulder, and then he gave him a slap."I'm letting you go!"

It was the first time that such a proud person like her had lost her self-control and lost her face outside.

this was because the blow was too great. everything that had happened was beyond her tolerance.

and that slap, when it landed on zhao ziyi's face, it was more like it landed on zhou chongguang's face.

zhou chongguang walked over quickly, his voice extremely low and hoarse. " mumu, what's wrong with you? "

However, Qin Mu had already passed out. Perhaps, he was running away or he didn't want to see him.

Her hands drooped down powerlessly, and her face was buried in Zhao Ziyi's shoulder. Everything seemed to have nothing to do with Zhou chongguang.

Chapter 2470: He loves Qin Mu very much, so it's impossible for them to break up (2)

zhou chongguang's face was drained of all color.

Qin Mu naturally could not answer him. Zhao Ziyi said in a low voice, " "she has a stomachache. it might be gastroenteritis, or worse, it might be yingluo."

"she's not pregnant!" zhou chongguang interrupted zhao ziyi's conjectures and directly took qin mu from his arms. he carried qin mu very carefully, as if he was carrying a treasure.

Then, he walked straight to the emergency room.

behind him, gu mei's face was pale. her hand was on her stomach and she did not move at all.

Zhou chongguang's mother stopped him. chongguang, " she said. think about it carefully.

...

Compared to Qin Mu, mother Zhou actually liked Gu Mei more. Gu Mei had gone to jail for Zhou chongguang since she was 20 years old, and Qin MU's older brother had indirectly caused old Zhou's death. Gu Mei also had a child, so mother Zhou's mind was clear.

In her heart, Gu Mei was more suitable for Chong Guang.

not to mention anything else, with qin mu's temper, he would not be able to tolerate gu mei's child. and mother zhou was not willing to give up on this child. if qin mu did not have any physiological problems, mother zhou would not care too much about this child. however, it was obvious that qin mu was not very capable of giving birth. as a traditional old lady, mother zhou's little scheme had become somewhat reasonable.

Mother Zhou said this, but Zhou chongguang did not even stop. He just hugged Qin Mu and pressed his face against Qin MU's. His expression was so gentle, a kind of pained gentleness.

gu mei was dressed in red. she stood there and said softly, " auntie, don't make things difficult for him. "

She lowered her head and caressed her stomach."I just want to give birth to the child. It's fine as long as you bring him up yourself, everything else doesn't matter."

At this moment, Zhao Ziyi slowly walked over. His gaze was almost cold-blooded as he looked at Gu Mei. if you really thought that way, why did you come back? you could have given birth to this child in France. Then, you could have just said that you had it with someone else. If you delayed it by a few years, chongguang and Qin MU's child might already be a few years old. The appearance of you and the child would not change anything. For the sake of the child, Qin Mu would not have divorced either. However, you chose to come back at this time. Gu Mei, you said that you did not think of anything. do you think anyone would believe you?"

gu mei's face was completely pale. she looked at zhou chongguang and only spoke after a long while, " "You were the ones who found me."

"Yes, we were the ones who found you! If I can't find you, you'll go straight to Qin Mu." Zhao Ziyi laughed coldly. Gu Mei, I've really underestimated you. Chongguang wanted to abort the child in your stomach and you went to find his mother. Gu Mei, what are you trying to do? force an abdication? to take the position of mrs. zhou?"

"I didn't!" Gu Mei shook her head.

"Is that so?" "i don't believe a single word. if you abort the child now, i'll believe you." zhao ziyi said, word by word.

Gu Mei's expression turned even worse. She took a step back and placed her hand on her stomach."Ziyi, why don't you believe me?"

"You know it clearly in your heart!" Zhao Ziyi looked at Zhou mother. He was very close to Zhou mother, just like another son.

He spoke slowly. mother Zhou, chongguang loves Qin Mu very much. If you want a divorce for the sake of this child, you will ruin him. Really!

A few days ago, he had seen with his own eyes how good Zhou chongguang's mood was. He couldn't wait to go home every day, and sometimes he would order a bouquet of flowers at work.

this was chongguang's first love, with a wife who was about to divorce.
