

Thank you 251

Chapter 251 announcing her identity (3)

Tang Zhiyuan wasn't completely clueless. Recently, the PEI family had signs of a comeback. If Tang Yu wasn't in the middle of it, it would be impossible.

Tang Zhiyuan didn't have any prejudice against PEI Qiqi. The young lady wasn't bad either. She was pretty.

but his background was there!

he owed tang yu and always hoped that tang yu would find a better one! shen lian was not bad. in private, he felt that shen lian was more like the younger yunyun.

there's a plot in tang zhiyuan's heart that he hoped tang yu would marry shen lian, just like how he was with yunyun back then."

when he asked this, tang yu smiled and looked up at him, " i don't think it's a hot potato. the pei family is not a problem for me. "

His problem was how to do it so that his little girl would not easily notice and hurt her self-esteem.

tang yu laughed coldly, " i'm talking about her family. tang yu, don't you know that she's an illegitimate child? a few days ago, she even locked her stepmother up in the police station. think about it, would your mother accept a daughter-in-law like her? "

when he mentioned lin yun, tang yu's expression didn't look good. he smiled and his expression was calm, " my mother really likes qiqi. also, i don't mind. "

Tang Zhiyuan couldn't persuade Tang Yu. He seemed to be stubborn and it wasn't a good time to be too stubborn. So, he smiled and took a step back, " we're not married yet anyway. Let's just live like this for now!

tang yu said something that shocked him, " i will get engaged to qiqi. "

And he had decided to do it next month.

tang zhiyuan was about to smoke a cigar when he heard tang yu's words. his fingers paused and he was stunned.

after a long time, he held the cigar between his fingers and looked up at his son, " tang yu, why are you in such a hurry? "

" qiqi's too young. otherwise, i would've married her right away. " tang yu didn't have much hesitation when it came to relationships. if he liked someone, he liked them. if he wanted them, he wanted them.

he had lived with qiqi for a few months and he was satisfied in all aspects. he was sure that she was the one he wanted.

"I'm just informing you, not asking for your permission. also, please discipline your wife and don't cause trouble for qiqi. otherwise, i'm afraid i'll find trouble with you." after tang yu finished speaking, he stood up and walked out.

As he placed his fingers on the doorknob, Tang Zhiyuan suddenly said, " " tang yu, you came here today to tell me this, right? "

Tang Yu faced the door but didn't say anything. After a while, he opened the door and quietly walked out.

tang zhiyuan put the cigar back and sat there letting out a long breath. then, he said to tang yu who was outside, " in the future, you'll know that a woman's appearance isn't the most important. the most important thing is her heart. "

tang zheng's figure paused and his lips curved into a cold smile. " it's really a joke coming from you. "

he left without looking back. tang zhiyuan was a little disappointed.

He sat there for a long time without getting up, until Zhao Ke walked in.

He looked up at his current wife. It was his birthday today. Tang Zhiyuan seemed to have aged ten years. His voice was soft, " Tang Yu, he, he insists on marrying PEI Qiqi. He wants to get engaged.

He felt an indescribable sense of disappointment in his heart. His son had only informed him and did not listen to his opinion on the engagement at all.

It wasn't as if Tang Yu didn't know that Sheng Yuan would go further with the marriage between the Tang and Shen families!

but,

"Just because that girl is pretty?" tang zhiyuan looked at zhao ke and sighed, " you can't blame him. I was the same back then. I didn't love the country, only the beauty.

but in his heart, he only loved lin yun.

Chapter 252 Announcing her identity (4)

Zhao Ke looked at him and her voice was a little anxious, " Zhiyuan, are we just going to watch Tang Yu go the wrong way? " He's your only son."

tang zhiyuan laughed. " you're so concerned about him! "

zhao ke's voice softened. " i'm doing this because of you. zhiyuan, tang yu is your son, of course i care. plus, i'm also a part of the tang family. i can't let a scheming girl like her hurt tang yu."

"Alright, that's enough!" Tang Zhiyuan pushed her body away and was a little annoyed. "Don't ask too much about his matters. Haven't you embarrassed yourself enough today?"

Zhao Ke's face stiffened. Zhiyuan, are you tired of me? "

He looked at her, " just take good care of Tang Xin and don't ask too much from her. That child ...

Tang Zhiyuan didn't say much after that, but Zhao Ke knew.

Her face was a little pale. She pursed her lips and walked out without saying anything.

if ... if her tang xin didn't have this disease, would she still need to care about tang yu's attitude?

Moreover, Tang Zhiyuan refused to let her have another child. Without Tang Zhiyuan's child, in the future, she would be embarrassed.

Zhao Ke walked out and saw Tang Yu's car drive away from the balcony. She just stood there with her arms around her body. She felt cold all over ...

if people found out about her relationship with pei qiqi, she didn't even dare to think about the consequences!

back in the bedroom, she dialed shen lian's number, " shen lian, it's aunt tang. i'm sorry for what happened today. i'll try to talk to tang yu in the future. "

on the other side, shen lian was sitting in the car. she placed her elbow on the window and looked at the night sky outside. her expression was a little lazy. " aunt tang, it's fine! "

Zhao Ke said some heartwarming words again. A hint of mockery appeared on Shen Lian's face, but she still dealt with Zhao Ke!

it was not until she hung up that she sneered.

Did Zhao Ke really think she was a fool? if she went to persuade tang yu, she probably wouldn't even get to see tang yu!

Shen Lian's lips twitched. Did Zhao Ke really think that she was Mrs. Tang? when she was young, she was a professional mistress.

even she had heard her parents quarreling when she was young, and it seemed like wanwan had also mentioned zhao ke's name.

She was just a high-class prostitute. Only Tang Zhiyuan would be stupid enough to marry her!

after zhao ke finished the phone call, she turned around and saw tang xin standing at the door. she was stunned, " why aren't you sleeping? "

tang xin's voice was a little soft, " mom, do you not like qiqi? "

Zhao Ke couldn't be bothered to deal with her. She snorted coldly. yes.

"I think Qi Qi is very suitable for brother. Brother really likes Qi Qi! Marriage, don't you have to marry the person you like?" Tang Xin frowned and just stood at the door without coming in.

Zhao Ke frowned. what does a child know! in a family like ours, it's not enough to just like."

"Then it's even more unacceptable that you don't like it!" tang xin muttered, " a marriage without love should be like going to jail! "

She said it unintentionally, and Zhao Ke's face turned pale!

After a long time, she looked at Tang Xin and said in a cold voice, " go to sleep! Otherwise, don't even think about going out in the future."

tang xin immediately ran away and ran away, which made zhao ke unhappy. this child, why couldn't she be more stable like shen lian? how good would that be?

after tang xin went back, she immediately called qiqi and complained, ” qiqi, you don’t love me anymore! ”

on the other side, pei qiqi was lying on tang yu’s lap. she drank a cup of wine and felt a little dizzy.

Chapter 253 i love you!(1)

After hearing Tang Xin’s words, Qiqi chuckled, ” why don’t I love you anymore? ”

She liked Tang Xin, and she really did.

Although she was born next to Zhao Ke, Tang Xin’s character was very good, unlike PEI Huan’s distortion and awkwardness. She was much cuter than her and PEI Huan.

pei qiqi knew that she was carrying too much on her shoulders. in her heart, there was always a small demon. now, this demon was released.

she laughed and laughed as she laid in tang yu’s arms.

she was a little devil, a little devil who specialized in biting people.

tang yu felt the pain and looked down at her. his expression was extremely gentle.

This little fellow was really clingy.

His heart was also wet and hot. From this direction, he could only see her long black hair.

“Qi Qi, don’t be naughty.” His voice was hoarse.

PEI Qiqi was still talking to Tang Xin, but her phone had already fallen to the side. She stupidly said, ” “I do love you!”

Tang Yu took a deep breath. Although he knew she was drunk, he still took it seriously.

This little bastard!

He reached out and grabbed her long hair. His handsome face approached her and his voice was seductive, ” PEI Qiqi, say it again!

She was still smiling foolishly, and her small hand slapped his handsome face with a “pa” sound.

His face darkened.

The sound was so loud that even the chauffeur in front could hear it.

the middle-aged male driver’s chubby stomach shook. oh my god, miss pei actually dared to hit sir.

You must know that Sir is the largest multinational group in the North and has been at the top of the celebrity wealth list for three consecutive years!

miss pei has been spoiled rotten!

Tang Yu carried the Restless little guy in one hand and pressed a black button with the other. A black glass panel rose from the front and back of the car. It was also soundproof-it was a great tool for picking up girls.

tang yan grabbed pei qiqi’s long hair and pressed his lips against hers. his dark eyes narrowed dangerously, ” you’ve got more guts, huh? ”

pei qiqi woke up slightly. she opened her eyes wide and looked at tang yu. he was so close!

moreover, he was so handsome. his heart was beating fast, and his face was blushing. he was very good-looking.

She lifted her small hand and gently touched his beautifully shaped thin lips and his good-looking chin.

He let her touch him for a long time before he reached out and grabbed her, ” PEI Qiqi!

” tang yu, have i ever told you that you’re very good looking?! ” She wrapped her arms around his neck and sat in his arms. Her posture was very bold.

tang yu didn’t know whether to laugh or cry. this little rascal always knew how to avoid the main point.

his large palm smacked her hard, then his slender fingers gently rubbed her jelly-like red lips. his voice became a little profound. ” just now, you said that you love me? hmm?”

[the male lead is in the process of understanding the female lead] [the male lead is in the process of understanding the female lead] [the male lead is in the process of understanding the female lead] [the male lead is in the process of understanding the female lead] [the male lead is in the process of understanding the female lead]

PEI Qiqi was very happy in his arms.

he patted her again. ” behave yourself. ”

PEI Qiqi leaned on his shoulder and finally became obedient. However, the words she said were extremely infuriating, ” “Is there? i don’t remember!”

Tang Yu was carrying such a precious child. He didn’t know whether to hit or love her.

After a long time, he turned his face and pressed it against her ear, his voice extremely hoarse.”then, now tell me!”

Chapter 254 I love you (part two)

Tang Yu didn’t know whether to laugh or cry. This little rascal always knew how to avoid the main point.

PEI Qiqi was very happy in his arms.

He patted her again. behave yourself.

PEI Qiqi leaned on his shoulder and finally became obedient. However, the words she said were extremely infuriating, ” “Is there? I don’t remember!”

tang yu was carrying such a precious child. he didn’t know whether to hit or love her.

After a long time, he turned his face and pressed it against her ear, his voice extremely hoarse.”Then, now tell me!” pei qiqi’s body trembled and her arms tightened.

her feelings were very complicated.

She was like a moth to a flame. She knew that she would be hurt, but she still did it without hesitation.

She raised her little face, her eyes filled with love as she stared at him in a daze.

At this time, they were the only ones in the back seat of the small car, and it was filled with his charming masculine scent.

They were everywhere in her world.

this moment was like a dream!

it was so wonderful that she didn't want to wake up. she would rather be in his love forever and never wake up.

she looked at him and then felt that it was not enough.

tang mo's fingers around her waist tightened but he didn't move.

finally, she looked up and bit her lip, " tang yu, i don't know how to put it, but i like being with you. "

His handsome face was still as unfathomable as ever. His gaze on her did not change, and his voice was even calmer. do you like me so much that you're willing to live with me for the rest of your life, willing to cook shredded chicken noodles for me for the rest of your life, willing to sleep with me for the rest of your life, and willing to give birth to a few children for me? "

"At most two." She leaned into his arms and said to him naughtily, " I don't want to get old and ugly. You won't love me then. Besides, we have too many children, and you won't value me anymore.

Her tone was very, very childish, and extremely soft, like a pool of water in his arms.

Tang Yu's heart felt warm. If he didn't do anything, he would feel sorry for the passion. He lowered his head and kissed her on the lips.

her little hand was behind his back, and she snorted softly.

tang yu exhaled with difficulty. he pressed down on her little head and stopped her from moving, " qiqi, we're in the car now. "

she opened her misty eyes, which seemed to be immersed in endless water. " you don't want to kiss me? "

why wouldn't he want to kiss her?

Tang Yu cursed and kissed her deeply.

PEI Qiqi's little hands wrapped around his neck. Tang Yu's lips moved to her ear and his voice was a little hoarse.

The driver in front was also a sensible man. He had seen this kind of thing in the news before. Mr. Tang should be doing that!

So the driver drove around the city. When they arrived in Xia city, it was already two hours later. The driver should give them Extra Chicken legs!

However, no one knew that Tang Xin had heard all of this.

The phone didn't end. Tang Xin heard everything that happened between Tang Yu and PEI Qiqi!

She covered her face and her eyes were wide open. Oh my God, brother and Qiqi were doing that in the car!

on the other hand, tang yu quickly let go of pei qiqi. he pressed a red button and said in a hoarse voice, " go back to xia city. "

The driver didn't say anything and turned the car around.

After they got home, Tang Yu didn't let PEI Qiqi go. He carried her out of the car and into the apartment. Then, he carried her into their bedroom.

he seemed to have a lifetime to love her.

Chapter 255-too vicious

Zhou Meilin had been released for a few days, but because she was too embarrassed, she didn't dare to go out.

with pei minghe's death, she did not get the pei family. in addition, pei huan was not favored by the lin family. there was no one close to her in the past. she only understood now.

PEI Huan did come back a few times, but every time she came back, she would either complain about jinrong not coming home or say something about PEI Qiqi, Yingluo.

zhou meilin had suffered in the police station, and now she had a disease-

the moment pei qiqi was mentioned, her entire body trembled!

however, other than pei huan, she did not have anyone else to talk to. the servants in the family had also been sent away due to financial problems. initially, yingluo had been counting on pei huan, but pei huan was in the lin family and only had 50000 yuan as pocket money every month. pei huan was used to spending extravagantly and did not even have enough for herself. it was already good enough that they did not come to extort her.

Every time Zhou Meilin sighed and sat in the courtyard, she gave birth to PEI Minghe, who was a little better.

as she sat there, she suddenly squinted her eyes and saw a white sports car parked in front of her courtyard.

His entire body trembled as he felt that an incredible person had come.

when the person got out of the car, zhou meilin gritted her teeth and sneered. so it was this vixen!

The person was Zhao Ke!

Zhao Ke was dressed in a white suit, exuding an air of extravagance. She slowly pushed open the door and walked into the courtyard.

Zhou Meilin was guarding her territory like a Wolf, her eyes fierce, as if she was going to tear Zhao Ke apart at any time.

Zhao Ke looked around, then glanced at Zhou Meilin and chuckled. it seems that you're living a very poor life? "

zhou meilin raised her head slightly, got up, and touched the clothes on her body, "no matter how poor my daughter is, she is still the wife of the Lin family's matchmaker. What are you doing here, Zhao?"

Zhao Ke took off the gloves on her hands, and the two huge rings almost blinded Zhou Meilin!

This shameless woman, a Vixen. She relied on her looks to sleep with men everywhere she went until Tang Zhiyuan fell asleep.

PEI Minghe's life was ruined in the hands of this Vixen, and he probably still couldn't forget her even in death.

"You hate me?" Zhao Ke laughed. Actually, sister Meilin, you should hate these men. If they're not good, then you'll hate them. | How could I roll around with me?"

Zhou Meilin's voice was filled with anger, "[human, you seem to be proud of this! Don't you think about the bitch you left behind?| I even have the heart to tear you apart, and you still have the nerve to come over?"

She spoke extremely quickly, and her saliva almost sprayed onto Zhao Ke's face.

Zhao Ke's face tilted, and her tone was a little lazy."sister meilin, you really haven't changed at all these years. You like gentle women, not shrews. Look at you, you can't even hold PEI Minghe's heart, let alone your pretty boy!"

Zhou Meilin's face turned green and purple. She didn't expect Zhao Ke to know about her and Rong Lei.

He glared at Zhao Ke. What do you want?"

zhao ke smiled. "I don't want anything. I just want to reminisce about the past! I also came to see if you were doing well! After I saw it, my heart really ached a little!"

you don't have to worry. You should be concerned about the little b * tch you gave birth to.| She was about to climb into the Tang family's house. Think about it. If Tang Zhiyuan knew that you gave birth to such a b * tch, she would be in trouble.| son, tell me, can you still keep your position as Mrs. Tang?" Zhou Meilin also laughed coldly.

Chapter 256 too vicious (2)

zhao ke's expression didn't change. she was still smiling, and that smile made zhou meilin shiver.

what was this vixen up to now?

zhao ke stretched out her shining hand, opened her expensive bag, and took out a check.

Zhou Meilin was so poor that she had no backbone, but she still pretended not to care, "don't think you can buy me with money!"

"I know that sister Meilin doesn't lack money. This is just a small token of my appreciation!" Zhao Ke put down the check.

Zhou Meilin glanced at it. It was thirty million.

“what do you want me to do this time? Let me tell you, the 10 million you gave me last time, I raised that little b * tch PEI Qiqi. | the money spent on people is not only this amount.” zhou meilin said with confidence.

zhao ke laughed, a hint of contempt in her eyes. ” but you exchanged her for 100 million, didn’t you? ”

Zhou Meilin flinched. She was always in the wrong. But, she quickly straightened her back, ” didn’t she benefit from a disaster? who is Tang Yu? which woman in the North doesn’t want to marry him? ”

A hint of ruthlessness appeared on Zhao Ke’s face. that’s why we have to get rid of her now!

Zhou Meilin was shocked.

She looked at Zhao Ke as if she was looking at a monster. She even doubted if she had heard her wrong.

Zhao Ke was PEI Qiqi’s mother! was there a mother who wanted to kill her own child?

Even a vicious Tiger would not eat its Cubs!

“30 million and you want me to kill someone? zhao ke, you’re too vicious. that’s your biological daughter.” zhou meilin picked up the money and stuffed it back into zhao ke’s arms.

however, her hand was quickly caught by zhao ke. zhao ke’s expression was completely distorted. she stared into zhou meilin’s eyes and said in a fierce voice, ” no, she is not my daughter. she is my nightmare! ”

zhou meilin scared qianqian.

“This 30 million is not for you to kill, it’s for our friendship! As for PEI Qiqi, think about it. If she really married Tang Yu, would our Qianqian have a good ending?” zhao ke put on a fake smile, ” i think you’ve already had a taste of whether prison food is good or not. that girl hates you to the core. if tang yu finds evidence, you’ll be imprisoned sooner or later and probably never get out. and your daughter, pei huan, has a mother like you. after she gives birth, she’ll have to get a divorce sooner or later, huhu. ”

“how is that possible?” Zhou Meilin’s voice trembled, ” I didn’t kill anyone. PEI Minghe died of his own illness.

even though she said that, she still swallowed her saliva.

Zhao Ke sneered. then, is it true that you stole PEI Minghe’s official seal and took away public funds with manager li? do you think you’ll be sentenced to ten or twenty years for such a large amount of money? ”

Zhao Ke’s fingers gently pulled Zhou Meilin’s hair, ” sister Meilin, look at you. You’re so young. What if you spend the rest of your life in prison? ”

“Wouldn’t that mean that you have no hope in life? At that time, who can PEI Huan rely on?” Zhao Ke smiled. Her perfect lips pressed against Zhou Meilin’s ear, “ think about it. In the future, you will feel happy to be without PEI Qiqi.

zhou meilin’s whole body was shaking. she stared at zhao ke and said in a stern voice, “ you’re too vicious. that’s your flesh and blood. ”

zhao ke’s eyes were cold. “ that’s just a piece of my flesh that fell off! ”

Not to mention PEI Qiqi, even Tang Xin, whom she had given birth to and raised, she didn’t have anything to miss.

She was born to stand at the top and look down on others.

Chapter 257 Too vicious (3)

She was Mrs. Tang, and she could still see that person occasionally ...

if she lost this title one day, that person would never look at her again!

She didn’t want to be humble! she wanted to live a glorious life!

she was the most beautiful woman in B city. no one could replace her!

Looking at Zhao Ke’s eyes, Zhou Meilin closed her eyes and said in a weak voice, “ “Let me think about it.”

“Why didn’t you do it yourself?” she asked.

zhao ke didn’t say anything. she just let go of zhou meilin and walked towards the door.

why not?

Because PEI Qiqi was the love between her and that person.

At that time, that person didn’t want her and didn’t want her child. However, she couldn’t bear to abort it. Instead, she chose PEI Minghe as a scapegoat and raised PEI Qiqi.

She couldn’t kill Yingluo with her own hands.

Zhao Ke smiled gently, closed her eyes, and tears fell ...

it had been so many years, but she was still in a daze and had to bear the child.

he had to!

zhao ke’s car drove away, and zhou meilin took a long time to come back to her senses. her fingers trembled as she picked up the check, looking at it again and again at hanhan.

30 million!

it was enough for her to spend for a long time, but killing a cricket was not like killing a chicken!

zhou meilin thought of a thousand ways, and then rejected a thousand.

at this time, her pretty boy, rong lei, came back.

after she and rong lei were done, zhou meilin trembled and told him everything.

“kill her!” Pretty boys were always unreliable. His long and narrow peach-shaped eyes were alluring.”baby, after we kill her, the pei family will be ours. then, we’ll sell it and go abroad together! No one will be able to find us.”

Zhou Meilin was still a little hesitant, but Rong Lei suppressed her again and used his skills to conquer this silly woman Yingluo.

but zhou meilin didn’t know that rong lei and zhao ke knew each other.

zhao ke was rong lei’s first big customer and had introduced him to many rich women. to rong lei, zhao ke was like a goddess, while zhou meilin was just a stupid and silly old woman!

After that, Rong Lei leaned on the bed, picked up a cigarette, and slowly smoked it. He looked at Zhou Meilin, ” find someone, spend a few hundred thousand to kill her, and end it all. There are so many car accidents these days. At most, let that person go to jail for a year or two, and everything will be fine when he comes out. It’s an accident.

Zhou Meilin was still a little hesitant. She looked at Rong Lei, trembling, ” will we be found out? That’s going to jail!”

rong lei turned his body and pinched her old face, which had become a little loose. he smiled.”But if you don’t do it, you’ll still go to jail.”

zhou meilin grabbed the blanket and snatched the cigarette from rong lei’s hand. she took a deep puff and then looked at her pretty boy. ” okay, let’s do it. ”

rong lei laughed. ” i like you to be bold. ”

although zhou meilin had made up her mind, she was still uneasy. ” you should find someone who is more efficient. ”

rong lei smiled. ” of course. my hope in my next life is you. ”

Zhou Meilin glared at him. you want money, don’t you? ”

Speaking of this, she was a little dissatisfied. you made me suffer last time. You ran away on your own and left me to clean up your mess.| gu.”

rong lei immediately put an arm around her shoulder. ” silly girl, i only ran into some small trouble last time and could only avoid it. why would i take you with me when i’m running away? I promise I won’t do it again. Baby, come and give me a kiss. Don’t be angry anymore.”

Chapter 258 Too vicious (4)

zhou meilin’s face immediately turned happy. she reached out and hugged her pretty boy, her fingers gently stroking his chest. ” if you dare to do this again, i’ll beat you up with my little fists, huhu! ”

rong lei looked at zhou meilin’s shy face and felt nauseated. he wanted to throw up, but for the sake of the big picture, he held it in and patiently comforted her. ” how can i bear to leave you? you are my little sweetheart, my little baby, yingluo. ”

Zhou Meilin was finally happy. She leaned on Rong Lei’s shoulder and said in a soft voice, ” now that the dead man is gone, will you cut off all ties with another woman and marry me? ”

Rong Lei froze for a moment, then looked down at Zhou Meilin.

Seeing his hesitation, Zhou Meilin was a little unhappy. She looked at him, "do you think Yingluo will?"

Rong Lei looked around and lowered his voice. "baby, aren't you afraid that your dead husband will come to you in the middle of the night?"

zhou meilin was shocked. she patted her chest and said cautiously, "you scared me!"

Rong Lei let out a long sigh. "baby, you know what kind of person I am. It's not good for you if I'm with you openly. Think about it, you'll still have to rely on the Lin family in the future. If we get married, your daughter won't have any face."

when he said that, zhou meilin also felt that it was true.

pursing her lips, she was still a little reluctant to part with the pretty boy. after all, if they didn't get married, who knew how much of a casanova he was outside and how many women would pester yingluo?

"i promise i'll only be good to you. i'll cut off all ties with you." rong lei held the old woman's face and kissed her like an 18-year-old girl. zhou meilin was mesmerized by his kiss.

.....

at four in the afternoon, pei huan was chatting with zhou meilin at the lin residence. zhou meilin was getting calluses from listening to their conversation. it was always about how she wouldn't be able to live after pei qiqi married into the tang family.

zhou meilin scolded, "what are you panicking for? The baby in your stomach is already a few months old. PEI Qiqi doesn't even need to talk about marriage. She needs to give birth to a child before it counts. In this rich family, which woman doesn't have to carry on the family line before she can be considered officially married."

"But Yingluo and the others will have children eventually." pei huan's voice sounded like she was about to cry, "mom, you know how well tang yu treats pei qiqi. they sleep together every night." it was all too easy to make a child.

PEI Huan's heart was filled with jealousy. PEI Qiqi enjoyed Tang Yu's love every day and the PEI family was able to rise from the dead because of Tang Yu. If not, PEI Qiqi alone? in your dreams!

As for her, she faced the cold bedroom every day. She could even count the number of floors in this room.

pei huan felt very pained. she felt that she was better off dead. if it wasn't for the wealth and glory, she wouldn't have wanted this child a long time ago.

She walked back and forth, her expression a little crazed. She told Zhou Meilin again and again that she was in pain and was bullied in the Lin family.

Zhou Meilin's heart ached when she heard that. Huanhuan, just bear with it. That b * tch ... | Mother will help you clean up."

pei huan was stunned. ” mom, what do you mean by clean up? ”

her phone was on speaker mode, and zhou meilin’s strange and harsh voice came from the other end, “| i’m planting it at the bank at ren ai intersection. when i come out later, i’ll be killed by a car!”

Zhou Meilin was surrounded by fear and joy. Her voice was distorted, ” Huanhuan, very soon, PEI Qiqi will no longer exist in this world. Are you happy? ”

Chapter 259-can you kiss me?

PEI Huan was stunned.

what? PEI Qiqi was going to be killed?

her voice seemed to be stuck in her throat, and she couldn’t say it for a long time. zhou meilin laughed sharply, ” ” once she’s dead, the pei family will be ours. we don’t have to be at the mercy of others anymore. ”

pei huan was still in shock. suddenly, a hoarse male voice came from behind her. ” what are you guys talking about? ”

She turned her head around and saw Lin jinrong standing behind her with a dark expression.

the phone in pei huan’s hand fell to the ground and broke into pieces.

lin jinrong’s face was green and his muscles were trembling violently. his voice was fast and anxious, ” tell your mother to stop immediately. otherwise, i’ll make sure she dies without a burial place. ”

PEI Huan’s lips moved, but Lin jinrong had already rushed out. She regained her senses and stumbled over, falling at the door.

jinrong, jinrong Qianqian! she shouted sternly, but Lin jinrong had already walked out the door. Soon, the sound of a car starting up could be heard.

PEI Huan’s face was full of tears. Her stomach was in pain. She propped herself up and pounced on the landline. Her fingers trembled as she dialed Zhou Meilin’s number. She was in a daze as the busy tone rang.

She then dialed the landline of Qingshui Road, but no one picked up.

PEI Huan fell to the ground. She was stunned at first, then she cried out in pain, ” mom! you stop! Stop rustling!”

if jinrong went, would jinrong be in trouble?

it didn’t matter if pei qiqi died, but jinrong couldn’t be harmed.

When PEI Huan shouted, the servants below ran up, thinking that the couple was quarreling. They hurriedly went up to help PEI Huan up. young Madam, what’s wrong? do you need to go to the hospital? ”

PEI Huan’s stomach was in extreme pain, and she felt something sticky flowing down.

Then, he heard the servant scream, ” “young madam, you’re bleeding!”

pei huan's body was standing straight, but she was actually stiff. she slowly looked down, then let out a scream and fainted.

.....

lin jinrong drove straight to ren 'ai road.

He ran red lights along the way and bumped into seven or eight cars. He was an amateur racer with good driving skills, but at this time, he was driving recklessly.

With one hand driving, he called PEI Qiqi's phone with the other. However, no one picked up, Yueyue.

he could only use his fastest speed to drive over. when he reached ren ai intersection, it was quiet!

But the next second, his fingers on the steering wheel turned white because he saw PEI Qiqi.

He saw that she had reached the intersection and was waiting for the red light.

A black car quietly changed course and slipped away.

Lin jinrong stepped on the gas pedal and slammed into the car without a second thought. Before the car hit PEI Qiqi, the two cars collided with each other. A loud bang resounded beside PEI Qiqi.

Lin jinrong's car did a flip. When it did the flip, he was in the driver's seat. His head was covered in blood. His eyes opened and closed. He saw the shock on PEI Qiqi's face ...

the blood blurred his eyes, and he wiped it away with difficulty. he wanted to see her again.

He might die, but he wanted to see Hanhan again.

no matter how much time had passed, he still remembered that year when she stood under the pear tree and looked back at him.

to lin jinrong, that one look was an eternal miasma.

qiqi, i've told you that i like you, but you don't know ...

I love you!

The car flipped over and crashed heavily onto the ground. Lin jinrong closed his eyes and opened them again in a daze.

the white figure could no longer be seen.

Chapter 260-can you kiss me?

Lin jinrong's car was only two meters away from PEI Qiqi.

time seemed to have stopped.

She watched as the sports car in front of her rolled over. The wheels were still spinning, and the front of the car was smoking.

pei qiqi's face was completely drained of blood. she recognized that it was lin jinrong's car.

She wanted to speak, but her voice was hoarse, and she could only utter a single word.

In the chaos, someone screamed, " "Call the ambulance!"

she did not know that it was her voice!

more and more people gathered around wanwan. they watched as pei qiqi opened the car door with all her might. the car door was broken beyond recognition and the pieces cut her palm. however, she didn't care and didn't know the pain.

she knelt beside lin jinrong and called his name hoarsely, "Lin jinrong, wake up! wake up."

His eyes were closed the whole time, and his body was upside down.

PEI Qiqi looked around and screamed, "Call the ambulance, Yingluo!"

She turned her head again and held Lin jinrong's face with her bloody hands. Lin jinrong, hold on a little longer. You can't die, you hear me? you can't die!

his head was bleeding profusely, falling to the ground in pieces and blocking his eyes.

PEI Qiqi used her fingers to wipe it off for him. She trembled and mumbled again and again.

her voice was so hoarse that it was almost inaudible, and she could only repeat ...

lin jinrong, you're not allowed to die, yingying.

His head moved, and a large amount of blood flowed out from the corner of his lips. Suddenly, he slowly opened his eyes with difficulty and looked at her in a daze. Then, a faint smile appeared on the corner of his mouth, and he stuttered, "pei qi," "qi qi," it's "qi qi," it's "qi qi," it's "qi qi," it's "qi qi," it's "qi qi," it's "qi qi," it's "qi qi," it's "qi qi," it's "isn't, i'm" not dead "qi qi, you'll" qi qi ""

after that, he no longer had the strength to speak. he closed his eyes and his body twitched.

pei qiqi hugged him and cried with her eyes closed, "yes, yes. as long as you don't die, i will be with you. "

Her tears fell on his young face and she held his face in her hands. really, jinrong. I promise, I promise.

he seemed to have heard it, and the corners of his mouth curved up slightly. his face was filled with pain, but there was also a touch of satisfaction.

He closed his eyes and asked word by word, "Can we kiss? can I kiss Yingluo?"

qiqi, you don't know how jealous i was when i saw brother tang zheng kissing you!

how i want to kiss you once, just once, i'll do it!

PEI Qiqi's lips touched his. Without any hesitation, she pressed her forehead against his and closed her eyes, "jinrong, please live on, Yingluo.

lin jinrong's lips curved up slightly.

Even though all she could taste was blood, this was the first time she had kissed him ...

when tang yu came over, this was what he saw.

His Qi Qi was kneeling on the ground and kissing jinrong.

His heart clenched. He went up and gently carried her to the side. Then, the paramedics and firefighters carefully carried jinrong out and pushed him into the ambulance. PEI Qiqi and Tang Yu were also sitting inside. At this time, Lin jinrong had already fallen unconscious.

pei qiqi grabbed his hand and knelt beside him.

Her gaze was fixed on Lin jinrong's face, afraid to miss even the slightest movement.

The doctor put on a blood bag, but Lin jinrong had lost too much blood. Tang Yu had the same blood type as him, so on the way, he drew 500cc of blood for Lin jinrong.

tang zhu's face was a little pale after he finished drawing her blood. he sat beside pei qiqi and suddenly held her hand.

he didn't need to ask to guess why jinrong would crash into the car.

he held onto pei qiqi's fingers tightly. he didn't say a word. he just held onto them tightly.
