

Thank you 2621

Chapter 2621: like two mad dogs fighting for a woman (1)

he mumbled, " i thought she was here! "

qiqi cursed in her heart. general manager zhou, haven't you always treated me like a human skin?
why are you saying that you've got the wrong person?

if you say you didn't do it on purpose, i'll beat you to death!

but these words, qiqi only dared to scold in her heart, on the surface she still obediently flattered, "
"director zhou, you were too engrossed in your work just now."

Zhou chongguang looked at her and did not say anything.

at this moment, zhao yan walked over. this restaurant was his.

...

Qiqi was also tactful. She had seen director Zhou and Zhao Yan talking many times and knew that they were familiar with each other. So, she left quietly.

zhou chongguang stood up and smiled. " you'll play? "

"No need, you've played very well!" zhao yan was leaning on the side with a glass of brandy in his hand.

An extremely charming smile appeared on his face. "Zhou chongguang, in the past, there wasn't anything in your music that moved me, but now Yingluo has it."

zhou chongguang looked at his own hands and smiled very lightly. " " it's probably because i've lost fang zhishen. i was still a little lacking in the past, and this little bit was probably given to me by mumu! "

“Are you sure it’s not from that little celebrity?” Zhao Yan’s smile deepened.

zhou chongguang shook his head and laughed. ” you’re joking with me too. ”

Zhao Yan gave the waiter a look, and the waiter immediately brought a glass of brandy that was the same as his for Zhou chongguang.

the two equally good-looking men stood side by side. it was very pleasing to the eye. they had never thought that after qin mu left, they would meet more often.

however, they were both missing the same woman.

zhou chongguang’s slender fingers gently stroked the cup, his gaze as calm as water. ” “Did she contact you?”

Zhao Yan smiled. No.

Then, she raised her eyebrows. what about you? ”

“She didn’t even contact you, so why would she care about me?” Zhou chongguang laughed bitterly and took a sip of brandy. After a while, he chuckled.”Let’s just leave it like this. Let her live her life in peace.”

he looked at zhao yan and then at his surroundings, ” “are you interested in having a drink somewhere else? you’re so busy.”

he laughed again. ” that’s too elegant. it’s not suitable for people who drown their sorrows in alcohol. ”

“if it’s not suitable, why do you come here so often?” zhao yan looked at him, but he still agreed.

the night bar was just across the street from this restaurant. it was nine o ‘clock at the moment, so there weren’t many people in the bar.

Zhou chongguang and Zhao Yan sat on both sides. The two men each had a glass of wine and were smoking.

After a long silence, Zhao Yan frowned and asked, "what happened to the little girl in the dining room?" she's the one who shook the car door?"

zhou chongguang exhaled deeply, then smiled. " "What car shaking the door? there's no such thing!"

zhao yan's face was filled with rare gossip. " wasn't it photographed? a deep kiss. don't say nothing happened! "

With him saying this, it brought up a thorn in Zhou chongguang's heart.

he hesitated for a while before saying in a low voice, " "mumu also saw it that day. actually, nothing happened. qiqi just looks a little like qin mu, and i feel better after seeing her often."

Furthermore, it would also distract Gu Mei's attention. He did not wish for Gu Mei to spend all her energy on Qin Mu.

so, qiqi had been staying. fortunately, this girl was tactful and didn't do anything out of line during this time.

Chapter 2622: like two mad dogs fighting for a woman (2)

Zhao Yan laughed. you're really a Saint of love!

He liked Qin Mu too, but he probably never had Qin Mu before, so he was not as frustrated as Zhou chongguang.

Yes, frustration. Frustration was written all over that Zhou kid's face. It was really f * cking satisfying to look at!

Zhou chongguang raised his eyes and glanced at Zhao Yan. He was already upset.

zhao yan's expression was clear. he said coldly, " zhao yan, don't think i don't know that you're thinking about my wife. "

at this moment, the two of them had not drunk too much and were still very sober.

...

But when Zhou chongguang said the words 'my wife', he was very confident and natural.

Zhao Yan crossed his arms in front of him and sneered, " "is she your wife? Zhou chongguang doesn't even feel embarrassed when he says this."

as he spoke, he filled up zhou chongguang's glass. " also, don't say this to me. i've always been a gentleman towards qin mu. "

Zhou chongguang drank the wine that he had poured in one gulp, probably because he wanted to be presumptuous.

After he finished drinking, he stared at Zhao Yan with red eyes, " "What do you mean by that?"

Zhao Yan smiled and filled his glass with wine. He drank it all in one go gracefully and then leaned back in his chair. you should know very well that Gu ze is the one who misses your wife. He kissed Qin Mu before, right? I heard that his kiss was quite deep.

At this moment, Zhou chongguang's beast blood was ignited. However, he had no choice but to stare at Zhao Yan. Just as Zhao Yan had said, Qin Mu was no longer his wife. He could not control who she wanted to kiss or hug.

however, he would still be sad.

In his heart, she was still his wife. She was still the little wife who was nestled in his arms with her eyes closed shyly.

zhao yan looked on helplessly as zhou chongguang drank a lot. he lowered his eyes. who wouldn't feel uncomfortable?

he liked qin mu, but he didn't have gu ze's courage or long-lasting feelings.

zhao yan's love for qin mu had always been a heartwarming observation.

and gu ze was the one with the deepest obsession.

Perhaps on this point, there was nothing wrong with Gu ze and Gu Mei being biological siblings.

But when it came to relationships, Gu ze was obviously much more magnanimous. If it was not his, he could still give his blessings.

zhao yan's reminder had become a thorn in zhou chongguang's heart. he knew that he should not care about it, but he could not care about it.

he didn't have the status to care about her present and future, but he was the only one who felt terrible!

"Zhao Yan, drink!" he said in a deep voice. he poured himself another cup and drank it in one gulp.

zhao yan looked at him without saying anything and smiled.

wasn't it just drinking? Who didn't want to get drunk?

zhao yan laughed.

Two hours later, there was a pile of empty wine bottles in front of the two men. Zhou chongguang was lying on the table and mumbling Qin MU's name. Zhao Yan was leaning there, watching and smiling.

After that, when they left the bar, Zhou chongguang heaved a sigh of relief, and Zhao Yan was not any better.

in the fierce evening wind, zhou chongguang pounced towards zhao yan. zhao yan was caught off guard and took a few steps back. then, his face was beaten up until it was bruised.

” you’re crazy! ” he wiped his lips and cursed. ” you’re really crazy! ”

Zhou chongguang laughed coldly and said, ” i’m crazy!”

however, zhao yan was not someone to be trifled with. he took off his coat roughly and threw it aside. he walked a few steps in front of zhou chongguang, ” “come on, didn’t you want to fight? I’ll accompany you!”

Chapter 2623: Like two Mad Dogs fighting for a woman (3)

his voice was a little hoarse, and the corner of his eyes was actually a little bright under the neon lights in the night.

Zhou chongguang was stunned for a moment. He was initially hesitating, but Zhao Yan had already pounced over, and they soon started to fight.

The alcohol caused the violence factor in his body to rapidly expand to the limit. Every punch hit his flesh, and it was the kind that hurt so much that he could almost hear the sound of his muscles tearing.

on the streets late at night, they were like two wild beasts, as if there was no tomorrow. they were fiercely entangled with each other until they lay on the concrete ground of the city, exhausted.

the excessive pain made him not feel cold. he just lay down, gasping for air, and looked up at the night sky.

After a long, long time, Zhao Yan turned his head and looked sideways at Zhou chongguang.

...

the two of them looked at each other and then laughed.

Their faces were all covered in bruises, and they looked pathetic and ridiculous.

Zhao Yan panted and looked up at the sky, " Zhou chongguang, it's been a long time since I've had such a good fight. Do you know that this is the first time Yingluo has done it for the girl I love? "

Zhou chongguang cursed again. you f * cking b * stard! Didn't you just say that you weren't thinking about my wife?!

"yes, i've been thinking about it!" zhao yan squinted his eyes and smiled, then said softly, " i've liked her for a long time. it's a very faint and beautiful feeling. a high-priced businessman like you won't understand it. "

zhou chongguang glared at him.

"but, she only sees me as a friend," zhao yan chuckled.

Thus, he had never forced her and had only stayed by her side quietly.

zhou chongguang still pursed his lips and did not speak.

zhao yan suddenly turned his head and looked at zhou chongguang, " "i'm getting married."

zhou chongguang was a little surprised, and asked very slowly, " "Married?"

"It's, it's one of my students!" "I accidentally rolled around in the sheets and she's pregnant. I have to take responsibility!" Zhao Yan said softly.

Therefore, he didn't even have the right to like Qin Mu now.

Zhou chongguang blinked his eyes. He had lived for so many years, but he had never been as silly and cute as he was now.

“you can rest assured now!” zhao yan chuckled.

he pursed his lips and stood up. ” ” the wedding is next month. you can come then. ”

zhou chongguang also stood up and called out to zhao yan, ” “Hey, wait!”

Zhao Yan turned around. Under the neon lights, he looked dejected.

And it was only at this moment that Zhou chongguang realized that he had been used tonight.

The person who really wanted to drink was Zhao Yan. Just because he had gotten someone pregnant, he could no longer think about his ex-wife. That was why he was here feeling sad and disappointed. He even beat himself up to help Qin Mu vent his anger?

Zhou chongguang's heart felt like it was bleeding. He was also very sad after getting a divorce. He was also very miserable after marrying a woman like Gu Mei. Was Zhao Yan more miserable than him?

his newly-married wife would definitely be well-behaved and obedient. perhaps in a few years, she would be another qin mu.

and he, zhou chongguang, was the one who would be in jail for the rest of his life.

Thinking of this, general manager Zhou felt so distressed that he hugged himself. Then, he would teach that hateful person a lesson.

They had already made peace, but general manager Zhou regretted it. He dragged Zhao Yan over and the two of them had another round of violence.

at the end of the fight, zhao yan laughed, "If you hit me again, I probably won't get married. I'll just have a funeral."

Zhou chongguang gave him a kick and said, "pfft!" Zhao Yan, don't give me that!"

Chapter 2624: like two mad dogs fighting for a woman (4)

Zhou chongguang gave him! kick!

then, he took two steps back. "in the future, you should take good care of your little wife. don't pester other people's wives for no reason. "

as he said that, he staggered towards the neon lights. zhao yan turned his head and looked at them, then smiled, " "she's not your wife anymore!"

Zhou chongguang waved his hand. it's okay. She'll be my wife. You'll be the one to whine.

He didn't say anything more. He walked deeper and deeper, slowly hidden in the depths of the neon lights.

However, Zhao Yan looked at him and felt that his back was lonely. Would Zhou chongguang be lonely for the rest of his life?

...

He did not know. He only knew that if Qin Mu did not return to his side, Zhou chongguang would be unhappy for the rest of his life.

Zhao Yan covered his face and laughed softly. His only love had ended in a fight.

Even she didn't know about it.

zhou chongguang, on the other side, was only wearing his shirt and holding a dirty coat in his hand. he walked slowly until he couldn't move anymore. then, he leaned against the wall, took out a crumpled cigarette from his pocket, and lit it up gently.

he raised his head slightly and looked at the moonlight in the sky.

at this moment, no matter where qin mu was, she and he could see the same moonlight.

they were both living in this world, looking at the same moonlight. even if she remarried, she was once his wife, zhou chongguang. she was still the person he loved. whether they were together or not, what did it matter?

he even knew that she was at qin chen's place. as for why qin chen called her over and whether he showed her shuimu, he didn't know.

however, he knew one thing. qin mu was kind and would not hurt little shui mu.

However, she probably wouldn't like little Shui mu either. After all, he was the child of him and Gu Mei.

any woman would feel uncomfortable.

however, she had been gone for so long and had not returned. he wanted to go over, but he knew that he could not.

He had said that he would set her free, so he must do it.

Come to think of it, he had not seen little Shui for a month. Aunt Zhang had called him a few times, saying that the child was doing well. If he was doing well, he would not go over, and it would also save Gu Mei from suspicion.

Zhou chongguang thought about it quietly, a smile on his lips.

At this moment, he was happy.

at this moment, he and qin mu were in his world.

He didn't know when he started to fall in love spiritually ...

rather than saying that it was him and qin mu, it was more like him and himself.

he stood there until dawn before dragging himself back to the apartment. like before, he went to his bedroom.

The sky was slightly bright, so Gu Mei should not have woken up yet.

However, the moment he opened the door, he saw Gu Mei sitting in the living room. She was wearing pajamas and her face was very Haggard. It was as if she had not slept for the entire night.

She had wanted to make things difficult for him, but when she saw that Zhou chongguang was covered in injuries, she forgot all about the blame and ran over to ask, "What's wrong with you?"

Zhou chongguang pushed her away gently. I'm fine! he said.

"how can he be fine? who hit him?" Gu Mei's face was tense as she gritted her teeth and said.

Zhou chongguang's body leaned against the wall beside the door, and there was a hint of mockery at the corner of his mouth. "You look like you're heartbroken?"

"Of course!" "Chongguang, tell me who did it. I'll make him regret it." Gu Mei pursed her lips.

"It's me!" "Are you going to make me regret it too?" he asked.

Gu Mei was stunned.

her entire body was cold. these days, no matter how decent and understanding she was, she could not melt his heart!

Chapter 2625: chongguang, please don't leave 1

zhou chongguang held his forehead and said calmly, " I'm going to rest. Gu Mei, if there's nothing, don't knock on my door!

he looked at her and said in a very calm voice, " " you should know the relationship between you and me. don't do things that will only bring shame to yourself. "

gu mei was extremely angry, but she still held it in.

she knew that he was on a date with a celebrity last night. recently, he had seen that small celebrity the most. she was quite good-looking, and her eyes and brows resembled qin mu.

She understood, but she couldn't do anything to him.

As for the previous Lin Xue, she had soared to the sky and actually rushed to the top. Furthermore, Zhou chongguang no longer summoned her, so Gu Mei could not do anything to her.

...

However, no matter how much she calculated, she did not expect that Xue Lin would leave and a little Vixen would come.

and zhou chongguang didn't sleep with her even after he came back. was he really determined to live like a monk?

For a moment, Gu Mei had wanted to drug him. However, she did not dare to do so after thinking about it.

She was afraid, afraid that she would completely anger him, so she did not dare to.

she thought that she could slowly soften him, but after such a long time, he was getting more and more distant from her.

This was a fatal blow to Gu Mei.

Now, even when she felt sorry for him, was he also tired of it?

“you weren’t like this in the past,” gu mei’s voice was soft.

In the past, they were two people who trusted each other. When he was down, he would come to her.

gu mei recalled the past and a blissful smile appeared at the corner of her mouth.

And Zhou chongguang looked at her and smiled very lightly. things are no longer the same as before. Gu Mei, you can wake up from your dream.

He walked into the guest room while she was ashen-faced.

the door slammed shut as if it was a slap to gu mei’s face.

she stood at the door in a daze.

zhou chongguang walked into the guest room and threw his coat away. he unbuttoned his shirt one by one, and when there were only two left, he let go. he fell onto the bed and looked up at the sky in a daze.

His entire body was empty.

he laid there quietly for a while before going to the bathroom to take a shower. the cold water washed all the injuries on his body, and they were in as much pain as they were, but he didn’t care at all. he just stood there and took a shower.

After he was done, he took a bath towel, found the first aid kit, and carefully applied the medicine. He didn't care about her back where the medicine couldn't be applied.

After Zhou chongguang was done with all this, he immediately collapsed onto the bed.

She couldn't sleep. She missed Qin Mu very much.

When he sat up, he coughed violently a few times and leaned against the bed to look at her old photos on his phone.

Qin Mu smiled sweetly at the camera. That was the best time they had together.

Zhou chongguang just looked on like this, and then smiled slightly.

when he laid down, his ribs hurt, but he didn't care. because no matter how painful it was, it couldn't compare to the pain in his heart.

after he fell asleep, he had a dream. in his dream, zhao yan's marriage partner was qin mu.

When she woke up, her entire body was covered in hot sweat. The injuries on her body were truly unbearable.

he raised his hand and looked at his watch. it was already two in the afternoon.

he pursed his lips and had no intention of going back to sleep. he got up and prepared to make something to eat.

after divorcing qin mu, he had a hard time and lost a lot of weight.

His six-pack abs were gone, but he didn't care so much anymore. No one would admire him if he didn't sleep with Qin Mu. He didn't care about having ABS or how terrible he was.

Chapter 2626: chongguang, please don't leave 2

Zhou chongguang propped himself up to change his clothes. When he opened the door, he saw Gu Mei sitting in the living room.

she didn't do anything but sit in the living room and watch.

he suddenly felt powerless!

To be honest, this apartment was neither big nor small. It was about 200 square meters. If he did not want to see her, he could hide. However, Gu Mei stubbornly waited for him here every day.

he had always turned a blind eye to her, and he had gotten used to it after a long time. however, he did not know if she was feeling uncomfortable.

He ignored her and walked straight into the kitchen.

...

gu mei had actually followed him over. she looked at him from the door and said in a gentle voice, "Chongguang, I have something to tell you."

zhou chongguang took out the ingredients from the refrigerator and placed them on the counter. he said calmly, "what's there to say?"

he turned to look at her and said in an even more indifferent tone, "you're not going to talk to me about having a second child, are you?"

Gu Mei's face was pale. After a while, she said in a low voice, "no, i won't force you!"

"Then we have nothing to talk about," He began to cut the vegetables with smooth movements.

In the past, he would often cook for Qin Mu and think about how to make it look, smell, and taste good. But now, he wasn't in the mood to do that. He only wanted to fill his stomach.

his silence made gu mei extremely uncomfortable. she could no longer care about the taboos that he had mentioned. she could no longer bear it and pounced over, hugging his waist from behind.

At that moment, Zhou chongguang let out a low groan.

He struggled for a moment. Gu Mei, let go.

She didn't let go. She hugged his waist and said very, very softly, chongguang, you don't have to sleep with me, you don't have to sleep with me, you can even have dinner with those small-time celebrities, but chongguang, I beg you, don't ignore me!

As she said this, her voice carried a hint of tears. " please don't ignore me. i'll do anything, even if you just want to talk to me, even if you allow me to cook for you or wash your clothes. "

"the servants will do this!" He pushed her away and continued to cut the vegetables, treating her like air.

Gu Mei was in a daze. The tears on her face had yet to dry.

She just looked at him, at her husband ignoring her. Suddenly, she smiled gently.

That's right. Why did he let her do it? in his heart, he only had Qin Mu as his wife.

how could he let her do the cooking and washing?

In his heart, she was nothing.

"Zhou chongguang, are you going to keep your chastity for her for the rest of your life?" gu mei laughed lightly. " those small celebrities are nothing. will qin mu be touched by your actions? "

Zhou chongguang ignored her and treated her as invisible.

When he turned around and went to the refrigerator to get some milk, Gu Mei seemed to have gone crazy. She knocked over all the ingredients he had prepared one by one onto the ground and whined.

And the plates in the kitchen, she threw away everything she could see.

she glared at him with red eyes.

Zhou chongguang turned around and quietly watched her crazy look. He didn't say anything and just walked towards the kitchen door.

"Chongguang, don't go!" Gu Mei shrieked.

she grabbed his arm from behind. "it's my fault. I shouldn't have done this. Chongguang, I'm sorry, I'm sorry. I can't control myself. I'm sick. Chongguang, I'm sick!"

"enough, gu mei." he broke free from her, turned around, and said word by word, "Don't you feel bored after playing the same trick twice?"

Chapter 2627: chongguang, please don't leave 3

Gu Mei looked at him with tears in her eyes. "Chongguang, I'm really sick."

"yes, you're sick, and very sick at that!" zhou chongguang softly spat out a few words, "you're sick!"

with that, she walked back to the guest room, took her car keys, and was about to leave.

Gu Mei was shocked. She pursed her lips and followed behind him. "chongguang, where are you going? You haven't eaten yet."

"I don't even have the mood to eat when I'm living with you." "are you satisfied now?" he sneered.

Gu Mei's expression was filled with sorrow. She pursed her lips and looked at him. After a long time, she said in a low voice, "I will change."

...

"I don't have the patience!" He said coldly, pushing her away and quickly walking out.

the door closed. gu mei was standing alone in the huge apartment.

She smiled gently.

Did she get him?

No, she never had him.

he was still qin mu's. his heart was there, and his body was still protecting qin mu's chastity.

gu mei laughed so hard that tears flowed out of her eyes. he had left. perhaps, he would never return.

all she had left was this apartment and the title of mrs. zhou.

in a daze, she had forgotten why she wanted the title of mrs. zhou.

gu mei laughed softly.

And after Zhou chongguang left, he didn't return to the villa to take a look.

He was filled with sin now, and going back would only dirty that place.

He found a restaurant to eat. He sat by the glass window and ate quietly.

It was raining outside. After he finished eating, he sat there and smoked. When the waiter came over and whispered to remind him that smoking was not allowed here, Zhou chongguang took out a few thousand Yuan. can I sit here for a while? ”

the waiter was shocked and said in a low voice, ” “I’ll have to discuss this with the supervisor.”

After she finished speaking, she ran over to discuss it and finally accepted the money. However, when she went back to look for the depressed man, she found that he was no longer there.

The waiter felt a little strange, and then she saw the man outside the glass.

he stood on the road, letting the fine raindrops hit his body as he kept looking forward.

The waiter looked over and saw a woman with brown hair. From the back, she had a good figure.

Was that person someone familiar to this man?

was she his wife or his ex-girlfriend?

outside, zhou chongguang was still standing quietly. he pursed his lips and looked at the woman in front of him.

Just now, he had mistaken her for Qin Mu.

but when the woman turned around, her pockmarked face still shocked him.

his expression made the woman very angry, and she actually slapped him.

At this moment, Zhou chongguang was covering his face and staring at the back of the person in front of him in a daze.

The cigarette in his hand had long been soaked by the rain, and the cigarette in his pocket was also rustling.

He stood there for a while before he suddenly remembered that Qin Mu was at Qin Chen's place in New York.

He wanted to meet her.

he would leave after seeing her and not let her see him.

He laughed. Since when did he, Zhou chongguang, become so humble?

After Zhou chongguang was beaten up and drenched in the rain this time, he fell sick and was hospitalized for three whole days before his fever subsided.

and in front and behind them, busy in and out, was Zhao Ziyi alone.

When he was discharged, Zhou chongguang directly requested to book a hotel room. He said calmly, "I can't stay with Gu Mei."

Zhao Ziyi was stunned for a moment before he spoke, "Why don't we divorce? Look at you now. You have tens of billions of assets, but you live like a homeless man. Even if you can't get back together with Qin Mu, you should find another woman to take care of yourself!"

Chapter 2628: As you wish, Gu Mei (1)

Zhou chongguang shook his head and smiled. It's better not to harm others.

How could Zhao Ziyi not know what he was thinking? He smiled and said, "I know you're afraid that you'll bring harm to Qin Mu after the divorce."

He said sternly, "Qin Mu isn't that weak. Also, aren't you going to do anything to Gu Mei?" Let her do whatever she wants?"

Zhou chongguang looked at Zhao Ziyi for a long time before he said softly, ” “let’s do this! It’s quite fair.”

zhao ziyi originally wanted to persuade him, but seeing his firm attitude, he no longer persuaded him.

He booked a hotel room for Zhou chongguang and then arranged a flight to new York three days later. Of course, Qiqi was there too.

...

although zhou chongguang didn’t say anything, zhao ziyi knew very well who was in new York, why zhou chongguang went to new york, and who he wanted to see.

qiqi was just covering it up.

However, Zhao Ziyi had never thought that his arrangement would harm Qi Qi instead.

that slightly vain girl now regarded zhou chongguang as the sky. she liked to be with him and also knew that he was not interested in her. she just looked at his face to find some comfort and also to be a shield.

Qiqi had been at Rongguang for the past few days and nothing much happened. She just drank tea and chatted in the CEO Secretariat.

After a long time, the secretaries in the secretary’s office still liked her. Qiqi was easier to get along with than Lin Xue. After all, she came from a poor family and had not soared to the sky yet, so she saw everyone as equal. Qiqi even had a little inferiority complex. Everyone roughly knew why she could stay by director Zhang’s side. It was because it was quiet and not troublesome.

Qiqi was flipping through a magazine, and after a while, she looked up and asked the Secretary in a low voice, ” “Is general manager Zhou in a meeting?”

The Secretary smiled. director Zhou is in the office! He’s pretty free today.”

thus, qiqi knew that he was not in the mood to summon her today.

she was still a little excited about going to new York with him. would they be staying in the same suite? would ceo zhou want her?

thinking too much was usually not a good thing.

zhou chongguang didn't get off work, and qiqi had to leave first.

she was in a good mood. after all, she was the only female companion by general manager zhou's side now, so she didn't feel too guilty. general manager zhou's relationship with his wife wasn't good. yingluo, on the other hand, felt quite apologetic towards general manager zhou's ex-wife. she kept feeling that she had done something wrong to her.

but wanwan and the others got a divorce, and she wasn't the one who ruined it. besides, nothing had happened between her and general manager zhou.

qiqi happily opened the door of the white bmw. the car was also picked for her by director zhou's secretary. everything she had was given to her by director zhou. she knew that it was all because of her face, so she was extremely careful with her face. most of her expenses were spent on her face.

However, when she opened the door, someone turned her shoulder around. Her eyes lit up, and then her face turned anxious.

Qiqi covered her face in pain. She felt her face burning and contracting violently.

So painful, she was in pain.

she wailed and fell to the ground, crying out in pain.

the person who had splashed her with the sourish words said coldly, " "It's a pity for this little face. I originally wanted to play around."

it was a man's voice, and it was like a venomous snake that was wrapped around qiqi. in the years that followed, she would never be able to forget this voice.

the man ran away. she shouted and attracted the security.

Chapter 2629: as you wish, gu mei (2)

Qiqi was sent to the hospital. Although she was treated in time, 60% of her face was burnt and unrecognizable.

Zhou chongguang and Zhao Ziyi stood by the hospital bed and looked at the White bandages on Qiqi's face.

Qiqi had not woken up yet. They did not dare to imagine what would happen when she woke up.

The two men walked outside and smoked in the corridor.

“chongguang, you know in your heart who did this, don't you?” zhao ziyi asked softly with a cigarette between his fingers.

zhou chongguang did not say anything. he continued to ask, ” you gave up on Qin Mu just because you knew she was crazy, right? ”

...

this time, zhou chongguang opened his mouth, and his voice was almost trembling, ” ” i can't imagine if i would go crazy and kill someone if this was qin mu! ”

right now, he even had the thought of killing gu mei.

Was there anything she couldn't do?

zhao ziyi said softly, " chongguang, your love is like a sharp blade. think about it carefully. either you get rid of gu mei and chase after qin mu, or you don't want to see yingluo anymore. you saw it too. gu mei has gone crazy. "

zhou chongguang took a deep puff of his cigarette and exhaled. " "I know,"

Zhao Ziyi understood him very well and had already guessed his decision. Sighing lightly, he said, chongguang, do you regret falling in love with qin mu? "

Back then, if they had cut off all ties and gotten a clean divorce, nothing would have happened until now.

zhou chongguang didn't reply immediately, but just smoked quietly. only after he finished smoking did he smile bitterly. " "I've never regretted it."

He looked at the night sky outside and said in a low voice, " "I'm willing to use everything to exchange for that time."

Even though it was only a few months, those were the best days of his life.

zhao ziyi could only sigh.

Gu Mei had her obsession, so did Chong Guang.

.....

at the apartment.

Gu Mei sat in front of the dressing table and applied some skincare products.

a slender figure appeared behind her in the mirror.

She looked at the person in the mirror and smiled. "You're willing to come back?"

“I thought that Little Star called Qiqi had stolen your soul!” She turned around and raised her eyebrows.

what answered her was a slap from Zhou Chongguang.

Gu Mei’s face was smacked to the side. She did not touch her wound nor did she cry. She chuckled. “Heartache? Have you really fallen for Zhou Chongguang?”

“So you ordered someone to destroy her face?” he slapped her again.

“Yes!” Gu Mei accepted it. She sneered. I know that her face looks like Qin Mu. I just don’t want you to look at this Little Vixen’s face all day.

Zhou Chongguang’s body moved forward slowly until Gu Mei was forced back into the chair. He placed his hands on both sides of her body and said in a low and hoarse voice, “If there’s a mistake, it’s my fault. It has nothing to do with anyone else!”

“But I can’t bear to punish you, Chongguang. I can only do it to someone else.” Gu Mei’s voice was very soft and had a kind of delicate and charming feeling. However, it made one’s hair stand on end when they heard it.

Zhou Chongguang’s handsome face was filled with anger. “Gu Mei! You’re crazy!”

“Yes, I’m crazy!” Gu Mei raised her head and said, “With a husband like that, how can I not go crazy?” My life is worse than a widow’s!”

Zhou Chongguang’s Adam’s apple moved, and he laughed coldly. “As you wish, Gu Mei!”

He slowly retreated, and a few doctors in white coats walked in from the door. All of them were wearing masks, and they looked a little different from ordinary doctors.

“What are you trying to do, Zhou Chongguang!” Gu Mei cried out in shock.

Chapter 2630: As you wish, Gu Mei (3)

Zhou chongguang looked at Gu Mei and smiled very indifferently. “what do you think?”

gu mei shook her head desperately. ” chongguang, i didn’t do it on purpose. don’t do this to me! ”

“i’m not crazy, i’m not crazy!” she struggled with tears all over her face.

but no matter what she said, his heart was made of stone.

Gu Mei’s face was as white as a sheet of paper. She suddenly laughed coldly.”Don’t tell me you’ve fallen for that little slut! I don’t believe it. I don’t believe it at all.”

Gu Mei’s smile seemed even paler. She stared at Zhou chongguang and said in a soft but hysterical voice, ” you’re worried about Qin Mu, aren’t you? you’re afraid that I’ll treat her the same way, right? ”

...

zhou chongguang was expressionless. ” you’re really crazy! ”

with that, he raised his hand, signaling the doctors to take her away.

no matter how much gu mei cried, she was still taken away. a doctor gave her a vindication.

Zhou chongguang stood alone in the huge apartment for a long, long time.

He had canceled his trip to new York.

a week later, he went to see qiqi.

Qiqi wasn’t in a good mood, so the doctor and Zhou chongguang had a long talk.

the doctor took a photo and handed it to zhou chongguang. ” “this is how she looks without any bandages.”

zhou chongguang only took one look and felt that it was a little unbearable, so he immediately put it down.

The doctor also sighed slightly. it's best to have a skin transplant surgery for her in a month's time. Although it can't be the same as before, if she has a few operations, at least she will have no problems in her life. What do you think, general manager Zhou? ”

the doctor paused for a moment. ” the patient's family members have come to make trouble a few times. after all, it's better for ceo zhou to deal with this matter privately. ”

zhou chongguang nodded his head.

He walked out and smoked in the corridor for a long time before going back to the ward.

if it was the zhou chongguang of the past, he wouldn't have cared about a girl like qiqi at all.

She had taken his money, so it was normal for her to take such a risk, but now he had a different opinion.

it was always a girl whose face had become like that because of him.

it must be very painful!

When he went over, Zhao Ziyi happened to be there as well, discussing some matters with the people from Qi Qi's hometown.

qiqi was still considered an honest person, but her mother and brother ate and wore her money and earned it with her hard work. she asked for 50 million, or zhou chongguang would have to marry qiqi.

zhao ziyi didn't know whether to laugh or cry. not to mention qi qi's current state, even if she was a fairy, chongguang would never marry her!

zhou chongguang stood at the side and listened quietly. the people from qiqi's hometown did not know him, and only kept talking to zhao ziyi.

when he was almost done, zhou chongguang's tone was very light, " Ziyi, give them 20 million, but transfer it to Qiqi's account. Get it done. Qiqi will decide how to spend the money.

this was also a little compensation for qiqi.

He couldn't bear to disfigure the little face that looked a little like Qin Mu.

Just as Zhou chongguang finished speaking, the people from Qiqi's hometown were like sharks that had smelled blood. They all rushed over and repeated what they had said to Zhao Ziyi to Zhou chongguang.

Zhou chongguang laughed lightly. there's nothing going on between me and Qiqi. Also, I have a wife. If you don't accept the 20 million and insist on me marrying her, you can collect evidence and file a lawsuit.

Probably frightened by his imposing manner, the people from Qiqi's hometown suddenly became silent.
