Chapter 2871: i want to see you (3)

qin chen looked up and was stunned.

it was rong lei.

Looking at her dazed eyes, Rong Lei smiled.”you refused to see me, so i could only come and see you.”

he looked at her face with burning eyes, and her body staggered.

she had become very beautiful, no longer the cold and noble dr. qin, but a beautiful woman.

did lan yu change her, or did she change for lan yu?

...

no matter which one it was, it made rong lei extremely uncomfortable.

when he looked at her, qin chen’s eyes narrowed and he looked at him guardedly. ” “what do you want?”

Rong Lei smiled faintly and looked at Qin Chen. Chenchen, when did our relationship become so hostile? ”

Just then, the waiter brought the milk over. miss, your coffee.

after he put it down, he deliberately looked at qin chen a few more times.

Qin Chen took a sip of milk, looked up, and said softly, " "rong lei, you could have lived in my beautiful memories for the rest of your life. you said that i hate you. yes, in a sense, i should hate you. "

"since i'm wrong, i'll be wrong to the end. isn't that better?" she smiled bitterly. You're being unfair to me. "

"what about me?" Rong Lei's voice was a little tense,"is this fair to me?" I'm still in love with you, but you've fallen in love with someone else."

qin chen's eyes were a little hot as she looked at the man in front of her.

it was true. this man used to be her dream. she had loved him so much for so many years.

But now he's saying he loves her, Yingluo.

"you said you love me, but why don't i have any feelings for you?" she smiled.

Rong Lei held her hand and said,"follow me!" chenzhen, you will remember your love for me. "

qin chen raised his eyes and looked at him.

Their eyes met. She slowly pulled her hand back and drank a glass of milk.

she said, "rong lei, this milk is warm. it's like the feeling of life and the feeling lanyu gives me. i don't know if i love him or not, but i want to live with him. i want to get married, have a child, and live an ordinary life."

Rong Lei pursed his thin lips and lowered his voice. "but you're qin chen, you're destined to be extraordinary."

"perhaps, but that was in the past!" "Rong Lei, I don't care why you came back to find me, I wish you happiness in the future." Qin Chen smiled.

as she spoke, she gently poured the glass of milk and slowly got up. ” “Don’t look for me anymore, Yingluo. It’s impossible between us.”

after taking a few steps, his tense voice came from behind, ” “Chenchen, do you think you can escape? Unless you don’t care about the team in new York and the life and death of blue universe.”

qin chen’s body froze.

rong lei slowly approached her and leaned against her back, whispering, ” you should know why I’m looking for you, Yingluo. Chenchen, only you and I can turn the world around. You know too well that if I want to, Lan Yu will go back to his vegetative state two years ago. Without you back then, would he remain in a vegetative state? ”

As her body stiffened, he chuckled. are you sure you want him to get married? Chenchen, if you love him, would Yingluo want to harm him? ”

“what do you want?” Qin Chen’s voice was suppressed.

Rong Lei’s slender fingers caressed her earlobe and his voice was charming.”You know, I want you to come back to me.”

“that’s impossible!” qin chen slowly turned his head, looked at rong lei, and suddenly gave him a slap.

Chapter 2872: i want to see you (4)

“That’s impossible!” Qin Chen slowly turned his head, looked at Rong Lei, and suddenly gave him a slap.

He didn’t avoid it, nor did he fight back. His gaze was like he was looking at an unreasonable child.

However, only they knew who was causing a scene.

“Rong Lei, if you dare to hurt him, I promise you’ll die a horrible death!” Qin Chen said word by word.

“I won’t let you go even if I have to bury the whole world with you,” she said with a firm tone.

“he’s finally become your weakness, isn’t he, chenzhen?” rong lei laughed instead of getting angry.

...

“It’s good that you’ve fallen in love with him. At least you’ll follow me obediently.” There was a hint of madness in his eyes.

“You’re dreaming!” qin chen raised his chin slightly.

And Rong Lei saw a hint of killing intent in her eyes.

his eyes were filled with coldness ...

she actually wanted to kill him for lan yu. was that man that important to her?

rong lei smiled gently. ” you will take the initiative to find me. ”

“Chencheng, I’ll be waiting for you in France.” As he spoke, he turned to kiss her on the cheek.

qin chen’s heart was beating rapidly. she gritted her teeth.”i will kill you.”

“I can try.” he smiled, and his smile was very beautiful, like the most handsome demon.

Qin Chen squinted his eyes in a daze.

if they weren’t outside, she might have killed rong lei directly.

perhaps she would feel uneasy in this life, but if she could exchange it for lan yu's safety, she felt that it was worth it.

Rong Lei looked into her eyes and smiled gently. He walked away step by step.

qin chen stood at his original spot, his eyes somewhat dazed.

at the same time.

Rong Lei tapped on his phone a few times, and Lan Yu received a few interesting photos.

It was a photo of Qin Chen and Rong Lei looking at each other.

the photo of rong lei holding qin chen's hand.

The angle of the shot was very good, and the eyes were full of emotion.

Lan Yu stood at the top of the office and watched silently for a long time before calling Qin Chen.

qin chen's phone rang a few times before he picked it up. his voice was still a little hoarse."lan yu, you're here?"

" we'll be leaving soon. chenzhen, are you still at home? do you need me to pick you up? " There was a faint smile in his tone.

However, there was no smile on his face.

qin chen was a little dazed, and only spoke after a long time. " "It's okay. I'm out shopping and bought some skin care products. I'm all alone in the café."

One person.

lan yu slowly put down his phone.

He looked outside.

He knew that the photos were sent by Rong Lei, and he also knew that he shouldn't be calculative about Qin Chen and Rong Lei. He also couldn't be calculative about ran ran.

however, he was still not used to it. after all, a person had been another person's shadow for 12 years. how could he compare to their relationship?

Sometimes, when he woke up at night and hugged her, he would feel a little unreal.

Did she really choose him and give up Rong Lei?

However, he had never asked.

she agreed to get married, so their marriage would naturally happen, yingluo.

lan yu stood by the window and smoked a few cigarettes before he took his coat and went out.

he didn't want her to wait, and he didn't want to think too much about it. he didn't want to be rong lei.

tomorrow, tomorrow he would let people watch rong lei leave this land.

lan yu sat in the car with a grave expression.

and qin chen had been waiting for him there-

When he arrived, Qin Chen had already changed into the wedding dress, and she stood there as beautiful as a painting.

Lan Yu walked over slowly and turned his head to kiss her. "I'm late."

Chapter 2873: Don't we look like an old couple? 1

Qin Chen smiled and returned a kiss on his cheek.

Then, she looked at herself in the mirror with him and asked, "do I look good?"

"very beautiful," he said.

qin chen reached out and touched his handsome face, saying in a low and hoarse voice, "lan yu, go and change your clothes."

he smiled, patted her hand, and quickly went to change his clothes. when he came out, qin chen had already done his makeup.

her makeup was very fresh, but stunning enough.

...

he had always known that she was beautiful, but he had never thought that she could be this beautiful.

lan yu stood there and slowly walked over. he held her hand and kissed it. "Chenchen, you're so beautiful."

the photographer was also a little excited. he had long been prepared to complete the most perfect work tonight. just thinking about it made him excited.

Qin Chen and Lan Yu stood together. Her head was on Lan Yu's shoulder, and she smiled very naturally.

This was probably what it was like to be married to love!

the photographer asked them to change a few sets of movements, and the shoot went very smoothly. it was done in about an hour.

He looked at the photo and smiled. it's almost unedited. It's perfect.

qin chen and lan yu smiled at each other and returned to the changing room to change.

It wasn't too late when they went out, so Qin Chen said he wanted to eat skewers because he hadn't eaten in B city.

lan yu took his coat and put one hand on her shoulder. " do you really want to eat? "

Qin Chen nodded vigorously. I want to eat!

Lan Yu smiled. if you walk from here to the street ahead, there are a few good barbecue shops. I'll Take You There."

he reached out and pinched her nose, smiling lovingly.

When he turned around, his face was a little gloomy. Qin Chen inadvertently saw it and asked in a daze, " "lan yu, what's wrong?"

lan yu shook his head and smiled. " it's nothing. i'm just a little tired. "

He pinched her hand, hinting at something.

Qin Chen stuck out his tongue at him and ran in front.

At this moment, she was completely different from how she was before. She was a girl who was immersed in love.

"lan yu, are you so tired that you can't run anymore?" she turned to look at him.

Lan Yu looked around. Many people were already looking at her. On one hand, it was because of her beauty. On the other hand, it was because her words were too ambiguous.

He smiled, walked a few steps faster, and pressed her into his arms. "Don't run too fast, Chenchen."

"I'm afraid I won't be able to catch up," he lowered his voice.

qin chen looked at him, the corners of his mouth curved up, his expression happy.

"Chenchen, is this the kind of life you want?" Lan Yu asked unconsciously.

she thought for a while. "i want another child."

Her expression had never been so relaxed before. She looked at him and smiled. "lan yu, let's have a child after we get married. i want a child. it should be a sense of accomplishment to raise him."

Lan Yu stopped in his tracks and reached out to hold her waist. He said in a low and hoarse voice, "Wait for another two years, you're still young!"

qin chen looked down at himself. "are you saying that my body is small?"

He didn't know whether to laugh or cry. it's age!

"Chenchen, you're only 24 years old. I want to play with you for another two years," she said in a sensitive voice.

she blushed and mumbled,"play or not, i'm not going to let him play."

she blushed and walked in front while lan yu followed behind at a moderate pace. it was her angry look, but it was also a look of love.

lan yu's palm touched his forehead. what else did he have to worry about? he was so suspicious. she was clearly in love.

qin chen wasn't someone who would compromise. she was very straightforward. if she said she liked him, then she really did like him.

he no longer had any doubts.

As Lan Yu walked, he deleted the photos. He no longer had any suspicions.

he caught up with her and held her hand.

Chapter 2874: don't we look like an old couple? 2

"are you going to apologize to me?" qin chen asked.

"if you're talking about me playing for two years, then i probably won't tell you." he smiled and kissed her on the cheek.

"shameless!" qin chen grumbled.

"Didn't you say you wanted a child?" lan yu lit a cigarette with one hand and took a puff. "If you want face, how can you have children? hmm?"

Qin Chen couldn't bear to listen to her anymore, but he brought her in when they arrived at the barbeque restaurant.

Qin Chen had never been to such a place before. Everything was ordered by Lan Yu. After they arrived, Qin Chen's expression was very cute in his eyes.

...

she had always been a big eater, so for the two of them, he ordered enough for five people. even so, qin chen finished the food very quickly.

Lan Yu drank two glasses of beer and frowned. "It's almost done. I'll have a stomachache if I eat too much."

Qin Chen begged for a long time before he ordered a few more dishes.

This time, she didn't make a fuss anymore. Instead, they walked on the street to digest their food.

Qin Chen raised their hands and smiled. "Lan Yu, don't you think we look like an old couple?"

lan yu looked at her and said slowly,"in bed, yes, but not outside."

She glared at him. He smiled. let's go. I'll take you to the movies.

He turned his head to look at her and said this, but he pulled her into his arms and kissed her gently.

After a long time, he gently left her lips and pressed his forehead against hers. He murmured, "Chenchen, I'm not dreaming, am I? we're really together, aren't we? "

Qin Chen's eyes were sparkling, and his answer was to raise his arm and move his red lips.

The night wind was strong, blowing away the smell of alcohol and replacing it was his strong masculine scent.

qin chen lowered his eyes and looked at him again with a smile."I'll call you big brother from now on, okay?"

"why?" there was a hint of a smile in his long and narrow eyes.

Qin Chen held his hand and walked forward, his voice soft. "think about it. you're so much older than me, yingluo, or do you want me to call you uncle?"

"Naughty." Lan Yu patted her back.

“you don’t like it?” qin chen tilted his head to look at him. her eyes seemed to have countless stars in them, beautiful and dazzling.

lan yu stepped forward and covered her eyes with his hand. his voice was a little hoarse.
“Chenchen.”

She hummed and looked at him sideways. older brother.

lan yu pulled her into his arms and sighed slightly. ” “i’m fine! i just wanted to call you.”

she struggled a little, but he hugged her even harder. he kissed her hair and murmured, ” “so there’s more happiness than happiness.”

Qin Chen smiled and stayed in his arms obediently. how many children do we have in the future? ”

Lan Yu pulled her over by the shoulder and looked at her. “the child is more important than me? can you be more satisfied than me?”

“shameless,” qin chen bit his lip.

lan yu held her hand and walked forward, his handsome face full of a gentle smile.

this was one of the rare times when he felt satisfied when he wasn’t in bed with qin chen.

an old couple was actually not bad.

When they arrived at the cinema on the fourth floor of the square, Qin Chen wanted to watch a romance film, but Mr. Lan chose a horror film.

He thought that Qin Chen would scream in his arms, but that film was about a murderer dissecting a human body, and that scene made Lan Yu extremely uncomfortable.

qin chen hugged the popcorn and was entranced.

after leaving the movie theater, lan yu held onto the rubbish bin and vomited.

doctor qin stood beside him and said with a smile, ” “You’re the one who wanted to see it, so don’t blame me.”

Chapter 2875: Don’t we look like an old couple? 3

lan yu vomited violently again, until his face turned green.

He looked at Qin Chen with a hint of sadness in his eyes. Qin Chen smiled and handed him a glass of water.

Lan Yu took it and cleaned himself up. When he straightened his body, his face was still a little pale.

qin chen looked at him. ” do you want me to piggyback you? ”

“it’s fine, you drive later.” he closed his eyes and pulled her into his arms.

She didn’t struggle and only complained in a low voice, ” “Lan Yu, the smell on your body is really unpleasant.”

...

He smiled and suddenly buried his face in her neck. “Chenchen, have you ever been afraid?”

she didn’t understand, so she gave a soft hum.

Lan Yu let out a deep breath. when you faced those limbs, you opened up their internal organs. Were you afraid? ”

“It’s really disgusting,” he added.

qin chen thought for a moment before slowly saying, "I've been scared and disgusted. I haven't eaten for three days after the first surgery. I'm so hungry that my blood sugar is low. I have no choice but to vomit after eating.

"I slowly got used to it." "there's a process to everything," she said with a faint smile.

"What about you? did you blush when you drew a woman for the first time?"

this question, mr. lan will not answer directly. smart men will avoid it, and he is no exception.

Qin Chen didn't get a reply for a long time, so he reached out and poked his heart. "I'm asking you? are there any physiological reactions?"

Lan Yu laughed and ruffled her short hair. I don't remember the past, but I did have it the last time I drew it for you.

"Shameless!" she blushed and walked forward.

"Are you shy?" he stepped forward and held her hand.

"I didn't." she made a face.

Lan Yu was a little dazed.

qin chen took a few steps back, and seeing that he was still in the same place, he couldn't help but ask, "blue universe?"

Lan Yu smiled faintly. His expression was especially gentle in the dark night.

"Chenchen, you're good like this," he said slowly.

qin chen pursed his lips and chuckled. he ran over and hugged him.

she thought to herself, so this is what happiness is like.

On the way back, she was the one driving. Lan Yu sat beside her and closed his eyes to rest. She thought of how he had worked the whole day and accompanied her for so long at night. He must be exhausted, so she did not wake him up to let him rest when she drove.

However, men had no moral integrity, and she knew it when she got off the car.

the man who had been resting with his eyes closed suddenly opened his eyes. " we're here? "

Qin Chen hummed in agreement and opened the door to get out. "Take a bath and go to bed early!"

He had been busy these days, and even their life had been reduced a lot. Qin Chen was dispensable, but when he was energetic, she would be tired.

however, just as she finished speaking, her hand was caught and she was taken upstairs by the man. " let's shower together. "

qin chen coughed lightly. " can i refuse? "

lan yu picked her up and said, 'you want to reject me? Hmm?"

She smiled and wrapped her arms around his neck. I'm afraid you'll be too tired.

"You can see if I'm tired later." he kissed her on the lips and said in a low voice.

A few minutes later, in the bathroom.

qin chen looked at him, bit his lip, and rejected him in a low voice. ""can you brush your teeth?"

Lan Yu was stunned for a moment. He went to brush his teeth angrily, and after brushing for ten minutes, he grabbed her and kissed her.

As Qin Chen was being kissed, he suddenly remembered something-

it seemed that her period had not come for a long time.

Chapter 2876: She is pregnant (1)

qin chen froze for a moment, and lan yu kissed her lips. ” “what’s wrong?”

Her eyes were a little dazed as she looked at him. She smiled faintly.”oh, i’m fine.”

She wrapped her arms around his neck, a trace of ridicule flashing past her eyes.

but soon, she didn’t have time to waste. he pushed her against the bathroom wall and kissed her.

lan yu kissed her deeply and murmured, ” “chenchen, xuanji.”

qin chen wrapped his arms around his neck and buried himself in his arms, his voice trembling. ”
“Lan Yu, I’m very happy.”

...

She raised her head and looked at him.

she had been alone for so long, so lonely, and only now did she know that life could be so complete.

She lay in his arms and smiled, tears flashing in her eyes.

Only now did she know that he wasn’t perfect, but she liked him like this. So the bits and pieces of their time together were happiness and love.

however, she had once pushed away all of this with her own hands.

“Lan Yu, why didn’t you give up on me?” Her eyes were warm as she leaned on his shoulder and asked seriously.

Lan Yu thought about it seriously and kissed her, murmuring, ” “i’ve thought about it before. that’s why i quarreled with lin sisi that time.”

before he could finish, qin chen bit his lips and said, ” “that’s why you and lin sisi slept together, right?”

“I didn’t do anything to her,” Lan Yu chuckled.

“I didn’t even get a stone that time,” he whispered in her ear.

Qin Chen’s face was slightly red, and he turned his face away.”I don’t believe you.”

“You don’t believe me?” his smile deepened and his body pressed against hers. ” say, with you around, how can i still be interested in other women, huh? ”

qin chen bit his lip and glared at him.

at this moment, he had deliberately taken her.

she groaned and instinctively wanted to struggle, but he still succeeded.

Because of what he said just now, he was a little mischievous tonight. From the bathroom to the bed in the bedroom, he tormented her for a long time, and then he became a little rough.

qin chen remembered that his period didn’t come, so he pushed his shoulder. ” it hurts a little, be gentle. ”

Lan Yu was stunned for a moment. Although his body was still warm, he still stopped nervously and checked her. “where do you feel uncomfortable? am i too heavy, huh?”

qin chen couldn’t take it anymore and hugged his shoulder. ” stop talking. ”

“then i’ll end it, huh?” lan yu kissed her cheek.

after everything had calmed down, he was covered in sweat. he took a deep breath and helped her clean up.

he wasn’t a particularly gentle person in bed, but he was very thoughtful after sex. he would make her feel like she was being loved, and not just a simple love between a man and a woman.

Qin Chen lay down with his face turned to the side, feeling his careful care.

after lan yu was done, he leaned over and asked in a low voice, ” “Does it still hurt? Do you want to buy some medicine and apply it?”

she shook her head, pulled him down, and hugged him gently. she murmured, ” “i just want to hold you now.”

He looked at her, and at this moment, Qin Chen had a fragile beauty. He smiled.”our chenzhen seems to have become smaller.”

he thought about the past, especially the first time he woke up after the car accident. he was such a beautiful and sharp-tongued male doctor.

And now, she was lying in his arms so softly on his bed. It was unbelievable just thinking about it.

Lan Yu lay on his side and held her in his arms.

She was very tall, around 170 cm, but he was 184 cm, so she still looked petite in his arms.

lan yu hugged her and teased her quietly.

such a night was peaceful and beautiful.

“lan yu, will we be so happy for the rest of our lives?” Her voice was very low, and she rested her head on his shoulder. “Forever.”

“When I’m old, will you think that young girls are better?”

lan yu pressed her little head into his embrace, his expression extremely gentle. “i’m so much older than you. when you’re old, i’ll be old long ago.”

He didn’t say anything nice, because there was no need to. Time would prove everything.

Qin Chen didn’t say anything else. He laid in his arms and looked out at the dark night.

...

However, a sense of uneasiness rose in her heart, and her fingers gently touched her lower abdomen.

the next day, qin chen got up after lan yu went to work.

he had already prepared breakfast for her, and she ate it quietly.

the phone on the table rang. the number was strange yet familiar.

she recognized that it was rong lei’s phone.

Qin Chen pursed his lips and picked it up-

after a moment of silence, rong lei said in a low and hoarse voice, ” “Chenchen, I’m leaving.”

“Yes.” qin chen nodded, then he didn’t know what to say.

She and Rong Lei seemed to have nothing to say.

Love or not, it seemed to be a matter of an instant.

Rong Lei's voice became even more hoarse. I didn't expect that I would come back like this. I always thought that you would love me forever.

After a while, Qin Chen said softly, "I'm sorry!"

Rong Lei said goodbye and hung up the phone.

qin chen looked at his phone for a long time before hanging up.

After being in a daze for a long time, she finally took her car keys and went out for a walk.

She did not go to Sheng Yuan but chose a private hospital.

when she took the pregnancy test, she was stunned ...

she was pregnant.

She was certain that this child was Lan Yu's because she had no other man besides him.

however, she really didn't know when it happened, because they had already taken precautions.

The only time was when she had taken morning-after pills.

Qin Chen looked at it for a long time, then took out his phone and dialed Lan Yu's number.

However, no one picked up his phone. Yingluo then remembered that he had a meeting this morning.

she walked out and got into the car. just as she was about to start the car, something cold pressed against xuxu's head.

she was stunned for a moment and realized that it was a gun.

A soft voice came from behind her, "Chenchen, give me the things in your bag."

it was rong lei's voice.

qin chen's body stiffened, and she clenched her fingers. "rong lei?"

"I think I've forgotten something, so I didn't board the plane." Rong Lei's voice was a little light. Chenchen, be good and give me the thing.

"will you kill me if i don't give it to you?" qin chen took a deep breath.

Rong Lei put away the gun and said in a light tone, "Yes, I can't bear to kill you, but I think I can bear to kill Lan Yu's mother and Lin sisi."

As soon as he finished speaking, Qin Chen's body stiffened.

be good. I'll count to three. If you don't give me the things, then we'll start with Lin sisi. Rong Lei said calmly.

Qin Chen closed his eyes, but still handed him the test report in his bag.

rong lei took it, and in just a second, his face changed completely.

she was pregnant. she was pregnant with lan yu's child.

The muscles on his face trembled. He was no longer as aloof as he usually was, nor was he as calm as he usually was.

The girl that he had been thinking about so much, such a pure and holy girl, actually had a child with another man.

Rong Lei laughed in a low voice, and there was a bit of desolation in it.

Chapter 2878: She is pregnant (3)

“Drive the car to the airport.” Rong Lei’s voice was deep.

Qin Chen’s fingers were on the steering wheel, and he didn’t move for a long time.

he seemed to be getting impatient. he squinted his eyes and said, ” chenzhen, you should know my personality. ”

“No, I don’t understand you.” Qin Chen closed his eyes. Rong Lei, ” he said. maybe I never knew you.

“when i was young, what i liked was just an illusion, not the real you,” she said softly.

She clearly didn’t like him anymore. She didn’t love him anymore, but she was still sad that he had become like this.

...

all these years of love had turned out to be a lie.

Rong Lei’s face was dark. then, I don’t mind letting you know me for real.

after he finished speaking, he held his phone and said,’chop off one of Lin Sisi’s fingers.’

Qin Chen’s body stiffened, and before he could say anything, a scream came from the other side of the phone.

Her face froze.

She could tell that it was Lin sisi's voice.

"rong lei." "you're so cruel!" qin chen's voice trembled.

"Right!" His voice was very calm. cruelty is my true face, Chenchen. The pain I've suffered over the years has long worn away the softness in my heart. The only good thing I have is you, but you're so disobedient!

Qin Chen closed his eyes. what do you want? "

"Drive to the airport and go back to France with me." His tone was calm.

"I thought you'd want to go back to new York."

"I'll bring you there after we get married." He said very lightly.

Qin Chen opened his eyes and looked ahead. What if I don't? I don't care about their lives. You know I've always been selfish.

Lan Yu laughed softly, " but I know that you care about Lan Yu's mother. Think about it, will you be able to be with Lan Yu in peace if she dies? "

Qin Chen didn't make a sound, his fingers gripping the steering wheel tightly.

I'll give you 10 seconds. After 10 seconds, it'll be Lan Yu's mother who has her fingers broken. rong lei counted calmly.

sweat seeped out of qin chen's forehead, and his whole body was covered in sweat.

she knew that once she boarded the plane to France, there was no turning back. she and lan yu were finished.

She knew Rong Lei's means too well.

However, she had no other choice.

Rong Lei suddenly laughed softly. "Do you know why the old lady ended up in my hands?"

Qin Chen's heart skipped a beat.

"Because I got someone to call her and tell her that something happened to you. That's why she rushed over and didn't bring the bodyguard Lan Yu gave her." Rong Lei's voice had a touch of evil.

Qin Chen closed his eyes. When he opened them again, she didn't say anything and just started the car.

She had lost.

He had lost completely.

Rong Lei knew her so well that he knew all her weaknesses.

Rong Lei, who was in the back seat, smiled with satisfaction.

It was just that this kind of satisfaction, even he himself felt sad.

Because he lost Qin Chen, he lost him for the rest of his life.

Qin Chen drove very fast, almost making Rong Lei think that she wanted to die with him.

But he also knew that she wouldn't, because she had someone to worry about.

An hour later, the White Bentley was parked at the airport. Qin Chen got out of the car immediately, and Rong Lei confiscated her phone.

on the luxurious private plane, mrs. lan and lin sisi were tied to the seats. lin sisi's hand was stained with blood and it was still dripping. there was a small broken finger on the white carpet.

Qin Chen slowly walked over, and she gently picked up the finger. She raised her head to look at Lin sisi.

Chapter 2879: She is pregnant (4)

this was the first time she had been so close to lin sisi. in the past, she had thought that this girl was very willful, but now she felt very pitiful.

if she hadn't been involved in her relationship with rong lei, lin sisi would probably still be that willful princess.

"She wants me to operate on her." she muttered.

Lin sisi shook her head, her face covered in sweat. it's useless. Why did you come, Qin Chen? "

obviously, happiness was within her reach, so she naturally didn't need to care about it. and lan yu's mother used to be so annoying.

why did qin chen come? she could have been happy.

...

Lin sisi started crying. Her tears and sweat dripped down at the same time. She was almost crying out, " "I don't need you to care about me, go, go away Yingluo!"

Rong Lei was such a pervert. If Qin Chen came, it would be almost impossible for him to be with Lan Yu.

As she spoke, she started to struggle and struggled fiercely, regardless of the injury on her hand.

LAN Wuji's mother was also in tears. I'm the one who harmed you, Chenchen. I'm useless. I fell for their trick.

"no, he wants me to follow him. i can't escape." qin chen smiled faintly.

Even if it wasn't mother LAN, that person would still be Lan Yu.

She hadn't forgotten what Rong Lei had said to her last night.

she would rather it be mother lan and not lan yu.

"let her go," she said in a low voice,"and erase her memories." i'll go to France with you."

Mrs. Lan's eyes widened. Chenchen? "

qin chen slowly squatted down and held mrs. lan's hand. she said very softly, " because I love Lan Yu. That's why I want Yueyue to be well.

Perhaps she should never have turned back. She knew the danger and Rong Lei's ambition.

if she turned around, she would be harming lan yu and the people around him.

it was mother lan now, but it might be lan yu in the future, or someone from the qin or tang family.

She had no other choice.

"i really love him." Qin Chen said with tears in his eyes.

she took out a small item from her pocket and waved it in front of mrs. lan.

Mrs. Lan's gaze was a little straight. She wanted to struggle. She wanted to remember some important things, but this part of her memory was still washed away.

"send her back," qin chen muttered a few minutes later,"her memory has been erased."

Lin sisi gritted her teeth. I don't want to! Qin Chen, don't even think about doing this to me!

rong lei gestured for the people beside him to send mother lan away. when she woke up, she would forget everything.

"I want her to live, or I won't do anything for you," Qin Chen said in a low voice.

"of course." Rong Lei smiled.

"do you really want to come with me?" qin chen asked.

lin sisi nodded, her eyes filled with determination.

Qin Chen smiled and looked at her, but he said to Rong Lei, "i want someone to accompany me."

Rong Lei agreed.

Qin Chen lowered his eyes and reached out to rub Lin sisi's sweaty hair. does it hurt? "

Lin sisi shook her head, then nodded again.

qin chen closed his eyes and slowly turned around, taking his phone from rong lei's hand.

She dialed Lan Yu's number.

This time, Lan Yu accepted the call.

Qin Chen paused for a moment, then slowly said, "I'm sorry, the one I love is Rong Lei."

She hung up the phone after she finished speaking. Her heart was numb.

she took out the sim card and threw it out.

It was as if she had thrown away the connection between her and Lan Yu. At that moment, her face was as white as a sheet of paper.

She had stolen this relationship, and it was time to return it.

Lan Yu, I'm sorry, I'm sorry, I'm sorry, Yingluo.

If there's a next life, I'll definitely find you when I'm 12 years old. I'll always love you, love you for the rest of my life. Even if you don't want me, even if you don't love me and ignore me, I'll always be with you.

Lan Yu, goodbye, because I want you to be well.

After Qin Chen was done, he looked at Rong Lei. "Are you satisfied now?"

rong lei frowned. "chuchen, you will forget him. you will fall in love with my yingluo again. you will return to the world we used to live in. that is the world that belongs to us. you are just lost."

"It doesn't matter," she smiled.

She lay on his shoulder and looked at Anna behind him. She turned her face slightly and looked up at him. "Was it Anna who cut off one of Lin sisi's fingers?"

Rong Lei did not speak.

"I don't think you've given me an engagement ring yet," Qin Chen smiled.

rong lei relaxed when he heard her say that. ” “let’s go back to France and pick out some clothes together, okay?”

qin chen put his face on his shoulder again and smiled. ” “But I want the one in her hands.”

Rong Lei looked at Anna, who was ashen-faced.

Rong Lei smiled indulgently. if you want it, take it. Anna won’t mind.

Qin Chen smiled sweetly. I was afraid you would mind.

Then, she picked up the gun and pointed it at Anna’s arm.

Anna’s body trembled as she retreated, her face pale.

with a bang, she was shot in the arm.

Qin Chen’s voice was clear and cold, without a trace of humanity. “the main artery is damaged. if we survive, this arm will be useless.”

Anna’s body hit the back door, and blood kept flowing down.

rong lei didn’t even blink. he raised his hand and asked someone to take anna away before looking at qin chen.”As long as you’re happy.”

“Yes, I’m happy.” qin chen returned the gun to him.

for a moment, she really wanted to end his hanhan.

But she didn’t want to die.

even if there was a glimmer of hope, she wanted to come back alive ...

even if it was a glimmer of hope.

Chapter 2880: You're just one of my games (1)

In B city, Lan Yu held his phone, his expression slowly turning cold.

The phone scrolled down slowly and finally clenched tightly. His mind was full of her words. She said that the person she loved was Rong Lei.

How was that possible?

That was impossible.

these days, she had changed into women's clothes for him, grown long hair for him, and become so soft for him, but she said that she still loved rong lei.

he didn't believe it.

...

lan yu walked out. when he reached the secretary's office, he said coldly, " prepare a private plane for me to France. "

The Secretary was stunned for a moment, then immediately took out her phone to contact him.

when lan yu arrived at the airport, his phone rang.

He picked it up, and his eyes turned dark and misty.

His mother had fainted and was sent to the hospital.

lan yu's car stopped. he looked up at the sky and saw the planes taking off one by one. there was pain in his dark eyes.

his fingers suddenly clenched the steering wheel tightly.

his father's voice came from the other end. "Lan Yu, I'm afraid your mother is dying, Lan Yu. Come back quickly."

Lan Yu closed his eyes and said in a deep voice, "I know, I'll be there soon."

He put down his phone, his eyes filled with disillusionment.

He sat up straight and started the car.

An hour later, when he returned to the hospital, Mrs. Lan had already passed away.

Lan Yu walked in quietly and looked at Bai SuSu's ward. His mother was lying there, and her body was covered with a layer of cloth.

White cloth.

Lan Yu's father looked at him and wiped his tears.

Lan Yu looked at his mother quietly as she lay there peacefully.

"Did she leave?" He asked softly, reaching out with a trembling hand and removing the white cloth.

Instantly, his eyes became a little hot, and he slowly knelt down on both knees.

Mrs. Lan's departure was very sudden. Even with the most advanced medical technology, they could not find out what happened. In the end, the director could only comfort her and say, "She probably passed away with palpitations. Mr. Lan, my condolences."

Lan Yu stood there and didn't move at all.

Three days later, after mother Lan's funeral, father LAN called him into his bedroom.

he took out a box and placed it in lan yu's hand, saying softly, " "this is your mother's. a few days before she left, she kept saying that she wanted to give it to qin chen."

as father lan spoke, he took a deep breath and wiped his tears before he continued, " "Although she's gone, I know you're going to find Qin Chen, so take this with you. It's a thought your mother has before she leaves."

Lan Yu pursed his lips tightly and opened the box.

There was a sea sapphire suit inside. He could tell that it was his mother's favorite set of jewelry. He was probably preparing to give it to Qin Chen as a gift.

His eyes were a little bitter, and he held the box tightly as he choked, " "thank you, dad."

father lan patted his shoulder and said nothing. he sighed, " "Go on."

.....

lan yu arrived in France two days later.

The weather in France was much cooler than in B city.

he called qin chen.

qin chen met him in a villa that looked like an ancient castle. it was more like a private manor than a villa. it took a full ten minutes to drive in.

The car stopped. In front of them was a red and white villa that looked like an ancient castle in a fairy tale.

Lan Yu got out of the car and went through layers of people to welcome him. Finally, he saw Qin Chen in the back garden.

Qin Chen was sitting at an exquisite table and drinking afternoon tea. He had changed into men's clothes, and he had a familiar yet strange smell.

“Madam, Mr. Lan has arrived,” the servant beside Lan Yu said in a low voice.
