

Thank you 3001

Chapter 3001: you're saying i'm little bean sprout? 2

he turned his head and looked into her eyes.

Qin Chen snorted softly, looking fierce.

Lan Yu smiled, picked up the pillow in a good mood, and put it back.

she continued to ignore him.

“Qin Chen, you're like a child who can't get any candy.” He paused.

She glared at him angrily.

...

Lan Yu laughed in a low voice. This time, he really left.

“You can't control your lower body, you pig!” Qin Chen snorted and lost interest in lying down, so he went to the bathroom to take a shower.

Her feet still hurt a little, but she endured the pain and took a shower to change her clothes.

lan yu did not leave immediately. instead, he went to explain to his father.

father lan obviously didn't agree. he also loved lin sisi, but now that his son had finally brought qin chen back, he left qin chen for lin sisi.

did he still want to get a wife?

“father, i can’t leave sisi alone.” lan yu smiled.

“Is there no one else other than you?” “think about qin chen’s feelings,” father lan said unhappily.

one sentence and lan yu fell silent.

after a long time, he said in a low voice, ” “Dad, I’m already very considerate of her feelings.”

He paused for a moment before continuing,”marrying her isn’t just to dote on her.”

father lan was furious. he snorted coldly. ” you are getting better at saying one thing and not thinking the other. fine, you can go. don’t come here and cry when you regret it. ”

he despised his son. he had been looking for lu wei for so long and hadn’t seen his parents, but now he was acting so bashful. in his opinion, lin sisi was important, but lan yu’s departure was obviously to make things difficult for qin chen, or for himself.

she was saying that she hated him, but at the same time, she was afraid that he would care too much.

lan yu took the car keys and left. lan yu’s father looked at him and sighed.

at this time, xiao rong yue, who had been pretending to be asleep, opened his eyes. his small face was cute, and his eyes were wide open as he looked at father lan.

father lan’s heart was about to melt.

no matter whose child he was, he was his eldest grandson.

Xiao rongyue blinked his cute eyes and looked at father LAN. uncle LAN, are you going to cheat on me? ”

Mr. Lan’s old face stiffened, and he cursed his son in his heart.

How was he going to explain this to the little cutie?

could she say that her son had been taking care of Lin Sisi all this time? although it was a pure relationship, how could anyone believe that a man and a woman were just one man and one woman?

Even the old man did not believe that his son, who had been a monk for so many years, would not be moved by Lin Sisi's pretty little face at all. Even if he wanted to take advantage of her, he would at least try to take advantage of her!

Therefore, Father LAN did not have the confidence to explain to Xiao Rongyue.

In the end, she coughed lightly. it's hard to say. You can ask your mother.

as a mother, she would never let her son know about these little dark things, so Father Lan was confident.

Father LAN cheered and clapped for himself-

this was a beautiful way to shift the blame.

but he didn't expect Xiao Rong to ask Qin Chen when he was drinking in the afternoon.

Qin Chen took a sip of juice and glanced at Father LAN.

Father Lan's eyes were filled with confidence.

under Lan Yu's firm gaze, Qin Chen slowly said, " " Rongyue, Uncle Lan and Lin Sisi have always been together. your mother is the third party! "

Father LAN was shocked by this answer and didn't know what to say for a moment.

"Mom, what's a third party?" Xiao Rong asked.

“It’s about getting involved in someone else’s relationship when they’re not related at all.” qin chen said lightly, then added, “mom was forced by a mistress, by uncle lan.”

Chapter 3002: you’re saying i’m little bean sprout? 3

xiao rong yue nodded, indicating that he was relieved.

“Then, should mommy also find a mistress and anger uncle LAN to death?” he raised his head.

“There’s no need for that.” Qin Chen was surprised.

her son carefully observed her expression and then said softly, ” “but i think mommy is angry with uncle lan. was mommy really forced to be a mistress?”

qin chen glared at his son.

father lan was satisfied.

...

This sun Cha was really smart.

Qin Chen glanced at him again, and father LAN shut up.

it was better for him to keep a low profile. after all, it was his son’s fault for running off to find another young lady.

*

Lan Yu was stunned when he arrived at the nursing home.

The place that was originally fine was now pitch black.

The fire engine was still there dealing with the aftermath, and the hospital director and doctors were standing on the lawn outside.

Lin sisi, who had caused trouble, was also standing there. Her little face was as black as a black egg, and only her eyes were rolling. When she saw Lan Yu coming over, she pounced over like a small animal looking at its mother.

he was just short of calling her mother.

lan yu's face was a little black.

"You got scolded?" he frowned and looked down at her.

Although he wanted to reprimand her, he couldn't bear to do so when he saw her pitiful look.

he reached out and touched her little head. lin sisi moaned in his arms.

The hospital director came over and expressed that he was having a headache too.

sisi was a devil incarnate. she caused trouble wherever she went. in the past three years, the hospital had been flooded twice and burned three times. fortunately, there were no casualties.

this was really a headache. fortunately, they had ceo lan's sponsorship. otherwise, no sanatorium would be able to afford to support lin sisi.

"i won't be able to stay for another few months," the director sighed. "fortunately, there haven't been many patients in the past few years."

he looked at lan yu. "can you let ceo lan take care of sisi for a while? you see, we really don't have the power to do anything here."

he was afraid that lan yu would be unhappy and not allocate any funds, so he raised his spirits. ”
“Well, let’s get sisi back after we’ve fixed the house. What do you think, CEO LAN?”

He looked at Lan Yu with desire.

it’s just a few months, let them live a few months of comfort?

lan yu was helpless. looking at the little fellow in his arms, he was angry and amused at the same time. he even felt a little heartache.

A child that no one wanted!

“i’ll take him away, hurry up here.” he said after some thought.

The hospital director wiped his sweat and smiled. of course, we’ll be quick. We’ll be quick.

he would definitely delay it as soon as possible.

it would be best to delay the two-month construction period for half a year.

The director was grateful for this fire. After sending little troublemaker away, what was left was to really have some tea.

in your dreams!

lan yu shot a glance over and said indifferently, ” “I’m married, so it’ll be two months at most.”

The hospital director was stunned.

Are you married?

” then let’s take care of sisi, ” he said, ” it’s not convenient for you to get married, ceo lan. ”

If sisi went over and caused CEO LAN to get a divorce, the sanatorium would probably be finished!

so, the director tried his best to invite sisi to stay. or, why don't I change my office into sisi's ward? I'll take care of her personally, and I won't be able to take off my clothes. What do you think, CEO LAN? ”

“sisi, are you willing to do it?” lan yu asked.

lin sisi bit her lip. she thought of the pigeons in the square, so she said in a low voice, ” “I want to move out.”

lan yu thought for a moment and agreed. ” alright then, come to my place for two months! ”

He knew very well that it wasn't that he didn't have a place to make arrangements, but he just wanted to see Qin Chen.

A marriage that was filled with gunpowder seemed to be much more interesting than a pool of stagnant water!

Chapter 3003: he drove qin chen away in anger (1)

When Lan Yu returned to the villa with Lin sisi, he remembered that Qin Chen and Rong Yue were still at his father's house.

Lin sisi was sitting on the sofa, watching TV without leaving the remote control. He took out his phone and called Qin Chen.”still at my dad's?”

“Rong Yue is asleep, I'll bring him back later,” Qin Chen said in a low voice.

“i'll go pick you up.” Lan Yu's voice was calm.

“i'll drive my own car back. you have two cars here,” qin chen refused.

Lan Yu frowned, but he didn't say anything after looking at Lin sisi.

...

he was worried about leaving her at home.

It was already evening and the sky was about to turn dark. Lan Yu stuffed another bag of snacks into Lin sisi's hands while he went to the kitchen to cook.

While he was cooking, he thought that Qin Chen didn't know when she would be back, so he decided to call her and tell her that sisi was here.

She was probably angry, but if he wanted to explain it to her, she would probably listen.

lan yu thought about it and smiled faintly.

he held his forehead. he should not have compromised like this.

He was clearly thinking about how to torture her, but it seemed that he could be angry with her but could not hate her.

at around seven o'clock, he had already prepared a table full of dishes. just as he was about to serve them, lin sisi ran over and hugged his waist from behind."lan yu, are you done?"

she mumbled to her own stomach. " i'm hungry. "

lan yu smiled and turned his body to rub her head. " "i'll be done in a while."

lin sisi looked up at him and smiled foolishly. in her heart, lan yu was just like her mother, and she liked him very much.

so, she kissed lan yu naturally.

This wasn't a big deal in their previous relationship, but in Qin Chen's eyes, it was not the case.

she knew that lan yu didn't marry her out of love.

She didn't expect him to be on the same level as her, but it didn't mean that she could tolerate her husband being intimate with another woman in front of her as if there was no one else.

It was in the villa they were staying in.

qin chen stood there quietly.

on the side, xiao rong looked on eagerly, then looked up and pulled her mother's hand. she sighed and said, "Mom, you're right. You're not a mistress."

"okay." qin chen smiled and looked at little rong yue. "mom will take you back to your maternal grandmother's house, okay?"

The more Xiao Rong said, the better.

although he was very hungry and liked to eat uncle lan's dishes, he didn't want to see his mother sad.

although his mother refused to admit it, he could tell that she was unhappy.

qin chen lowered his head and smiled, then looked at the man and woman.

at this moment, lan yu finally discovered their existence.

their eyes met, and the atmosphere was a little strange.

Lin sisi, the little fool, was still hugging Lan Yu's waist. She was a little surprised and a little scared to see Qin Chen.

she curled up in lan yu's arms and said softly, " "is she angry?"

lan yu didn't push her away and said, " "It might be!"

Lin sisi bit her lip and asked in an even lower voice, " "Did I disturb you?"

"I'll tell her." Lan Yu patted her head to comfort her.

finally, he let go of her and walked towards qin chen.

Qin Chen didn't leave immediately, but said softly, " "I don't want to quarrel with CEO LAN in front of rongyue."

Lan Yu frowned. I've said it before. I don't have that kind of feelings for sisi.

"I believe you don't mean it, but what are you doing now? you brought her back and let my son see you and her kiss and hug? i'm sorry, ceo lan, but i think my son's values are more important than the rongs."

Chapter 3004: he made qin chen leave in anger 2

After Qin Chen finished speaking, she looked at Lin sisi, then turned back to Lan Yu.

you brought her back to show me that it's really unnecessary. I won't tolerate it either. That's it! Qin Chen carried his son out and started his car.

she left without any hesitation.

Lan Yu stood there and didn't say anything. He only watched them leave and Xiao Rong Yue's disappointed eyes, as well as the back of the car.

Finally, it was calm.

Lin sisi walked over, biting her lips. did I make her unhappy? ”

...

In her world, she couldn't differentiate between family and love.

However, she had a faint feeling that her appearance had made her beautiful sister unhappy. Lin sisi bit her lip and gathered her courage to say what was in her heart.”can i xuxu stay at gu ze's place?”

gu ze?

lan yu was a little stunned.

gu ze and lin sisi had only met a few times. with sisi's brain, she actually remembered gu ze and wanted to stay in gu ze's house?

He looked at Lin sisi carefully and asked, ” “why?”

Lin sisi's heart beat faster. She blinked her eyes and said innocently,”because he can help me catch pigeons and he can make delicious food.”

Lan Yu felt at ease.

but he still didn't agree, because he didn't dare to take the risk.

It was because his heart ached for sisi.

Right now, she was as innocent as a piece of paper. If she developed feelings for Gu ze and Gu ze's family didn't agree or Gu ze didn't think it through, sisi would be hurt.

however, while he was worried about her, he was also disgusted with himself.

she was clearly very innocent, but he still used her.

He wanted to use her to test Qin Chen and see if he would be angry.

but in the end, qin chen left, and he seemed to be the one who was angry.

Other than anger, he was also worried.

lan yu pursed his lips and let out a long breath. " let's eat. we'll talk about it later. "

Lin sisi was still a little disappointed that he did not agree, but she did not dare to mention it again.

right now, lan yu's role was like the head of the family to her. she didn't dare to do anything that lan yu said was impossible.

She was also afraid that Lan Yu would be angry.

while they were eating, she kept asking qin chen when he would be back.

lan yu ate, paused, and said indifferently, " "She won't be back for the time being."

lin sisi was also quite sensitive, and she actually asked, " "Then, if I was here, she wouldn't have come back."

Lan Yu didn't want to talk to her about this, but she kept asking, so he still answered directly, " "Right?"

The little fool wasn't stupid at all. She added, " "Then, then, I'll go back to the nursing home, but I don't want to go back. I don't want the director to take care of me. He's so old!"

Lan Yu didn't know whether to laugh or cry.

Her thoughts were transparent to him. He muttered to himself, " we'll talk about it in a few days.

Sisi was like a child. If Qin Chen could understand, sisi and little rongyue could be their children.

Lin sisi looked at him secretly. She was sure that he would be unhappy if she mentioned it again, so she ate her rice and did not dare to say anything.

at night, when it was time to sleep, lan yu came over to see her and then left.

lin sisi found a pigeon toy from under her pillow and hugged it to sleep.

i sleep talk in my sleep. although you are poor, i still like to be with you.

In the other master bedroom, Lan Yu stood in front of the window and smoked. How would he know that his little fool had also started to fall in love?

even little fool's emotional intelligence was higher than his.

Chapter 3005: If you cry again, I'll eat you (1)

Lan Yu was smoking while looking at his phone.

He knew that Qin Chen would be angry, but he still brought Lin sisi back.

For the first time, he knew that besides women, men could also do it.

Outside, it suddenly rained and thundered.

Lightning appeared on the horizon, cutting through half of the sky.

Lan Yu raised his hand and looked at his watch to see if Qin Chen had reached home.

...

He was still worried, so he made a call.

The phone rang a few times, but no one answered. He called again, but this time it was turned off.

he knew that she had probably returned home, but she just didn't want to pick up his call.

Actually, he didn't really want to hear her voice, but Hanhan was worried.

Lan Yu pursed his lips and looked at his phone. In the end, he didn't call again.

on the other side, lin sisi also took out her phone and carefully dialed gu ze's number.

he had given her the phone number last time, but she had not called him once.

Although she was a little silly now, she still had a woman's self-restraint and a squint.

she dialed gu ze's number and gu ze picked up very quickly.

At this moment, Gu ze had just come out of the bathroom. He was only wearing a bathrobe, and water was still dripping from his chest.

that well-built figure was very attractive.

he wiped his wet hair with one hand and held his phone with the other. he said in a deep voice, "I'm gu ze."

little fool was dodged.

her voice was really nice.

And was it really Gu ze's voice?

why does he have such a nice voice? it's so nice, just like the voice on the radio.

Overbearing President.

Little fool finally thought of this word.

"it's been raining and it's been thundering. have you packed your clothes yet?" she suddenly became embarrassed.

Gu ze was drinking a mouthful of water when he suddenly burst out in anger.

Collecting clothes?

What was she saying?!

however, he soon realized that it was little fool who had called him.

Little fool

He had not seen her for a long time.

Gu ze was stunned for a moment, and little fool was about to cry.

he didn't say anything, so she thought he was angry and didn't want to talk to her.

Hence, little fool hung up the phone in disappointment.

On the other side, Gu ze looked at his phone and was a little puzzled.

What's wrong with being a little fool?

out of worry, he still called back.

The phone rang, but little fool was crying there. She didn't want to answer the phone even when she heard it ring.

she bit her lip and hugged herself to tease the little fool, who was angry at her.

why did she call him? he might hate her to death.

And, and maybe he's holding a Vixen and gnawing on Yingying, and he doesn't like me at all.

the little fool cried, and gu ze kept making calls.

finally, she picked up the call and said in a sobbing voice, "please stop pestering me."

Gu ze laughed and patiently coaxed little fool."How am I bothering you? hmm?"

Little fool bit her lip. you called me so many times. What else could it be other than pestering me? "

"Oh, then you calling me first, does that count as pestering me?" gu ze asked.

"What I hit doesn't count," Lin sisi snorted softly.

For a moment, Gu ze did not know what to say.

She didn't play by the rules, she was so unreasonable ...

he should have hung up the phone, but his heart softened and he wanted to see her.

He could tell that she had cried.

His voice was soft, "are you still in the courtyard?" I'll go pick you up to eat skewers, okay? you must like it, all young girls like it. "

Chapter 3006: If you cry again, I'll eat you (2)

lin sisi was stunned for a moment.

for a long time, little fool's heart and eyes turned pink.

She bit her lip with an indescribable joy, but little fool did not agree easily. Instead, she smiled and said, "are you pestering me?"

gu ze smiled and threw the towel aside. "Yes, I'll pester you."

perhaps, he was a little lonely and wanted company.

At that moment, little fool called him.

...

He thought that it would be fine if he was like Lan Yu and took care of her like a little sister.

gu ze found an ideal reason for himself and then asked with some joy, "i'm here to pick you up."

Little fool was in a difficult position.

She didn't want him to know that she was staying at Lan Yu's house, so she whispered, "i'm outside."

gu ze's face darkened. " where is she? i'll come over immediately. don't move. it's best if you find a shop by the road and stand there. "

little fool looked around and saw the high-end decorations in lan yu's villa. she secretly said, " "let's meet at that square, okay?"

gu ze's tone became a little stern. " "You know the way?"

"yes, i recognize it." Little fool was all smiles. How would she know?

But she had money on her, and she knew how to take a taxi.

but she didn't realize that it was very dark outside, and it was raining so heavily that she couldn't get a taxi.

she spoke to gu ze as she walked out of lan yu's villa.

The Thunder rumbled, but the rain had stopped.

Little fool ran out just like that. She only had her phone.

lan yu knew nothing.

However, in such a villa area, how could little fool walk out for a walk?

Gu ze's car drove towards the Plaza and called her. "Sisi, where are you?"

Lin sisi looked at the trees around her and was on the verge of tears."i don't know."

Gu ze closed his eyes and silently cursed her for being a little fool in his heart. He still patiently told her, " "Do you have WeChat on your phone? if there is, we can just add each other and share our location."

lin sisi said she wouldn't, but she was afraid that he would scold her, so she carefully said she would.

But she hung up and closed her eyes.

she didn't know what was wrong with her. it was as if she knew how to do it. it was as if these things were engraved in her bones and blood.

She calmly downloaded WeChat and added Gu ze to her contacts.

then, she shared the location.

Gu ze received it within a minute. He looked at the phone in surprise.

Is Lin sisi's darling better?

otherwise, how could he be so fast?

she clearly didn't know anything.

He didn't have time to think about it and drove there first. About half an hour later, he found her near Lan Yu's house.

gu ze was not a fool and immediately understood.

He carried little fool into the car and looked at her fiercely.

"are you staying at lan yu's house?" He asked fiercely, but he still couldn't help pinching her little face.

The little fool looked at him pitifully, like a puppy.

after a while, she started crying. ” you were the one who said you wanted to eat skewers. you were the one who pestered me to come out. i didn’t want to come out. ”

she was crying so loudly that gu ze could not do anything to her.

he could only stare at her small face and impatiently pulled out a tissue for her.

my feet are hurting from walking, ” little fool said as she cried. do you still have skewers? ”

lan yu’s expression did not look too good. ” no more. ”

he started the car as he spoke.

As the car drove on, little fool kept crying beside him.

she was supposed to find it annoying to cry like this, but gu ze didn’t think so at all.

It seemed that she wasn’t so lonely with the hustle and bustle around her.

Chapter 3007: If you cry again, I’ll eat you (3)

he cleared his throat and said in a faint voice, ” “what are you crying for? if you continue crying, i’ll eat you.”

“Really?” little fool suddenly moved her face close to the side of his face. ” where are you going to eat? ”

The black sports car screeched to a stop.

The car stopped.

Gu ze's face slowly turned to look at little fool.

Little fool did not notice and was still smiling.

...

She even moved her little mouth closer to him. come and eat. I've just had some delicious food. It's delicious. I'm willing to share it with you.

Gu ze stared at her small mouth. It was indeed quite alluring.

his gaze became deep, and his body turned slightly toward her.

at first, she let him eat it, but when his burning masculine breath approached, she suddenly leaned back.

her head hit the back of the chair with a thud, and it hurt so much that she cried.

However, she didn't dare to cry out loud. She just looked at him stupidly, holding back her worthless tears.

gu ze leaned forward again and said in a low voice, " "You're scared. Didn't you want me to eat you just now? where do you agree to eat?"

She was so frightened that her tears seemed to have stopped, and she just kept looking at him.

"i'll just have a casual meal!" he said after a while.

her eyes were also staring straight at his good-looking thin lips, his straight nose, and his long and narrow phoenix eyes.

he was really good looking.

It's so nice, it must taste good!

little fool thought about it happily and stuttered, " "Anywhere will do!"

as soon as she finished speaking, he knocked her on the head, followed by a cold snort. " "What are you thinking about?"

Gu ze sat up straight and glanced at her. His voice was calm. don't say such things to men casually in the future.

"I didn't say it casually. I'm being serious." Lin sisi pouted and looked at him.

she was still a little anxious in her heart. if she cried, would he eat her?

However, he was so fierce now. She didn't dare to. She had to find a chance to cry.

the little fool's words made gu ze furious, but he thought about it and decided not to argue with her.

"let's go eat some skewers!" he said as he started the car again.

little fool made an "oh" sound and did not say anything.

However, she was also calculating in her heart. If she was drunk, could she stay at his house?

after making up her mind, little fool revealed a sweet smile.

gu ze drove into the city. when little fool got out of the car, she suddenly looked at the black sports car and then at gu ze. she asked in a low voice, " "your car must be very expensive, right?"

"i borrowed it," "it's from blue universe," gu ze smiled.

little fool heaved a sigh of relief. " as long as it's not borrowed from a woman. "

the meaning behind her words still made gu ze's face darken.

She was very straightforward, saying that he was a pretty boy.

gu ze snorted. he almost didn't want to take her to eat skewers.

Little fool probably sensed his intention and immediately hugged his arm tightly. "i was wrong."

she was so innocent, but gu ze's thoughts were not.

She must not know how soft her body was, and how impetuous it would be for a man to hug her like this.

He was also a man who had not had a woman for a long time.

gu ze was surprised to find out that he was not liu xiahui in his sorry state. it was just that he had not been impulsive towards a woman for a long time.

That dark crush had followed him like a shadow, and he had not really walked out of it until now.

Chapter 3008: if you cry again, i'll eat you (4)

it had been a long time since he had been impulsive with a woman, but at this time, he felt something when she was only hugging him.

Gu ze's heart felt strange, and so did his body.

he struggled slightly, but the little fool hugged him even tighter.

she was afraid that he would leave her behind or not take her to eat skewers.

gu ze was helpless. he was also afraid that others would see that something was wrong with him, so he took off his coat to block in front of him. this way, it was not easy to be discovered.

But the little fool didn't know anything. Not only was she curious, but she also reached over and asked curiously, " "did you bring a gun?"

...

Gu ze almost couldn't hold it in anymore. He glared at her. don't touch it, or I'll shoot you.

The little fool was frightened again and retracted her little hand.

it was a spear, very hard.

she looked at him eagerly. " will you kill me? "

Gu ze laughed in his heart. He held her hand as they walked and explained, " "Yes, so you have to be obedient. Otherwise, if I shoot you, you'll die like a Jade immortal! No, it's a fate worse than death."

"Just like roasting a squab, plucking its feathers before eating it?" Little fool thought that it was delicious and swallowed her saliva.

gu ze held his forehead and smiled helplessly.

she really didn't know anything.

however, she didn't understand that he was actually bullying her when he could say such shameless things to her.

wasn't little fool easy to bully?

He wasn't a good person. He was here to make her happy. He came out because he wanted to be happy.

He didn't explain and just ruffled her hair.

This action of kissing made little fool very happy. She immediately hugged his waist and buried her little face in his arms. She said sweetly, "I'll still pluck your feathers and eat you."

pluck its feathers and eat it.

gu ze lowered his head and looked at a certain part of his body. he felt an eerie evil intent behind him.

But little fool was so happy that she pulled him everywhere.

In the end, Gu ze chose a very famous skewer shop.

He was dressed in expensive clothes and looked out of place in the shop. Not only the others, but even little fool could see it.

"don't tell me you also borrowed these clothes?" she reached out and pulled him.

Gu ze laughed in his heart and said seriously, "I've borrowed the house too. do you want to go and take a look tonight?"

"Yes, I do." Her smile was exactly what he wanted.

as for gu ze, he was speechless for a moment. then, he said softly, "I'll send you to Lan Yu's."

and then, little fool lied.

"big sister is in the villa," he said without changing his expression. "she has a cute baby. i don't want to live there."

gu ze raised his eyebrows.

Qin Chen was staying at his place?

then why did lan yu let lin sisi stay there?

Was this courting death?

Or did he think that life was too boring?

Lin sisi quietly looked at Gu ze's face, afraid that he wouldn't take her in, so she pulled him again. "i don't want to live there. can you tell lan yu that you're lacking a little servant at home? "

Gu ze coughed lightly and asked seriously, " "what can you do?"

"yes," she thought carefully, and then said very frankly, "i know." "I can eat, I can sleep, and I can play games. I'm good at playing games and I clear all the games in one try."

gu ze did not find it strange. lin sisi was a computer expert in the past. perhaps subconsciously, she had not forgotten about those things.

it was just like how she was able to locate him very quickly before.

She was not that stupid.

she only had a lowered eq, but she had no problems with other aspects of intelligence.

Chapter 3009: He's being controlled by little fool (1)

gu ze smiled. " you know a lot of things, but i might not have the money to hire you. what do you think i should do? "

Little fool was stunned.

“Is there really no other way?” she bit her lip and asked him seriously, ” “you can borrow some from lan yu, just a little.”

gu ze held back his laughter. ” but i still don’t have any money. ”

little fool was so anxious that she was about to cry. she pouted her little mouth.”Why are you so poor?”

“It’s not wrong to be poor!” Gu ze could not help but laugh. He reached out and pinched her little face. silly.

...

little fool was angry. she lowered her head and sulked.

she felt that she couldn’t give in. at least she had a little salary, and he wasn’t that poor.

However, Gu ze did not give in to her at all. No matter how angry she was, it was useless.

she really didn’t want to go, but she felt that it was such a good opportunity for them to eat skewers together.

Lin sisi looked up and gave in. then I don’t want my pay anymore, ran ran. No, no, I mean you owe me.

gu ze called out to the boss and asked him to bring up one serving of each special barbeque.

little fool immediately forgot about being a nanny and ate happily.

“it’s so delicious.” she ate it sweetly, and her eyes curved in a smile.

gu ze sat opposite her and looked at her. seeing the purity in her eyes, his heart softened and he reached out to touch her eyelids and rubbed them.

Little fool smiled and didn't think much of it.

she continued to gnaw on her food. at this moment, gu ze's manliness was not as attractive as the skewer in her hand.

gu ze did not really like these things. he only ate a few symbolic mouthfuls and did not drink any alcohol. he had to drive her back later.

He had never thought of bringing this troublesome woman home.

But little fool had drunk quite a bit. Gu ze thought that he would make her drunk and send her to Lan Yu to give Lan Yu a headache.

however, he didn't expect lin sisi to have such bad alcohol tolerance. at first, she was sleeping, but then she started dancing in the car. she was the kind of dance where she took off her coat and underwear.

gu ze held the steering wheel and tried not to look at little fool in the back seat.

at this moment, she was only wearing a small tank top, which would not fall off.

Her fair little arms were especially alluring under the dim light. In the eyes of a man like Gu ze who had been restrained for a long time, it was like a Wolf seeing a piece of meat ...

It was difficult to restrain.

he cleared his throat, but his voice was still hoarse. ” “sisi, put on your clothes.”

not only did little fool not listen to him, but she also came closer and asked softly in front of him, ” “Did I dance well?”

Her slender legs crawled to the front seat and even tried to climb onto his body.

The supercar came to a sudden stop.

it was particularly ear-piercing in the middle of the night on the streets. fortunately, it was late at night and also after the rain, so there were not many people on the streets.

Gu ze looked at the little fool in front of him, but at this moment, he felt even more that she was a Vixen.

“are you like this with lan yu at home too?” his face darkened.

Little fool shook her head blankly and then said something that would piss him off, “i don’t know.”

didn’t know yingluo? did that mean there was a possibility?

at this moment, little fool stared at his lips, as if she had been drooling for a long time. she stared at them and then bit them.

Only God knew that Gu ze originally thought that she was kissing him. Although her kissing skills might not be good, she did not bite him.

the bite was quite painful. it was the kind of numb and painful, but also a little pleasant ~

Chapter 3010: He’s being eaten alive by little fool (2)

Gu ze’s eyes narrowed as he stared at the little wild cat. “Why did you bite me?”

He didn’t even know why his voice was so hoarse, it was filled with a desire that shouldn’t be there.

the little fool lay helplessly in his arms. he was wearing a black shirt of good quality. it was cold and comfortable.

that little fool desperately rubbed herself against him, and it also made gu ze angry that he should not be.

“Stop moving,” he said in a low voice.

“I’ll move!” The little fellow didn’t restrain himself, but instead rubbed against it with all his might.

...

Gu ze’s expression changed drastically, and a thin layer of sweat appeared on his forehead.

He pressed his hands on her waist, trying to stop her ...

She had no idea what she meant by what she did to him.

They were just making love through clothes.

He wanted to stop her, but his hands seemed to have magic as they kept pressing her back and forth.

He was enjoying himself while sinning. This was no different from rape.

When these two words appeared in her mind, all her Jade-like desires stopped.

all that was left was his dispirited panting and his guilt.

he thought, if she wasn’t a little fool and she wasn’t so smart, would he still touch her?

he wouldn’t. he would keep his distance from her.

in other words, he was no different from those men in terms of mentality and he also bullied her.

Gu ze suddenly leaned back in his chair and panted heavily.

Lin sisi lay helplessly in his arms, her eyes misty.

She didn't know what was wrong with him. They were fine just now.

She tried to kiss him again.

Her soft little body was in his arms, and her small lips lightly touched his neck.

bit by bit, he seemed to have learned it without a teacher.

gu ze turned his face away and refused to let her touch him.

she was a little hurt, but she stubbornly kissed him again.

“sisi!” he finally stopped her and held her small arm to turn her body around. ” “we can't do this?”

“why?” she asked, looking hurt. you were already like this just now!”

gu ze did not know how to explain it to her, but no matter how difficult it was, he still had to tell her.

he stopped the car by the roadside and carried her to the back seat.

He carried her like he was carrying a child and helped her put on her clothes.

lin sisi did not move. she just looked at him in a daze.”You still haven't told me why.”

Gu ze put on her clothes and sighed. “sisi, we’re not a couple. this kind of thing can only be done by a couple or a married couple,”

lin sisi’s little face was a little pale. after a long time, she asked softly, ” “Then what is our relationship?”

Gu ze thought for a moment before saying, ” “it’s someone i know,”

Although little fool had drunk too much and turned silly, she had a feeling that this was a very strange relationship.

it was because his attitude was very cold.

she didn’t understand why he was so excited to play interesting games with her just now, but now he was unwilling.

“You hate me?” she bit her lips.

“why would i?” gu ze sighed.

“But you didn’t even let me kiss you.” “i just want to kiss you, so i like you,” little fool said very honestly.

gu ze’s heart was a little sour. she didn’t know what it meant to like someone.

However, he still felt a little happy that she liked him.

he felt embarrassed, so after weighing the pros and cons, he said, ” “I think I’ll send you back.”
