

Thank you 3061

Chapter 3061: i've loved you for a long time, but i've also not loved you for a long time

lan yu carried her and did not return to the villa. instead, they went to her apartment.

He took the elevator up to her apartment. He turned to her and said softly, " "chenchen, the key?"

"what key?" She tilted her head and asked.

Then, she looked at the door of the apartment and smiled. "i know, it's my home,"

She pinched his handsome face and turned her face to the side. Then, she asked innocently,"lan yu, what do you want to do in my house?"

Her question was a little naive, unlike her, and even less like her past self.

...

However, Lan Yu's heart was very soft.

Chenchen, you've never acted like this with me. He smiled and put her down from his back. Then, he took her bag and rummaged for the key.

qin chen was unwilling. he snatched the bag from his hand and bit his lip."i'll get it myself."

however, she couldn't find it after a long time, and she had a bad temper, so she threw her bag on the ground and sulked.

she had never been like this!

lan yu had never seen her drunk before, so he was surprised.

However, he remembered that she used to be a doctor and didn't usually drink.

he did not expect her to look like this when she was drunk.

He looked at her and slowly squatted down, as if to accompany her, but also to laugh at her. "You're angry already?"

"No, I didn't," qin chen glanced at him, then bit his lip. " "Lan Yu, if I'm angry, will you coax me?"

Her eyes were fixed on him, and they were especially alluring. At least, Lan Yu was attracted to her.

she wasn't young anymore and wasn't an innocent girl. she was the mother of a child, but her eyes were pure and seductive.

Lan Yu let out a low sigh. He didn't open the door but knelt down and kissed her for a while.

The two soft lips touched gently and slowly. The voice was a little ambiguous and there was an indescribable feeling.

It was like his heart was moved, like his first love.

this feeling only happened after qin chen got drunk.

lan yu began to feel unsatisfied with this kind of contact and began to deepen the kiss. his face was very hot, and so was hers.

finally, he was a little satisfied and let go of her a little.

The drunkenness in her eyes was still present as she licked her lower lip. Lan Yu? "

He smiled, took her bag, found the door card, and swiped it open. Then, he pulled her up and brought her into the apartment.

After they became husband and wife, he had treated this place as his own home.

he carried her to the sofa where pei jingyu had been lying.

His body hung above her, and his voice was low. “how long has he been living here?”

He was talking about PEI Jingyu. The drunk Qin Chen could actually hear it, but she pretended not to understand.

“lan yu, what are you talking about? i don’t know.” her eyes were filled with innocence.

He was still holding her down. His gaze was slightly tense, and his dark eyes looked straight into her eyes.

“PEI Jingyu.” He spat out word by word, his long fingers caressing her red lips. He felt that the only time he could get the truth out was tonight.

“A week.” Qin Chen blinked.

then, before he could ask anything else, she told him honestly, ” i took him in because he’s good-looking, can cook, and has good pectoral muscles. ”

lan yu narrowed his eyes. ” you mean to say that you took in a man mainly because of his manly charm? ” he asked.

“i can’t?” she said like a little girl, her little hand tugging at his shirt collar.”but he’s good looking.”

Chapter 3062: i’ve loved you for a long time, but i’ve also not loved you for a long time

Lan Yu felt that it was difficult to communicate with her. He coughed lightly.”What about me? am I not good-looking?”

Qin Chen bit his lip and leaned over to look at him.

She was really going to die tonight. The word “naive” had nothing to do with her in the past, but now, she grasped it very accurately.

lan yu’s eyes widened slightly.

“It’s nice too.” Qin Chen kissed his chin.

his heart seemed to have fallen to the ground. it was a little embarrassing to fight for favor with a young man at his age.

...

If Qin Chen wasn’t drunk, he wouldn’t have done this.

qin chen kissed his chin and then his lips, and lan yu suddenly remembered something very serious.

He frowned and held her chin to stop her from moving. He asked her seriously, ” “you’ve kissed him like this too?”

he clearly knew that her relationship with pei jingyu was just a publicity stunt, but he still cared about it.

Qin Chen furrowed his brows and thought hard.”I think so.”

This time, Lan Yu was about to explode. you let him kiss you? ”

“I think I kissed him.” She said honestly.

wasn’t it normal for a woman who was almost thirty to take advantage of others?

Lan Yu went crazy. The fingers that were holding her chin tightened and his tone was very flat, ” “i think you’re tired of living, mrs. lan.”

“it’s madam rong. I’m Mrs. Rong.” she started to get confused and started to talk nonsense.

lan yu was so angry that he turned his back. he had thought that she was quite cute when she was drunk, but now he felt that she was even angrier.

He let go of her and sat down at the side.

he didn’t want to bother with her.

He ignored her, but she came to provoke him. She leaned against him and asked in an especially gentle and charming way, ” “Do you like me very much? So you’re staying at my house?”

lan yu’s eyebrows twitched. he turned his head to look at her face that was very close to him, and the corners of his mouth twitched. ” do you know who you are talking to? ”

“Blue universe!” she said matter-of-factly, still looking at his face.”Didn’t you always stay at my house? you can’t leave even if I tried.”

She looked at herself and suddenly said,”wait for me.”

lan yu looked into her eyes and didn’t say anything. she quickly ran back to the bedroom.

Lan Yu sat down slowly, his mind blank.

After a moment of blankness, he understood that Qin Chen’s subconscious had always remembered him. She just subconsciously didn’t want to remember.

he was worried that there would be problems with her memory. she usually looked fine, but she was a little confused after drinking.

he smoked hard, feeling a little annoyed.

Just as he was feeling vexed, Qin Chen came out.

She was only wearing a black shirt and her long hair was tied up.

It looked good, but what shocked him the most was that the shirt was his.

it was the one that he had hugged her and made love to her at the piano the entire night. it was also the one in the oil painting.

She's still keeping it?

It might have been left behind by accident, but it was still here.

Lan Yu shook the cigarette in his hand, almost burning himself. He opened his mouth and said in a hoarse voice, "Where did Yingying get the clothes?"

She didn't answer and walked over in this damn shirt. She knelt beside him.

after a long time, he finally asked,"did you come here to sleep with me?"

This was their conversation in the past, and now that she was saying it, he actually felt bitter.

He suddenly pulled her into his arms and pressed his face against hers, not leaving a single gap.

His voice was extremely low and hoarse, trembling. Chencheng, I feel like I've loved you for a long time, but I also feel like I haven't loved you for a long time.

Chapter 3063: i've loved you for a long time, but i've also not loved you for a long time

His face was still very hot, and he kept pressing against her. She felt a little uncomfortable and wanted to break away, but he pressed her down so strongly that she couldn't move at all.

After a long time, he picked her up with one hand and carried her away from the sofa, walking towards the piano.

He placed her on the piano cover, tidied her hair, and unbuttoned a button.

“i want to draw you.” he pressed his forehead against hers and said in a hoarse voice.

Qin Chen’s slender arms hugged him. the canvas is in the storage room.

lan yu’s gaze tightened slightly, then he went to get his tools.

...

she thought he would draw it like that, but he unbuttoned the shirt.

“i don’t want to.” she was drunk, but not to the point where she was completely unaware. she could not accept such a level.

She clutched her collar with her fingers and bit her lip. I don’t want to do this.

However, Lan Yu wanted to draw her. He wanted to draw her crazily.

it had been a long time since he last drew. he had not drawn since the auction a few years ago.

she was the one who seduced him to draw her again tonight. this time, he was going to draw all of her, only the paintings that he had collected.

if qin chen didn’t want to, he would coax her and even use his body to seduce her.

Finally, she agreed. She lay on the expensive piano with her white and smooth body.

the entanglement of black and white was the most advanced.

Every inch of her was perfect, and it made people go crazy.

a fanatical look flashed in lan yu’s eyes as he began to compose-

because his right hand had been injured, he had not drawn it perfectly, and many lines were distorted.

however, he had drawn her charm and the innocence and shyness in her eyes.

that night, he spent three hours drawing her. when he was done, qin chen had fallen asleep.

the person in his painting was also sleeping. her face was ruddy, her body relaxed, and even the corners of her mouth were slightly raised.

lan yu looked at the painting, and his once dead heart came back to life.

When he was with Qin Chen, there were many times when he felt that he was forcing her and that she was unhappy.

but at this moment, he felt that she was actually satisfied and happy.

her happiness was hidden too deeply, too deeply. it belonged to the depths of her memory.

Lan Yu stood in front of the piano, gently stroking her lips and smiling.

He kissed her and carried her back to the bedroom.

On her bed, he had taken her.

He wanted her inch by inch, clear and deeply engraved.

when she woke up, he kissed her and was entangled with her. he told her that he was lan yu.

it was none other than lan yu.

in her tears, he had carved himself into her body and her soul.

it seemed that the drunkenness had receded a lot, and there was more rationality in her eyes. however, in the depths of the night, how much clarity could she maintain?

A night of indulgence made Lan Yu sleep a little late. When he woke up, there was an empty space beside him.

He opened his eyes and looked around. There was nothing around him.

She could smell the coffee. It was Qin Chen making coffee.

Lan Yu closed his eyes and almost thought that he had returned to the past, back to the side of the person who loved to drink coffee.

he lifted the blanket, got up, and walked into the bathroom. he looked at himself in the mirror.

His neck and chest were covered in long and thin scratch marks.

She did not have this problem in the past.

Now, no matter if he was rough or gentle, she liked to grab him, and she couldn't stand it.

the moment he touched her, she became excited.

as lan yu brushed his teeth, he thought happily that she was actually more lecherous than before, but he didn't admit it.

It was really a little cute.

Chapter 3064: Can I call you daddy?(1)

He brushed his teeth and walked out. Qin Chen was indeed making coffee, and she was drinking it when he left.

” coffee? ” lan yu frowned. ” you’re drinking coffee on an empty stomach? ”

Qin Chen sipped the coffee in his cup and replied indifferently, ” it’s nothing. I’ve been drinking it for many years.

he walked over and took her cup. ” don’t drink it in the future. ”

“if you drink coffee all the time, your teeth will turn yellow, and the kiss will be imperfect,” she said with some disdain.

Qin Chen’s eyes widened, almost unable to believe what he was saying.

...

He had seen shameless people before, but he had never seen someone as shameless as this.

he seemed to have forgotten about the conflict between them. did he think that everything would go back to how it was before just because they went out for a meal?

qin chen smiled, walked to the sofa, and sat down, flipping through a magazine.

“I’ll go make you breakfast.” lan yu put the cup back and went to the kitchen to open the refrigerator. he found some ingredients and made two bowls of mushroom chicken noodles.

his cooking was very good, and the broth was very rich. qin chen didn’t refuse to eat a bowl silently.

after lan yu finished eating, he took out a cigarette and lit it.

“Sister Kuan picked up Vimi for me,” Qin Chen said.

Vimi?

Lan Yu looked at her quietly and asked her slowly, ” “The kind that only wears two pieces of fabric on stage.”

Qin Chen poured himself a glass of water and said lightly, ” “it’s not like i’ve never done a lingerie show before.”

“you weren’t my wife in the past!” Lan Yu’s expression was not too good.

“You were the one who said I could return to the modeling industry.” Qin Chen looked at him quietly.

but this doesn’t mean that I’m willing to let the whole world see my wife. Lan Yu was still quite insistent on this matter.

Qin Chen didn’t want to pay attention to him, because in the modeling industry, underwear shows were normal. He was simply prejudiced by his profession.

There was a moment of silence, and the little intimacy they had just built last night suddenly disappeared.

just as the atmosphere was getting tense, lan yu’s phone rang.

He furrowed his brows and looked at the caller. It was a servant at home.

After the call was connected, the servant’s voice sounded a little panicked. ” sir, the young master fell down and bled a lot. ”

lan yu narrowed his eyes. ” ask the driver to send him to the hospital immediately. qin chen and i will be there soon. ”

After he finished speaking, he urgently gave a few instructions.

Qin Chen was also stunned, and then he was in a daze. Lan Yu had already taken the car keys and quickly grabbed her hand.

when the door was closed, qin chen was slightly more awake. she looked at him and said in a trembling voice, ” ‘lan yu, rongyue wanwan’

“he’ll be fine!” Lan Yu’s voice was firm, but his face was also very tense.

After getting into the car, he buckled his seat belt and asked, ” “His blood type?”

Qin Chen’s voice was a little shaky. Type B.

“i can give him a blood transfusion.” Lan Yu said indifferently and started the car.

He drove very fast and arrived at the hospital in less than twenty minutes.

At the same time, Rong Yue was also sent to the hospital by the family’s chauffeur. Lan Yu took him directly to the emergency room.

he had accidentally fallen down the stairs and his forehead was bleeding profusely. he just didn’t know if there were any other injuries.

after the emergency medical order was given, lan yu carried little rongyue to the examination. from the beginning to the end, he carried him.

little rong yue was also a little scared. he hung his small hand around his neck and said in a low voice, ” “am i going to die?”

the moment lan yu opened his mouth, his voice was a little hoarse, ” “i won’t, daddy’s here.”

In a moment of desperation, he said that he was his father and not his uncle.

Chapter 3065: can i call you daddy? 2

little rong yue’s small mouth pursed. he didn’t say anything and only hugged her a little tighter.

Lan Yu carried him to take an X-ray. There was no problem in the end. He just lost too much blood and needed a blood transfusion.

lan yu drew out 200cc of blood. when the bright red blood seeped into little rong yue's body drop by drop, little rong yue lay down and asked pitifully, "Are you really my father?"

lan yu didn't answer him directly. instead, he reached out and touched his little face, asking in a low voice, "are you happy?"

little rong yue's eyes were a little cautious. he turned his gaze and it fell on qin chen's face.

"mom." he called out softly.

...

qin chen tried his best to smile. her face was even paler than little rong yue's.

Little Rong Yue's expression became even more careful. mommy, can I call daddy? "

he was usually mischievous, but he didn't dare to make the decision for this kind of thing. he was afraid that his mother would be angry.

qin chen looked at his eager face and said in a soft voice, "Of course you can."

she agreed, but little rong yue could not call out. his pale little face was dyed with a thin layer of red.

She was so cute.

lan yu did not force him and only touched his little face.

Little Rong Yue gently rubbed against her. Now that he had a father and a mother, he was very happy.

After all, she had lost too much blood, so Xiao Rong quickly became sleepy and fell asleep with her face tilted.

Qin Chen looked at Lan Yu's pale face and said softly, " " go and lie down over there. i'll watch over rong yue. "

it's fine. Lan Yu's gaze was fixed on Rong Yue's small face and he could not bear to look away.

He already knew that this was his child, but today Xiao rongyue knew that he was his father. Lan Yu wanted to cry in his heart. There was a feeling that he couldn't describe.

This feeling was probably the same as his father's feeling of having him.

"Why didn't you tell me earlier that he's my son?" he asked.

qin chen jumped in shock.

"I can't remember," she said slowly.

Lan Yu's heart trembled and he looked at her.

he thought that she must have known that she was pregnant before she lost her memory. at that time, she still had to give birth to his child, hanhan.

lan yu's heart softened. he didn't say anything and just held her hand.

Qin Chen wanted to break free, but his grip was a little tight, so she could only let him be.

"lan yu, i want to go to the washroom."

lan yu was a little disappointed and let go of her reluctantly.

Qin Chen heaved a sigh of relief, but after taking two steps, he turned around and was stunned.

LAN yuzheng bent down and kissed little rongyue's little face.

he was very gentle, and his eyes had the special expression of a loving father. at least, it made qin chen feel that this marriage was right for xiao rong yue.

she walked into the bathroom and washed her face with cold water. when she came out, little rong yue had already finished the blood transfusion and was lying quietly.

Lan Yu kissed the little fellow's hand and said softly, "you look after him, i'll help him make some pumpkin congee with red sugar."

Qin Chen wasn't proficient in these things, so he was assured to leave it to him.

The ward was a VIP room with all the necessary facilities, but these things had to be bought from a super merchant outside.

Lan Yu took two steps, then turned back and walked to Qin Chen's side, reaching out his hand. "give me some change. i'll leave my wallet with you."

qin chen looked around but couldn't find anything. in the end, she said, "you can pay with your phone!"

"i didn't tie you up!" lan yu said calmly.

"i'll send you a red packet." Qin Chen was speechless.

Chapter 3066: can i call you daddy?(3)

However, Lan Yu chose to take her phone away and leave his phone behind. "I'll use yours. Call your own phone if you need anything."

qin chen didn't have time to stop him and he left.

qin chen was speechless.

the doctor came to check on little rong yue's condition again. fortunately, everything was fine.

After the doctor left, Qin Chen swiped on Lan Yu's phone out of boredom. His phone was probably for personal use, and there were only a few dozen saved numbers. The first one was her, A Chencheng.

Love Chencheng?

...

Childish!

She had completely forgotten how he had treated her in the past, but from the photos in his phone, it seemed that they had a very good time in the past.

Qin Chen looked at those photos as if he was looking at another person. He couldn't get into the picture at all, and he didn't think that it was him.

she looked at the person in the photo and found him to be a stranger.

A woman like her was once a man.

no, it wasn't turning into a man, it was a man.

qin chen continued to flip through the photos, looking at her and lan yu.

She felt that the intimate photos were a little unsightly.

they were clearly two men, but lan yu was able to kiss a man.

Qin Chen deleted all the photos from his phone. She felt that since it was her, she had the right to do so.

Lan Yu came back half an hour later. After seeing Xiao Rong, he made porridge for him, and Qin Chen changed his phone back.

After a while, Lan Yu came over and asked indifferently, ” “you deleted the photos?”

“yeah, i deleted it. it’s a little ugly.” qin chen said, concerned.

he didn’t speak for a long time, so she couldn’t help but ask him, ” “what’s wrong?”

“It’s nothing!” his voice became even fainter as he walked back into the kitchen.

qin chen snorted but didn’t mind. however, no matter how much she didn’t mind, she couldn’t ignore the fact that he was cold to her.

Ever since little Rong Yue woke up, his gaze had been on little Rong Yue’s body and he had not looked at her.

Qin Chen was a little anxious. Why was he angry at her now?

however, the adults would not make a fuss in front of the children.

He quietly fed the little guy porridge, and Qin Chen raised his hand to look at the time.”i’m going to buy lunch.”

“Qin Chen, do you still remember the fried chicken you used to eat?” Lan Yu suddenly asked.

qin chen was stunned.

“he probably doesn’t remember, so just buy something!” lan yu continued.

qin chen felt that he was really weird. he was probably going through menopause. seriously, when he slept with a woman, he was clearly in his 20s, but when he acted awkwardly, he was like a 50-year-old uncle.

Of course, she would ignore him and went straight to buy the food he disliked the most, wanting to disgust him.

Lan Yu's face turned green the moment he opened the lunchbox.

little rong yue knew that he didn't like to eat this. he looked at it and was a little nervous."dad, don't you like it?"

Lan Yu's expression changed and he smiled faintly, " "I like it, I like everything your mom buys!"

"you don't mean what you say." Xiao Rong Yue stuck out his tongue.

Lan Yu was angry, but seeing the little guy getting better, his mood improved as well. He reached out to rub his head."We'll go home in the afternoon."

Xiao rongyue was quite happy, while Qin Chen was a little ignored.

This was not a good feeling!

In the afternoon, the doctor helped little Rong Yue to check and confirmed that he could be discharged.

Lan Yu carried him out. Xiao Rong Yue was very happy and very proud.

Just as he got into the car, Lan Yu received a call from his father, " "what's wrong with our little rongyue?"

Chapter 3067: why did you delete the photo 1

Lan Yu sat in the driver's seat and looked at Qin Chen in the rearview mirror. He said calmly, " "i accidentally fell and bled a little. it's nothing."

Mr. Lan was angry when he heard this. what do you mean by it's just a little blood and it's nothing? don't you know that it hurts when you didn't break your head? "

Mr. Lan had forgotten about his son after having his grandson. His tone was very unpleasant. I'll be right there. Which hospital are you at? "

Lan Yu was a little helpless. he's been discharged. He'll go back immediately.

"Alright, I'll be there immediately." Father LAN was quite determined.

lan yu hung up the phone and started the car without saying anything.

...

when they returned to the villa, father lan had already arrived. he first hugged his precious grandson and had a good time with him, then he scolded lan yu and qin chen.

"the child fell down. where are you?" he asked.

Lan Yu rubbed his nose and said very slowly, "Qin Chen and I aren't home."

father lan was also an experienced person. when he heard this, how could he not understand? he was going to have fun.

his poor grandson. his parents wanted to have fun, so they left him at home. he was really heartless.

Father LAN was so anxious that he even said that he was completely heartless.

father lan thought about it carefully and decided to bring sun cha to his side.

qin chen wanted to speak, but lan yu spoke first, "dad, I'll send Rong Yue to your place in two days after he's recovered. But he has to go to kindergarten in the fall, so Qin Chen and I have to bring him back.

LAN waihu's father could accept this. After having a meal here, he went back.

After father LAN left, Lan Yu pulled up the collar of his shirt and asked the servant, "where's madam?"

“She’s upstairs with the young master.” the servant said very respectfully.

lan yu nodded, took off his coat, and slowly walked upstairs.

She pushed open the door to the children’s room, walked in, and closed it.

Qin Chen was guarding little Rong Yue with a gentle expression.

“he fell asleep?” he walked over and also sat beside little rong yue. he asked in a very soft voice.

Qin Chen grunted in agreement, his eyes fixed on her.

lan yu grabbed her hand. ” you go to sleep. i’ll keep watch. ”

Qin Chen wanted to break free, but he couldn’t. Instead, he was bound by him.

“let go.” her voice was very low as she was afraid of waking little rong yue.

Lan Yu looked at her and said in a low voice, ” “Chenchen, weren’t we good before? Last night was wonderful, I’m very happy.”

He reached out and ruffled her hair. isn’t it good for us to be like this forever? ”

“I was drunk last night.” “That’s just an illusion,” Qin Chen said indifferently.

lan yu’s eyes narrowed slightly. ” then the pleasure in your body is also an illusion? Was it an illusion that you were lying under me and telling me to use more strength?”

qin chen gritted his teeth.

“If you’ve forgotten about this, I can record it here for you to listen to.” Lan Yu played the thing for her out of kindness.

qin chen immediately snatched it over and glared at him. ” “You’re crazy. Rong Yue will hear you.”

he was created like this. Is there a problem? ” Lan Yu said shamelessly.

qin chen turned around and took his phone back to the master bedroom.

She really did open it, but she couldn’t find the recording that he had mentioned, which meant that she had been fooled by him.

however, she felt that something was wrong with his weird tone.

Sure enough, he returned to his room after a while. He threw his coat beside her and lay on the soft bed.

“why did you lie to me?” qin chen asked.

“Why did you delete the photo?” lan yu covered his eyes with his hands. Chenchen, do you think that you have the right to delete those photos because it’s you? but do you really think you’re still Qin Chen? ”

With that, he removed his hand and looked at her quietly.

her heart clenched, but she didn’t say anything.

Lan Yu smiled faintly. you’re not. You’re not her a long time ago.

he covered his eyes again, as if he did not want to see her.

He was still angry.

qin chen knelt beside him and stared at him for a long time before asking, ” “What about you? you said you love me. Tell me, do you love the old me or the current me?”

“would you believe me if i said i like them all?” Lan Yu laughed bitterly. you won’t believe it. You’ll think that I’m a bastard. You’ve sacrificed so much, but I’ve always treated you like this.

He slowly reached out and held her hand. He gently pulled her into his arms.

He pressed his face against hers and said very slowly, ” ” chenzhen, i’ve never touched them. really, not even once. ”

With that, he lowered his head and kissed her on the lips.

Chapter 3068: why did you delete the photo 2

this kiss was full of pain.

Then, he opened his eyes and looked at her.

his eyes were reflected in qin chen’s eyes, and this moment was somewhat moving.

She touched him gently with her fingers and muttered, ” “Lan Yu, you still haven’t answered my question.”

” i’ve said it before, i like both of you because in my heart, you’re the same person, but you don’t think the same way. ” He closed his eyes. Chenchen, Huang siya said you love me, but we broke up so quickly. I hated you back then, but it doesn’t feel real.

he revealed his weakness and then hugged her tightly in his arms, as if he was afraid of losing her again.

...

Qin Chen pressed his face against his neck and asked in a low voice, ” “you’re angry? Because I deleted the photos?”

he hummed in agreement.

“but i think it’s ugly and embarrassing,” she said with a frown.

“So, no matter how angry you are, I’m still going to delete it.” her voice was a little childish.

lan yu turned her face over and frowned. ” “you think it’s very ugly?”

“Yes, very ugly!” “i like how i look right now,” she said as she ran her fingers through her hair.

Lan Yu looked at her for a long time and suddenly laughed.

he was a little surprised.

Qin Chen actually hated how she used to be.

then, he let go of her and snorted. ” you used to admire your looks so much. oh, i forgot to tell you. you used to work at sheng yuan. a bunch of nurses liked to chase you around. ”

Just thinking about it made Qin Chen feel a little disgusted. She felt that Lan Yu was simply talking about horror movies.

After glaring at him for a long time, he nodded at her. it’s true.

“Fortunately, the photo was deleted.” Qin Chen felt that he had done the right thing.

Lan Yu held her waist with one hand and took out his phone from his pocket with the other. He fiddled with it a few times and said calmly, ” luckily, Apple deleted the photos and still found them.

after a few moments, her photos were restored.

qin chenlei arrived. she stared at his photo for a long time before looking again. ” lan yu, why are you so angry? ”

“it’s a ritual for quarreling, mrs. lan.” He kissed her hair and made up.

qin chen was still staring at him.

His gaze became gentle, and then he kissed her eyes, her nose, and her lips.

they kissed bit by bit, and finally, they kissed gently.

After a long time, he pressed his lips against hers and muttered, ” Chenchen, you were drunk last night. You’re not drunk now.

he only said half a sentence, but she understood what he wanted, so she muttered, ” “so?”

“do it once to prove that we’ve been together.” His fingers slowly caressed her red lips. to prove that last night wasn’t my illusion.

“you’re greedy.” qin chen pulled his hand away.

“Yes, yes, I’m greedy, but I’m greedy because I love you.” He turned around and buried his face in her hair. He took a deep breath. Chenchen, Tell Me You Love Me.

Qin Chen smiled helplessly. “But Lan Yu, I really don’t have the mood to do that right now. I’m sorry.”

he glared at her and pinched her chin with his fingers. ” “Mrs. LAN, you can’t be so honest.”

“This is one of my strengths.” She still had a smile on her face, but she rejected his advances.”I want to see Rong Yue.”

Lan Yu looked at her silently for a long time. Finally, he turned to the side and quietly said after a while, " I'll go. You rest here.

Chapter 3069: Why did you delete the photos (3)

Qin Chen pressed him down. I'll go. You just took your blood today.

"Is this considered concern, Mrs. LAN?" his eyes were bright and attractive.

qin chen sat up and flipped his long hair. " "You're thinking too much, Mr. Lan,"

lan yu smiled and let her leave. however, he still grabbed her hand as she got off the bed and whispered, " " sleep with rong yue for a while. don't stay up like this. "

They had spent the entire night together, so she would be tired too.

Qin Chen looked into his eyes and hummed in agreement before walking out.

...

lan yu laid down alone, but he was a little excited because his relationship with her had eased.

the more she lay down, the more she couldn't fall asleep. in the end, she sat up and secretly went to the children's room to see qin chen and rong yue.

he said he was looking at his son, but he stared at his son's mother for a long time.

little rong yue woke up. he blinked his eyes and softly called out " daddy. "

his little face was a little shy, because he saw his father looking at his mother very gently.

father must love mother very much to show such a look.

lan yu made a hand gesture and then moved to the other side.

little rong yue also turned over, and the two of them lay face to face affectionately.

“Daddy.” The little fellow called out again, and it was so sweet.

lan yu reached out and ran his fingers through his hair, asking in a low voice, ” “how did you fall?”

xiao rong yue was a little embarrassed and did not want to say.

Lan Yu smiled faintly and rubbed his little head. “you can tell daddy. daddy promises not to tell anyone.”

“really? Pinky.” Xiao Rong said in a low voice.

“I promise.” Lan Yu smiled.

That little fellow was usually very mischievous and had a sharp tongue, but she was still a child after all and was injured, so she appeared especially delicate and soft. She snuggled into Lan Yu’s arms and said in a soft and coy voice, ” “i had a dream. i dreamed that mom didn’t want us anymore. when i woke up, i went to look for mom. mom wasn’t around, so i ran downstairs.”

As little Rong Yue spoke, he even peed.

“if you can’t find mom, you can ask the servants at home.” lan yu was both angry and happy.

Xiao rongyue did not speak.

lan yu stretched out his hand to rub his little head as a form of comfort.

After a while, little Rong Yue asked in a low voice, "daddy, are you and mommy together forever?"
Won't mom fly out again?"

"You don't like mommy flying out?" lan yu asked back very gently.

Rong Yue's little face was a little disappointed. I hope that mommy will always be with me, but everyone says that I'm the smartest child, so I'm embarrassed to mention it. I'll be laughed at.

lan yu laughed.

such a young child already cared so much about his face?

This was very similar to him.

he thought for a moment, then said hesitantly, " "after this year, dad will try to talk to mom and let her stay at home, okay?"

xiao rong yue obediently nodded.

Lan Yu's heart softened. He had never dared to think that he would have a son, and a son with Qin Chen.

Moreover, it was given birth under such circumstances.

He wanted to know a lot of things, but Qin Chen had forgotten. He would rather keep it a distance than force her to remember.

She had finally returned safely.

In his heart, he felt guilty towards her and wanted to make it up to her, even though she still had the ability to make him angry.

Lan Yu smiled slightly and carefully carried the little fellow. "Go to sleep. Daddy is tired too."

last night, they almost lost their lives. today, they had to draw blood and be busy. how could they not be tired?

But Xiao rongyue didn't know that. He was suddenly alert,"Daddy, I want to listen to a story. I want to go out and play Yingluo."

Lan Yu,"should this kid return to Qin Chen's stomach and wait for a few years to give birth?"

Of course, little Rong Yue's body did not allow him to go out and play. However, Lan Yu told him a story for an hour.

he was exhausted.

It was more tiring than doing it with Qin Chen for an entire night. Of course, the fun was different.

Lan Yu fell asleep, but little Rong Yue's eyes were still wide open. He looked at this one for a moment and then at that one. His small face was quite happy.

...

He recuperated at home for a few days and his wound was completely healed. When father LAN came to pick up little rongyue, the small family was also unwilling.

father lan squatted down and looked at his eldest grandson. he said in a low voice, " "do you want mom and dad to give you a younger brother or sister?"

"younger brother and sister?" little rong yue's eyes sparkled.

" yes, that's why mom and dad have to focus on making babies. if you're by their side, they won't have any younger siblings. " Father LAN was straightforward.

“why?” xiao rong looked on curiously.

“it’ll be inconvenient,” father lan coughed.

“But I’ve been sleeping with dad and mom these past few days, and I didn’t disturb them. One night when I woke up, dad was lying on mom’s body, and mom kept crying,” Xiao Rong said innocently.

mr. lan’s expression was a little interesting, and he cursed his son in his heart.

she had originally pitied him and had to endure it, but now she felt that lan yu was simply a beast. he wouldn’t let go of the child.

in order to prevent his grandson from being poisoned, father lan felt that he must take this eldest grandson away, at least not before school started.

of course, when father lan saw lan yu, he still scolded him fiercely. he was probably saying that he was shameless, so why couldn’t he control himself?

lan yu’s reason was especially sufficient. ” dad, i’ve endured for too long. a man will go bad if he endured too much. ”

Father LAN jumped up. don’t give me that. I’ve been keeping it in for so long. It’s not broken, is it?
”

“Dad, you still have Yingluo’s?” Lan Yu smiled.

mr. lan’s face turned red. ” i’m only in my early 60s. ”

in the past, he was also known as the golden gun that would never fall. it was just that lan yu’s mother passed away early.

father lan started to feel a little sad. at this moment, xiao rong yue hugged his leg and rubbed it.

father lan lowered his head and looked at the little boy. he was in a good mood. he smiled and walked out with his eldest grandson in his arms. as he walked, he said, ” “If you’re so capable, then make a doll for me. Don’t waste your time.”

lan yu’s expression was a little interesting. he coughed lightly, ” “i have to respect qin chen’s opinion.”

mr. lan sneered. ” you’re useless. how dare you say that you’ll respect your wife’s opinion? ”

Lan Yu was helpless. then I’ll definitely work hard.

father lan looked at him, his eyes full of hope.

he was old, and his only hope in this life was that lan yu could give him another cute little granddaughter. think about it, little rong yue was about to go to school, and he couldn’t play with ran ran anymore. if lan yu didn’t get a little one, he would be very bored!

father lan took the little guy, dragged his suitcase, got into the car, and left.

qin chen came down from upstairs and frowned. ” “Lan Yu, you agreed?”

On the matter of little rongyue, they had their differences. Qin Chen always felt that father LAN doted on the child too much. Lan Yu didn’t think so. He felt that the child was still young and it was okay to spoil him a little.
