Chapter 3831: Crazy jealousy (5)

Wen Yuan ignored him and continued to eat his breakfast.

In the afternoon, ye Mubai went to his company in new York. Wen Yuan went to look for Kang Qiao's business card. She was really close to Kang Qiao in the past. She wanted to save her phone number, but she couldn't find it in her bag.

she was a little puzzled. she had obviously put it in her bag. after that, she saw ye mu bai's cigarette and lighter on the coffee table. she looked at the rubbish bin and saw that there were obvious ashes in it. she was so angry. he did not even try to cover up when he did this.

wen yuan was a little angry. he looked at her in a daze for a long time, but he did not say anything in the end.

ye mu bai returned home very late. when he got home, wen yuan and xiang nan were already asleep.

He tiptoed into the bedroom and went straight to the bathroom without turning on the lights. When he came back, he laid on the bed and reached out to touch Wen Yuan. "You're asleep?"

...

she did not move.

"i know you're not sleeping," he said with a smile.

Wen Yuan was angry with him but he did not say anything. He would ignore him if he could.

He leaned against the head of the bed and pinched her face twice. "i know you're not sleeping. are you angry?"

Wen Yuan could not help but slap his hand away. ye mu Bai, you clearly know why I'm angry.

"Because I burned Kang Qiao's business card?" he said indifferently.

Wen Yuan was furious. ye mu Bai, I'm just an accessory to you. I'm just a tool for you to have children, am I not? "

he retracted his fingers that were stroking her hair and said in a light tone, " "do you think i'd be willing to let you hang out with someone who admires you?"

Wen Yuan sat down and felt that he was about to lie down and sleep. He seemed to be parting on bad terms. She pursed her lips and said in a soft voice, " " lin dannu and you are not simply in love. didn't you attend her wedding and present the award together? did i say anything? "

"Wen Yuan, are you planning to get back at me?" ye mu Bai's eyes were wide open.

no, I just want to say that we're equal. I don't want my normal relationship to be restricted by you. Wen Yuan said calmly.

As soon as he finished, he sat up again and frowned. "lin dannu and i just need it for work. kang qiao, is that right? Is there a need to keep in contact?"

Wen Yuan raised his head and looked at her. There was something in her eyes that he could not understand. After a long time, she said in a low voice, " "Ye mu Bai, I realize that I can't explain things clearly to you."

"he likes you." this was what he minded.

wen yuan laughed softly. " lin dannu doesn't like you? the two of you even hugged and kissed before. ye mu bai, you're now a double standard. "

He turned on the light, stared at her, and said word by word, " "If you don't want to see Kang Qiao, I can also not see Lin Dannu."

“these are two different things.” Wen Yuan felt a little tired. He lowered his eyes and said, ” ye Mubai, you’re not getting to the point. There’s nothing going on between Kang Qiao and me. We’re just old friends. Why can’t we keep in touch? ”

He held his breath and asked her softly, ” “Do you want to keep in touch with him?”

Wen Yuan stared at his expression and said very slowly, ” “I’m telling you I’m not coming.”

She didn’t want to argue with him, so she lifted the quilt and got up. “i’ll sleep in the guest room.”

Just as she got up, her wrist was caught by a hand.

“you sleep here, i’ll sleep in the guest room.” he muttered and brought her back, but he didn’t put her under the blanket. instead, he held her in his arms.

Chapter 3832: crazy jealousy (6)

” ye mu bai, what are you doing? ” wen yuan struggled.

He wasn’t cold as he held her, but they were in a Cold War. What was he doing now?

Ye mu Bai hugged her and placed her in his arms. He then lowered his head and whispered in her ear, ” “i’m jealous.”

Wen Yuan did not say anything. She just leaned into his arms and bit his shoulder gently. She felt an unspeakable grievance in her heart, and she could not say it out loud.

From the beginning to the end, she only liked him.

And there were countless women by his side in the past, and she knew all of them.

...

but now, because of kang qiao's business card, he and she had fallen out. she was a little sad. the unfairness between them only showed one thing-he didn't treat her as an equal.

If he said he was jealous, wouldn't she be angry?

Wen Yuan did not make a sound. After that, he kissed her. He did not go to the guest room and chose to sleep with her in his arms.

Kang Qiao's matter was left unsettled. After all, life still had to go on. However, Wen Yuan ran into Kang Qiao in the hospital. He came to the hospital to visit someone he knew as a way of saying goodbye. Wen Yuan happened to run into him during the prenatal examination. Moreover, ye Mubai had something to do today, so Xu Mo accompanied her to the hospital.

kang qiao was surprised to see her on the stairs. he smiled, " "We meet again,"

"What a coincidence." Wen Yuan smiled.

Xu Mo looked at them and then pointed to the front. "you guys continue. i'll go talk to the doctor first."

wen yuan nodded.

After Xu Mo walked away, she sat down on the bench with Kang Qiao. are you leaving new York?
"

he nodded. " yes, i'm leaving. didn't mr. wanwan accompany you to the checkup? "

"Oh, he's busy today." Wen Yuan was stunned.

After a moment of silence, Wen Yuan finally found a topic to talk about, " "how's teacher's health?"

“she had a heart surgery two years ago, and she’s doing pretty well now.” kang qiao let out a breath. ” so, i will probably return to china in the future to develop my career. in the next two years, i will need someone to take care of my mother. ”

“Yes,” Wen Yuan nodded.

“Is he good to you?” Kang Qiao hesitated.

Wen Yuan was stunned for a moment before he laughed, ” “It’s pretty good.”

there was a faint fire in kang qiao’s eyes as he looked at her, but he restrained himself. he didn’t show it and didn’t give her any pressure. after all, she was already someone’s wife.

“oh right, let’s have dinner later!” kang qiao coughed.

Wen Yuan could not refuse because Kang Qiao’s mother treated her very well. She often practiced the violin at the Kang family’s residence and was very close to Kang Qiao. If she had not fallen in love with ye mu Bai, she would most likely marry Kang Qiao.

She lowered her eyes. alright.

“Your phone.” He suddenly opened his mouth. Wen Yuan looked at him with an ” ah “.

“Oh, my phone. I’ll save my number in it.” He smiled.

She was a little touched that he didn’t expose her, so she passed the phone to him. He dialed her number and saved it for her. When he put the phone away, he asked in a low voice, ” “It’s not difficult to eat with me, right?”

He was afraid that ye mu Bai would make things difficult for her. In Kang Qiao’s heart, he liked Wen Yuan. However, he could only wish her well when she got married. He could only keep everything else to himself.

wen yuan shook his head. ” i won’t. ”

“i’m not that kind of useless person,” she said with a smile.

Kang Qiao’s eyes were filled with pain. He didn’t know what to say.

Chapter 3833: Crazy jealousy (7)

she was right, she was not a useless little girl, she had her own principles. he had always thought that he would wait for her to grow up, wait for him to become famous, and she would wait for him there.

But the moment he turned around, she fell for someone else.

at that time, he had returned to the country, and they were sitting under a tree drinking beer together. she had told him that she had never seen a man as good-looking as ye mu bai, and she wanted to woo him.

at that time, his heart was bitter. he wanted to tell her that he liked her, but he saw the little stars in her eyes. it was a wen yuan that he had never seen before ...

for the sake of love, she would do anything.

Later on, she married ye Mulin.

...

When they met again, she had fulfilled her wish. She stood beside ye mu Bai and became another Mrs. Ye.

Wen Yuan had never been a weak person to be bullied. She was just good at forbearing. She was a little girl with a contradictory personality, but he liked this kind of personality.

kang qiao smiled. he couldn't help but put his hand in the air, as if he wanted to stroke her hair or touch her face. however, his hand stayed in the air for a long time and didn't fall.

In the end, his voice was slightly hoarse. I'll go to the restaurant across the street first. Come over after you're done with your examination. I'll wait for you.

wen yuan nodded.

At the other end of the aisle, Xu Mo held his breath and looked at Yingying.

in fact, she could tell that kang qiao liked wen yuan very much. she had a feeling that wen yuan would be happier if he followed kang qiao than her BOSS. however, she couldn't help it. a goddess liked her BOSS.

Xu Mo thought to himself that she would definitely not tell BOSS about what happened today.

however, just because she didn't say anything, it didn't mean that ye mu bai didn't know.

xu mo accompanied wen yuan for the check-up. the child was fine. wen yuan looked at xu mo and didn't hide anything. " i'm having a meal with kang qiao. you can come along. "

of course, xu mo refused. " you guys go ahead. i'll eat by myself. i'll wait for you in the car. "

"I won't tell director ye, don't worry." She blinked.

"he's just an old friend," wen yuan replied with a smile.

Xu Mo also smiled, but he was thinking in his heart: However, director ye would be angry and jealous. Don't think that she couldn't tell.

The atmosphere was subtle. Xu Mo waved his hand and ran away. After a while, he came back. "i'll send you there. i'll have to trouble mr. kang to send it back later."

she was always worried. as a special assistant, she could feel that this pregnancy was especially important to director ye and his wife.

Wen Yuan didn't refuse and allowed Xu Mo to accompany her to the restaurant that Kang Qiao had booked. The place was not bad. Kang Qiao also asked Xu Mo to eat with them, but Xu Mo refused.

After Xu Mo left, Kang Qiao smiled, " "this little assistant is quite interesting."

wen yuan ran his fingers through his hair and looked at him. " do you want Zhenzhen to introduce you to her? she's quite good. She's 28 years old and matches you well.

after she finished speaking, kang qiao didn't speak for a long time.

the atmosphere was quite subtle. after a long time, kang qiao poured her a cup of warm water and whispered, " why did you change your profession to be a matchmaker? do i look like i'm in need of a girlfriend? "

Wen Yuan was a little embarrassed. He smiled faintly and said, " "that's true, you don't need a girlfriend."

kang qiao ordered his food. he didn't ask her what she liked to eat, because he knew exactly what she liked to eat.

as he ordered, he looked up and smiled at her. " "but i don't have a girlfriend now."

Wen Yuan was a little speechless. Kang Qiao, you have a bad taste now.

Chapter 3834: Crazy jealousy 8

He closed the menu and handed it to the waiter. I'm just not interested in the little girl just now. Is it wrong to refuse? "

wen yuan took a sip of water and held the cup. ” but i will hope that you get married soon. ”

He was two years older than her and was thirty-five years old now. He was indeed at the age to start a family.

after she finished speaking, kang qiao looked at her and said in a very soft voice, ” wen yuan, my mother will hope that i can find a girl i really like. otherwise, what’s the point of marriage if it’s just a formality?”

wen yuan drank some water again to conceal himself.

Kang Qiao laughed at her. Then, he took out a box and pushed it in front of her.

...

“Why did you give me a gift for no reason?” Wen Yuan looked at him.

“How could it be for no reason? I made it up for your marriage.” “Open it,” Kang Qiao smiled.

wen yuan looked at him, then lowered his head and slowly opened it. the things inside were dazzling. wen yuan’s eyes were a little hot and his heart ached slightly.

It was a piano made of crystal, a work of art. How much time and effort did he have to spend to find such a thing? it couldn’t have been bought at the last minute, it must have been prepared for a long time.

Kang Qiao stared into her eyes and slowly said, ” ” my mother once said that you have the highest qualifications among all the students she has taught. she suggested that you study abroad, but you rejected her. i know you’re admiring bai qingqing’s character, but in my heart, you’ll always be the wen yuan of the past, unwilling to be ordinary. you said that you’d hold a concert on the best stage in the world, have you forgotten? ”

“i didn’t forget.” Tears welled up in Wen Yuan’s lowered eyes. She was in a daze for a long time before she looked up.”kang qiao, i just lost myself. even now, yingluo is still lost.”

he understood her and continued to smile. ” it’s okay, as long as you’re happy, wen yuan. i mean, zhenzhen, if you don’t feel so happy one day, come back and play the piano! ” The way you play the zither ...”

He rubbed his chin with his fingers and said, it’s quite nice.

with tears in wen yuan’s eyes, she smiled and said, ” “I know,”

Kang Qiao was still the one who understood her after she had experienced thousands of things.

He was always by her side, appearing very warmly.

She said that she would go back to China and visit her teacher when she was free after the child was born. She also said that she would definitely go to Kang Qiao’s wedding.

“Oh, I’ll tell you when I find a girlfriend.” He drove her to the parking lot and the two of them chatted casually along the way. He said that he didn’t want to look for ping Xiong’s while Wen Yuan said that Xu Mo wasn’t ping Xiong and that she had seen him.

that moment felt like they had returned to the past. it was especially beautiful.

Kang Qiao sent her to the car and watched the car drive away. He stood at his original spot for a long time. Then, he took out a cigarette and smoked. He rarely smoked, but at this moment, his heart was bitter.

the girl he had liked for more than ten years had married and had a child. he was always disappointed.

In the car, Wen Yuan gently caressed the box. He had mixed feelings as he listened to Kang Qiao’s words. She admitted that she had given up her dream for a man and that she had become less like herself.

was this the kind of life she really wanted? this kind of man was not what she had imagined.

Wen Yuan suddenly realized that his life was a mess. Other than ye mu Bai, she had nothing.

She raised her head and there was a tear in the corner of her eye. Xu Mo was a little shocked to see this and said in a low voice, "Don't let director ye see you like this, or he might be unhappy."

Chapter 3835: Promise me that you won't see him again (1)

Wen Yuan looked up at Xu Mo and smiled slightly, "thank you," she said.

To her, Kang Qiao was a witness to her dream, and it was wonderful.

she could understand xu mo and was very grateful.

Xu Mo reached out to hold her hand and smiled. "wen yuan, can i call you wen yuan?"

Wen Yuan hummed in agreement.

xu mo said, "i used to want to be a writer, but in the end, i only became a small assistant, an assistant to pingxiong."

...

Wen Yuan was a little surprised.

"my ears are very sharp," xu mo coughed lightly.

Then, they looked at each other and smiled. Wen Yuan's sadness disappeared without a trace. He walked to the apartment and left first. The Auntie at home said that he was taking a nap and asked Wen Yuan if he had eaten.

"I've already eaten outside." wen yuan said softly. then, she returned to her bedroom.

She took out the box and carefully found a place to put it. She threw the box away because she was afraid that ye mu Bai would see it, so she kept looking at it for the entire afternoon. She suddenly felt a little happy as if she had found a little bit of her past, and she even felt a little at ease.

Ye mu Bai came back a little early. During dinner, the Auntie left first. Ye mu Bai did not say anything at first. He only went to the bedroom after Xiang Nan went to sleep. Wen Yuan had just taken a bath and was wearing a bathrobe. His stomach was bulging.

She sat on the sofa and dried her hair. Ye mu Bai reached out for a towel. I'll help you wipe it. It'll dry in a while. It's not good to use a hairdryer too much during your pregnancy.

"mm." wen yuan let out a sound of acknowledgment and leaned against the sofa in a relaxed manner, allowing him to take care of her. she did not ask much about what he had done when he was out the whole day because she could not help and did not like to interfere in his work.

ye mu bai, on the other hand, asked her about the results of the prenatal examination and how the child was.

Wen Yuan leaned back comfortably with his eyes half-closed."the child is fine. the ultrasound results are in the bag. take a look."

he didn't say anything and just dried her hair for her before carrying her to the bed.

Wen Yuan thought that he would go and look at the prenatal examination report, but he did not leave for a long time.

wen yuan opened his eyes. " what's the matter? "

Ye mu Bai's fingers gently caressed her face and his voice was slightly hoarse. "Wen Yuan, am I not good enough to you?"

she shook her head, closed her eyes, and smiled."why do you ask?"

He was very close to her, and the tip of his nose leaned over to smell the fragrance of her body. After a while, he said in a hoarse voice, " "do you like your life now?"

she opened her eyes and looked straight into his eyes.

His eyes were also fixed on her, with no intention of moving away.

hence, wen yuan knew that he had something to say to her or that he had found out something. however, she could not understand why he had been so calm since he came back.

“You’re quite patient,” she chuckled.

The tip of his nose gently touched hers. “Wen Yuan, you wouldn’t have told me if I didn’t ask you?”

“what did he say?” she didn’t avoid his gaze and smiled faintly. ” do you think i have anything else to say to you? ”

“I don’t even have the freedom to have a meal with my close friends?” she laughed at herself.

“I remember we discussed this before.” He mumbled, his hand holding her chin.”you don’t remember?”

Wen Yuan’s fingers clenched into a fist and he said patiently, ” “I didn’t agree to anything! I’ve also said that Kang Qiao is just a friend. There was nothing between us in the past, and there won’t be anything between us in the future. Ye mu Bai’s promise is enough. Do you want me to avoid seeing my teacher’s son?”

Chapter 3836: promise me that you won’t see him again (2)

“i promise i won’t see him again.” he stared at her, not letting go of any change in her expression. then he whispered, ” wen yuan, i mind. ”

wen yuan looked at him for a long time, then turned his face away. ” were you following me? ”

he didn't deny it. " xu mo will be fine if you don't see him. "

Wen Yuan was a little shocked. She turned her head to look at him, unable to believe what she had just heard.

it would be fine if he didn't see her, but what would happen to xu mo if he did?

under her gaze, ye mu bai said indifferently, " " xu mo won't be able to find a job in the industry. wen yuan's current annual salary is about 100000 us dollars, and her family's annual expenses are about 600000 to 700000. i forgot to tell you that she has a sick brother who needs a lot of money. "

...

Wen Yuan looked at him, his gaze seemed to have been tempered by ice.

She had never thought that ye mu Bai would be such a heartless man. She remembered that when she was infatuated with him, he was gentle and gentle to everyone. Even after he was heartless to her later on, he had always been gentle to others.

"I don't believe you." She spat out a few words.

Ye mu Bai smiled faintly. Wen Yuan, you don't understand men very well. In other words, men are male animals. They have a strong sense of protecting their own territory.

wen yuan looked at him and said softly, " "is it because you're not confident, or because you don't think you're good enough for me to be dead set on you? Ye mu Bai, you're actually using this method because you don't want to give up everything, right?"

If he had given her his heart and everything, he wouldn't have needed to keep her in this way.

She could tell now that he didn't want her to work or come into contact with other men. The only time she went out was when she was with him. It was as if he was turning her into an accessory.

As for him, he seemed to be asking her to agree and willingly, which she found a little ridiculous.

She looked at him like he was a stranger and said softly, "ye Mubai, when you liked Lin sisi, was it like this too? did you also ask her not to see anyone else, not to see Gu ze?"

she finally couldn't help but say the words in her heart, "or is it because you lost to Gu ze that you have a shadow in your heart? is that why you're using such a method to imprison a woman?"

ye mu bai's expression turned a little unsightly. he stared at her for a long time without saying anything.

Wen Yuan laughed at himself. I was overestimating myself.

she had been overthinking. she had thought that those desires were true love.

His liking was just liking. It was still thousands of miles away from his love. From the past until now, he had only loved Lin sisi. Now, Wen Yuan was a little terrified to realize that.

Ye mu Bai stood up and said in a calm voice, "Wen Yuan, you're overthinking it. No husband would want his wife to meet someone else in private and have an ambiguous relationship with someone else.

Wen Yuan stared at him for a long time before he walked to the door.

"ye mu bai," she called out to him.

"You've thought it through?" he paused at the door.

Wen Yuan looked at his back view and lowered his eyes. His long eyelashes could not help but tremble. She could not even control her fingers. Her fingers were trembling too.

she said softly, her eyes filled with disillusionment. "i promise you that i won't see kang qiao again. don't make things difficult for xu mo."

she gently got out of bed, took out the sim card, and flushed it down the toilet in the bathroom. she held the beautiful crystal piano in her hands all the way to him.

Ye mu Bai looked at her.

Chapter 3837: Promise me that you won't see him again (3)

Wen Yuan had black hair and was dressed in white. He was standing in front of him under the light.

She raised her head to look at him, and the corner of her beautiful lips moved slightly. Then she smiled, and there was a tear in the corner of her eye.

She said, "ye mu Bai, you weren't like this in the past.

he was still staring at her.

she was still smiling, but her smile was uglier than her crying. she looked like a very sad child. she didn't even wipe the tears from the corners of her eyes. she just stared at him."Is it because you don't care about me that I don't have to worry about my dreams and feelings? do I have to obey everything you say? Ye mu Bai, tell me, is that right?"

he looked at her quietly. "we'll be fine if you don't see him. "

...

"What if I don't want you to see Lin sisi?" "Would you be willing to?" Wen Yuan's lips trembled.

ye mu bai did not answer her. he was still angry with her.

did she have to argue with him like this for kang qiao?

Wen Yuan's tears fell drop by drop. She did not wipe them away but let them fall."i can't be in your heart like her, right?"

“Wen Yuan, you’re thinking too much.” Ye mu Bai frowned.

“i’m not overthinking it.” Her voice became a little sharp. you’ve always treated me this way. Ye mu Bai, even if you had a little patience, you would not have used this method to deal with Kang Qiao and me.

I didn’t cheat on you. You had someone follow me. I just had a meal. Xu Mo knew it from the beginning to the end. You told me not to contact you. I’m Wen Yuan, not your cat or dog. she scratched her head.”I don’t want this kind of life.”

Ye mu Bai stared at her and said in a cold voice, ” ” then what kind of life do you want? freedom, running around the world, surrounded by your admirers? ”

he took a step forward. ” you’re xiangnan’s mother. we’ll have another child in the future. wen yuan, i’m very busy. i have to take care of you and xiangnan. i don’t have much energy to put into my relationship. so, i’m handling it this way. perhaps it’ll hurt your pride, but it’ll be good for both of us. ”

wen yuan was stunned for a long time. she slowly looked up at him and said, ” “Do you find someone else when you think I’m lonely?”

he did not say anything.

wen yuan stared at her and did not get her answer.

hence, she found out about their past. her marriage to ye mulin did not leave no traces in his heart. there were some things that he just did not ask.

in his heart, she was not clean.

getting married to her and having children with her was just making do.

perhaps, she also liked him a little. she had more yu wang.

At this moment, Wen Yuan understood that ye mu Bai was still ye mu Bai. However, he was different from the past. He was the ye mu Bai in the vanity Fair. He was no longer the Prince Charming who was willing to coax Lin sisi.

Wen Yuan did not make any noise. She just held the crystal piano.

Ye mu Bai was also looking at it. He knew that it was a gift from Kang Qiao, and she treated it like a treasure the moment she returned.

What he cared about was not the present but the past. With the existence of such a man, he could take over Wen Yuan's position if anything happened between him and Wen Yuan. He did not want any scandals to arise in his marriage.

Ye mu Bai was about to say something when Wen Yuan let go of his hand. The expensive gift slipped from her fingers and shattered on the ground.

Chapter 3838: I also need you (1)

When the shards fell to the ground, they refracted light and stung her eyes. Her eyes quickly welled up with tears and she said softly, "I know."

ye mu bai was also stunned for a moment.

he didn't allow her to meet kang qiao, but it didn't mean that he would break the thing. now that she had broken it, he didn't know what to say.

I'll clean up tomorrow, " Wen Yuan said softly. I want to sleep for a while now.

after she finished speaking, she quietly walked to the side of the bed and lay down.

"Wen Yuan, let's have a talk." Ye mu Bai looked at her and frowned.

...

she didn't make a sound and just lay there quietly, quietly crying.

Ye mu Bai walked over and half-knelt beside her. "don't cry."

"i don't want to see you."

The same person had destroyed her love twice. How naive was she to think that she was the White moonlight in his heart just because he had doted on her for a few days after they got married? she, Wen Yuan, was just an old mother who warmed his bed for him. Kang Qiao was right, she had lost herself.

She had been chasing after a man. She had forgotten that her name was Wen Yuan and that she had once dreamed of him.

she now thought that if she hadn't clung to him in such a sorry state, he wouldn't have treated her like a bastard.

Wen Yuan buried his face in the pillow and sobbed silently.

She had never been this fragile before. She was probably spoiled by someone for a few days and became pretentious, Yingluo.

Ye mu Bai's heart ached a little. He felt a little regretful, but he did not take back his words.

because he really didn't want her to see kang qiao. that man was too much of a threat to him. he didn't know why, but he didn't like it when she saw him.

However, countless times after that, ye mu Bai regretted that he did not coax her properly that night and untie the knot in her heart. He only watched her fall asleep and cleaned up the broken pieces.

he slept in the guest room.

At dawn, he received a call from Gu ze. He said that Lin sisi had a car accident and only Qin Chen could perform the surgery. Qin Chen was in a meeting in new York and couldn't be contacted.

ye mu bai picked up the call and immediately put on his clothes. before he left the house, he went back to the master bedroom and half-knelt in front of her to kiss her face. Wen Yuan, I have to go out for a while. It may take two or three days. Auntie will be here in a while. Let's talk about the previous matter when we come back, okay? ”

Her face was a little pale, and he thought that she had not slept well. He reached out and touched her face.”If you're tired, then sleep a little longer. I'll let xiangnan put on her clothes.”

“Where are you going?” Wen Yuan opened his eyes.

He was stunned. He should not have told her the truth, but he did not want to lie to her. He said in a hoarse voice, ” “sisi was in a car accident, and qin chen is in new York. i'll send him back to B city, i'll be back soon.”

wen yuan opened his eyes and looked at him. ” i'm not feeling well. ”

“Be good, be obedient.” He kissed her. I'll only be gone for two or three days. I'm sorry about last night.

Wen Yuan blinked his eyes sadly. are you apologizing because of Lin sisi? are you trying to rush to her side? ”

“wen yuan, don't let your thoughts run wild!” ye mu bai frowned.

he was always in a hurry to find qin chen, so he didn't care much about her.

When he got up, Wen Yuan pointed and tugged at his sleeve. Mubai, I'm really not feeling well. I want to go to the hospital.

His expression revealed his impatience, but he still patiently comforted her, ” “I'll accompany you for the checkup when I come back, okay?”

Chapter 3839: I need you too (2)

Wen Yuan clasped his hand hard, his eyes a little dazed. you don't believe me? "

he paused for a moment. " wen yuan, now is not the time to be stubborn. sisi needs me to look for qin chen. "

A look of disappointment flashed across Wen Yuan's face. She mumbled, " i also need you."

ye mu bai leaned forward and kissed her on the forehead. " be good. i'll be back soon. "

he still broke free from her, walked out, and disappeared from her sight. he chose not to believe her and went to another girl's side.

The door outside creaked softly and closed.

...

He had left.

wen yuan's body was stiff as he turned sideways. she blinked her eyes gently and smiled bitterly.

She propped herself up and picked up the landline phone at the head of the bed. She wanted to call Xu Mo, but when she picked up the phone, a pool of blood slowly flowed out from under her white bathrobe and slowly dyed her vision red.

her fingers trembled, and she used the last of her strength to call ye mu bai. she wanted him to come back. she wanted to tell him that the child might be gone. at this moment, she was especially afraid. she was afraid that the child would be gone, and she was afraid that she would lose her nan.

If she really didn't have it, she would really have nothing left.

The phone rang again and again, and she listened in a daze. In the end, he didn't pick up the phone and hung up.

the phone in wen yuan's hand slipped down. her hand touched the bathrobe and was covered in blood.

The child was fine yesterday, but Yingying was going to be gone now?

She let out a hoarse voice. She wanted to call Nan Nan, but she was afraid of scaring Nan Zhizhi. Fortunately, the Auntie had come. She probably smelled the blood, so the Auntie came over slowly and screamed, "Heavens, how could it be like this?"

She ran over and Wen Yuan grabbed her hand. Before she lost consciousness, he muttered, "We must keep this child."

the auntie was about to cry,"don't talk anymore, save your strength to whine."

The helper called Mr. Ye's phone, but he did not pick up. She could only call Xu Mo. Xu Mo directly arranged for a car to send Wen Yuan to the hospital. After that, he also kept calling ye mu Bai, but no one picked up. In the end, his phone was even turned off.

she did not manage to contact ye mu bai for a day and a night because his phone had run out of battery and he could not turn it on while they were on the plane. when she found out that wen yuan had suffered a miscarriage, he was in B city.

When he heard Xu Mo's hoarse voice say that there was only a 20% chance of success, ye mu Bai was standing in B city's airport. His entire body was frozen.

He remembered that when he left home yesterday, Wen Yuan had held his hand and told him that she was not feeling well and wanted to go to the hospital. However, he had left her because he was worried about Lin sisi's condition and had chosen to look for Qin Chen.

He did not dare to imagine what Wen Yuan was thinking and feeling when he left.

When Kang Qiao and the others quarreled, he thought that it was just a couple's fight and that they would make up after the fight, just like last time. He didn't expect that she would suffer a miscarriage because of the discomfort.

Ye Mu Bai immediately took a private plane back to New York. By the time he arrived at the hospital, it was already 38 hours later. However, Wen Yuan had not woken up yet, and the child in her womb was still in critical condition.

Ye Mu Bai looked at the white wall and walked over quickly.

Xu Mo was guarding the door. When he saw him coming, his eyes were red. "He's not awake yet."

"Where's the child?" Ye Mu Bai asked in a trembling voice.

He had a feeling that if the child was gone, he and Wen Yuan would be finished, Hanhan.

Chapter 3840: I also need you (3)

Seeing him ask, Xu Mo said in a hoarse voice, "The doctor is still trying his best."

She paused for a moment. "The doctor advised Qianqian to give up. However, Wen Yuan must keep the child before he faints."

Ye Mu Bai closed his eyes, and there was pain between his brows.

He pushed the door open and saw Wen Yuan lying quietly on the White hospital bed. Her face was as pale as a sheet, without any color of blood. She did not look like a pregnant woman at all.

Xu Mo's voice was very soft. "She has been in a coma and has not woken up. I think Nanlai is crying very sadly. Auntie is at home taking care of her."

Ye Mu Bai could imagine Wen Yuan's situation at that time from her brief words.

...

he clenched his fists and sat down. his voice was low. " you can go out first. "

xu mo wanted to say something, but he swallowed it down and went out quietly.

Ye mu Bai looked at Wen Yuan. Her limbs were slender and her abdomen was slightly bulging. Her wrist was on an IV drip, and the other end of her wrist was beeping.

she was so quiet, as if she was sleeping, but also as if she would never wake up.

he held her hand, which was cold, and his voice was hoarse. Wen Yuan, I'm sorry. It's my fault. I shouldn't have left you. I shouldn't have treated you like this.

he lowered his head and pressed his face against the back of her hand.

at the door, kang qiao stood there, his handsome face depressed. " is there any use in saying sorry now? "

kang qiao didn't come in, he just explained, " if you loved her, you wouldn't have let her fall into a desperate situation while carrying your child. If Auntie didn't come in time, you might not have been able to see Hanhan.

ye mu bai turned around and looked at the man whom he used to mind a lot.

the one who had always liked wen yuan could be considered as a childhood sweetheart.

kang qiao lowered his eyes and looked at wen yuan. he said softly, " " if i had known that i would hurt her, i would rather not have met her again. i would rather she stupidly chase after her dreams and foolishly love someone who doesn't love her. "

Kang Qiao paused for a moment and continued, " Wen Yuan has never been a silly and sweet person. She just loves a person madly. She once told me that the person she likes is worth it. She only planned to be crazy once in her life and love one person only. She said that the person's name

was ye Mubai, the most handsome ye Mubai in the world and the gentlest man in the world. He loved little animals very much. When he was super gentle to little children and told her these words, her eyes were shining like many little stars in them. At that time, I wanted to cry, because I didn't have the chance anymore, because she liked you so much."

kang qiao said as he lifted ye mu bai's collar."You're the gentlest and most loving man in her words. Are you still a man if you leave her alone to face the pain and danger? don't marry her if you're thinking about other women. If you don't love her, then let her go. Why are you suspecting her? even if all the women in the world cheat and betray Wen Yuan, she won't let it go!"

kang qiao's voice was choked with sobs, " she gave up her dream and didn't study abroad because of you, you bastard. " "But in your heart, she's cunning, she seduces men, she's useless, and she's mediocre. Do you know why? because you said on the show that you like gentle women and like girls to be taken care of at home. Is this how you f * cking take care of her now?"
